General Orders by the Most Honorable the Governor in Council.

FORT ST. GEORGE, 3D JANUARY 1843.

No. 1 of 1843.—Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th of June 1815, be re-published in General Orders.

Para. 139. "In consequence of the numerous applications which have been preferred to us by our Servants, on leave of absence in this Country, for advances of money on loans, we think it proper to recal your attention to our Orders in the Military Department of the 26th February 1808 upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at home beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members, should be occasionally re-published, and being fully persuaded, that a strict observance of this Resolution will prevent much trouble and inconvenience besides loss to the Company, we direct that our Orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon furlough, of our determination upon the subject in question."

General Orders by the Most Honorable the Governor in Council.

FORT ST. GEORGE, 13TH JANUARY 1843.

No. 7 of 1843.—In 1802, a monthly Pension of Pagodas 52½ per mensem, was granted by Government to Seid Bahader, for the support of the Tomb of his deceased brother, the celebrated Commandant Seid Ibrahim, and on the decease of Seid Bahader, the same Pension was continued to Seid Ibrahim's nephew, Seid Guffoor.

Seid Guffoor died in 1814, and after a minute and lengthened enquiry had been instituted, for the purpose of ascertaining the person entitled to succeed to the Pension, Seid Mahomed, nephew of Seid Ibrahim, was declared by Government* in 1825, to be that person; and as such, the Pension was granted to him from the 1st May 1825, while the arrears of the Pension which had accumulated since the death of Seid Guffoor in 1814 were ordered to be applied to the repair of Seid Ibrahim's Tomb, and the erection of a convenient building for Travellers, &c.

* G. O. G. 29th July 1825, No. 156.

It has now been reported to Government that Seid Mahomed died on the 17th November 1842,—and the Most Honorable the Governor in Council directs that the Pension which has heretofore been drawn in his name, be continued, for the same purpose, from the date of his decease, to his nearest heir and only surviving brother, Syed Hussen, who will be placed in charge of the Tomb at Chinnapatam erected by order of Government to the memory of the Commandant Seid Ibrahim.

The fixed allowance of three Pagodas each per mensem will continue to be paid, without interruption, for two Fakeers, and also the allowance for two lamps at the Tomb.

His Excellency the Most Honorable the Commander in Chief will be pleased to cause this General Order to be explained to the Native Officers, Non-Commissioned Officers and Sepoys of the Army.

The person in charge of the Marine Police Boat will, under the orders of the Master Attendant, on visiting Ships arriving from England, be required to obtain from the Commander, or Chief Officer, a correct Nominal Roll of the Cadets on board, which he will deliver to the Master Attendant's Department for immediate transmission to the Adjutant General of the Army, and no Cadets are to be allowed to land until the Serjeant is sent to receive them and their baggage.

4. The person in charge of the Marine Police Boat, will be supplied by the Adjutant General, through the Master Attendant, with printed forms, and he will deliver one to each Cadet on board. Printed instructions will be addressed to the Cadet in the form to enter therein his name, and the number and description of his trunks, and to deliver the document, thus filled up, to the Serjeant who will be sent on board to receive him before he leaves the Ship. The Serjeant will deliver the documents to the Adjutant General.

5. A secure room will be appropriated in the building of the Sea Custom House for the reception of the Cadets' baggage, which will be landed in front of the Master Attendant's Office under care of Police Peons specially sent to take care of it, and as far as it may be practicable, in the same Boat with the Cadets, in charge of the Serjeant.

6. The Serjeant will not be held responsible for loose parcels.

7. The Adjutant General may grant to Cadets, immediately after reporting themselves at his Office, permission to reside with their friends at the Presidency. He will adopt the necessary measures for the conveyance of the remaining Cadets to Palaveram, immediately on landing—and their arrival at that Station will be reported to the Brigadier Commanding.

8. If applications are not made for Cadets to remain with their friends at Madras, before the young gentlemen land, they will be held liable for the expense of the carriage hired for their conveyance to Palaveram.

9. The Cadets' baggage will be forwarded, together with the lists of baggage, to Palaveram the day following that upon which they land.

10. Each Cadet after receiving his baggage, will affix his signature to the list thereof and return it to the Cantonment Adjutant.

11. The Cadets will be required to pay for the carriages employed to convey them to Palaveram, and each individual for his share of the baggage cart; or the amount will be deducted from the first issue of pay. The Adjutant General will make arrangements for the conveyance of the baggage at the ordinary rate of such conveyance, and will cause the amount of the hire of the cart, or carts, to be specified in the list of baggage before the Cadet's signature is affixed to it.

12. The Cadet Serjeant will be placed under the orders of the Adjutant General of the Army.

13. Young Officers while staying at the Cadets' quarters will do duty with the Regiments stationed at Palaveram, as they may be appointed by the Commander in Chief.

14. His Excellency the Commander in Chief is requested to issue such orders as he may consider necessary to carry the above regulations into effect and provide for the management of the Establishment at Palaveram.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 10*th March* 1843.

1. The Most Noble the Commander in Chief has much gratification in publishing to the Army, a Despatch received from Lieutenant General Sir Hugh Gough, Bart., G. C. B. commending in the handsomest manner the services of the body of Troops detached from the Madras Army, and forming a part of the Expeditionary Force under the Lieutenant General's Command on Service in China.

2. It gives the Commander in Chief of the Madras Army the greatest satisfaction, to have this opportunity of adding to its records, the marked approbation of the gallantry, good conduct and patience of its Officers and Soldiers in dangers and difficulties, as now pronounced by the high authority of the Lieutenant General.

3. Devotedness to the Service, and attachment to their Officers have always marked the character of the Madras Sepoys. Their perseverance and gallantry before the enemy have secured for them the confidence of the British European Soldiers who fight side by side with them in assaulting a breach or who support them under fire when exposed to the attacks of the enemy.

4. It is the mutual confidence that exists between the British Soldier and the Native Sepoy that makes them so formidable in the field of battle.

5. Under the guidance of Divine Providence the War with China has been brought to a favorable termination for the interests of Great Britain, and the Troops under the able Command of Lieutenant General Sir Hugh Gough have to boast of the fresh laurels they have added to an Army, already covered with honor and distinction.

No. 3081. *Singapore, 1st January* 1843.

My Lord Marquis,

I have the honor to forward for your Lordship's information, a Return of the Madras Troops, late serving on the China Expedition, and now about to return to their Presidency. Captain Back's Company of Artillery and the 2d Regiment Native Infantry remain, pending the order of the Government of India, at Chusan,—the 41st Regiment has a Wing at Kolangsu and a Wing at Hong Kong, and the F. Company of Sappers and Miners is divided between the three Stations.

2. I have directed Lt. Colonel Dyce to assume, as Senior Officer, the charge of Madras Troops under the orders of Major General Lord Saltoun who Commands in China, and Lieut. McViccar of the 41st Regiment, will act, subject to confirmation as Staff Officer, according to the arrangement made at the outset of the Expedition by the Madras Government. Sub Assist. Commissary General Lieut. Elphinstone, remains in charge of the Commissariat Department at Chusan and of the Madras Commissariat in China.

3. I cannot part with the Madras Troops, without expressing to your Lordship in Council the entire satisfaction which I have derived from their conduct on all occasions in the field and in quarters. The 2d Regt. N. I. was with me at Woosung and Shanghae, and the 2d, 6th, 14th and flank Companies 41st at Chinkeangfoo, where it was the good fortune of the two former Corps and the 41st Companies to be conspicuously engaged.

4. The Rifle Company 36th M. N. I. was with me throughout the greater part of the War, and did excellent service at Chusan, Chinhae, Tseekee, Chapoo and Chinkeangfoo particularly. Captain Simpson was obliged to leave the force at Nankin, after the Peace, in consequence of the very serious wound that he received at Chinkeangfoo, when leading his Company at the assault.

5. The 14th, flank companies of the 2d and 6th, 41st and Rifle Company 36th were before Nankin, when the Treaty of Peace was signed.

6. The Artillery and Sappers and Miners deserve more particular mention, as they joined me in the Canton river in March 1841 and have borne a gallant part on every occasion where the enemy was in the field, throughout the whole war. In mentioning to the Governor General of India the respective Commanding Officers, I have specially noticed Lt. Colonel Montgomerie and Captain Pears, from whom in their capacities of Brigadier of Artillery and Commanding Engineer, I uniformly derived the most zealous and efficient assistance.

