6TH JANUARY 1842.

The Right Honorable the Governor in Council having addressed the subjoined Orders to The Officer Commanding the Army in Chief, to be published to the Army, they are accordingly published in Military Orders.

General Orders by the Right Honorable the Governor in Council.

FORT ST. GEORGE, 4TH JANUARY 1842.

No. 1 of 1842.—Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th of June 1815, be re-published in General Orders.

Para. 139. "In consequence of the numerous applications which have been preferred to us by our Servants, on leave of absence in this Country, for advances of money on loans, we think it proper to recal your attention to our Orders in the Military Department of the 26th February 1808 upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at home beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members, should be occasionally re-published, and being fully persuaded, that a strict observance of this Resolution will prevent much trouble and inconvenience besides loss to the Company, we direct that our Orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon furlough, of our determination upon the subject in question."

GENERAL ORDERS.

HEAD QUARTERS: CHOULTRY PLAIN,

2D FEBRUARY 1842.

The Right Honorable the Governor in Council having addressed the subjoined Orders to The Officer Commanding the Army in Chief, to be published to the Army, they are accordingly published in Military Orders.

Central Orders by the Right Honorable the Governor in Council.

FORT ST. GEORGE, 1ST FEBRUARY 1842.

No. 16 of 1842.—In continuation of G. O. G. No. 139 of 1841, the Right Honorable the Governor in Council is pleased to direct the promulgation of the following Resolutions of Government in Minutes of Council under date 11th November 1841, Extract No. 4275, and that the Artificers therein ordered to be discharged shall receive gratuities of the same amount, and on the same terms, as those granted to the Regimental Artificers discharged under the provisions of G. O. G. No. 337 of 1835, and No. 194 of 1836, namely; to each Artificer six months pay, and five Rupees, in addition, for every year (broken periods not included) in excess of five to each individual whose period of service exceeds five years.

1. "The augmented allowance authorized by the G. O. G. of the 10th August 1841, No. 139, for the Command of Companies of European and Native Foot Artillery, having been granted, as stated in the preamble of the General Order, for the purpose of assimilating the practice at this Presidency with that of Bengal, the whole system should, in the opinion of the Right Honorable the Governor in Council, be one and the same, at both Presidencies.

"The following system obtains in Bengal."

2. "The allowance granted for the Command of Companies, is divided into two parts, and drawn for under the heads of "Command Money" and "Repairs of Arms and Accoutrements," including Writers and Stationery, and Officers Commanding Corps are held responsible that Commanding Officers of Companies repair the Arms and Accoutrements from the established allowance, and that an establishment of Artificers sufficient for the purpose is kept up jointly by Officers Commanding Companies."

Bengal Pay and Audit Regulations, Head "Troops and Companies," para. 1, page 165.

3. "It appears therefore that, no Artificers are maintained by the Government of Bengal for the repair of small Arms and Accoutrements of the Foot Artillery, whether at the Head Quarters of Battalions, or at Out-Stations, and His Lordship in Council conceives, that, those heretofore kept up at the public expense at this Presidency should be discharged."

4. "The Right Honorable the Governor in Council accordingly directs that, the Artificers at present maintained with the Foot Artillery, at the expense of Government, whether at the Head Quarters of Battalions, or at Out-Stations, be discontinued from the 31st December 1841."

5. "Officers Commanding Companies of Foot Artillery will be permitted to receive materials and tools from the Store Department for the use of their Artificers, upon payment at prime cost."

6. "The Artificers allotted to the Artillery Depôt of Instruction at St. Thomas' Mount, in G. O. G. 30th May 1837, No. 108, being for the general duties of the Depôt, will be retained as heretofore."

(Signed) S. W. STEEL, Lieut. Colonel,
Secretary to Government.

FORT ST. GEORGE, 1ST FEBRUARY 1842.

O. above quoted.—The Division Paymaster will then grant to the Regimental Paymaster a Receipt according to Form B,—also laid down in the abovementioned G. O.—which Receipt the Regimental Paymaster will make over to the Officer proceeding in charge of the Invalids, &c, or to the Commander of the Ship in which they may proceed home, if an Officer does not accompany them,—instructing him to transfer the said Receipt, with the other documents belonging to the men, to the Secretary at the India House on arrival in London. A duplicate of the Receipt granted by him will be forwarded by the Division Paymaster, through the Office of the Accountant General, to the Secretary to Government in the Military Department, for despatch to the Honorable the Court of Directors, so as to precede, if practicable, the arrival of the men in England.

The provisions of this Order are declared to be also applicable to Soldiers and Invalids of the Honble Company's Service proceeding Home,—in respect to whom the Officer Commanding the Regiment to which the individuals belong will attend to the rules laid down for the guidance of the Regimental Paymaster relative to men of Her Majesty's Service.

GENERAL ORDERS

By Major General Sir Robert H. Dick, K. C. B. and K. C. H. Commander of the Forces.

HEAD QUARTERS; CHOULTRY PLAIN, 27*th January* 1842.

The Right Wing of the 52d Regiment N. I. has evinced an unsoldierlike and insubordinate spirit by refusing to receive Pay, and combining to prevent the orders of Government being carried into effect.

It is impossible that the almost unanimous proceedings of the Privates could have been arranged without the knowledge and connivance of the Native Commissioned and Non-commissioned Officers, who have failed in their duty towards the State by withholding information upon a subject on which there can be no toleration of passiveness or neutrality.

With the sanction of the Right Honorable the Governor in Council, the Commander of the Forces directs that the promotion of the whole of the Native Officers with the Right Wing 52d Regiment shall be stopped; no Subadar thereof shall be eligible to the rank of Subadar Major nor to the honors of the Orders of British India.

The Subadar Major of the Regiment, Peer Khan, is absent on duty at Sholapore and exonerated from all blame.

The two senior Subadars are removed, one to the 18th Regiment N. I., and one to the 29th Regiment N. I., in which they will rank as juniors of their grade, and those Corps will each give one Subadar to the 52d Regiment.

The promotion of the Jemadars of the Right Wing is also stopped; the two seniors are removed, one to the 7th Regiment N. I., the other to the 25th Regiment N. I. as juniors in those Corps, from each of which a Jemadar is to be sent to the 52d Regiment.

The Jemadar Adjutant and Havildar Major are removed from their Staff Appointments, and the latter is reduced.

The whole of the Havildars and Naigues are reduced to the rank and pay of Privates: the two senior Havildars of each Company so reduced to be removed to other Regiments under orders which will be communicated by the Adjutant General of the Army.

The whole of the good conduct pay of the Right Wing of the 52d Regiment N. I. is forfeited, and will cease from this date.

The Privates of the Right Wing of the 52d Regiment who have behaved with that Soldierlike propriety, for which the Sepoys of the Madras Army have so long been conspicuous, are promoted to Havildars from this date.

The following Regiments will select deserving Naigues or Privates to be promoted to Havildars and Naigues from this date, and directed to proceed forthwith to join the Head Quarters of the 52d Regiment N. I.

By order.
(Signed) R. ALEXANDER, Lieut. Col.
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution as well as the Prisoner having urged nothing in his defence, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Private Shaik Hoossain, general number six hundred and seventy of the E. MADRAS,
12*th February* 1842.

(Signed) R. H. DICK, Major General,
Comr. of the Forces.

Remarks.—For the support of discipline, I have considered it necessary to give effect to a portion of the Sentence of the Court, because every Soldier must be aware that if he complains of offensive language made use of to him by his Officer, it will meet with immediate attention from superior authority; but the conduct of Jemadar Meerah Khan in addressing to the Prisoner a gross term of abuse, which caused the latter to commit himself, has been so reprehensible, as to disentitle him in this instance to the protection afforded by Military Law for the violation of the respect due to his situation on the part of his inferior. I desire that an expression of my marked displeasure may be conveyed to this Officer for his conduct on the present occasion, and that he be informed, any similar repetition of the same will insure his being arraigned before a Court Martial for conduct unbecoming an Officer and prejudicial to military discipline.

(Signed) R. H. DICK, Major General,
Commander of the Forces.

The Sentence to be carried into effect under the orders of the Officer Commanding Mangalore.

The General Court Martial of which Subadar Major Letchman Sing of the 30th Regiment N. I. is President, is dissolved.

No. 44 of 1842.—The following General Order by the Right Honorable the Governor General of India in Council, is published for the information of the Army.

GENERAL ORDER by the Right Hon'ble the Governor General of India in Council.

Fort William, 19th January 1842.

No. 14 of 1842.—1. The Hon'ble the Court of Directors having provided Cloth of English manufacture for the gratuitous supply of Great Coats to the European Foot Artillery and Regiments of European Infantry in Her Majesty's and the Honorable Company's Service, Officers Commanding all such Corps will transmit Indents prepared according to annexed Form No. 4, to the Secretary to the Clothing Board and to the Army Clothing Agents, in their respective Divisions, with whom Muster Patterns will be lodged; and on the receipt of the Great Coats, Distribution Statements will be forwarded to those Departments, as prescribed for other Clothing.

2. The Cloth provided being of a description very superior to that in use for similar purposes

with Infantry Regiments, the Coats will, under no circumstances, be replaced under six years, nor are they to be supplied to a Regiment or to Individuals as a matter of course at the expiration of that period, but only as the necessity for such supply may be satisfactorily established by the Report of a Committee of Survey: moreover, it is not intended they should ever be considered the property of the Soldier: they are to be taken care of in the same manner as his other necessaries, any loss occasioned by his neglect is to be made good from his Pay, and whenever any Great Coats are condemned as unserviceable the Survey Report should specify the date or dates of issue, and they are to be returned into Regimental Store to be held at the disposal of the Clothing Board for the advantage of the State—An Indent to replace the number condemned, if necessary, to be submitted with the Survey Report.

3. The month and year when issued from the Agencies to be marked on the Great Coats in such a manner as not to be removed.

4. Quarter Masters of Regiments will be held responsible for the number supplied on Indent, and that on the occurrence of any Casualties the Great Coats are to be returned into the Regimental Store, and carefully preserved for issue to Recruits—A Special Report is to be made by the Officer Commanding the Regiment to the Secretary to the Clothing Board, when the number in store is likely to cause detriment or inconvenience to the Public Service.

5. The Secretary to the Clothing Board to be furnished on the 1st January of each year with an Annual Return of the Great Coats, according to annexed Form No. 2.

FORT ST. GEORGE, 8TH MARCH 1842.

No. 45 of 1842.—The Right Honorable the Governor in Council has much pleasure in publishing to the Army, the following copy of a Despatch from the Hon'ble the Secret Committee of the Court of Directors to the Right Honorable the Governor General of India in Council, with a copy of the Minute passed by the Lords Commissioners of Her Majesty's Treasury, therein referred to.

(Copies.) *Secret.*

To the Right Hon'ble the Governor General of India in Council.

We transmit for your information and guidance, a copy of a Minute passed by the Lords Commissioners of H. M.'s Treasury on the 31st Ultimo, directing the amount of pecuniary remuneration which is to be paid to the Forces, Naval and Military, employed in the operations in China, as a mark of the high sense which Her Majesty is graciously pleased to entertain of their gallant behaviour and successful exertions.

