No. 1.

FORT ST. GEORGE, 1ST JANUARY 1833.

G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th of June 1815, be re-published in General Orders.

Para. 139. "In consequence of the numerous applications which have been preferred to us by our Servants, on leave of absence in this country, for advances of money on loans, we think it proper to recall your attention to our orders in the Military Department of the 26th February 1808, upon this subject. Those orders declared our determination not to make any pecuniary advances to Officers at home, beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members, should be occasionally republished, and being fully persuaded, that a strict observance of this resolution, will prevent much trouble and inconvenience besides loss to the Company, we direct that our orders above adverted to, be in future circulated for the information of the Army, in the month of January every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon furlough, of our determination upon the subject in question."

FORT ST. GEORGE, 4TH JANUARY 1833.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council, in publicly acknowledging the general good conduct of the European and Native Troops lately employed on an active and harassing warfare at Malacca, has much satisfaction in noticing in a prominent manner, the conduct of Havildar Peer Homed of the 29th Regiment of Native Infantry, and Private Meer Emaum Alli, of the 5th Regiment of Native Infantry, the former when posted at Songypettah, with a Naigue and 12 Privates to protect supplies, maintained his position for several hours against 300 Malays, and after having his Naigue and four Sepoys wounded, eventually compelled the enemy to retreat; the latter, nobly covered his Commanding Officer Ensign Wright, when he fell severely wounded within twenty yards of a Stockade.

To mark the sense which the Government entertain of the brave and judicious conduct of the Havildar, and the devotion and gallantry of the Private, which are alike meritorious: The Right Honorable the Governor in Council is pleased to promote the former to the rank of a Subadar, and the latter to the rank of a Havildar; and to permit their being borne as Supernumeraries until opportunities offer to bring them on the fixed establishment of their respective Regiments.

The following Letter in the Judicial Department is published in General Orders.

No. 136.

To

Brigadier General H. G. A. TAYLOR,
Commanding Northern Division.

SIR,

Para. I. I am directed to acknowledge the receipt of your letter of the 4th Instant, announcing the capture of Veerabudrarauze by a party under Major Muriel.

II. The spirit and judgment which have from first to last distinguished Major Muriel's operations deserve the warmest commendation of Government. In a service particularly harassing and vexatious to the Troops, and one in which he was constantly exposed to failure and discouragement, Major Muriel succeeded in inspiring his Men with the same resolution which animated himself, and at length by a judicious disposition of his detachment, and by persevering in the pursuit of Veerabudrarauze at a moment when many reasons might have been assigned for abandoning it, he has effected a great public benefit.

III. Although the Right Honorable the Governor in Council is satisfied of the meritorious exertions of every man in Major Muriel's detachment, the reward offered for the seizure of Veerabudrarauze is undoubtedly due to Venkatapattyrauze, Mahomed Esopu and the party of 25 Men who fortunately captured him. The Collector of Vizagapatam will be desired to hold at your requisition the sum of 5,000 Rupees offered for his apprehension, and you will have the goodness to disburse it in such a manner as you may consider most suitable to the occasion.

IV. The Right Honorable the Governor in Council desires me in conclusion to apprize you of the continued approbation with which he regards all the measures you have adopted in furtherance of the important service confided to you.

FORT ST. GEORGE,
12th *February* 1833.

I have the honor to be,
Sir,
Your most obedient Servant,
(Signed) T. R. WHEATLEY,
Secretary to Government.

By order of the Right Honorable the Governor in Council.

GENERAL ORDERS,

HEAD QUARTERS : CHOULTRY PLAIN ;

21st FEBRUARY 1833.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief to be published to the Army, they are accordingly published in Military Orders.

No. 51.

FORT ST. GEORGE, 15th February 1833.

G. O. BY GOVERNMENT.

The special attention of Commanding and other Officers is required to the provisions of the VI Geo. IV, Cap. LXI, regarding the Estates of European Officers or Soldiers of the Company's Service, and to the following explanatory regulations on the subject.

1. Upon the death of any European Officer or Soldier, whether Intestate or otherwise, his Effects then in Camp or Garrison are to be secured under the authority of the Commanding Officer of the Regiment or Station to which the deceased belonged, as directed in Section XVI of the Articles of War; the Committee invariably assembling within four and twenty hours from the time of the Casualty.

2. Should there not be Officers present with the Regiment of the description specified in Art. I, Section XVI of the Articles of War, then the Committee may be composed of such as may be available, the Seniors being selected.

