GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS ; CHOULTRY PLAIN :

15TH JANUARY 1836.

A case has recently occurred, so peculiarly illustrative of that inclination to petty disputes, combined with a spirit of Insubordination and contempt for Authority, which has, of late, lowered the discipline of this Army, and produced an endless succession of Trials by Courts Martial, equally inconvenient to the Public Service, and discreditable to the parties implicated ;—that the Commander in Chief has decided upon holding up the Offender, in General Orders, as an example to his Brother Officers.

Lieutenant West of the 32d Regiment N. I., having purchased certain Articles, the property of Mr. Nicholls of the Civil Service, Acting 2d Judge of the Western Division, allowed several months to elapse without any offer of Payment; Mr. Nicholls, being about to embark for Europe, addressed a perfectly unobjectionable Note to Lieutenant West on the subject, to which the latter made no reply :—Mr. Nicholls then appealed to the Officer Commanding the 32d Regiment N. I., a measure forced upon him by a disregard of the common courtesy of Society, and of which Lieutenant West, therefore, had no reasonable cause to complain: but he, nevertheless, saw fit to address a letter, extract of which is annexed in the margin, to Mr. Nicholls, who thereupon, brought the whole transaction to the notice of the Commander in Chief.

" *Having now concluded my pecuniary affairs* " *with you, I cannot refrain from remarking that I* " *consider the means you have resorted to, as very* " *indelicate and ungentlemanly, at present I dare not* " *take further notice of it without you will wave your* " *Commission. However as I trust to meet you in* " *England when out of the Service, we shall then* " *have an opportunity of speaking more fully on the* " *subject.*"

His Excellency after an attentive consideration of the whole correspondence, expressed his decided disapprobation of Lieutenant West's conduct, and, trusting that calm reflection would have led him to perceive his error, required him to make a fitting apology and to withdraw the insulting expressions so improperly addressed to Mr. Nicholls. Lieutenant West, however, has obstinately persevered in error, and disregarded the Commander in Chief's Instructions, upon the mistaken assumption, that, having once expressed his opinion of Mr. Nicholls, he could not conscientiously retract it with honor to himself ! !

Lieutenant West will do well to avoid *hereafter* the discredit which attaches to the offer of gratuitous insult, to remember that stubbornness is not firmness, and to consider that the Head of the Army is the appropriate Judge of that which regards the honor of Officers serving therewith :—It will require a long course of good and obedient behaviour to relieve Lieutenant West from the imputation of insubordinate misconduct under which he at present labors ; and the Commander in Chief trusts that he will profit by the lesson, and reflect upon the risque to which he would have been subjected had not the departure of the complainant precluded his conduct being investigated by a General Court Martial.

This Order to be read to Lieutenant West by the Officer Commanding the Provinces of Malabar and Canara in the presence of the Officers stationed at Cannanore, who are to be assembled for the purpose, and also to every Corps and Detachment of this Army on its Public Parade.

The following General Order by His Excellency the Commander in Chief in India, is published for the information and guidance of the Madras Army.

GENERAL ORDERS BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS : CALCUTTA, 31*st December* 1835.

At a General Court Martial re-assembled in Fort William, on Tuesday the 27th October 1835, of which Brigadier Penny was President, Captain Pringle O'Hanlon, of the 1st Regiment Light Cavalry, was arraigned on the following Charge : viz.

" *Charge.*—" That the said Captain Pringle O'Hanlon, (being then under suspension) was made officially aware, in July 1835, of the publication of a Letter dated 18th April, in the Newspaper, denominated the Meerut Observer of the 23d April 1835, which letter was signed with his name ' Pringle O'Hanlon,' and purported to have been written by him to the Editor of the said Paper, for the purpose of being laid before the public, and which contained false and scandalous Charges against Colonel Stephen Reid, of the 10th Light Cavalry, his former Commanding Officer, and also against Captain John Augustus Scott of the 1st Regiment Light Cavalry ; and after being so made officially aware of the said letter, Captain Pringle O'Hanlon, never offered any contradiction to, or disavowal of the same, but allowed the said letter to continue to appear before the Army and the public as written by him, Captain Pringle O'Hanlon, to the great detriment of the said Colonel Stephen Reid, and the said Captain John Augustus Scott ; such conduct being unbecoming the character of an Officer and a Gentleman, and subversive of Military Discipline.

" By order of His Excellency the Commander in Chief.

(Signed) J. R. LUMLEY, Colonel,
Adjutant General of the Army."

Finding.—" The Court, upon the Evidence before them, are of opinion, that the Prisoner, Captain Pringle O'Hanlon, of the 1st Regiment of Light Cavalry, (being then under suspension), was made officially

aware, in July 1835, of the publication of a letter, dated the 18th April, in the newspaper denominated the Meerut Observer of the 23d of April 1835, which letter was signed with his name 'Pringle O'Hanlon,' and purported to have been written by him to the Editor of the said paper, for the purpose of being laid before the public, and which contained scandalous charges against Colonel Stephen Reid, of the 10th Light Cavalry, his former Commanding Officer, and also against Captain John Augustus Scott, of the 1st Regiment Light Cavalry; and that, after being so made officially aware of the said letter, Captain Pringle O'Hanlon never offered any contradiction to, or disavowal of the same, but allowed the said letter to continue to appear before the Army and the public as written by him Captain Pringle O'Hanlon, to the great detriment of the said Colonel Stephen Reid, and the said Captain John Augustus Scott: such conduct being unbecoming the character of an Officer, and subversive of Military Discipline, but the Court acquit the Prisoner Captain Pringle O'Hanlon of the remainder of the charge."

Sentence.—"The Court Sentences the Prisoner, Pringle O'Hanlon, of the 1st Regiment Light Cavalry, to lose a portion of his rank in the Regiment to which he belongs, by being placed on the list of Captains in the said Regiment next below Captain John F. Bradford; and to be severely reprimanded in such manner as the Commander in Chief may deem proper."

Remark by the Court.—"The Court cannot close their Proceedings without recording a just tribute to the Deputy Judge Advocate General who has conducted them; for the assiduity and dispassionate conduct displayed by him throughout this long, perplexing and painful trial; nor can the Court sufficiently estimate the able advice he has afforded them in all points upon which he has been called upon so to do, as their law adviser."

The Court re-assembled at 9 o'clock in the forenoon on Monday the 28th day of December 1835, in obedience to General Orders by His Excellency the Commander in Chief, dated the 26th of December 1835, to re-consider their former verdict.

Revised Finding and Sentence.—"The Court adhere to their former finding, and in doing so, beg respectfully to explain to the Commander in Chief, that they consider it unbecoming an Officer to resort to the public newspapers in which to state his grievances; but they do not think it ungentlemanly in this instance, inasmuch as the Court acquit Captain O'Hanlon of having stated any falsehood in the letter he published; and under this explanation, the Court adhere to their former Sentence."

