General Orders by the Most Noble the Governor in Council.

FORT ST. GEORGE, 2D JANUARY 1844.

No. 1 of 1844.—Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th of June 1815, be republished in General Orders.

Para. 139. "In consequence of the numerous applications which have been preferred to us by our Servants on leave of absence in this Country, for advances of money on loans, we think it proper to recal your attention to our Orders in the Military Department of the 25th February 1808, upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at home beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members, should be occasionally re-published; and being fully persuaded, that a strict observance of this Resolution will prevent much trouble and inconvenience besides loss to the Company, we direct that our Orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon furlough, of our determination upon the subject in question."

(Signed) S. W. STEEL, Lieut. Colonel,
Secretary to Government.

No. 4 of 1844.—1st. In conformity with instructions received from the Supreme Government, that, in every practicable case, the same principle is to govern the admission of Staff Salary to Officers on their appointment to all Departments at the three Presidencies; the Most Noble the Governor in Council is pleased to cancel the *Regulation under which Staff Officers belonging to certain specified Departments have hitherto received Salary from the date of appointment, and to direct the future observance in all cases of the rule in force in the Presidency of Bengal, that "no Officer is entitled to any allowance of a Staff Situation, to which he is, or may be, appointed, previous to his actually joining the same."

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 20*th January* 1844.

The following General Orders issued by His Excellency the Commander in Chief at Bombay, are published for the information of the Army.

GENERAL ORDERS
BY THE COMMANDER IN CHIEF.

HEAD QUARTERS:
Bombay, 29*th November* 1843.

At a General Court Martial assembled at Belgaum, on Friday the 10th day of November 1843, and of which Lieutenant Colonel John Wallace of the 20th Regiment Madras Native Infantry, is President, Ensign William Reginald Davie of the 16th Regiment Madras Native Infantry, was tried on the following Charges, viz.

Ensign William Reginald Davie, of the 16th Regiment of Madras Native Infantry, placed in arrest by me, upon the following Charges.

1*st Charge.*—For conduct unbecoming the character of an Officer, and to the prejudice of good order and military discipline, in the following Instances:

1*st Instance.*—In having at Belgaum, on the 4th of October 1843, appeared at my Quarters in a state of intoxication, he, the said Ensign Davie, having been warned the same morning that his, Ensign Davie's attendance, would be required at my Quarters at orderly hour.

2*d Instance.*—In having at the same time and place, when questioned by me, his immediate Commanding Officer, regarding an assertion which he, Ensign Davie, had made in a letter addressed to the Most Noble the Governor in Council, Fort St. George, bearing date the 30th of September 1843, to the effect that interested parties had urged him, Ensign Davie, to tender his resignation of the Honorable Company's Service, which he, Ensign Davie, had a few days previously done, behaved towards me in a highly disrespectful manner, by declaring that he would not name the parties therein referred to unless called upon to do so by the Most Noble the Governor in Council of Fort Saint George.

2*d Charge.*—For conduct unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in the following Instances:

1*st Instance.*—In having falsely stated, at the time and place mentioned in the first Charge, that I had recommended him, Ensign Davie, to tender his resignation of the Honorable Company's Service.

2*d Instance.*—In having at the same time and place, named Brevet Captains Charles William Hodson, and George Carr, of the 16th Regiment of Madras Native Infantry, as the interested parties referred to in the 2d Instance of the 1st Charge, he, the said Ensign Davie, well knowing that those Officers had given him no advice whatever upon the subject of his resignation.

3*d Instance.*—In having at the same time and place, attributed to me highly improper motives, by insinuating that I had advised him, Ensign Davie, to address his letter, containing his offer to resign the service, to "The Most Honorable" instead of "The Most Noble" the Governor in Council, with the desire that such inferior title should tend to his, Ensign Davie's, prejudice.

Additional Charge.—For conduct unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in the following Instances:

1*st Instance.*—In having at the same time and place, falsely asserted that Serjeant Maurice O'Neill, the Serjeant Major of Her Majesty's 86th Regiment, had, while at his, Ensign Davie's, quarters, given utterance to the following expressions, "that he, Serjeant Major O'Neill, did not care a damn for his Colonel, or the Adjutant, but that he would knock their brains out too," or words to the same effect.

2*d Instance.*—In having at the same place, between the 15th of September and the 4th of October 1843, received visits from, and entertained at his table, on terms of equality, certain Non-Commissioned Officers of Her Majesty's 86th Regiment.

3*d Instance.*—In having at the same place, between the 20th and 30th September 1843, gone to the Quarters of Serjeant Richard Edwards of Her Majesty's 86th Regiment, and then and there given utterance to false and unfounded reports to the prejudice of the wives of certain Non-Commissioned Officers of Her Majesty's 86th Regiment.

4*th Instance.*—In having at the same place, between the 15th and 30th September 1843, falsely stated that Serjeant Isaiah Donahoo, of Her Majesty's 86th Regiment, had mentioned to him various circumstances of a discreditable nature to the prejudice of the wives of certain Non-Commissioned Officers of Her Majesty's 86th Regiment.

The above being in breach of the Articles of War.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 12*th February* 1844.

No. 15.—The Commander in Chief directs the general adoption of the following system of file firing, as explained in the Percussion Manual and Platoon Exercise issued from the Adjutant General's Office, in substitution of the system prescribed in page 40 of the "Abstract of Field Exercise."

"INDEPENDENT OR FILE FIRING.

"Independent or File Firing may commence from the right or left of Companies, or from any particular part of the line, as may be directed, and should be done as follows:"

"At the close of the preparative, the Section, Subdivision, or Company, as ordered, will at once come "to the ready, the caution having previously announced at what part of the line the firing is to commence: "the front rank man of the first file then presents and fires—and brings his musket down to the priming "position, remaining perfectly steady—his rear rank man then presents and fires—both then load together "—when the rear rank man of the first file has fired, the front rank man of the next file presents—and "so on for the first fire, after which each file will fire, as above, as soon as loaded. At the close of the "general, all will come to the shoulder independently after loading."

(Signed) R. W. O'GRADY, Captain,
Interpreter to the Court.

Remarks.—The Proceedings of the three foregoing trials of Naigues Sooriah and Soobaraidoo, and Private Venketswamy of the 34th Regiment Light Infantry, are rendered invalid in consequence of the Court not having been resworn at the commencement of each trial, as required by the nature of the oath taken by the Members of Native Courts Martial, and by the regulations of the Service.

The decision of the Court upon these trials renders further proceedings inexpedient, for although I do not concur in the opinion arrived at by the Court in the case of Naigue Sooriah, I can discern the reasons which have dictated its judgment, with exception of its finding on the Second Instance of the Fourth Charge, which is inexplicable, as the offence therein imputed is not only proved by the witnesses but admitted by the Prisoner. It is indeed stated that the Naigue lifted Jemadar Swamy off the ground with no malicious intention, and from that circumstance the witnesses appear to consider his presumptuous act as divested of criminality; but it is to be expected that the Court did not participate, in so absurd and mischievous a notion.

Notwithstanding the Court's acquittal of Naigue Sooriah, owing to the discrepances in the evidence, it is clear that he has been guilty of great insubordination and disrespect to Subadar Mahomed Saib, for which he well merited punishment; and I request that his Commanding Officer will bear in mind, that it will require a long course of unexceptionable conduct on the part of that individual before he can be considered eligible for further promotion.

The conduct of Subadar Mahomed Saib in the transaction which originated the Charges against Naigue Sooriah has much disappointed and displeased me. He was exceedingly to blame in laying hold of the Naigue with his own hands, an act highly objectionable in an Officer; and he has shown much indecision and want of proper determination throughout his proceedings, allowing his orders to be disputed, and failing to make any report to his Commanding Officer of circumstances until the following morning.

