GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR IN COUNCIL.

FORT ST. GEORGE, 2D JANUARY 1838.

No. 1 of 1838.—Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th of June 1815, be re-published in General Orders.

Para. 139. "In consequence of the numerous applications which have been preferred to us by our servants, on leave of absence in this Country, for advances of money on loans, we think it proper to recall your attention to our Orders in the Military Department of the 26th February 1808 upon this subject. Those orders declared our determination not to make any pecuniary advances to Officers at home beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members, should be occasionally republished, and being fully persuaded, that a strict observance of this Resolution will prevent much trouble and inconvenience besides loss to the Company, we direct that our Orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon furlough, of our determination upon the subject in question.

(Signed) S. W. STEEL, Lieut. Colonel,
Secretary to Government.

FORT ST. GEORGE, 19TH JANUARY 1838.

No. 13 of 1838.—The following General Order by the Honorable the President in Council, under date the 29th December 1837, No. 258, is published for the information of the Army.

GENERAL ORDERS BY THE HONORABLE THE PRESIDENT IN COUNCIL.

FORT WILLIAM, *29th December* 1837.

No. 258 of 1837.—The Honorable the President in Council has much pleasure in publishing to the Army the following Extract (paragraphs 2 to 5) of a Letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 20th September 1837, announcing the grant of additional advantages to the Senior Officers of the Army in respect of Retiring Pension.

"Para. 2. In our Letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the Retiring Regulations, and that we had in consequence resolved to grant the full pay of Captain to every Officer who should have served in India 23 years, (3 years furlough included) whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay ..... 28 years service, including 3 years for a Furlough.
For Lieut. Colonel's pay,. 33 do. do. do.
For Colonel's pay,..... 38 do. do. do.

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund had such a Fund been established, we have resolved that the period of service to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 23 years (3 years furlough included) shall be allowed to retire on the pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (3 years furlough included) shall be allowed to retire on the pay of Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

5. We desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants."

(Signed) J. STUART, Lieut. Colonel,

GENERAL ORDERS BY THE HONORABLE THE PRESIDENT IN COUNCIL.

FORT WILLIAM, *29th December* 1837.

No. 257 of 1837.—In continuation of General Orders No. 75, of the 10th April last, the following para. of a Military Letter, No. 3, from the Honorable the Court of Directors to the Governor General of India in

Council, under date the 5th July 1837, and the further Warrant, dated the 26th May 1837, granting additional advantages to Soldiers in Her Majesty's Service, for good conduct, therein referred to, are published in General Orders.

Para. 1. In continuation of our Letter in this Department dated the 19th October 1836, No. 12, we transmit a further Warrant received from Her Majesty's Secretary at War dated the 26th May 1837, granting additional advantages to Soldiers for good conduct, you will adopt similar measures for bringing this Warrant into operation to those pursued by you in carrying into effect the previous Warrant which accompanied our Letter of October 1836 above quoted.

GOOD CONDUCT WARRANT.

Dated 26th May, 1837.

WILLIAM R.

Whereas it has been represented to us that it would materially tend to the encouragement of good conduct in the Army if a reward, to be attained only by the well conducted Soldier, were substituted for the additional pay granted to Soldiers who have completed certain periods of service, our Will and pleasure is, that all Corporals, Trumpeters, Drummers, Fifers, Buglers, and Private Soldiers, enlisted or re-enlisted into our Service on or after the 1st day of September, 1836, shall have no claim to additional pay after any period of service, but that a reward of additional pay for good conduct shall be granted to such Soldiers under the following rules.

1. Soldiers who shall have completed seven years' service shall be entitled to claim 1*d.* a day, and to wear a distinguishing mark, provided their names shall not have been entered in the Regimental Defaulter's Book for at least two years immediately preceding such claim.

2. Soldiers who shall have completed 14 years' service shall be entitled to claim a further reward of 1*d.* a day, and to wear two distinguishing marks, provided they shall have been uninterruptedly in the enjoyment of the 1*d.* a day for at least two years immediately preceding such further claim.

3. Soldiers who shall have completed 21 years' service shall be entitled to claim a further reward of 1*d.* a day, and to wear three distinguishing marks, provided they shall have been uninterruptedly in the enjoyment of the 2*d.* a day for two years immediately preceding their claim to the third penny.

4. Soldiers who shall have completed 28 years' service shall be entitled to claim a further reward of 1*d.* a day, and to wear four distinguishing marks, provided they shall have been uninterruptedly in the enjoyment of the 3*d.* a day for two years immediately preceding their claim to the fourth penny.

5. Soldiers who by their good conduct shall have obtained one or more distinguishing marks shall be entitled to have the full rate of that good conduct pay, of which they shall have been in uninterrupted possession for five years immediately preceding their discharge added to the rate of Pension, whether temporary or permanent, to which they may have a right under the provisions of our Warrant of the 7th February 1833.

6. Soldiers who have been in the possession of some one or other of the rates of good conduct pay for five years uninterruptedly, but who have only been in possession of either of the higher rates for some period not less than two years immediately preceding their discharge, shall be entitled, if discharged, with two distinguishing marks, to an addition of 1½*d.*, if discharged with three distinguishing marks, to an addition of 2½*d.*, and if discharged with four distinguishing marks, to an addition of 3½*d.* as an augmentation of the Pension to which their services will entitle them.

7. Soldiers who shall have been in the uninterrupted possession of good conduct pay for at least three years immediately preceding their discharge for disability, or by reduction, and who shall not have acquired claims to Pension, or who shall be entitled only to temporary or conditional Pensions, shall have their names registered at Chelsea Hospital; and upon their attaining 60 years of age shall receive, as a reward for their former good conduct, a Pension of 4*d.* a day if discharged with one distinguishing mark, and of 6*d.* a day if discharged after having been twelve months in possession of two distinguishing marks, and this reward for former good conduct shall also be extended to Soldiers who may be permitted to obtain free discharge at their own request, as an indulgence, after certain periods of service as described in the 11th article of this Warrant.

