BY ORDER OF THE COMMANDER IN CHIEF.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS; CHOULTRY PLAIN;

27TH JUNE 1836.

The General Court Martial, of which Major Wallace of the 46th Regiment of Native Infantry was President, recently assembled at Trichinopoly for the trial of Gunner Leach, having placed Captain Fitz Gibbon of the 5th Light Cavalry, the Prosecutor, under close arrest, on the assumption that he had suborned the Evidence of witnesses then in course of examination, the Commander in Chief considers himself called upon thus publicly to censure the Proceeding in question, as being manifestly in excess of the Power vested in Courts Martial by Art. XIX. Section XIV. of the Articles of War.—At the same time His Excellency feels it but justice to the Court to state his conviction that, however mistaken as to the means, they were actuated solely by a desire, conscientiously to perform their Duty, and to elicit the Truth.

The prompt measures resorted to by the Officer Commanding Trichinopoly to relieve Captain Fitz Gibbon from the position in which the Court had placed him, did away with any inconvenience to which that Officer might have been subjected, it became unnecessary for His Excellency to notice the circumstance at an earlier period, and he is now induced to do so, merely that Officers employed on Court Martial duty may be aware of the extent to which they are authorized by the Mutiny Act and Articles of War to proceed in the punishment of persons appearing before them in any character but that of Prisoner, for a breach of decorum committed towards the Court.

28TH JUNE 1836.

Second Dresser Shaik Ally, attached to the Superintending Surgeon's Department Presidency Division is directed to join and afford medical aid to the Detachment, &c. of the 26th Regiment N. I. proceeding to Paulghautcherry under the Command of Captain Halpin of that Regiment.

The leave of absence granted to Lieutenant C. J. Torriano of the Carnatic European Veteran Battalion C. O. C. C. 11th May 1836, is cancelled at that Officer's request.

Memoranda.

ADJUTANT GENERAL'S OFFICE, 2d September 1836.

As it appears that notwithstanding the directions given in the Circular Memorandum, 25th March and Circular letter 8th July 1836, doubts are still entertained as to the mode in which the Regimental Register is to be kept, the Commander in Chief desires the attention of Officers to the following instructions.

The Native Commissioned, Non-commissioned Rank and File are to be indiscriminately entered in the register in their order of Seniority as Soldiers, without any reference to rank—thus from the 1st January next, the oldest Soldier whether Private or Officer will be No 1.—and thenceforth will retain that number without any alteration as long as he may continue in the Regiment.

Trumpeters, Farriers, and Drummers, are to be separately registered with a separate number for each Class—thus the oldest Trumpeter will be No. 1 and so forward—the oldest Farrier No. 1, and so forward—following the same Rules as prescribed above for the other Classes.

The practice of closing the envelopes of official letters with paste or gum instead of Wax or wafers is prohibited, as causing inconvenience and frequently injuring the enclosures.

T. H. S. CONWAY,
Adjutant General of the Army.

24TH SEPTEMBER 1836.

The Proceedings of a Board of Officers, of which Colonel Sewell was President, recently assembled at the Presidency for the purpose of investigating and submitting an opinion upon certain matters in dispute between Captains Whistler and Osborne of the 19th Regiment of Native Infantry, having been before the Commander in Chief; His Excellency has much satisfaction in making known the result for the information of the Army.

From the investigation in question it would appear,

1. That certain Representations involving Captain Whistler's Public Probity and Private Honesty, were made to Captain Osborne, by an Individual since dead.

2. That these Representations which have been proved to the satisfaction of the Court and the Commander in Chief to be altogether false and groundless, prove that Captain Whistler's Character, public and private, remains untarnished and free from taint or suspicion.

3. That the representations made by an artful and designing Native to answer his own purposes, were nevertheless such as Captain Osborne, being aware of their nature and tendency, could not have concealed, or withheld with any regard to the credit of the Service, or the Honor of the Corps: and that, consequently, there are not any grounds for the Charges preferred by Captain Whistler against that Officer.