We are, &c.
(Sd.) GEORGE LYALL,
,, J. L. LUSHINGTON.

East India House, London, 1st January 1842.

Copy of a Treasury Minute, dated 31st December 1841.

The First Lord of the Treasury informs the Board that Her Majesty has been graciously pleased to direct that a portion of the sum of money received from the Chinese authorities at Canton in May 1841 should be applied to remunerate the services of H. M.'s Forces engaged in the recent operations in China, and that Her Majesty has further expressed her pleasure that that mode of remuneration should be adopted which was most conformable with the usage of India in similar cases.

In looking to the precedents afforded by Indian History, my Lords find two cases which bear a strong analogy to that for which it becomes their duty, in compliance with Her Majesty's Command to provide, viz.

That of the Treaty of Peace with Tippoo in 1792, and that of the Treaty with Ava in 1826.

In both those instances large pecuniary payments were made to the East India Company out of which donation was in each case made to the Forces employed by the allowance of full Batta for periods proportioned to the length and importance of the service in which the different divisions of the Force respectively took part.

Acting then on the precedents thus afforded, as nearly as circumstances will permit, my Lords are pleased to direct the following allowances of full Batta to be made to the Naval and Military Forces employed in China.

1st. To the Officers and men employed in the operations against Canton in 1841, twelve months full Batta.

2d. To the Officers and men not entitled to share under the preceding paragraph who were employed in the operations on the Coast of China from the commencement of hostilities to the end of the month of June 1841, twelve months full Batta.

3d. To those employed only at Ningpo, Chusan and in the operations in the Canton River in 1840, or in one only of these operations, six months full Batta.

A deduction will necessarily be made from this allowance in either case, of any sum which may have been already given as gratuity to any portion of the Force employed.

It is further the pleasure of Her Majesty that the Officers, Petty Officers, Seamen and Marines of Her Majesty's Fleet should receive the same allowances of full batta as are awarded to the corresponding ranks in the Land Forces employed, and further that the Officers and Men of the East India Company's Steamers should receive the same allowance as Officers and men of Her Majesty's Ships.

(Signed) S. W. STEEL, Lieut. Colonel,
Secretary to Government.

Adjutant General of the Army.

GENERAL ORDERS

By Major General Sir Robert H. Dick, K. C. B. & K. C. H. Commander of the Forces.

HEAD QUARTERS : CHOULTRY PLAIN, 18*th March* 1842.

The following General Orders issued to Her Majesty's Troops serving under this Presidency, are published for the general information of the Army.

HEAD QUARTERS :

GENERAL ORDERS. FORT ST. GEORGE, 1*st March* 1842.

At a General Court Martial holden at Fort St. George, on Friday the 18th day of February 1842, before which Private Thomas Bowley, No. 945, of Her Majesty's 57th Regiment, was permitted to appeal from the decision of a Regimental Court Martial, the opinion of this latter Court as well as that of the General Court Martial and the judgment in consequence in regard to Thomas Bowley pronounced thereon, are as follows :

Cause of Appeal.—" The Appellant before the Court, Private Thomas Bowley of Her Majesty's Fifty-seventh Regiment of Foot, appeals from the decision of a Regimental Court Martial held by order of Lieutenant Colonel George Edward Jones, Knight of Hanover, Commanding Her Majesty's Fifty-seventh Regiment of Foot at Fort St. George, the thirteenth day of January last."

Opinion of the Regimental Court Martial.—" The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the complaint, as well as Captain Morphett's reply, and having furthermore examined the Ledgers and compared the Kits of the several Companies, is of opinion :

Finding on the First Instance of Complaint.—" That the Complainant, Private Bowley, has no just cause of complaint in this Instance against Captain Morphett, the Captain of his Company, and that he has not preferred his complaint in a proper manner."

Finding on the Second Instance of Complaint.—" With regard to being overcharged for necessaries in number Eight Company, the Court are of opinion that although some of the minor articles are dearer in Captain Morphett's Company than in others—there are some cheaper, and that on this Instance Private Bowley has no particular grounds of complaint."

Finding on the Third Instance of Complaint.—" On the Third Instance, the Court beg to remark most strongly on the groundless and most improper charge made by Private Bowley against Captain Morphett as relates to the issue of necessaries to deceased men of number Eight Company for the purpose of defrauding their estates, which has in no way been proved, so far from it, that the Ledger of number Eight Company proves that the articles issued to Privates McCramor and McCormick were never charged for and were a dead loss to the Captain.

Finding on the Fourth Instance of Complaint.—" With regard to the Fourth Instance of the Complaint, the Court find that men have stated before them that they have for some time past been dissatisfied at the charges for regimental necessaries in number Eight Company, but had never brought their complaint to the notice of Captain Morphett.

Finding on the Fifth Instance of Complaint.—" The Court having declined to receive evidence affecting a third person not before the Court, cannot say how far partiality has existed in number Eight Company on the part of the Color Serjeant, but are fully of opinion that Captain Morphett has never been made acquainted with it"

(Signed) W. J. SAUNDERS,
Captain 57th Regiment and
President.

And from which decision, he, the said Private Thomas Bowley, has appealed.

Finding of the General Court Martial.—" The Court having maturely weighed and considered the evidence adduced by the Appellant, together with what has been urged by the Defendant, is of opinion that the decision of the Regimental Court Martial from which Private Thomas Bowley has appealed is borne out by the evidence recorded on the Proceedings and it does confirm it as follows :"

Finding on the First Instance of Complaint.—" That the Complainant Private Bowley has no just cause of Complaint in this Instance against Captain Morphett."

Finding on the Second Instance of Complaint.—" That the Complainant Private Bowley has no just cause of Complaint in this Instance."

Finding on the Third Instance of Complaint.—" That the Complainant Private Bowley has no cause whatever of Complaint in this Instance."

Finding on the Fourth Instance of Complaint.—" That the Complainant Private Bowley has no cause whatever of Complaint in this Instance."

Finding on the Fifth Instance of Complaint.—" The Court having entered into this Complaint as far as the Appellant himself is concerned, finds that the Complainant Private Bowley has no just cause of Complaint."

" And the Court is further of opinion, that the Appellant has not sustained his appeal and that it is vexatious and groundless."

Sentence.—" And it does therefore sentence him, the said Private Thomas Bowley (the Appellant) of Her Majesty's Fifty-seventh Regiment of Foot, to imprisonment for six lunar months and to be kept in solitary confinement during the first and fourth months of such imprisonment."

Remarks of the Court.—" The Court begs to remark in closing its Proceedings as a reason for permitting the Appellant to bring evidence before them on the subject rejected by the Regimental Court Martial was in order to satisfy themselves whether any grounds did exist for their being brought forward, but at the same time takes this opportunity to record its opinion that the only matter which ought to have been submitted for the consideration of the Regimental Court and in which the Appellant was personally interested, was that contained in his second Complaint and having reference to the alleged overcharge for necessaries, that the remaining Counts were objectionable in as much as in them he only complains of injuries committed against others, in which he, the Appellant, is not sufficiently interested to bring them within the intent and spirit of the one hundred and twenty-first Article of War."

Approved and confirmed.

Commander of the Forces.

MADRAS,

It has been brought to the notice of the Commander of the Forces that orders have been given to Recruiting Parties not to enlist Men for Regiments of Infantry under the height of 5 feet 6 inches.

The Commander of the Forces requests that Officers Commanding Regiments will cause para. 24, G. O. C. When Recruits appear to be weakly or reduced after having made a long march to join their Regiments, a reasonable time is to be allowed for their recovery before they are examined by the Regimental Committees.

First Charge.—For mutiny, as set forth in the following Instances:

First Instance.—In having at Secunderabad, on the sixth of February, one thousand eight hundred and forty-two, disobeyed the lawful command of his superior Officer, Subadar Peer Homed of the same Company and Regiment, then and there in the execution of his duty, by refusing in a highly insubordinate manner to receive his Pay for the month of January one thousand eight hundred and forty-two, unless Field Batta was also given to him for that month, he, the said Private Oomiah, being fully aware that by an order from the Government of India, Field Batta was to be discontinued to the men of his Regiment while stationed at Secunderabad.

Second Instance.—In having at the same time and place, disobeyed the lawful command of Havildar Syed Furzoolah of the same Company and Regiment, his superior Officer, in the execution of his duty, by refusing to accompany him to the quarters of Captain David Scotland, the Officer in Command of his Company, whither the said Havildar Syed Furzoolah, had been directed to take him by the aforenamed Subadar Peer Homed, for the purpose of reporting the circumstance stated in the First Instance of the First Charge.

Third Instance.—For having at the same place, on the morning of the seventh of February one

thousand eight hundred and forty-two, when at a Parade of the Regiment, disobeyed the lawful Command of Captain David Scotland, his superior Officer, in the execution of his duty as Commander of the Company, by refusing in most positive terms to take his Pay then and there tendered to him by order and in the presence of the said Captain Scotland.

Fourth Instance.—In having at the same place, on the occasion specified in the Third Instance of the First Charge, made use of the following inflammatory expressions in a loud tone of voice, and as if addressing the men of his Company then and there assembled on Parade, "Pay without Batta I will never take—although I am to be killed with a ball, I will not receive it, no, no, never"—or words to that effect, thereby endeavouring to excite the men of the Company to mutiny, they being at the time in a most discontented state from having been deprived of their Field Batta.

Second Charge.—For having at the same place, on the morning alluded to in the Fourth Instance of the First Charge, failed to repair to the place of Parade at the time fixed by Lieutenant Colonel William Nicol Burns the Officer in Command of the Regiment, he, the said Private Oomiah, having been previously warned to attend in heavy marching order at half past five o'clock that morning.

GENERAL ORDERS

By Major General Sir Robert H. Dick, K. C. B. and K. C. H. Commander of the Forces.

HEAD QUARTERS: CHOULTRY PLAIN, 14*th April* 1842.

In promulgating to the Army, the following General Order by the Right Hon'ble the Governor in Council, the Commander of the Forces directs that it be read at the head of every Native Corps and Detachment of the Army.

Commanding Officers will have it clearly and distinctly explained so as to ensure its being properly understood by all ranks—and they will further cause translations to be prepared, in Hindoostanee, Tamil and Teloogoo, as may be necessary, for the use of each Troop and Company.

The Prisoners of the 4th Light Cavalry now at Bellary are to be discharged from the 30th Instant—and the necessary arrangements are to be made by Officers Commanding for the immediate adjustment of all claims up to that date.

The Prisoners of the 32d and 48th Regiments now at Bellary, are to be released from confinement, and will remain there under charge of an Officer who will be selected for the duty by the Officer Commanding the Ceded Districts until further orders.

General Orders by the Right Honorable the Governor in Council.

FORT ST. GEORGE, 12TH APRIL 1842.

