G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council directs, that the following Regulations regarding the preparation and transmission of Bounty and Warning Certificates be substituted for those contained in the Pay Code, Head, Recruits, page 359.

One month previous to the expiration of a man's period of service, he is to be warned thereof, and at the expiration of that period he is to be called upon to declare whether he will re-enlist or not.

Bounty Certificates are to be prepared and forwarded to the Adjutant General for all men who are desirous of re-enlisting, as soon as their time expires—provided they are certified by the Surgeon to be fit for Field Service. If unfit for Field Service a report is to be made without delay to Head Quarters.

Warning Certificates are to be sent in at the same time for all men who declare themselves "unwilling" to re-enlist.

These Certificates, both Warning and Bounty, are always to be forwarded through the Head of the Department or through the Head Quarters of the Corps to which the man may be attached. For Artillery the Certificates whether at Battalion Head Quarters or from detached Companies are to be transmitted through the Commandant of Artillery. They are to be prepared in the annexed Forms.

On the back of each Bounty Certificate is to be certified by the Officer Commanding the Company, that the Man is either worthy or unworthy of receiving the Bounty. In the latter case a special report of the individual's character is to accompany the Bounty Certificate.

The Bounty Certificates when countersigned at the Adjutant General's Office will be returned as a voucher for payment.

It is to be understood that no Man is entitled to the Bounty unless registered as an *European*.

Non Commissioned and Soldiers of the Company's European Troops considered unfit for further effective service are to be examined by Committees as hereafter detailed which will be assembled as soon after the receipt of these orders as practicable.

For the European Regiment, and Sappers and Miners, Regimental Committees are to be assembled composed of the Commanding Officer or Major with two Senior Officers, the Adjutant, and the Surgeon.

For Artillery, Artillery Committees are to be assembled wherever the strength of the Division or Detachment will permit, composed of five Senior Officers, including one or more Artillery Surgeons. At Stations where there may not be a sufficient number of Artillery Officers available for this duty, Station Committees are to be assembled of which the Artillery Officer and Surgeon are to be Members.

For Staff Serjeants of Native Regiments, Regimental Committees are to be assembled, composed as directed for the European Regiment.

Non Commissioned Officers and others in Station Hospitals or belonging to the Staff of Garrisons Departments, &c. will be examined by Station Committees.

Committees as above are to be assembled at Artillery Head Quarters by order of the Commandant and elsewhere by order of Officers Commanding Divisions and Forces.

Medical Officers in Charge of Corps or Detachments are to prepare Returns of all men proposed to be removed from the effective strength on account of disease made out agreeably to the annexed form. These Returns are to be submitted to the Committees and are to be attached to their Proceedings in lieu of the separate Certificates heretofore required.

The Proceedings of the Committees will be final as regards men recommended for transfer to the Invalid or Pension Lists—Men recommended for Discharge will appear before a Final Medical Committee which will be assembled at the Presidency under the provisions of the Regulations published in G. O. G. 1st June 1827.

The Proceedings of the Committees to be conducted in strict conformity with the Regulations of the Service and the General Orders noted in the margin and agreeably to the forms laid down in General Orders dated 22d September 1822 adding thereto a column for General Number after the column of Rank and another for Character immediately after "Why Recommended."

G. O. G. 20th March 1820.
G. O. C. C. 3d Nov. 1821.
G. O. G. 26th July 1822.

It should be distinctly stated in the column headed "Why Recommended" against the name of each individual recommended to be transferred to the Veteran Establishment that he is unfit for "Field but fit for Garrison duty," and in the case of every individual recommended to be "Pensioned" that he is "Unfit for any duty," and how he became so, and the same as the case may be respecting men recommended to be discharged.

Against the name of every man examined his character is to be fully entered in the column now appropriated for that purpose which will obviate the necessity of furnishing separate certificates and Commanding Officers are also required to grant certificates of character to all men who may be removed from under their command to the Invalid or Pension Establishment or discharged from the Service, pointing out at the same time the necessity of those documents being carefully preserved by the individuals in the event of their being required to produce them at any future period.