I would willingly here close my remarks, but I observe that it was on the representation of Subadar Mahomed Saib that the Charges against Naigue Soobaraidoo and Private Venketswamy were preferred, and that it has been entirely upon his evidence that they have been acquitted; a circumstance that will necessarily require some explanation from that Native Officer, as at present the two statements made by him appear completely at variance.

MADRAS,
9th February 1844.

Commander in Chief.

GENERAL ORDERS.

HEAD QUARTERS:
FORT ST. GEORGE, *5th February* 1844.

At a General Court Martial holden at Moulmein, on Monday the 18th day of December 1843, Lieutenant Henry Saint John Clements of Her Majesty's 84th Regiment of Foot, placed in arrest by order of the Commanding Officer, was arraigned upon the following Charge.

Charge.—"For conduct unbecoming the character of an Officer and a Gentleman, in having on the public road at Moulmein, on the night of the fifth of October one thousand eight hundred and forty-three, made use of grossly abusive language to Lieutenant Charles Frederick Campbell of Her Majesty's Eighty-fourth Regiment of Foot, whom he insulted by an unwarrantable imputation of cowardice; for the purpose of provoking the said Lieutenant Campbell to fight a duel with him, the said Lieutenant Clements, the same night by moonlight."

"The above being in breach of the Articles of War."

Moulmein, the ninth of October, one thousand eight hundred and forty-three. (Signed) R. WILLINGTON, Lieut. Colonel, Commanding Her Majesty Eighty-fourth Regiment of Foot.

Upon which Charge the Court came to the following decision:

"The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Lieutenant Henry Saint John Clements, has urged in his defence, and the evidence in support thereof, is of opinion:"

Finding on the Charge.—"That the Prisoner is guilty of the Charge."

Sentence.—"The Court having found the Prisoner guilty as above stated, doth sentence him the said Lieutenant Henry Saint John Clements of Her Majesty's Eighty-fourth Regiment of Foot, to be reprimanded in such manner as the Officer confirming these Proceedings may be pleased to direct, and further to loss of Regimental Rank by being reduced two steps in the List of the Lieutenants of his Regiment and placed next below Lieutenant William Frederick Macbean."

Recommendation of the Court.—"In consideration of all the circumstances of the case, as they appear on the face of these Proceedings, the very high testimonials to character which have been recorded on the defence and the contrition expressed and apology tendered by the Prisoner so immediately after the utterance of the offensive expressions applied to Lieutenant Campbell, the Court beg most respectfully and most earnestly to recommend him to the clemency of His Excellency the Most Noble the Commander in Chief.

Approved and confirmed.

It is with regret that I feel my duty to the public service, and to society at large, will not allow me to attend to the recommendation of the Court in the Prisoner's favor, as the ends of discipline require that no further mitigation of punishment should take place than that, which is unavoidable by the late removal from the Regiment of the Officer who stood immediately below Lieutenant Clements.

Lieutenant Clements' misconduct originated in a wrestling contest with Lieutenant Campbell. Amusements of this description, as well as such as are usually denominated *practical jokes*, are not becoming the station of Officers; and I trust the Senior Officers of the Army will discourage the same when they come under their observation.

MADRAS, 2*d February* 1844. (Signed) TWEEDDALE, Lieut. Genl. *Commander in Chief.*

Lieutenant Clements is hereby severely reprimanded in General Orders, in accordance with the Sentence of the Court.

The Prisoner is to be released from arrest and to return to his duty.

This Order is to be entered in the General Order Book and read at the head of every Regiment in Her Majesty's Service on the Establishment of Fort St. George.

By order of the Most Noble the Commander in Chief.

Depy. Adjt. Genl. H. M. Forces.

Charge.—"For conduct unbecoming the character of an Officer and a Gentleman, in the following Instances:"

First Instance.—"In having at Madras, on the night of the first of January, one thousand eight hundred and forty-four, been in a state of intoxication and behaved in a disorderly manner at a ball given at the Banquetting Room Government House."

Second Instance.—"In having at the same time and place, behaved in a disorderly manner in the compound of Government House, by drawing his sword upon the Native Peons and Servants whom his conduct had attracted to the spot."

Third Instance.—"In having at Fort St. George on the following morning, in the verandah of the Barracks of Her Majesty's Fifty-seventh Regiment, when in a state of intoxication, as aforesaid, been disorderly, and made use of unofficer-like language in the presence and hearing of Soldiers of the same Regiment."

"The above being in breach of the Articles of War."

Fort St. George, fourteenth January, one thousand eight hundred and forty-four.

(Signed) J. W. RANDOLPH, Major,
Commanding Her Majesty's
Fifty-seventh Regiment.

Upon which Charge the Court came to the following decision:

"The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Lieutenant and Paymaster John Potter, has urged in his defence, and the evidence in support thereof, is of opinion:"

Finding on the First Instance of the Charge.—"That the Prisoner is "guilty" of the First Instance of the Charge, with the exception of the words "and behaved in a disorderly manner."

Finding on the Second Instance of the Charge.—"That the Prisoner is "not guilty" of the Second Instance of the Charge."

Finding on the Third Instance of the Charge.—"That the Prisoner is "not guilty" of the Third Instance of the Charge."

Sentence.—"The Court having found the Prisoner "guilty" to the extent above stated, doth sentence him, the said Lieutenant John Potter, Paymaster of Her Majesty's Fifty-seventh Regiment of Foot, to be reprimanded in such manner as His Excellency the Commander in Chief may think fit to direct."

Confirmed.

MADRAS, *7th February* 1844.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

Remarks.—In promulgating the sentence on Lieutenant and Paymaster Potter of Her Majesty's 57th Regiment, His Excellency feels called upon to remark that the evidence upon the two last instances of charge might have been more fully elicited.

His Excellency further remarks, that it is not becoming the conduct of an Officer to be found irritated, with his sword drawn before a crowd of natives, which His Excellency regrets to perceive by the evidence, was Lieutenant Potter's position in front of the Banquetting Room on the night in question.

Lieutenant and Paymaster Potter is hereby reprimanded,—and His Excellency trusts that the very lenient sentence passed upon him, will be properly appreciated by him, and conduce to a more correct line of conduct on his part in future.

Lieutenant and Paymaster Potter is released from arrest, and will return to his duty.

(Signed) TWEEDDALE, Lieutenant General,
Commander in Chief.

This Order is to be entered in the General Order Book and read at the head of every Regiment in Her Majesty's Service on the Establishment of Fort St. George.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 15*th February* 1844.

The following Extracts from the Proceedings of a Native General Court Martial, holden at Jaulnah, on Friday the second day of February, in the year of our Lord one thousand eight hundred and forty-four, by order of Major General Michael Riddell, Commanding the Hyderabad Subsidiary Force, by virtue of a warrant of authority vested in him by His Excellency Lieutenant General the Most Honorable George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Edward Jones, Camp Follower, placed in confinement by order of Lieutenant Colonel Frederick Larkins Doveton, Commanding Jaulnah, on the following Charge.

Charge.—For having at Jaulnah, on the twentieth of July one thousand eight hundred and forty-three, unlawfully stolen, taken and carried away a silver gilt watch, briguet chain, and key of the value of one hundred Company's rupees, the property of Lieutenant Richard William Raikes of the First Regiment of Light Cavalry.

The above being within the provisions of the sixth Article of the twelfth Section of the Articles of War.

Camp Jaulnah, the thirtieth day of January, one thousand eight hundred and forty-four.

(Signed) J. CAMPBELL, Captain,
Superintendent of Police.

By order.
(Signed) ROBERT FARQUHAR, Captain,
Actg. Asst. Adjt. Genl. Hyderabad Suby. Force.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, and the Prisoner Edward Jones having declined making any defence, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Edward Jones, Camp Follower, to suffer imprisonment with hard labor in irons for the period of one year, in such place as His Excellency the Commander in Chief may be pleased to appoint.