It is but seldom that, from an ordeal of this description, both parties escape uninjured: but, on the present occasion, His Excellency, entirely concurring with the opinion of the Board, considers that blame, or reproach, cannot reasonably be attached to either Officer: and trusts that they will avail themselves of the opportunity of returning to those habits of cordiality and confidence which should belong to Officers of the same Corps.

This matter, having thus been fully investigated and finally disposed of, is not to be reagitated on any pretence whatsoever.

Captain J. Clough, 11th Regiment N. I., is appointed to the charge of the Infantry Recruits recently arrived from England, and Lieutenant H. P. White, of the 47th Regiment, will do duty with the Detachment.

A Native General Court Martial consisting of a President and Fourteen Members for the trial of all such Prisoners as may be brought before it, will assemble at Trichinopoly at such time and place as the Officer Commanding the Southern Division of the Army may direct.

The Troops serving in the Southern Division will furnish the Detail and an Interpreter to attend the Court.

The Officer Commanding Southern Division will nominate an Officer to officiate as Deputy Judge Advocate General who will conduct the Proceedings of the Court Martial, and from whom the Rank, Names, and dates of Commissions of the Officers ordered for this duty are to be sent.

Prisoners and Evidences to be warned and are hereby ordered to attend.

Assistant Apothecary J. Wilkie, is removed from the Superintending Surgeon's Department Centre Division and appointed to do duty in the Presidency General Hospital.

Remarks by the Commander in Chief.

There is in the case of the Prisoner, Gunner Warner, not the slightest extenuating circumstance, and he fully merits the infliction of the Sentence which has been justly passed upon him by the Court—but the Commander in Chief is most unwilling that his first act of authority on assuming Command of the Madras Army should be to confirm an award of Corporal punishment, disgraceful to the offender and, in some degree painful to the feelings of the Corps to which he belongs.

His Excellency has therefore determined to remit the Sentence, in the hope that this exercise of clemency will have its right effect, and that no recurrence of similar misconduct will cause him to regret that he has spared the Troops the shame of its infliction.

This Order is to be read at the head of every European Regiment and Detachment in the Service, and Gunner Warner be released and return to his duty.

17TH OCTOBER 1836.

The Commander in Chief has been much gratified by communications from the Officer Commanding at Malacca and Singapore, reporting the embarkation on board His Majesty's Ship Andromache of a Company of the 48th Regiment, under Lieutenant Gordon, for Service upon an expedition against the Pirates of the Straits, and stating that the whole of the 48th Regiment had manifested the utmost anxiety to share with their comrades in this duty. Captain Chads, C. B. on disembarking the Detachment has favorably noticed its Services, expressing his obligations to Lieutenant Gordon for the Soldierlike manner in which he had conducted it—and it is with pleasure that the Commander in Chief now records his own approbation in General Orders to the Army.

HEAD QUARTERS : CHOULTRY PLAIN ;

22D OCTOBER 1836.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief to be published to the Army, they are accordingly published in Military Orders.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 21ST OCTOBER 1836.

No. 222 of 1836.—In conformity with instructions from the Honorable the Court of Directors, the following Paragraphs of their Military Letter, addressed to the Governor in Council at Fort St. George, No. 38, dated the 1st June 1836, are published in General Orders.

Para. 1. "Having received from the President of the Board of Commissioners for the affairs of India, a communication that it would be satisfactory to the King, if the Standards and other War Trophies captured by the King's and Company's Forces in India, were placed at His Majesty's disposal, it being His Majesty's intention to collect all similar Relics and place them in the great Hall and Chapel of the Royal Hospital at Chelsea ; we derived much gratification from a compliance with the wish which had thus graciously been expressed, and took immediate measures for accomplishing the object in view.

2 "We accordingly forwarded to the Royal Hospital the Standards, &c. enumerated in the following List, viz.

Two State Standards of Hyder Ali and Tippoo Sultaun, taken at the Storming of Seringapatam, on the 4th May 1799.

Two Pendants belonging to the above Standards.

Colours of the French Corps taken at the Storm of Seringapatam.

Colours which belonged to the Brigades of General Perron taken in the Mahratta War of 1803.

Seven Standards taken from Mahratta Regular Corps at the Battle of Assaye, on the 23d August 1803, by the Army under Major General Sir Arthur Wellesley.

