Para. 139. "In consequence of the numerous applications which have been preferred to us by our Servants, on leave of absence in this Country, for advances of money on loans, we think it proper to recall your attention to our Orders in the Military Department of the 26th February 1808 upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at home beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this discription, in Order to be generally known to a body which is continually receiving an accession of new Members, should be occasionally re-published, and being fully persuaded, that a strict observance of this Resolution will prevent much trouble and inconvenience besides loss to the Company, we direct that our Orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon furlough, of our determination upon the subject in question."

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.—FORT WILLIAM, 19TH DECEMBER 1836.

No. 245 of 1836.—The Right Honorable the Governor General of India in Council is pleased to direct the publication to the Army of the following Orders from the Honorable the Court of Directors, authorizing payment to the Military and Naval Forces employed on the occasion, of the Booty Captured during the late Hostilities against Ava, which has been granted by His Most Gracious Majesty as Prize.

WILLIAM REX.

William the Fourth, by the Grace of God of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith. To all to whom these presents shall come, Greeting, Whereas the Commissioners of our Treasury have represented unto us that it hath been made appear to them by a Report of our Procurator General that, at the commencement of the year 1824, numerous unprovoked aggressions committed by the Burmese upon the South East Frontier of the Possessions of the United Company of Merchants of England Trading to the East Indies, had induced the Supreme Government in India, to decide upon attacking the Burmese in their own Country, and that an Expedition was accordingly formed, consisting of our Land Forces, and the Land Forces raised and paid by the said United Company, and of our Ships and Vessels of War, and the Ships and Vessels of War of the said United Company, under the Command of Major General Sir Archibald Campbell, G. C. B., and Commodore Grant of our Ship *Liffey*, then Commanding our Naval Force in India, that during the Hostilities or Warfare carried on by the said Expedition under the Command of the said Major General Campbell and Commodore Grant, and during certain periods afterwards of his Successor or Successors in such Command, a quantity of Booty and Plunder, consisting of Ordnance, Arms, Artillery Stores, and Ammunition, Grain and a number of Bells, (of which a part were afterwards returned to the King of Ava as hereinafter set forth), and other Effects were taken, of which the following Schedule or Account has been rendered to our said Commissioners; that is to say,

	Sa. Rs.		
Sum received into the Treasury in India,.....	18,041	0	0
Amount of valuation of the Military Board in Bengal, including the Bells returned...	4,99,642	0	0
	5,17,683	0	0

exclusive of the Boats and other property destroyed in order to prevent their falling again into the Enemy's hands, of which no authentic account has yet been furnished. And Whereas it hath been further represented unto us, that the said Booty and Plunder do of right belong to us, in virtue of our Royal Prerogative, and that the said Booty and Plunder should be given and granted in such manner as to us should seem meet and just: And Whereas our said Commissioners have further represented unto us that an application hath been made to them on the part and behalf of the said United Company of Merchants of England trading to the East Indies, praying, for the reasons therein set forth, that they would be pleased to recommend unto us to grant to the said Company all such Booty and Plunder, Stores, Provisions and Things, as were taken during the said War as to one-half part of the Value thereof for the proper use of the said Company, and as to the other half part thereof, for the use of the Commanders, Officers and Men belonging to the Army, Navy, and Marine, employed in the said War; and that we would give such directions as to the appropriation and distribution of the said Booty and Plunder, among such Forces as we shall see fit, and that an application hath also been made to our said Commissioners by the said Major General Sir Archibald Campbell, on behalf of himself and the Officers and Men under his Command, praying our said Commissioners to recommend that we would be pleased to grant the whole amount of the said Booty and Plunder to the Forces engaged, and to appoint the said Major General Sir Archibald Campbell a Trustee for the proportion which we may graciously be pleased to grant to the Forces under his Command, and that the portion of the Booty belonging to the Land Forces employed may be directed to be distributed according to the Rule heretofore used and observed by the Army in India, and that the proportion belonging to the Naval Forces may be distributed amongst the Officers and Men agreeably to our Proclamation, and to the practice of the Navy in cases where the Ships or Vessels of the said United Company share with them, and further that the said Booty may be classified for division into certain periods to embrace a just and equitable consideration to the Forces employed; and Whereas our said Commissioners have further represented unto us that it had been made appear to them that part of the Bells taken as Booty as aforesaid had been returned by the authority of the Bengal Government to the King of Ava, and have humbly represented unto us that such Bells have been properly treated by the said Bengal Government as not liable to Seizure as Booty, and that considering the Religious prejudices of the Native Inhabitants of India, it would not be adviseable to encourage the idea that these and similar Articles are proper objects of Prize in Indian Warfare; but that nevertheless considering the very small amount of the Booty captured as compared with the number of Persons who will be entitled to share therein, the great advantages derived by the East India Company from the result of these Hostilities and the anxious desire expressed by them that the combined force should receive every advantage to which they can be considered equitably entitled:—Our said Commissioners would recommend to the said United Company to allow a sum equal in amount to the estimated value of the Bells so returned as aforesaid, viz., 1,46,000 Sicca Rupees, and our said Commissioners have further represented unto us that a recommendation having been made by them accordingly, the said Company had signified their assent, and that they did not object to such sum being taken as the value of the said Bells. We taking the premises into our Royal consideration, are graciously pleased to give and grant and do hereby give and grant the said Captured Booty and Plunder, or the produce or value thereof, as set forth in the Schedule or Account before stated, including the estimated value of the said Bells so returned by the Authority of the Bengal Government to the King of Ava, unto the said United Company of Merchants of England trading to the East Indies, or to such person or persons as they shall appoint to receive the same, upon the Trusts and on the Conditions following: that is to say, upon trust, to retain and apply one Moiety thereof to the proper use of the said Company, and as to the remaining or other Moiety thereof, in trust, to distribute, the same amongst our Land and Naval Forces, and the Land and Naval Forces of the United Company of Merchants of England trading to the East Indies, employed in the said Expedition according to the following Scheme or Schedule.

The whole of such Moiety being divided into eight equal parts.

To the Commander in Chief, and Flag and General Officers to be distributed amongst them, so that each Commander in Chief shall take double that share which each General and Flag Officer (not being a Commander in Chief) shall take, but if the number of Flag and General Officers exclusive of the two Commanders in Chief shall exceed four, in that case, a Moiety of the said One-Eighth shall be divided between the two Commanders in Chief, and the other Moiety between the other Flag and General Officers. — One-Eighth.

To the Colonels, Lieutenant-Colonels and Majors, serving in the said Land Forces, and the Post Captains and Masters and Commanders in the said Naval Forces, to be distributed amongst them according to the usage prevailing in India with respect to such Land and Naval Forces. — Two-Eighths.

To the Captains of Marines and Land Forces and the Lieutenants serving in the said Naval Forces and other descriptions of Persons entitled by our Proclamation for the Distribution of Prizes in force at the termination of the last War, or according to the usage prevailing in India, with respect to such Land and Naval Forces to share with them. — One-Eighth.