8. The services requisite to entitle men to the distinction and rewards granted by this Warrant may include former service in all ranks after the age of eighteen.

9. Men discharged on reduction, or for disability, and re-enlisting within three years after the date of their discharge, may reckon their former service, provided they shall declare such former service at the time of re-enlistment, but men purchasing their discharges, or receiving free discharges, shall not reckon former service.

10. The forfeiture of service now attaching to individuals in respect of additional pay, in consequence of the sentence of a Court Martial, or of conviction for desertion, will equally attach to them in respect of good conduct pay.

11. Soldiers of good conduct who may be permitted to purchase or to obtain free discharges at their own request, shall be allowed free discharges upon the following terms, instead of those prescribed by the Warrant of our late Royal Brother of the 14th November 1829, and by our Warrant of the 7th February 1833, but the Conditions, Limitations, and Regulations, for granting discharges by indulgence, laid down in the said Warrants, shall, in the cases of all other Soldiers, remain in full force.

	Cavalry.	*Infantry.*
Under 5 years' service	£30	£20
After 5 years' service and with 2 years' absence from the Defaulter's Book	25	18
After seven years', with one distinguishing mark	20	15
After 10 years' service, with one distinguishing mark	15	10
After 12 years' do. do.	10	5
After 14 years' do. do.	5	Free.
After 16 years' do. do.	Free, with the right of registry for deferred Pension of 4*d.* a day.	
After 16 years', with two distinguishing marks, having possessed the second at least 12 months,	Free, with the right of registry for deferred Pension of 6*d.* a day.	

12. Soldiers enlisted since the 1st March 1833, who are in the enjoyment of two or more distinguishing marks, and of the good conduct pay, may obtain permanent Pension as an indulgence, at the rate fixed in the Warrant of 7th February 1833, two years earlier than other men who have not earned this distinction, and may further receive the same amount of good conduct pay which would have been added to their ordinary Pension, under the rules laid down in this Warrant, if they had been discharged as unfit for further service or by reduction.

13. As it is our Will and pleasure that this reward shall be strictly an honorable distinction, to be conferred only upon the well-conducted Soldier, the Commanding Officers of Regiments are strictly enjoined to enter in the Regimental Defaulter's Book, the name of every Soldier who, in consequence of misconduct, shall have been subjected to any punishment beyond simple admonition and the commission of every offence, which shall impose upon the Commanding Officer the necessity of recording the Soldier's name in the Regimental Defaulter's Book, shall render the man ineligible for this reward for two years from that date, and if he be already in possession of this distinction, shall deprive him of his distinguishing mark and good conduct pay for one year, and a second recorded offence within twelve months shall render two years of uninterrupted good conduct necessary to obtain a restoration of such reward.

14. The Soldier having two or more distinguishing marks shall in like manner, for the first, second, and third recorded offences, forfeit one distinguishing mark and the good conduct pay allowed with it, for one year for each offence, and if a fourth offence be recorded against him in the Regimental Defaulter's Book within twelve months, he shall forfeit all claim in consequence of his previous good conduct, and shall only be entitled to obtain a restoration of his honorable distinctions by subsequently serving with uninterrupted good conduct, for two years to obtain one distinguishing mark; for four years to obtain two distinguishing marks; for six years to obtain three distinguishing marks; and for eight years to obtain four distinguishing marks.

15. Any Soldier who, by having been recorded in the Regimental Defaulter's Book, shall have been adjudged to have been guilty of an offence by which he is to forfeit the whole or a part of his reward for previous good conduct, shall, if he denies the commission of such offence, have the right of appeal to a Court Martial.

16. A Soldier may, for a first offence of a serious nature, be adjudged, by the sentence of a Court Martial, to forfeit all or any part of the advantages he had derived from his previous good conduct, either absolutely or for a longer or shorter period, according to the circumstances which shall have appeared in evidence.

17. The distinction and the rewards granted by this Warrant do not extend to Serjeants and other Non-commissioned Officers above the rank of Corporal, and they will not be allowed, while serving, any addition to their established pay, but if permitted to purchase their discharges, or to obtain free discharges at their own request they will be admitted to the benefits of Art. 11 of this Warrant; and if discharged, to Pension they may, for peculiarly good conduct, on the special recommendation of our General Commanding-in-Chief and by the consent of our Secretary at War, communicated to the Commissioners of Chelsea Hospital, be allowed additions of 1*d*., 2*d*., 3*d*., or 4*d*., a day to their Pensions, provided that the aggregate Pension shall in no case exceed, for a Serjeant, 1*s*. 10*d*. for a Quarter Master Serjeant, 2*s*. 1*d*., and for a Serjeant Major, 2*s*. 4*d*. a day.

18. All Soldiers now in our service, who enlisted since the 1st March 1833, but before 1st September 1836, shall have the option of relinquishing all right to the additional pay of 2*d*. a day, to which they are now entitled after the completion of 14 years' Infantry, or of 17 years' Cavalry service, and shall then be entitled, by their good conduct, to claim the 1*d*. a day, after seven years' service, and shall be in all respects, entitled to all the advantages both of good conduct pay while serving, of Pension on discharge, and of deferred Pension, which are hereinbefore granted to Soldiers enlisted on or after 1st September 1836.

19. All Soldiers now serving who enlisted on or before the 1st March 1833, shall, by relinquishing their right to additional pay for length of service, be entitled to claim all the advantages of good conduct pay while serving which are hereby granted; but as the Warrants which were in force at the time of their original enlistment give them a right to higher rates of Pension on discharge, than those which are to be granted to men enlisted after the 1st March 1833, they will not be entitled to have their good conduct pay added to their Pensions on discharge.

