GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS ; CHOULTRY PLAIN :

6TH JANUARY 1834.

The following Extracts from the Proceedings of an European General Court Martial, holden at Masulipatam on Tuesday the Fifteenth day of October in the Year of Our Lord One thousand Eight hundred and Thirty-three, and continued by adjournment, by virtue of a Warrant from His Excellency Lieutenant General the Honorable Sir Robert William O'Callaghan, K. C. B., Commander in Chief, are published to the Army.

Lieutenant Richard Samuel Mare Sprye, of the Ninth Regiment of Native Infantry, late Deputy Judge Advocate General, placed in arrest by order of the Commander in Chief, at the requisition of the Right Honorable the Governor in Council.

Charge.—For scandalous infamous behaviour, unbecoming the character of an Officer and a Gentleman, in the following Instances.

First Instance.—In having, at Vizianagram, on the Twenty-third of May, One thousand Eight hundred and Thirty-three, when officially employed as Judge Advocate in attendance upon a Native Special Court Martial, then and there assembled, under the provisions of a Proclamation of Martial Law, endeavoured, by threats, to prevail upon Pasoomurty Seetaputty, Vakeel of Palcondah, to give false Evidence, contrary to his conscience and his belief, upon the impending trial of Pedda Juggiah, Dancing Girl and Concubine of Venketputty Raze, late Zemindar of Palcondah.

Second Instance.—In having, at the same place, on the Twenty-fourth of the same month, when officially employed as above stated, in a letter bearing a corresponding date and addressed to William Mason, Esq. Collector and Magistrate of Vizagapatam, made use of the following expressions : " *As to conviction, I still think I may safely calculate on it ; but I shall obtain it on testimony such as, be assured, no English Court would receive,*" thereby avowing his intention to obtain a capital conviction, upon false and insufficient evidence, from the said Native Special Court Martial, before which the said Pedda Juggiah was, then and there, about to be arraigned on a charge affecting her life.

Third Instance.—In having, at the same place, on the Twenty-fifth of the same month, when officially employed in conducting the Prosecution upon the Trial of the said Pedda Juggiah, before the said Court Martial, and when permitted by the said Court to examine *in private* Pasoomurty Seetaputty, Vakeel, aforesaid, then and there a witness upon the Trial of the said Pedda Juggiah, with the understanding and upon the pledge that if what he, Pasoomurty Seetaputty, said, proved of a nature to establish the falsity of the signature to certain Letters brought in evidence against the Prisoner, he, Lieutenant Sprye would call him before the Court to repeat the same, broken the pledge so given to the Court, in as much as the said Pasoomurty Seetaputty, then and there declared to Lieutenant Sprye, " that the whole was a Conspiracy and a Forgery, and that if fair course of Trial was pursued it would all be so discovered ;" and he Lieutenant Sprye, notwithstanding and without regard to the pledge given, informed the Court that it was needless to communicate, and that he, Lieutenant Sprye, was not bound to communicate, to the Court, what Pasoomurty Seetaputty had said.

Fourth Instance.—In having, at the same place, on the same day, when officially employed in conducting the Prosecution aforesaid, prolonged the sitting of the said Court upon the Trial after Nine at Night although the sitting had extended from Nine in the Morning, with intent, in so doing, to the manifest denial of Justice, *to save by means of the lateness of the hour, the remaining Witnesses in support of the Prosecution, from the cross-examination to which the other Witnesses for the Prosecution had been subjected.*

Fifth Instance.—In having, at the same place, on the Twenty-ninth of the same Month, when officially employed in conducting the Prosecution aforesaid, endeavoured, surreptitiously to obtain, through the President of the said Court, Subadar Major Abdoolruhman of the Eighth Regiment of Native Infantry, *the opinions of the Court on the case as it then stood :* although the evidence on the Defence had not been concluded.

Sixth Instance.—In having, at the same place, on the Thirtieth of the same Month, when officially employed in conducting the Prosecution aforesaid, *tampered*, to the manifest *denial* of Justice, with the President of the Court, the said Subadar Major Abdoolruhman, in order to obtain a verdict of conviction against the Prisoner Pedda Juggiah.

The above being in breach of the Articles of War.