In the Column of Remarks opposite to the name of each European Soldier recommended for transfer to the Pension Establishment it is to be distinctly stated whether he wishes to return to England, or reside and draw his stipend in India, in the latter case the reasons and claims which each individual may advance for soliciting the indulgence are to be fully and clearly inserted in the Proceedings.

The Proceedings of Committees are to be forwarded to Head Quarters through Divisions in the usual manner.

The Brigadier General Commanding the Northern Division of the Army, having reported that, in consequence of the restoration of tranquillity throughout the Vizagapatam District, he has recalled the Troops that have been so actively employed on Field Service for many months, the Right Honorable the Governor in Council deems this a fit opportunity to express the high sense he entertains of the exertions of Lieutenant Colonel Muriel and the Officers and Men of the Detachments under his Command—he has observed with great approbation the zeal, energy, and activity, evinced by that Officer, and by all ranks under him, throughout a harassing service in which they had to contend against many difficulties that nothing but the most determined perseverance could have enabled them to overcome.

The Right Honorable the Governor in Council desires also on this occasion to record his approbation of the services of Major Baxter and the Officers and Men of the Detachments employed under him in Kimedy, and his satisfaction at the success of their operations during the short time the season admitted of their being in the field.

To mark his approbation of their conduct and services, the Right Honorable the Governor in Council is pleased to grant a gratuity equal to one month's pay and allowances to the European Officers, and one month's pay to the Native Officers and Sepoys of the Detachments employed under Lieutenant Colonel Muriel, and a gratuity equal to one month's full batta to the Officers and Men of all ranks in the Detachments employed under Major Baxter—the gratuities will be paid upon abstracts signed by the respective Commanding Officers and countersigned by the Brigadier General Commanding the Division.

The thanks of Government are eminently due to Brigadier General Taylor for the ability with which he has directed the operations of the Troops, and provided for every exigency of the service in which they have been employed.

The Right Honorable the Governor in Council very highly appreciates the judgment and discretion which have marked all the proceedings of Brigadier General Taylor, in the performance of the weighty duties which have fallen upon him in the administration of Martial Law in the District of Vizagapatam; and the cordial alacrity and energy with which he has co-operated with the Civil Commissioner Mr. Russell for the restoration of order and tranquillity in that District, and Ganjam.

To Lieutenant Colonel Bowes, Commanding Vizianagrum the thanks of Government are due for his promptitude and activity in forwarding the service of the Troops in the Field.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN;

31ST AUGUST 1833.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Vizagapatam, on Monday the Twenty-ninth day of July, in the year of Our Lord One thousand Eight hundred and Thirty-three, by virtue of a Warrant from His Excellency Lieutenant General the Honorable Sir Robert William O'Callaghan, K. C. B. Commander in Chief, are published to the Army.

Lieutenant Colonel Edward Lloyd Smythe, of the Eighth Regiment of Light Cavalry, ordered into arrest by the Commander in Chief.

Charge.—For having, in Camp, on the East Bank of the Guirnah River, in the neighbourhood of Ootraun, in the Province of Khandesh, on the Twenty-seventh day of June, in the Year One thousand Eight hundred and Seventeen, feloniously made an assault in and upon Peer Khan, Trooper in the Fifth Regiment of Light Cavalry, and, then and there, feloniously, wickedly, and against the order of Nature, had a venereal affair with the said Peer Khan, and, then and there, feloniously, carnally known him the said Peer Khan, and, then and there, feloniously, wickedly, and against the order of Nature, with the said Peer Khan, committed and perpetrated the detestable and abominable crime of Buggery.

The above being within the Provisions of the Fourth Article of the Twenty-first Section of the Articles of War.

HEAD QUARTERS; MADRAS.
The Second day of May, One thousand Eight hundred and Thirty-three.

By Order.
(Signed) B. R. HITCHINS,
Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence adduced in support of the Prosecution, as well as what the Prisoner Lieutenant Colonel Edward Lloyd Smythe of the Eighth Regiment of Light Cavalry, hath advanced in his Defence, and the Evidence in support thereof, is of opinion:

Finding on the Charge.—That the Prisoner is Not Guilty of the Charge, and doth most fully, and most honorably acquit him of all, and every part thereof.