Sixteen Colours taken from the Mahratta Regular Corps, in the Campaign of 1803, by the Army under Major General Sir Arthur Wellesley.

A Pair of Colours of a Battalion of Goorkas taken at Muckwanpore in the Nepaul War, on the 28th February 1816, by the Forces under the command of Major General Sir David Ochterlony, K. C. B.

Three Colours of Durjan Sal, taken at the Storming of Bhurtpore, by the Forces under the command of General Lord Combermere, on the 18th January 1826.

3 "Being desirous to mark the interest which we attach to these Trophies, won by the valour of the King's and Company's Forces in India, we requested our Chairman and Deputy Chairman to attend at the first Levee after the Colours should have been deposited at the Royal Military Hospital, for the purpose of presenting to His Majesty a List descriptive of the Colours and the occasions upon which they were captured. Our Chairman and Deputy Chairman (accompanied by a considerable portion of the Court of Directors) attended accordingly and were most graciously received.

4 "You will perceive from the List which we have quoted, that we possess comparatively few of the Military Trophies which have been won by our Armies in India. The rest we should hope have been carefully preserved at the Seats of Government of the respective Presidencies, and in order that we may follow out in the most effectual manner the object of concentrating in one appropriate building the whole of the Military Trophies taken by the British Arms, we now desire that such as are in the possession of your Government may be forwarded to us, accompanied by a List descriptive of the occasions upon which they were captured.

5. "You will cause a Copy of this Despatch to be published in General Orders."

Annexed is a statement of the Regulations according to which, with such modifications as local circumstances may render necessary, lands belonging to the Crown are disposed of in the several British Colonies in North America, as well as a statement of the Regulations in force in the Australian Colonies.

2. Under these Regulations, Military and Naval Officers cannot receive free grants of land; but in buying land they are allowed a remission of the purchase money according to the undermentioned scale :

Field Officers of	25 years'	service and upwards	in the whole	£	300
Ditto	20	ditto	ditto	,,	250
Ditto	15	ditto	ditto	,,	200
Captains of	20	ditto	ditto	,,	200
Ditto	15	ditto	ditto	,,	150
Subalterns of	20	ditto	ditto	,,	150
Ditto	7	ditto	ditto	,,	100

Regimental Staff Officers and Medical Officers of the Army and Navy will be deemed to come within the benefit of this rule.

3. Officers of the Army and Navy who propose to proceed to the Colonies in order to take advantage of this indulgence should provide themselves with certificates from the Office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, shewing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the Office of the Secretary of State is necessary.

4. Officers on half pay residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers and Officers of any of the Civil Departments connected with the Army cannot be allowed any privileges on the subject of Land, Pursers, Chaplains, Midship men, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for these privileges. Although Members of these classes may have been admitted formerly and under a different state of circumstances, they must now be excluded.

6. Gentlemen, who have ceased to belong to His Majesty's Service cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the Service for the express purpose of settling in the Colonies, it is only required that when they resign their Commissions, they should apply for a Certificate from the General Commanding in Chief or from the Lords Commissioners of the Admiralty that they do so, with the view of emigrating; and such Certificate if produced to the Governor of any Colony within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in His Majesty's Service.

Officers who have sold out within the last twelve months preceding the date of this memorandum will be allowed the usual privileges, notwithstanding their want of the Certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date. And all Officers who have already been recommended by the General Commanding in Chief will be entitled to their privileges without regard to any obstruction which might otherwise be offered by the Regulations now established.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, it has been determined that the titles to lands obtained by Officers who take advantage of the peculiar regulations existing in their favor shall be withholden for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land and then departing. Two years is the period for which it has been decided that the titles shall be kept back : this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the bona fide Settler.

8. By the annexed Regulations for the disposal of Crown Lands, it will be observed that the general sales will take place periodically. But in order to prevent inconvenience to Officers who may arrive in the intervals between those sales and be desirous at once to obtain an allotment, the Governors of the Colonies are authorized to allow Officers to acquire at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled by this arrangement, which will permit them to obtain their land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for lands at a sale by auction.