Remark by the Court.—"The Court also desires to cancel their remark on the contents of the Meerut paper of the 18th December 1834, and with much deference to the Commander in Chief, they would observe that, in their opinion Captain O'Hanlon's letter of the 18th April 1835 does not appear to adopt the charges in the Editorial remarks of December 1834. In finding upon the case, the Court abstain from pronouncing any opinion on the charges preferred by Captain O'Hanlon against Colonel Reid and Captain Scott in January last, which, in the Courts opinion, are not brought before them by the letter signed 'Pringle O'Hanlon.' The Court, in difference to the Commander in Chief, withdraw their remark on the conduct of Colonel Reid."

Confirmed.

(Signed) H. FANE, General,
Commander in Chief.

Remarks by His Excellency The Commander in Chief.

1st. Although I have 'confirmed' I do not approve either the 'finding or sentence' of this Court Martial.

2d. My view of what is due from one Officer and Gentlemen to another, is dissimilar to that adopted in this instance by the Court.

3d. I deem that Captain Pringle O'Hanlon had placed himself between the horns of this dilemma; viz. he wrote the letter of the 18th of April, or he did not. If he wrote it he was bound as an Officer and a *Gentleman* to meet the charge of having done so and to justify the act to the injured party as he best could; if he did not write it, then was he bound, when it appeared before the Army and the public, under the sanction of his name, to disavow it. Such is my conception of the conduct becoming an *Officer* and a *Gentleman*; and as the Court have given a verdict that, in the course pursued Captain Pringle O'Hanlon has lapsed from the former character, so, in my opinion, ought they to have decided with reference to the latter.

4th. I think their conclusion unsatisfactory also, as respects Colonel Reid and Captain Scott. The Court permitted Colonel Reid to go into a great mass of Evidence, to shew the falsehood of the allegations, which were circulated against him and Captain Scott, in the Meerut Observer of the 18th December 1834, and which formed so much of the basis of the letter signed P. O'Hanlon, of the 18th April 1835; and yet they conclude their revised proceedings by saying, they 'abstain from pronouncing any opinion upon the charges preferred by Captain O'Hanlon against Colonel Reid and Captain Scott in January last, which, in the Court's opinion, are not brought before them by the letter signed 'Pringle O'Hanlon,' although in the letter itself, it is said, on the data referred to in the Meerut Observer of the 18th of December 1834. 'I framed and forwarded against Colonel Reid four charges, and two against Captain J. A. Scott, &c. &c. I am at a loss to understand for what purpose the great quantity of Evidence, which has reference to the truth or falsehood of those charges, was permitted to take up so many days of the Court's time, if, in the end, the Court was to abstain from pronouncing an opinion.

5th. But since the Court profess not to pronounce any opinion on the truth or falsehood of those charges, I feel it due to Colonel Reid and Captain Scott to say, that from what appears on the face of the proceedings, the charges were based upon foundations, which were formed upon very exaggerated views of the circumstances, and such, as were little worthy of being brought forward as grounds, upon which to wreck the reputation of two Officers of the rank of Colonel Reid and Captain Scott; and in justice to those Officers, I must state my opinion that the gravamen of those Charges is disproved.

6th. With reference to the 'sentence,' I think the measure of punishment quite inadequate to the amount of the Military offence found to have been committed.

7th. I think the example which it affords to the Army, is calculated to lead to much mischief, by showing to junior Officers at how small an amount of punishment they may vituperate their superiors, and to what an extent, they may attach obloquy to the names and characters of those, who in the enforcement of discipline, may happen to offend them.

8th. I am of opinion that harmony and good will towards each other are more desirable and essential amongst the Officers of the Army of India, than in any other of which British Officers form a part; and I am greatly apprehensive that neither one or the other will be in any degree forwarded, by the award of this Court Martial, which punishes such an act as that of which they have declared the Prisoner 'guilty,' with the loss of one step of Regimental rank only, and reprimand from the Commander in Chief.

9th. Captain P. O'Hanlon will receive what is said in the preceding remarks, as a portion of the reprimand, ordered by the Court to be addressed to him. I further desire, that he will look at the results of his conduct, as respects his brother Officers and the Service.

10th. On his three Courts Martial, *thirty* Officers, exclusive of witnesses, have been withdrawn from their ordinary duties; *eighty* days have been spent (either in sittings or adjournments) in investigating his misconduct and disputes, and the expenses to the Government, and the inconveniences to individuals, have been very great.

11th. I am not aware that there has been in Captain O'Hanlon's Military Services, or that enough may be expected from them to compensate either to the Army or the Government for the evil which his conduct is thus shown to have produced.

12th. His name is to be transposed in the Army List, according to the Sentence of the Court. He is to be released from his arrest, and to join and do duty with the 9th Regiment Light Cavalry, until further orders, since it is impossible that his services can be useful in the 1st Light Cavalry.

By order of His Excellency the Commander in Chief.

Adjutant General of the Army.

18TH JANUARY 1836.

Lieutenant Humphreys of the 23d Light Infantry, having been ordered for Trial by a General Court Martial, upon the complaint of Mr. Bilderbeck, an Inhabitant of Madras, is necessarily released from arrest, in consequence of the Death of the complainant, who was also the principal Witness against him.

As, however, Lieutenant Humphreys declined to offer any explanation of his conduct, before a Court of Inquiry previously assembled; and as the written statement originally sent in by Mr. Bilderbeck is entirely clear and explicit as to the whole Proceeding; the Commander in Chief considers it expedient thus publicly to notify his marked reprobation of the wanton and unjustifiable nature of the attack made, by Lieutenant Humphreys, in the public street without Provocation, upon an Individual utterly unknown to him, and then labouring under a Malady which has since brought him prematurely to the Grave.

This is not the first occasion on which this Officer has been placed in peril of his Commission; for he had but a few days previously to this offence been released from the Police Jail for an aggravated Assault on a Police Officer. His Excellency can therefore only hope that Lieutenant Humphreys, instead of being hardened by Impunity, may profit by the narrow escape which he has made; and resolve to place his future conduct in honorable contrast to his past Behaviour, which has been so little creditable either to the Service or to himself.

Lieutenant Humphreys is released from arrest, and will leave the Presidency forthwith to join his Regiment.

The undermentioned Officers have obtained leave of absence from their Corps and Stations.

25TH JANUARY 1836.

The following General Order by His Excellency the Commander in Chief in India is published for the information and guidance of the Madras Army.

GENERAL ORDERS BY THE COMMANDER IN CHIEF.