3. The Committee are to take a correct Inventory of the whole of the Effects and Account of the Credits of the deceased, mentioning especially and in all cases whether any and what amount of Cash was found in the deceased's possession, and whether any and what amount of Pay and Allowances was due to the deceased, also an account of his Regimental Debts, and the same are to be entered in a Book to be kept for that purpose to be entitled "Register of Estates," which Book shall form a Regimental Record, and a copy of such Inventory and Account shall be forthwith forwarded to the Secretary to Government in the Military Department, such copy to be attested "a true copy from the entry in the Register."

4. It will be the duty of the Committee in preparing such account of Credits and Debts, carefully to investigate the latter and to record their opinion as to the correctness of each claim.

5. Claims coming decidedly within the description of Regimental Debts, to wit, Regimental Mess Accounts, charges or expenses relating to the Illness or Funeral of deceased Officers and Soldiers, charges for House Rent, Servants Wages and House Expenses for periods not exceeding one month and the portion of the month in which the Casualty may occur, may be discharged by the Commanding Officer without previous reference to the Secretary to Government in the Military Department.

6. All other claims preferred at Regimental Head Quarters, such as accounts with Station Shopkeepers, loans, &c. must be left for adjustment by the person who may eventually administer to the Estate.

7. It will be the duty of the Commanding Officer to draw without delay whatever arrears of Pay and Allowances may be due to the deceased.

8. In cases of an Intestacy it is ordered that within one fortnight after the taking of the Inventory, a sale of the Effects shall take place by Public Auction to the highest bidder, due notice thereof having been given, and within one fortnight after such sale, the Account Sale shall be entered in the "Register of Estates" and a copy of such Account Sale shall be forthwith forwarded to the Secretary to Government in the Military Department, such copy to be attested as directed in para. 3.

9. The Officer Commanding will be accountable for the recovery of the amount of all purchases, and for the correctness of all payments from the proceeds of Estates. It being his province to nominate the Auctioneer, and when he may see fit to prohibit the delivery of Goods until their value has been received; credit may be given to Military persons but not beyond the second issue of Pay after the sale.

10. It is ordered that within one fortnight after such second issue of Pay the Officer Commanding shall cause to be entered in the said Register an Account in the form annexed, debiting himself with all the Credits of the Estate and crediting himself with all payments of Regimental Debts, and shewing that the balance has been lodged in the Pay Office and a Transfer Receipt obtained, and a copy of the same, attested as in para. 3, together with all vouchers for all payments and the Sub Treasurer's Receipt for the balance is to be forwarded to the Secretary to the Government in the Military Department as soonas the Sub Treasurer's Receipt for the balance shall have been received.

11. The Auctioneer shall in no case receive a greater per centage or remuneration than 5 per cent, which shall be paid by the Commanding Officer on the day on which the accounts of the Estate are finally closed, if his accounts are correct and the amount of purchases recovered, but not otherwise.

12. If there be any House or article of great value which may seem to the Officer Commanding to justify the postponement of the sale or the extension of credit beyond the time by this order limited, he may, if he sees fit, postpone the sale, or, on his own responsibility, make a special agreement for the payment of the price of such House or article of great value, such postponement of the sale and such special agreement being immediately brought to the notice of the Secretary to the Government in the Military Department, together with the special circumstances which have seemed to such Officer Commanding to justify a departure from the course prescribed in the 8th para. of this order.

13. When any Military Person indebted to an Estate shall, before the full payment of the account of his purchases, apply for leave of absence on sick certificate or otherwise, it will be the duty of the Officer in charge of the Estate from which such purchases have been made to recover the payment of the debt prior to the departure of the individual from his Station, or to report the default to the Accountant General and to the Secretary to Government in the Military Department.

14. In the case of a Will and no Executor named being at the time of the death within the Presidency of Madras, the Officer Commanding shall, together with the copy of the Inventory and Account of Credits and Debts mentioned in para. 3, forward to the Secretary to Government in the Military Department a copy of the Will. In all other respects the Officer Commanding will proceed as in the case of an Intestacy.

15. In the case of a Will, in which an Executor is named, who at the time of the death of the deceased is within the Presidency of Madras, the Officer Commanding shall, together with the copy of the Inventory and Account of Credits and Debts, mentioned in para. 3, forward to the Secretary to Government in the Military Department, a copy of the Will.