7. I much regret that the 39th Regiment and head quarters 41st Regiment having been unavoidably left, the one at Hongkong and the other at Chusan, for the protection of those stations, did not share in the field service of the other Corps. But I am persuaded that they would have done the same gallant service as their comrades, if opportunity had offered, and they were of essential service at their respective posts.

8. I beg to observe in conclusion, that beside the names of my Native A. D. C. Subadar Major Comarasawmy, Sirdar Bahadoor, of the Sappers and Miners, and Shaik Nuttah of the Rifle Company of the 36th M. N. I. as before reported, I have brought to the notice of the Governor General that of Subadar Bahadoor Mackdoomjee of the Gun Lascars B. Company 2d Battalion Artillery.

I have, &c.

Upon which Charges the Court came to the following decision:

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Private John Tobin, has urged in his defence, is of opinion:"

Finding on the First Charge.—"That the Prisoner is guilty of the First Charge."
Finding on the Second Charge.—"That the Prisoner is guilty of the Second Charge."
Sentence.—"The Court having found the Prisoner guilty as above stated, doth sentence him, the said John Tobin, regimental number one thousand four hundred and seventy-five, Private in the Grenadier or Captain David Russell's Company of Her Majesty's Eighty-fourth Regiment of Infantry, to suffer imprisonment for (3) three lunar months, the last of which to be solitary confinement, in such place as the Officer Commanding Her Majesty's Eighty-fourth Regiment shall appoint."

(Signed) R. WILLINGTON, Lieut. Col.
Moulmein, 9th December 1842. 84th Regiment,—President.

Confirmed.

Were it not that inconvenience would have attended the retransmission of the Proceedings of this Court Martial to the Court, I should have considered myself bound to have returned them for reconsideration, as a punishment so inadequate to the crimes of which the Prisoner has been convicted must, in my opinion, in its effects rather tend to the encouragement than the suppression of offences of this description.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 15*th March* 1843.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Bangalore, on Friday the thirteenth day of January, in the year of our Lord one thousand eight hundred and forty-three, and continued by adjournment, by virtue of a warrant from His Excellency Lieutenant General the Most Noble the Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Hugh Killen, regimental number nine hundred and eighty-nine, Private in the A. or Captain John Shepherd's Company of the Second European Light Infantry, placed in confinement by my order, on the following Charge.

Charge.—For conduct to the prejudice of good order and military discipline, in the following instances:

First Instance.—In having at Bangalore, on the seventh day of January, one thousand eight hundred and forty-three, when told by Hospital Serjeant James Harriman, Second European Light Infantry, that if he did not make less noise, he (Serjeant Harriman) would confine him in the Dead Room, replied in a highly insubordinate manner, "you may do that and go to hell afterwards," or words to that effect.

Second Instance.—In having at the same time and place named in the first instance of the Charge, threatened the life of the said Serjeant Harriman when in the execution of his duty as Hospital Serjeant, by saying "I will die the death of a dog for you yet," "I will waste a ball over you," or words to that effect.

Third Instance.—In having at the same place, on the ninth day of the same month, when quitting the Orderly Room as a Prisoner, said in a highly insubordinate manner "Then by the God Almighty I'll not be long in the Regiment, I'll die the death of a dog yet by taking the life of some man," or words to that effect.

The above being in breach of the Articles of War.

Bangalore, the twelfth day of January, one thousand eight hundred and forty-three.

(Signed) JOHN WALLACE, Lieut. Col.
Comg. Second Euro. Light Infy.

(By order.)
(Signed) R. ALEXANDER, Lieut. Col.
Adjutant Genl. of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as that the Prisoner, Private Hugh Killen, has urged nothing in his defence, is of opinion:

Finding on the First Instance of the Charge.—That the Prisoner is guilty of the First Instance of the Charge.

Finding on the Second Instance of the Charge.—That the Prisoner is guilty of the Second Instance of the Charge.

Finding on the Third Instance of the Charge.—That the Prisoner is guilty of the Third Instance of the Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, and having furthermore taken into consideration the proof of his three previous convictions, doth sentence him, the said Hugh Killen, regimental number nine hundred and eighty-nine, Private in the A. or Captain John Shepherd's Company of the Second European Light Infantry, to suffer imprisonment for the space of two years, in such place as the Officer Commanding the Second European Regiment of Light Infantry may appoint, and that he be kept in solitary confinement for one lunar month of twenty-eight days in the fourth, eighth, twelfth, sixteenth, twentieth and twenty-fourth months of such imprisonment.

(Signed) G. CONRAN, Lieut. Col.
Horse Artillery, and President.

11*th February* 1843.
(Signed) F. S. GABB, Lieut.
Offg. Dy. Judge Adve. Genl.

Revised Sentence.—The Court with due respect and deference to the sentiments of the Most Noble the Commander in Chief, adheres to its former Sentence, and in doing so begs most respectfully to state that from the Prisoner's tone and manner when under trial, the Court is well assured that the expressions made use of by the Prisoner were not merely the ebullitions of an unruly temper, but that they proceeded from a determined, insubordinate and mutinous disposition.

(Signed) G. CONRAN, Lt. Col.
Horse Artillery, and President.
(Signed) F. S. GABB, Lieut.
Offg. Dy. Judge Adve. Genl.

I approve and confirm the Sentence of the Court to the extent of imprisonment for one year, with solitary confinement for the three lunar months therein specified.

(Signed) TWEEDDALE, Lieut. Genl.
Commander in Chief.
MADRAS,
15*th March* 1843.

Remarks.

The expressions made use of by the Prisoner evidently proceeded from an insubordinate and mutinous disposition, and he merits suitable punishment for his correction, but there must be some proportion in punishment, and I cannot visit the Prisoner with the same penalties, which have recently been awarded by the same Court, in the case of Private Mellon of the 15th or King's Regiment of Hussars, for a crime of a much deeper dye—the deliberate and malicious attempt on the life of another! It is true that the one

crime was tried as a military, the other as a criminal offence, but they both originated in matters of discipline, and the latter was equally atrocious in either point of view.—In the instance of Private Mellon, a more rigorous Sentence would have met with my full concurrence and approval, in the present instance, I conceive imprisonment for a shorter period better suited to the case, more advantageous to the Service and sufficient for the end for which punishment is designed.

(Signed) TWEEDDALE, Lieut. Genl.
Commander in Chief.

The mitigated Sentence to be carried into effect under the orders of the Officer Commanding 2d European Light Infantry, the period of punishment being reckoned from 11th February 1843.

Adjutant General of the Army.

FORT ST. GEORGE, 4TH APRIL 1843.

No. 54 of 1843.—In publishing for the information of the Army the following General Orders by the Honorable the President in Council, the Most Honorable the Governor in Council is pleased to direct that they are, wherever necessary, to be considered in supersession of the G. O. G. No. 166, dated 16th September 1842; but payments already made under the provisions of that General Order are not to be disturbed.

GENERAL ORDERS *by the Hon'ble the* PRESIDENT IN COUNCIL.
FORT WILLIAM, *17th March*, 1843.

No. 59 of 1843.—The Hon'ble the President in Council is pleased to publish the following paras. 2 to 5 of a Military Letter from the Hon'ble the Court of Directors to the Government of Fort St. George, No. 33, of the 29th June 1842, and with the concurrence of the Right Hon'ble the Governor General of India to direct, that the arrangements hereinafter prescribed shall have effect at all the Presidencies, from the 1st January 1843.

"Para. 2.—It was fully intended that under "the arrangement promulgated in General Orders of "the 28th July 1840, and of subsequent dates, by which the Bengal Scale of Pay and Allowances was "introduced at your Presidency, every Non-Commissioned Officer and Soldier of Her Majesty's Service "stationed in India, should receive as much as, and in most cases more than, he would be entitled to receive "according to Her Majesty's Warrants, if serving abroad in Crown Colonies or Settlements, as for "instance in Ceylon.

"Para. 3.—The data of Computation, were

"1st.—That the Pay shall not be less in amount than if issued at a rate "equivalent to the intrinsic par value of the Company's Rupee, that is, that the "Soldier should receive as much fine Silver in Company's Rupees as he "would be entitled to receive if paid in British Currency, viz. at the rate of "2*s.* 3*d.* the Rupee, as shewn in the margin.*

"2nd.—That the Soldier should be stopped 5*d.* per diem for Rations of Bread, Meat, Salt, Tea, and "Sugar, according to the published Scale, and that if those Rations should cost the public less than 5*d.* "per diem, the difference should be paid to him.