HEAD QUARTERS, CALCUTTA, *7th January* 1836.

1. Lieutenant Interpreter and Quarter Master T. Bell, of the 2d Native Infantry, fancying that the Adjutant of that Regiment had improperly interfered with some of the details of the Quarter Master's business, made an appeal against what he supposed to be the misconduct of the Adjutant, to Lieutenant Colonel D. Dowie, Commanding the Regiment.

2. The consequent line of conduct adopted by Lieutenant Colonel Dowie led to a correspondence between him and Lieutenant Bell, and as the Lieutenant deemed, that Lieutenant Colonel Dowie, in this Correspondence, had not done him, or his Office of Quarter Master, due justice, he desired to appeal from his Commanding Officer's decision, and to submit the affair to the superior judgment of Brigadier General Smith, Commanding the Saugor Division.

3. Brigadier General Smith having considered the case, ordered a severe and well merited censure to be addressed to Lieutenant Bell for his conduct, and for the insubordinate and highly disrespectful style of a letter which the Lieutenant had addressed to his Commanding Officer.

4. Lieutenant Bell has thought proper to appeal from this decision of Brigadier General Smith's to the Commander in Chief.

5. The Commander in Chief having looked carefully at the case, and deeming that Lieutenant Bell was in error from the very commencement of his proceeding, and concurring entirely in the view taken of the case by Brigadier General Smith, and quite approving the censure which he had expressed, His Excellency called on Lieutenant Bell to assign his reasons for his appeal.

6. In his reply the Lieutenant has so entirely overlooked the relative position of himself and Brigadier General Smith in the Army, as to presume to set up his (the Lieutenant's) opinion, that the General's decision "is at variance with existing regulations," and that the General's censure of him was as "unjust" as "unmerited," and he winds up this highly disrespectful and insubordinate series of conduct, by putting it as a questionable point, whether the decision of the General was given from "an error of judgment," or from "partiality"!

7. In order to mark the Commander in Chief's strong disapprobation of such a total absence of subordination and respect to superiors, he directs that Lieutenant Bell shall be dismissed from the Staff situation of Quarter Master and Interpreter of the 2d Regiment.

8. If Lieutenant Colonel Dowie has Officers in the Corps fit to fill up the vacancy, he will send in their names—if not, an Officer will be appointed from another Corps.

9. This, and another case which has recently been brought under the consideration of the Commander in Chief, occasion him to feel it necessary to call the attention of the Quarter Masters of Regiments, to Section 4 of the Standing Orders of this Army, Pages 17 and 18, in which their duties are clearly defined.

10. It would seem from the instances to which he alludes in the last paragraph, as if some fancied, that the Quarter Master's Department in a Regiment formed something distinct, and differently circumstanced from other parts of the Corps, and as if they considered themselves in some degree independent of the control of their Senior Officers. They must learn therefore that their duties are merely *executive*, under the orders and control of the Commanding Officer of the Regiment, and that it is that Officer who is the responsible person to the Commander in Chief, for every article issued by the Quarter Master to a Regiment, and consequently, that every thing issued must meet his entire satisfaction and approval.

11. Lieutenant Bell appears also to have quite mistaken the duties of the Adjutant of a Regiment, when he talks of his (the Adjutant's) "presuming" in having sent to Lieutenant Colonel Dowie a turban, which was placed on the head of a Recruit of the 2d Regiment.

It is the duty of an Adjutant, to observe all that is wrong in any Department of his Regiment, and to bring the same to the notice of his Commanding Officer; and in reporting upon the turbans, which were in possession of the Recruits on this occasion, the Adjutant did no more than was strictly his duty.

By order of His Excellency the Commander in Chief.

(Signed) J. R. LUMLEY, Colonel,
Adjutant General of the Army.

Assistant Surgeon J. E. Mayer is removed from doing duty with H. M. 39th Foot and posted to the 20th Regiment N. I.

GENERAL ORDERS,

By His Excellency, The Commander in Chief.

HEAD QUARTERS ! CHOULTRY PLAIN ;

4TH FEBRUARY 1836.

The Commander in Chief directs that the subjoined General Order and Extracts from His Majesty's Regulations be republished for general information. His Excellency deems it necessary to remind the Officers of the Army that the Rules prescribed in these Orders have never been rescinded, and are therefore required to be strictly obeyed.

G. O. C. C. 30TH AUGUST 1820.

His Excellency the Commander in Chief has directed the following General Order issued from the Horse Guards to be entered in the Standing Orders of the Army serving under this Presidency, and to enjoin Officers in Command to cause the same to be strictly obeyed.

' GENERAL ORDER. ' HORSE GUARDS, 18*th January* 1810.

' The Commander in Chief has directed the following Order issued by the General Officer Commanding ' His Majesty's Forces in North America, to be inserted in the General Orders of the Army.'

" GENERAL ORDER. ' QUEBEC, 4*th October* 1809.

" The Commander of the Forces has lately had occasion to see in a Halifax Newspaper a Copy of an " address presented by the Serjeants of the 1st Battalion Royal Fuzileers to Captain Orr, on that Officer " relinquishing the Adjutancy in consequence of being promoted to a Company. So novel a circumstance " could not fail to draw the attention of His Excellency, it being the first of the kind that has come to his " knowledge during the forty six years that he has been in the Service, and as the first instance has thus (so " far as he is aware at least,) occurred on the part of the Army, with the charge of which the King has been " pleased to entrust him, he feels himself called on by every obligation of duty to His Majesty and the Ser- " vice, to bear his testimony against it, by a public expression of disapprobation.

" His Excellency does not mean in this instance to ascribe any improper motive to the Serjeants. He " has no doubt that their sole view was to express their regard and gratitude towards an Officer, who, in the " intimate connexion that had officially subsisted between them, had very commendably conducted himself " with kindness to them, without departing from that strictness of discipline which was indispensible to the " discharge of his duty.

" But while His Excellency thus does justice to the intention of the Serjeants of the Royal Fuzileers, he " desires at the same time very seriously to observe to them, that in presuming to meet, in order to deliberate " on the conduct of their Superior Officer, they have in fact, however unintentionally, been guilty of an act " of great insubordination.

" It matters not that the design of the Meeting, or in whatever manner the address was unanimously " assented to, was solely to express their respect and esteem, the very circumstance implies discussion, and " by that discussion they rendered themselves obnoxious to the imputation alluded to—Who indeed, shall say " where such a practice, if once introduced, shall end ; if the Non-commissioned Officers of a Regiment are " permitted to express their approbation of the conduct of the Adjutant, why may they not exercise the " same right with respect to their Commanding Officer ; or what reason can be given why they should not " be equally entitled to express their disapprobation ? Indeed should the practice become general, the " merely withholding the former, would imply the latter.