16. It will in this case be the duty of the Officer Commanding not to direct the sale of any article, except live stock, or such as are of a perishable nature, until he shall receive instructions, in writing, from the Executor.

17. The Officer Commanding shall forward to such Executor a copy of the Will, also a copy of the Inventory, and Account of Credits and Debts mentioned in para. 3, noticing at the foot of such copy of the Inventory the live stock and perishable articles which have been sold and the prices which were given for the same respectively.

18. The Officer Commanding must, in the first place, take care, that all Regimental Debts, &c. are paid, and in the next place he will attend, as to the disposal of the property of the deceased, as nearly as he can, to the wishes of the Executor expressed in writing.

19. When an Officer whether Intestate or otherwise, dies at a Station to which he does not properly belong, it will be the duty of the Officer Commanding to take all necessary steps, in conformity with the preceding instructions; and the Commanding Officer of the Corps or Station to which the individual was attached, will likewise, on receiving intimation of the Officer's decease, take similar measures with regard to the property which may there be forthcoming.

20. An Officer Commanding, quitting or being relieved from the charge of a Regiment, shall render to the Officer succeeding to such charge, the account of every Estate, whether of an Intestate or otherwise, the accounts and balance of which shall not have been then already rendered to the Secretary to Government in the Military Department, or Executor, as the case may be; and such succeeding Officer will be responsible for the correctness of the account, unless, at the time of receiving charge of the Regiment, he objects to the account and brings such objection to the notice of the Secretary to Government in the Military Department.

21. In case of any Officer Commanding dying, or being by sickness incapacitated from rendering any account, the next Senior Officer shall direct the assembly of a Committee consisting of three of the Senior Officers of the Station or Regiment, for the purpose of taking an account of all Estates, whether of Intestates or otherwise, the accounts and balances of which shall not have been then already rendered to the Military Secretary or Executor, as the case may be; and the Committee so assembled shall render the accounts taken to the Officer succeeding to the Command, in case of such death or sickness.

22. Officers Commanding will be held responsible for the strict fulfilment of the several provisions of this Order, and any loss which may arise by a deviation therefrom, will be recovered from their Pay and Allowances under the authority of Government.

23. They will likewise on making over an Estate to the Secretary to Government in the Military Department, to the Executor, or to the Registrar of the Supreme Court, as the case may be, submit a Notification of their having done so for publication in the Fort St. George Gazette.

MADRAS,
The Twenty-sixth of January,

and Thirty-three.

By Order.
(Signed) B. R. HITCHINS,
Actg. Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence adduced in support of the Prosecution, as well as what the Prisoner, Lieutenant and Adjutant Thomas James Fisher of the Fourth Regiment of Native Infantry, hath advanced in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the First Charge—That the Prisoner is Guilty of the First Charge with the exception of the word " *Malicious.*"

Finding on the First Instance of the First Additional Charge.—That the Prisoner is Guilty of the First Instance of the First Additional Charge, with the exception of the word " *Maliciously.*"

Finding on the Second Instance of the First Additional Charge.—That the Prisoner is Guilty of the Second Instance of the First Additional Charge, with the exception of the word " *Maliciously.*"

Finding on the Third Instance of the First Additional Charge.—That the Prisoner is Guilty of the Third Instance of the First Additional Charge, with the exception of the word " *Maliciously.*"

Finding on the Second Additional Charge.—That the Prisoner is Guilty of the Second Additional Charge, with exception of the words " *Wilfully*" and " *Pertinaciously.*"

(Signed) C. A. ROBERTS,
Deputy Judge Advocate General.

(Signed) E. M. G. SHOWERS, Lieut.-Col, H. B.
President.

With reference to the term " Forgery," as introduced into the First Charge, and Third Instance of the First Additional Charge; The Court beg to bring to His Excellency the Commander in Chief's notice, that it does not view the word in its harsher acceptation, but considers it to have been thoughtlessly employed by the Prisoner to designate the accusatory matter exhibited by him, in ignorance of its very serious import at the moment of application. With regard to the Second Additional Charge, The Court cannot close its Proceedings without adverting to a Regulation, appertaining to the Band of the Fourth Regiment, which vests the general management of Accounts, &c. exclusively in its Committee: The Court is therefore of opinion that although the act of Disobedience cannot be *justified*, yet that the offence admits of some palliation from the Prisoner's being misled by the fact of its having the Commanding Officer's sanction.

(Signed) E. M. G. SHOWERS, Lieut. Col., H. B.
President.