Jaulnah, Friday the second of February, one thousand eight hundred and forty-four.

(Signed) in the Persian character, ABDOOL CAWDER,
Subadar Major, and
President.

(Signed) EDWARD BAKER, Captain,
Offg. Dy. Judge Advocate Genl.

(Signed) H. J. MANLEY, Lieut.
Interpreter to the Court.

Not Confirmed.

The Officiating Judge Advocate at this trial has neglected to bring forward all the evidence available in the case.—That which has been adduced is altogether insufficient to support the Charge; merely amounting to the fact of the Prisoner having had the property delivered to him (no proof of the value of which appears,) in order that the watch might be repaired.

The Prisoner will be continued in confinement, in order that he may be brought to trial on another charge of theft, which has been preferred against him.

MADRAS,
15*th February* 1844.

Commander in Chief.

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *4th March* 1844.

The following General Orders issued by His Excellency the Commander in Chief at Bombay, are published for the information of the Army.

GENERAL ORDERS

BY THE COMMANDER IN CHIEF.

HEAD QUARTERS:
Bombay, 23*d January* 1844.

At a European General Court Martial assembled at Belgaum, on Tuesday the 26th day of December 1843, and of which Major James Creagh of Her Majesty's 86th Regiment of Foot, is President, Assistant Surgeon Donald Macfarlane, M. D., of the 16th Regiment Madras Native Infantry, was tried on the following Charges, viz.

First Charge.—I charge Assistant Surgeon Donald Macfarlane, M. D. of the 16th Regiment of Native Infantry, of conduct unbecoming the character of an Officer and a Gentleman, and prejudicial to good order and military discipline, in the following Instances:

First Instance.—For having at Belgaum, some time between the 1st and 22d day of November 1843, asserted to Major Clement Clemons, and to Captain George Monro Arthur of the 20th Regiment of Native Infantry, that the Officers of the 20th Regiment Native Infantry had formed a party, or combined or conspired, or words to the same effect, to prevent any unmarried Medical Officer joining the 20th Regiment of Native Infantry, thus casting dishonor upon the Officers of the 20th Regiment of Native Infantry.

Second Instance.—For having at the same place, at the Mess House of the 20th Regiment of Native Infantry, on the 23d day of November 1843, publicly reiterated the same injurious and false assertion, as stated in the first Instance of the first Charge, after he, Assistant Surgeon Donald Macfarlane, M. D. had been previously assured by the said Major Clement Clemons and Captain George Monro Arthur that the assertion was unfounded and false, thus evincing a determination to injure the honor and character of the Officers of the 20th Regiment of Native Infantry.

Second Charge.—For having at Belgaum, on the 23d day of November 1843, conducted himself towards me, his Senior Officer, whilst I was on duty at the Mess House of the 20th Regiment of Native Infantry, and in the presence of Officers of Her Majesty's 86th Foot, and of the 20th Regiment of Native Infantry, in a manner highly improper and disrespectful, and detrimental to military subordination and discipline.

The above being in breach of the Articles of War.

Belgaum, 25th November 1843. (Signed) JOHN WALLACE, Lieut. Col. Commanding 20th Regiment N. I.

Adjutant General's Office, Head Quarters, Bombay, 13th December 1843.

By order of His Excellency the Commander in Chief.

(Signed) STRATFORD POWELL, Lieut. Col.
Adjutant General of the Army.

Upon which Charges the Court came to the following decision:

Finding.—The Court having maturely weighed and considered the evidence before it, is of opinion, that the Prisoner, Assistant Surgeon Donald Macfarlane, M. D. of the 16th Regiment Madras Native Infantry, is

Not guilty of the first Instance of the first Charge,
Not guilty of the second Instance of the first Charge,
Not guilty of the second Charge,

and the Court does fully and honorably acquit him, Assistant Surgeon Macfarlane, of the whole and every part of the Charges preferred against him.

(Signed) G. J. MANT, Captain, Deputy Judge Adve. Genl.

(Signed) JAMES CREAGH, Major, and President.

Approved and confirmed.

(Signed) T. McMAHON, Lieut. Genl. and Commander in Chief.

Remarks by the Commander in Chief.

The circumstances which have led to this investigation appear to be of a nature which in many instances are in their origin trifling and immaterial, but at last became such as can alone be satisfactorily determined by a Court Martial, and as Assistant Surgeon Donald Macfarlane has been fully and honorably acquitted of the whole and every part of the Charges preferred against him, I consider no further remarks from me necessary.

(Signed) THOMAS McMAHON, Lieut. Genl. and Commander in Chief.

Assistant Surgeon Donald Macfarlane, M. D. is to be released from arrest and directed to return to his duty.

By order of His Excellency the Commander in Chief.

Adjutant General of the Army.

GENERAL ORDERS by the Right Honorable the Governor General of India in Council.

FORT WILLIAM, 1*st March* 1844.

No. 60 of 1844.—The following paragraphs of a Military Letter, No. 23, from the Hon'ble the Court of Directors, to the Governor General in Council, dated the 29th November 1843, are published for the information of the Army, and His Lordship in Council is pleased to direct, that the Regulations therein contained be immediately adopted and brought into operation at the three Presidencies, at the expiration of six months from the date of their promulgation in General Orders:

"9. No Subaltern Officer shall be hereafter appointed to the charge of a Troop of Cavalry or Native Horse Artillery, or to a Company of Native Infantry or Golundauze, until he shall have passed a prescribed examination in the Hindostanee language, such as to prove his competence to converse freely with the men under his Command: unless his appointment shall be rendered indispensable by the absence of a Junior Officer who is qualified for the duty: and any Subaltern Officer hereafter appointed to this charge who may not have so passed, shall not be permitted to draw the Command allowance assigned to it.

10. No Assistant Surgeon hereafter posted to the Medical charge of Native Troops shall receive the Staff Salary annexed to it, unless he has passed the required examination in Hindostanee.

11. You will observe that by the preceding Regulations we have made no distinction with respect to the eligibility of Officers to the advantages of Command and Medical charge as affected by the date of their admission to the Service. We consider it to be an inherent condition of every Military Appointment bestowed by us that the Officer receiving it shall, in due course, qualify himself for the performance of the Regimental duties which it entails: and we cannot allow of any exception whatever to the conditions prescribed by the present Orders.

12. It is not our wish or intention that Officers should be compelled, as a qualification for the Command of Troops or Companies, or for a Medical charge, to attain more than adequate colloquial proficiency in the Vernacular language of the men placed under their charge, and you will frame regulations for the examination of Officers to this extent. The examination for the appointment of Interpreter will remain as at present.

13. We also desire, that the Commander in Chief will instruct Reviewing Generals to insert in their Confidential Reports, opposite to the names of the Officers belonging to the Regiment, a Statement of their respective qualifications in Native Languages, as certified to him by the Commanding Officer of the Regiment.

15. We are desirous that the results of all examinations of Officers in the Native Languages should be published in General Orders by the Commander in Chief."

His Excellency the Commander in Chief will be pleased, in furtherance of a measure of such obvious utility and importance as that of requiring from all Subaltern Officers and Assistant Surgeons of the Indian Army, an acquaintance with the language of the Country, to such an extent as shall qualify them for free and unreserved personal communication with the Native Soldiery of India, to issue such Orders as His Excellency may deem requisite for giving full effect to the instructions of the Hon'ble Court, as contained in the foregoing paragraphs of their Despatch, relative to the examination of Military and Medical Officers, colloquially in the Hindostanee Language previously to their being, in the cases of Subaltern Officers, hereafter appointed to the charge of Troops and Companies, and in those of Assistant Surgeons, to their receiving the Staff allowances attaching to the Medical charge of Native Troops.

Remark by the Commander in Chief.