To the Lieutenants and Quarter Masters of Marines, and Lieutenants, Ensigns and Quarter Masters of Land Forces, and the Boatswains, Gunners and Persons serving in the said Naval Forces and other descriptions of Persons, entitled by our said Proclamation, or according to the usage prevailing in India with respect to such Land and Naval Forces to share with them. — One-Eighth.

To the Midshipmen, Captain's Clerks, Serjeants of Marines and Land Forces, and other descriptions of Persons serving in the said Land and Naval Forces, entitled by our said Proclamation, or according to the usage prevailing in India with respect to such Land and Naval Forces to share with them. — Eighth.

To the Trumpeters, Quarter Gunners, Seamen, Marines and Soldiers, and other descriptions of Persons serving in the said Land and Naval Forces, entitled by our said Proclamation, or according to the usage prevailing in India with respect to such Land and Naval Forces to share with them. — Two-Eighths.

And We are graciously pleased to direct that the Portion of the said Booty and Plunder so belonging to the said Land Forces employed in the said Expedition shall be distributed between the Commander in Chief, Officers and Privates composing the same, according to the Rule heretofore used and observed by the Army in India, under the aforesaid Scheme or Schedule. And that the Portion of the said Booty and Plunder so as aforesaid belonging to the Naval Forces employed in the said Expedition be distributed amongst the Commander in Chief, Flag and other Officers and Men belonging to the said Naval Forces employed in the said Expedition, agreeably to our Proclamation aforesaid and to the practice of our Navy, respecting the Ships or Vessels in the Service of the said United Company of Merchants of England trading to the East Indies, sharing with them. And We are graciously pleased to order and direct that in case any doubt shall arise, respecting the claims to share in the distribution of the Moiety hereby granted to the Captors, or respecting any Demand upon the said Captured Booty, the same shall be determined by the said United Company of Merchants of England trading to the East Indies, or by such person or persons to whom they shall refer the same, which determination thereupon made shall, with all convenient speed, be notified in writing to the Commissioners of our Treasury, and the same shall be final and conclusive to all intents and purposes, unless within three Months after the receipt thereof at the Office of the Commissioners of Our Treasury, We shall be pleased otherwise to order, hereby reserving to ourselves to make such order therein as to us shall seem fit.

Given at Our Court at Saint James's, this 17th day of September 1831, in the second year of Our Reign.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

FORT WILLIAM, 9TH JANUARY 1837.

No. 7 of 1837.—The Hon'ble the Court of Directors having, in a recent Despatch, again expressed their anxious desire, that a competent knowledge of the Native Languages should be generally diffused among the

Officers of their Army, and having at the same time deemed it necessary to prescribe, that a certain degree of proficiency in one or more of those languages be in future considered an indispensable qualification for Staff Employ, the Right Hon'ble the Governor General of India in Council, with the view of giving effect to the wishes of the Hon'ble Court, without prejudice to the just claims of the many in other respects highly qualified Officers now in the Service, is pleased to publish the following Rules for general information.

I. No Military Officer who is now in the Service, or who may enter it hereafter, will be deemed qualified for or eligible to the Commissariat Department, or the appointment of Regimental Interpreter, unless he shall have passed the Examination in the Native Languages, prescribed for Candidates for the latter situation.

II. No Officer who may enter the Service hereafter, will be deemed eligible to any Staff Situation, (except a temporary one during actual Service in the Field) or Civil Employ, until he shall have passed an Examination in the Hindoostanee Language.

III. Notwithstanding that Officers now in the Service are exempted from the restrictive operation of the immediately preceding Rule, it is to be distinctly understood, that a competent knowledge of Hindoostanee, though not in their case an indispensable qualification for the Situations open to others on the condition of passing an Examination in that Language, will, as hitherto, be always considered to confer a strong additional claim to nomination to the Staff.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Secunderabad on Wednesday the Fourth day of January, in the year of our Lord One thousand Eight hundred and Thirty-seven, by order of Lieutenant Colonel John Turner Trewman, Commanding the Hyderabad Subsidiary Force, by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General Sir Peregrine Maitland, K. C. B., Commander in Chief, are published to the Army.

Major George Story of the Thirty-seventh Regiment Native Infantry, placed in arrest by order of the Commander in Chief, upon the complaint of Lieutenant Colonel William Bach Spry Commanding the same Regiment.

Charge.—I charge Major George Story of the Thirty-seventh Regiment of Native Infantry with Scandalous and infamous conduct unbecoming the character of an Officer and a Gentleman in the following Instances.

First Instance.—In having in a letter addressed to the Military Secretary to His Excellency the Commander in Chief, dated Secunderabad the Fifteenth of August One thousand Eight hundred and Thirty-six, falsely stated as follows :

" What His Excellency has been led to suppose against me I am most grievously unacquainted with, " not having been told or seen one syllable of what was said or written on the recent event which occurred " on the full Parade of the Regiment." Thereby insinuating that reports to the prejudice of his (Major Story's character) unfounded in fact, and of which he had not been duly apprized, had formed the subject

of Official complaint against him ; he (Major Story) having been fully informed of the representations that were to be communicated respecting him on the occasion alluded to.

Second Instance.—In having in the same letter, falsely, maliciously, and in the most uncalled for manner stated as follows :

" Indeed a similar circumstance occurred shortly before of a similar nature in Lieutenant Colonel Spry's " family, when his Lady, I believe it was, had to appear in Court to answer the complaint of a similar " domestic for stricking him, or embezzlement, these insertions hurt my ideas, but what can I do, it is a " strong and parallel case exactly, and cannot but be made to revert." The case to which Major Story so " alludes having been degrading personal conflict, in which he had engaged with a Native Servant named " Anthony" in the month of February last, for which, and for wages due, the latter sought redress in the Police Office.

Third Instance.—In having in the same letter, falsely and maliciously insinuated that the public repairs made (to the Hospital of the Thirty-seventh Regiment of Native Infantry) recently, prior to the date of the said letter, were composed of bad materials and finished with bad workmanship.

Fourth Instance.—In having in the same letter falsely stated as follows :

" My conduct has at no time been impeached, nor have I at any time by any one been accused of want " of zeal, or insufficient knowledge of my duties." He Major Story being well aware that his conduct had been publicly animadverted upon by superior Authority on five different occasions during the last four years as herein set fourth, namely.

1st. By a letter addressed by the Acting Adjutant General of the Army, by order of His Excellency the Commander in Chief, to the Officer Commanding the Nagpore Subsidiary Force dated Twenty-fifth of October One thousand Eight hundred and Thirty-two.

2d. By a letter addressed to the Officer Commanding the Thirty-seventh Regiment Native Infantry by the Acting Assistant Adjutant General of the Hyderabad Subsidiary Force, by order of Colonel Charles Albert Vigoureux, C. B. Commanding the Hyderabad Subsidiary Force, dated Secunderabad the Thirty-first of July One thousand Eight hundred and Thirty-three.

3d. By a letter addressed by the Adjutant General of the Army, by order of His Excellency the Commander in Chief, to the Officer Commanding the Hyderabad Subsidiary Force dated Fort St. George Twenty-fifth of February One thousand Eight hundred and Thirty-five.