Approved and Confirmed—The Suspension to commence from the date of this order.

The Fourth of January,
One thousand Eight hundred and Thirty-three.

(Signed) J. HAZLEWOOD,
Garrison Surgeon.

By Order.

(Signed) B. R. HITCHINS,
Actg. Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, John Barnes, Senior Assistant Apothecary attached to the Garrison Hospital of Cannanore, has urged in his Defence, and the Evidence in support thereof is of opinion.

Finding on the First Charge.—That the Prisoner is Guilty of the First Charge, with the exception of the four bleeding Lancets; the Court find that there were only two.

Finding on the Second Charge.—That the Prisoner is Guilty of the Second Charge.

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him the said John Barnes, Senior Assistant Apothecary, attached to the Garrison Hospital of Cannanore, to be dismissed from the Service of the Honorable East India Company, and further that he be rendered incapable of serving the Company in any Office, Civil or Military.

(Signed) A. WOODBURN, Captain,
Dep. Judge Advocate General.

(Signed) J. H. SCHOEDDE, Lt. Col.
H. M. 48th Regiment.

Confirmed.—In confirming this Sentence, in order that the Service may be relieved from a person who has been guilty of so gross an act of dishonesty, I consider it necessary to record an opinion that the punishment awarded is altogether incommensurate with the nature and degree of the offence of which the Prisoner has been convicted. If the Subordinates of the Medical Department are to be deterred from embezzling the Stores which are necessarily entrusted to them through the fear of Dismissal only, there can be but little security for public property of that description; as the value of the Drugs stolen may frequently exceed the value of the situation lost, which is evidently the case in the present Instance.

The Court having most maturely weighed and considered the whole of the Evidence, brought forward in support of the Prosecution on the Charge, as well as what the Prisoner Subadar Major Veerasaumy, of the Forty-second Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion:

Finding on the First Instance of the Charge.—That the Prisoner is "Guilty" of the first Instance of the Charge.

Finding on the Second Instance of the Charge—That the Prisoner is "Not Guilty" of the Second Instance of the Charge.

Finding on the Third Instance of the Charge.—That the Prisoner is "Guilty" of the Third Instance of the Charge.

(Signed) CHARLES BOND, Lieutenant,
and Interpreter to the Court.

The Court having thus performed a painful duty in awarding a Sentence proportionate to the crime of which it has found the Prisoner "Guilty," respectfully begs to recommend the case of Subadar Major Veerasaumy to the favourable consideration of His Excellency the Commander in Chief—The motives which have actuated the Court in thus unanimously submitting this recommendation, are the recollections of the Prisoner's long service, (Forty-one years), the very excellent character he has hitherto borne and his advanced age, which must wholly incapacitate him from supporting himself by personal exertions.

Officiating Deputy Judge Advocate General,
conducting the Proceedings.

The X Mark of SHAIK EBRAM, Subadar Major,
and President.

(Signed) CHARLES BOND, Lieutenant,

Confirmed.—Were offences of the extremely flagrant nature of those of which Subadar Major Veerasaumy has been convicted, under any circumstances to be forgiven, the Discipline of the Army would at once be at an end.

Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence adduced in support of the Prosecution, as well as what the Prisoner, Lieuterant Daniel Birley of the Twenty-seventh Regiment of Native Infantry, hath advanced in his Defence, and the Evidence in support thereof, is of opinion:

Finding on the First Charge.—That the Prisoner is Guilty of behaviour unbecoming an Officer, in having at Palaveram on the Eighteenth of February, one Thousand Eight hundred and Thirty-three, aspersed the character of Ensign Hillyar Young Pope of the Twenty-seventh Regiment of Native Infantry, by accusing him of "Lying," such aspersion having direct reference to a charge which had been preferred by him, Lieutenant Birley, against the said Ensign Pope, on the Fourteenth of July, one Thousand Eight hundred and Thirty-one, and which had been officially returned to him, Lieutenant Birley, as unwarrantable and unjustifiable, by order of His Excellency the Commander in Chief, as set forth in a letter from the Adjutant General of the Army, under date the Twenty-sixth of July, one Thousand Eight hundred and Thirty-one;" but *not* Guilty of the remainder of the Charge.

Finding on the First Instance of the Second Charge.—That the Prisoner is Guilty of the First Instance of the Second Charge.

Finding on the Second Instance of the Second Charge.—That the Prisoner is Guilty of the Second Instance of the Second Charge.