" General Sir James Craig is the more desirous that his Sentiments on this subject should be distinctly " understood in the Fuzileers ; because it appears on the face of the address of the Serjeants in question, that " it has been countenanced by the Officer who then Commanded the Regiment. The Commander of the " Forces does no more than justice to the character and Services of that Officer when he admits, that feeling " as he does the dangerous tendency of the practice which he is censuring, he also feels himself the more bound " to oppose it, in the first instance, from the strength which it might otherwise derive from the sanction " which he appears to have given to it. Lieutenant Colonel Packenham will however believe—that though it " was impossible the General should avoid the observation upon this error, yet his doing so can by no means " detract from the esteem with which he has been taught to view his character as an Officer, or the confidence " which he should be disposed to place in his Service."

" (Signed) EDWARD BAYNES,
" *Adjutant General to the British Army.*
Serving in North America."

'The reason for which the Commander in Chief has directed the circulation of this Order, is that he 'may avail himself of this opportunity of declaring to the Army his most perfect concurrence in the sentiments 'therein expressed by the distinguished and experienced Officer by whom it was framed, on a subject which 'appears to have been by some very much misunderstood. The circumstance of inferiors of any class of Mili- 'tary men assembling for the purpose of bestowing praise and public marks of approbation on their superiors, 'implies a power of deliberation on their conduct which belongs to the King alone, or to those Officers to 'whom His Majesty may be pleased to entrust the Command and discipline of his Troops.

'It is a procedure equally objectionable whether in the higher or lower ranks of the Army, and as the 'Commander in Chief cannot but regard it as in principle subversive of all Military discipline, he trusts it is 'a practice which will be for ever banished from the British Service, as deserving of the highest censure, 'and he directs Officers in Command, to act accordingly.'

GENERAL REGULATION.

Military Discussion.

Deliberations, or Discussions, among any class of Military Men, having the object of conveying praise, censure, or any mark of approbation, towards their superiors, or others, are strictly prohibited, as being subversive of Discipline, and an assumption of power which belongs to the King alone, or to those Officers to whom His Majesty may be pleased to intrust the Command and Discipline of his Troops.

T. H. S. CONWAY,
Adjutant General of the Army.

MEMORANDUM.

ADJUTANT GENERAL'S OFFICE: FORT ST. GEORGE, *25th February* 1836.

A course of experiments having been instituted in the Arsenal of Fort St. George for the purpose of verifying various objections which had been reported to Head Quarters against the new pattern hammer of the musket last issued to the Army, the Commander in Chief directs the result to be notified for general information.

The trials were made with fifty Infantry Muskets and fifty Light Infantry Muskets, all having the new pattern hammer, and eight or ten rounds being fired from each.

From the detailed statement of these trials it appears that the defects which have been alleged to exist are to be charged not to the peculiar construction of the hammer, but to a want of proper attention to the correct *fixing of the flint.*

The Commander in Chief therefore considers it necessary to desire that the instructions on this head contained in page 127 of the Abstract of Feld Exercise, be punctually observed—and that every individual Soldier be carefully taught to fix his flint in the particular mode which may be found, on experiment, to be best adapted to his own Musket.

In course of the experiments referred to, it was observed that, *generally*, the hammer was thrown back, and the priming ignited, with the flint fixed so as to strike the face of the hammer, of the Infantry Musket at $1\frac{1}{16}$ inch, and of the Light Infanty Musket at $1\frac{1}{16}$ inch, from the bottom.

The Commander in Chief directs the publication in General Orders of the following Extract from the Report transmitted to Government by the College Board upon the Examination in the Teloogoo Language of Lieutenant and Brevet Captain Nedham of the 30th Regiment N. I.

"Captain Nedham speaks the language with great facility, and the idiomatic propriety of the expressions "he used, was quite remarkable. He translated off-hand, with perfect correctness, and no hesitation, a con- "siderable portion of a difficult original letter from one native to another, which, from the great intricacy of "the character, the Board caused to be read quickly to him by the Telugu Head master at the College, that "they might the better test his acquirements at off-hand translation. His written exercises are very well "performed; the one from English into Telugu in particular, being remarkable for a judicious selection of "words, and for its idiomatic accuracy—The Board consider Captain Nedham to be a very Superior Telugu "Scholar, and fully qualified to perform, without any aid whatever, every duty in that language that can "fall to him, in the course of any Service, in which a knowledge of Telugu may be required."

The Commander in Chief deems Lieutenant and Brevet Captain Nedham entitled to the usual honorary reward, and the Pay Department will therefore disburse the amount agreeably to G. O. G. 9th October 1829.

BY ORDER OF THE COMMANDER IN CHIEF.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN,

19TH MARCH 1836.

The Commander in Chief directs the publication of the following General Order by His Excellency the Commander in Chief in India, for the information and guidance of the Madras Army.

General Orders by His Excellency the Commander in Chief in India,

HEAD QUARTERS; CALCUTTA : 7TH MARCH 1836.

1. His Excellency the Commander in Chief has received a dispatch from the Right Honorable Lord Hill, Commanding in Chief the British Army, making reference to the General Courts Martial held in the years 1834 and 1835, first on Lieutenant Colonel E. Purdon, at the instance of Colonel Sir E. Keynton Williams, and afterwards on Colonel Sir E. K. Williams, at the instance of Lieutenant Colonel E. Purdon; and to the general conduct of His Majesty's 41st Regiment, at that period, reported on by General the Right Honorable Lord W. C. Bentinck.

2. Lord Hill says, that "he considers it a duty imperative upon him to notice the state of that Corps, "and to take active measures to rescue it from its present condition; which he cannot but regard as "highly disgraceful to the character of His Majesty's Service."

He remarks, "that in the short space of six and a half years, *twelve* Officers of this Regiment have been "arraigned before General Courts Martial; and in proof of the extent to which the behaviour of the Officer "influences that of the Soldier, he is informed, that the catalogue of crime exhibited amongst the men is "equally deplorable, and that murder, wounding with the bayonet, and the menace of life, figure amongst "the offences which they have committed."

That, "in February 183-," His Lordship "had occasion to animadvert upon the conduct of the Officers "of the 41st Regiment." That "the admonition appears to have been disregarded; and therefore he now feels "it incumbent upon him, to desire that the Commander in Chief in India will signify to Colonel Sir E. Keynton Williams, and Lieutenant Colonel E. Purdon, that His Lordship can no longer incur the responsibility "of allowing them to continue in a Regiment, which under their superintendence and command has arrived "at its present degraded condition."