4th. By a letter addressed to the Officer Commanding the Thirty-seventh Regiment Native Infantry by the Assistant Adjutant General of the Hyderabad Subsidiary Force, by order of Lieutenant Colonel John Turner Trewman, Commanding the Hyderabad Subsidiary Force, dated Secunderabad the Twelfth of June One thousand Eight hundred and Thirty-six.

5th. By a letter addressed to the Officer Commanding Hyderabad Subsidiary Force, by the Adjutant General of the Army, by order of His Excellency the Commander in Chief, dated the Sixth of July One thousand Eight hundred and Thirty-six.

The whole of the above being subversive of good order and Military Discipline and in Breach of the Articles of War.

SECUNDERABAD ;
Twenty-sixth of November, One thousand Eight hundred and Thirty-six.

(Signed) W. B. SPRY, Lieut. Colonel,
Commanding 37th Regiment N. I.

By Order,

(Signed) R. J. H. VIVIAN,
Asst. Adjt. General H. S. Force.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution on the charge, as well as what the Prisoner Major George Story, of the Thirty-seventh Regiment of Native Infantry, has urged in his Defence, and the Evidence adduced thereon, is of opinion :—

Finding on the First Instance of the Charge.—That the Prisoner is Guilty of the First Instance of the charge, with the exception of the words " unfounded in fact," and the imputation of " Scandalous and Infamous."

Finding on the Second Instance of the Charge.—That the Prisoner is Guilty of the Second Instance of the charge, with the exception of the imputation " Scandalous and Infamous."

Finding on the Third Instance of the Charge.—That the Prisoner is Guilty of the Third Instance of the charge.

Finding on the Fourth Instance of the Charge.—That the Prisoner is Guilty of the Fourth Instance of the charge, with the exception of the words " Five different occasions," which the Court find to have been " Four," and with the further exception of the imputation " Scandalous and Infamous."

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him the said Major George Story of the Thirty-seventh Regiment of Native Infantry to be discharged from the Service.

(Signed) A. WOODBURN, Captain,
Depy. Judge Advocate General.

(Signed) J. H. SCHOEDDE, Lieut. Colonel,
His Majesty's 55th Regt. President.

Remarks by the Court.—In explanation of the Finding on the First, Second and Fourth Instances of the charge, the Court beg leave to state that it has acquitted the Prisoner of the imputations " Scandalous and Infamous," in these Instances, in consequence of it's opinion that the Prisoner did not intend wilfully to make false representations.—The Finding of the Court on the Third Instance of the charge having left the Court no option as to its award, which under all the circumstances of the case, it would have felt disposed to mitigate, and the Court therefore humbly begs to recommend the Prisoner to the favorable consideration of His Excellency the Commander in Chief.

(Signed) J. H. SCHOEDDE, Lieut. Colonel,
His Majesty's 55th Regt. President.

Confirmed.

MADRAS ;
The 25th of January 1837.

(Signed) P. MAITLAND, Lieut. General,
Commander in Chief.

Remarks by the Commander in Chief.

The Commander in Chief would, under ordinary circumstances, feel most unwilling to disregard the recommendation of the Members of a General Court Martial; but, on the present occasion, he is altogether at a loss to discover the grounds upon which it has been based.—According to the Tenor of the Finding, Major Story stands convicted of having, maliciously, forwarded to Head Quarters a statement which, in three Instances, was in itself false, and which, in one Instance, he *knew* to be false, which latter Instance, in the opinion of the Court, constitutes Scandalous and Infamous conduct unbecoming the character of an Officer and a Gentleman: and yet in apparent forgetfulness, of the grave complexion of this Finding, he has been recommended to mercy.—The Commander in Chief further considers that the Defence, far from extenuating the Prisoners Offence, contains much evincing a continuance of that very disposition which has occasioned the present Trial.—Under these circumstances the good of the service absolutely requires that the Sentence should be confirmed.

(Signed) P. MAITLAND, Lieut. General,
and Commander in Chief.

GENERAL ORDERS,

HEAD QUARTERS ; CHOULTRY PLAIN :

8TH MARCH 1837.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief to be published to the Army, they are accordingly published in Military Orders.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 4TH MARCH 1837.

No. 43 of 1837.—By reports lately received from the Honorable Mr. Russell, Commissioner, and Brigadier General Taylor, Commanding the Northern Division of the Army, the Right Honorable the Governor in Council has had the satisfaction of learning that the portion of the Ganjam District lately disturbed has been restored to such a state of peace and security as to admit of the withdrawal of all the Troops, excepting those to be permanently stationed in the District.

The following are the Troops that have been actively employed on Field Service in this District, since the commencement of hostilities in November last.

Regiments and Detachments.	*Commanded by.*
Artillery, Details of.	Captain Geils.
Nizam's Horse, Detachment.	Captain Byam.
2d Light Cavalry, Havildar's Party.	
3d Regiment Light Infantry, Detachment of.	Lieutenant Allan.
6th Regiment.	Lieutenant Colonel Hodgson.
14th do. Wing of.	Lieutenant Walker.
17th do.	Major Watson.
21st do. Wing of.	Major Newell.
43d do.	Lieutenant Colonel Noble.
49th do.	Lieutenant Colonel Alves.
50th do.	Major Walter.
Sappers and Miners, Detachment of.	Lieutenant Smythe.

The Right Honorable the Governor in Council has observed with high approbation the exemplary conduct of all the Troops employed in the late arduous and harassing Service, their patient endurance of extraordinary fatigue and privations, and the gallant and resolute spirit with which they executed every enterprize to which they were led by their Officers, whose activity and energy have been conspicuous.

The 49th Regiment deserves particular notice. This Corps was the first to enter Goomsoor at the commencement of the Rebellion in September 1835, accompanied by the 8th Regiment, (both under the command of the late Lieutenant Colonel Hodgson), and suffered severely from fever brought on by the harassing duties it had to perform until the month of June 1836, when it returned to Cantonment at Berhampoor. On the first intimation that hostilities were likely to re-commence in the month of November following, this Regiment came forward for the service bodily, and with a spirit which reflects the highest credit on it, and is a proof of the high state of discipline it is in, the attachment of the men to the Service, and the admirable management of the European Officers of all ranks, in inspiring their men with these feelings.

The 8th Regiment suffered so much from the severe and incessant duties it had to perform during the first campaign, that it was thought proper not to permit it to take the field again ; but the Right Honorable the Governor in Council feels that it would be wanting in justice to that Regiment and its gallant leader, the late Lieutenant Colonel Muriel, were its Services to be passed over in silence.

The Detachment of the 3d Regiment Light Infantry under the Command of Lieutenant and Adjutant Allan consisting of two complete Companies is also deserving of Notice, as being composed of Volunteers, notwithstanding what the Regiment had suffered before in the Ganjam District and Kimedy.

The party of His Highness the Nizam's Horse, under Captain Byam, likewise merits special notice. In order that he might be in time to join before the commencement of hostilities, Captain Byam made a march of 588 miles in 31 days, and brought his men and horses to the frontier of Goomsoor, fresh and perfectly efficient ; his services and theirs, were, during the time they were employed, fatiguing and incessant, but were performed with unwearied zeal and alacrity, greatly to their own credit and to the benefit of the public interests.