20. In special cases however, of men enlisted on or before the 1st March 1833, who by their good conduct have obtained one or more distinguishing marks, and who, after short service, may be discharged for disabilities or by reduction, either without Pension or with temporary or conditional or permanent Pensions, (not exceeding those granted for similar disabilities and services under our Warrant of the 7th February 1833) the good conduct pay may, by the consent of our Secretary at War, be added to their Pensions, and such men, if not placed upon permanent Pensions, may be registered at Chelsea for the deferred Pension, under the same rules as the men enlisted after the 1st March 1833.

21. All Soldiers now serving, who enlisted on or before the 1st of September 1836 and who have completed 28 years' service may, on relinquishing their right to additional pay, receive 4*d*. a day good conduct pay, provided their names shall not have been entered in the Regimental Defaulter's Book for at least eight years immediately preceding the exchange.

22. Soldiers who have completed 21 years' service may, on relinquishing their right to additional pay, receive 3*d*. per diem, good conduct pay, provided their names shall not have been entered in the Regimental Defaulter's Book for at least six years immediately preceding the exchange.

23. Soldiers of less than 21 year's service, already in the receipt of additional pay at 2*d*. a day, for length of service, may, on relinquishing their right to additional pay, continue to receive the same amount, as good conduct pay, provided their names shall not have been entered in the Regimental Defaulter's Book for at least four years immediately preceding the exchange.

24. Soldiers who are already in the receipt of additional pay of 1*d*. a day, for length of service, may, on relinquishing their right to additional pay, continue to receive the same amount, as good conduct pay, provided their names shall not have been entered in the Regimental Defaulter's Book for at least two years immediately preceding the exchange.

25. Soldiers not yet in the receipt of additional pay for length of service, may, by relinquishing their right to the same, receive good conduct pay on completing the respective periods of 7, 14, 21, and 28 years,

provided their names shall not have been entered in the Regimental Defaulter's Book—in the first case, for at least two years; in the second case, for at least four years; in the third case, for at least six years; and in the fourth case, for at least eight years, immediately preceding.

26. Soldiers who were present at the Battle of Waterloo shall be allowed to reckon two years in addition to their actual service, and those who were enlisted before the 1st December 1829, shall be allowed to reckon three years for two of actual service after the age of 18 in the East and West Indies (in other than West India Regiments.)

27. Soldiers enlisted before the 1st September 1836 shall be entitled to distinguishing marks whether they accept or not the option of relinquishing additional pay for good conduct pay, and they shall be entitled to the same addition to their Pensions for the number of distinguishing marks they may severally possess at the period of their discharge, as is allowed to men in receipt of good conduct pay.

Given at our Court, at Windsor, this 26th day of May 1837, in the seventh year of our Reign.

By His Majesty's Command,

(Signed) HOWICK.

FORT WILLIAM, 29TH DECEMBER 1837.

No. 260 of 1837.—The Honorable the President in Council is pleased to direct, that the following Extract (paras. 2 to 6) of a Military letter from the Honorable the Court of Directors, No. 59, dated 9th August 1837, be published in General Orders:

Para. 2. It is our wish and desire that Regimental rise should in every case be brought into full operation at the earliest practicable period after the arrival of the Cadet at the Presidency for which he is appointed.

3. With this view the Lists of Rank of Cadets are forwarded by the first opportunity after they can be finally arranged, and upon an average no Cadet has been more than two or three months in India before you are apprized of the order in which he stands for succession to a Regimental vacancy. If there be then a vacancy and he stand first of the unposted Cadets he should be immediately appointed to fill it, so that his participation in the chances of Regimental rise may at once commence.

4. The supply of Cadets being duly apportioned to the wants of the service it will seldom happen if the above rule be carefully acted upon, that any one Regiment has more than one vacancy at a time and consequently that under ordinary circumstances no necessity will arise for the transfer of Cornets or Ensigns from one Regiment to another.

5. Should cases arise hereafter in which there are two or more vacancies in any one Regiment whilst other Regiments of the same Arm are complete, we concur in opinion with the Commander in Chief that the Senior Cornet or Ensign who would gain one step by removal should if he desire it be granted that advantage.

6. No Cornet or Ensign is removable for purposes of promotion except at his own request, and as there are difficulties in the way of ascertaining the wishes of individuals in this respect at the time when contingency arises, we desire that it be established as a Regulation that every Cornet or Ensign who may wish to be removed to any Corps by removal to which he would gain one or more steps shall notify his wish to that effect to the Adjutant General of the Army, within one month from the date of his being first posted—should he afterwards desire to alter this determination he may notify the same to the Adjutant General, The Commander in Chief will thus at all times be in possession of the necessary information to enable him to equalize the number of Cornets or Ensigns in each Corps with due attention to the interests of all concerned.

FORT ST. GEORGE, 29TH MAY 1838.

No. 83 of 1838.—The following General Orders by the Right Honorable the Governor General of India, under date the 2d May 1838, are published for the information of the Army.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL.

SIMLA; 2*d May* 1838.

The Right Hon'ble the Governor General of India, has much pleasure in publishing to the Army, the following Paragraphs of a Letter from the Hon'ble the Court of Directors, in the Military Department, to the address of the Governor General of India in Council, No. 7 of 1837, dated the 28th of November last.

"Reply to Military Letter, dated 14th February 1837, (No. 20.)

Submit, for Court's favorable consideration, five Memorials from Officers of the Bengal Army, praying that, for the reasons stated, the Court will recall their Orders of 6th June 1798, requiring from an Officer, about to retire on pension, a declaration on oath, that he had not received, and would not receive, any pecuniary or other gratification or compensation for so retiring. Government consider, that the practice which has for some time obtained, altho' now for the first time brought to notice, of inducing time expired Officers, under the rank of Lieutenant Colonel, to retire from the Service, must conduce to the contentment of the Officers, and to the efficiency of the Army.