I deeply regret to find, that the lenity extended to Jemedar Ramaswamy of the 48th Regiment Madras Native Infantry, by the remission of the sentence of dismissal passed on him, on a former occasion, and promulgated in General Orders of the 26th of September last, has not produced the hoped for effect of reclaiming him from his habits of drunkenness. The strict discharge of my duty now leaves me no alternative, but to give effect to the present sentence, of his dismissal from the service.

(Signed) THOMAS McMAHON, Lieut. Genl.
and Commander in Chief.

The name of Jemedar Ramaswamy is to be struck off the strength of the 48th Regiment Madras Native Infantry, from the date of the publication of this order at Ahmednuggur, which is to be reported to the Adjutant General of the Army.

Adjutant General of the Army.

Upon which charge the Court came to the following decision :

Finding and Sentence.—The Court having maturely weighed and considered the evidence before it, is of opinion, that the Prisoners Survassoo, Regimental No. 765, and Hoossain Bux, Regimental No. 1115, Privates in the F. Company 47th Regiment Madras Native Infantry, are Guilty of the whole and every part of the crime laid to their charge, and does therefore sentence them, the said Privates Survassoo and Hoossain Bux, to suffer imprisonment with hard labour for a period of (15) fifteen months.

Officiating Judge Advocate.

(Signed) KASSEE RAM,

Approved and confirmed.
(Signed) THOMAS McMAHON, Lieut. Genl.
and Commander in Chief.

The imprisonment awarded, to take effect from the 8th instant, in the Jail of Bombay.

Remarks by the Commander in Chief.

The circumstances set forth in the preceding cases present features of a most unmilitary and discreditable nature, and it causes me the deepest concern to publish to the Army a catalogue of such gross delinquency on the part of the men concerned, who instead of evincing unquestionable subordination, and attachment to the Government under which they are enlisted, and to which they had affirmed the most faithful and unqualified obedience have, at a period when their services were peculiarly required by the State, exhibited the most ungrateful disregard of their bounden duties, and of those present, and prospective benefits so liberally provided for them and their nearest relatives by the East India Company, by committing acts of contumacy and disorder to which Military Law has attached the highest penalty.

A just discrimination will now be shewn in respect to those who have been less culpable than others in the several acts of which they have respectively been found Guilty.—I have in consideration of the recommendation of the Court, and for the reasons assigned by it, been induced to remit the Sentences passed on three of the Prisoners, (Govindoo, Wuzzeer Homed, Appeah,) and these young and inexperienced men, will, I fervently hope, by their future good conduct, wipe off the stain which their folly has incurred and prove that this lenity has not been misapplied.

The offences for which the greater part of the Prisoners have been tried, and convicted, justly incurred the penalty of Death, and if such had been passed, an imperative sense of what is due to the welfare of the public service would have called for (at least in some of the cases) the confirmation on my part of an extreme award, and the propriety of directing a revision has engaged my serious consideration.

After a most mature deliberation however, I have confirmed the Sentences as they stand, under the hope, that the leniency which the Court has shewn the present Culprits will be duly felt and appreciated by their comrades, and that they will bear in mind, that although the Prisoners have escaped the full extent of punishment due to the highest Military crime which every good and faithful Soldier must abhor, they have forfeited an honorable service, and all the advantages thereto attached, and are about to undergo, for different periods, a most degrading imprisonment.

The advantages above alluded to, enjoyed by the Sepoys, may be here explained; kind treatment, strict justice, regular payments, good clothing, care in sickness, pensions and promotion when earned.

In case of any of these benefits being withheld from them, a channel of complaint is open to every Sepoy, and when it is properly, and respectfully represented in a Soldierlike manner through the Officer commanding his Company, due redress is invariably afforded by competent authority.

In the present instances the Prisoners, if they considered themselves aggrieved, adopted the unjustifiable course of making the same known by a refusal to comply with Orders on a Parade, thereby exhibiting the most open, and daring defiance of subordination.

A moment's reflection must convince every Soldier of the utter hopelessness of gaining any object he may have in view by such illegitimate means.

All Soldiers should bear in mind, that while great forbearance and mercy are the characteristics of British rule, yet a limit must be assigned, lest those acts of humanity should be mistaken for want of firmness: British honor and discipline will, as heretofore be maintained, and every Sepoy must understand, that they will be upheld with that dignity, solemnity, and justice for which British Military Sway has always been pre-eminent.

(Signed) THOS. McMAHON, Lieut.-Genl.
and Commander in Chief.

The foregoing order, including the remarks of the Commander in Chief, is to be most accurately translated into the native languages, and afterwards read, at the Head of every Native Regiment serving on this Establishment, at a Parade, to be specially ordered for the purpose.

The Native General Court Martial assembled at Bombay, and of which Subedar Major Kassee Ram, of the 10th Regiment Native Infantry, is President, is dissolved.

By order of His Excellency the Commander in Chief.

Adjutant General of the Army.

FORT ST. GEORGE, 26TH MARCH 1844.

No. 52 of 1844.—The following General Order by the Right Hon'ble the Governor General of India in Council, is published for the information of the Army.

GENERAL ORDERS by the Right Hon'ble the Governor General of India in Council.

FORT WILLIAM, 12*th March* 1844.

No. 79 of 1844.—In order to remove the misunderstanding which is apprehended to exist with respect to the Allowances drawn by Troops in Scinde, while in Cantonments, the Governor General in Council deems it expedient to make known that the Allowances drawn by Troops in Scinde, while in Cantonments, are the same as those drawn by Troops in Hindostan while in the Field.

Further, the Lines of Troops in Scinde being different in construction from those in Hindostan and more expensive, they have been erected at the Public charge.

It is known to the Troops that when the price of Ottah is above 15 Seers the Rupee, Compensation in Money for the excess of price is now given to them at the rate of a Seer, a day, for each man.

With the view of providing, as is done in Her Majesty's Service, that the Soldiers' ration shall never cost him more than a fixed moderate sum, the Governor General in Council thinks it expedient to extend the principle of giving Compensation in Money in the case of high prices to the other minor Articles composing the Sepoys' ration, and it is accordingly notified that whenever the price of Dholl is above ten Seers the Rupee, that of Ghee above two Seers the Rupee, and that of Salt above eight Seers the Rupee, Compensation Money for the excess of price will be given to the Troops at the rate of two Chittacks of Dholl, one Chittack of Ghee, and one third of a Chittack of Salt a day for each man.

This rule is made generally applicable to the Troops of all the Presidencies.

The Governor General in Council considers it right that in Scinde as elsewhere there should be a difference between the Allowances given to Troops in Cantonments and those given to them in the Field; and in practice this has been the case; for the Extra Allowance called "Money Rations," that is, the Allowance of Rations or of their equivalent in Money in excess of Pay and Full Batta, was withdrawn during the years 1840 and 1841, when the Troops in Scinde were in Cantonments without an Enemy in the Field, was again granted from the 1st of January 1842, when extensive movements became again necessary, and was again withdrawn from the 1st of July last, when the Troops went into Cantonments and no Enemy was in the Field.

Scinde being now permanently annexed to the British Dominions, the Governor General in Council deems it better to define by a General Rule, the future Allowances of Troops serving in that Province than to vary their amount from time to time according to circumstances, by special and occasional directions. Accordingly, His Lordship in Council now notifies that Troops in Cantonments in Scinde will continue to draw the same Allowances which are drawn in the Field in Hindostan; and that rations or their value in Money in excess of Pay and Full Batta will be given to Troops in Scinde under the same circumstances under which Field Allowances are now drawn in Hindostan.

The Scinde Allowances will only commence when Troops reach the Scinde Frontier.

An Official Translation of this Order will be transmitted to every Regiment in the Service.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 21*st March* 1844.