"Para. 4.—The Orders issued by us in March 1840, were designed to accomplish these objects. "And for the sake of illustration we will here show the result, as affecting the Privates of Infantry, "premising that according to Her Majesty's Warrants, Soldiers serving abroad, are not entitled to "Beer Money," which is paid only to Troops serving at home.

* The British Shilling contains 80⅔ grs. of fine Silver.
The Company's Rupee contains more than double the quantity, viz. 165 grs. being equal to 2*s.* 1½*d.*

	According to H. M.'s Warrants deducting 5*d.* per diem for Rations 31 days.	According to the Bengal Scale. If at a Full Batta Station 31 days.	If at a Half Batta Station 31 days.
	Rs. As. P.	Rs. As. P.	Rs. As. P.
Privates of Infantry of 14 years Service, ...	11 6 2	14 1 3	12 7 5
Ditto under ditto, ...	8 13 8	12 0 2	10 6 4

"Para. 5.—Thus the Privates of Infantry gain additional Pay, varying from 1 R. 1 A. 3 P. to 3 Rs. "2 A. 6 P. per mensem. In all other Ranks of Infantry and in all Ranks of Cavalry it will be found, "in making a similar comparison, that no one sustains loss, and that most are gainers."

2. With reference to the above, the following arrangements are to have effect at the three Presidencies from the 1st January 1843.

3. The cost of the Ration of a Soldier shall be considered to comprise the actual cost to Government of the following items—Bread or Rice, Meat, Salt, Tea or Coffee, and Sugar, fuel being supplied by Government gratis.

4. In every instance where the actual Cost to Government of the Ration above specified shall fall short of the authorized stoppage of 5d., or 3 Annas 4 Pie per day, the Soldier will be entitled to receive the difference from the Commissariat Department according to the following arrangement.

5. Every Executive Officer entrusted with the victualling of European Troops will, as soon as possible after the expiration of every month, in which the cost of the Soldier's Ration shall fall short of the stipulated deduction from his pay, viz. 3 Annas 4 Pie daily, furnish to the Commanding Officer of each Regiment or Detachment, a Certificate of the actual Cost per man of the Rations issued during such month. In accordance with the above Certificate a bill will be presented by the Commanding Officer, or authorized Staff Officer, to the Commissariat Officer, by whom payment of the difference will be made; these bills being subject, in due course, to the audit of the Military Board.

6. When Troops are marching or in the Field, this Certificate is to be furnished by the Executive Commissariat Officer as soon after the adjustment of the Agent's Accounts as possible.

7. The Hon'ble the President in Council is further pleased to fix the sum of 3 Annas 4 Pie, being the equivalent of the stoppage of 5d. per day, or Co.'s Rs. 6-5-4 for any month, as the general rate of Dry Batta, to be drawn by all Classes of European Soldiers attached to Native Corps, Garrisons, or Departments, who are not entitled to receive Rations in kind from the Commissariat, including those on the non-effective list in receipt of Pay and Half Batta without reference to the Station at which they may be serving.

8. Agreeably to the rule laid down under the Orders of the Hon'ble the Court of Directors in Clause 8, of the G. O. G. G., dated the 8th of July 1840, the revised scale of Dry Batta now fixed is to be deemed prospective only, and is not to affect those now in receipt of a higher scale; but as the revised scale does not include Compensation for Spirit Rations, to which the Soldier is entitled, he will receive with it, the higher rate of pay in which that Compensation is included, authorized in the G. O. above quoted.

9. The Dry Batta to Individuals who are not entitled to receive Rations in kind from the Commissariat Department will continue, as heretofore, to be drawn from the Pay Department.

FORT WILLIAM, 17*th March* 1843.

No. 60 of 1843.—In publishing for general information the subjoined Extract, para. 11 of a Letter from the Hon'ble the Court of Directors to the Government at Fort St. George, No. 33, dated the 29th of June 1842, the Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General of India, in obedience to the Orders therein conveyed, is pleased to direct, that the additional pay for length of Service, of European Soldiers at all the Presidencies, which has hitherto been converted into Indian Currency, at the Exchange of 2s. 6d. the Rupee, shall, from the 1st of January 1843, be converted and paid, as in the instance of Good Conduct Pay, at the Exchange of 2s. 0½d.

2. The additional Pay of a Penny per diem, formerly allowed to certain classes of European Soldiers after 10 years' Service in the Cavalry, and 7 years in the Infantry, having been discontinued in Government General Order dated the 18th May 1827, the rate of Pay for such first period of Service inserted inadvertently in the Pay Tables published in G. G. O. of the 8th July 1840, is to be expunged.

"We observe that there is a discrepancy in the Pay Tables in consequence of the additional Pay for "length of Service having been originally converted into Rupees in Bengal at a higher rate of Exchange "than additional Pay of the same amount in Sterling granted as 'Good Conduct Pay,' which is now "converted into Rupees at 2s. ½d. Thus the Private of Infantry whose period of Service is 14 years is "entitled to 2d. a day additional Pay, but he receives only Rupees 2-1-1 per month of 31 days, as the "equivalent, whilst the Soldier who is entitled to 2d. a day, as Good Conduct Pay, receives Rs. 2-8-6 per "month as the equivalent. We are aware that in the *aggregate* the Soldier of 14 years' Service receives "more in India than he is entitled to by the Royal Warrant, but as it is undesirable that the difference we "have pointed out should be continued, we direct that the addition for Service be equalized with that for "Good Conduct."

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 20*th April* 1843.

The following Extracts from the confirmed Proceedings of an European General Court Martial holden at Kamptee, on Wednesday the twenty-ninth day of March, in the year of our Lord one thousand eight hundred and forty-three, by order of Lieutenant Colonel George Deare, Commanding the Nagpore Subsidiary Force, by virtue of a warrant from Lieutenant General the Most Noble the Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

John Hope Calcott, general number three hundred and thirty-five, Gunner in the C. or Captain Montague Watts' Company of the Third Battalion of Artillery, confined by me upon the following Charges:

First Charge.—For conduct to the prejudice of good order and military discipline, in having at Kamptee, on the twenty-third of October one thousand eight hundred and forty two, when a Prisoner in a solitary cell by sentence of a District Court Martial, made use of highly abusive and threatening language to Assistant Surgeon James Anderson, Doctor of Medicine, of the Third Battalion Artillery, he, the said Assistant Surgeon, being then and there in the execution of his office.

Second Charge.—In having at the same place, on the twenty-fourth of the same month and year aforesaid, seized Hospital Serjeant Stuart Liddal of the Third Battalion Artillery, by the shirt and lifting his hand in a threatening manner to strike the said Hospital Serjeant, thereby offering violence against his superior Officer, then in the execution of his office.

Third Charge.—For conduct to the prejudice of good order and military discipline, in the following Instances:

First Instance.—In having at Kamptee, on the fourteenth of January one thousand eight hundred and forty-three, when a patient in the Artillery Hospital, made use of abusive language to the said Hospital Serjeant Liddal, he, the said Hospital Serjeant, being then and there in the execution of his office.

Second Instance.—In having at the same place, on the same day, when a Patient in the Artillery Hospital aforesaid, made use of highly disrespectful and insolent language to the said Assistant Surgeon Anderson of the Artillery, he, the said Assistant Surgeon, being then and there in the execution of his office.

The above being in breach of the Articles of War.

Kamptee, the twenty-seventh of March, one thousand eight hundred and forty-three.

(Signed) JOHN WYNCH, Major,
Comg. Third Batn. Artillery,

(By order.)
(Signed) JOHN GRIMES, Capt.
Asst. Adjutant General Nagpore Subv. Force.

The Court having most maturely weighed and considered the whole of the evidence adduced in support of the prosecution on the Charges, as well as what the Prisoner, Gunner John Hope Calcott, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the First Charge.—That the Prisoner is guilty of the First Charge.

Finding on the Second Charge.—That the Prisoner is guilty of the Second Charge.

Finding on the First Instance of the Third Charge.—That the Prisoner is guilty of the First Instance of the Third Charge.

Finding on the Second Instance of the Third Charge.—That the Prisoner is guilty of the Second Instance of the Third Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, and having furthermore taken into consideration the proof of one previous conviction, doth sentence him, the said John Hope Calcott, general number three hundred and thirty-five, Gunner in the C. or Captain Montague Watts' Company of the Third Battalion of Artillery, to imprisonment for four lunar months, and to be kept in solitary confinement during the first fourteen days of the second, and the first fourteen days of the fourth month, in such place as the Officer Commanding the Third Battalion of Artillery may appoint.

(Signed) C. HEWETSON, Major,
49th Regt. N. I.—President.