Sentence.—The Court having found the Prisoner "Guilty" to the extent above stated, and considering such behaviour to be to the "prejudice of good order and Military Discipline" doth Sentence him, the said Lieutenant Daniel Birley of the Twenty-seventh Regiment of Native Infantry, to be reprimanded in such manner as His Excellency the Commander in Chief, may see fit to point out.

(Signed) C. A. ROBERTS,
Deputy Judge Advocate General.

(Signed) E. M. G. SHOWERS, Lieut.-Colonel,
Horse Brigade, President.

The Court begs to remark that although it has found the Prisoner "Guilty" of the Second Charge yet considering the peculiarity of the circumstances under which he availed himself of the permission of the Regimental Surgeon, to take air and exercise, does not attach any culpability to the act of temporary absence from his Quarters.

(Signed) E. M. G. SHOWERS, Lieut.-Colonel,
Horse Brigade, President.

Confirmed.—and Lieutenant Birley is hereby reprimanded accordingly.

MADRAS,
The 25th of March 1833.

and Commander in Chief.

Lieutenant Birley is to be released from arrest and will return to his duty.

The General Court Martial of which Lieutenant Colonel Showers of Artillery is President, is dissolved.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Cannanore, on Wednesday the Sixth day of March, in the year of our Lord One thousand Eight hundred and Thirty-three, by virtue of a Warrant from His Excellency Lieutenant General The Honorable Sir Robert William O'Callaghan, K. C. B. Commander in Chief, are published to the Army.

Ensign James William Noble, of the Twentieth Regiment of Native Infantry, placed in arrest by Lieutenant William Shelly of the same Regiment and charged by me.

Charge.—With scandalous infamous behaviour, such as is unbecoming the character of an Officer and a Gentleman, in the following Instances.

First Instance.—In having at Cannanore, on the Twenty-fifth of January, One thousand Eight hundred and Thirty-three, come up to me with his Fists clenched, and, shaking them in my Face, dared me to call him a Liar; at the same time threatening to knock me down.

Second Instance.—In having at the same time and place, said "if I lose my Commission you shall lose your Life," or words to the same effect; thereupon taking up a Table Knife with intent to stab me therewith."

The above being in breach of the Articles of War.

CANNANORE:
The Twenty-sixth of January, One thousand Eight hundred and Thirty-three.

(Signed) DASHWOOD STRETTELL, Lieutenant,
Twentieth Regiment Native Infantry.

By Order.
(Signed) B. R. HITCHINS,
Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence, brought forward in support of the Prosecution, as well as what the Prisoner, Ensign James William Noble of the Twentieth Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion:

Finding on the First Instance of the Charge.—That the Prisoner is Guilty of the First Instance of the Charge.

Finding on the Second Instance of the Charge.—That the Prisoner is Guilty of the Second Instance of the Charge, with the exception of the words, "with intent to stab me therewith."

Sentence.—The Court, having found the Prisoner Guilty to the extent above stated, doth Sentence him, the said Ensign James William Noble, of the Twentieth Regiment of Native Infantry, to be Discharged from the Service.

(Signed) A. WOODBURN, Captain,
Deputy Judge Advocate General.

(Signed) J. H. SCHOEDDE, Lieut.-Colonel,
H. M. 48th Regiment, President.

The Court having performed their painful duty, with great respect, beg leave to recommend the case of Ensign Noble to the merciful consideration of His Excellency the Commander in Chief, on account of the high character he has hitherto maintained.

(Signed) A. WOODBURN, Captain,
Deputy Judge Advocate General.

(Signed) J. H. SCHOEDDE, Lieut.-Colonel,
H. M. 48th Regiment, President.

Confirmed.—As the Court has awarded such Punishment as the case required, these Proceedings are not sent back for revision; but it is expedient to remark that the *partial* Finding upon the Second Instance of Charge involves an anomaly; inasmuch as the Facts which have been found proved *necessarily* show the very intention of which the Prisoner has been acquitted.

It is greatly to be regretted that the Court, having by its Judgment declared the Prisoner unfit for an honorable Service, should, nevertheless, have recommended his restoration thereto.

MADRAS,
The 25th of March 1833.

Ordered that a Copy of the letter from the Secretary to the Board for the College and for Public Instruction received with the foregoing Extract be forwarded to His Excellency the Commander in Chief, with reference to a communication from this Department under date the 18th Instant.

To

The Chief Secretary to Government.