(Signed) C. A. ROBERTS,
Deputy Judge Advocate General.

(Signed) H. G. A. TAYLOR, Brigadier General,
and President.

Confirmed.—It is with extreme regret that upon a Trial of such a nature and where an Officer has been honorably acquitted, I am precluded from adding my approbation, in consequence of the imperfect state in which the Investigation has been left.—In publishing these Proceedings to the Army, it becomes my duty to place upon record my disapprobation of a procedure which, if admitted as a Precedent, might hereafter tend to an universal denial of justice.—The Court, after irregularly admitting Evidence as to *particular* transactions in order to impeach the credibility of one of the Witnesses in support of the Prosecution instead of restricting the Inquiry to Evidence of his *general* want of veracity, denied to the Public Prosecutor the opportunity of impeaching, as he was prepared to do, the character of the Prisoner's Witnesses, or of supporting by fresh Evidence the character of his own; so that, in point of fact, the Witnesses on the Prosecution were subjected to an ordeal from which, by the direct interference of the Court, the Witnesses on the Defence were, most unadvisedly, protected.

MADRAS,
31st *August* 1833.

(Signed) R. W. O'CALLAGHAN, Lieut.-General;

Commander in Chief, are published to the Army.

Subadar Ahmed Khan of the Fifth Regiment of Light Cavalry, placed in arrest, by order of the Commander in Chief, on the complaint of Major John Watkins of the same Regiment.

Second Instance.—In having in Camp near Hyderabad, on the Twenty-second of December, One thousand Eight hundred and Thirty-one, endeavoured to excite discontent, and insubordination, among the Native Officers of the Fifth Regiment of Light Cavalry, by declaring that I, Major John Watkins, intended to get seven of them pensioned on a quarter of their Pay.

Third Instance.—In having at Mole-Alli on the Second of December, One thousand Eight hundred and Thirty-one, endeavoured to excite discontent, and insubordination in the A Troop of the Fifth Regiment of Light Cavalry, by taking out his Watch, and exclaiming to the said Troop, "You have been "kept too long at cleaning this Morning, and if we are worked in this way now, how will we be "worked when we make long marches, and have our Families to attend to," or words to that effect.

Captain Donald Macleod of the Fourth Regiment of Light Cavalry, late Senior Officer of the same Regiment, ordered into arrest by the Commander in Chief, on the following Charges.

First Charge.—For having at Secunderabad, on the First of July, One thousand Eight hundred and Thirty-two, in a Report sent in to the Military Board, made a false Return of the Saddlery and Horse Appointments then and there in use with the Fourth Regiment of Light Cavalry.

Second Charge.—For having at the same place, on the First of March, One thousand Eight hundred and Thirty-three, in like manner, made a false Return of the Saddlery and Horse Appointments, then and there in use with the same Regiment.

Third Charge.—For having at the same place, on the First of April, in the year last mentioned, in like manner, made a false Return of the Saddlery and Horse Appointments, then and there in use with the same Regiment.

The above being in breach of the Articles of War.

HEAD QUARTERS:
MADRAS,
The Twenty-fifth of June, One thousand Eight hundred and Thirty-three.

By Order,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution on the Charges, as well as what the Prisoner, Captain Donald Macleod of the Fourth Regiment of Light Cavalry, has urged in his Defence, and the Evidence in support thereof, is of opinion :

Finding on the First Charge.—That the Prisoner is Guilty of the First Charge.

Finding on the Second Charge.—That the Prisoner is Guilty of the Second Charge.

Finding on the Third Charge.—That the Prisoner is Guilty of the Third Charge.

Sentence.—The Court having found the Prisoner Guilty, as above stated, doth Sentence him, the said Captain Donald Macleod of the Fourth Regiment of Light Cavalry, to be severely reprimanded.

(Signed) THOS. B. CHALON,
Acting Deputy Judge Advocate General.

(Signed) W. B. SPRY, Lieut.-Colonel,
37th Regiment N. I. and President.

The Court with reference to the leniency of the Punishment adjudged the Prisoner deems it to be incumbent on it most respectfully to make known to His Excellency the Commander in Chief the motives which have influenced it in pronouncing its award.