Kamptee, the 30th day of March 1843.
(Signed) WILLIAM HILL,
Dy. Judge Adve. Genl.

Recommendation.

The Court after having performed its duty in recording sentence of imprisonment to the Prisoner for the offences with which he stands arraigned; think it requisite to bring to the notice of the Most Noble the Commander in Chief, that it appears to them Gunner Hope Calcott labours under some weakness of intellect, which, though it does not render him unfit to perform his military duties, yet, they hope it may operate in some measure to induce His Excellency to remove the Gunner from this Station, or to adopt any measures he may deem fitting under the existing circumstances of the Prisoner's case.

(Signed) CHAS. HEWETSON, Major,
49th Regt. N. I.—President.

(Signed) WILLIAM HILL,
Dy. Judge Advc. Genl.

Approved and confirmed.

The suggestion of the Court would meet with every attention from me, were it not that circumstances connected with the former conduct of Gunner Calcott, with which the Court must have been unacquainted, satisfy me of the correctness of the Surgeon's opinion that he is carrying on a system of deception for a particular purpose; which circumstances, if known to the Court, would, doubtless, have induced it to alter the opinion conveyed in its recommendation.

(Signed) TWEEDDALE, Lt. Genl.
Commander in Chief.

T. and C. B. Commander in Chief, are published to the Army.

Cornelius Callaghan, general number seven hundred and thirty seven, Gunner in the D. Troop Horse Artillery, placed in confinement by my order, on the following Charges.

(Signed) N. H. FISHE, Captain,
Comg. D. Troop Horse Artillery.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Gunner Cornelius Callaghan, has urged in his defence, is of opinion:

Finding on the First Charge.—That the Prisoner is guilty of the First Charge.

Finding on the Second Charge.—That the Prisoner is guilty of the Second Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Cornelius Callaghan, general number seven hundred and thirty-seven, Gunner in the D. The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, John Toomey, regimental number two thousand and twenty-three, Private in the G. Company of the First Madras European Regiment (now Fusiliers), has urged in his defence, is of opinion:

And the Court does therefore acquit him accordingly.

(Signed) GEO. BURN,
Offg. Dy. Judge Adve. Genl.

(Signed) A. W. LAWRENCE, Major,

Confirmed.

The Prisoner must bear in mind that his acquittal has been principally occasioned by the inability of the Native witnesses to depose to his identity, but that the circumstantial evidence is too strong against him to make the result of his trial at all satisfactory to my mind.

Approved and confirmed.

In consequence of the general good character borne by the Prisoner, and that this is the first General Court Martial which has been held in the 15th Regiment for two years, I do not think it necessary to carry the Sentence into effect to its full extent; it will therefore be restricted to imprisonment for five lunar months.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 19*th May* 1843.

The following Extracts from the confirmed Proceedings of a Native General Court Martial holden at Arcot, on Wednesday the tenth day of May, in the year of our Lord one thousand eight hundred and forty-three, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Morah Row, regimental number two hundred and sixteen, Naigue in the D. or Fourth Troop; Nagogee Row, regimental number five hundred and fifty-six, Private in the E. or Fifth Troop; and Gunnagee Row, regimental number six hundred and three, Private in the F. or Sixth Troop of the Seventh Regiment of Light Cavalry, placed in confinement by my order, on the following Charge.

Charge.—For highly disgraceful and infamous conduct to the prejudice of good order and military discipline, in having at Arcot, on the thirtieth of March one thousand eight hundred and forty-three, when on the Hospital Guard of the Seventh Regiment of Light Cavalry, grossly neglected their duty and behaved in a pusillanimous manner, unworthy of Soldiers, when called upon to render assistance to Assistant Apothecary Henry Lovelace, attached to the same Regiment, by shamefully standing by for several minutes, as passive spectators, while a murderous attack was being made, in their presence, and in the vicinity of their Guard, on the said Assistant Apothecary Lovelace, by Private Mahomed Beg of the E. Troop of the same Regiment, who, after having fired the contents of a loaded Pistol and wounded the said Assistant Apothecary Lovelace, was during the time of the presence of the Prisoners, in the act of beating his head with the butt end of a Pistol; from which wound and injuries so received, he, the said Assistant Apothecary Lovelace, died on the same day.

The above being in breach of the Articles of War.

Arcot, the eighth of April, one thousand eight hundred and forty three.

(Signed) A. WM. LAWRENCE, Major,
Comg. Seventh Regiment Lt. Cavalry.

(By order.)
(Signed) R. ALEXANDER, Lt. Col.
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, and the Prisoners, Naigue Morah Row, Private Nagogee Row and Private Gunnagee Row, having urged nothing in their defence, is of opinion:

Finding on the Charge.—That the Prisoners are guilty of the Charge.

Sentence.—The Court having found the Prisoners guilty as above stated, doth sentence them, the said Morah Row, regimental number two hundred and sixteen, Naigue in the D. or Fourth Troop; Nagogee Row, regimental number five hundred and fifty-six, Private in the E. or Fifth Troop; and Gunnagee Row, regimental number six hundred and three, Private in the F. or Sixth Troop, all of the Seventh Regiment of Light Cavalry, each to suffer imprisonment with hard labor for a period of six (6) lunar months, in such place as the Most Noble the Commander in Chief may be pleased to direct.

Arcot, the twelfth day of May, one thousand eight hundred and forty-three.

Signed in the Persian character,
Subadar Major IBRAHIM BEG, Bahadoor,
President of the Court.

(Signed) H. B. BLOGG, Captain,
Officiating Deputy Judge Adve.

(Signed) J. S. COTTON, Captain, 7th Light Cavalry,
Interpreter to the Court.

Recommendation.—The Court is induced by the youth and inexperience of the Prisoners Privates Nagogee Row, and Gunnagee Row, and the bad example set them by the Naigue of the Guard, respectfully to recommend them to the favorable consideration of the Most Noble the Commander in Chief.

Signed in the Persian character,
Subadar Major IBRAHIM BEG, Bahadoor,
President of the Court.

(Signed) H. B. BLOGG, Captain,
Offg. Deputy Judge Adve.

(Signed) J. S. COTTON, Captain,
Interpreter to the Court.

Approved and confirmed.

In my opinion all the Prisoners fully deserve the punishment awarded them, and it would be an injustice to the Corps to which they belong, were I to return to its ranks one of the individuals who have been convicted of so disgraceful a charge. Youth and inexperience may afford an excuse for many offences, but not for the want of humanity and the proper spirit of men, which the Prisoners have exhibited on the present occasion.

(Signed) TWEEDDALE, Lieut. Genl.
Commander in Chief.

MADRAS,
19*th May* 1843.

The Prisoners to be transferred to the nearest Civil authority competent to carry the Sentence into effect and the period of their punishment to be reckoned from the 12th May 1843.

The General Court Martial of which Subadar Major Ibrahim Beg, Bahadoor, of the Seventh Regiment of Light Cavalry, is President, is dissolved.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Private Hugh McNally, has urged in his defence, is of opinion:

Finding on the First Charge.—That the Prisoner is "guilty" of the First Charge.

Finding on the Second Charge.—That the Prisoner is "guilty" of the Second Charge.

Finding on the Third Charge.—That the Prisoner is "guilty" of the Third Charge.

Finding on the Fourth Charge.—That the Prisoner is "guilty" of the Fourth Charge, with the exception of the place, which the Court finds to be "Venketachellum."

Finding on the Fifth Charge.—That the Prisoner is "guilty" of the Fifth Charge, but in reference to the Guard, the Court would for the word "Quarter" substitute the word "Rear."

Sentence.—The Court having found the Prisoner "guilty" to the extent above stated, and having further more taken into consideration the proof of his sixteen previous convictions, doth sentence him, the said Hugh McNally, regimental number nine hundred and thirty-one, Private in the F. Company of the First Madras European Regiment (now Fusiliers,) to imprisonment for twelve lunar months, and to be kept in solitary confinement during the second, fourth and eighth months of such imprisonment; and further, to forfeiture of all advantage as to additional Pay and Pension on discharge.

Company of the First Madras European Fusilier Regiment, after the expiration of the imprisonment awarded him, be discharged with ignominy from the Service.

Approved and confirmed.

The merits of this case would have been more fully developed, had Captain Marriott been present to give his evidence before the Court; and in a matter of this importance no consideration of the distance of a witness from the place of the Court's assembly should have intervened to prevent his being summoned.