The Commissariat also deserves particular notice. The arrangements made by this Department for the supply of provisions to the numerous detachments spread over a wide extent of country, and through different passes, have been most effective, and speak highly for the management of the Commissariat under the supervision of Lieutenant Colonel Tulloch.

The Right Honorable the Governor in Council has observed with great satisfaction the report made by Brigadier General Taylor of the highly meritorious conduct of the Medical Department with the Goomsoor Force, especially of the exertions of Acting Superintending Surgeon G. B. McDonell, and his Deputy, Assistant Surgeon Cumming, which, both at the field hospital and in other situations, were laborious in the extreme, unremitting and successful ; as well as his mention of the abilities and devotedness to their profession displayed by Assistant Surgeons Eyre, Kelly, J. Fuller, Bedwell and J. Shaw.

The Right Honorable the Governor in Council has also observed with great pleasure the terms of unqualified praise in which Brigadier General Taylor mentions the services of Majors Butterworth and Ethelins, who were respectively placed under his orders in the Quarter Master General's and Adjutant General's Departments.

The Right Honorable the Governor in Council desires to express to Brigadier General Taylor the Thanks of Government for his personal exertions in the exercise of the general Military Control, and for the able assistance he has on all occasions rendered to the Honorable Mr. Russell. The Right Honorable the Governor in Council is satisfied that the Service has been greatly promoted by his presence in Camp with Mr. Russell, by which every exigency was immediately provided for; and has observed with much satisfaction the good feeling which has existed between the Military and Civil Officers employed in the operations.

To Brigadier Anderson, Commanding the Goomsoor Field Force, the thanks of Government are due, for the support and assistance he has always afforded to Brigadier General Taylor and the Commissioner, and for his zealous exertions in the cause generally.

Chief Secretary.

Extract from the Minutes of Consultation of the Right Honorable the Governor in Council, under date the 4th March 1837.

The Right Honorable the Governor in Council cannot permit this opportunity to pass without recording his sense of the Honorable Mr. Russell's devotion to the public interests, in having, though at great inconvenience to himself and family, proceeded to the Ganjam district and directed in person the measures by which the rebellion in that district has been brought to a termination, thereby voluntarily exposing himself to great labour, trouble and personal risk, when his official situation exempted him from undertaking those arduous and responsible duties.

Those duties having now been brought to a happy and successful issue, the Right Honorable the Governor in Council performs a gratifying duty in acknowledging the meritorious Services rendered by the Honorable Mr. Russell. The whole of his conduct in the discharge of the highly important trust confided to him has met with the unqualified approbation of Government. The intelligence, judgement and prudence with which his measures have been planned, the ability, energy and firmness with which they have been prosecuted, and the success with which they have been carried into effect, reflect the highest credit upon him.—He has vindicated the authority, and upheld the character of Government in a manner which has already produced the most salutary results, and caused an impression, which it is hoped will be of permanent efficacy in restaining excesses such as those by which this part of the Country has been lately disturbed and preserving peace and order.

The Right Honorable the Governor in Council considers Mr. Stevenson, the Collector and Magistrate of Ganjam, and Captain Campbell of the 41st Regiment N. I. at first Secretary to the Commissioner and afterwards Assistant to the Collector and Magistrate of Ganjam, to be entitled to high commendation for their zealous and efficient co-operation with the Honorable Mr. Russell on all occasions, and he observes with much pleasure the approbation expressed by Mr. Russell of the services of Captain Macdonald, both as Deputy Judge Advocate General in conducting the trials of the rebels and as Secretary to himself.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS, CHOULTRY PLAIN ; 25TH MARCH 1837.

The following Rules laid down by Government for supplying Troops on their March in the Provinces ; are published for general information, and the Commander in Chief confidently expects Officers Commanding Regiments and Detachments will afford their best endeavours to give effect to them.

MILITARY DEPARTMENT.

No. 807.

Extract from the Minutes of Consultation.
11th March 1837.

REVENUE DEPARTMENT.

No. 286.

Extract from the Minutes of Consultation.
under date the 4th March 1837.

Read the following letter from the Secretary to the Board of Revenue.
Here enter 9th February 1837 *No.* 54.

1. The success which has attended the further experiment made by Mr. Orr of the plan proposed by him for furnishing supplies to Troops on their march in the Provinces, leaves no doubt in the mind of the Right Honorable the Governor in Council, that it is one fully calculated to meet the wants of the Troops, without loss or molestation to the Inhabitants ; and with the view to its more general adoption, he is pleased to resolve, that each of the Magistrates be furnished with two printed Copies of the " Rules observed in the Salem District," and of this Resolution, for their guidance for the future.

2. The plan is simple in its operation ; it is only necessary for the local Officers to purchase and pay for in the first instance at the expence of Government, a moderate supply of the usual Articles required at each stage, to have a Native Servant to issue them out to the Troops and receive payment, and to dispose of the unexpended portion immediately afterwards at the risk of Government, any loss by the measure being borne by it.—It is observed that on the occasion of the 39th Regiment N. I. passing through the Salem District, the deficiency from the re-sale of the unexpended portion of the supplies, was only Rupees 2 10 8 while, on the recent movement of the 6th Light Cavalry there was a small surplus. In general however, the loss on such occasion can be but inconsiderable, which the Government will at all times be prepared to authorize being written off ; and as the sum which it will be necessary for the local Officers to have always at hand to advance for purchases can rarely exceed 50 Rupees per diem at each stage for a whole Regiment, the Right Honorable the Governor in Council vests in the Magistrates a discretionary authority to disburse without his previous Sanction whatever may be necessary for the purpose, not exceeding the limit above specified ; but it will be their special duty, as soon after the Troops have passed their respective Districts, to furnish the Government with an account particulars of the sums disbursed and realized, in order that the sanction for any deficiency which may have occurred, may be communicated to the Office of Account and Audit.

3. The attention of the Magistrates is however particularly drawn to the last paragraph of the Rules, which requires the Native Police Officers to invite and encourage the inhabitants in the vicinity of the fixed stages to bring in supplies of every description for sale, as they would to their fairs, and the Right Honorable the Governor in Council believes that, with proper exertions on their part, the inhabitants may in time be brought to furnish supplies themselves without the necessity of advances from Government.

4. As it would be of great advantage on all occasions of entire Regiments or large Detachments being ordered from one Station to another, that the earliest practicable intimation of the circumstance should be given to the Magistrates, and that each party should invariably be accompanied by a Servant of the Commissariat Department, a reference will be made to the Military Department with the view that, should there be no objection to these measures, the necessary steps may be adopted for giving effect to them.—On the other hand, the Magistrates will be required on receiving intimation of the march of Troops to communicate to the Officer Commanding them the names of the stages at which there may be any difficulty in procuring supplies, in order that he may be aware how far he may rely on the markets, and the extent to which he may require the aid of the Commissariat Department.

(A true Extract.)
(Signed) H. CHAMIER,
Chief Secretary.

To

THE MILITARY DEPARTMENT.