...having most maturely weighed and considered the whole of the Evidence adduced in support ...ution, as well as what the Prisoner, Lieutenant Richard Samuel Mare Sprye, of the Ninth Regi... ative Infantry, hath advanced in his Defence, and the Evidence in support thereof, is of opinion:

...ng on the First Instance of Charge.—That the Prisoner is Not Guilty of the First Instance of the Charge.

Finding on the Second Instance of Charge.—That the Prisoner is Not Guilty of the Second Instance of the Charge.

Finding on the Third Instance of Charge.—That the Prisoner is Not Guilty of the Third Instance of the Charge.

Finding on the Fourth Instance of Charge.—That the Prisoner is Not Guilty of the Fourth Instance of the Charge.

Finding on the Fifth Instance of Charge.—That the Prisoner is Not Guilty of the Fifth Instance of the Charge.

Finding on the Sixth Instance of Charge.—That the Prisoner is Not Guilty of the Sixth Instance of the Charge.

The Court doth therefore most fully and most honorably acquit the Prisoner of all and every part of the Charge.

(Signed) C. A. ROBERTS,
Deputy Judge Advocate General.

(Signed) F. BOWES, Lieut.-Colonel,
and President.

The Court begs to remark, with reference to its finding on the Second Instance of Charge, that although the writing of the Letter alluded to therein proved, yet as it attaches no criminality whatever to the same, it has recorded a Finding of "Not Guilty" thereon.

(Signed) F. BOWES, *Lieut.-Colonel,*
and President.

Disapproved.

The Court, upon this Trial, has obscured its better judgment,—by admitting on the record and taking as Evidence a mass of irrelevant matter which has caused the Proceedings to extend to a length probably unparrelled,—by illegally receiving and recording a series of *unproved* and garbled writings in great part extracted from a private Diary,—and by allowing the Prisoner unjustifiably to attempt his own vindication by throwing odium upon parties not before the Court, thereby unjustly admitting the *accused* to become the *accuser*.

Nothing can be more simple than Lieutenant Sprye's case divested of the collateral considerations with which, for sinister purposes and through the culpable indulgence of the Court, it has been mixed up.—The narrative contained in the Letters addressed by him to Brigadier General Taylor, upon which the Charge was founded *cannot be misconstrued or mistaken* :—it exhibits a succession of illegal, premeditated and underhand practices, employed with the deliberate purpose of obtaining conviction, upon a Capital Trial, *against the consciences of the Court.* Either Lieutenant Sprye has so acted from the very motives which in his Letters he attributes to himself, and then is he guilty *to the fullest extent* of all that has been charged against him :—Or, otherwise, he must knowingly have misrepresented his own actions, under the flagitious belief that the Government of Fort St. George could deliberately *intend* to take away life contrary to justice, and with the diabolical desire of recommending himself as the ready instrument of a Government by him supposed so nefariously to intend.

In either event Lieutenant Sprye is manifestly unworthy to continue to hold a Commission in an Honourable Service, and it will become my duty, in transmitting the Proceedings to the Home Authorities, to bring the particulars of the case before them for their ultimate decision.

Lieutenant Sprye will be released from Arrest, and forthwith proceed to such Station as he may select south of Madras, there to reside pending the reference to the Court of Directors.

FORT ST. GEORGE, 7TH JANUARY 1834.

G. O. BY GOVERNMENT.

The following Letter to the address of His Excellency the Commander in Chief is published for general information, and the Officer Commanding the Centre Division will be pleased to nominate an Officer of the rank of Captain to the temporary Command of the Depôt of European Pensioners at Cuddalore.

To

His Excellency Lieut. Genl. The Honorable Sir R. W. O'CALLAGHAN, K. C. B.
Commander in Chief.

SIR,

1. I am directed to acknowledge the receipt of Letters from the Adjutant General of the Army dated the 12th Ultimo and 2d Instant with their enclosures.

2. The Right Honorable the Governor in Council sees nothing in the explanations offered by Captain Drake, Commanding, and Lieutenant O'Connor late Staff Officer, to the Depôt of European Pensioners at Cuddalore, to extenuate the impropriety of their conduct; and he will not permit himself to believe that a practice so derogatory to the character of a Public Functionary generally pervades the Company's Service.