Terms upon which the Crown Lands will be disposed of in New South Wales, Van Dieman's Land, and the New Settlement of Western Australia.

It has been determined by His Majesty's Government that no Land shall in future be disposed of in New South Wales or Van Dieman's Land otherwise than by public sale, and it has therefore been deemed expedient to prepare, for the information of Settlers, the following summary of the rules which it has been thought fit to lay down for regulating the sales of Land in those Colonies.

1.—A division of the whole territory into counties, hundreds and parishes is in progress. When that division shall be completed, each parish will comprize an area of about twenty-five square miles.

2.—All the lands in the Colony, not hitherto granted, and not appropriated for public purposes, will be put up to sale. The price will of course depend upon the quality of the land and its local situation, but no land will be sold below the rate of 5s. per acre.

3.—All persons proposing to purchase lands not advertized for sale, must transmit a written application to the Governor, in a certain prescribed form, which will be delivered at the Surveyor General's Office to all persons applying, on payment of the requisite fee of 2s. 6d.

4.—Those persons who are desirous of purchasing will be allowed to select, within certain defined limits, such portions of land as they may wish to acquire in that manner. These portions of land will be advertized for sale for three calendar months, and will then be sold to the highest bidder, provided that such bidding shall at least amount to the price fixed by Article 2.

5.—A deposit of £10 per cent. upon the whole value of the purchase must be paid down at the time of sale, and the remainder must be paid within one calendar month from the day of sale, previous to which the purchaser will not be put in possession of the land, and in case of payment not being made within the prescribed period, the sale will be considered void and the deposit forfeited.

6.—On payment of the money, a grant will be made in fee-simple, to the purchaser, at the nominal quit-rent of a pepper corn. Previous to the delivery of such grant, a fee of forty shillings will be payable to the Colonial Secretary for preparing the grant, and another fee of five shillings to the Registrar of the Supreme Court for enrolling it.

7.—The land will generally be put up to sale in lots of one square mile, or 640 acres; but smaller lots than 640 acres may, under particular circumstances, be purchased, on making application to the Governor, in writing, with full explanations of the reasons for which the parties wish to purchase a smaller quantity.

8.—The Crown reserves to itself the right of making and constructing such roads and bridges as may be necessary for public purposes in all lands purchased as above, and also to such indigenous timber, stone, and other materials, the produce of the land, as may be required for making and keeping the said roads and bridges in repair, and for any other public works. The Crown further reserves to itself all mines of precious metals."

With reference to the foregoing Regulations, the Right Honorable the Governor General of India in Council is pleased to notify for general information, that Officers who, on retiring from the Military Service of the East India Company, may wish to avail themselves of the advantages now extended to them by their gracious Sovereign, will, on signifying their intention to proceed as Settlers to any of His Majesty's Australian Colonies, be furnished by the Military Secretary to Government at the Presidency to which they belong, with a Certificate of the following form and tenor:

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS : CHOULTRY PLAIN, 18TH NOVEMBER 1836.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Fort Saint George on Monday the Twenty-fourth day of October, in the year of Our Lord, One thousand Eight hundred and Thirty-six, by virtue of a Warrant from His Excellency Lieutenant General Sir Peregrine Maitland, K. C. B., Commander in Chief, are published to the Army.

Captain Richard Beresford FitzGibbon of the Fifth Regiment of Light Cavalry, and Paymaster in the Southern Division, placed in Arrest, by order of the Commander in Chief, on the complaint of Major John Wallace of the Forty-sixth Regiment of Native Infantry.

Charge.—I charge Captain Richard Beresford FitzGibbon, of the Fifth Regiment of Light Cavalry, and Paymaster in the Southern Division, with Scandalous and Infamous behaviour, unbecoming the character of an Officer and a Gentleman in the following Instances.

First Instance.—In having, at Madras, on the 25th of June, One thousand Eight hundred and Thirty-six. in a Pamphlet, purporting to be a Statement of facts and circulated by him, falsely asserted that the Court Martial, of which I was the President, which assembled on the Seventh of April in the same year, for the trial of Gunner Leach of the Second Battalion of Artillery, would not permit him, Captain FitzGibbon, to offer explanation though solicited through the Deputy Judge Advocate, when he, Captain FitzGibbon, was ordered into close arrest, by that Court, on the Fifteenth of the same month : such assertion being contrary to fact.