SIR,

With advertence to your letter, under date the 12th Instant, and to the Extract from the Minutes of Consultation in the Military Department dated the 9th Instant, thereto annexed, I have the honor, by desire of the Board for the College and for Public Instruction, to state for the information of the Right Honorable the Governor in Council, that Lieutenant J. J. Losh, of the 9th Regiment N. I. was examined at the College, on the 20th Instant as to his proficiency in the Telugu language.

2. This Officer, translated into English, a Telugu story of the degree of difficulty ordinarily given, to Junior Civil Servants attached to the Institution, when Candidates for the honorary reward, and, with perfect correctness.

3. His translation from English, into the Telugu language, was faithful, strictly grammatical, and idiomatic.

4. Lieutenant Losh succeeded, with very inconsiderable assistance, in giving a correct viva voce translation of a Telugu Urzee, written, in rather an illegible hand. He spoke the language with ease and fluency, and answered with readiness and correctly the questions put to him, in Telugu grammar.

5. In conclusion, the Board instruct me to state that they are of opinion, that the acquirements of Lieutenant Losh, in Telugu, are such as to justify his being considered, an excellent Scholar, in that language.

Remarks by His Excellency Lieutenant General The Honorable Sir R. W. O'Callaghan.

The Lieutenant General must dissent from the judgment, pronounced by the Court, in the cases of these two Officers.—The circumstance of a blow, or blows, together with language of an un-gentleman-like import, having passed between them, on the public road, in sight and hearing of a Non-Commissioned Officer of the Corps, cannot under any plea, admit of palliation, and imperatively called, in his opinion, for a severe measure of punishment, though no doubt, the Court was influenced in the case of the Junior Officer, Ensign M'Kenzie, in its award, by motives of commisseration towards one, so young and inexperienced, still he should not, under the impulse of the moment, have so far forgotten, however provoked, that self command and rectitude of bearing, which an Officer ought, under no circumstances, to lose sight of; His Excellency however trusts the escape, he has experienced in the present instance, may operate as a beacon to him in his future career.

Adverting in the case of Lieutenant Morris to this being the second instance within the short space of two years in which this Officer has been arraigned before Courts Martial for un-gentleman-like conduct,—that he has further been implicated in another, wherein a brother Officer was tried for a gross insult offered towards him, as also to his conduct in other respects having been brought under the notice of the Lieutenant General by the Commanding Officer of his Corps, His Excellency shall deem it in his duty to bring these circumstances to the notice of higher authority.

Lieutenant Morris and Ensign McKenzie, of the 41st or Welch Regiment of Infantry are now released from arrest and will return to their duty.

These Orders are to be entered in the General Order Books, and read at the head of every Regiment in His Majesty's Service on the establishment of Fort St. George.

By order of His Excell[illegible] Lieut. General The Honorable Sir R. W. O'Callaghan, K. C. B.

GENERAL ORDERS,

By His Excellency the Commander in Chief.

HEAD QUARTERS : CHOULTRY PLAIN ;

4TH JUNE 1833.

The following General Orders issued to His Majesty's Troops serving under this Presidency, are published for the General information of the Army.

HEAD QUARTERS :
CAMP KURNAUL, 29*th March* 1833.

GENERAL ORDER.

At a General Court Martial holden at Moulmein, on Friday the 14th day of September 1832. Lieutenant Francis Chambers of His Majesty's 41st or Welsh Regiment of Infantry, was arraigned on the following Charge.

Charge.—" For conduct highly unbecoming the character of an Officer and a Gentleman, in having proceeded to the Cantonment Quarter Guard at Moulmein on the evening of the 9th of September 1832. and then and there addressing to Lieutenant Josiah Eyles Deere of the same Regiment, his superior Officer then on that Guard, the following opprobious and disgraceful language, " you are a damned liar, and a damned blackguard," or words to that effect."

" The above being subversive of all good order and Military Discipline, and in breach of the Articles of War."

Upon which Charge the Court came to the following decision.

Finding.—" The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution on the Charge, as well as what the Prisoner Lieutenant Francis Chambers of His Majesty's 41st, or Welsh Regiment of Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion, that the Prisoner is *Guilty* of the Charge."

Sentence.—" The Court having found the Prisoner *Guilty* as above stated, and which being in breach of the 32d Clause of the 2d Section of the Articles of War, doth Sentence him, the said Lieutenant Francis Chambers of His Majesty's 41st, or Welsh Regiment of Infantry, to be Cashiered."