3. When a consolidated allowance is granted for Writers and Stationery no Muster Ro[ll] of the Establishment is required, and the Officer receiving the allowance is not expected to give an acco[unt] of its appropriation. In the present instance, Captain Drake, when holding the appointment of Staff Officer [at] the Depôt of European Pensioners at Cuddalore, in January 1826, on his own application, obtained authority to employ in addition to the Establishment then allowed, a Vakeel whose salary was fixed by the Government at (30) thirty Rupees per mensem, at which rate a Vakeel has since been drawn for in the Monthly Abstracts of the Depôt.

4. If Captain Drake thought the remuneration unnecessarily large, and found that the services of a Vakeel were procurable for a less sum, it was his duty to have made a representation to that effect to the Government, and to have limited his Abstract, to the amount which he actually paid; instead of which, he appears never to have allowed the Vakeel more than seven Rupees per mensem, and to have rendered no account of the difference.

5. Lieutenant O'Connor of the 32d Regiment of Native Infantry, on succeeding to the appointment of Staff Officer of the Depôt, appears to have allowed the Vakeel ten Rupees per mensem, with this exception, the above observations are equally applicable to that Officer; and the Right Honorable the Governor in Council cannot but regret, that the Officer Commanding the Centre Division, on receiving a petition from the Vakeel detailing these facts, should have permitted those Officers to satisfy the Claimant, which they did, by the payment of arrears of salary amounting to Rupees 1,855, instead of making their conduct the subject of a public investigation.

6. This leniency on the part of the General Officer Commanding the Division and Captain Drake's gallantry and wounds, have induced the Right Honorable the Governor in Council to restrict his notice of that Officer's proceedings to his removal from office, a penalty from which Lieutenant O'Connor is exempted by the discontinuance of the Staff appointment which he recently held; and by a disinclination on the part of the Government to visit his offence more severely than that of his Predecessor in office and senior in the Army.

I have the honor to be,
Sir,
Your Excellency's most obedient humble servant,
(Signed) ROBERT CLERK,
Secretary to Government.

FORT ST. GEORGE,
7th January 1834

By order of the Right Honorable the Governor in Council.

Secretary to Government.

FORT ST. GEORGE, 7TH JANUARY 1834.

G. O. BY GOVERNMENT.

Sub Assistant Commissary General Captain R. M. Humffreys of the 2d Regiment of Native Infantry, having been repeatedly guilty of disrespectful conduct towards Colonel Farran, Commanding the Nagpore Subsidiary Force, is removed from the Commissariat Department and replaced at the disposal of His Excellency the Commander in Chief.

In republishing the following Orders the Commander in Chief calls the attention of Commanding Officers to the necessity of strictly following the directions therein given.

G. O C. C. 9th July 1832.

Instances having occurred wherein the Officer *signing the charge has been detailed to conduct the Proceedings* before Native Courts Martial inferior to General, the practice is strictly prohibited as irregular. When the Officer signing the charge happens to be the aggrieved party, such Proceeding is manifestly contrary to justice: and, in cases where his signature is merely official, it is still objectionable, in point of form and usage, that the complainant should likewise be the legal adviser of the Court, and remain present during the deliberation of the Court as to its finding and Sentence.

All Proceedings of Detachment Courts Martial, held, *within Frontier*, under the Provisions of Article XIV. of the Articles of War, on the trial of Warrant Officers, are invariably to be forwarded, by the President, to the Judge Advocate General of the Army, for submission and Report to the Commander in Chief, in like manner with the Proceedings of General Courts Martial.

At a General Court Martial holden at Moulmein, on Friday the 6th day of December 1833, Lieutenant Josiah Eyles Deere, of His Majesty's 41st or Welch Regiment of Infantry, was arraigned on the following Charge, preferred against him by Lieutenant Colonel Purdon of the same Corps.

Charge.—For conduct to the prejudice of good order and Military Discipline, and unbecoming, contemptuous, and insubordinate towards the said Lieutenant Colonel Purdon, in the following Instances.