From some circumstances which appear on these Proceedings, there is reason to believe that Captain Marriott had a right to be considered as *in the execution of his office* when struck by the Prisoner; and if that point was capable of proof, he should have been charged accordingly, in which case I should have considered that the Court, for so flagrant an outrage upon discipline, would necessarily have sentenced the Prisoner to punishment to the full extent of its powers.

2d August 1843.

The Most Noble the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

General Orders by the Most Noble the Governor in Council.

FORT ST. GEORGE, 25th July 1843.

No. 118 of 1843.—Under instructions from the Honorable the Court of Directors, received through the Government of India, The Most Noble the Governor in Council is pleased to publish the following regulations on certain points connected with the Medical rules published in G. O. G. No. 126, dated 15th July 1842.

1st. The Physician General, Surgeon General and Inspector General of Hospitals will, collectively, continue to perform the duties of the Medical Board, as heretofore,—their period of service, reckoning from the date of promotion to Inspector General of Hospitals, will be five years, after which they will be required, as was the case with a Member of the Medical Board, to retire; and, as vacancies occur, the Inspector General will be promoted to the rank of Surgeon General, and the Surgeon General to that of Physician General.

2d. No alteration has been made in the regulation which prescribes that "vacancies in the Medical "Board shall be filled up by selection from the Superintending Surgeons of such as shall be most "distinguished for professional science and the zealous discharge of their duties, due regard being had to "seniority in the Service, when the qualifications of the individuals appear to be adequate to the correct "performance of the duties of the office."

3d. A Superintending Surgeon, in virtue of his Staff appointment, is to take rank over all Garrison and Regimental Surgeons within his Division, who may be senior to him in the list of Surgeons; but, in such cases, if Medical Officers desire it, they will be transferred to a Division, the Superintending Surgeon of which is their senior in the Service.

4th. The situation of Superintending Surgeon being considered a Staff appointment, the Government will be at liberty, should the interests of the public service require it, to remand him to the rank of Regimental Surgeon, or rather to remove him from his Staff appointment.

5th. The regulation published in G. O. G. No. 226, dated 9th June 1835, which provides that no Medical Officer shall be considered eligible to the situation of Superintending Surgeon, who shall not have served for two years in the military branch of his profession, at some period subsequently to his promotion to the rank of Surgeon, continues still in force.

At a General Court Martial, holden at Trichinopoly, on Monday the 26th day of June 1843, Private Robert Boyce, regimental number six hundred and fifty, in the sixth or Captain George Maunsell's Company of Her Majesty's 94th Regiment of Foot, was arraigned upon the following Charges.

First Charge.—"For having at Trichinopoly, on the twenty-sixth of May, one thousand eight hundred and forty-three, disobeyed the lawful command of his superior Officer Ensign and Adjutant Thomas Whaite of Her Majesty's Ninety-fourth Regiment of Foot, by refusing, in a highly insubordinate and disrespectful manner, to put on his Belts and turn out for drill, when repeatedly ordered by the said Ensign and Adjutant Thomas Whaite to do so."

Upon which Charges the Court came to the following decision:

"The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Private Robert Boyce, has urged in his defence, is of opinion:"

Finding on the First Charge.—"That the Prisoner is guilty of the First Charge."

Finding on the Second Charge.—"That the Prisoner is guilty of the Second Charge."

11*th July* 1843.

"The Court proceeds to revise its Sentence."

Revisal.—"The Court, after carefully reconsidering its former Sentence, as recommended in the letter from the Judge Advocate General of the Army; and with due respect and deference to the sentiments of the Most Noble the Commander in Chief therein conveyed; see no reason to change their judgment, as in its opinion from the various punishments the Prisoner Private Robert Boyce, has already undergone, no punishment short of that of transportation, will tend to reform his character.

Confirmed.

The fate of this worthless Malingerer, who has shown and expressed the strongest determination to disobey orders, and do no more duty as a Soldier, notwithstanding repeated warnings, will I trust have the effect of deterring others from indulging a similar spirit of insubordination.

MADRAS, 22*d July* 1843. (Signed) TWEEDDALE, Lieut. General, *Commander in Chief.*

This Prisoner is to be sent to the Presidency under an Escort, and delivered over to the custody of the Civil Power.

T. and C. B. Commander in Chief, are published to the Army.

Thomas Brown, regimental number two hundred and forty-four, Private in the A. or Captain John Shepherd's Company of the Second European Light Infantry, placed in confinement by my order, upon the following Charge.

Charge.—For conduct to the prejudice of good order and military discipline, in the following Instances:

Second Instance.—In having at the same place, on the first day of May one thousand eight hundred and forty-three, when a Prisoner in the Guard Room undergoing the Sentence of a General Court Martial, threatened the life of Serjeant Alexander Tomlin of the same Regiment, his superior Officer, by saying to him—"by Christ, Tomlin, I'll put a ball thro' you yet," or words to that effect.

(Signed) CHARLES ST. JOHN GRANT, Lt. Col. 52d Regt.—President.

Approved and confirmed, but in consequence of the Surgeon's opinion that the health of the Prisoner will not admit of his undergoing protracted imprisonment, the Sentence will be restricted to imprisonment for three lunar months, the last of which to be in solitary confinement. The general character of the Prisoner is not of that description to entitle him to any consideration; but I trust the lenity shewn him in the present instance will induce him to curb that insubordinate and vindictive spirit which can only lead him to disgrace and ruin.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 11*th September* 1843.

The following Opinions of Her Majesty's Advocate, Attorney and Solicitor General, and the Hon'ble East India Company's Standing Counsel, having been communicated by Government to the Most Noble the Commander in Chief, they are published for general information, in reference to the construction to be put on the Mutiny Acts and Articles of War as to the administration of the Effects of Officers and Soldiers both in Her Majesty's and the Company's Service dying in India.

1st. Whether the Officers respectively appointed under the 128th and 129th Articles of War for Her Majesty's Forces and under the 110th and 111th Articles of War for the East India Company's Forces to collect the Effects of the Officers and Soldiers therein respectively described, are respectively entitled to demand and (without taking out letters of administration) to receive and take possession of all the personal property of every description of such deceased Officer or Soldier without reference to its amount or value or to its being in Camp or Quarters or elsewhere. And whether in this latter respect there is any difference between the case of a deceased Officer and that of a deceased Soldier?

1st. We think there is a difference between the case of a deceased Commissioned Officer and the case of a deceased Non-Commissioned Officer or Private Soldier.

With respect to a deceased Commissioned Officer there appears to be no substantial question; since the Articles of War applicable to the case of Commissioned Officers only authorize the collection of *Effects in Camp or Quarters.*

With respect to the case of a Non-Commissioned Officer or Private Soldier, we are of opinion that both in the case of Her Majesty's Forces and in the case of the East India Company's Forces, the Officers appointed to collect the Effects of the deceased Soldier are entitled to demand and without taking out letters of administration, to receive and take possession of all the personal property of every description of such deceased Officer or Soldier, without reference to its amount or value or to its being in Camp or Quarters, or elsewhere. We consider that the Officers who, by the 129th Article of War for Her Majesty's Forces, and by the 111th Article of War for the Company's Forces, are directed to act in the matter, come within the first Section of the Statute 6th Geo. 4th, C. 61; and are clearly enabled by that Statute to ask, demand and receive any of the deceased's "*Effects,*" an expression which we think reaches and includes any of his personal estate.

2d. Whether in the event of part of such property of a deceased Officer or Soldier consisting of a Promissory Note or other transferable Security of the East India Company or of one of their Governments expressed to be payable to the deceased, being at the time of his death in the hands of the Government Agents for his use, such Government Agents can lawfully and safely deliver over and are bound upon demand to deliver over such Promissory Note to the Officer so appointed under the Articles of War. And whether the amount of such Note or other Security makes any difference in the case?

2d. Our opinion on the first question supersedes this question as respects the case of an Officer.

In the case of a Soldier not being a Commissioned Officer, we are of opinion that the Government Agents may lawfully and safely deliver over, and, are bound, upon demand to deliver over a Promissory Note of the kind described to the Officer appointed under the Articles of War, and that the amount of the Note or other Security makes no difference in the case. This answer, however, should be qualified by noticing that, if there were a legal personal Representative demanding the Note, we think the Government Agents would be warranted in delivering the Promissory Note to such legal personal Representative in preference to the Officer.

3d. Whether such Officer can by indorsement or otherwise as effectually transfer or give a discharge for the amount secured by such Note as if he had been appointed Executor or had duly obtained letters of administration of the Effects of the Payee or last Indorsee of the Note?

And whether in the event of the East India Company paying the amount of the Note to such Officer when so indorsed, they are in any way responsible for the due appropriation or distribution by the latter of the amount which they shall have so paid?