Para. 1. The Memorials now submitted to us arise out of the Memorial of Lieutenant Colonel Powell, of the Bombay Army, the important subject of which we informed the Government of Bombay we would notice in our Correspondence with the Government of India.

2. We now desire, that you will cause Lieutenant Colonel Powell to be informed, through the Government of Bombay, in reply to that part of his Memorial which indicates a wish for Line Promotion in certain cases below the rank of Major, that we cannot contemplate the possibility of sanctioning any measure which would infringe upon the integrity of Regimental rise; and, in reply to the remainder of his Memorial, that we see no necessity for interfering with the arrangements which the Junior Officers of a Regiment may make, in individual cases, for adding to the comforts of a Senior Officer, on his retirement from the Service upon the pension to which he may be entitled.

3. The Regulation of 1798, requiring Officers upon retirement to make oath, that they have received no pecuniary consideration for quitting the Service, has not been enforced by us in any single case of retirement in England, during the period of nearly forty years which has since elapsed. It was established chiefly upon financial grounds, to prevent (as observed by Lord Cornwallis when recommending other rules for the same object) "an unreasonable load of Pensions." This presumed necessity for the rule has however not yet been felt; on the contrary, additional facilities have been required and have been given, for enabling Officers to retire upon full pay: we shall therefore continue to suspend the operation of the Rule, and Officers retiring from time to time will not be called upon to make the declaration, unless the financial necessity to which we have referred, (and of which due notice shall be given) shall at a future period be fully realized."

(Signed) WM. CASEMENT, *M. G.*
Secy. to the Govt. of India Mily. Dept. with the Rt. Hon. the Govr. Genl.

FORT ST. GEORGE, 5TH JUNE 1838.

No. 85 of 1838.—The Right Honorable the Governor in Council is pleased to establish the following Rules for regulating the grant of Batta in all authorized situations, in substitution of all former provisions under that head, which are hereby cancelled from this date.

BATTA.

ABSENCE.—P. An European Officer absent on private affairs, or on medical certificate, from a Station where his Corps or Department is in receipt of full batta, is entitled to the same, in like manner with other allowances, for the prescribed periods.* If in the interim however, it be removed to a Station at half batta distance, he will be entitled to full batta to the date only of its arrival at such Station. (Vide Movement, para. 1.)

2. An European Officer absent on private affairs or medical certificate from his Corps or Department on full batta, and while so absent appointed to a Corps or Department on half batta, ceases to draw the former allowance from date of removal, but will again be entitled to it for travelling to join, limited to a period according to distance between the place where he was on leave and that to which he is ordered, being for such time considered as an Officer on duty.

3. An Officer whose Corps during his absence on leave is removed from a half to a full batta Station, is entitled to full batta from date of its departure for the new Station.

4. Regimental Colonels are in all situations of authorized absence in India, entitled to full batta.

5. Staff Officers who in virtue of their permanent appointments, draw full batta independent of locality (vide Full Batta, para. 3), are entitled to a continuance of the same, when absent on private affairs or medical certificate within the prescribed periods.

6. European Officers returning to Europe on furlo', or medical certificate, are entitled to batta of their Corps or Station until date of dispatch of vessel whereon they embark, subject to the same restriction as applies to other allowances in similar cases†.—On arrival or return therefrom, they are entitled to the same batta as their Corps may be in receipt of.

7. European Commissioned and Non-commissioned Officers, Privates and others, unavoidably left sick on the march of a Corps, from a full to a half batta Station, are entitled to a continuance of full batta, so long as their inability to join their Corps shall be certified by the Senior Medical Authority on the spot, whose certificate in all such cases is to accompany the abstract for batta drawn under these circumstances—and when travelling to rejoin either from a half or full batta Station, full batta according to distance is authorized both to Europeans and Natives.

---

* The prescribed period to Officers on private affairs is 6 or 3 months, according as their Corps or Stations may be within or beyond 600 miles. To Officers on medical certificate 2 years.

† Officers proceeding to Europe are restricted in drawing allowances to a period of 3 months from date of publication of their leave in General Orders, unless the sanction of Government be obtained for an extension of the period.

8. Batta to European Officers absent on medical certificate or private affairs and whose Corps or Department may in the interim be removed to other Stations, will be regulated according to the principle in para. 2.

9. European Non-commissioned Officers and Privates belonging to Corps or Departments at Stations where the European Troops are in receipt of full batta, are, when permitted to proceed on medical certificate to any particular Station, entitled to full batta, in going and returning, according to distance.—Abstracts to be supported by a copy of the order granting such permission.

Vide "Sick."

BODY GUARD.—The Native Soldiers of the Governor's Body Guard enlisted, or transferred from the Recruit Establishment, subsequent to 30th April 1837—are in all situations entitled to full batta in lieu of "additional allowance" of 1 Rupee per mensem heretofore granted.

COURTS MARTIAL AND OTHER COURTS.—1. Commissioned Officers who may be called from their Corps or Departments at half batta Stations, to sit as Members, or to give evidence at Courts Martial, Courts of Enquiry, or Committees, will be entitled to full batta from date of quitting their Corps or Station until that of relief, dissolution of the Court, or completion of the duty, and when returning to join, according to distance.

2. Claims to batta for any period during the sitting of the Court, will be adjusted as they become due on the 1st of each month, supported by a certificate from the President in the case of a Member of the Court, and of the Deputy Judge Advocate in the case of a Witness.—Claims to batta for the period anterior to the Court's assembly will be supported by a certificate of departure from Corps or Station; and if made for a longer period than that according to distance, the cause must be distinctly explained and certified.

Form of Certificate for a Member.

I certify that Captain A. B. of the —— Regiment, a Member of the General Court Martial assembled at ——— on the ——— and of which I was President, was employed on that duty from ——— to ——— inclusive. The final certificate will have further added to it, "on which latter date the Court was dissolved in orders at this Station."