No. 65 of 1842.—1. The Right Honorable the Governor in Council having received the instructions of the Government of India upon the reports from the British Resident at Hyderabad, and the Major General Commanding the Subsidiary Force, of the recent insubordinate proceedings of a portion of the Native Troops at Secunderabad, proceeds to communicate to the Army the following observations and orders.

2. A number of the Privates of the 4th Light Cavalry, and of the Wings of the 32d and 48th Regiments Native Infantry, refused to receive their pay when issued in the usual course, unless with the addition of batta; which, as distinctly notified to the Army in General Orders of the 20th July 1841, No. 127, had been discontinued, from the date of the arrival of these Corps at Secunderabad, under the express orders of the Government of India.

3. Such of the men as, after expostulation had been used to bring them back to their obedience, still persisted in refusing to receive their pay were made Prisoners. Those most prominent in misconduct have been selected for trial by Court Martial; and the remainder were marched to Bellary under charge of the 25th Regiment Native Infantry, where they now await final orders for their future disposal.

4. His Lordship in Council deeply regrets that the men above referred to should have so far forgotten their duty as Soldiers, as to require that an example should be made in support of authority, and of that discipline without which no Army can maintain its proper character in relation to the State it serves.

5. The misconduct of the 4th Regiment Light Cavalry was aggravated by their refusal to march when ordered to Bellary—it was also more general, and marked by greater violence than that evinced in the Infantry Regiments; the Right Honorable the Governor in Council therefore, in accordance with instructions from the Government of India, directs that the whole of the Prisoners belonging to that Regiment who are now at Bellary, and the men who were selected for trial by Court Martial, be discharged, and their re-enlistment in the Service prohibited. His Lordship in Council must farther observe that although the Native Commissioned and Non-Commissioned Officers took no ostensible part in the mutinous proceedings of the men, they must either be unfit for their situations, from having remained in ignorance of any plan of insubordination so settled and matured; or they were cognizant of it, and allowed it to proceed to an extreme length for objects in which their own personal interests were concerned—whilst, from having more to lose than the Private Soldier, they abstained from open offence. The Right Honorable the Governor in Council therefore directs that the same measure of punishment which, under the sanction of Government, was ordered in the case of the Native Commissioned and Non Commissioned Officers of the Head Quarter Wing of the 52d Native Infantry, shall be extended to the same ranks of the 4th Regiment Light Cavalry—to be carried into effect by the Major General Commanding the Forces.

6. It affords the Right Honorable the Governor in Council much gratification to believe from the contrition expressed by the Prisoners generally, that no further example is necessary—with the exception of the Men of the 7th, 10th, 32d and 48th Regiments Native Infantry selected for trial by Court Martial, the whole of the remaining Prisoners are pardoned—and will be permitted to return to their duty. The insubordination of the 7th and 10th Regiments was less openly manifested than in the other Regiments. The conduct of the Native Commissioned and Non-Commissioned Officers of those Regiments, especially of the 32d and 48th Regiments, is liable to censure, but the Privates having been forgiven, the amnesty will be extended to them also.

7. It is with cordial satisfaction that His Lordship in Council now records his sense of the good conduct of the F. Troop Horse Artillery and B. Company of Golundauze; who, regardless of community of interest, or fear of reproach from their ill disposed comrades, and mindful only of their own duty to the State, and of the high and untarnished reputation of their Corps, stood forward, in the most prompt and praiseworthy manner, to maintain subordination.

8. His Lordship in Council directs that as a mark of the approbation of Government, the whole of the Native Commissioned and Non-Commissioned Officers and Privates of those two Detachments, present during that period, shall be permitted to reckon three (3) years additional service.

9. Subadar Major Sheikh Davood, Bahadoor, of the 10th Regiment, and Subadar Major Imam Khan, Bahadoor, of the 48th Regiment Native Infantry, have also been favourably reported upon; and Subadar Majors Syed Futteh Homed, Surdar Bahadoor, formerly of the 43d Regiment Native Infantry, and Sheikh Dowell formerly of the Rifle Corps, have honorably exerted themselves upon this occasion.—Pensioned Private Dorigah, formerly of the 16th Regiment Native Infantry, has also been favourably brought to notice. The Commander of the Forces is requested to recommend them, according to their several claims, for some special mark of the favour of Government.

10. The exemplary conduct of the Head Quarters of the 1st Battalion Artillery, and of the 1st Madras European Regiment under Lieutenant Colonel Bell, merits the highest praise. His Lordship desires that it may be intimated to these Corps, that their steady and soldierlike behaviour upon this painful occasion has received the most favourable notice of the Government.

11. The judgment displayed throughout by Major General Fraser; and the temper, decision and energy with which he acted upon the judgment so correctly formed, are beyond any tribute of approbation that this Government can record.

12. The thanks of the Right Honorable the Governor in Council, are due to Major General Riddell; and His Lordship has noticed with approbation the conduct of Captain S. A. Grant, the Assistant Adjutant General of the Force—whose firmness, activity and prompt and decided judgment have been conspicuous throughout.

13. The Commander of the Forces is requested to take the necessary steps to give effect to the above orders, which are to be carefully and fully explained to all the Native Corps of the Army.

(Signed) S. W. STEEL, Lieut. Colonel,
Secretary to Government.

C. A. BROWNE,
Deputy Adjutant General of the Army.

GENERAL ORDERS by the Right Hon'ble the Governor General of India in Council.

Fort William, 6th April 1842.

No. 91 of 1842.—With reference to General Orders, dated 29th March 1823, and 3d June 1825, No. 168, permitting the indulgence of Remittances to Europe by the Soldiers of Her Majesty's Army, and to G. Os. No. 198, dated 10th July 1837, explaining that the indulgence of Family Remittances to them was confined to bonâ fide Savings from their Pay, the Right Hon'ble the Governor General of India in Council is pleased to direct the publication in G. Ors. for observance at the three Presidencies, of the following Memorandum received from the Hon'ble the Court of Directors, dated 1st November 1841, which the Secretary at War has circulated to H. M.'s Regiments on the Indian Establishment, in order to prevent the abuse of the privilege enjoyed by Soldiers remitting Money to their Families, through the Company's Treasuries.

MEMORANDUM.

Various abuses having taken place in making Remittances from India to this Country through the East India Company's Treasury, particularly in the cases of Soldiers who have realized large sums by other means than by Savings from their Pay, and a recent case having occurred in which a Sergeant whose wife had acquired a considerable sum in trade, remitted nearly £ (500) five hundred by buying up Drafts from Soldiers for the sums sent home by them as deposits for their future benefit, Commanding Officers and Pay Masters are accordingly enjoined to pay the strictest attention in future to the instructions in Lord Palmerston's Circular Letter, No. 586, dated the 23d January 1827, defining the objects and limits of such Remittances, as for the due observance of those Instructions they will be held responsible.

Not confirmed.

The conviction of the Prisoner is founded on the uncorroborated evidence of one, who was at least a Principal, in the crime, and as in giving his evidence he has been obviously more anxious to exonerate himself, than to state the real facts of the case, I consider that his testimony is little to be relied on, and that there is a reasonable probability of the truth of the Prisoner's statement and consequently of his innocence.

GENERAL ORDERS

By Major General Sir Robert Henry Dick, K. C. B. and K. C. H. Commander of the Forces.

HEAD QUARTERS: CHOULTRY PLAIN, 11*th May* 1842.

In promulgating to the Army the following General Order by the Right Honorable the Governor in Council, the Commander of the Forces directs that it be read and explained to every Corps and Detachment of the Army.

General Orders by the Right Honorable the Governor in Council.

FORT ST. GEORGE, 10TH MAY 1842.

No. 86 of 1842.—The Right Honorable the Governor in Council directs that the following Notification, together with the Despatch from Major General Sir Robert Sale to which it refers, be published in General Orders.

NOTIFICATION.

Fort St. George, May 7, 1842.

In republishing the following Notification by the Right Honorable the Governor General of India on the subject of Major General Sir Robert Sale's Despatch of the 7th April 1842, reporting the entire defeat of the Afghan Troops, under Mahomed Akbar Khan, by the Garrison of Jellalabad, the Right Honorable the Governor in Council is pleased to direct, that the substance of it and of the Major General's report, be carefully explained to all the Troops at this Presidency, and that a salute of 21 guns be fired from the Ramparts of Fort St. George and at every principal Station of the Army.

NOTIFICATION.

SECRET DEPARTMENT,

BENARES, *the* 21*st April* 1842.

The Governor General feels assured that every subject of the British Government will peruse with the deepest interest and satisfaction, the report he now communicates of the entire defeat of the Afghan Troops, under Mahomed Akbar Khan, by the Garrison of Jellalabad.

That illustrious Garrison, which, by its constancy in enduring privation, and by its valour in action, has already obtained for itself the sympathy and respect of every true Soldier, has now, sallying forth from its walls, under the command of its gallant leader, Major General Sir Robert Sale, thoroughly beaten in open field an enemy of more than three times its numbers, taken the Standards of their boasted Cavalry, destroyed their Camp, and re-captured four Guns, which, under circumstances which can never again occur, had during the last winter fallen into their hands.

The Governor General cordially congratulates the Army upon the return of victory to its ranks. He is convinced that there, as in all former times, it will be found, while, as at Jellalabad the European and Native Troops mutually supporting each other, and evincing equal discipline and valour, are led into action by Officers in whom they justly confide.

The Governor General directs that the substance of this Notification and of Major General Sir Robert Sale's report be carefully made known to all the Troops, and that a salute of 21 guns be fired at every principal Station of the Army.

By order of the Right Hon'ble the Governor General of India.

COPY. *Julalabad, April 7th,* 1842.

SIR,—Information was on the evening of the 5th Instant brought into this place, in the most positive and circumstantial terms from spies in the enemy's Camp, to the effect that the Force under Major General Pollock, C. B. had met with a reverse in the Khyber, and retraced its steps towards Peshawur, and about 10 P. M. on the 6th a feu-de-joie and salute of artillery was fired by Mahomed Akbur, which was said to be in honor of the same event. It was on the same day & through similar channels announced to me that the Afghans were sending reinforcements to aid in defending the Frontier Passes. Although I could not wholly depend upon these statements, which were improbable in themselves, and accompanied by counter-reports of another revolution at Cabool, which was assigned by some as the cause of the rejoicing of the defeat of the Afghans in Khyber, and by an account of the intended and even actual retreat of the Sirdar to-day; however I came, on a full consideration of the various circumstances and rumours, to the resolution of anticipating the last mentioned event by a general attack on the Afghan Camp, in the hopes of relieving this place from blockade, and facilitating General Pollock's advance. I accordingly gave directions to form 3 Columns of Infantry. The centre consisting of H. M. 13th Light Infantry, 500 Rank and file under Colonel Dennie, C. B. The left of the 35th Native Infantry, 510 Rank and File under Lieutenant Colonel Monteith, C. B. The right of a Company of the 13th Light Infantry, another of the 35th Native Infantry, and the detachment of Sappers under Lieutenant Orr, (the severity of Captain Broadfoot's wound still rendering him non-effective) the whole 360 strong, commanded by Captain Havelock, 13th Light Infantry. These were to be supported by the fire of the guns of No. 6, Light Field Battery, under Captain Abbott, to which Captain Backhouse, Shah Shoojah's Artillery, was also attached, and by the whole of my small Cavalry force under Captain Oldfield and Lieutenant Mayne. The troops issued from the Cabul and Peshawar Gates at day-light this morning. So far from the Sirdar having made dispositions to avoid the encounter, his whole force, (not falling short in all of 6,000 men) was formed in order of battle for the defence of his Camp, its right resting on a Fort, and its left on the Cabul river, and even the ruined walls within 800 yards of the place, recently repaired, were filled with Ghilzie marksmen, evidently prepared for a stout resistance. The attack was led by the Skirmishers in column, under Captain Havelock, which drove the enemy in the most satisfactory manner

from the extreme left of his advanced line of walls, which it pierced at once, and proceeded to advance into the plain, whilst the central column directed its efforts against a square post, the defence of which was obstinately maintained.