First.—The Offence specified in the Charges does not extend to that which comes under the Provisions of Section Fifth, Article the First of the Articles of War, inasmuch as the Prisoner is not accused of *knowingly* making a false Return the which circumstance according to all the Law authorities to which the Court has had access must be proven, directly, or presumptively, before a Prisoner can become amenable to the provisions of the said Article.

Second.—By General Orders, Staff Officers are held responsible for the correctness of all Papers prepared by them, though at the same time Commanding Officers are not thereby exonerated from their most important and special duty of seeing that every Man under them does his duty faithfully and correctly; and in the case of Staff Officers, that these use every endeavour to make out with extreme care the papers which it is their respective duty to prepare;—and the Commanding Officer who neglects to do so becomes guilty of the offence of which the Prisoner is accused; the which offence must therefore be considered as coming under the Provisions of Section the Twenty-first, Article the Second of the Articles of War.

Lastly.—The Prisoner confesses that he did not examine the Returns mentioned in the Charges, or ascertain personally how far they were correct; and that he countersigned them trusting implicitly to his Staff, and in thus neglecting his bounden duty consists, in the humble judgment of the Court, his guilt: and it has therefore pronounced Sentence accordingly.

(Signed) THOS. B. CHALON,
Acting Deputy Judge Advocate General.

(Signed) W. B. SPRY, Lieut. Colonel,
37th Regiment N. I. and President.

HEAD QUARTERS: MADRAS, *24th August* 1833.

The Court will reconsider its finding and Sentence.

If the Court is of opinion that Captain Macleod *unknowingly* signed false Returns, he is entitled to an acquittal, upon the Charges generally: for, to constitute Crime there must both be a *Will* and an *Act*: and no man can legally be convicted, upon any charge whatsoever, unless he is found *intentionally* to have committed the criminal acts therein set forth.

Previous, however, to arriving at a judgment so entirely opposed to the Evidence recorded, the Court will weigh well the apparent impossibility that Captain Macleod, at the time of signing these Returns, *could* have believed the Saddlery of the 4th Cavalry to have been complete: more especially in the instance of the Return of the 1st April, where deficiencies to so great an extent had immediately before, been brought to his knowledge, by the Proceedings of Committees assembled on the 6th and 23d of March, by the latter of which the transfer of so large a sum of Money had been awarded:—And the Court will further consider the extreme improbability that Captain Macleod, being aware of the deficient state of the Saddlery, should have signed, without examination, Returns according to the tenor of which the Abstract for Contract Allowance was necessarily made out; or that, having *unknowingly* signed a false Return, he should not have rectified the mistake, and refunded the amount over-drawn, upon receiving the regulated allowance *for Articles not in existence.*

I cannot send back these Proceedings for revision, without animadverting upon the dangerous tendency of the concluding Remarks appended to the Sentence. Commanding Officers are responsible, in the strictest sense of the word, for the *Truth* of all Returns to which they affix their Signature: most especially so in the instance of Returns of the nature in question, where the Quarter Master indeed prepares the Document, but where the Commanding Officer alone is *interested*, that the Saddles, for which he is paid by Government, should appear on the face of the Return to be complete and serviceable. Were the objectionable Doctrine to go forth *unnoticed* to the Army, that Regimental Staff Officers are responsible for Returns *to the exemption* of Commanding Officers, and that a Plea of Ignorance, supported by the mere *ipse-dixit* of the Prisoner, may avail against the *Presumption* of fraudulent intent when a *false* Return is signed by an *interested* Party: then indeed might Peculation flourish, and Conviction, according to the Provisions of the Articles of War, become impossible.

(Signed) R. W. O'CALLAGHAN, Lieut.-General,
and Commander in Chief.

Revised Finding and Sentence of the Court.

The Court having most maturely weighed and reconsidered the whole of the Evidence in support of the Prosecution, with the Remarks of His Excellency the Commander in Chief, as well as what the Prisoner Captain Donald Macleod of the Fourth Regiment of Light Cavalry has urged in his Defence, and the Evidence in support thereof, is of opinion:

Revised Finding on the First Charge.—That the Prisoner is Guilty of the First Charge.