Second Instance.—In having, at the same time and place, in the same Pamphlet, falsely asserted, that he was compelled to come into Court a Prisoner though Prosecutor : such assertion being contrary to fact.

Third Instance.—In having, at the same time and place, and in the same Pamphlet, falsely asserted that the said Court Martial sent Corporal Thipthorpe of His Majesty's Fifty-fourth Regiment of Foot out of Court a Prisoner, and ordered him to be kept in Solitary Confinement all night : such assertion being contrary to fact.

Fourth Instance.—In having, at Trichinopoly, on the Seventh of April, in the same year, falsely stated, on Oath, before the said Court Martial of which I was President, that he, Captain FitzGibbon, had never walked to the Artillery Practice Ground after sun-set : such statement being contrary to fact.

Fifth Instance.—In having, at the same place, on the Fourteenth of the same month, in a note addressed to Captain Lachlan McLean, of the Sixth Regiment of Native Infantry, Officiating Deputy Judge Advocate, falsely stated, as follows, " I know nothing of Corporal Thipthorpe and can only suppose, when he said " I gave him Thirty Rupees he mistook me for some one else."—Whereas, he, Captain FitzGibbon, subsequently acknowledged to the same Officer, and admitted in the said Pamphlet, that previously to his having written the note in question, he not only knew the said Corporal Thipthorpe, but had given him no less a sum than Two Hundred Rupees.

Sixth Instance.—In having, at the same place, on the Fifteenth of the said month, when Prosecutor before the Court Martial of which I was President, done his utmost to mislead the Court into the belief of testimony upon Oath, which he, Captain FitzGibbon, knew to be false, by entering a Protest against impugning the denial upon Oath by Corporal Thipthorpe of the receipt of any sum of Money from him, Captain FitzGibbon, whereas he, Captain FitzGibbon, then well knew, and has subsequently admitted, that Money had been paid by him to Corporal Thipthorpe, and that the denial thereof, by that Individual, on his Oath, involved crime of Perjury.

Seventh Instance.—In having, at the same place, on the Thirtieth of August in the same year before the Court of Enquiry of which Lieutenant Colonel Bryce McMaster of the Twenty-third Regiment of Light Infantry was President, falsely stated as follows, " I can positively assert that, at the Dinner to General " Lindesay on the Twenty-eighth of October, I also wore a Cavalry Uniform :" Such statement being contrary to fact, and contrived for the purpose of misleading the authority to whom the Proceedings in question were to be submitted.

Eighth Instance.—In having, at the same place, on the Fifth of October, One thousand Eight hundred and Thirty-five, indecently exposed his Person to Private Cornelius Shea of His Majesty's Fifth-fourth Regiment of Foot.

The above being in breach of the Articles of War.

Additional Charge.—With Scandalous Infamous behaviour, such as is unbecoming the character of an Officer and a Gentleman, in the following Instances :

First Instance.—In having at Trichinopoly, on the Night of the Sixth of October, One thousand Eight Hundred and Thirty-five, indecently exposed his Person to Private Andrew Hammon of His Majesty's Fifty-fourth Regiment.

Second Instance.—In having, at the same place, shortly afterwards, on the same night, in like manner exposed his Person to Corporal John Goode of the same Regiment.

The above being in breach of the Articles of War.

MEMORANDUM.

ADJUTANT GENERALS OFFICE; FORT ST. GEORGE, 22d November 1836.

Under the authority of Government the following Extracts from the Minutes of Consultation dated 6th January 1835, No. 62 and 1st November 1836, No. 3339, are published for general information.

6th JANUARY 1835, No. 62.

"As it would appear that Military Pensioners cannot be employed with the advantage in the Police Establishment at the Presidency that was expected, resolved as an experimental measure that employment be given them in the Revenue and Judicial Branches of the Service as Peons, and as Peons in the Public Offices, making their Pensions up to the amount of the Pay of the situations they may be appointed to fill."