That His Lordship "does not cast from his recollection the previous services of these Officers, nor the "fact that Sir Edmund Williams was acquitted of the Charges which were preferred against him; but, at the "same time that he bears these circumstances in mind, he keeps in view also the concluding observations of "the Court which tried Lieutenant Colonel Purdon."

These circumstances lead His Lordship to declare, that "he cannot do more either for Colonel Sir E. "K. Williams or Colonel E. Purdon, than give them the option of retiring upon half pay, or from the ser- "vice by the sale of their commissions."

3. His Excellency the Commander in Chief of the Madras Army will call upon these two Officers to report, for the information of His Excellency the Commander in Chief in India, which of the alternatives (antecedently mentioned) they may respectively adopt; and, after he shall have made such report, he will grant them immediate leave of absence to return to England.

4. In communicating to the Army in India these very deplorable consequences of discord and want of good feeling between the Officers of a Regiment, His Excellency the Commander in Chief desires to point the attention of the Officers of His Majesty's 41st Regiment to the discreditable position in which they have placed themselves, by the conduct which His Lordship Commanding in Chief has detailed, not only amongst their brother Officers in India, but in the eyes of the whole British Army; and he prays of them to let those feelings of mortification, which they cannot but deeply experience, operate as a stimulus to every practicable exertion to recover the good name of their Corps, and to re-establish the high character which His Majesty's 41st Regiment formerly enjoyed.

5. His Excellency the Commander in Chief has addressed this order to the Army in India generally, instead of confining it to the King's Troops, because he regrets to be obliged to remark, that recent circumstances, and official reports, have made him cognizant of discord and disunion existing in some other Corps, (not His Majesty's) to a degree that is highly detrimental to the Service. He therefore places thus prominently before them the consequences of such conduct; and as he is flattered and gratified to the highest degree, by the attention which he feels the Army have paid to such advice as he has heretofore offered to them, so is he willing to believe that they will be equally attentive to the circumstances to which he now calls their observation; and that they will make such beneficial reflections on the same, as cannot fail to produce advantageous results.

By order of His Excellency the Commander in Chief in India.

(Signed) J. R. LUMLEY, Colonel,
Adjutant General of the Army.

BY ORDER OF HIS EXCELLENCY THE COMMANDER IN CHIEF.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN,

28TH MARCH 1836.

The Commander in Chief is pleased to publish for the information of the Army, the following General Order by His Excellency the Commander in Chief in India, dated Head Quarters, Calcutta, 9th March 1836.

GENERAL ORDERS BY HIS EXCELLENCY THE COMMANDER IN CHIEF IN INDIA.

HEAD QUARTERS, CALCUTTA, *9th March* 1836.

1. In the orders circulated under the authority of His Excellency the Commander in Chief of the Madras Army, under date the 10th of February 1836, there appears a notification of the sentence passed by a General Court Martial, on Owen Byrne, a Gunner of the Madras Artillery.

2. The sentence is, first, that he shall be hanged by the neck until he is dead, but this punishment is subsequently reduced by the Court Martial, in consideration of circumstances, to transportation for seven years.

3. His Excellency the Commander in Chief in India does not find in the Mutiny Act, any clause authorizing this sort of "record of sentence of death."

4. He considers the sentence of this Court to have been an incorrect one, and verging upon the point which he condemned in the 6th paragraph of his order of the 26th October 1835.

5. With the view of establishing uniformity of practice, the following extract, from a letter from the Judge Advocate General of the Bengal army, is circulated for the guidance of all Courts Martial hereafter to be held in India.

"*To the Deputy Judge Advocate General, Presidency Division.*

"Section 27 of the 9th George IV. C. 74 is not applicable to Courts Martial. The formality therein prescribed (in itself rendered nugatory by section 18) is incompatible with the forms of procedure observed by Courts Martial; and with the powers vested in them. It is not within the competence of a Court Martial to *record* sentence of death, and to order transportation, in the sense in which those words are used in that Statute; which is binding on Courts Martial acting under the 2d Section of 4th George IV. C. 81, or the 102 Article of War, only in what relates to the substance of justice, in the definition of offences, and the adjudication of punishment, not in what is merely technical or redundant; especially when, as in the present instance, it would also be repugnant to their established practice and authority. In all cases of capital felony, therefore, except murder, where the Court may be of opinion that transportation for life, or for a term of years, would be an adequate punishment, you will introduce that punishment only into the sentence.

"(Signed) G. YOUNG,
Offig. Judge Advocate General."

BY ORDER OF HIS EXCELLENCY THE COMMANDER IN CHIEF IN INDIA.

Adjutant General of the Army.

Recommendation by the Court.—" The Court having performed the painful duty of awarding the punishment, made imperative on them by the Articles of War, for the Crime, of which the Prisoner Lieutenant Norton, has been found Guilty, beg, in consequence of the extraordinary nature of the case, most re-

spectfully to recommend him to such mercy as His Excellency the Commander in Chief may deem consistent with upholding the honor of His Majesty's Service.

Remarks by His Excellency the Commander in Chief.

Although the language proved to have been used by Lieutenant Norton, coupled with his subsequent proceedings would bespeak him to be little fit for the position amongst Gentlemen which he occupies, yet the Commander in Chief is unwilling to turn a deaf ear to the recommendation of the Members of a General Court Martial, when he can make any excuse to himself for listening to it.

He, therefore, will allow it to have its weight in this case; and will meet the wishes expressed by the Court in the only way in which the Members must have known he could meet them, namely, by remitting the punishment, they have awarded.

He would have felt, however, much more satisfaction in attending to their recommendation, and in extending his pardon, had any testimonies of the general good conduct of the Officer, under Sentence, been laid before him.

Lieutenant Norton, is pardoned, and is to return to his duty.

By order of the Commander in Chief.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN,

13TH MAY 1836.

The Commander in Chief directs the publication, for the general information and guidance of the Army, of the following General Order by His Excellency the Commander in Chief in India.

GENERAL ORDERS BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS, CALCUTTA, 30*th April* 1836.

At a General Court Martial held at Nusseerabad, on Wednesday the 23d day of March 1836, Lieutenant Colonel James Fullarton Dundas, of the 2d Battalion of Artillery, was arraigned on the following Charge :—

Charge.—" Lieutenant Colonel James Fullarton Dundas, of the 2d Battalion of Artillery, placed in arrest by order of His Excellency the Commander in Chief, on the following Charge :

" I charge Lieutenant Colonel James Fullarton Dundas, of the 2d Battalion of Artillery, with having caused to be overdrawn and misapplied, the sum of Sonat Rupees Six hundred, by falsely certifying, that a Mess was maintained in the 2d Battalion of Artillery, during the months of March, April, May, June and July 1835.