Revised Finding on the Second Charge.—That the Prisoner is Guilty of the Second Charge.

Revised Finding on the Third Charge.—That the Prisoner is Guilty of the Third Charge.

Revised Sentence.—The Court having found the Prisoner Guilty, as above stated, doth Sentence him, the said Captain Donald Macleod of the Fourth Regiment of Light Cavalry, to be severely reprimanded in such manner as His Excellency the Commander in Chief may deem fit.

(Signed) THOS. B. CHALON,
Acting Deputy Judge Advocate General.

(Signed) W. B. SPRY, Lieut.-Colonel,
37th Regiment N. I. and President.

The Court most humbly, and respectfully, beg to state, that before proceeding to revise its Finding and Sentence it endeavoured, to the best of its judgment, most seriously and attentively, to reconsider the whole of the recorded Evidence for and against the Prisoner, together with the Remarks of His Excellency the Commander in Chief thereon, yet in the conscientious discharge of its duty, it could not bring itself to con-

vict the Prisoner of an offence, of a much more grave nature than that described in the Charge, which only, in the humble opinion of the Court, is that of gross neglect and carelessness, the gravamen of the graver offence being omitted, namely, the word "*knowingly*."

It is with great sorrow that the Court finds, that the expressions in its Remarks on its Original Finding and Sentence, as regards the responsibility of Commanding Officers, should appear to have conveyed an idea which it never intended, as it conceived that in the words "though at the same time Commanding Officers are not thereby exonerated from their most important duty, &c." was implied, the responsibility referred to by His Excellency, and which the Court did not mean in any degree to relieve them, Commanding Officers, from.

(Signed) THOS. B. CHALON,
Acting Deputy Judge Advocate General.

(Signed) W. B. SPRY, Lieut.-Colonel,
37th Regiment N. I., and President.

Disapproved.

Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution of the Charge, as well as what the Prisoner Captain Thomas Anderson of the Fourth Regiment of Light Cavalry has urged in his Defence, and the Evidence in support thereof, is of opinion:

Finding on the Charge.—That the Prisoner is Guilty of the Charge.

Sentence.—The Court having found the Prisoner Guilty, as above stated, doth Sentence him, the said Captain Thomas Anderson of the Fourth Regiment of Light Cavalry, to be admonished by His Excellency the Commander in Chief.

(Signed) THOS. B. CHALON,
Acting Deputy Judge Advocate General.

(Signed) W. B. SPRY, Lieut.-Colonel,
37th Regiment N. I. and President.

The Court considers it necessary to explain, that in taking upon itself to award a discretionary punishment, it does not conceive that the offence specified in the Charge extends to that which comes under the Provisions of Article the First, of the Fifth Section of the Articles of War, inasmuch as the Prisoner is not accused of *knowingly* making a false Return; the which circumstance, can alone, in the opinion of the Court, render a Prisoner amenable to the Provisions of the Article in question; it therefore has exercised its discretion in awarding Punishment, considering the offence of which it has found the Prisoner Guilty to be a neglect to the prejudice of good order and Military Discipline.

The Court feels it a duty it owes to the Prisoner, to state that it has found him guilty of the fact of signing his Name to a false Return, but that it does not wish it should be considered that the slightest imputation against his character can be assumed by his having done so, as it considers the act to have been perfectly inadvertent on his part, but that he is nevertheless not altogether blameless in having allowed any circumstance whatever to prevent his examining a paper submitted for his Official Signature, although, as has been most satisfactorily proved, such practice of neglect was perfectly contrary to his usual habits.

Acting Deputy Judge Advocate General.

(Signed) W. B. SPRY, Lieut.-Colonel,
37th Regiment N. I. and President.

Disapproved.

and Commander in Chief.