(Station and date.)

C. D. Lieut. Colonel,
President.

Form of Certificate for a Witness.

I certify that ——— of the —— Regiment, was summoned to attend the Court Martial assembled at ——— on the ——— as an Evidence, that he was not summoned unnecessarily, and that he was detained in attendance as a Witness from ——— to ——— inclusive.

(Station and date.)

E. F. Captain,
Deputy Judge Advocate.

N. B.—If summoned unnecessarily the certificate will be modified and the name of the individual at whose instance summoned will be specified, (vide para 4.)

3. The attendance of a Witness can only extend at farthest to the close of the proceedings, although that of a Member may be required to the final dissolution of the Court.

4. The batta of Witnesses summoned unnecessarily will be disbursed to them by the Pay Department, and the amount will be recovered from the individuals at whose instance they attend.

5. Officers ordered on Court Martial duty from full batta Stations, are entitled to a continuance of full batta, until completion of the duty, and on rejoining, for the regulated period according to distance.—Vide "Travelling" para. 5.

6. An Officer placed on Court Martial duty at a half batta station, from which his Corps is about to march, is entitled to full batta for the period he may remain on that duty subsequent to the departure of his Regiment from the place; but no Officer resident either permanently or on leave, at a Station where the Court may sit, shall be entitled to full batta in virtue of employment on that duty either as a Member or Witness, without prejudice however to full batta in virtue of locality of Corps.

Vide "Judge Advocates."

7. Warrant and Non-commissioned Officers, Privates and others who may be required to give evidence before Courts Martial, will be entitled to batta in like manner as Commissioned Officers.

8. Officers in receipt of full batta who may be placed under arrest and ordered to a half batta Station to take their trial by Court Martial shall be permitted to draw full batta according to distance, for proceeding to such Station, and for returning when ordered to rejoin their Corps or Department. If acquitted of the charges, they shall be permitted to draw full batta for the period of their detention on the trial.

9. Officers, Non-commissioned Officers and others, ordered from half batta Stations, to be tried by Court Martial, shall if acquitted, but not otherwise, be entitled to full batta, for proceeding to the Station where the Court assembles, and for returning to join, as also for the period of detention.

10. Native Troops proceeding to, in attendance on, and returning from Zillah or other Courts of Justice as Witnesses on *Criminal trials*, are entitled to full batta.

DISTANCE.—A day's journey is reckoned at 10 miles, and the term "batta according to distance," implies one day's "full batta" for every 10 miles of distance by route between any two Stations. Should the aggregate number of miles when divided by 10, leave a remainder amounting to not less than 5, one day's batta is authorized to be drawn on that account.

Vide "Travelling," para. 5.

Vide Full Batta, paras. 1 and 2.

DRY BATTA.—1. Is a gratuitous allowance at the rate of 4 annas and 6 pice per diem, granted in lieu of provisions when not supplied by the Commissariat, to *European Troops*, and Carnatic Ordnance Artificers, of the Non-commissioned and inferior grades, on Her Majesty's Birth day, New Year's day, Christmas day, and generally on all recognised occasions of public rejoicing.

2. On all occasions, with the exception of Christian festivals, when dry batta is allowed to European Troops, Natives and Indo Britons of the Commissioned, Non-commissioned and inferior grades, with the exception of Recruit and Pension Boys, Conicopolies, Medical Subordinates, Artificers, Horse Keepers, Grass Cutters, and Bazar Establishments in general, shall receive a similar indulgence at the rates of batta of their respective grades.

DUTY.—1. European Commissioned Officers absent from full batta Stations on temporary Staff or other duty at half batta Stations, receive full batta, in continuation for the period employed thereon, and further for the regulated travelling distance when returning to join; except in the case of Officers officiating on full vacancies, in Staff appointments to which full batta does not attach, who forfeit batta for the period during which *full Salary* is drawn.

2. Officers and others detached from half batta Stations on temporary duty for which they receive no superior allowances, are entitled to full batta.

3. European Commissioned Officers detached regimentally on command duty from their Corps at full batta Stations, to fixed Posts within the regulated distance of 200 miles from the Presidency, are entitled to full batta in continuation, but when so detached from one half batta Station to another, they will not be entitled to full batta unless the Party with which they are detached be entitled to that allowance.

4. Native Troops detached from their Stations to Out Posts or other fixed Stations on duty of a temporary nature, in duration *less* than two months, are entitled to full batta. It being further understood, that duty which requires a Party constantly for its performance, however frequently relieved, cannot be considered temporary.

5. Officers belonging to Corps ordered to the Field, who do not accompany their Corps but are left on duty at half batta Stations, are not entitled to full batta.

6. The Adjutant General of the Army, Quarter Master General of the Army and Commissary General are, on all occasions of absence on duty from the Presidency, entitled to full batta without any deduction, in addition to Subsistence or Pay proper and consolidated Salary.

ENCAMPMENT.—1. Troops encamped in the vicinity of any Garrison or Cantonment other than that to which they belong, are entitled to full batta.

2. To Troops arriving at fixed Stations or encamping near Cantonments, which they are to occupy, discontinuance of full batta will depend upon discharge of the Public Field Establishments, for retention of which longer than actually necessary Commanding Officers will be held strictly responsible to Government, and should detention beyond 3 days occur, an explanation of the cause thereof will be communicated by the Quarter Master General of the Army to the Military Auditor General, to obviate retrenchment.

3. Troops encamped at Stations intended as permanent, where public buildings are to be erected, are entitled to full batta, until date of receipt of the order directing construction thereof, of which a report will be made by the Quarter Master General of the Army to the Military Auditor General, but if at such Stations it be intended they shall remain—not less than 2 months—to be in like manner reported, batta shall cease at the expiration of 3 days.

ESCORTS.—1. Officers in Command of Residents Escorts are entitled to full batta.