" (Signed) J. RAWLINS, Captain,
1st, 2d Battalion Artillery."

Finding and Sentence.—" The court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, are of opinion, that the preliminary measures adopted by the prisoner, under the circumstances of the case, and with the manifest intention which he, in common with the majority of the officers of the battalion, the prosecutor included, entertained of establishing a more regular mess, did justify him, the prisoner Lieutenant Colonel Dundas, in causing to be drawn the sum of money set forth in the charge, of which charge they do therefore most honorably acquit him."

Confirmed.

CALCUTTA, 29*th April* 1836. (Signed) H. FANE, General, *Commander in Chief, East Indies.*

REMARKS BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

His Excellency the Commander in Chief embraces the opportunity which the promulgation of the sentence of this court martial affords him, of making known to the Bengal Army, and to our fellow soldiers elsewhere, that, although the said army comprises upwards of a hundred regiments, (regulars and irregulars) this is the *only* case, *during a period of seven months*, which has rendered the assembly of a general court martial for the arraignment of an European officer necessary.

His Excellency requests the officers of the army to accept the expression of his great approbation of the conduct which has produced such a result.

It is highly creditable to them ; and he contemplates it as a most flattering and gratifying compliment to himself, because he is willing to attribute much of the altered state of the army in this particular to the kindly feelings with which they have received such advice as His Excellency has taken occasion to offer to them, and to the attention which they have paid to what he has said.

2. The Commander in Chief regrets, that the case which has now occurred should have broken the continuity of what was so very satisfactory ! and he laments it the more, because he is unable to " approve" at the time he " confirms" the judgment of the court which has adjudicated the case of Lieutenant Colonel Dundas ; and because the decision given will oblige him to make further reference relative to it.

3. The case (stript of the mass of matter, which the court permitted ten days to be expended in placing round it) was simply as follows :

Lieutenant Colonel Dundas had signed several certificates to the following effect :

" I do hereby certify, upon honor, that a mess has been maintained in the 2d Battalion of Artillery, " during the month of ——— 1835" ; and under these certificates the mess allowance of 120 rupees was drawn for five months.

The Lieutenant Colonel was charged by Captain Rawlins, of the same Regiment, to the effect, that this was a false certificate : no mess having been *maintained*, and consequently that the allowance was " overdrawn" and " misapplied."

4. His Excellency deems, that the main point to be decided by the Court, was, had *a mess*, according to the common meaning attached to that term in the Army, *been maintained?* that is so maintained as to authorize the commanding officer of a battalion to declare to the Government, on his honor, that a mess had been maintained ; and, under that pledge, to authorize the drawing for an allowance, which the Government granted only under the pledge alluded to.

5. The testimony given on this point is as follows:

There was not any house hired for a mess, there were not any table furniture, linen, crockery, cook, servants, or any one of the appendages which are always deemed essential for *a mess*; nor did the officers ever meet together in the form of a mess.

Lieutenant Colonel Dundas, however, has shewn, that there was "a flock of sheep," with two shepherds to attend them, and that the flock was called "the mess flock," and that food for the sheep and the labor of the shepherds were paid for out of the mess allowance; and that the mutton or lamb was, or might have been, divided and disposed of amongst the officers at the head quarters. Also that part of the allowance was expended in the provision of periodical publications for the use of the officers.

6. This arrangement the Lieutenant Colonel desires to have considered as a preliminary to the formation of *a mess*, (though during the lapse of five months, no further advance towards that end appears to have been made) and he has pleaded it to have constituted such an arrangement as fully justified his declaring on honor, that "a mess *was maintained* in the 2d Battalion of Artillery;" and such as authorized him to enable the Adjutant to draw the allowance.

7. The members of the Court Martial have decided in the same way; and they have acquitted, most honorably, Lieutenant Colonel Dundas; and have declared him "justified" in causing to be drawn the sum of money set forth in the charge.

8. The Commander in Chief has no doubt that the view of the Government, when granting the allowance was, that the *bona fide* establishment, and maintenance of a *mess*, in the common acceptation of that term, were the contingencies, on which the allowance was meant to depend. Indeed, the original order granting the allowance (8th May 1806) says, "the above allowances are to be drawn by the Adjutant of the "Corps, for every month in which the mess *shall have been conducted*."

9. His Excellency cannot but regret, that the president and members of this court martial should have "justified," by their verdict, so wide a deviation from the evident meaning of a regulation.

10. It is not desirable, in an address to the army, to verge on the ridiculous; yet it is impossible to avoid hinting how far the latitude of interpretation which this court has given, might be carried; and it may be quite reasonable to ask, whether if the keeping of a flock of sheep constitutes the "maintaining a mess," the keeping a flock of poultry (which flock might be composed of any *plural* number) would not afford an equally sound base for the argument they have admitted!

Can officers think, that such a perversion of common terms, used in General Orders, can be allowed thro' all ranks of the army? or, can they think, that the service *can* be carried on, if such a latitude is sanctioned for every body?

11. The Commander in Chief begs of the Officers of the Army to reflect, that it is only by their strictly discharging their duties, as members of courts martial, that the discipline or proper administration of the army can be maintained; and he prays them to remember, that it is by administering *justice*, and by strict attention to their preliminary oath as members of a court martial; viz. "to determine according to the *evidence* "in the matter before them," and not by allowing personal feelings for, or against, parties to operate, that their duty is discharged!

12. The proceedings of this court martial bear a strong appearance throughout, of the feelings of the court relative to the parties before them! this is evinced on several occasions. The first cross-examination of the prosecutor by the prisoner, was allowed to occupy upwards of four days; little of which time was expended in the exculpation of the prisoner.

His Excellency thinks the court was wrong in refusing permission to the prosecutor to erase an offensive word, which he solicited permission to withdraw; they were wrong in preventing his taking copies of such parts of the recorded proceedings as he desired; and they were not only wrong in judgment, but they deviated from the common practice of this army, in refusing him access to the minutes of the court, for the purpose of enabling himself to reply, at the close of the defence.

13. The Commander in Chief highly condemns the conduct on the part of Captain Rawlins, which called forth the reprobation of the court; but perhaps the feeling shewn towards him, (which is so striking on a perusal of the minutes,) may afford some ground for extenuation.

14. On a careful examination of the whole case, His Excellency the Commander in Chief cannot think the proceedings, or the result of this court martial, satisfactory; but as he does not foresee that good would result in calling for a revision, His Excellency has confirmed the same, subject to the foregoing remarks.

The prisoner is to be released, and to return to his duty.

By order of His Excellency the Commander in Chief.

Adjutant General of the Army.

HEAD QUARTERS: CHOULTRY PLAIN,

12TH MAY 1836.