First Instance.—" In having, at Moulmein, on the Eight of August, One thousand Eight hundred and Thirty-three, an official Letter, addressed to the Adjutant of His Majesty's Forty-first or Welch Regiment of Infantry, alleged that he Lieutenant Deere had received from his Commanding Officer treatment which was unauthorized, and degrading to him as an Officer.

Second Instance.—" In having, at the same place, on the Seventeenth of the same month, in the same year, before a Court of Inquiry, then and there assembled, by order of the Brigadier Commanding the Tenasserim Coast, to receive his, Lieutenant Deere's Complaint against the said Lieutenant Colonel Purdon, accused him, his Commanding Officer, of refusing to receive his written apology upon the false pretence of his, Lieutenant Deere's, having been Guilty of former Offences.

Third Instance.—" In having at the same time and place last specified, falsely and unjustly imputed to his Commanding Officer malicious revenge, by accusing him, the said Lieutenant Colonel Purdon, of treasuring up these offences, with the design eventually to crush him, Lieutenant Deere."

Fourth Instance.—" In having, at the same time and place, expressed himself to the said Court in a highly contemptuous and unwarrantable manner, of his Commanding Officer by saying—"*The Court will no doubt appreciate Colonel Purdon's motives on the subject, after what had been placed before them.*"

" The above being in breach of the Articles of War."

MOULMEIN,
The Twentieth of August,
One thousand Eight hundred and Thirty-three.

(Signed) EDWARD PURDON, Lieut-Col.
Comg. His Majesty's Forty-first or Welch Regt. of Infantry.

Upon which Charge the Court came to the following decision.

" The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, together with what the Prisoner, Lieutenant Josiah Eyles Deere, of His Majesty's Forty-first or Welch Regiment of Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion :

Finding on the first Instance of the Charge.—" That the Prisoner did address to the Adjutant of His Majesty's Forty-first, or Welch Regiment of Infantry, a Letter to the purport, set forth in the First Instance of the Charge, but the Court doth acquit the Prisoner of " conduct to the prejudice of good order and Military Discipline, and unbecoming, contemptuous and insubordinate" in so doing.

Finding on the Second Instance of the Charge.—" That the Prisoner is " not Guilty" of the Second Instance of the Charge."

Finding on the Third Instance of the Charge.—" That the Prisoner is " not Guilty" of the Third Instance of the Charge."

Finding on the fourth Instance of the Charge.—" That the Prisoner did, in presence of a Court of Inquiry, express himself of his Commanding Officer, in the words set forth in the Fourth Instance of the Charge; but the Court doth acquit him of doing so in a highly contemptuous and unwarrantable manner."

" The Court having found the Prisoner Lieutenant Josiah Eyles Deere, of His Majesty's Forty-first, or Welch Regiment of Infantry " not Guilty " of any of the Criminal acts set forth in the foregoing Instances, doth therefore acquit him of the Charge."

The Court, in closing these Proceedings, feel themselves imperatively called upon to record, that the foregoing Charge, originally preferred, and subsequently persisted in, arose from private feelings, and had not for its object the well being of the Service.

Approved and Confirmed—In confirming the acquittal, recorded by the Court I consider it nevertheless incumbent upon me, in justice to Lieutenant Colonel Purdon, to record my dissent from the animadversion passed upon him in the remark appended, which does not appear to me to be borne out, by the circumstances, in which the Charge originated, and which involves a measure, which should only be resorted to by Courts Martial in *extreme cases* when vindicative and personal feelings have been clearly and exclusively brought home to the Prosecutor.

No. 67 OF 1834.

GENERAL ORDERS BY THE HONORABLE THE VICE PRESIDENT IN COUNCIL.

FORT WILLIAM, *27th February* 1834.

The Honorable the Vice President in Council is pleased to direct that the following Extract (Paras 11 to 14) from a Letter from the Honorable the Court of Directors in the Military Department, No 92, dated the 9th October 1833, be published in General Orders.

Letter dated 22d January 1833, (No. 13), 1 to 9 state that, from the nature of the Orders received from time to time, some doubt exists as to the scale of Pensions which the Court are disposed to recognize as claimable from Lord Clive's Fund, by Chaplains retiring from ill health before the full period of their Service, and by the Widows of Chaplains, and request to be furnished with fresh and explicit instructions on the subject.