3d. We are of opinion that the Officer may by indorsement or otherwise as effectually give a discharge for the amount secured by the Note, as if he had been appointed Executor or had duly obtained letters of administration of the Effects of the Payee or last Indorsee of the Note.

We are also of opinion that the East India Company paying the amount of the Note to the Officer when indorsed, are not responsible for the due application by the latter of the amount which they shall have so paid.

We do not understand that under this third question any opinion is required from us as to the right to indorse the Note for the purpose of negotiation generally as distinguished from an indorsement for the purpose of obtaining payment of it. It would not, however, appear to us that there would be any difference between the two cases.

4th. Whether the Officer so collecting the Effects of a deceased Officer or Soldier under the respective Articles of War referred to, or whether the Military Secretary or any other Officer at either of the Presidencies in the East Indies is authorized under any circumstances to require the Registrar of the Supreme Court of such Presidency to take out letters of administration there, in respect of the surplus which may remain in the hands of the Collecting Officer. And whether such Registrar is in any case lawfully entitled to take out letters of administration in respect of such surplus?

4th. Upon this point there appears to be a difference between the case of an Officer or Soldier in the Service of Her Majesty's and an Officer or Soldier in the Company's Service.

With respect to the case of an Officer or Soldier in the Service of Her Majesty, we are of opinion that the Officer acting in respect of the deceased's Effects may require the Registrar to take out letters of administration in respect of the surplus in question, and that, upon such requisition, and not otherwise, the Registrar is lawfully entitled to take out such letters of administration. This is the effect of the Act 6 Geo. 4, C. 61, Sn. 1.

With regard to the case of an Officer or Soldier in the Company's Service, we are of opinion that under the Statute 3 and 4 Vict. C. 37, Sn. 52, the Registrar cannot in any case, be required, and, is not, in any case, entitled, to take out letters of administration in respect of the surplus in question. He may, however, if required and authorized so to do, but not otherwise, take out administration and interpose in respect of the Estate before it is collected.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *7th October* 1843.

The following Extracts from the confirmed Proceedings of a European General Court Martial holden at Trichinopoly, on Thursday the twenty-first day of September, in the year of our Lord one thousand eight hundred and forty-three, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Ensign Edward Augustus May of the Nineteenth Regiment of Native Infantry, placed in arrest by order of Lieutenant Colonel John Whitehead Yaldwyn, Commanding the same Regiment, upon the following Charge.

Charge.—For conduct unbecoming the character of an Officer and a Gentleman, in having at Paulghautcherry, in the Mess room of the Nineteenth Regiment of Native Infantry, on the evening of the tenth of July, one thousand eight hundred and forty-three, called Lieutenant Arthur Noel Hill Lynch of the Nineteenth Regiment of Native Infantry, "a liar," and struck the said Lieutenant Lynch with his fist.

The above being in breach of the Articles of War.

Paulghautcherry, the eleventh of July, one thousand eight hundred and forty-three.

(Signed) J. W. YALDWYN, Lieut. Col.,
Commanding Nineteenth Regt. of Nat. Infy.

By order.
(Signed) R. ALEXANDER, Lieut. Col.
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner, Ensign Edward Augustus May, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Ensign Edward Augustus May of the Nineteenth Regiment of Native Infantry, to be dismissed the Service.

(Signed) H. R. MILNER, Lieut. Col.
H. M. 94th Regiment,—President.

Trichinopoly, 23d September 1843.
(Signed) T. K. WHISTLER,
Dy. Judge Adve. Genl.

Recommendation.—The Court taking into consideration all the circumstances of the case, as they appear on the face of the Proceedings, particularly the unjustifiable provocation received by the Prisoner, together with his youth and inexperience in the Service, beg respectfully and earnestly, to recommend him to the clemency of the Most Noble the Commander in Chief.

(Signed) T. K. WHISTLER,
Dy. Judge Adve. Genl.

(Signed) H. R. MILNER, Lieut. Col.
H. M. 94th Regt.—President.

Approved and confirmed:—but the Sentence is remitted at the recommendation of the Court, and upon the grounds therein assigned.

Under ordinary circumstances it is obvious, that a conviction of the facts stated in the Charge, must necessarily point out the offender as unworthy to hold a Commission in the East India Company's Service, as being unable to appreciate the high tone of feeling, and gentlemanly bearing which has always characterized the British Officer. But in this case Ensign May appears to have been subjected to highly irritating language on the part of Lieutenant Lynch, although he repeatedly requested its discontinuance, and did not make use of the peculiarly insulting expression charged, until he had been taxed by Lieutenant Lynch with want of veracity; and it was when Ensign May was retiring in a state of considerable excitement that he committed the act of violence in question, on hearing Lieutenant Lynch give utterance to a threat of inflicting personal chastisement on him.

From the above facts I regard Ensign May's conduct as proceeding from a temporary loss of reason, occasioned by the exasperated state of his feelings at the moment, inducing him to commit an act foreign to his real character, for which his extreme youth may afford some palliation; and for which the contrition he has expressed I am willing to believe is sincere. Besides I consider it unfit that the extreme punishment should be carried into effect in his case, while Lieutenant Lynch, whose conduct has been exceedingly blamable, escapes with a reprimand, unadvisedly conveyed to him by his Commanding Officer.

It is painful to me to observe that the whole of this lamentable proceeding originated in conversation highly improper to be held at a well regulated Mess, from which such should be utterly discarded, and positively interdicted, as discreditable in itself, destructive of harmony, and offensive to every well regulated mind. It is however, but justice to the 19th Regiment N. I. to state, that only a very few of its junior Officers appear to have been present on the occasion.

MADRAS, *7th October* 1843.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

Ensign May to be released from arrest and will return to his duty.

Remarks by the Commander in Chief.

The original sentence in this case by which the Prisoner was adjudged to lose eight steps by being placed at the bottom of the list of Jemadars in the Regiment to which he belongs, appeared to me to be inadequate to the serious offence of which he had been found guilty, and I therefore directed it to be revised. The Court having now passed a commensurate award, calculated to mark correctly the merited

penalty of conduct of the nature of that charged and proved against the Jemedar Ramasawmy, I feel myself enabled to take into favorable consideration the former services and general good character of that Native Officer, and to remit the sentence, in the full and earnest hope, that this great extent of lenity will produce the desired beneficial effect of reclaiming him from those habits of inebriety into which he has latterly fallen.

(Signed) THOMAS McMAHON, Lieut. Genl.
and Commander in Chief.

Jemedar Ramasawmy is to be released from arrest, and directed to return to his duty.

By order of His Excellency the Commander in Chief.

GENERAL ORDERS.

HEAD QUARTERS: CHOULTRY PLAIN,

1st November 1843.

The Most Noble the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

General Orders by the Most Noble the Governor in Council.

FORT ST. GEORGE, 28th October 1843.

No. 167 of 1843.—The Most Noble the Governor in Council is pleased to establish the following revised Rules for the entertainment and promotion of Native Medical Pupils.

1. The Establishment of Native Medical Pupils to consist of 50 youths, who are to be divided into two classes, and to be called Senior and Junior Pupils. The number of the senior class being fixed at 16, and that of the junior at 34.

2. The pay of Senior Medical Pupils will be, as heretofore, 10 Rupees per month; and that of Junior Medical Pupils 7 Rupees per month—with batta, to each, of 1 Anna and 3 Pice per day, when in the field or marching.

3. Candidates for the situation of Native Medical Pupil will be required to undergo an examination before a Board of Medical Officers, to be appointed under instructions from the Medical Board. They are to be of such castes as would be eligible for the ranks of Native Corps, and not to be under 15, or above 19 years of age.

4. The examination will comprise the following subjects, viz:

A. Physical fitness for Military Service.
B. English reading and orthography, with the meaning of words.
C. English writing *to dictation.*
D. Reading and writing in one, at least, of the following Native languages, viz. Hindostanee, Tamil, or Telloogoo.
E. The elementary rules of Arithmetic, either according to the European or Native method of calculation.

5. Candidates having passed the required examination will be entertained, and attached to Hospitals under the directions of the Medical Board; and will afterwards be appointed Junior Native Medical Pupils as vacancies occur, when reported by the Board to be duly qualified. The practice of admitting Native youths as Volunteers into Hospitals, unless with the sanction of the Medical Board, is prohibited.