The Commander in Chief directs the publication, for information and guidance of the Army, of the following Extract from a Letter from the Secretary to the Government of India in the Military Department, dated the 18th April 1836, relative to the Pay of Soldiers when in confinement.

"With respect to Soldiers of His Majesty's Service, their pay during imprisonment continues to be drawn in full, by their Paymasters, on a certificate that they have not been provided with rations by the Commissariat.

If no such certificate be supplied, the net pay only is passed:

When the full pay is, as above drawn, the daily sum of six pence, (except in Fort William, where 4 Sicca Annas, or 7¼*d.* is allowed,) is deducted to pay for the subsistence of the Prisoners; the expense of their Clothing, Shaving, Washing, Cleaning Prison, and other necessary extra charges are also defrayed from the full pay, and the surplus, whatever it may be, is expended for any Regimental purpose, at the discretion of the Commanding Officer, who should notify the same in his Regimental Orders.

In the Honorable Company's Service, the pay of European Soldiers in confinement is drawn in Abstract, by Officers Commanding Troop or Companies.

The system in the two Services is the same, viz. to pass the full Pay, from which the parties are subsisted &c. &c., and the balance appropriated to Regimental purposes.

To these rules, the change rendered necessary by the new provision of the annual Mutiny Act has been applied, viz. that, whereas previously, the forfeiture was incurred only while under Sentence, it is now extended in His Majesty's Regiments to confinement under any charge, of which the party is subsequently convicted, and therefore commences from the date of commitment.

With Soldiers of the Honorable Company's Service the 18th and 25th Clauses of the 4th George 4.th, Chapter 81, remain unaltered."

GENERAL ORDERS,

HEAD QUARTERS : CHOULTRY PLAIN;

21ST MAY 1836.

The Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

GENERAL ORDERS BY THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 17TH MAY 1836.

No. 109 of 1836.—The following Extract from a despatch from the Honorable the Court of Directors, dated 13 h January 1836, No. 4, upon the subject of the suspension from Military duty of Captain John Smith 2d Light Cavalry, is published for the information of the Army.

"We have attentively perused the whole of the proceedings connected with this case, and although we consider the conduct of Captain Smith to be highly censurable we do not regard it as falling under our orders of the 14th April 1813. The intention of those orders was to restrain Officers from acts of personal violence on the impulse of excited feelings. The illegal punishment inflicted by Captain Smith was inflicted not by his own hands or from any feeling of injury to himself, but by an assumed authority as the Commanding Officer of the Cantonment at Arcot. These circumstances appear to us to remove the case beyond the operation of the above orders; and taking into consideration that no habitual violence or cruelty towards the Natives has been established against that Officer, and also that he has already been fined by a Civil Court for this offence.—Considering also the loss to which he has been subjected of the command money of his Regiment and the anxiety consequent upon his suspension, we do not deem it necessary to visit his misconduct with any further punishment, and direct that he be allowed to resume his Military duties."

Captain John Smith of the 2d Light Cavalry, will therefore resume his Military duties from this date.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Ensign Edward Sellon of the Fourth Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof is of opinion:

Finding on the First Instance of the Charge.—That the Prisoner is Guilty of the First Instance of the Charge.

Finding on the Second Instance of the Charge.—That the Prisoner is Guilty of the Second Instance of the Charge.

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him, the said Ensign Edward Sellon of the Fourth Regiment of Native Infantry, to be discharged the Service.

Officiating Deputy Judge Advocate General,

(Signed) RICHARD BRUNTON, Lieut.-Col.

As the evidence on the Trial affords a strong presumption that Ensign Sellon was insane at the time when he committed the offence with which he is charged, I consider him to have been entitled to an acquittal on these grounds, and remit the Sentence accordingly.

The Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

GENERAL ORDERS BY THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 31st MAY 1836.

No. 122 of 1836.—The following Extracts from Letters from the Honorable the Court of Directors, in the Military Department, under dates the 21 and 10th February 1836, No. 10 and 12, are published for the information of the Army.

Letter dated 21 February 1836, No. 10.

Para. 1. "We approve of the anxiety evinced by your Government to give effect to our orders for protecting the Natives of India from violence, and the practice too common we fear among the Officers of our Army of inflicting personal chastisement upon their Native Servants, is one which we cannot too strongly reprehend.

2. "We consider the conduct of Surgeon Stokes to have been extremely reprehensible in this respect, more particularly as he was aware that the deceased Bellary had for several days previously been absent from his duty on account of illness. At the same time it does not appear that Mr. Stokes was guilty of any cruelty or violence which could of itself have led to any serious consequences, and it has been indisputably established that the death of Bellary was in fact occasioned by disease."

3. "Under these circumstances, and adverting to the deep contrition manifested by Mr. Stokes, as well as to the Testimonials adduced to his general character, considering also the severe punishment he has already undergone, first in being tried for murder and afterwards in the loss of his allowances, and in the anxiety consequently on his suspension, we have resolved that he be permitted to return to his duty."

Letter dated 10th February 1836, No. 12.

Para. 1. "We have appointed Mr. William Robert Brown, now at your Presidency, a Cadet of Infantry on your Establishment, provided he is not under the age of Sixteen or above Twenty-two years, and that agreeably to our Resolution of the 19th June 1833 he has not been dismissed or obliged to retire from the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy at Woolwich, or from any other public Institution on account of immoral or ungentlemanly conduct, and that he produce a certificate signed by two practising Surgeons of his fitness for Military duty.

2. "Upon your being satisfied as to the above particulars, you are to admit him a Cadet of Infantry and administer to him the usual oath of fidelity to the East India Company.

3. "Mr. Brown's order of rank will be transmitted at an early opportunity."

(Signed) S. W. STEEL, Lieut.-Colonel,
Secretary to Government.

FORT ST. GEORGE, 31st MAY 1836.

No. 130 of 1836.—The following General Order by His Excellency the Right Honorable the Governor General of India in Council, is published for the information of the Army.

FORT WILLIAM, 23D MAY 1836.

No. 104 of 1836.—The Governor General of India in Council has much pleasure in publishing to the Army, the following Extract, Paragraphs 5 and 6, of a letter from the Honorable the Court of Directors, No. 15, dated the 23d of December 1835, announcing an enlargement of the Retiring Pension Regulations. The Boon thereby conferred upon the several Ranks of the Army, will, his Lordship has no doubt, be duly appreciated; and be received as a testimony of the warm interest felt by the Honorable the Court of Directors in the welfare of the Old Officers of their Army in India.