Para. 11. Chaplains who have not served 7 years in India, are admissible to the benefit of Lord Clive's Fund in the rank of Captain. After completing a Service of 7 years, then retiring allowances are provided for independently of Lord Clive's Fund, by the Regulations conveyed to you in our Ecclesiastical Letter of 22d November 1826.

12. As by the Regulations announced in that Letter, Chaplains may retire on the full pay of Lieutenant Colonel after 18 years Service, (including 3 years for a furlough), we have considered the Widows of those who die in the Service after completing that period to be eligible to the benefits of Lord Clive's Fund, in the rank of Lieutenant Colonel.

13. The Widows of Chaplains who have completed 7 years actual service in India, are admissible in the rank of Major, and those of Chaplains of less service in the rank of Captain, being the ranks the pay of which is receivable by those Classes of Chaplains respectively when on furlough.

14. You will communicate a Copy of these Paragraphs to the Governments of Madras and Bombay.

FORT WILLIAM, 24TH APRIL 1834, No. 96.

The Honorable the Vice-President in Council is pleased to direct that the following Paras. (3 to 5) of a Military Letter from the Honorable the Court of Directors, No. 97, dated the 6th November 1833, the provisions of which are applicable to the Three Presidencies, be published in General Orders.

Para. 3. We direct that Fees upon Commissions granted by His Majesty to the Company's Officers shall be hereafter collected by and credited to Government in the same manner as the Fees on Company's Commissions are now collected and credited, and that the Salary to be hereafter granted to the Military Secretary of the Commander in Chief be Two thousand Two hundred and Fifty Rupees, (Rupees 2250) per Month, in lieu of Fees and all other Emoluments.

We therefore direct that the Fees on Commissions to be hereafter paid by the Company's Officers at all the Presidencies be the same as those charged to His Majesty's Officers of corresponding rank; and that one moiety of those Fees be charged for the Company's and the other moiety for the King's Commissions.

GENERAL ORDERS,

By His Excellency the Commander in Chief.

HEAD QUARTERS, OOTACAMUND,

16TH JUNE 1834.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Trichinopoly on Wednesday, the Twenty-eighth day of May, in the year of our Lord One thousand Eight hundred and Thirty-four, and continued by Adjournment, by virtue of a Warrant from His Excellency Lieutenant General the Honorable Sir Robert William O'Callaghan, K. C. B. Commander in Chief, are published to the Army.

Ensign William James Williams, doing duty with the Thirty-ninth Regiment of Native Infantry, placed in arrest by order of Captain William Taylor, Senior Officer in charge of the said Regiment, on the complaint of Ensign Edward Reynolds Sibley, doing duty with the said Regiment.

Charge.—I charge Ensign William James Williams, doing duty with the Thirty-ninth Regiment of Native Infantry, with scandalous and infamous conduct such as is unbecoming the character of an Officer and a Gentleman, in the following Instances.

First Instance.—In having, at Trichinopoly, on the Eighteenth day of April, One thousand Eight hundred and Thirty-four, in a private Letter to my address bearing that date, accused me of having made a false assertion.

Second Instance.—In having at the same time and place, in the letter mentioned in the first instance of the charge, made use of the following abusive and insulting language, namely "*I however shall treat you in the way you deserve for the future, that is with the most damnable contempt.*"

Third Instance.—In having, at the same time and place, in the same letter, made use of the following threatening and insulting language, namely "*If ever you dare to insinuate any thing of the sort again I will horsewhip you in the first public place I meet you in.*".

The above being in breach of the Articles of War.

TRICHINOPOLY,
The Twenty-second Day of April, One thousand Eight hundred and Thirty four.

(Signed) EDWARD REYNOLDS SIBLEY, Ensign,
Doing duty with the Thirty-ninth Regiment N. I.

(By order.)
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the Evidence brought forward in support of the Prosecution on the Charge, as well as what the Prisoner Ensign William James Williams, doing duty with the Thirty-ninth Regiment of Native Infantry has urged in his Defence, is of opinion:

Finding on the First Instance of the Charge.—That the Prisoner is Guilty of the First Instance of the Charge as set forth; but to which the Court does not attach the meaning "scandalous and infamous conduct such as is unbecoming the character of an Officer and a Gentleman."