2. Details of Native Cavalry composing the Escort of His Excellency the Commander in Chief are entitled to full batta, during period of employment on that duty.

3. Escorts of General Officers accompanying them on Tours of Review or Inspection, are entitled to full batta during such periods.

4. Treasure or other authorized Escorts are entitled to full batta for the actual period of employment, including detention for receiving and making over coin, &c., where such exceeds 3 days, a certificate of detention noting the circumstance, must be produced in support of the charge.—In returning to join, the Party if under 12 in number will be restricted to batta according to distance, except in cases of *unavoidable* detention, the cause of which must be fully explained in a certificate by the drawing Officer. The batta, of more considerable Detachments, will be regulated by the Quarter Master General's reports.

5. Troops composing the Escorts of Residents or detached on revenue or judical duty, are entitled to full batta for periods of movement only, including all halts, made by the authorities at whose request they are employed, by whom the periods will be certified.

6. Warrant and Non-commissioned Officers and Store Lascars escorting Military Stores from one Station to another, are entitled to full batta, for the actual period of movement, including 3 days for the actual delivery or receiving of stores, and for any requisite number of days beyond that period on the necessity of such detention being certified by the Officer Commanding the Station.

EXTRA ESTABLISHMENTS.—Batta for Extra Establishments entertained preparatory to marching or proceeding on Field Service, will be drawn during the same periods as for the Troops.—Vide Movement, para 1.

FIELD SERVICE.—1. All Troops, Public Cattle Attendants, and Corps of Dooly Bearers, on Field Service, are entitled to full batta.

N. B.—Field Service is intended to apply to all situations where Corps or Detachments immediately after, and in consequence of actual Field Service are temporarily posted or encamped at places, not considered as permanent Stations, and consequently entitling the parties to retain their Field Establishments. Vide para. 3 "Encampment."

2. Troops ordered to hold themselves in readiness to proceed at the shortest notice on Field or Foreign Service, are entitled to full batta from the date on which such order is delivered to them, even should they not ultimately march on the Service for which warned. The circumstance of warning and of cancelment thereof, when such takes place, to be reported by the Quarter Master General of the Army to the Military Auditor General.

FORCED MARCHES.—Troops proceeding from one Station to another by forced marches under competent local authority, to be reported to the Audit Department by the Quarter Master General of the Army, are, when by the nature of the service they are not entitled to full batta in continuation, entitled to batta according to distance.—Vide "Full Batta" para. 1, and "Travelling" para. 5.

FOREIGN SERVICE.—Vide "Field Service" para. 2.—Full Batta, para. 2.

FULL BATTA.—1. Is a consolidated monthly allowance (originally a daily one) and a component part of consolidated Pay and "full Regimental allowances." It is the highest rate of batta granted in any situation whatever, i. e. no more than full, or twice half batta, can be drawn for one and the same period. It is always drawn according to Regimental rank, but not for any period for which house rent may be claimable. Therefore when an Officer who is in receipt of Pay and ordinary Regimental allowances (which includes "house rent" and "half batta") becomes temporarily entitled to full batta under any of these regulations, he will draw the "difference between full and half batta deducting house rent" vide para. 2.

2. European Commissioned Officers situated beyond 200 miles of direct distance from the Presidency, whether with their Corps, on Staff employment, or other duty, and European and Indo Briton (vide N. 3. European and Native Commissioned and Non-commissioned Officers, Rank and file effective and non-effective proceeding singly or in small Parties, not amounting to *Twelve*, on duty, are restricted to batta according to distance, except in cases of unavoidable detention, the cause of which must be fully explained on a certificate by the drawing Officer.

Vide "Escorts."—"Forced Marches."—"Travelling."

ORIENTAL LANGUAGES.—Officers ordered from their own to other Stations, for the purpose of being examined in Oriental languages, are entitled to batta, for going and returning, according to distance.

RECRUITING.—All Natives employed on Recruiting Service, are entitled to full batta.

REMOUNT DEPARTMENT.—Details effective and non-effective, with the exceptions in para 4, head "Full Batta," attached to the Remount Department at Oossoor and to the Public Cattle Department at Hoonsoor are entitled to batta when in actual movement, in like manner as Escorts —(Vide "Escorts" para. 3.)

Vide "Full Batta," para. 4.

REMOVAL OR TRANSFER.—1. An Officer removed from one Corps, Department or Station to another on half batta and entitled to batta for travelling to join (vide para. 2) is permitted to avail himself of leave obtained, *not exceeding one month*, without prejudice to that allowance, after the expiration of which, should he obtain fresh leave, or not join within the prescribed period, he forfeits batta for the whole, or for so much of the distance in proportion as he has exceeded the regulated time.

2. Commissioned, Non-commissioned Rank and file, or others removed or transferred from one Corps or Department to another are when joining direct, entitled to batta according to distance, but not when *removed at their own request*, nor when leave exceeding one month shall be obtained intermediately (vide paragraph 1)—without prejudice however to claims by locality of Corps to which Commissioned Officers are removed.

SAPPERS and MINERS.—Native Commissioned, and European and Native Non-commissioned, and other grades, of Sappers and Miners, receive full batta in all situations when present with any part of their Corps, or detached on duty.

SICK.—Individuals left behind sick, on the line of march of a Regiment, are entitled to batta until the date they are admitted into Hospital, and on their discharge therefrom, for the time requisite to rejoin their Corps according to distance—But not when left behind sick in Cantonment—In charge of Lines—or as Sick Orderlies,—in such cases, however, they will be entitled to batta for rejoining according to distance.

Vide "Absence" paras. 7, 8 and 9.

STAFF.—Vide "Full Batta" paras. 3 and 4.

SUPERINTENDING SURGEONS.—When actually in the Field or appointed to Forces beyond the Frontier (as Hydrabad and Nagpore), draw the difference between Major's half and full batta, in addition to their consolidated salary.