The following Extracts from the Proceedings of a Native General Court Martial holden at Jaulnah, on Friday the second day of February, in the year of our Lord one thousand eight hundred and forty-four, and continued by adjournment, by order of Major General Michael Riddell, Commanding the Hyderabad Subsidiary Force, by virtue of a warrant of authority vested in him by His Excellency Lieutenant General the Most Honorable George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Doorgah, Arrack Seller in the Sudder Bazaar, placed in confinement by order of Lieutenant Colonel Frederick Larkins Doveton, Commanding Jaulnah.

Charge.—For wilful murder, in having at Jaulnah, on the twenty-ninth of January, one thousand eight hundred and forty-four, unlawfully and of his malice aforethought, assaulted Unsee, his wife, and then and there repeatedly struck with a mussel, or rice pounder, the said Unsee on the head, and thereby fractured her skull, and occasioned an effusion of blood on the brain, whereof she, the said Unsee, died at the same place, on the same day.

The above being within the provisions of the sixth Article of the twelfth Section of the Articles of War.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner, Doorgah, Arrack Seller, has urged in his defence, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of so much of the Charge as amounts to manslaughter.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Doorgah, Arrack Seller Sudder Bazaar Jaulnah, to suffer imprisonment with hard labor in irons for the space of eight years.

conducting the Proceedings.

(Signed) H. J. MANLEY, Lieut.
Interpreter to the Court.

Not confirmed.

It is with great concern that I withhold my approval from the Proceedings on this trial, because there is every reason to believe that the Prisoner is guilty, to the full of the heinous crime imputed to him, and might have been properly convicted of the same, had proper care been taken in the selection and examination of the witnesses.

As the trial now stands, if all the evidence improperly received be discarded, the conviction rests upon a partial confession made by the Prisoner, deposed to by a single witness, and without any proof of its having been free and voluntary, to give it validity, so that the fact of the Prisoner having killed the deceased, cannot be regarded as legally proved.

Officers who conduct the Proceedings of Courts Martial incur heavy responsibility, where, as in the present instance, a great criminal escapes punishment from their want of knowledge of the common rules of evidence, with which every Officer may make himself sufficiently acquainted by a reference to the Compendium of the Law of Evidence which has, for some years past, been furnished to this Army for the guidance of its Officers.

Bugwandoss, regimental number one thousand and eighty, Private in the D. Company of the Forty-fourth Regiment of Native Infantry, placed in confinement by my order, upon the following Charges.

First Charge.—For having at Tavoy, on the thirty-first of December, one thousand eight hundred and forty-three, when ordered by Subadar Mahomed Sherriff of the same Regiment, to fall in with a fatigue party for which he, the said Private Bugwandoss, had been previously detailed, disobeyed the lawful command of the said Subadar Mahomed Sherriff, his superior officer, then and there in the execution of his office.

Approved and confirmed.

It appears upon the Proceedings of this trial that Subadar Mahomed Sherriff gave a slight push to the Prisoner in order to make him fall in with his party. Although this circumstance affords not the slightest excuse for the Prisoner, yet it is so objectionable, and so expressly contrary to repeated orders for a Native Officer or Non-Commissioned Officer, to lay his hand upon a Soldier, that I desire the Officer Commanding the 44th Regiment N. I. will make known to the Subadar my extreme displeasure at the impropriety of conduct and neglect of orders that he has been guilty of in this respect.

(Signed) M. WOOD, Lieut. 9th Regiment N. I.
Interpreter to the Court.

Approved and confirmed.

I have confirmed the revised Sentence, because it is to the extent of the powers of the Court, short of capital punishment; but it is infinitely below that which is due to a crime of such enormity, committed under no extenuatory circumstances.

This is the third instance of the commission of a similar heinous crime in the Native Army within a brief period, which shows the necessity of some salutary example, to check outrage of this magnitude, and impress upon the minds of individuals of the mutinous disposition of the Prisoner, that they can only be committed at the risque of their lives.

In the present instance the Court would have been fully justified in awarding a capital Sentence; leaving it for my consideration how far lenity might be shown to the Prisoner with due regard to the discipline of the Army.

2. As the Law, with respect to the making of Wills by "Soldiers in *actual Military Service*" is not altered by the late Act XXV of 1838, such Wills are valid tho' unattested by Witnesses. It is sufficient if they are signed by the Testator, or are in his hand writing, they are valid even tho' made by word of mouth merely, it is only requisite that satisfactory proof be made of such Soldier having in truth either written, or dictated, or signed, or spoken the purport of such Will, with a full understanding of the contents, and with a clear intention that such should be his last Will. Whatever precautionary measures in the way of attesting or otherwise, may have been directed from official authority with a view to ensure such valid making of a Soldier's Will—those measures cannot alter the *Law* altho' they may be expedient and generally effectual for the object sought, and operate in excluding suspicions which might otherwise attach to such Wills.

3. I know not how to state more certainly my opinion on the whole Law upon this topic, without going into details of great length.

4. Some difficulty, however, arises, as to *what* Officers and Soldiers are to be considered as "in *actual Military Service*," for it is certain the Wills of *all* Officers and Soldiers receiving pay and serving in the Army are not excepted from the operation of the Act.

5. No definite rule has been laid down as to what kind of Military Service is contemplated in these terms "Actual Military Service." It has been said that the similar excepting Clause in the Act of 1. Vic. Chap. 26 did not contemplate all the Queen's Officers serving in Colonies—still less can I suppose that the Clause of the Legislative Act contemplates all Officers and Soldiers in India. Those living at the Head Quarters of the Presidency, and on the Staff there—or in Stations and settled Cantonments in time of Peace, and in no case in the field, cannot I conceive be considered within it.—The construction upon these terms to be found in the cases hitherto reported has been guided by special circumstances attending each of them.

6. Looking to the *principle* on which the Law allows of a less solemn and deliberate execution of Wills, by Military persons, I am disposed to consider that by the construction of the terms "Actual Military Service," is meant such a Service on Military duty as exposes the Testator at the time of making the Will to more or less difficulty or renders him more or less "inops consilii," than but for such service would have been the case. I know not how to state a more certain general rule for construing these terms.

7. I should mention that this Supreme Court has decided that under the term "Soldiers;" *Officers* are not included—and it has accordingly refused Probate of the Codicil of the late Colonel Bell, who died during actual service in the field in the progress of the late hostilities at Kurnool. But that decision is in direct contradiction to several cases decided in England.—It is obvious, indeed, that the consideration on which the Law rests as regards Wills of Military persons and Seamen, is not that of their rank or of their poverty.

I have the honor to be, &c.

Advocate General."

Fort St. George,
9th February 1844.

G. O. C. C. 5th March 1840.

* It having been decided by Her Majesty's Supreme Court of Judicature at this Presidency that the 29th Clause of Act XXV. of 1838 of the Legislative Council of India applies only to Nuncupative Wills of Non-Commissioned Officers and Soldiers, and that to render an Officer's Will valid it must be prepared in the mode prescribed by the Act,—the Officer Commanding the Army in Chief deems it advisable to direct particular attention to the Act in question, and to intimate, for the information of the Army, that no Will or Codicil of a Will made by a Commissioned Officer is valid unless it be in writing and signed at the foot or end thereof by the Testator or by some other person in his presence and by his direction, and such signature made or acknowledged by the Testator in the presence of two or more Witnesses present at the *same time*, who must also subscribe the Will or Codicil in the presence of the Testator.—If the signature be made or acknowledged before two or more Witnesses *separately*, the Will or Codicil would not be valid.—*Vide Clauses VII. and XXIX., Act No. XXV. of* 1838, *dated* 30*th October* 1838, *and published in the Fort St. George Gazette of the* 2*d and* 6*th November* 1838.