With the deepest regret I have to mention that, whilst nobly leading his Regiment to the assault, Colonel Dennie, C. B. of the 13th Light Infantry, received a shot through the body, which shortly after proved fatal. The rear of this work being gained by passing to its left, I gave orders for a combined attack on the Enemy's camp. It was in every way brilliant and successful. The Artillery advanced at the gallop, and directed a heavy fire on the Afghan centre, whilst two of the columns of Infantry penetrated his line at the same point, and the third drove his left back from his support on the river, into the stream of which some of his Horse and Foot were forced. The Afghans made repeated attempts to check our advance by a smart fire of musquetry, and throwing forward heavy bodies of horse, which twice closely threatened the Troops under Captain Havelock, and by opening against us 3 Guns from a Battery, screened by a Garden Wall, and said to have been served under the personal superintendence of the Sirdar; but in a short time they were dislodged from every point of their position, their Cannon taken, and their Camp involved in a general conflagration. The battle was over, and the enemy in full retreat in the direction of Lughman by about 7 A. M. We have made ourselves masters of 2 Cavalry Standards, recaptured 4 Guns, lost by the Cabool and Gundamuck Forces, the restoration of which to our Government is viewed by the Force with much honest exultation, and destroyed the whole of the Enemy's Tents. In short, the defeat of Mahomed Akbar by the force which he boasted of blockading, has been, in open field, complete and signal.

The fall of an Officer so distinguished as Colonel Dennie will be felt as a public calamity. Lamenting it in every way, I must share with his country, his Regiment, and his friends, in the consolation afforded by the reflection that he was killed most gallantly performing his duty.

I have to express my entire satisfaction with the conduct on this occasion of Lieutenant Colonel Monteith, C. B. Commanding one of the Infantry Columns under my own eye, and of Captain Wilkinson, on whom the charge of the other devolved on the death of his Lieutenant Colonel. Of Captain Oldfield and Lieutenant Mayne, who led the Cavalry, and of Captains Abbott and Backhouse, and Lieutenant Dawes of the Artillery. The able and judicious manner in which Captain Havelock moved the force under his Command, which acted on a line so distant as to render its manœuvres independent of my immediate control, demands my particular and separate commendation. My acknowledgments are also especially due to Captain Wade, my Brigade Major, whose exertions were on this day, as they have ever been, most meritorious. To Major Fraser of the Light Cavalry, who acted as my Aid-de-Camp, and to Captain Mainwaring, Commissariat Officer with the force, who was present in and active on the field. Captain Macgregor, Political Agent, handsomely offered his services with No. 6, Light Field Battery, and was most useful in serving the Guns.

I enclose Returns of Killed and Wounded, and of Ordnance captured. Lieutenant and Adjutant Wood, of Her Majesty's 13th Light Infantry, made a dash at one of the Enemy, and in cutting him down his charger was so severely wounded as to have been since destroyed. Captain Havelock reports in the most favorable manner, the gallant conduct of Lieutenant Cox, H. M.'s 13th Light Infantry, who was the first to seize the Enemy's Guns of the party which captured them.

I have &c.

The Court having most maturely weighed and considered the whole of the evidence adduced in support of the prosecution on the Charge, as well as what the Prisoner, Private Kistamah, has urged in his defence, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Revised Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Kistamah, general number one thousand one hundred and forty-eight, Private in the B. Company of the Forty-second Regiment of Native Infantry, to suffer death by being blown from a gun, at such time and place as the Major General Commanding the Forces may appoint.

Signed in the Nagree character,
Subadar Major LOOKMAN, Sirdar Bahadoor,
49th Regiment N. I.—President.

Recommendation of the Court.—The Court having passed a sentence of death upon the Prisoner in consequence of the magnitude of the crime of which he has been convicted, respectfully and unanimously solicit mercy at the hands of the Commander of the Forces, in consequence of its appearing on the Proceedings that the Prisoner did not follow up the blow, neither does it appear that he premeditated taking the life of Subadar Madar Khan, but that it was done from the passion of the moment: also from the youth and inexperience of the Prisoner, he having been barely eighteen months a Soldier.

(Signed) W. HILL,
Dy. Judge Adve. Genl.

(Signed) C. HALSTED, Lieut.
Interpreter to the Court.

Signed in the Nagree character,
Subadar Major LOOKMAN, Sirdar Bahadoor,
49th Regt. N. I. and President.

Approved.—I commute the sentence of death awarded against Kistamah, general number one thousand one hundred and forty-eight, Private in the B. Company of the Forty-second Regiment of Native Infantry, to transportation beyond seas for the term of his natural life.

MADRAS, 13*th May* 1842.

(Signed) R. H. DICK, Major Genl.
Commander of the Forces.

Remarks.—I have been induced to remit the extreme penalty of the law in this case in consideration of the youth of the Prisoner, and that the Army does not require so awful an example for the preservation of discipline. I must however remark, that the grounds of extenuation of the Prisoner's crime urged by the Court, that the Prisoner did not follow up his blow, or premeditate taking the life of the Subadar, are totally inadmissible in a Military point of view, and are not founded upon any principle of law which would apply to the facts of the case as they appear in evidence on these Proceedings.

(Signed) R. H. DICK, Major General.

The Prisoner is to be forwarded to the Presidency under an Escort, for the purpose of being delivered over to the Civil Power.

R. ALEXANDER, Lieut. Colonel,
Adjutant General of the Army.

GENERAL ORDERS

By Major General Sir Robert Henry Dick, K. C. B. and K. C. H. Commander of the Forces.

HEAD QUARTERS: CHOULTRY PLAIN, 16*th May* 1842.

The following Extract from the confirmed Proceedings of a Native General Court Martial holden at Kamptee, on Thursday the twenty-fourth day of February, in the year of our Lord one thousand eight hundred and forty-two, and continued by adjournment, by order of Lieutenant Colonel Donald Macleod, Commanding the Nagpore Subsidiary Force, by virtue of a warrant of authority vested in him by Major General Sir Robert Henry Dick, K. C. B. and K. C. H. Commander of the Forces, are published to the Army.

Venketasawmy, regimental number two hundred and forty-seven, Naigue in the D. Company of the Eleventh Regiment Native Infantry, confined by order of Major John Clough, Commanding the same Regiment, on the following Charge.

Charge.—For conduct to the prejudice of good order and military discipline, in the following Instances:

First Instance.—In having at Kamptee, on the eighth of April one thousand eight hundred and forty-two, appeared on the parade of his Regiment while under arms, without his belts and dirtily dressed.

Second Instance.—In having at the same time and place, when Lieutenant Colonel Donald Macleod of the Sixth Regiment Light Cavalry, was inspecting the Eleventh Regiment Native Infantry, gone up to the said Lieutenant Colonel without permission from me, his immediate Commanding Officer, and demanded a Court of Enquiry to investigate a suit which had been already settled in the Civil Court at Jubbulpore.

Third Instance.—In having at the same place, on the eleventh of the same month, irregularly attended at the Quarters of Lieutenant Colonel Donald Macleod of the Sixth Regiment Light Cavalry, without leave from me, his immediate Commanding Officer, after I had fully explained to him, that his suit, as stated above, had already been adjusted, and could not be enquired into again at this Station.

The above being in breach of the Articles of War.

Kamptee, the twenty-seventh day of April, one thousand eight hundred and forty-two.

(Signed) JOHN CLOUGH, Major,
Comg. the Eleventh Regt. N. I.

(By order.)
(Signed) JOHN GRIMES, Captain,
Asst. Adjt. Genl. Nagpore Suby. Force.

The Court having most maturely weighed and considered the whole of the evidence adduced in support of the prosecution on the Charge, as well as what the Prisoner, Venketasawmy, Naigue, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the First Instance of Charge.—That the Prisoner is guilty of the First Instance of Charge.

Finding on the Second Instance of Charge.—That the Prisoner is guilty of the Second Instance of Charge.

Finding on the Third Instance of Charge.—That the Prisoner is guilty of the Third Instance of Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Venketasawmy, regimental number two hundred and forty-seven, Naigue in the Fourth Company of the Eleventh Regiment Native Infantry, to be reduced to the rank and pay of a Private Sentinel.

(Signed) W. HILL,
Dy. Judge Adve. Genl.

(Signed) P. E. L. RICKARDS, Bt. Capt. 49th Regt.
Interpreter to the Court.

(Signed) in the Nagree character,
Subadar Major LOOKMAN, Sirdar Bahadoor,
49th Regiment N. I. and President.

Recommendation of the Court.—The Court having passed sentence upon the Charge against the Prisoner, begs to recommend him to the favorable consideration of the Major General Commanding the Forces, from its appearing in evidence that the Officer in charge of the Prisoner's Company was aware that he wished to make a complaint to the Inspecting Officer, and told him to go up to Colonel Macleod for that purpose. It appears also that the Prisoner laboured under a false impression that the Articles of War permitted his going to complain to superior authority when he felt himself aggrieved respecting the investigation of his suit. The Court hopes, therefore, the Commander of the Forces will take this into his favorable consideration.

(Signed) W. HILL,
Dy. Judge Adve. Genl.

(Signed) P. E. L. RICKARDS, Bt. Capt. 49th Regt.
Interpreter to the Court.

Signed in the Nagree character,
Subadar Major LOOKMAN, Sirdar Bahadoor,
49th Regiment N. I.—President.

(Not Confirmed.)

It is in evidence that the Prisoner attended parade and made his complaint to the Inspecting Officer by express permission from the Officer Commanding his Company, and that his being without his accoutrements was occasioned by their having being delivered into store in consequence of his being under orders to accompany a Recruiting Party.

It further appears that the Prisoner applied for permission to the same Officer to state his complaint to the Officer Commanding the Force; the duty, therefore, of making known to the Officer Commanding the Regiment the desire of the Prisoner devolved on the Officer Commanding his Company, who nevertheless merely acquainted the Prisoner that the Articles of War sanctioned his making his complaint to the Officer Commanding the Force.

The above considerations have induced me to withhold my confirmation from these Proceedings, as the circumstances of the case appear to entitle the Prisoner to an acquittal on the entire Charge; and he is therefore to be released from confinement and to return to his duty.