Ordered that the foregoing Extract be communicated to the Commander in Chief and that His Excellency be requested to cause the adoption of the measures proposed in the 4th Para.

Ordered further that a Copy of the above Extract be furnished to the Commissary General.

(Signed) S. W. STEEL, Lieut. Col.
Secretary to Government.

RULES *to be observed in providing* SUPPLIES *for* TROOPS *marching.*

1. On the receipt of intimation from the Quarter Master General's Department of the route of Troops about to march through a District, the Collector and Magistrate should immediately give notice to the Tahsildars of the Talooks through which they will pass, informing them of the expected number of Troops, of European Officers and of Camp Followers, of the Stages at which they will halt in each Talook, and the probable date of arrival.

2. The Tahsildars should be directed to send immediately to the Huzoor Treasury for money for the purpose of purchasing such specific quantity of supplies as may be directed. It is believed that the following will generally be found sufficient for an Infantry Regiment; when smaller Detachments move, of course less in proportion will be required.

Paddy Straw	..	..	Rs. 5 0
Raggy do.	..	..	„ 8 0
Grass	..	..	„ 5 0
Firewood	..	..	„ 10 0
Pots	..	..	„ 4 0

2d do. do. 30, at 1 Anna	..	..	„ 1 14
		Rupees..	49 14

3. Tahsildars should be directed to depute their Peshkar or the Garcoon of the Division assisted by two intelligent Peons, to purchase and have ready by a certain date at each Stage the supplies required.

4. The supplies should be directed to be purchased as far as possible at the neighbouring weekly shandies or markets to which produce of every description is generally brought for sale, but when it may not be possible to procure the whole that may be required in this way, the rest should be purchased from the people voluntarily and on no account collected by contribution.

5. In every instance whether the supplies are bought at the weekly markets or from the villages, payment must be immediately made and a receipt taken, and which receipts should be forwarded as vouchers to the Huzoor along with the detailed account of purchases and sales.

6. Payment for supplies should on no account be made to the Head Inhabitant or Curnum of the village for distribution to the individuals furnishing them, but should always be made direct to the owners.

7. When a Regiment or large body of Troops is passing through a District, the Tahsildars should be directed if possible to accompany them through their respective Talooks, or if in any instance unavoidably prevented, the Peshkar or Talook Sheristadar should be deputed to this duty. They should be ready to obtain more supplies, if what had been already collected should be insufficient, and to afford any assistance that may be required.

8. On the arrival of Troops at each Stage, the Tahsildar should cause the Peshkar, Garcoon, or other respectable Revenue Officer, assisted by two intelligent Peons, to issue the supplies to them as they may be required, carefully receiving payment for every thing. Any articles that may remain undisposed of, should be immediately afterwards sold by outcry, and an account particulars of the purchases, the sales to the Troops, and what is realized for the remaining articles, should be transmitted to the Huzoor within five days after the Troops shall have passed through the Talook.

9. Tahsildars should be distinctly informed that neither Coolies, Pots, Firesticks, Tent-pegs nor any articles whatever (although hitherto customary), are in future to be given without payment.

10. Tahsildars should be directed to comply with any requisition for Coolies, receiving however in the first instance the hire of the men, at the rate of 3 Annas per 10 miles for each.

11. In the event of Troops halting at any Stage where there may be no bazar, or a small one, the Tahsildars should be directed to cause some of the Bazarmen from the neighbouring villages within 4 or 5 miles to attend with Rice, Grain, Ghee, Oil, and other articles which their shops supply for sale.

12. Tahsildars should also be directed to give timely intimation to all the villages in the vicinity of each Stage, of the day on which the Troops will be at that Stage, and to invite and encourage the inhabitants to bring in their supplies of every description for sale, the same as at the weekly market, assuring them, that nothing will be taken from them and no oppression be permitted to be practised towards them.

T. H. S. CONWAY,
Acting Adjutant General of the Army.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

G. O. G. G. C. 16th August 1816.

"In our Military Letter of 17th April 1816, (Paragraphs 3 to 5), We directed that 'the first arrival at your Presidency of the Artillery Cadets educated at Addiscombe in any one Season shall decide the period from which the arrival of the 'Engineer Cadets of the same Season also educated at Addiscombe shall be supposed to have taken place, 'had they not been detained in England by us.' The principle of this Regulation is equally or rather more strongly applicable with reference to the Cadets appointed to the Line after having been educated at Addiscombe. We therefore desire that it may be applied both prospectively and retrospectively, so as to ensure to the whole of the Cadets passing at Addiscombe, whether for the Engineers, the Artillery, or the Line, seniority in Army Rank when first Commissioned, corresponding with their relative rank when reported qualified at the Seminary."

No. 75 of 1837.—The following paragraphs of a Military Letter No. 12, from the Honorable the Court of Directors, to the Governor General of India in Council, under date the 19th October 1836, and His Majesty's Warrant therein referred to, are published for general information:

MILITARY DEPARTMENT.

No. 12 of 1836.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

Para. 1. We have received from the Secretary at War a copy of His Majesty's Warrant "regulating a "system of Rewards by a distinctive mark of merit and by additions to the rates of Pay and of Pension on "discharge to be obtained by the well conducted Soldier."

Dated 18th Aug. 1836.

2. We forward a copy of this Warrant, and we desire that you will take immediate measures for bringing it into operation in His Majesty's Forces serving in India.

3. We also desire that such of its provisions as may be applicable to the European Soldiers of our Service; viz. those specified in Clauses 1, 2, 3, 12, 13, 14 and 15, may be introduced without delay into our Service.

4. We shall give directions that all Soldiers hereafter to be enlisted into our Service whether for the Artillery or the Infantry, shall from the 1st of November 1836, be enlisted on the terms specified in the above named Warrant, and all Soldiers now in our Service who may be willing to relinquish the additional pay to which they are entitled by length of service, shall likewise be allowed the benefit of the above named Regulation.

We are, &c.

London, the 19th October 1836.

WILLIAM R.

Whereas it has been represented to Us, that it would materially tend to the encouragement of good conduct in the Army, if a reward, to be attained only by the well conducted Soldier, were substituted for the additional pay now granted to Soldiers who have completed certain periods of Service: Our will and pleasure is, that all Soldiers who shall inlist into our Service on or after the 1st day of September 1836, shall have no claim to additional pay after any period of service; but that a reward of additional pay for good conduct shall be granted to such Soldiers under the following rules.

1. Soldiers who shall have completed seven years' service shall be entitled to claim 1d. a day and to wear a ring of lace round the right arm, provided their names shall not have been entered in the Regimental Defaulter's Book for at least two years immediately preceding such claim.

2. Soldiers who shall have completed 14 years' service shall be entitled to claim a further reward of 1d. a day and to wear two rings of lace round the right arm, provided they shall have been uninterruptedly in the enjoyment of the 1d. a day for at least two years immediately preceding such further claim.

3. Soldiers who shall have completed 21 years' service shall be entitled to claim a further reward of 1d. a day, and to wear three rings of lace round the right arm, provided they shall have been uninterruptedly in the enjoyment of the 2d. a day for two years immediately preceding their claim to the third penny.