2. It appearing doubtful whether "Officers" would, by the Supreme Court at this Presidency, be considered as included under the term "Soldiers;" their attention is directed to the Act No. XXV of 1838 and to the *G. O. C. C. 5th March 1840 upon the subject.

3. The fact of a Testator having been "in actual Military Service" at the time of making his Will being, apparently, found to depend upon the circumstances of the case as the same may be proved to the satisfaction of the Court whose province it may be to grant Letters of Administration to such Will; it is recommended that *all* Wills of Officers and Soldiers be attested by two or more Witnesses in the manner prescribed in Act XXV of 1838.

4. In cases requiring nicety of expression, it will be well for all persons to avail themselves of legal assistance.

5. As a precaution against the exercise of undue means on the part of Soldiers towards their dying Comrades, it is directed that, in addition to any other Witnesses, the Surgeon or one of his Assistants shall in every instance when practicable be present at the execution *in Hospital* of the Wills of Non-Commissioned and inferior ranks and that he affix a declaration to such Wills, stating whether the Parties were in a fit state of mind at the time to execute the same.

6. When a Soldier in Hospital desires to make his Will, notification is to be *immediately* given to the Orderly Serjeant of his Company, who will instantly report the same to his Captain.

7. In all practicable cases, the Will is to be made out and signed in the presence of one of the Officers of the Man's Company, who is to sign it *at the time* as a Witness in the presence of the Testator and in presence of the Medical Officer and any other persons who may have also signed it as Witnesses.

8. In cases of emergency, the Will is to be made out by any person available and signed by or for the Testator or be acknowledged by him in presence if practicable of two or more Witnesses (of whom when circumstances permit the Medical Officer shall be one) who shall also sign the Will as Witnesses in presence of the Testator and in presence of one another.

9. Soldiers making their Wills *out of Hospital* should execute them in the presence of two or more Witnesses, of whom it is desirable the Captain Commanding or some other Officer of his Troop or Company should be one.

10. Wills made *out of Hospital* should be signed by or for the Testator or be acknowledged by him in presence of the Witnesses, who must affix their signatures as such in his presence and in presence of one another.

11. In the event of a Soldier, whether *in* or *out of Hospital*, having only dictated or spoken his Will, the persons in whose presence he did so should immediately commit the purport thereof to writing, stating place and date, and attest it with their signatures as the last Will of the Party.

12. With the exception in the preceding para, *no* Will is to be attested by any person whatsoever *after* the death of the Testator.

13. The Standing Orders of European Corps are to be corrected according to the preceding Rules.

14. Whenever there may be a doubt as to the validity of a Will, reference should be made to the Secretary to Government in the Military Department.

Remarks.—In promulgating the foregoing Sentences to the Army, The Most Noble the Commander in Chief considers it right to place on record his full conviction, upon an attentive consideration of the whole of the present Proceedings, that there was upon the occasion to which they refer, no want of example, in courage or exertion, on the part of the two European Officers, Captain Leader and Lieutenant Watts—whose conduct in this respect is proved to have been perfectly satisfactory.

But His Lordship is obliged at the same time to add, that the dispositions made by Captain Leader, in forming his party into a square, which Captain Leader doubtless considered the best for the service on which he was employed, were not in His Lordship's opinion such as would either offer the formidable position contemplated by Captain Leader, or would be likely to secure the persons of the murderers.

It is a source of the deepest concern to His Lordship to be obliged to express his surprise and disapprobation, that a party of Sepoys belonging to an old and distinguished Regiment of the Madras Army, should have been panic struck, and turned before so small a body of Moplas,—but which may in some measure be attributed to their position.

But what His Lordship has most to condemn is, that the Native Commissioned Officer and Non-Commissioned Officers did not set a better example to the Sepoys, by supporting their Officers and by shewing a front to the Moplas, and thereby giving their men confidence, and a point upon which they might have rallied.

His Lordship has at the same time to regret the loss of a Subadar and three Sepoys who fell gallantly doing their duty.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *24th April* 1844.

The following General Orders issued by His Excellency the Commander in Chief at Bombay, are published for the information of the Army.

GENERAL ORDERS

By the Commander in Chief.

Head Quarters:
Bombay, 4th April 1844.

At a European General Court Martial assembled at Belgaum, on Wednesday the 14th day of February 1844, and of which Major C. Wahab, of the 16th Regiment Madras Native Infantry, is President, Assistant Surgeon S. K. Parson of the 20th Regiment Madras Native Infantry, was tried on the following Charges, viz.

Samuel Kent Parson, Assistant Surgeon in the 20th Regiment Madras Native Infantry, placed in arrest by my order, on the following Charges.

1st Charge.—For insubordinate and disrespectful conduct unbecoming the character of an Officer, and subversive of good order and military discipline in the following instances.

1st Instance.—For having at Belgaum on the morning of the 12th day of September 1843, appeared upon the Parade Ground of the 20th Regiment of Native Infantry, whilst under Arms, dressed in a white hat and flannel jacket, and there remaining looking on till directed to retire by me.

2d Instance.—For having at the same time and place disobeyed my order, in not immediately retiring from the Parade, when first directed to do so, but attempted to justify his (Assistant Surgeon Parson's) presence, and not finally quitting the Parade until ordered a second time to do so by me, and go to his quarters.

3d Instance.—For having at the same time and place disobeyed my order to him, Assistant Surgeon Parson, to go to his quarters, by going to Assistant Surgeon Donald Macfarlane of the 16th Regiment of Native Infantry, who was walking a short distance from and within sight of the Parade of the 20th Regiment of Native Infantry, and proceeded with that Officer to his (Assistant Surgeon Macfarlane's) house, instead of his own quarters, as directed by me, and then and there consulted and discussed with Assistant Surgeon Macfarlane on subjects relative to my conduct towards him, (Assistant Surgeon Parson) on the morning of the 12th day of September 1843.

4th Instance.—For insubordinate and disrespectful conduct personally towards me, his Commanding Officer, whilst on duty at Orderly hour on the 12th day of September 1843, and persisting in the same insubordinate and disrespectful conduct, contrary to, and in defiance of my repeated orders, till the Adjutant was directed to place him Assistant Surgeon Parson under arrest.

5th Instance.—For having disobeyed an order conveyed to him (Assistant Surgeon Parson) in an official letter from the Adjutant of the 20th Regiment of Native Infantry, dated the 13th day of November 1843.

6th Instance.—For having at Belgaum on the night of the 16th day of October 1843, between the hours of 7 and 9 o'clock, whilst going along the public road, in the immediate vicinity of houses occupied by myself and other Senior Officers, with a party of Junior Officers, who were then and there making a noise, by shouting and calling out the name or names of Senior Officers of the 20th Regiment of Native Infantry in a disrespectful manner, without interposing his, Assistant Surgeon Parson's authority as the Senior Officer present, to check the same, thus disregarding an order previously given by me at a meeting of the Officers, that I should hold the Senior Officer present responsible for any impropriety of conduct that may be evinced by any of the Officers of the 20th Regiment of Native Infantry, at any public place.

2d Charge.—For scandalous conduct, unbecoming the character of an Officer and a Gentleman, in the following instances.

1st Instance.—For falsely stating in an official letter to the Superintending Surgeon of the Southern Division of the Bombay Army, bearing date the 18th day of September 1843, that certain parts of the lines of the 20th Regiment of Native Infantry (specified in the said letter) had not been cleaned since the arrival of the 20th Regiment at Belgaum, thereby reflecting injuriously upon my conduct as a Commanding Officer, by imputing neglect on my part of an important duty.

2nd Instance.—For falsely insinuating in an official letter to the address of the Adjutant of the 20th Regiment of Native Infantry bearing date the 18th day of October 1843, that he, Assistant Surgeon Parson, was watched by me, or Captain George Monro Arthur, of the 20th Regiment of Native Infantry, or by other individuals employed by the said Captain George Monro Arthur or myself, the same insinuation being contrary to fact and maliciously false, and calculated to injure my character, honor and reputation as a Commanding Officer and a Gentleman, and equally calculated to injure the character and honor of the said Captain George Monro Arthur, as an Officer and a Gentleman.