Finding on the Second Instance of the Charge.—That the Prisoner is Guilty of the Second Instance of the Charge as set forth; but to which the Court does not attach the meaning "scandalous and infamous conduct such as is unbecoming the character of an Officer and a Gentleman."

Finding on the Third Instance of the Charge.—That the Prisoner is Guilty of the Third Instance of the Charge as set forth; but to which the Court does not attach the meaning "scandalous and infamous conduct such as is unbecoming the character of an Officer and a Gentleman."

Sentence.—The Court having found the Prisoner Guilty to the extent above stated, doth Sentence him the said Ensign William James Williams, doing duty with the Thirty-ninth Regiment of Native Infantry, to be reprimanded in such manner as to His Excellency the Commander in Chief may seem fit.

(Signed) FRAS. DUDGEON, Lieutenant,
Officiating Deputy Judge Advocate General.

(Signed) D. C. KENNY, Colonel,
and President.

Confirmed—The Court in acquitting the Prisoner of scandalous and infamous conduct, has apparently intended to convict him of the minor offence of a Breach of Discipline as set forth in the several instances of the Charge, in which opinion I concur—Ensign Williams is hereby reprimanded according to the Sentence awarded.

Whereas in and by an Act made and passed in Great Britain in the Third and Fourth Year of the Reign of His present Majesty King William the Fourth and entitled; "An Act for effecting an arrangement with the East India Company, and for the better Government of His Majesty's Indian Territories," it is enacted that the Territories now subject to the Government of the Presidency of Fort William in Bengal, shall be divided into two distinct Presidencies, one of such Presidencies, in which shall be included Fort William aforesaid, to be styled the Presidency of Fort William in Bengal, and the other of such Presidencies to be styled the Presidency of Agrah, and that the superintendence, direction and controul of the whole Civil and Military Government of all the said Territories and Revenues in India shall be vested in a Governor General and Counsellors to be styled the Governor General of India in Council; And whereas His Excellency the Right Honorable Lord William Cavendish Bentinck, G. C. B. and G. C. H. has been appointed the first Governor General, under the said Act, as well as Governor of the Presidency of Fort William and Commander in Chief of India; and the Honorable William Blunt, Esq. the Honorable Alexander Ross, Esq. Lieutenant Colonel William Morison, C. B. of the Madras Establishment (in the absence of William Byam Martin, Esq.) and Thomas Babington Macaulay, Esq. have been appointed the first four Ordinary Members of the Council of India under the said Act; And whereas the Right Honorable Sir Frederick Adam, K. C. B. the Honorable Sir Robert William O'Callaghan, K. C. B., the Honorable Charles Harris, Esq. and the Honorable William Oliver, Esq. have been appointed the first Governor and Council of the Presidency of Fort St. George; And the Right Honorable John Earl of Clare, the Honorable Sir John Keane, K. C. B. the Honorable William Newnham, Esq. and the Honorable James Sutherland, Esq. have been appointed the first Governor and Council of Bombay under the said Act—Proclamation is hereby made accordingly of the said Appointments and of the assumption of the powers and authorities in and by the said Act provided and conferred, and all persons are hereby strictly enjoined and required to take notice thereof and to pay obedience to the Governments thereby respectively constituted: And whereas at a Council assembled at Ootacamund this 16th day of June 1834 by virtue of powers to that effect conferred by the L Section of the said Act, whereby it is enacted that the Council of India shall from time to time assemble at such place or places as shall be appointed by the said Governor General in Council, at which Council the Right Honorable Sir Frederick Adam, K. G. O. BY GOVERNMENT.

The Governor in Council is pleased to rescind that part of the G. O. G. dated the 29th September 1829, No. 224, which relates to the Superintending Medical Duties of the Cantonments of St. Thomas's Mount and Palaveram, and to direct, that, the Medical Superintendence of those Stations, be transferred to the Superintending Surgeon of the Centre Division who will fix his residence at St. Thomas's Mount.