Approved.
(Signed) E. BARNES,
Commander in Chief.

Recommendation of the Court.—The Court having performed its painful duty in Sentencing the Prisoner, Lieutenant Francis Chambers of H. M. 41st Regiment, to be Cashiered, beg, in consideration of his youth, and his inexperience, most respectfully and most earnestly to recommend him to the favorable consideration of His Excellency the Commander in Chief, and the Court further requests permission to bring to the notice of His Excellency the well known tragical and melancholy manner in which the parents of this unfortunate youth met their deaths in one and the same hour, by which event he was left a destitute orphan until he was successful in procuring a Commission in His Majesty's 41st or Welsh Regiment of Infantry. His only hope now rests on the mercy of His Excellency the Commander in Chief, to which the Court would again most respectfully recommend him.

Remarks by His Excellency the Commander in Chief.

The Commander in Chief has had great difficulty in reconciling with his sense of duty and the Discipline of the Army, a compliance with the recommendation of the Court, in favour of Lieutenant Chambers of His Majesty's 41st Regiment : he will however, give him the benefit of this recommendation, in the hope, that the perilous predicament in which his intemperate conduct has placed him in, will have such an effect on his future behaviour, as to work a thorough reformation.

Lieutenant Chambers is to be released from his arrest and return to his duty.

By order of the Commander in Chief.
(Signed) R. TORRENS, Colonel,
Adjutant General His Majesty's Forces.

HEAD QUARTERS :

SIR,

Referring to the inclosed copy of His Majesty's Warrant of 30th of July 1830, regulating the Provision of Clothing, necessaries and accoutrements for Corps of Cavalry, and the accompanying Circulars relative thereto, I am directed by the Secretary at War to request, that you will move the Court of Directors to issue the necessary instructions as to the payment of the allowance of 8*s*. 6*d*. per annum granted from the 1st January last, to Soldiers of Cavalry who enlisted previously to the 31st August 1830, which allowance was established by Article 20 of His Majesty's Warrant above referred to, and his authorized by the Circular of 31st January 1832, to be charged in the accounts of the Regimental Paymaster.

CIRCULAR, No. 680.

WAR-OFFICE, 30TH JULY 1830.

SIR,

I have the honor to transmit herewith, for your information and guidance, the enclosed copy of His Majesty's Warrant of the 30th instant, regulating the provision of Clothing, Necessaries, Accoutrements and Appointments, for Corps of Cavalry, and at the same time to bring to your notice the principal points of difference between the Regulations thereby established, and those contained in the preceding Warrant of the 21st June 1828, which is now cancelled.

In *Article* 1, a reduction of 8*s*. per Man is made from the annual amount of the Colonel's Off-reckonings for the following reason, namely, that the expense which has hitherto fallen upon the Colonel for the Drawers, Gloves, Boots and Spurs, of the Soldiers is in future to be defrayed by themselves, as those parts of their Dress are henceforward to form a part of their Necessaries.

In *Article* 2, the object for which the Assignment of Off-reckonings is required to be made by a Colonel, is more fully defined ; namely, to ensure the punctual discharge of the Bills of the Clothier and other Regimental Tradesmen, by the Assignee, for the Supplies furnished, and to relieve the Colonel from all subsequent responsibility for the payment of those Supplies.

In *Article* 4, the biennial assignment of Off-reckonings is made general to all Cavalry Corps, whereas by the former Warrant quadrennial Assignments were allowed for Hussar Regiments. This alteration was thought to be expedient, chiefly on account of the length of time which, in case of the death or removal of a Colonel of Hussars soon after he had made his Assignment, his Successor might remain without deriving any advantage from the Off-reckonings for his Corps, and partly also to prevent inconvenience to the Executors of a deceased Colonel from the necessity of keeping open for several years an unsettled Clothing Account with his Regiment.

In *Article* 6, it is directed that the periodical Assignment of Off-reckonings, instead of commencing as formerly on the 25th December, and terminating on the 24th December, shall in future begin on the 1st January and end on the 31st December, thus assimilating the Military year to the Calendar year, in Clothing as well as in Pay.

In *Article* 9, specifying the Clothing to be in future provided by Colonels, the Flannel Drawers, and Gloves, which were included in the former Warrant, are omitted for the reasons stated in my observations on Articles 1 and 20.