"The success of this plan will in a great measure depend upon the selection and distribution of the Pensioners, according to their several qualifications; and if due attention be given to this point it is anticipated that not only will a deserving Class of Men be benefited but a considerable saving to the state ultimately effected."

"There are many Pensioners who from Wounds or injuries have been rendered unfit for the Military Service, yet may be perfectly capable of performing the duties required of Peons, and it is principally from amongst these, that the Selections should be made and not the old and decrepit."

1st NOVEMBER 1836, No. 3339.

"The Board observe that the principle laid down in the Minutes of Consultations 6th January 1835 and 6th September 1836 should apply equally to European as well as to Native Pensioners; viz. that, when employed in the Public Service, their Pensions shall be made up to the Salary of the situations they may be appointed to fill.—This affords in most cases, a fair remuneration for their Services; and, when it does not, it will rest with Government to confirm the grant of such a portion of the Salary, in addition to the Pension as may be sufficient for the purpose.—The Right Honorable the Governor in Council directs therefore that the principle, laid down in the Minutes of Consultations above referred to, be applied to European Pensioners appointed subsequently to this date—but the Rule is not to have retrospective effect."

Adjutant General of the Army.

BY ORDER OF THE COMMANDER IN CHIEF.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS : CHOULTRY PLAIN; 28TH NOVEMBER 1836.

The following General Order by His Excellency the Commander in Chief in India is published for the information of the Army of this Presidency.

GENERAL ORDERS BY HIS EXCELLENCY THE COMMANDER IN CHIEF IN INDIA ; HEAD QUARTERS, ON THE RIVER, OFF BENARES, 13TH OCTOBER 1836.

The attention of the Commander in Chief in India was attracted some weeks since by a letter in a public journal, bearing the signature of " Vans Kennedy," and appearing to be from Colonel Vans Kennedy, of the Bombay army, addressed to the editor of the Englishman newspaper, which is published in Calcutta.

As a letter so signed, and so addressed and published, could only be looked upon as specially intended for the consideration of the officers of the Bengal army, and as it contained matter (as the Commander in Chief thinks) much more calculated to produce evil than good, he was inclined to notice it immediately he had perused it. As, however, he had too high an opinion of the good sense of the officers of the Bengal army to think, that any harm could arise from delay, he determined, in the first place, to ascertain from Colonel Vans Kennedy himself, whether he acknowledged the letter to be his.

He has this day received the Colonel's acknowledgment, that he is the author of the same ; and, therefore, he proceeds to comment upon it.

The grievances of the Colonel, on which, from his publication, it must be inferred, that he seeks the sympathy of the Bengal army, are three-fold.

The first, his having been removed from his situation, as Judge Advocate General of the Bombay army.

The second, his not having been subsequently nominated to the command of a brigade.

The third, that he has been tried by a court martial, for disobedience of orders.

Every officer must know from the general practice of the military service, that if a subordinate does not discharge the duties of the staff situation which he fills, to the satisfaction of his superior, he must be liable to be removed.

This was the point of failure of Colonel Vans Kennedy ; and the civil Government of the Bombay Presidency, concurring in the views of the Commander in Chief of the Bombay army relative to the Colonel's conduct, (whatever it may have been) he was displaced from his office.

It rarely happens, that any man is displaced without deeming himself wronged ; but to help our judgment in this case, we have the opinion of the Commander in Chief of the Bombay army, and of the civil Government, to set against that of the individual interested.

When displaced from his situation, he was ordered to join his regiment ; which he did : but on a brigade command subsequently falling vacant, he was passed over, and a junior officer was appointed to the command.

Colonel Vans Kennedy thinks proper to assert, that his seniority gave him a title to such command.

The Commander in Chief of the army in India denies the correctness of this doctrine.

He asserts that seniority, fitness being absent, gives no title whatever.

He cannot conceive words to be put together, which could leave less doubt on the subject, than the letter of the Honorable the Court of Directors, No. 65, of the 17th December 1834, published in the General Orders of the army, of the 1st June 1835. The court says,

" We have no hesitation in expressing our opinion, that officers have no strict right to succeed to the " appointments of Brigadier, or Brigadier General, on the ground of mere seniority ;" and this opinion is only qualified, by an expression of their firm reliance, that the claims of officers " arising out of the length of " service will never be set aside, except on public grounds."