TRAVELLING.—1. Officers appointed when absent on leave to the General Staff, are entitled to batta for travelling from the Station where they may be temporarily residing,—provided no intermediate leave be obtained on private affairs beyond a period of one month for preparation.

2. Officers on their first arrival, or return to India, appointed or belonging to Corps at half batta Stations, are allowed one month for preparation, and are entitled to batta for joining their Corps or Station according to distance, but if previous to joining they obtain leave on private affairs beyond the period of one month allowed by regulation, which may prevent their joining within the regulated period according to distance, they forfeit claim to such batta according to principle illustrated in para. 4 of this head.

3. Officers absent on duty from half batta Stations, who obtain leave of absence on private affairs, for any intermediate period between the expiration of that duty, and their return to their Corps or Department, forfeit claim to batta for travelling to rejoin on the principle in para 4.

4. Officers absent from their Corps or Departments and entitled to batta for travelling to rejoin, such as Officers returning from Europe, who by obtaining protracted leave of absence, so as to preclude their joining within the prescribed period, forfeit claim to batta for travelling, and are in the interim removed to Corps or Stations, at a greater distance, which they join within the prescribed period, are entitled to batta according to distance, deducting that already forfeited, viz. for the distance to the Station of the Corps from which they were removed.—For instance, an Officer arriving from England stands appointed to a Regiment at Vellore 86 miles distant, avails himself of one month's leave granted by regulation, and at its expiration obtains an extension, so as to preclude his joining or proceeding to join within the prescribed period of 11 days, he thereby *forfeits* claim for travelling to Vellore, *or for so much of the distance as he exceeded the regulated period*, i. e. should he arrive at Vellore in 15 days after the expiration of the one month's leave, thereby exceeding the regulated period by 4 days, he forfeits batta for the latter period. If before the expiration of his leave however, but after the period of 11 days as above, has elapsed, he be removed to a Corps at Trichinopoly 207 miles distant, which he joins within the prescribed period, viz. 21 days from date of appointment, he would be entitled to batta for travelling 207 minus 86, or for 121 miles—availing himself of any portion of his leave subsequent to date of appointment so as to preclude his joining within the prescribed period he would further forfeit batta for so many days as he exceeded the regulated period.

5. Individuals or parties proceeding on any duty entitling them to batta in continuation (as for instance on Field Service or to a full batta Station or appointment) have no claim to batta according to distance for their journey altho' it may be performed in less than the regulated time, batta according to distance being authorized only in cases where individuals or parties are proceeding to situations in which they shall cease to be entitled to full batta.

FORT ST. GEORGE, 10th July 1838.

No. 113 of 1838—The following General Orders by the Honorable the President in Council of India under date the 18th June 1838, No. 94, are re-published at this Presidency.

General Orders by the Honorable the President in Council.

Fort William, 18th June 1838.

No. 94 of 1838.—The Honorable the President in Council is pleased to direct that the following Extract of a Military Letter from the Honorable the Court of Directors, to the Governor of Bengal, No. 38, dated 10th April 1838, be published in General Orders.

"Para 20. In our Military Letter to Bombay, of the 10th April 1838, (No. 18) Para. 5, we stated that we would convey to you our reply to the memorial of Major Moore, the Deputy Military Auditor General at that Presidency, relating to his claim to Superior House Rent or Regimental Tentage, and we take the present opportunity of fulfilling that intention.

21. We learn from that memorial and its accompanying proceedings that three different systems obtain in respect to the House Rent, or House Rent and Tentage, of the Staff Officers stationed at

the Capitals of each of the three Presidencies. Those stationed at Madras draw Regimental Tentage and Regimental House Rent, whilst those at Calcutta and Bombay draw no Tentage, but those at Calcutta receive a superior rate of House Rent, and those at Bombay draw House Rent according to Regimental Rank.

22. The Bengal System was established on the principle of giving to Staff Officers at the Presidency House Rent exceeding by 50 per cent the rates previously drawn by them. This principle received our sanction, and we now direct that it be extended to the Staff Officers stationed at the Capitals of the three Presidencies.

23. In our Letter to Bombay of the 2d May 1827, we directed that Officers holding Stationary Staff Appointments should not be allowed to draw Tentage, that being an allowance intended solely to cover the expense of providing Tents and Tent Carriage to which such Officers were not liable.—This Order has not yet been extended to Madras, but we now desire that it may be made applicable to that Presidency also.

"Some misunderstanding appearing to have arisen on the subject of our Orders, that the Net Pay of Military Officers in Civil situations shall merge in the consolidated allowance, we think it necessary to state, that the allowance may be drawn for either in one Bill or in two Bills, according to convenience; but our intention is, that the Net Military Pay shall be debited to the Military, and the remainder of the allowance to the Political Department."

FORT ST. GEORGE, 31st JULY 1838.

No. 127 of 1838.—The following General Orders by the Right Honorable the Governor General of India, under date 29th June 1838, are published for the information of the Army.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL.

SIMLA, 29*th June* 1838.

The Right Honorable the Governor General directs the publication of the following Paragraphs of a Letter from the Honorable the Court of Directors, in the Military Department, to the address of the Governor General of India in Council, No. 3 of 1838, dated the 11th April last.

"Para. 1. The Government of Madras have forwarded to us several Memorials from Officers of the European Regiment at that Presidency, bringing to our notice the consequences entailed upon them, as to rank and certain pecuniary advantages, by the arrangement of the year 1829, under which the two Regiments of European Infantry, of 5 Companies each, were incorporated into one Regiment of 8 Companies, but the Officers still remained for purposes of promotion as they stood before the incorporation, viz., in two separate Corps or Wings.