6. Junior Native Medical Pupils will, at the recommendation of the Medical Board, be promoted to the senior grade, strictly according to the scale of merit, and to their standing in the class at the Medical School, to be determined after each half yearly examination; and Junior Native Medical Pupils who may fail to qualify for the superior grade, after two years attendance at the School, will, on the report of the Medical Board, be removed from the Service.

7. The promotion of Senior Native Medical Pupils to be 2d Dressers, will also be regulated by their standing in the class at the Medical School.

8. The Native Medical Pupils of two years standing at present in receipt of the higher rate of pay, viz. Rupees 10 per month are not to be deprived thereof, by these Rules, but promotions to Senior Native Medical Pupil will henceforth be made, so as to keep the class of 16 complete.

The pay of a Native Medical Pupil is fixed at 7 Rupees per mensem for the first 2 years of his service, and at 10 Rupees per mensem after that period.

9. By the foregoing Rules the 1st clause of para. 20 of Section VI of the Medical Regulations, at page 101, entered in the margin, is cancelled.

Commander in Chief in India.

REMARKS.

The Commander in Chief has disapproved of the Finding in the Instances specified, for the following reasons.

In regard to the 3d Instance, it appears that the sums therein mentioned were not entrusted to Pay Master Routh as a deposit, but *lent to him on interest*, by Serjeant Major Tarleton in behalf of his Troop; and though Mr. Routh is indebted in the amount stated, which is not forthcoming, he cannot be said to have "fraudulently misapplied" the money under such circumstances. On this Instance the verdict should have been an acquittal.—In regard to the 8th, 12th, and 14th Instances, because the proof of these rested on letters or extracts of letters from Agents at Madras, which were not evidence: and in regard to the 13th, and 15th Instances, because no sufficiently formal proof of them was adduced.

His Excellency has observed, that the date of deposit alleged in the 4th Charge is not established; and that the evidence shews the total amount misapplied, as alleged, in the 9th Instance of the 6th Charge, to be Rupees 4910 9 5.

Under the provisions of the 8th Section of the Mutiny Act, the total amount of loss or damage is directed to be ascertained by the Court, in cases such as the present; and the Commander in Chief is of opinion that that usage should not have been departed from in the present case.

It is with extreme reluctance, and only under the impulse of a stern duty, that His Excellency feels himself called upon to cause the Sentence of the Court to be carried into effect. The name of Pay Master Routh, will accordingly cease to be borne on the Rolls of Her Majesty's 15th Hussars, from the date on which this Order may be received at Bangalore; and the necessary measures will be taken to send Mr. Routh to the Presidency of Fort Saint George, under the orders of the Most Noble the Marquess of Tweeddale, Commander in Chief at Madras.

By order of His Excellency the Commander in Chief.

MADRAS, *13th November* 1843.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

Remarks.—It is with reluctance that I have withheld my approval of the present Sentence, because, thereby a highly insubordinate Soldier escapes merited punishment,—but with all proper respect for the judgment of the Court, I esteem its Sentence too rigorous.

It also appears to me that the evidence on these Proceedings of the medical reasons for the necessity of putting a straight waistcoat on the Prisoner, is not sufficiently gone into to divest that circumstance of the appearance of a punishment for the offence included in the first instance of the second additional Charge, and if it may be so considered, the Prisoner has satisfied the law with respect to that offence.

I am of opinion that the Court in placing me in the situation which either obliges me to confirm a Sentence which in its nature I consider excessive, or to let the Prisoner go unpunished, has acted without that consideration it might have exercised by a more lenient Sentence; and it might have rested satisfied that what was due to the preservation of discipline in this Army had not escaped my consideration.

The Prisoner will continue in confinement until the expiration of his former Sentence.

(Signed) TWEEDDALE, Lieut. General.

The following General Orders issued by His Excellency the Commander in Chief at Bombay, are published for the information of the Army.

GENERAL ORDERS — HEAD QUARTERS:
By the Commander in Chief. — *Poona*, 10*th October* 1843.

At a Native General Court Martial reassembled at Belgaum, on Friday the 4th day of August 1843, and of which Subedar Major and Bahadoor Mahomed Shalley of the 20th Regiment Madras Native Infantry, is President, Jemedar Shaik Hoossain, of the 16th Regiment Madras Native Infantry, was tried on the following Charge, viz.

Jemedar Shaik Hoossain, of the 16th Regiment of Madras Native Infantry, placed in arrest by my order.

Charge.—For conduct unbecoming the character of an Officer, in having at Kurnool, at various periods between the months of March and December 1842, in disobedience of the Standing Orders of the Service, borrowed sums of money from the undermentioned Privates of the same Regiment, namely,

From Private Gungaram, the sum of Ten Rupees.
From Private Aunundee, the sum of Fourteen Rupees.
From Private Mootiah, the sum of Eight Rupees.
From Private Mahomud Surwur, the sum of Five Rupees.
From Private Daveesing, the sum of Two Rupees.

Commanding 16th Regiment M. N. I.

Belgaum, 28*th June* 1843.

Adjutant General's Office, Poona, 8*th July* 1843.

By order of His Excellency the Commander in Chief.

(Signed) STRATFORD POWELL, Lieut. Col.
Adjutant General of the Army.

Upon which Charge the Court came to the following decision:

Revised Finding and Sentence.—The Court having taken into consideration the opinion expressed in the letter above recorded, and having maturely weighed and reconsidered all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, is of opinion that the Prisoner, Shaik Hoossain, Jemedar in the 16th Regiment Madras Native Infantry, is guilty of the Charge preferred against him, in breach of the Articles of War in such cases made and provided, and the Court does therefore adjudge him, the said Jemedar Shaik Hoossain, to be suspended from Rank, Pay, and allowances for a period of six months.

(Signed) G. J. MANT, Captain, Deputy Judge Advocate General.
(Signed) MAHOMED SHALLEY, Subedar Major, Bahadoor, and President.

I approve the Proceedings of the annexed revised Court Martial, and remit the Sentence.

(Signed) THOMAS McMAHON, Lieut. Genl.
and Commander in Chief.

Recommendation of the Court.

The following circumstances appearing to the Court to be of a mitigating nature, it respectfully recommends the case of Jemedar Shaik Hoossain to the merciful consideration of His Excellency the Commander in Chief.

At the time the Prisoner, who is a needy man, was ordered to march from Kurnool, he had been recently promoted, and was consequently ill provided with the necessary equipments of a Native Officer, and it appears to the Court probable that the Prisoner considered he would not be infringing the Regulations of the Service by taking loans of small sums, even from his juniors, considering that they were pressed upon him unsolicited, and to be held without any return of interest: the Court also hopes that the length of time the Prisoner has been under arrest will be taken into consideration.

(Signed) G. J. MANT, Captain, Deputy Judge Advocate General.
(Signed) MAHOMED SHALLEY, Subedar Major, Bahadoor, and President.

Remarks by His Excellency the Commander in Chief.

The delay in the present case which has produced the length of arrest referred to in the recommendation, has been unavoidably occasioned by references on legal points.

In consideration therefore of the above circumstances, and the others specified in the recommendation of the Court, and the previous good character and long services of the Prisoner, I have remitted the Sentence, and I trust that this lenity will insure on the part of the Jemedar the strictest adherence to the existing Regulations of the Service on all future occasions.

(Signed) THOMAS McMAHON, Lieut. Genl.
and Commander in Chief.

Jemedar Shaik Hoossain is to be released from arrest and directed to return to his duty.

By order of His Excellency the Commander in Chief.

Adjutant General of the Army.

No. 194 of 1843.—The following General Order by the Right Honorable the Governor General of India in Council, is republished for the information of the Army.

GENERAL ORDER *by the Right Honorable the* GOVERNOR GENERAL *of* INDIA *in* COUNCIL.

FORT WILLIAM, 3*d November* 1843.

No. 239 of 1843.—The following paragraphs of a Military Letter from the Hon'ble the Court of Directors, to the Governor General of India in Council, No. 10, of the 5th July 1843, and annexment, relative to the collection and distribution of the Effects of Officers and Soldiers in Her Majesty's Service, or in the Service of the East India Company, dying in the East Indies, are published for the information of the Army; and the Governor General in Council is pleased to direct, that the opinion therein communicated, of the Law Officers of the Crown and the Company, upon the Statute of the 6th Geo. 4th Cap. 61, and also upon the Act of 3d and 4th Vict. Cap. 37, Sec. 52, be at once given effect to, and acted upon at all the Presidencies:

"Para. 1. We have lately received through the Board of Commissioners for Indian Affairs, a representation from Her Majesty's Secretary at War, complaining of the obstruction which still exists in India, to the collection by Regimental Officers of the Effects, which may be left by Soldiers dying in that Country.