The Proceedings upon the Trials of Captains Macleod and Anderson of the 4th Light Cavalry exhibit a Picture of Disorganization in the Interior Economy of that Regiment such as never, probably, before existed in any Corps of a Regular Army, and which it is to be hoped the experienced Officer who has been appointed to supersede Captain Macleod in Command will employ his best energies to rectify.—Organized Bodies are usually supposed to be bound together by a chain of Responsibility, holding each Individual answerable for his own disorders and neglects, and providing for the efficient Discipline of the Inferior by the Superior: but, in this Instance, on the contrary, the Superior appears to have been in the practice of relieving himself from all Responsibility upon the shoulders of his Inferior, until the Insignificance of the person so burthened rendered such responsibility equally immaterial to himself and useless to the Public Service.—The Commanding Officer openly avows, before the Court, his habit of relying implicitly upon the Integrity of his Staff, and of signing *without examination*, the papers presented by them, *in a pecuniary matter too where his own Integrity and not the Integrity of his Staff was at stake*; and the Staff again, represents himself as

signing, in like manner without examination, Papers presented by the Quarter Master Serjeant; who, himself, declares the Saddle Returns to be usually prepared and *despatched* by the Gram Conicopoly, who is then stated to be an "*infamous*" character, and upon whom, *so designated*, the onus, most conveniently for the other parties concerned, is finally made to rest.

That Officers who had so committed themselves should have sought to escape punishment by setting up a plea of ignorance,—that they should have represented themselves as having *unknowingly* signed the Returns in question,—is perhaps not to be wondered at: but that the majority of a Court of fifteen Officers, *sworn to administer Justice according to the Articles of War and their consciences*, should have been found, deliberately and upon revision, to sanction so inadmissible and dangerous a plea, and to arrive at a Judgment equally opposed to the facts of the case and the well-being of the Service, is indeed truly lamentable.

and Commander in Chief.

First Instance.—In having, at Palaveram on the Twenty-ninth of August, One thousand Eight hundred and Thirty-three, when in Command of the Inlying Picquet, disrespectfully addressed to me, his Superior Officer, then and there visiting the aforesaid Picquet as Officer of the Main Guard, the following words, "*I shall answer no more questions of yours*" or words to the same effect.

Third Instance.—In having at the same place on the same day, proceeded to the Quarters of Captain Henry Snell Burgess of the Fifth Regiment of Native Infantry, the Captain of the Day coming off Duty, and, then and there, falsely and maliciously reported to him that I was drunk when I visited the said Picquet on Duty, as set forth in the first Instance of Charge.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Subadar Modeen Khan, of the Twenty-seventh Regiment of Native Infantry, has urged in his Defence and the Evidence in support thereof, is of opinion :

Finding on the First Instance of the Charge.—That the Prisoner is Guilty of the First Instance of the Charge.

Finding on the Second Instance of the Charge.—That the Prisoner is Guilty of the Second Instance of the Charge.

Finding on the Third Instance of the Charge.—That the Prisoner is Guilty of the Third Instance of the Charge.

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him, the said Subadar Modeen Khan of the Twenty-seventh Regiment of Native Infantry, to be Discharged from the Service.

(Signed) R. W. O'CALLAGHAN, Lieut. General,

The General Court Martial of which Subadar Major Hussain Khan of the 4th Battalion Artillery, is President, is dissolved.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Kamptee, on Monday the Twenty-sixth day of August, in the Year of Our Lord One thousand Eight hundred and Thirty-three, and continued by adjournment by order of Colonel Charles Farran, Commanding Nagpore Subsidiary Force, by virtue of a Warrant of authority vested in him by His Excellency Lieutenant General the Honorable Sir Robert William O'Callaghan, K. C. B. Commander in Chief, are published to the Army.

James Darby, Gunner, Number Seventy-seven, in the B Company of the First Battalion of Artillery, placed in confinement by my order.

Charge.—For having, at Kamptee, on the Seventeenth of July, One thousand Eight hundred and Thirty-three, when Centinel at the Gun Shed of his Detachment, left his post before he was regularly relieved.

The above being in breach of the Articles of War.

CAMP KAMPTEE,
The Twenty-second of July, One thousand Eight hundred and Thirty-three.

(Signed) THOMAS BIDDLE, Captain,
Commanding Detachment First Battalion Artillery.

James Darby, Gunner, Number Seventy-seven, in the B Company of the First Battalion of Artillery, Charged, in addition to the Charge originally preferred against him.