Under this arrangement the Superintending Surgeon of the Presidency will have more time to devote to the varied and important duties which still devolve upon him, and from his intimate knowledge of the state of the Public health and of the organization and economy of all institutions at Madras for the relief of the Sick, he will be enabled with the assistance of the District Surgeons to perform in the most efficient manner, the duties for which the Committee of Health was appointed in G. O. G. 11th April 1828, No. 286.—With this view he will place himself in direct communication with the Directors of the Male and Female Asylums, the Superintending Engineer at the Presidency and the Superintendents of Police and of the Roads, in the same manner as the Committee of Health.

GENERAL ORDERS,

ADJUTANT GENERAL'S OFFICE,

28TH JUNE 1834.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief to be published to the Army they are accordingly published in Military Orders.

No. 201.

G. O. BY GOVERNMENT. FORT ST. GEORGE, 27TH JUNE 1834.

The Governor in Council has much satisfaction in publishing for the information of the Army, the following Copy of a Dispatch addressed by the Honorable the Court of Directors to the Supreme Government under date the 26th February 1834, No. 9.

Para. 1. Your letter dated the 30th of March, No. 41. of 1833, and its two accompanying Memorials addressed to the Governor General, by the Officers of the Rajpootna Field Force and of the Surhind Division, representing the difficulties which they experience in remitting funds to England for the support of their Families and soliciting assistance from Government, have received our early and particular attention.

2. The question of allowing the Officers of the Indian Army to effect remittances to their families in this Country through the medium of the Company's Treasury is one which you have very properly referred to our decision.

3. The interest we have ever felt in the welfare of our Officers and of those dependant upon them would have led us to grant an indulgence of this kind on the former occasion when this question was brought to our notice in your Dispatch dated the 29th March 1823; had not the pressure upon our Home Treasury already caused by the numerous and heavy demands on account of the Indian Territory prevented a compliance with the suggestion of your Government.

4. The same consideration still exists, indeed we may remark that the amount disbursed from our Treasury on account of furlough and retiring Pay to Officers, which forms a very large proportion of the Home payments has greatly increased since the period to which we have just alluded, besides which the sum annually required for advances to the various Military Funds is very largely augmented and may be expected to increase. Nevertheless we have taken into our serious consideration the representations contained in the several Memorials which we have received, and after having weighed the subject in all its bearings and circumstances we are disposed to grant the utmost relief which consistently with the important interests committed to our charge we feel at liberty to concede. We have accordingly come to the determination to grant to our Officers a remittance through our Treasury at such a rate of exchange as will not occasion positive loss to our finances.

5. The rate of exchange which we intend shall be observed is that at which advances made from the Indian Treasuries to His Majesty's Government are annually repaid to us in this Country. This rate (which as you are aware is fixed every year in communication with the Lords of His Majesty's Treasury) has for some time past fluctuated between 2s. and 1s. 11*d.* the Sicca Rupee.

6. The sums which we will undertake to pay out of our Home Treasury on account of each grade of Officers are as follows:

On account of each Colonel	£300	per Annum.
Lieut. Colonel	200	do.
Major	150	do.
Captain and Surgeon	100	do.
Lieut. and Asst. Surg.	70	do.
Cornet and Ensign	50	do.

7. We estimate the demand to which the grant of such a remittance will give rise on behalf of the Officers of the whole Indian Army, King's and Company's, at about £330,000 per Annum.

8. The mode in which this remittance is to be effected is that which is already observed in making Family remittances on behalf of the European Non Commissioned Officers and Privates in your Service, with the exception only of the rate of exchange which is to be regulated upon the principle already laid down.

9. You will forward to us quarterly rolls of the stoppages, made from the Pay and Allowances of the Officers, who desire to avail themselves of this indulgence, and it must be clearly understood that the remittance is to be granted for the benefit only of the immediate relatives, that is to say, of the Parents, Wives, Children, Brothers or Sisters of the Officers who apply for it.

10. You will cause this Dispatch to be published in G. O. to the Army upon your establishment, and give immediate effect to the arrangement which it sanctions. We shall communicate a copy of it to the Madras and Bombay Governments in order that similar measures may be adopted for the benefit of the Officers serving under those Presidencies.

By order of the Governor in Council.

Actg. Depy. Secretary to Government.