3rd Instance.—For having at Belgaum, whilst in official attendance at my house at Orderly hour, on the 25th day of September 1843, falsely asserted in reply to a question from me, that the report to the Superintending Surgeon bearing date the 17th of September 1843, upon the lines of the 20th Regiment of Native Infantry, copy of which report was then personally submitted by Assistant Surgeon Parson for my perusal, was all he had reported on that subject, he, (Assistant Surgeon Parson) knowing at the time of making that false assertion, that he had, made a more particular report in an official letter, dated 18th of the same month and year, upon the same subject, as mentioned in the first instance of the second charge, which particular report he, Assistant Surgeon Parson not only neglected to bring to my notice in conformity to the standing orders, but by his answer to my question, of "is this all" to which he replied "that's all Sir," impressed me with a belief that no other report than the one then submitted by Assistant Surgeon Parson had been made on the lines of the 20th Regiment of Native Infantry, up to that period by Assistant Surgeon Parson, to the Superintending Surgeon of the Southern Division of the Bombay Army.

4th Instance.—For having at Belgaum, at different periods between the 15th day of February 1843, up to the present time whilst I was in command of his, Assistant Surgeon Parson's Regiment, attempted to injure me his Commanding Officer, by speaking of me in a most improper and highly disrespectful manner, to Officers of the Regiment under my command, and to other Officers at Belgaum, thereby endeavouring to weaken my authority among Officers immediately under my command, and lower me in the opinion of others residing at this station.

5th Instance.—For having at different periods between the month of May 1842, up to the present time, spoken in highly indelicate and disgraceful terms of his, Assistant Surgeon Parson's, former Commanding Officer, Lieutenant Colonel Christopher Lethbridge, and of his Lady Mrs. Lethbridge.

6th Instance.—For stating in an official letter dated the 18th day of October 1843, to the address of the Adjutant of the 20th Regiment of Native Infantry, that when directed to go home, he, (Assistant Surgeon Parson) had done so, the same being contrary to fact, he, (Assistant Surgeon Parson) having gone to Assistant Surgeon Macfarlane's house instead of his own, as stated in the third instance of the first charge.

7th Instance.—For stating in the Official Letter alluded to in the sixth instance of the second charge; that the consideration of former Commandants, meaning Officers commanding the 20th Regiment of Native Infantry, had always permitted him, Assistant Surgeon Parson, or other Officers, to appear on the Parade of the 20th Regiment of Native Infantry, dressed in a manner described in the first instance of the first charge; the same being contrary to fact, such permission never having been granted by any Commandant of the 20th Regiment of Native Infantry, during the period, he, Assistant Surgeon Parson, had been with the said Regiment, or at any former period.

8th Instance.—For having on or about the 18th day of September 1843, read a public letter written by him, Assistant Surgeon Parson, to the address of the Superintending Surgeon of the Southern Division of the Bombay Army, on the subject of the Lines of the 20th Regiment of Native Infantry, dated the 18th of the same month and year, to two Officers of the 20th Regiment of Native Infantry, in which letter reports reflecting upon me, his, (Assistant Surgeon Parson's,) Commanding Officer, are made, thus subjecting me and my conduct to remarks and animadversions among Officers under my command.

The above being in breach of the Articles of War.

(Signed) JOHN WALLACE, Lieut. Col.
Commanding 20th Regiment N. I.

Belgaum, 25th day of November 1843.

Remarks by the Court.

A long and laborious investigation being now concluded, the Court feels it necessary to submit to His Excellency the Commander in Chief the following observations, explanatory of the very unusual length to which the proceedings have been extended.

Two subjects appear particularly to call for the expression of the Court's opinion, viz; the vague and indistinct nature of some instances of the charges, and the indiscriminate summoning of witnesses upon the prosecution, whose attendance has proved upon their examination quite unnecessary.

Much difficulty has been felt and delay occasioned in the progress of this trial, by the admission of general examination, unavoidable in support of charges of an indefinite nature, embracing a period of so many months.—The Court especially adverts to the fourth instance of the second charge, and the first instance of the second additional charge, in framing which due regard does not appear to have been paid to the evidence adducible in their support, or whether there existed sufficient evidence to justify even putting the Prisoner upon his trial. Witness after witness has been brought forward for no apparent reason except, that acquaintance with the Prisoner might possibly have enabled them to say something to his disadvantage.

Thus has the time of the Court been occupied during many days, not by inquiring into any specific acts of criminality, but in endeavouring to elicit from a succession of witnesses whether during several months of social intercourse with the Prisoner, some expression may not have escaped him in their hearing, directly or by implication disrespectful towards the Prosecutor, whose suspicion that such had been the case appears to the Court to have afforded the only original ground for exhibiting these instances of the charges.

In explanation of the finding upon the fourth instance of the second charge, the Court begs permission to state, that though it is proved that the Prisoner did on two occasions, make use of expressions of a disrespectful nature regarding Colonel Wallace, the Prosecutor, yet the Court does not attach any criminality thereto, in as much as it does not recognise in such expressions of angry feeling, uttered while labouring under acute bodily suffering as well as mental irritation, any attempt to injure the Prosecutor, to weaken his authority or to lower him in public opinion.

Among the witnesses unnecessarily summoned, the Court deems it right to particularize three.

Captain Adams, the Assistant Quarter Master General of this Division was called at the Prosecutor's instance from the performance of a special duty at Vingorla—Captain Hodson, of the 16th Regiment, when called in by the Court was declared by the Prosecutor to have been summoned for the purpose of speaking, not to any parts of the charges, but to something respecting a public right of pathway, which the Court considered wholly immaterial, and Captain Mant, the Deputy Judge Advocate General of this Division, who, previous to the assembly of the Court communicated to the Prosecutor his inability to give any evidence in the case, and by producing whom as a witness, the Court has been deprived of his official services, during a trial rendered more than usually arduous and protracted from the circumstance which it has now become the duty of the Court to bring prominently to His Excellency's notice.

(Signed) CHARLES WAHAB, Major, and President.

Remarks by the Commander in Chief.

The subject of the preceding charges, and the whole of the matter which has now been investigated, are so intimately connected with the interior economy and discipline of the 20th Regiment of Madras Native Infantry, that I consider it my duty to transmit the Proceedings for the information of His Excellency the Most Noble the Commander in Chief of the Army of that Presidency, by whom such steps will be taken in relation thereto as His Lordship may be pleased to think fit.

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 11*th April* 1844.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Bangalore, on Thursday the fifteenth day of February, in the year of our Lord one thousand eight hundred and forty-four, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Lieutenant George Ridout Pinder of the Second Madras European Regiment Light Infantry, placed in arrest, by order of His Excellency the Commander in Chief, upon the following Charge.

Charge.—For conduct highly unbecoming the character and situation of an Officer, and to the prejudice of good order and military discipline, in having at Bangalore, between the first of September and the fourteenth of October, one thousand eight hundred and forty-three, openly kept in his house, and lived in criminal intercourse with, the wife of Corporal Robert Neate, of the G. or Captain Oswald Samuel Blachford's Troop of Her Majesty's Fifteenth Regiment of Light Dragoons, or "the King's Hussars," and persisted in harbouring her, notwithstanding, she had been claimed by the said Corporal Neate, who repeatedly and earnestly solicited the said Lieutenant Pinder to give her up or withdraw his protection from her.

The above being in breach of the Articles of War.

Head Quarters, Fort Saint George, the twenty-fifth of January, one thousand eight hundred and forty-four.