MADRAS, 16*th May* 1842. (Signed) R. H. DICK, Major General, *Commander of the Forces.*

18*th May* 1842.

The following Extract from the confirmed Proceedings of a Native General Court Martial holden at Fort Saint George, on Friday the sixth day of May, in the year of our Lord one thousand eight hundred and forty-two, and continued by adjournment, by virtue of a warrant from Major General Sir Robert Henry Dick, K. C. B. and K. C. H. Commander of the Forces, are published to the Army.

Khadir Khan, general number five hundred, Private in the H. Company of the Seventeenth Regiment of Native Infantry, placed in confinement by my order, on the following Charges.

First Charge.—For having at about half past three o'clock in the morning of the twenty-fourth of April, one thousand eight hundred and forty-two, on the line of march between Arembauk and Poodamy, quitted his Company without leave, and so remaining absent, until the arrival of the Regiment at Poodamy about seven o'clock the same morning.

Second Charge.—For having in Camp at Poodamy, on the morning of the twenty-fourth of April one thousand eight hundred and forty-two, offered violence to Subadar Ramasawmy of the Seventeenth Regiment of Native Infantry, his superior Officer, then and there in the execution of his office, by seizing him by the arm, and endeavouring to prevent his going to report his (the said Khadir Khan's) previous conduct to the Officer in charge of his Company.

The above being in breach of the Articles of War.

Perambore, the thirtieth day of April one thousand eight hundred and forty-two. (Signed) J. FULLARTON, Major, Commanding Seventeenth Regt. N. I.

By order.

(Signed) R. ALEXANDER, Lieut. Col. Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Private Khadir Khan, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the First Charge.—That the Prisoner is guilty of the First Charge.

Finding on the Second Charge.—That the Prisoner is guilty of the Second Charge.

Revised Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Khadir Khan, regimental number five hundred, Private in the H. Company of the Seventeenth Regiment of Native Infantry, to suffer imprisonment with hard labor for a period of eleven (11) lunar months, in such place as the Officer confirming these Proceedings may be pleased to direct.

(Signed) RICHARD HUNTER, Ag. Depy. Judge Adve. Genl.

(Signed) P. E. PALMER, Lieut. 4th Regiment N. I. Interpreter to the Court.

(Signed) GHOOLLAM MOOHEEDDEEN, Subadar Major, Bahadoor, and President.

Approved and Confirmed.

The Prisoner to be made over to the Civil Power in order that the Sentence may be carried into effect.

The General Court Martial of which Subadar Major Ghoollam Mooheeddeen, Bahadoor, of the Seventeenth Regiment Native Infantry is President, is dissolved.

GENERAL ORDERS

By Major General Sir Robert Henry Dick, K. C. B. and K. C. H. Commander of the Forces.

HEAD QUARTERS: CHOULTRY PLAIN, 18*th June* 1842.

The following Extract from the Proceedings of an European General Court Martial, holden at Secunderabad, on Thursday the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and forty-two, by order of Major General Riddell, by virtue of a warrant of authority vested in him by Major General Sir Robert Henry Dick, K. C. B. and K. C. H., Commander of the Forces, are published to the Army.

Lieutenant James Farquharson Fotheringham, of the First Madras European Regiment, placed in arrest by me, upon the following Charges.

First Charge.—For conduct to the prejudice of good order and military discipline, in having at Secunderabad, on the fourth of May, one thousand eight hundred and forty-two, neglected to obey a Regimental Order, dated the thirtieth of April, one thousand eight hundred and forty-two, directing him to attend at the Regimental Orderly Room, to prepare and present to me, the morning report of his Company.

Second Charge.—For conduct unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in the following Instances:

First Instance.—In having at the same time and place, falsely stated to me, in excuse for disobeying the Regimental Order, specified in the preceding Charge, that he had been given to understand at the Orderly Room, that I did not intend to go there that morning.

Second Instance.—In having at the same time and place, falsely stated to me, that he had been at the Regimental Orderly Room on that morning.

The above being in breach of the Articles of War.

Secunderabad, the fifth of May, one thousand eight hundred and forty-two.

(Signed) JAMES BELL, Lieut. Col.
Comg. the First Madras Eur. Regt.

By order.
(Signed) S. A. GRANT,
Asst. Adjt. Genl. Hyderabad Suby. Force.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Lieutenant James Farquharson Fotheringham of the First Madras European Regiment, has urged in his defence, and the evidence he has adduced thereon, is of opinion:

Finding on the First Charge.—That the Prisoner is guilty of the First Charge.

Finding on the First Instance of the Second Charge.—That the Prisoner is guilty of the First Instance of the Second Charge.

Finding on the Second Instance of the Second Charge.—That the Prisoner is not guilty of the Second Instance of the Second Charge.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Lieutenant James Farquharson Fotheringham of the First Madras European Regiment, to be suspended from Rank and Pay for the space of four calendar months.

(Signed) JOHN H. BORDIEU, Lieut. H. B.
Offg. Dy. Judge Adve. Genl.

(Signed) J. WILSON, Lieut. Col.
32d Regt. N. I.—President.

The Court having awarded this punishment, and remarking that wilfulness has been neither charged nor proved on the offence; and that no explanation appears to have been called for by Colonel Bell; or opportunity thereof afforded by him to the Prisoner, previous to the exhibition of Charges against him; beg strongly to recommend the Prisoner to the favorable consideration of the Officer confirming these Proceedings.

(Signed) JOHN H. BORDIEU, Lieut. H. B.
Offg. Dy. Judge Adve. Genl.

(Signed) J. WILSON, Lieut. Col.
32d Regt. N. I.—President.

(Disapproved.)

I am unable to confirm this Sentence, as it does not express that the offender shall be suspended from "Allowances" as well as "Rank and Pay" agreeably to the provisions of the 69th Article of War; but there are other reasons which lead me to regard the judgment of the Court as not free from error.

The finding on the Second Instance of Charge, appears to me at variance with the opinion expressed in the remarks by the Court, for if the Court considered Lieutenant Fotheringham's statement, as not *wilfully* false, he was entitled to an acquittal, as the intention to deceive is a main ingredient in his offence, and no act can be considered criminal unless intentionally committed.

I can only therefore reconcile the leniency of the Sentence of the Court and its recommendation of the Prisoner to mercy with the facts of the case, by assuming, that in the opinion of the Court Lieutenant Fotheringham's statement was made inadvertently, without deliberation, and with no intention to deceive, and under this interpretation of its opinion I will not return the Proceedings for revision. At the same time I trust that Lieutenant Fotheringham will take warning from the serious predicament in which he has placed himself, and that in his future career he will be more attentive to the orders of his superiors and more guarded in his conduct.

I cannot conclude these remarks without expressing my opinion, that the allusion made by the Court to Lieutenant Fotheringham's not having been called upon by his Commanding Officer for an explanation of his conduct, is foreign to the merits of the Charges and not grounded upon any recorded evidence, by which alone a Court Martial should be guided in forming its opinion on the case submitted to it.

MADRAS, 18*th June* 1842.

(Signed) R. H. DICK, Major General,
Commander of the Forces.

Lieutenant J. F. Fotheringham to be released from arrest and return to his duty.

21*st June* 1842.

Second Charge.—For having at the same time and place, repeatedly struck Acting Corporal Charles William Eastwood, of the same Company and Battalion, his superior officer, he, the said Acting Corporal Charles William Eastwood, being at the time in the execution of his office, as Corporal of the Barrack Guard.

A. A. Gl. Hyd. Suby. Force.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as that the Prisoner, Gunner Michael Prendergast, has urged nothing in his defence, is of opinion:

Finding on First Charge.—That the Prisoner is guilty of the First Charge.

Finding on Second Charge.—That the Prisoner is guilty of the Second Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, and having furthermore taken into consideration the proof of his five previous convictions, doth sentence him, the said Michael Prendergast, general number two thousand one hundred and eighteen, Gunner in the B. Company First Battalion of Artillery, to suffer corporal punishment of one hundred and seventy-five lashes; and further, that he shall be deprived of eight pice a day of his pay for the period of twelve months.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner, Private Syed Hummeed, regimental number five hundred and eighty-seven, in the E. Troop of the Second Regiment Light Cavalry, has urged in his defence, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge, with the exception that the Court find the articles were stolen on the night of the 13th of May or early on the morning of the 14th, instead of "on the night of the 12th of May or early on the following morning," as stated in the Charge.

Reply to Military Letter dated 10th Novr. 1841.—(No. 151.)
Offering observations on the subject of a claim preferred respectively by Majors T. Bullock of the 3d and F. Straton of the 8th Regiment Madras Light Cavalry, relative to precedence in the list of Majors of Cavalry for promotion to the rank of Lieutenant Colonel, they having obtained Majorities on the same day.

Para. 1. Having given our most attentive consideration to these proceedings we have resolved that the following rules shall be established for the future rise to Regimental Lieutenant Colonelcies of two or more Captains of the same Arm of the Service who may be promoted to Regimental Majorities with date of Rank on the same day.

If promoted in succession to two or more Line steps, or one Line and one Regimental step (not occasioned by Augmentations to the Army) to rank together for future promotion according to the order in which their respective Regiments previously stood for the Line step.

If promoted by Regimental steps or by an Augmentation of the Army, to rank together for future promotion according to their Army seniority as Captains.

2. We thus secure to Regiments the full benefit of their standing for the Line step, and as Regimental promotion is to the rank of Major *inclusive*, we at the same time secure to Regiments the last chance which the system gives of gaining or regaining precedence in the race of relative Regimental promotion.

No. 126 of 1842.—The following General Order by the Honorable the President in Council, is published for the information of the Army.

GENERAL ORDERS *by the Honorable the* PRESIDENT *in* COUNCIL.

FORT WILLIAM, 1*st July* 1842.

No. 169 of 1842.—In obedience to the Orders of the Hon'ble the Court of Directors in their Military Letter to the Government of India, No. 6, under date the 4th May 1842, the following Regulations are to have effect in the Medical Department of the Three Presidencies, from the 16th Instant.

The situation of Superintending Surgeon to be considered a Staff Appointment, to which only those fitted for it by a zealous and able discharge of their professional Duties shall be deemed eligible, and the Appointment to future vacancies will be made without reference to the order of succession, whenever it may be the opinion of Government, that such departure from Seniority is required for the maintenance of the Public Interests.

The present system by which all Pensions in the Medical Service superior to those of Surgeon (Captain's full pay after 17 years Service in India) are dependant on promotion to the Staff Appointment of Superintending Surgeon, is abolished, and in its stead, the principle of granting those Pensions according to length of Service established, upon the following scale, viz.