Para. 5. Adverting to the many obstacles which have hitherto prevented the Establishment of a General Retiring Fund, and considering it hopeless to expect that any Fund can be so framed as to meet on the one hand with the general concurrence of the Army and on the other with the sanction of the authorities at Home, we have thought it right no longer to rely on the formation of such a fund, but so far as we can feel justified in doing it ourselves to provide for the object contemplated in schemes of that nature, without the aid, of contributions from our Officers, by an enlargement of the Retiring Regulations; and we have therefore resolved—

That every Officer who shall have served 25 years (3 years furlough included) shall be allowed to retire on the pay of a Captain whether he shall have attained that rank Regimentally or not;

That every Officer who shall have served 28 years (3 years furlough included) shall be allowed to retire on the pay of a Major, whether he shall have attained that rank or not;

That every Officer who shall have served 33 years (3 years furlough included) shall be allowed to retire on the pay of a Lieutenant Colonel whether he shall have attained that rank or not; and

That every Officer who shall have served 38 years (3 years furlough included) shall be allowed to retire on the Full Pay of a Colonel, whether he shall have attained that Rank or not.

6. These arrangements are to have effect without prejudice to any claims arising out of the present Retiring Regulations.

FORT ST. GEORGE, 14TH JUNE 1836.

No. 133 of 1836.—The Governor in Council, in re-publishing the following G. O. by the Right Honorable the Governor General of India in Council, No. 95 of 1836, is pleased to direct that the orders and principles thereby established regarding Regimental Messes, be considered applicable to the Army serving under the Presidency of Fort Saint George.

FORT WILLIAM, 13TH MAY 1836.

No. 95 of 1836.—His Excellency the Commander in Chief having laid before Government an Extract from the Proceedings of an European General Court Martial, recently held at Nuseerabad, from which it appears that a broad latitude of interpretation has been given in the verdict of the Court to the term "a Mess" the Right Honorable the Governor General of India in Council, with a view of defining the ordinary acceptation of the words of the prescribed Monthly Certificate, signed by the Commanding Officer of each Corps in which a Mess is maintained, is pleased to declare, that "a Mess being maintained" is intended to imply that such an arrangement has been made in the Regiment, as will enable the Officers to meet together in Mess; and will afford the sort of home for Officers which will obviate the necessity for each keeping a separate and expensive establishment.

2. For forming "a Mess" a contribution from the Officers of a Regiment must be necessary to provide table equipage, &c. &c., and a former Government, highly approving the principle of a Regimental Mess, liberally granted a specified monthly allowance to aid in maintaining the same; but they never could have contemplated the allowance being drawn when a Mess was not, bona fide, *established*.

3. The General Court Martial before alluded to, having recorded an opinion, that a Commanding Officer is justified in authorizing the drawing of the Mess allowance when no Mess is established, it has become requisite for the Right Honorable the Governor General in Council to notify, that the *formation* of a Mess in a Corps must always be antecedent to the drawing of the allowance.

4. The Certificate to be signed by a Commanding Officer, must in future run, that "a Mess has been established and is maintained" in the Corps; and the allowance is not to be drawn until the first-has been arranged: and no longer than the second can be certified.

5. His Lordship in Council desires that the Army will understand that, by the alteration now made, it is not intended to throw the slightest impediment in the way of the formation of Regimental Messes: on the contrary, the institution is one which is highly approved and much recommended.

6. The Commander in Chief having further observed that a balance of the Government Mess Allowance drawn on the occasion under consideration, remains unappropriated. His Lordship in Council desires, that the Military Auditor General will see that the same is recovered on the public account.

18TH JUNE 1836.

The Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief to be published to the Army, they are accordingly published in Military Orders.

GENERAL ORDERS BY THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 17TH JUNE 1836.

No. 134 of 1836.—The following Extract from a Letter from the Honorable the Court of Directors, in the Military Department, dated the 10th February 1836, No. 11, is published for the information of the Army.

Para. 1. "We have perused with much satisfaction the following Paragraphs of the Minute of His Excellency the Commander in Chief, dated 9th July 1835, and of the Resolutions of your Government of the same date.

"*Extract Minute by the Commander in Chief.*"

"Some misapprehension appearing to exist as to the intent of the remarks passed by me upon Lieute-
"nant Colonel Smythe's Court Martial: I avail myself of this opportunity to state, in my place at the Board,
"that the object thereof was not in any way to qualify the honorable acquittal awarded, but simply to notify
"my disapprobation of the irregularities which had notoriously occurred in the proceedings of the Court."

"*Extract Minute by the Government.*"

"The character of Lieutenant Colonel Smythe, thus standing entirely freed from every dishonorable
"imputation, the Right Honorable the Governor in Council considers it unnecessary to make any observa-
"tions on the case, as it respects that Officer, in addition to those of His Excellency the Commander in
"Chief now delivered at the Board."

2. "We have furnished copies of the Paragraph containing the above declaration and of your Minute upon it, to Lieutenant Colonel Smythe, and we have informed him that in our opinion he is entirely absolved from all and every part of the Charge brought against him; and that we entirely approve of the finding of the Court Martial by which he was most fully and most honorably acquitted.

3. "Upon a consideration of the other points brought forward in Lieutenant Colonel Smythe's Memorial, we are of opinion that the Court of Enquiry, and the Court Martial, held on Lieutenant Colonel Smythe, ought to have been assembled at the Station where the 5th Light Cavalry was quartered, but that no documents requisite for his defence were intentionally withheld, and that the measures taken with respect to Subadar Ahmed Khan and a Havildar, (a Witness in his favor,) were not taken with any view of prejudicing his cause."

(Signed) S. W. STEEL, Lieut.-Colonel,
Secretary to Government.

Para. 1. "Having attentively considered the Proceedings of the Court Martial held for the trial of Lieutenants Humffreys and Prescott of the Cavalry on your Establishment, together with their Memorials re transmitted with your Military Letter of the 19th June last; we are of opinion that the ends of justice will be adequately met by the punishment which they have already suffered from anxiety of mind and loss of Pay and Allowances; and feeling satisfied that their restoration to the Service will not be injurious to the cha-

racter, or discipline of the Army, we have resolved that Mr. Humffreys and Mr. Prescott be restored to their Rank and standing in the 8th Regiment of Cavalry.

2. "You will re post all the Cavalry Cadets whose posting to Corps was effected by the result of the Court Martial on Messrs. Mumffreys and Prescott."

Letter dated the 30th of March 1836, No. 23.

"Being satisfied from the Medical Certificates which have from time to time been produced by Captain Evan Macpherson, of your Establishment, that his absence from India beyond the period of five years from the date of his quitting it, has been occasioned by sickness within the meaning of the act of the 33d Geo. 3d Chap. 52, Sec. 70. we have permitted him to return to his rank on your Establishment, which permission has received the concurrence of the Board of Commissioners for the affairs of India."