Additional Charge.—With having, at Kamptee, on the Twenty-second of July, One thousand Eight hundred and Thirty-three, been found deficient in the following Articles of his Regimental Necessaries just before served out to him, namely, one Shirt, two pairs of Trousers, one Carpet, one pair of Boots, one Knife and one Fork, he having sold, or lost the same through neglect.

The above being in breach of the Articles of War.

CAMP KAMPTEE,
The Twenty-fourth of July, One thousand Eight hundred and Thirty-three.

(Signed) THOMAS BIDDLE, Captain,
Commanding Detachment First Battalion Artillery.
By Order.
(Signed) J. GUNNING,
Assistant Adjutant General.

The Court having maturely considered the Evidence adduced in support of the Prosecution, and the Prisoner, James Darby, Gunner in the B Company of the First Battalion of Artillery, having made no Defence, is of opinion.

Finding on the Charge.—That the Prisoner is Guilty of the Charge.

Finding on the Additional Charge.—That the Prisoner is Not Guilty of the Additional Charge, and does therefore acquit him of the same.

Sentence.—The Court having found the Prisoner Guilty, to the extent above stated, does Sentence him, the said James Darby, Gunner, Number Seventy-seven, in the B Company, of the First Battalion of Artillery, to suffer Imprisonment, by being placed in Solitary Confinement, for a period of two (2) Calendar Months, from such time, and at such place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) S. BULLOCK,
Deputy Judge Advocate General.

(Signed) J. WAHAB, Lieut. Colonel,
34th Light Infantry, President.

The Court will reconsider its Finding upon the Additional Charge, which is in opposition to the Evidence recorded.—It is proved on the Prosecution that the Articles described in the Charge were served out to the Prisoner previous to the 22d of July: and it is also proved that, on that day, the Prisoner *twice* admitted that he had made away with the whole of his Kit, which admissions he does not attempt to deny, or qualify, on his Defence; but on the contrary throws himself on the mercy of the Court.—Had the Court considered any further Evidence necessary it should have adjourned to the Hospital and taken the Evidence of Serjeant Davidson: but the Evidence adduced, amounting as it does to a confession of guilt on the part of the Prisoner, is evidently sufficient to justify conviction and to place the Prisoner under Stoppages for the Regimental Necessaries in which he is deficient.

MADRAS,
The 9th of September 1833.

(Signed) R. W. O'CALLAGHAN, Lieut.-General,
and Commander in Chief.

Revised Finding and Sentence.

The Court having maturely reconsidered the Evidence adduced in support of the Prosecution, with reference to the Remarks of His Excellency the Commander in Chief, and the Prisoner, James Darby, Gunner, in the B Company, of the First Battalion of Artillery, having made no Defence, is of opinion:

Finding on the Charge.—That the Prisoner is Guilty of the Charge.

Revised Finding on the Additional Charge.—That the Prisoner is Guilty of the Additional Charge.

Revised Sentence.—The Court having found the Prisoner Guilty as above stated, does Sentence him the said James Darby, Gunner, Number Seventy-seven, in the B Company, of the First Battalion of Artillery, to suffer Imprisonment, by being placed in Solitary Confinement, for a period of two (2) Calendar Months, from such time, and at such place as His Excellency the Commander in Chief may be pleased to direct; and further to be put under Stoppages not exceeding the half of his Pay, until the sum of Rupees Eight, and Eight Annas, shall have been realized to replace the Articles of Regimental Necessaries, made away with.

(Signed) S. BULLOCK,
Deputy Judge Advocate General.

(Signed) J. WAHAB, Lieut. Colonel,
34th Light Infantry, President.

Approved and Confirmed.—The Solitary Confinement awarded to be carried into effect under the orders of the Officer Commanding the Nagpore Subsidiary Force.

Several Instances having occurred in which Committees appointed to investigate Claims to Pensions have enrolled the names of persons whose claims are entirely fictitious; The Commander in Chief cannot refrain from publicly noticing this culpable inattention to the interests of the Service, particularly as relates to two instances recently reported, in which Committees assembled in the late 2d Battalion 13th Regiment in February 1819, and the 26th Regiment N. I in January 1827, composed of the Officers named in the Margin, have admitted eleven individuals to the benefit of the Pension Establishment, to which it now appears they had no claim whatever, whereby the Government has sustained considerable pecuniary loss.