In *Article* 20, the Allowance in aid of the Supply of Necessaries for every Recruit who may be enlisted after the 31st August next, is augmented from £2. 6*s*. 1*d*. to £3. 8*s*.; but, in consideration of this increased Allowance, the Drawers, Gloves, Boots and Spurs, towards the expense of which the Colonel contributed, are in future to be provided at the sole cost of the Recruit as a part of his Necessaries.

And as the Rates of Off-reckonings allowed to the Colonel for the whole Regiment, have been reduced in the manner explained in my observation upon Article 1, the Public will pay, upon the termination of the existing Assignment of those Off-reckonings, to every Soldier, enlisted before the 1st of September next, 8*s*. 6*d*. a year, this being the amount which it is calculated the Colonel has hitherto contributed in aid of the abovementioned Articles of Dress, and the said Compensation shall accordingly be charged in the December Pay List, or, if the Soldier be discharged at any intermediate period, he shall receive such proportion thereof as may be due.

In *Article* 21, two Towels are added to the List of Necessaries for the Soldiers; all the other Necessaries are the same as in the former Warrant, but are more methodically arranged in the present List. In the Clause immediately following the Statement of Necessaries peculiar to Light Cavalry, you will remark that from and after the 1st January 1831, the Allowance of 1*s*. 8*d*. a year to each Cavalry Soldier on *Home Service*, in aid of his expense in keeping up the Horse Cloth, or Saddle Blanket, and Surcingle, is to be discontinued. The alteration is made, as it is considered that there is no reason for making a distinction in this respect, between the Soldier *at Home* and the Soldier *Abroad*. But as the men who may be effective on the 31st December next, will have a claim to that proportion of the said Allowance which may have accrued up to that date, such claim should be then forwarded to this Office, supported by a certified Statement of Particulars.

The *Articles from* 24 *to* 30 inclusive, in the present Regulation, are substituted for the Articles 23 and 24 in the late Warrant, and contain very full Instructions relative to the future Supplies and issues of Necessaries, and to the Payments and Charges for that Service.

I have the honor to be,
SIR,
Your most obedient
humble Servant,
H. HARDINGE.

Officer Commanding

WARRANT REGULATING THE PROVISION OF CLOTHING, NECESSARIES, ACCOUTREMENTS AND APPOINTMENTS, FOR CORPS OF CAVALRY.

Dated the 30th July, 1830.

WILLIAM R.

Whereas We have judged it expedient to revise and alter the Warrant of our late Royal Brother, dated the 21st June 1828, regulating the Provision of Clothing, Necessaries, Accoutrements, and Appointments for our Corps of Cavalry; Our Will and Pleasure, therefore, is, that from and after the 25th day of December, 1831, when all the existing Assignments of Off-reckonings, or Allowance for these Services, will terminate, the Regulations annexed to this Our present Warrant shall be established and obeyed, as our sole and standing Authority on the several subjects to which it relates.

It is likewise Our Pleasure, that except in cases of urgent and unavoidable necessity, which necessity is to be immediately reported to Our Commander-in-Chief, for Our consideration, any Colonel, or other Officer, who may direct, or knowingly permit, any variation whatever from the sealed patterns of the said clothing and other articles above specified, without the authority of Our Commander-in-Chief, or any deviation from the said Regulations, unless Our special sanction for such deviation be communicated through Our Secretary at War, shall, for each offence, be held amenable to a Court Martial, and shall receive such punishment as the Court may award.

And that no Officer may be ignorant of Our Intentions, it is Our further pleasure that a Copy of this Our Warrant be made in the Orderly Book of every Corps of Cavalry in Our Service, and of Our Royal Waggon Train.

And for the due performance of the several matters herein-after mentioned, this shall be to all Persons whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at James's, this 30th day of July, 1830, in the First Year of Our Reign.

By His Majesty's Command,
H. HARDINGE.

CIRCULAR 717.

WAR-OFFICE, 31*st January* 1832.

SIR,

It having been established by the 20th Article of the Cavalry Clothing Warrant, dated 30th July 1830, that from and after the 1st January 1832, every Cavalry Soldier enlisted previously to 31st August 1832, shall receive an allowance of 8*s*. 6*d*. per annum in lieu of the Contributions hitherto paid by the Colonel out of his Off-Reckonings towards the expense of the Soldiers, Boots, Spurs, Drawers and Gloves, I am directed to acquaint you, that the said allowance is accordingly to be charged in the Regimental Pay List terminating on the 31st December of each successive year, the charge thereof to be supported by a List of the Men specifying their Ranks and the amount issued to them respectively and