After 20 years Service,	3 years Furlough included,	as at present,	£191 a year
„ 28	„	„	£300 „
„ 32	„	„	£365 „
„ 35	„	„	£500 „
„ 38	„	„	£700 „

The present Regulations by which Superintending Surgeons are entitled as such to Retiring Pensions of £300 and £365 a year, and Members of the Medical Board to Pensions of £500 and £700 a year, according to period of Service in those ranks respectively, will cease to be the rule of the Service for Medical Officers, after the date of the introduction of the new arrangement; but individuals then in the Service, and who may be appointed to the Offices of Superintending Surgeon and Member of the Board within ten years from that date, will be allowed the option of retiring upon Pensions upon the old scale of length of Service in those Ranks, instead of the new scale of length of Service in India.

The designation of 1st, 2d and 3d Members of the Medical Board is abolished, and the following Titles are substituted:

Physician General .....1st Member.
Surgeon General .....2d Member.
Inspector General of Hospitals.....3d Member.

The Members of the Board will accordingly be commissioned with these Titles when appointed to the respective positions above mentioned, and when retiring from the Service will be placed on the Retired List with the Title then held by them.

The Regulation which fixes the rank of Brigadier General as the relative Army Rank of Members of the Medical Board, will equally apply to those Members under the new Titles now established.

All Surgeons of 30 years' Service, to be designated "Senior Surgeons," and their relative Rank with Officers of the Army to be that of Major. This arrangement like all others having reference only to

the rank and designation of Medical Officers, confers no claim whatever to superior allowances, and will make no change whatever in the nature of their employment.

Wound Pension as established by the General Order of the 13th of August 1838, affords both a provision for Men disabled by Wounds, whose period of service does not entitle them to any other pension, and an additional provision for Men similarly disabled, who from length of service are eligible to the benefit of Invalid Retiring Pension.

3. In the former of those cases Wound Pension precludes all claim on account of the injury sustained, to any other pension or provision whatsoever; in the latter, it may be held together with the Ordinary rate of Retiring Invalid Pension, by all Men whose length of service entitles them to that provision, and with the Superior rate of the same Pension, by such Officers and Soldiers as have served 40 years and upwards, and also belong to the Class whose exclusive privilege it is to receive such Superior rate; which privilege, it is to be distinctly understood, is restricted by the Orders of the Hon'ble the Court of Directors to "Fighting Men of the Regular Army"—and to the grades of that Class detailed in the General Order No. 84, dated the 17th of April 1837.

4. The General Order of the 17th April 1837, in so far as it reserved to Officers and Soldiers of the Madras and Bombay Armies, enlisted before the 1st of May of that year, the right of receiving the Pensions theretofore authorized by the Regulations of their respective Presidencies, whenever such Pensions exceeded the Bengal rates, was not affected by the General Order of the 13th of August 1838; but the last mentioned Order must not be construed cumulatively, nor be held to confer on such Officers and Men, of those Armies, so enlisted, any claim to the Pension grantable under its provisions, in addition to the higher Pension before receivable by them in virtue of the right reserved to them by the Regulations of 1837.

FORT ST. GEORGE, 16TH SEPTEMBER 1842.

No. 166 of 1842.—1. The Right Hon'ble the Governor in Council is pleased, under authority from the Hon'ble the Court of Directors, to direct the following modification of existing Orders on the subject of Pay and Allowances of the European Troops, to have effect, inclusive of the Pay to be drawn, on the 1st Proximo.

2. In every instance where the actual cost to Government of the rations, not including fuel, issued to the Troops shall fall short of the authorized stoppage of 3 Annas and 4 Pice, individuals shall be entitled to receive the difference monthly from the Commissariat, agreeably to statements of the average daily cost to be prepared by that Department and published (when a difference does actually exist in favor of the Soldier) in Station Orders.

3. The additional pay of 2*d.* a day for length of service having been originally converted into Rupees in Bengal at a different rate of exchange to that at which good conduct pay is now converted, by which the Soldier, after 14 years service in receipt of "length of service pay," who is entitled to the same amount in sterling money as the Soldier after 14 years service in the receipt of "good conduct pay," receives *less* in Indian money,—a discrepance by no means depriving the former of his just dues, since in the aggregate, he nevertheless receives *more* than he is entitled to by the Royal Warrant—this difference, it is however deemed undesirable, to continue; but instead of assimilating their respective aggregate receipts, by a corresponding reduction of the amount received by Soldiers in receipt of 2*d.* a day good conduct pay, the superior advantage now enjoyed by them shall be extended to the others, and the additional 2*d.* for length of service shall be equalized with that for good conduct, and Pay Tables be altered accordingly.

4. Paragraphs 2 and 3 of G. O. G. No. 130 of 1841, and the paragraph headed "Non-Commissioned Staff" in Section 5th of the Pay and Audit Regulations are cancelled, and henceforth Non-Commissioned Staff attached to Departments, Garrisons, or to Native Corps, are prohibited from drawing rations in kind from the Commissariat, but shall be entitled to draw from the Pay Department, in lieu thereof, compensation at the average rate (3 Annas and 4 Pice per diem) fixed for other grades; the amount to be drawn, when they are not in Hospital, in the same Abstract in which their monthly pay may be drawn.

5. In establishing the foregoing modifications, the Right Honorable the Governor in Council is pleased to publish, for general information, the following paragraphs of a letter from the Honorable the Court of Directors dated 29th June 1842, No. 33.

Para. 2. It was fully intended that, under the arrangement promulgated in General Orders of the 28th July 1840 and of subsequent dates, by which the Bengal Scale of Pay and Allowances was introduced at your Presidency, every Non-Commissioned Officer and Soldier of Her Majesty's Service stationed in India should receive as much as, and in most cases more than, he would be entitled to receive according to Her Majesty's Warrants, if serving abroad in Crown Colonies or Settlements, as for instance in Ceylon.

Para. 3. The data of computation were—

1st. That the Pay shall not be less in amount than if issued at a rate equivalent to the intrinsic par value of the Company's Rupee, that is, that the Soldier should receive as much fine silver in Company's Rupees as he would be entitled to receive if paid in British currency, viz. at the rate of 2*s.* ½*d.* the Rupee, as shewn in the margin.*

* The British Shilling contains 80$\frac{7}{10}$ grs. of fine silver. The Company's Rupee contains more than double the quantity, viz. 165 grs. being equal to 2*s.* ½*d.*

2d. That the Soldier should be stopped 5*d.* per diem for rations of bread, meat, salt, tea and sugar, according to the published scale, and that if those rations should cost the public less than 5*d.* per diem, the difference should be repaid to him.

Para. 4. The Orders issued by us in March 1840 were designed to accomplish these objects. And, for the sake of illustration, we will here show the result as affecting the Privates of Infantry,—premising that according to Her Majesty's Warrants, Soldiers serving abroad are not entitled to "Beer money," which is paid only to Troops serving at home.

	According to H. M.'s Warrants deducting 5*d.* per diem for Rations 31 days.	According to the Bengal Scale.	
		If at a Full Batta Station 31 days	If at a Half Batta Station 31 days

Private of Infantry of 14 years Service	11 6 2	14 1 3	12 7 5
Do. under do.	8 13 8	12 0 2	10 6 4

Para. 5. Thus the Privates of Infantry gain additional Pay varying from 1 R. 1 A. 3 P. to 3 Rs. 2 As. 6 P. per mensem. In all other ranks of Infantry and in all ranks of Cavalry, it will be found, on making a similar comparison, that no one sustains loss and that most are gainers.

"Your Lordship's letter of the 9th of March leaves it discretionary with me to retain the Rifle Company 36th M. N. I., which I shall gladly avail myself of, under the conviction that I could not inflict a deeper wound on the feelings of both Officers and Sepoys of that excellent Company, than by sending them back to Madras."

2. The Governor General has had much gratification in observing this proof of the soldierlike spirit of the Rifle Company of the 36th M. N. I. and the manner in which it is appreciated by the gallant General in Command of the Expedition to China.

tulates the Right Honorable the Governor in Council on the distinguished conduct of these Corps maintaining the character already acquired by Corps belonging to their Army in China.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Secunderabad, on Monday the twenty-fifth day of July, in the year of our Lord one thousand eight hundred and forty-two, and continued by adjournment, by order of Major General Michael Riddell, Commanding the Hyderabad Subsidiary Force, by virtue of a warrant of authority vested in him by Major General Sir Robert Henry Dick, K. C. B. and K. C. H. Commander of the Forces, are published to the Army.

Ensign Francis Stratton of the Tenth Regiment of Native Infantry, placed in arrest by my order, upon the following Charge.

Charge.—For conduct unbecoming the character of an Officer and a Gentleman, in the following Instances:

First Instance.—In having at Secunderabad, on the twenty-third of April one thousand eight hundred and forty-two, obtained from Bunsidar Native Banker, a loan of one thousand Company's Rupees, on condition that he, Ensign Stratton, should forward to Captain Henry James Nicholls, Sub Assistant Commissary General at Vellore, for the payment of a debt due by him, Ensign Stratton, to Moolla Abass a Native Horse Dealer, a Hoondee or Native Order, for four hundred Company's Rupees granted by the said Bunsidar, to him Ensign Stratton, for the settlement of the said debt, which condition he, Ensign Stratton, failed to perform, by otherwise disposing of the said Hoondee.

Second Instance.—In having at the same place, on the fifth of May in the same year, transferred the aforesaid Hoondee for four hundred Company's Rupees, to Nerswanjee and Company, Parsee Merchants at the same place, in part payment of a debt, contracted by him Ensign Stratton, subsequently to his receipt of the aforesaid Hoondee, knowing at the time of transferring the Hoondee as aforesaid, that unless it was signed by the aforesaid Captain Nicholls it would not be payable, of which circumstance he purposely refrained from giving the said Nerswanjee and Company any intimation.

The above being in breach of the Articles of War.

Secunderabad, the fourth of August, one thousand eight hundred and forty-two.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner, Ensign Francis Stratton, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the First Instance of Charge.—That the Prisoner is guilty of this Instance of Charge.

Revised Finding on the Second Instance of Charge.—That the Prisoner is guilty of this Instance of Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Ensign Francis Stratton of the Tenth Regiment of Native Infantry, to be dismissed from the Service.

(Signed) W. N. BURNS, Lt. Col.
7th Regiment N. I.

Recommendation by Court.—The Court having performed a painful duty in sentencing the Prisoner to dismissal from the Service, beg most respectfully and earnestly to recommend him on account of his youth and inexperience, to the merciful consideration of the Commander of the Forces.

(Signed) G. W. OSBORNE, Capt.,
Dy. Judge Adve. Genl.
conducting Proceedings.

(Signed) W. N. BURNS, Lt. Col.
7th Regiment N. I.
President.

(Confirmed.)

Although Ensign Stratton has other Charges of a most serious nature pending against him, I accede to the recommendation of the Court in his favor and remit the penalty awarded; being willing to believe, as there does not appear to have been any intention on his part to defraud the Native Banker, that his youth and inexperience alone have in this instance blinded his judgment to a sense of the error he was committing in not scrupulously adhering to the terms of the agreement under which he effected the loan. It is to be hoped that he will in future bear in mind that the interests of society require that the performance of a promise, to whomsoever made, should be regarded as a moral obligation which can never with honor be avoided.