4. Soldiers who by their good conduct shall have obtained the distinction of one or more rings shall be entitled to have the full rate of that good conduct pay, of which they shall have been in uninterrupted possession for five years immediately preceding their discharge, added to the rate of pension, whether temporary or permanent, to which they may have a right under the provisions of our Warrant of the 7th February 1833.

5. Soldiers who have been in the possession of some one or other of the rates of good conduct pay for five years uninterruptedly, but who have only been in possession of either of the higher rates for some period not less than two years immediately preceding their discharge, shall be entitled, if discharged with two rings, to an addition of 1½d., and if discharged with three rings, to an addition of 2½d., as an augmentation of the pension to which their services will entitle them.

6. Soldiers who shall have been in the uninterrupted possession of good conduct pay for at least three years immediately preceding their discharge for disability, or by reduction, and who shall not have acquired claims to pension, or who shall be entitled only to temporary or conditional pensions, shall have their names registered at Chelsea Hospital; and upon their attaining 60 years of age, shall receive, as a reward for their former good conduct, a pension of 4d. a day if discharged with one ring, and of 6d. a day if discharged after having been twelve months in possession of two rings; and this reward for former good conduct shall also be extended to Soldiers who may be permitted to obtain free discharge at their own request, as an indulgence, after certain periods of service, as described in the 10th Article of this Warrant.

7. All Soldiers now in Our Service who enlisted since the 1st March 1833, shall have the option of relinquishing all right to the additional pay of 2d. a day to which they are now entitled after the completion of 14 years' Infantry, or of 17 years' Cavalry service, and shall then be entitled by their good conduct, to claim the 1d. a day after 7 years' service, and shall be in all respects, entitled to all the advantages both of good conduct pay while serving, of pension on discharge, and of deferred pension, which are hereby granted to Soldiers henceforward enlisting.

8. All Soldiers now serving who enlisted on or before the 1st March 1833, shall, by relinquishing their right to additional pay for length of service, be entitled to claim all the advantages of good conduct pay while serving, which are hereby granted, but as the Warrants which were in force at the time of their original enlistment give them a right to higher rates of pension on discharge than those which are to be granted to Men enlisted after the 1st March 1833, they will not be entitled to have their good conduct pay added to their pension on discharge.

9. In special cases, however, of Men enlisted on or before the 1st March 1833, who, by their good conduct, have obtained the distinction of one or more rings, and who, after short service, may be discharged for disabilities or by reduction either without pension, or with temporary, or conditional, or permanent pensions (not exceeding those granted for similar disabilities and services under Our Warrant of the 7th February 1833.) the good conduct pay may, by the consent of Our Secretary at War, be added to their pensions ; and such Men, if not placed upon permanent pensions, may be registered at Chelsea, for the deferred pension under the same rules, as the Men enlisted after the 1st March 1833.

10. Soldiers who shall have obtained the distinction of one or more rings, and who may be permitted to purchase or to obtain free discharge at their own request, shall be allowed free discharges upon the following terms, instead of those prescribed by the Warrant of Our late Royal Brother of the 14th November 1829, and by Our Warrant of the 7th February 1833, but the conditions, limitations, and regulations for granting discharges by indulgence, laid down in the said Warrants, shall, in the cases of all other Soldiers, remain in full force.

	Cavalry.	*Infantry.*
Under 5 years' service, ...	£30	£20
After 5 years' service, and with 2 years absence from the Defaulter's Book,	25	18
After 7 years with one ring, ...	20	15
After 10 „ ditto	15	10
After 12 „ ditto	10	5
After 14 „ ditto	5	Free
After 16 „ ditto Free, with the right of registry for deferred pension of 4d. a day.		
After 16 „ with two rings, having possessed the second at least 12 months.—Free, with the right of registry for deferred pension of 6d. a day.		

11. Soldiers enlisted since the 1st March 1833, who are in the enjoyment of two or of three rings, and of the good conduct pay, may obtain permanent pension as an indulgence, at the rate fixed in the Warrant of 7th February 1833, two years earlier than other men who have not earned this distinction, and may further receive the same amount of good conduct pay which would have been added to their ordinary pension, under the rules laid down in this Warrant, if they had been discharged as unfit for further service or by reduction.

12. As it is Our will and pleasure that this reward shall be strictly an honorable distinction, to be conferred only upon the well-conducted Soldier, the Commanding Officers of Regiments are strictly enjoined to enter in the Regimental Defaulter's Book the name of every Soldier who, in consequence of any misconduct whatever, shall have been confined in the guard-house, or subjected to any punishment; and the commission of every offence, which shall impose upon the Commanding Officer the necessity of recording the Soldier's name in the Regimental Defaulter's Book, shall render the man ineligible for this reward for two years from the date, and if he be already in possession of this distinction shall deprive him of his ring and good conduct pay for one year ; and a second recorded offence within twelve months shall render two years of uninterrupted good conduct necessary to obtain a restoration of such reward.

13. The Soldier having two or three rings shall in like manner for the first and second recorded offences forfeit one ring, and the good conduct pay allowed with it, for one year for each offence ; and if a third offence be recorded against him in the Regimental Defaulter's Book within twelve months, he shall forfeit all claim in consequence of his previous good conduct, and shall only be entitled to obtain a restoration of his honorable distinctions by subsequently serving with uninterrupted good conduct for two years to obtain one ring, for four years to obtain two rings, and for six years to obtain three rings.

14. Any Soldier who by having been recorded in the Regimental Defaulter's Book shall have been adjudged to have been guilty of an offence by which he is to forfeit the whole or a part of his reward for previous good conduct, shall, if he denies the commission of such offence, have the right of appeal to a Court Martial.

15. A Soldier may, for a first offence of a serious nature, be adjudged, by the sentence of a Court Martial, to forfeit all or any part of the advantages he had derived from his previous good conduct, either absolutely, or for a longer or shorter period, according to the circumstances which shall have appeared in evidence.

16. The distinction and the rewards granted by this Warrant will be extended to Corporals and Drummers both as regards pay and pension, but Serjeants and other Non-commissioned Officers will not be allowed, while serving, any addition to their established pay, but on their discharge they may, for peculiarly good conduct, on the special recommendation of Our General Commanding-in-Chief, and by the consent of Our Secretary-at-War, communicated to the Commissioners of Chelsea Hospital, be allowed additions of 1d. 2d. or 3d. a day to their pensions ; provided that the aggregate pension shall in no case exceed for a Serjeant 1s. 10d., for a Quarter Master Serjeant 2s. 1d., and for a Serjeant Major 2s. 4d., a day.

Given at Our Court, at Windsor, this 18th day of August 1836, in the Seventh Year of Our Reign.

By His Majesty's Command,

(Signed) HOWICK.

As the reward of additional pay is only to be conferred on well conducted Native Privates of the Line,
Cavalry.
Artillery.
Infantry.
Sappers & Miners.
Commanding Officers of Corps are strictly enjoined to exclude the undeserving from the benefits thereof ; and such men as may not in the first instance merit the distinction, or who may hereafter forfeit it by misconduct, are to have a remark to that effect inserted against their names in the Muster Roll, and a report of the circumstance made to Head Quarters, for the information of His Excellency the Commander in Chief, whose concurrence in the propriety of the exclusion will be final.