The question then is, had the Commander in Chief of the Bombay army in this case legitimate " public grounds ?"

It appears from Colonel Vans Kennedy's own statement, that he had been filling a civil office on the staff for eighteen years ; and had been absent from all regimental duty twenty-nine years, his whole period of service having been thirty-six years.

He had, therefore, never commanded a battalion, either in quarters or the field, and probably was, as a practical officer, utterly ignorant of all the alterations, which have taken place in the tactics of the army, since the time of his early service as a Subaltern.

Is this a legitimate " public ground" for the officer at the head of an army, whose duty it is to watch over its discipline, and who is responsible to the Government, that (as far as he has authority) the troops are in proper hands, to act upon ?

The Commander in Chief of the army in India deems, that it is a quite legitimate " public ground ;" and he does not doubt, that it was one of those grounds alluded to in the order before quoted.

It has been asserted, that ignorance on such subjects is no bar to command in the Indian army : but the Commander in Chief is willing to believe this to be an aspersion.

At all events, he does not admit such a doctrine : nor will he believe, that such will be advocated by the Honorable the Court of Directors, or the army.

The third grievance remains to be considered : and what is advanced in the course of its discussion by the Colonel, forms a principal reason for His Excellency the Commander in Chief thus addressing the army.

It appears, that, in obedience to order, Colonel Vans Kennedy, after his removal from the staff, joined his regiment : but, owing to contumacy, or some other cause, (the former would necessarily be inferred by those officers and soldiers, who were aware of the circumstances of his case,) he never appeared on the parade of his regiment for a period of six months.

A rumour of this neglect (as circumstances seem to indicate) having transpired, a return was called for by His Excellency the Commander in Chief of the Bombay army, through the general officer commanding the division of the army to which Colonel Vans Kennedy's regiment belonged, calculated to show the fact.

A return was accordingly made, through the officer commanding the brigade, which return proved, that the truth really was, as had been supposed.

The officer commanding the brigade therefore issued an order, the intention of which evidently was to direct that Colonel Kennedy should attend the parades of his regiment. This order, from his superior officer, the Colonel demurred about obeying ; and he was in consequence placed in arrest, and subsequently tried by a court martial.

The example thus placed before the Bengal army, of an officer commanding a regiment taking leave to abstain from all out-door duty, and to absent himself from all parades, for six months in succession, although upwards of 300 men were present in quarters, deserves marked condemnation : and the Commander in Chief in India condemns it accordingly. If the Colonel's absence was either necessary or warrantable, it should have received the previous sanction of his superior officer.

There is a doctrine, which the Colonel has advanced, respecting obedience to superiors, or rather what constitutes disobedience, which may be law : but, if it is, it is so adverse to discipline in an army, and so contrary to former practice, that the Commander in Chief is surprised at its advocacy by any soldier of rank. The Colonel says to the effect following :

I had only given an intimation " of an intention to disobey," but had not actually disobeyed. You did not afford me time to disobey ; but you placed me in arrest ; and thus I am unjustly dealt by, because I had not committed the disobedience.

Let us see how this doctrine would operate carried a little farther.

The European officer orders his Subadar or other subordinate officer, to parade his company six hours subsequently.

The Subadar replies : I shall not do so. According to the law now laid down, the European officer is not to place the Subadar in arrest, because he has not had time to complete his disobedience.

This seems to be the law advanced by Colonel Vans Kennedy !

The Commander in Chief is quite sure, that discipline cannot be maintained, if such law is to be acted upon.

On a consideration of the whole published letter, he offers his advice to the army not to follow the examples which Colonel Vans Kennedy has thought proper thus to lay before them : but rather to profit by them, as affording instances of conduct which should be carefully shunned by all those who desire to prosper in their profession.

The Commander in Chief cannot conclude, without expressing his decided opinion, that this sort of exparte publication, which is calculated (and probably intended) to derogate from the character of a superior officer of the army, and in which the Colonel directly imputes " extreme injustice" to some person or persons, is not calculated to do good, or to lead to just conclusions ; and, therefore, is little becoming any officer, but more especially one of high rank in the army, whose experience should have taught him better.