With regard to the proof in support of the Second Instance of Charge, the Court has irregularly admitted a Parsee to give evidence on simple affirmation instead of upon oath; a circumstance which would call upon me to withhold my confirmation from these Proceedings, were it not that the main facts stated in his evidence are admitted by Ensign Stratton himself.

I am sorry the Court could not conscientiously coincide in opinion with me that circumstances elicited in evidence engendered a doubt if Ensign Stratton was aware that the Native Order transferred by him was not payable unless a certain signature was affixed to it, I must confess that my doubts upon this point still exist; and these have had their influence with me, in a certain degree, in the disposal of these Proceedings.

GENERAL ORDERS

By His Excellency Lieutenant General the Most Honorable the Marquis of Tweeddale, K. T. and C. B. Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN, 26*th September* 1842.

I have been called upon by the Honorable East India Company to Command the Army in the Madras Presidency; I have obeyed that summons because I feel it a high honor to Command an Army so eminently distinguished in the Military history of Great Britain. I know you to have proved yourselves Soldiers in time passed, both in war and peace. I have followed the example you have set me of serving the Honorable East India Company wherever my services are required. I shall have a pride in being your Comrade and Commander, and of partaking with you the hardships and privations of war: but also of showing to your Countrymen by your good conduct in quarters that you love peace. The true character of a Soldier is to prepare himself for war during peace, by a strict obedience to the discipline and regulations of the Army; they are framed to insure your future reputation as well as for your present comfort. I shall take an early opportunity of inspecting those Corps that are within my reach when I hope to find steadiness under arms, regularity of movements, cleanliness in barracks and implicit obedience to the Commands of your Officers, for which qualities as an Army, you have been so long distinguished. From the Officers of the Army, I shall expect to find, that the Regulations of the Service are firmly and strictly enforced, accompanied with a paternal kindness to those who may be placed under their Command.

Adjutant General of the Army.

(Signed) S. W. STEEL, Lieut. Col.,
Secretary to Government.

FORT ST. GEORGE, 11TH OCTOBER 1842.

No. 189 of 1842.—The Most Honorable the Governor in Council is pleased to direct that the following paragraphs of a Military Letter from the Honorable the Court of Directors 27th July 1842, No. 39, be published in General Orders.

Letter dated 13th March 1839, Paras. 1 & 2.
Government forward a Memorial from Major Donald Macleod 4th Light Cavalry, relating to the serious imputation cast upon him by the Commander in Chief and Court of Directors in the years 1833-34 for signing erroneous Returns of the Regimental Saddlery; and recommend that he shall be relieved from the stigma of dishonesty implied in that censure.

58. These proceedings have now received our attentive consideration and we proceed to announce to you the result.

59. It appears that the circumstances of Major (now Lieutenant Colonel) Macleod's case were not fully placed before the Commander in Chief (Lieutenant General Sir R. O'Callaghan) when he expressed his sentiments on that Officer's conduct. His Excellency should then have been apprized that however culpable Major Macleod's conduct had been in signing returns without examining into their accuracy, still he was not liable to the imputation of having made false or incorrect returns for an "interested" purpose, seeing that these Returns were not prepared or called for as vouchers for any Money payment. His Excellency would then have had no ground for those remarks affecting Major Macleod's integrity which appear in his General Order of the 16th September 1833 and which gave rise to the strong censure expressed by us and published in Orders on the 10th April 1835.

60. Upon ascertaining the real merits of the case your Government in the year 1839 requested us to "relieve Major Macleod by a public announcement, from the stigma of dishonesty implied in the censure "passed upon him in G. O. C. C. of the 16th September 1833."

61. Having attentively reviewed the whole of the Proceedings in connexion with the additional information now laid before us, and with the explanations given in the Minutes of Mr. Sullivan dated 27th December 1838, and the Commander in Chief dated the 19th January last, we are satisfied of the accuracy of the following statement made by your Government in the Minute of the 26th February 1839, viz.

"That the Returns submitted to the Military Board although strictly speaking "False Returns" "in as much as they did not show and necessarily could not show what they purposed to do,—the actual "state of the Saddlery of the 4th Light Cavalry, were not the Returns upon which the Saddle Contract "Funds were drawn or adjusted, they could in no way influence the pecuniary concerns of Captain "Macleod, and were not signed by him with a fraudulent intent. Therefore although the Court Martial "found correctly and justly, that Captain Macleod was guilty of making a false Return, the censure "passed upon him in General Orders, calculated to impress upon the mind the presumption of fraudulent "intention by which Captain Macleod would benefit as an interested party in signing that false Return, "was promulgated under a misconception of the case."

62. We are further of opinion that the censure upon Captain Anderson (the Staff Officer of the

4th Light Cavalry who also signed the same Returns) as pronounced by the Commander in Chief in his G. O. of 16th September 1833 and repeated in our letter of 19th November 1834, is so far inaccurate as it imputed unworthy motives to that Officer, and should therefore be recalled.

Secretary to Government.

21*st October* 1842.

His Excellency the Most Honorable the Commander in Chief observes with much regret, that there are at present no less than twenty-one Regiments in which it is necessary to appoint Captains or Officers from other Corps to act as Quarter Masters and Interpreters, in consequence of Subalterns not being duly qualified for the duty.

His Lordship trusts that the simple statement of this fact in General Orders will stimulate the zeal and *esprit de Corps* which he has reason to know exists in the Army; he desires however, that it may be distinctly understood, that he will look for a competent knowledge of the Native language as an indispensable requisite for Staff employment and that those Officers will be considered most eligible, who, in addition to their Military qualifications, have passed examination as Interpreters.

The orders of the Honorable Court of Directors and of the highest local authority are perfectly clear upon this subject, and His Excellency the Commander in Chief, while he expresses his determination strictly to carry these orders into effect, feels assured that every Officer under his Command will recognise the necessity of being able to communicate freely with those who must be disciplined in garrison for that conduct for which the Soldiers of the Madras Army have recently and at all times been conspicuous in the field.

Under the authority of Government, Assistant Apothecary W. Barnes of the Superintending Surgeon's Department Mysore Division, is placed under the orders of the Commissioner in Mysore, vice Apothecary H. Eason relieved.

That part of the G. O. C. C. of the 1st Instant which directs the removal and posting of 2d Dressers Abdool Roymoun and Pillay Mootoo Hyasawmy, is cancelled; and the following ordered.

2d Dresser Rungiah Naick from the 9th Regiment N. I. to the Zillah of Canara.

2d Dresser Pillay Mootoo Hyasawmy, late promotion, to the 9th Regiment N. I.

The name of Oliver Haville Jones is struck off the List of unpaid Candidates for the Medical Service at his own request.

Second Dresser Letchmiah is removed from the Sub Collector's Establishment at Ganjam to the Farm Establishment at Oodmulcottah.

22d October 1842.

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *2d November* 1842.

The following Extracts from the confirmed Proceedings of a Native General Court Martial, holden at Vellore, on Tuesday the twenty-fifth day of October, in the year of our Lord one thousand eight hundred and forty-two, by virtue of a warrant from His Excellency Lieutenant General the Most Honorable George Marquess of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Vencatasawmy, regimental number seven hundred and sixteen, Private in the B. Company of the Thirtieth Regiment of Native Infantry, placed in confinement by my order, on the following Charges.

First Charge.—For having at Chittoor, on the tenth day of September, one thousand eight hundred and forty-two, refused to go to his Barracks and clean his arms when ordered by me to do so; thereby disobeying the lawful command of his superior Officer.

Second Charge.—For conduct to the prejudice of good order and military discipline, in having at the same time and place, in a most insubordinate and disrespectful manner, said that he would do no further duty of any kind and that he would have his discharge.

Third Charge.—For having at the same time and place, upon my ordering Havildar Sheik Muctoom, regimental number one hundred and eighty-one, Orderly Havildar of the same Company, to place him in confinement, attempted to charge him, the said Havildar Sheik Muctoom, with his musket and bayonet; thereby offering violence to his superior Officer when in the execution of his office.

The above being in breach of the Articles of War.

Lieutenant Richard Western of the Forty-fourth Regiment of Native Infantry, placed in arrest by Major Robert Wallace, Commanding the same Regiment, upon the following Charge.

Charge.—For conduct unbecoming the character of an Officer and a Gentleman, to the prejudice of good order and military discipline, in having at Moulmein, in the Mess Room of the Officers of the Forty-fourth Regiment of Native Infantry, on the evening of the twenty-fifth of April one thousand eight hundred and forty-two, made use of highly disgraceful, insulting and disrespectful language to Lieutenant Richard Pakenham Podmore of the Forty-fourth Regiment of Native Infantry, his superior Officer, then and there senior Officer at the Mess Table, and President of the Mess.

First Additional Charge.—For conduct to the prejudice of good order and military discipline, in having

at Moulmein, on the twenty-fifth of May one thousand eight hundred and forty-two, when under arrest for having made use of highly disgraceful, insulting and disrespectful language to Lieutenant Richard Pakenham Podmore of the Forty-fourth Regiment of Native Infantry, as imputed in the foregoing Charge, addressed a highly disrespectful and insulting letter without date to the said Lieutenant Podmore his superior Officer, without any just provocation.

Second Additional Charge.—For conduct unbecoming the character of an Officer and a Gentleman, to the prejudice of good order and military discipline, in having at Moulmein, on the twenty-second of July one thousand eight hundred and forty-two, when under arrest, addressed the following insulting and threatening note, without date, to Lieutenant and Brevet Captain and Adjutant Doveton Hodson of the Forty-fourth Regiment of Native Infantry, namely,

"My dear Sir,"

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Lieutenant Western, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge, with exception of the words "and a Gentleman" and "highly disgraceful."

Finding on the First Additional Charge.—That the Prisoner is guilty of the First Additional Charge, with exception of the words "highly" and "without any just provocation."

Finding on the Second Additional Charge.—That the Prisoner is guilty of the Second Additional Charge.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Lieutenant Richard Western of the Forty-fourth Regiment of Native Infantry, to be severely reprimanded in such manner as the Major General Commander of the Forces may think fit to direct.

(Signed) THOS. McCLELLAN, Capt.
Ag. Dy. Judge Adve. General.

(Signed) FREDK. MACBEAN, Lieut. Col.
H. M.'s 84th Regiment,—President.

(Confirmed.)

I have confirmed this Sentence in consequence of the inconvenience and delay which must necessarily attend a revision, and being unwilling to extend the period of Leutenant Western's arrest, which has already continued for the last six months; but the punishment awarded very insufficiently marks the sense I entertain of the misconduct of this Officer.

I do not consider that a reprimand, which is a punishment only proper for offences of the most trivial description, and is only efficacious according to the degree of refinement of feeling possessed by the object of censure, is at all suitable in the present instance, either with reference to the nature of the offences, or to the individual who has been convicted of them.

It is much to be lamented that an Officer should be found so deficient in self respect, as, in any situation, to conceive and give utterance to language such as that made use of by Lieutenant Western to Lieutenant Podmore; but his breach of propriety and decorum in this respect, has been greatly aggravated by the use of such language at a public mess, where the society with which he associated had a right to expect, and the interests of the service demanded, the utmost circumspection of conduct; and without which comfort, harmony, and a high tone of feeling in a Regiment cannot be preserved.