"2. In our Military Letter to Madras, dated 29th July 1842, No. 44, (copy of which was forwarded to your Presidency,) we observed that "by the Act of the 6th Geo. 4th Cap. 61, Sect. 1, it is "rendered lawful for all Officers or persons who may be employed or required by or under the Authority "of any Articles of War in force, to take care of or collect the Effects of Officers and Soldiers dying on "Service out of the United Kingdom, without taking out any Letters of Administration in like manner, as "if such Officers had been appointed Executors or had taken out Administration, and by the Article of "War founded upon it, viz. Sec. 129, the Officers who are required to collect the Effects of Soldiers "deceased, are authorized to collect *all* those Effects without any limitation being specified as to the "place where they may be deposited, and are required after payment of Regimental Debts and Quarters "to pay the balance, if any, to the Regimental Pay Master, such balance to be by him paid to the heir "or legal representative, if present at Head Quarters, or if not, to be remitted to the Regimental Agent "for payment to the legal representatives under the direction of the Secretary at War."

"With this explanation, no difficulty can occur hereafter in the payment by any of our Officers to the party authorized by the Act and Articles of War as above specified, to collect the same, of any sum or sums, or securities, which may be in their hands, or under their control, belonging to the Estates of Soldiers deceased. The responsibility of requiring Probate or Administration to the Estate to be taken out by the persons to whom the surplus is to be paid, resting altogether, as it appears to us, with the party authorized by the Act and Articles of War to collect the property.

"3. Notwithstanding these directions, objections have been made at all the Presidencies to paying over certain portions of the Estates of Soldiers to the Regimental Officers entitled to collect them, founded in some instances upon legal opinions obtained in India of the inadequacy of the above Act, to authorize such payment. In consequence of recent representations on this subject, received from Madras and Bombay, We have lately obtained the opinion of H. M.'s Advocate, of the Attorney and Solicitor General,

and of the Company's Standing Counsel, upon the interpretation to be put upon the above Statute of the 6th Geo. 4 Cap. 61, and also upon the Act of 3d and 4th Victoria Cap. 37 Sec. 52. The opinion of those learned persons determines that Officers entitled to collect Soldiers' Effects, are authorized by those Acts to take possession of all the personal property of every description of deceased Soldiers, without reference to its amount or value, or to its being invested in Notes or other Securities, or to its being in Camp or Quarters or elsewhere."

DRAPER'S HALL,
23d *May* 1843.

J. C. MELVILL, Esq.

SIR,

In obedience to the directions of the Hon'ble the Chairman and Deputy Chairman which I received through you on the 22d ultimo, transmitting a copy of Mr. Baring's letter of the preceding day, which forwarded the copy of a letter from H. M.'s Secretary at War, dated the 11th ultimo, with its enclosures from the Marquis of Tweeddale relative to the difficulties which are still alleged to exist in the collection of the Effects of H. M.'s Officers and Soldiers dying in India, I lost no time in laying the necessary case before Her Majesty's Advocate, the Attorney and Solicitor General, and the Company's Standing Counsel for their opinion, as well upon the points directly raised in the papers transmitted from the War Office as upon those of the same class, which appeared to arise out of the various communications received last month from Madras and Bombay, in reference to the construction to be put on the Mutiny Acts and Articles of War as to the Administration of the Effects of Officers and Soldiers both in Her Majesty's and the Company's Service dying in India.

The questions which thus arose, appeared to be the following, viz.,

1st. Whether the Officers respectively appointed under the 128th and 129th Articles of War for Her Majesty's Forces and under 110th and 111th Articles of War for the East India Company's Forces, to collect the Effects of the Officers and Soldiers therein respectively described are respectively entitled to demand and (without taking out Letters of Administration) to receive and take possession of all the personal property of every description of such deceased Officer or Soldier without reference to its amount or value, or to its being in Camp or Quarters or elsewhere; and whether in this latter respect there is any difference between the case of a deceased Officer and that of a deceased Soldier.

2d. Whether in the event of part of such property of a deceased Officer or Soldier consisting of a Promissory Note or other transferrable Security of the East India Company, or of one of their Governments, expressed to be payable to the deceased, being at the time of his death in the hands of the Government Agents for his use, such Government Agents can lawfully and safely deliver over and are bound upon demand to deliver over such Promissory Note to the Officer so appointed under the Articles of War, and whether the amount of such Note or other Security makes any difference in the case.

3d. Whether such Officer can by indorsement or otherwise, as effectually transfer or give a discharge for the amount secured by such Note, as if he had been appointed Executor or had duly obtained Letters of Administration of the Effects of the Payee or last Indorsee of the Note; and whether in the event of the East India Company paying the amount of the Note to such Officer when so indorsed, they are in any way responsible for the due appropriation or distribution by the latter of the amount which they shall have so paid.

4th. Whether the Officer so collecting the Effects of a deceased Officer or Soldier under the respective Articles of War referred to, or whether the Military Secretary, or any other Officer at either of the Presidencies in the East Indies is authorized under any circumstances to require the Registrar of the Supreme Court of such Presidency, to take out Letters of Administration there, in respect of the surplus which may remain in the hands of the collecting Officer, and whether such Registrar is in any case lawfully entitled to take out Letters of Administration in respect of such surplus.

In reply to these questions, the Law Officers of the Crown and the Company have given the following opinion.

1st. We think there is a difference between the case of a deceased Commissioned Officer and the case of a deceased Non-Commissioned Officer or Private Soldier.

With respect to a deceased Commissioned Officer, there appears to be no substantial question, since the Articles of War applicable to the case of Commissioned Officers, only authorize the collection of *Effects* in *Camp or Quarters*.

With respect to the case of a Non-Commissioned Officer or Private Soldier, we are of opinion that both in the case of Her Majesty's Forces and in the case of the East India Company's Forces, the Officers appointed to collect the Effects of the deceased Soldier are entitled to demand and without taking out Letters of Administration, to receive and take possession of all the personal property of every description of such deceased Officer or Soldier without reference to its amount or value, or to its being in Camp or Quarters or elsewhere. We consider that the Officers who by the 129th Article of War for Her Majesty's Forces and by the 111th Article of War for the Company's Forces, are directed to act in the matter come within the first Section of the Statute 6th Geo. 4th C. 61, and are clearly enabled by that Statute to ask, demand and receive any of the deceased's "*Effects*," an expression which we think reaches and includes any of his personal Estate.

2d. Our opinion on the first question supersedes this question as respects the case of an Officer.

In the case of a Soldier not being a Commissioned Officer, we are of opinion that the Government Agents may lawfully and safely deliver over, and are bound upon demand to deliver over a Promissory Note of the kind described to the Officer appointed under the Articles of War, and that the amount of the Note or other Security, makes no difference in the case. This answer however should be qualified by noticing that, if there were a legal personal representative demanding the Note, we think the Government Agents would be warranted in delivering the Promissory Note to such legal personal representative in preference to the Officer.

3d. We are of opinion that the Officer may by indorsement or otherwise as effectually give a discharge for the amount secured by the Note, as if he had been appointed Executor or had duly obtained Letters of Administration of the Effects of the Payee or last Indorsee of the Note. We are also of

opinion that the East India Company paying the amount of the Note to the Officer, when indorsed, are not responsible for the due application by the latter of the amount which they shall have so paid.

We do not understand that under this third question any opinion is required from us, as to the right to indorse the Note for the purpose of negociation generally as distinguished from an indorsement for the purpose of obtaining payment of it. It would not however appear to us that there would be any difference between the two cases.

4th. Upon this point, (viz. the interference of the Registrar,) there appears to be a difference between the case of an Officer or Soldier in the Service of Her Majesty, and Officer or Soldier in the Company's Service.

With respect to the case of an Officer or Soldier in the Service of Her Majesty, we are of opinion that the Officer acting in respect of the deceased's Effects may require the Registrar to take out Letters of Administration in respect of the Surplus in question, and that upon such requisition and not otherwise, the Registrar is lawfully entitled to take out such Letters of Administration. This is the effect of the Act 6th, Geo. 4th, C. 61, Sec. 1.

With regard to the case of an Officer or Soldier in the Company's Service, we are of opinion that under the Statute 3d and 4th Vict. C. 37, Sec. 52, the Registrar cannot in any case be required, and is not in any case entitled to take out Letters of Administration, in respect of the Surplus in question. He may however, if required and authorized so to do, but not otherwise, take out Administration and interpose in respect of the Estate before it is collected.