The details of the Rules and Regulations established for the "Order of British India" and "Order of Merit," and the measures to be taken for the immediate nomination to the former class of deserving Native Officers, will be published hereafter.

His Lordship in Council desires, that, the increase of Pay, the reward of prolonged service and good conduct, as well as the institution of the honorary distinctions specified above with their pecuniary advantages, may be particularly explained to every Native Corps of the Line at the three Presidencies paraded for that purpose.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS ; CHOULTRY PLAIN ; 17TH MAY 1837.

It is with the deepest regret that the Commander in Chief announces to the Army the loss which the Service has sustained in the death of Brigadier CONWAY, C. B., Commanding the Hyderabad Subsidiary Force—which lamented event took place on the Evening of the 13th Instant at Nackrykul.

J. R. HAIG,
Acting Adjutant General of the Army.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS, CHOULTRY PLAIN ; 16TH MAY 1837.

1. The additional Pay authorized in G. O. G. No. 85, dated the 2d Instant, for good conduct to Native Soldiers of 16 and 20 years service, falling due on the 1st Proximo, His Excellency the Commander in Chief, under the authority of Government, and pending the promulgation of any general regulation that may be made applicable to the Army of India, directs the following instructions to be published for the guidance of Officers in the issue of the additional Pay to the Native Soldiers of the Army of this Presidency.

2. All men who may have completed the period of sixteen years service on or before the 1st May Instant, shall be entitled to the increase of the 2d Class or one Rupee, provided they have not been convicted of any offence before a Court Martial for four years, nor had their names entered in the Regimental Defaulter Book for two years immediately preceding that date.

3. Men who may have completed the period of twenty years service on or before the 1st May Instant, shall be entitled to the increase of the 1st Class, or two Rupees, provided they have not been convicted of any offence, before a Court Martial, for six years, nor had their names entered in the Regimental Defaulter Book for two years immediately preceding that date.

4. Men who may be excluded from the good conduct pay under the conditions of the preceding paragraphs, will be admitted to the indulgence whenever they may complete the prescribed period of uninterrupted good conduct. For example : A Soldier has completed his sixteen years service to entitle him to the increase of the 2d Class, but only two years and a half have elapsed since his having been convicted by a Court Martial—he is therefore excluded from the immediate benefit—but on his completing a further period of one and a half year's good conduct, his claim shall be admitted.

5. For all men who may subsequently to the 1st May 1837 become entitled to the increase, the following rules are to be observed.

6. Soldiers on completing 16 years service shall be entitled to the additional good conduct pay of the 2d Class from the 1st of the month following the termination of that period, provided they shall not have been convicted of any offence before a Court Martial, nor have had their names entered in the *Regimental Permanent* Defaulters Book for four years immediately preceding the termination of the period of sixteen years service.

7. Soldiers on completing twenty years service shall be entitled to the additional good conduct pay from the 1st of the succeeding month, provided they shall have been in the uninterrupted enjoyment of the good conduct pay of the 2d Class for four years immediately preceding.

8. Men who may be excluded from the good conduct pay under the conditions of the preceding paragraphs 6 and 7 will be admitted to the indulgence whenever they may complete the prescribed period of uninterrupted good conduct as explained in para 4.

9. As it is intended that the additional pay shall be strictly a reward for good conduct, men of the 2d Class whose names it may be necessary to enter in the Regimental General Defaulter Book shall forfeit the good conduct pay for the month during which their names shall be so entered, or for any further period, not exceeding six months, at the discretion of the Commanding Officer, whose decision in each such case is invariably to be recorded in Regimental Orders and submitted monthly with the Regimental Returns to the Officer Commanding the Division or Force,—such forfeiture however is not to be considered as coming within the provisions of para. 7, as affecting claims to admission to the 1st Class.

10. Any Soldier in the 2d Class who shall be convicted of any offence by a Regimental or other Court Martial, shall forfeit his good conduct pay for one year, and a second conviction within twelve months shall render two years uninterrupted good conduct necessary to obtain its restoration.

11. A Soldier of the 1st Class shall in like manner for the first conviction forfeit one, and for the second or any subsequent conviction two Rupees, for one year—but if a third conviction be recorded against him in the course of twelve months he shall only be entitled to the restoration of the additional pay, by subsequently serving with uninterrupted good conduct for two years to obtain readmission to the 2d Class, from which he will be restored to the 1st Class on the same conditions as prescribed in para 5.

12. Soldiers receiving good conduct pay are to wear an honorary distinction, in the 2d Class of one ring of lace, and in the first Class of two rings. Patterns of these rings will be furnished to Corps hereafter.

13. Committees are to be immediately assembled in every Regiment of Cavalry and Infantry and in the Golundaz Battalion of Artillery and Sappers and Miners, to be composed of three Senior Officers, for the purpose of verifying the period of service of all men claiming the additional pay.

14. The additional pay is not to be drawn for men detached from their Head Quarters until their period of service shall have been verified by the Regimental Committee, when it will be drawn in arrears from the 1st May Instant.

15. The Committees now ordered are simply for the purpose of verifying the period of service of men claiming the additional pay immediately to be issued. Further orders will be given hereafter regarding the verification of the Regimental Registers.

16. In the Muster Rolls for the 1st June next, the dates of enlistment are to be entered opposite the names of all men entitled to the increase—which course is also to be observed in every instance of a Soldier's first admission, to either Class. After such admission, it will be sufficient to note against each man's name 1st or 2d Class, as the case may be.

J. R. HAIG,
Acting Adjutant General of the Army.

No. 96 of 1837.—The following General Order by the Right Honorable the Governor General of India in Council, dated the 1st Instant, No. 94 of 1837, is published for the information of the Army.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL :—FORT WILLIAM, 1ST MAY 1837.

No. 94 of 1837.—In continuation of General Orders, No. 83 of 1837, the Right Honorable the Governor General of India in Council directs, that the following Rules and Regulations be established, for the "Order of British India" and "Order of Merit," the institution of which has been sanctioned for the Native portion of the Indian Army.

"Order of British India."

This Order is to be conferred by the Governor General of India in Council, on Native Commissioned Officers of the Indian Army, for long, faithful, and honorable service.

50 for Bengal.
34 for Madras.
16 for Bombay.
100

The 1st Class to be composed exclusively of Subadars and the corresponding grades in the Irregular Cavalry, and limited to 100 Members, with an allowance of two Rupees a day each, in addition to their Regimental Allowances or Retiring Pensions.

50 for Bengal.
33 for Madras.
17 for Bombay.
100

The 2d Class, of Native Commissioned Officers indiscriminately, with the same limitation as to number, and an allowance of one Rupee a day each, in addition to their usual Allowances and Pensions.

The Native Officers on whom the Order of British India may be conferred, in the first instance, will be entitled to the Extra Allowance going with that distinction, from this date.

The Insignia of the Order to consist of a Gold Star pendent from a sky-blue ribbon, one inch and a half broad, to be worn round the neck on the outside of the collar of the Coat, on full dress parades and other occasions of particular ceremony. In the centre of the Star is to be inscribed in English only, "The Order of British India."