I can have little confidence in the efficacy of admonition to an Officer, who has shown so little sense of his situation, as, when under arrest, to have been twice guilty of addressing unwarrantable and insulting language to Officers of his Regiment: in one instance at least without provocation or excuse. But Lieutenant Western will observe that the Court in this instance has been unable to relieve him from the imputation of having acted in a manner unbecoming an Officer and a Gentleman, a conviction of which, in strictness, called for dismissal from the service, and will judge of the peril he has incurred from this circumstance, which alone, it is to be hoped will afford him matter for deep reflection, and lead to an entire change of conduct.

In conclusion I have again to express my opinion of the utter inadequacy of the Sentence, and my surprise that the Court should have awarded such for the offences of which it has found Lieutenant Western guilty.

MADRAS,
4th November 1842.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

Lieutenant Western to be released from arrest and will return to his duty.

The Court beg most respectfully to adhere to its former finding on the First Charge, in consequence of Lance Corporal Hill having shewn a deep scar which he stated to be the remains of the blow received, but of which no evidence could be adduced.

FORT ST. GEORGE, 8TH NOVEMBER 1842.

No. 205 of 1842.—The following General Orders by the Right Hon'ble the Governor General of India, are published for the information of the Army.

GENERAL ORDERS *by the* RIGHT HON'BLE *the* GOVERNOR GENERAL *of* INDIA.

Secret Department, Simla, the 14th October 1842.

The Governor General has sincere satisfaction in announcing the termination of the War with China, by a Peace honorable to Her Majesty's Crown and durable in its Provisions, which was concluded in the British Camp under the walls of the Imperial City of Nankin on the 29th of August.

Thus within two months after the arrival of the reinforcements sent from England and from India for the prosecution of this third Campaign, the direction of a preponderating Force to the true point of attack, has compelled the Emperor of China to submit to all Her Majesty's just demands.

The Emperor could only save the internal Trade of his Empire from ruin, his ancient Capital from Capture by assault, and his Empire itself from the peril of dissolution, by yielding to such conditions as it was Her Majesty's pleasure to impose, in order to afford to the subjects of Her Crown indemnity for the past and security for the future.

This event, glorious as it is to Her Majesty's Arms, will convey to Her Majesty's Heart other and yet higher satisfaction than that which is derived from the contemplation of Military success, in the cessation of hostilities which have unhappily involved the most afflicting evils to humanity.

The Governor General cannot presume to offer to the Commanders of Her Majesty's Naval and Military Forces employed on the Coast of China, in the execution of Her Majesty's orders, the expression of the feelings with which their zeal, their energy, and their ability, have inspired him; nor is it for him to presume to anticipate the approbation which the brave Seamen and Marines and Soldiers under their Command may receive from the high authority under which they have the honor to serve. The Governor General can only offer to the Commanders of Her Majesty's Forces his grateful acknowledgments of the regard they have ever evinced during these joint operations for the Army and Fleet of India, and his thanks for the opportunity they have on all occasions afforded to the Native Troops, of proving themselves to be worthy of fighting by the side of British Soldiers. The short duration of the operations of the Troops on shore, has not afforded to every Corps of the Native Army of India, the opportunity which all ardently desired of distinguishing themselves before the enemy, but wherever that opportunity has been afforded, the several Corps of the Army of India have added to their acknowledged fame.

Three Companies of the Battalion of Bengal Volunteers had the good fortune to be the first engaged with the enemy before the City of Chin Keang, and they well sustained the high reputation of the Army they represented.

The 2d and 6th Regiments, and the Rifle Company of the 36th Regiment of Madras Native Infantry, were engaged in the Capture by assault of that City, on the 21st of July.

On that occasion, as on all others, the Madras Artillery and the Madras Sappers and Miners maintained the high character which has always been attached to their respective Corps in the Madras Army.

The Governor General is pleased to direct, that in commemoration of the distinguished services rendered by those Corps in co-operation with Her Majesty's Troops in the capture of the City of Chin-Keang, the 2d and 6th Regiments of Madras N. I., and the Rifle Company of the 36th Regiment M. N. I., shall hereafter bear upon their appointments a Dragon wearing an Imperial Crown; and that the same honor shall be granted to such Troops or Companies of the Madras Artillery and of the Madras Sappers and Miners, as His Excellency Lieutenant General Sir Hugh Gough may designate as justly entitled to that distinction by their services before the enemy in China, in the present or in the previous Campaigns.

The Governor General is likewise pleased to direct that the 2d and 6th Regiments of Madras N. I. shall hereafter bear upon their Colours a Golden Dragon wearing an Imperial Crown.

The Governor General requests, that His Excellency Lieutenant General Sir Hugh Gough will have the goodness to transmit to him a nominal list of such Officers, Non-Commissioned Officers and Privates, of the several Corps of the Army of India serving under His Excellency's Command, in the present or in the previous Campaigns, as he may deem to be justly entitled by their services before the enemy to the honor of wearing a Medal commemorative of such services; and to every Officer, Non-Commissioned Officer and Private named in such list, the Government of India will present a Silver Medal, bearing on one side the head of Her Majesty, with the superscription "Pax Asiæ Victoriâ restituta," and the figures "1842" underneath, and on the reverse a Dragon wearing an Imperial Crown.

The Governor General equally desirous of distinguishing the eminent services of the Officers and Seamen and others serving in the Steam Vessels of War belonging to the Government of India, by the marks of honor they have so well deserved, requests that His Excellency Vice Admiral Sir William Parker will have the goodness to transmit to him a nominal list of the several Officers and Seamen and others serving in such Steamers under his command, whom he may deem to be justly entitled to the honor of wearing a Medal commemorative of their services; and to all persons named in such list, the Government of India will present a Silver Medal similar to that presented to the Troops.

The Governor General directs, that the Victories obtained by the Combined Forces in China may be made known to all the Troops at all the Stations of the Army; and that at all such Stations a Salute shall be fired of 21 Guns for those Victories, and a similar Salute of 21 Guns for the Peace which has been signed by the Plenipotentiaries of the Emperor of China.

By order of the Right Honorable the Governor General of India.

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 9*th November* 1842.

The Governor and Commander in Chief of the Madras Army has ordered a Salute to be fired with feelings of mixed satisfaction.

1st.—In commemoration of the highly favourable Peace that has been ratified between the British Government and the Emperor of China.

2d.—From the prominent part the Corps of Artillery, Sappers and Miners, Sepoys and Gun Lascars belonging to the Madras Army have taken in bringing the war to so satisfactory a conclusion by their steadiness and gallantry; you have added fresh laurels to the tree you planted at Assaye, &c.; you already on all occasions set an example to your brothers in arms, by the devotion you paid to the wishes of the Honorable the East India Company to volunteer your services whenever the Governor General of India has required them.

His Excellency has shown you by his General Order 8th November 1842, that since your Comrades have left their Native shore he has watched them narrowly, that he acknowledges their services, and that he is anxious to hand down to posterity the Military reputation they have gained by the powerful arms he wields with so much dignity, in commemorating their Soldier-like conduct in the field as well as in the camp, and he does not forget to point out in the strongest terms the consequences your gallantry will confer on the future happiness of so many of your fellow creatures. Your representatives in the field are worthy of the body to which they belong; receive them on their return with open arms; welcome them to their families; and let us as an Army continue to show, whenever an occasion may offer, our gratitude to the interest that is paid to our comforts, by the Honorable Company under whose banners we have served with honor to ourselves, as well as for the amelioration of the inhabitants in so many parts of the Eastern World.

The following Extracts from the confirmed Proceedings of an European General Court Martial holden at Secunderabad, on Wednesday the sixteenth day of November, in the year of our Lord one thousand eight hundred and forty-two, and continued by adjournment, by order of Major General Michael Riddell, Commanding the Hyderabad Subsidiary Force, by virtue of a warrant of authority vested in him by His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Lieutenant Francis Stratton of the Tenth Regiment of Native Infantry, placed in arrest by my order, on the following Charges.

First Charge.—For conduct unbecoming the character of an Officer and a Gentleman in the following Instances:

First Instance.—In having at Vellore, on the twenty-fourth of November one thousand eight hundred and forty-one, granted in payment for a Horse bought by him, Lieutenant Stratton, from Moolla Abass, Horse dealer, a Promissory Note, in favor of the said Moolla Abass for the sum of seven hundred Company's rupees, promising to pay the said sum by the first of May one thousand eight hundred and forty-two, the conditions of which promise, he, Lieutenant Stratton, failed to perform.

Second Instance.—In having at Secunderabad, on the first of June one thousand eight hundred and forty two, in an official letter of the same date addressed to the Adjutant of the Tenth Regiment of Native Infantry, in reply to a letter from that Officer written by my order on the preceding day, calling upon him, Lieutenant Stratton, to explain the nature of the arrangement made by him for liquidating the amount of the claim made against him for seven hundred rupees by the aforesaid Moolla Abass, Horse dealer, stated that the nature of the arrangements he had taken for liquidating the amount due to Abdool Abass, Horse dealer, (meaning the said Moolla Abass), was such that he should be duly paid in the course of ten days, nevertheless he, Lieutenant Stratton, up to the twenty-sixth of July of the same year had not liquidated the amount due by him to the said Moolla Abass, or any part thereof, nor offered any explanation to me of his reasons for not having done so.

Second Charge.—For conduct to the prejudice of good order and military discipline, in having at Secunderabad, on the twenty-first of July one thousand eight hundred and forty-two, neglected to acknowledge receipt of an official letter, bearing the same date, on the subject of the aforesaid claim of seven hundred Rupees against him, Lieutenant Stratton, written by my order, by Captain William Osborne Pellowe, Acting Adjutant of the Tenth Regiment of Native Infantry, although specially directed in the said letter so to do.

The above being in breach of the Articles of War.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Lieutenant Francis Stratton, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the Second Instance of the First Charge.—That the Prisoner is guilty of this Instance of the Charge.

Finding on the Second Charge.—That the Prisoner is guilty of the Second Charge.

(Signed) C. W. NEPEAN, Major,

Approved and confirmed.

As it appears by the General Orders of the 24th of September last, that Mr. Stratton has previously been sentenced to dismissal from the service for conduct similar to that of which he has now been convicted, and that he then experienced the clemency of the Commander of the Forces, I feel myself precluded from attending to the recommendation of the Court in his favor.

Mr. Francis Stratton is to be struck off the strength of the Army from the date of the publication of this Order at Secunderabad, which is to be reported to the Adjutant General of the Army.

Under the circumstances which appear in evidence of the Prisoner having been placed in the Main Guard for the present offence, and subsequently released and permitted to return to his duty, I consider that he was improperly brought to trial for an offence which had been previously disposed of, and consequently withhold my approval from these Proceedings; and I have to express my surprise that the Officer Commanding the 30th Regiment N.