His Excellency will not fail to make known to the Honorable Court of Directors, through the Supreme Government, his view of such proceedings ; and how much he deprecates publications which are calculated more to excite dissatisfaction in the army, than to do any public service.

By order of His Excellency the Commander in Chief in India.

(Signed) J. R. LUMLEY, Colonel,
Adjutant General of the Army.

BY ORDER OF THE COMMANDER IN CHIEF.

Charge.—I charge Lieutenant William Charles Western, of the Thirty-second Regiment of Native Infantry, with Behaviour unbecoming the Character of an Officer and a Gentleman, in having at Cannanore on the Fifteenth of July, One thousand Eight hundred and Thirty-six, made a false Statement to his Commanding Officer, Major John Freke Palmer of the same Regiment, respecting a Note said to have been addressed to Ensign Charles Hesketh Case of the same Regiment, such statement being defamatory of my Wife Mistress Isabella Anna O'Connor.

CANNANORE,
The Nineteenth of July,

By Order,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution on the Charge, as well as what the Prisoner, Lieutenant William Charles Western of the Thirty-second Regiment Native Infantry, has urged in his Defence together with the Evidence in support thereof, is of opinion.

Finding on the Charge.—That the Prisoner is Guilty of the Charge.

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him the said William Charles Western, Lieutenant of the Thirty-second Regiment of Native Infantry, to be discharged the Service.

(Signed) M. BLAXLAND, Captain,
Officiating Depy. Judge Advocate Genl.

(Signed) H. WELMAN, Major,
57th Regiment and President.

The Court feel it their duty respectfully to bring to the notice of His Excellency the Commander in Chief the highly reprehensible conversation which appears to have been indulged in by the Officers of the Thirty-second Regiment of Native Infantry at their Mess Table, and to this unbounded Latitude is to be mainly attributed the Prisoner's having in an unguarded moment made use of expressions by which he has subjected himself to this Trial, and likewise that his Statement to his Commanding Officer not being voluntary, the Court under all the circumstances of the case strongly recommend him to the favorable consideration of His Excellency the Commander in Chief.

(Signed) M. BLAXLAND, Captain,
Officiating Depy. Judge Advocate Genl.

(Signed) H. WELMAN, Major,
57th Regiment and President.

Sentence remitted, and Lieutenant Western will be released from arrest and return to his duty.

MADRAS,
The 9th of December 1836.

(Signed) P. MAITLAND, Lieut.-General,
and Commander in Chief.

Remarks by the Commander in Chief.

The Reasons given in the Courts Recommendation to Mercy are not such as would have justified a Remission of Punishment.—The highly reprehensible conversation which appears to have been indulged in by the Officers of the 32d Regiment of Native Infantry at their Mess Table, however much it may reflect discredit on themselves, and such discredit it does most assuredly reflect, could not exculpate Lieutenant Western: neither can his expressions be held to have been unguarded, inasmuch as they were deliberately made in a Letter addressed to Captain O'Connor, and repeated, the day after, in the statement to Major Palmer; which Statement, whether voluntary or otherwise, if *intentionally* false, must necessarily have been destructive to the character of the Prisoner as an Officer and a Gentleman and have offered an effectual Bar to his restoration to the Service.—There are, however, circumstances in Evidence which, taken together with the upright and honorable reputation previously borne by Lieutenant Western, render it highly probable that he actually believed the Tenor and Signature of the Note partially shown to him by Ensign Case to have been in reality such as he stated, and under this Probability he has been pardoned in the hope that he will benefit by the Peril from which he has escaped, and refrain from prying, hereafter, into correspondence which does not concern him, and from originating Reports prejudicial to others without being perfectly secure of his Proof.

(Signed) P. MAITLAND, Lieut.-General,
and Commander in Chief.

B. and to Colonel Logan, who Commanded separate Bodies on these occasions, for the able and animated manner in which they conducted the operations entrusted to them ; as well as to Brigadier Showers for the judgment with which he handled that excellent Corps the Madras Artillery.