2. A Memorial on the same subject was preferred to us by Officers of the Bombay European Regiment, in the year 1832, to which we replied on the 24th October 1832, through the Government of Bengal, in the following terms: "We concur in opinion with the Governor General, (as expressed "in his Minute of the 7th November 1831) that no supercession, properly so called, has been the "result of the new form given to our European Regiments, by the Orders of your Government of "the 2d November 1829; and that no argument can be founded upon a fortuitous irregularity of "promotion among the Officers attached to the two Wings of these Regiments, for setting aside an "arrangement which has reduced the expense and improved the efficiency of these Corps."

3. We still adhere to these sentiments, but we are of opinion that, for the satisfaction and contentment of the Officers, measures should be taken which will have the effect of obviating, prospectively, the supercession in Regimental duties of one Officer by another in the same Regiment.

4. With this view we now direct, that Officers of the European Regiment hereafter promoted in any one Wing, shall not be entitled to Regimental Rank, in virtue of that promotion, unless they were previously the senior of their rank in the Regiment; but that, so long as they serve with the Regiment, their Rank so obtained shall be Brevet only, and not Regimental. They will, notwithstanding, be entitled to the pay and allowances of their advanced Rank, and to its full advantages for line promotion.

5. With a view to the adoption of an eventual arrangement, by which all such questions shall be obviated, we further direct, that no vacancies amongst the Ensigns in one of the Wings, (either the Right or Left as you may think most expedient) be hereafter filled up, but that as vacancies for Ensigns occur in it, appointments of an equal number be made to the remaining Wing. When all the Ensigns now attached to the Wing to be reduced shall have been promoted, future vacancies of Lieutenants in it will not be filled in that Wing, but by promotions in the Wing which is retained, and so on in the other ranks. The Establishment of Officers in the European Regiment will thus, eventually, be 2 Lieutenant Colonels, 2 Majors, 10 Captains, 16 Lieutenants and 8 Ensigns, with 1 Colonel. The number of Colonels in the Infantry branch of the Service (calculated as including 2 for the European Regiment) to remain as at present, the junior of them being unattached.

6. The number of Companies may in future be fixed at 10, instead of 8, with 65 Privates each."

2. The arrangement detailed in the foregoing Paras. will be adopted, simultaneously, at the three Presidencies, on the 1st of September next, from which date effect will be given to the orders of the Honorable Court, in regard to the Commissioned Officers of the Company's European Infantry Regiments; those of the Left Wing of Regiments, respectively, being gradually absorbed, in the manner prescribed by the Court, as casualties shall hereafter occur in that Wing.

3. From the same date, the Regiments above specified will be formed into 10 Companies each, of 4 Serjeants, 4 Corporals, 2 Drummers and 65 Privates per Company.

General Orders by the Right Honorable the Governor in Council.

FORT ST. GEORGE, 4TH SEPTEMBER 1838.

No. 150 of 1838.—The following Extracts from a Letter from the Honorable the Court of Directors in the Military Department, dated 4th July 1838, No. 51, are published for the information of the Army.

Para. 1. "We have repeatedly expressed and enforced our intention of dismissing from the Company's Service "every Officer who shall be proved to have been guilty of cruelty to any Native "either by violently and illegally beating or otherwise maltreating him," and we have desired the local Governments to be very particular in bringing to our notice any instance of that kind that may occur.

2. "It is with deep regret that our attention has now been called to the cases of two Officers of your Establishment who were arraigned in June and July last before the same Court Martial on separate charges of the murder of Natives.

3. "The first of these Officers is Lieutenant Oliver D. Stokes of the 4th Regiment of Native Infantry, who was charged with "wilful murder" in having "struck with a sword on the left side of "the neck Paupiah Private in the same Regiment, and thereby inflicted a mortal wound, whereof he "the said Paupiah died at the same place on the same day." Lieutenant Stokes was found guilty of so much "of the charge as amounts to "manslaughter" and sentenced to be imprisoned for the space of two years and six months."

4. "This decision was "confirmed" by the Commander in Chief, who directed that Lieutenant Stokes should be forwarded from Cannanore to the Jail of Madras and that the period of his imprisonment should be calculated from the date of his reception there.

5. "We have carefully perused and considered the whole of the proceedings on the trial of this Officer, and we are satisfied that the good of the Service no less than justice to the Native Soldiers, imperatively requires that he should be immediately dismissed from the Company's Army.

6. "We accordingly direct that you forthwith strike his name out of the List of the Army.

7. "After disposing of the case of Lieutenant Stokes the Court Martial proceeded to the trial of Ensign Sutherland G. G. Orr of the 23d Regiment Native Infantry, on a charge of wilful murder in having "struck and kicked with his hands and feet on the left side of his body Powel his Servant "and thereby occasioned a rupture of the spleen, whereof he the said Powel died at the same place on "the same day."

8. "Of this charge the Court Martial found Ensign Orr to be "not guilty," a finding which was "approved" by the Commander in Chief.

9. "It being evident from the finding of the Court Martial on the charge against Lieutenant Stokes that they considered themselves not to be limited to the strict terms of the charge but to be empowered to find any minor degree of guilt as established by the evidence, we are disposed to view their acquittal of Ensign Orr of the charge of murder as an entire acquittal of all and every degree of guilt as connected with the death of his late Servant.

10. "We have however observed with much regret from the evidence adduced on the trial that Ensign Orr inflicted a blow or blows upon the man whose death gave rise to the charge against him, and we are of opinion that his conduct was highly reprehensible. We cannot doubt but that this melancholy instance of the death of a fellow creature so immediately after receiving the blows will act as a powerful and effectual warning to Ensign Orr and to the Service at large, to abstain hereafter from the unworthy, degrading and highly reprehensible practice of striking or beating their Native Servants. Whilst expressing this hope, we desire that Ensign Orr be informed that if contrary to our expectation he shall be proved upon any future occasion to have been guilty of such misconduct whatever may be its degree, he will certainly be dismissed from the Company's Service.

11. "We desire that you will publish this despatch in General Orders."

Secretary to Government.