Subadars of the 1st Class will receive the title of "Surdar Bahadoor," and Native Officers of the 2d Class that of "Bahadoor."

A descriptive Roll, specifying in a column for remarks, the general conduct, character, and services of every Subadar and Jemadar in the Armies of the three Presidencies, will be immediately forwarded, (and a similar Roll transmitted annually on the 1st of May) by Commanding Officer of Corps respectively, through the prescribed channel of Military correspondence, to the Secretary to the Government of India in the Military Department, for the information of the Governor General in Council.

In forwarding these Rolls, His Excellency the Commander in Chief in India, and the Commanders in Chief at Fort St. George and Bombay, are respectively requested to offer such recommendations grounded on the statements of conduct, character, and services of each Native Officer reported upon, as may facilitate the selection by the Supreme Government of the most deserving of them, for a participation in the honorary rewards and solid emoluments attached to the Order. The Rolls from Fort St. George and Bombay will be transmitted through the Local Governments of those Presidencies.

Native Officers of Cavalry, Artillery and Infantry of the Line, of the Sappers and Miners, and of the Irregular Cavalry of Bengal and Bombay, are eligible for addmission into the Order of British India.

The number of both classes being fixed and permanent, every vacancy which may occur after the completion in the first instance of the whole promotion, will be filled up by the Supreme Government from the Rolls recorded in their Secretary's Office.

Vacancies can only occur from death or removal for misconduct, and admissions into the Order will be announced in General Orders by the Government of India.

"Order of Merit."

The object of this Institution is to afford personal reward for personal bravery, without reference to any claims founded on mere length of service and general good conduct.

The Order is to consist of three classes ; the two Junior to be distinguished by a badge of Silver, and the Senior by a badge of Gold in the shape of a Military Laurelled Star, bearing in its centre, the inscription, "The reward of valour."

This badge is to be worn on the left breast pendent from a dark-blue ribbon with red edge.

3d Class.

Is to be obtained by any conspicuous act of individual gallantry on the part of any Native Officer or Soldier in the Field or in the attack or defence of Fortified places, without distinction of rank or grade.

2d Class.

Is to be obtained by those only who already possess the third, and for similar services.

1st Class.

Is to be obtained in like manner only by those who already possess the third and second classes.

Admission to each of these classes is to be obtained upon application to the Governor General of India in Council, with whom alone the competency of conferring the Order rests.

The original recommendation must particularly specify the act of gallantry for which the Soldier is supposed to have claims to this high distinction ; and the preparatory steps to obtaining it, are to be as follows :

After an action, in which particular acts of gallantry have been performed, which may be considered as entitling a Soldier to the "Order of Merit," a representation of the circumstance is to be made through the Commanding Officer of the Regiment, by the Captain or Officer Commanding the Troop or Company, to the General Officer Commanding the Division, who will order a Court composed of European and Native Officers, and consisting of one Field Officer, two Captains and two Subadars (the proceedings to be conducted by an Officer of the Judge Advocate General's Department if available) before which the individual recommended will be brought, when witnesses will be called and examined as to what they saw the Soldier perform in the action referred to.

Should there be any failure of proof, the claim is not to be allowed, but on the other hand, should the particular gallantry of the Soldier recommended for the distinction appear to have been conspicuous and undoubted, the report of the Court will be forwarded in Bengal, through His Excellency the Commander in Chief in India, and at each of the other Presidencies through the Commander in Chief and Local Government, to the Governor General of India in Council, who has nevertheless the power of rejecting the claim, for reasons to be recorded at the time.

A record in each case of the particular act of gallantry for which the Star has been conferred will be kept in the Office of the Secretary to the Government of India in the Military Department, and a Certificate from that functionary, detailing the grant of the Order, and its concomitant advantages, will be given to each Individual on his admission to, or advancement in it.

Admission into the Order of Merit, will confer on a Member an additional allowance, equal in the 3d Class to one third, in the 2d to two-thirds, and in the 1st to the entire of the ordinary Pay of his rank, over and above that Pay, or the Pension he may be entitled to on retirement.

The Widow of a Member will be entitled to receive the Pension conferred by the Order upon her Husband, for three years after the date of his decease ; and in the case of a plurality of Wives the first married is to have the preference.

No claim founded on acts of gallantry antecedent to the date of this General Order, shall be considered admissible under any pretence whatsoever.

Extra Batta.

Native Troops will be entitled to extra batta under the following circumstances.

1st. In the Field, marching from one Station to another, proceeding on public duty, employed as Guards on occasions other than public duty, such as authorized escorts, proceeding to and in attendance on Zillah or other courts of justice as witnesses on trials, and when encamped in the vicinity of any Garrison or Cantonment other than that to which they belong, (vide para 7.)

2d. At Stations intended as permanent where public buildings are to be erected. It is authorized until date of receipt of the order directing construction thereof; of which a report is to be made by the Quarter Master General of the Army to the Military Auditor General, but if at such Stations it be intended they shall remain not less than 2 months, it shall cease at the expiration of 3 days.

3d. When ordered to hold themselves in readiness to proceed at the shortest notice on Field Service. It is authorized from date on which such order is issued to them, even should they not ultimately march on the service for which warned.

4th. For 3 days before and after marching for general or partial reliefs, but not before or after moving from posts or cantonments on any temporary duty, or for Field Service (vide preceding para) as in all ordinary duties such as commands, escorts, reliefs, where period of movement may be known. It will commence only from date of actual march.

5th. Individuals transferred from one Corps to another (not at their own request) are as in other instances of actual public duty entitled to it.

6th. Individuals left behind sick on the line of march of a Regiment are entitled to it until the date they are admitted into hospital, and on their discharge therefrom for the time requisite to rejoin their Corps according to distance. Individuals left behind sick in cantonment, in charge of lines, or as sick orderlies, are not entitled thereto beyond the period requisite for rejoining their Corps according to distance.

7th. When arriving at a fixed Station or encamping near a Cantonment, its discontinuance will depend upon discharge of the public field establishments, for retention of which longer than actually necessary Commanding Officers will be held strictly responsible to Government, and should detention beyond 3 days occur, an explanation of the cause thereof will be communicated by the Quarter Master General of the Army to the Military Auditor General to obviate retrenchment.

Full Batta to European Commissioned Officers.

1st. In Garrison or Cantonment beyond 200 miles distance from the Presidency full batta will in future be consolidated with Pay and other Garrison allowances.

2d. During absence on private affairs or on sick certificate from full batta Stations it will be drawn during the prescribed periods in like manner with other allowances, provided the Corps or Department to which Individuals belong remain so long at such Stations.

3d. During absence on duty from full batta Stations it will be drawn so long as the Corps or Department to which Individuals belong may remain at such Stations.

4th. During the period for which extra batta is drawn by Native Troops the European Commissioned Officers similarly situated are in all instances entitled in full batta.

Half Batta.

Except on Foreign Service, half batta only (in addition to pay) is allowed to Native Troops in Cantonment whether in or out of the Provinces.