The Commander in Chief calls upon Officers who may be appointed to form Committees to weigh well the duty confided to them and to discharge it zealously and correctly, rather than by inattention and carelessness to subject the Government to unnecessary expense.

Officers Commanding Divisions and Field Forces must cause a particular selection of Officers to be made for the above duty, who from their knowledge of the Native Languages and Character, their intelligence and general qualifications are capable of discharging it with credit to themselves and due advantage to the Service.

18. The Commander in Chief will issue such subsidiary detailed instructions as may be necessary to carry these Orders into effect.

19. The Details from Regiments forming the Body Guard are exempted from the operation of the foregoing Orders as regards the supply of Line Articles, the contract for which, now drawn by the Commanding Officer of that Corps, is to remain as at present.—For individuals detached from their Regiments as Escorts or Orderlies, bona fide charges will be made by the Officer to whom they are attached for the repairs of Saddles and provision of petty Articles, and such charges will be paid by a transfer Bill and entered in the Quarter Master's account.

20. Officers will be entitled to share in the Saddle Contract Fund under the Regulations of the Service applicable to Regimental Command allowance, with these exceptions, that Officers absent on duty will not forfeit their claim, and that Officers removed from one Regiment to another are to be considered on duty provided they join within the prescribed period.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to direct that the following Extract, Paragraph 3, of a Letter from the Honorable Court of Directors, dated the 5th June 1833, with the Circular Letter from the War Office therein referred to, be published in General Orders.

3. We also transmit a number in the packet, copies of communications from the Horse Guards and

EXTRACT CIRCULAR No. 671, WAR OFFICE, 9TH JULY 1830.

Officer Commanding

—— Regiment of ————————

SIR,

ORDERLY ROOM CLERK.

17. Having had under my consideration the situation of the Orderly Room Clerk, I am of opinion that advantage will result to the Service by selecting a Private Soldier of the Regiment as Orderly Room Clerk, allowing him the difference between the pay of Private and that of Serjeant, the Soldier thus selected who shall continue faithfully to discharge his duties for a period of three years will be allowed to rank and reckon service as a Serjeant including the three years of probation; but if at any time he shall relinquish the situation without the approbation of his Commanding Officer, or is displaced therefrom in consequence of misconduct, he will revert to the rank and pay of a Private Soldier.

As a further inducement to good conduct, the Orderly Room Clerk after having served ten years in that capacity, will receive an additional allowance of six pence a day, making his pecuniary advantages, the same as those of a Colour Serjeant in the Infantry and nearly equal to those of a Troop Serjeant Major in the Cavalry.

It is not however required that the Non-Commissioned Officers at present employed as Orderly Room Clerks, should be displaced, if the Commanding Officer is satisfied with the manner in which the duties are performed; in such case the present regulation will be applied only when a vacancy shall occur.

In reserve Companies, a Private Soldier may be employed as Orderly Room Clerk, receiving an allowance to make his pay equal to that of Serjeant, but having no claim to reckon Service in that rank.

18. Having also adverted to the situation of the Clerk to the Regimental Paymaster who is borne on the Establishment with the rank and pay of Serjeant, but who, in the capacity of Paymasters' Clerk, cannot be promoted to be a Colour Serjeant in the Infantry or to Troop Serjeant Major in the Cavalry, I have to acquaint you, that the Paymasters' Clerk having served ten years as such may be recommended by the Commanding Officer and Paymaster for an allowance of six pence a day in addition to his pay as Serjeant, but this additional allowance will at any subsequent period be liable to be suspended or wholly taken away, if the Paymasters' Clerk is guilty of any neglect or misconduct, the circumstances of the case being fully stated to the Secretary at War, by the Commanding Officer and Paymaster, if it should not be deemed expedient to resort to a Court Martial.

I have the honor, &c.

By order of the Right Honorable the Governor in Council.

Secretary to Government.