By order.
(Signed) C. A. BROWNE,
Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner, Lieutenant George Ridout Pinder, has urged in his defence, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge, with the exception of the words "repeatedly and earnestly."

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Lieutenant George Ridout Pinder of the Second European Light Infantry, to be reprimanded in such manner as His Excellency the Commander in Chief may deem fit.

Bangalore, the twenty-third day of March, one thousand eight hundred and forty-four.

(Signed) W. HYSLOP, Major,
Third Regiment Light Cavalry,
President.

(Signed) EDWARD BRICE, Bt. Capt. Horse Artillery,
Offg. Deputy Judge Adve. Genl.

Confirmed.

Remarks.—In carrying into execution the Sentence of a reprimand to Lieutenant Pinder, the Commander in Chief cannot but express his disappointment that the Court has not, by a more adequate punishment, shewn its sense of the highly reprehensible and unofficerlike conduct of that Officer, and its opinion of its injurious effects upon discipline and subordination.

His Lordship has to observe that Lieutenant Pinder greatly errs in supposing that the misconduct of the husband offers any excuse for him, as an Officer, for living in open and avowed criminal intercourse with a Soldier's wife of the Garrison to which he belongs—a course of proceeding calculated not only to diminish the respect and confidence of the Soldiers towards their Officers, but to engender the worst feeling in the breast of the injured individual, which too frequently leads to crime.

His Lordship deeply regrets to observe that Lieutenant Pinder does not appear, by the Proceedings on his trial, to be aware of the extent of his offence in a Military point of view.

Lieutenant Pinder must be taught that the moral character of a Soldier, as well as his comfort and happiness, are the primary objects of a paternal Government, and that it is to the exemplary conduct of its Officers that Government looks for an improving moral standard among its Soldiers.

The relative position of an Officer and Soldier requires that the former should treat with honor and decorum those from whom he expects respect and obedience.

The Commander in Chief observes with satisfaction, that such offences have seldom been brought under the notice of the Military authorities in this Army, and he consequently trusts that they are of rare occurrence—which has decided His Excellency in not calling on the Court to revise a Sentence which appears inadequate to the offence.

The Proceedings of this trial have been extended to an unnecessary period of time, chiefly in consequence of an attempt by the Prisoner to prove that he had previously been reprimanded for his offence, in which he signally failed. Had the circumstances been brought to the Commander in Chief's notice in the first instance an immediate order would have been given for Lieutenant Pinder's trial.

On these remarks being read to Lieutenant Pinder, he will be released from arrest, and return to his duty.

Commander in Chief.

The above being in breach of the Articles of War.

(Signed) ROBERT FARQUHAR, Captain,

GENERAL ORDERS.

HEAD QUARTERS:
FORT ST. GEORGE, *20th April* 1844.

The Most Noble the Commander in Chief, is pleased to direct the publication of the following General Orders.

No. 50.

GENERAL ORDER.

HEAD QUARTERS:
CAMP UMBALLAH, *27th March* 1844.

The Commander in Chief in India having deemed it necessary to refer the Proceedings of the General Court Martial, which assembled at Bangalore on the 12th of May 1843, for the trial of Lieutenant T. B. Jackson, of the 15th King's Hussars, for the decision of His Grace the Commander in Chief, is pleased to publish the following letter from Lord Fitz Roy Somerset, conveying Her Majesty's sentiments and pleasure thereon:

HORSE GUARDS, *5th February* 1844.

SIR,

Field Marshal the Commander in Chief having had the honor to lay before The Queen, the Proceedings of a General Court Martial, held at Bangalore, on the 12th of May 1843, continued by adjournments to the 30th of June, and reassembled, for the purpose of revising the Sentence, on the 19th July, for the trial of Lieutenant Thomas Brook Jackson, of Her Majesty's 15th Regiment of Hussars, who was arraigned upon the undermentioned Charges; viz.

1 charge Lieutenant Thomas Brook Jackson, of Her Majesty's 15th Regiment of Light Dragoons, or King's Hussars, with conduct such as is unbecoming the character of an Officer and a Gentleman, in the following instances:

1st Instance.—In having, at Bangalore, on or about the 25th of October 1842, been guilty of unfair play, when engaged at play with me at the game of Backgammon.

2d Instance.—In having, at the same place, on or about the 2d or 3d of November, in the same year, been guilty of unfair play, when engaged at play with me at the game of Backgammon.

3d Instance.—In having, at the same place, on the date last mentioned, submitted to be accused by me of unfair play at the game of Backgammon, in the instances in which he had been engaged at play with me, and allowed such accusation to pass unnoticed for a period of 2 or 3 weeks, although, in that interim, subsequently repeated by me.

4th Instance.—In having, at the same place, on the 16th of November, in the same year, come to my house, accompanied by Captain Edward Thomas Harley Chambers, of H. M.'s 15th Regiment of Light Dragoons, or King's Hussars, and then and there called me "an infernal liar."

The above being in breach of the Articles of War.

(Signed) A. C. MACLEOD,
Assistant Surgeon, attached to H. M.'s 15th King's Hussars

Bangalore, the 4th of March 1843.

Upon which Charge the Court came to the following decision:

The Court, having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner has urged in his defence, and the evidence in support thereof, is of opinion,

On the 1st instance of Charge, not Guilty.
On the 2d instance of Charge, not Guilty.
On the 3d instance of Charge, Guilty.
On the 4th instance of Charge, Guilty.

The Court, having found the Prisoner Guilty to the extent above stated, doth Sentence him, the said Lieutenant Thomas Brook Jackson, of Her Majesty's 15th Regiment of Light Dragoons, or King's Hussars, to be admonished in such manner as His Excellency the Commander in Chief may deem fit.

To
THE JUDGE ADVOCATE GENERAL OF THE ARMY,
Fort Saint George.

Sir,

I have the honor, by desire of the General Court Martial, to forward the following observations:

"The Court most respectfully submits, for the favorable consideration of His Excellency the Commander in Chief, that much has been recorded on the Proceedings which they reluctantly permitted. The nature of the Charges will be some excuse, as no specific acts were detailed in them; and the Court conceived it due to the interests of the prosecution and of the defence, to extend to the utmost, a just limit of enquiry, which might enable His Excellency and the Court to be in possession of every information on a subject where opinion is the general evidence adduced.

The defence of the Prisoner contains expressions which the Court regretted, but they did not exercise their authority in expunging them, because it was their desire to allow the Prisoner the full benefit of any line of defence which he might conceive most advantageous, reserving to themselves the opportunity of thus noticing their objection to parts of the language of the defence.

The boxes and dice having been prominently noticed on this enquiry, the Court direct, that they may be forwarded by the Deputy Judge Advocate General with these Proceedings to Army Head Quarters."

I have, &c.
(Signed) L. MACQUEEN,
Deputy Judge Advocate General.

Court Martial Room, Bangalore,
30th June 1843.

To
CAPTAIN L. MACQUEEN,
Deputy Judge Advocate General,
IV. District, Bangalore,

Sir,

I have the honor, by order of the Most Noble the Commander in Chief, to return the Proceedings of the General Court Martial upon the trial of Lieutenant Jackson, of Her Majesty's 15th Regiment, or King's Hussars, for the reconsideration of the Court.

His Lordship instructs me to state, that he has given the Proceedings of this trial very serious attention, and directs that you will lay before the Court the following observations, which the perusal of the same has suggested.

It would appear that Lieutenant Jackson's innocence of the offences contained in the 1st and 2d instances of Charge is incompatible with the evidence of the witnesses against him, and is only reconcilable with the supposition that they have perjured themselves. Lieutenant Jackson appears to have come to this conclusion himself, and has adopted his line of defence accordingly. But His Lordship cannot see any just grounds of suspicion against these witnesses to determine him to reject their testimony.

The course pursued by Lieutenant Jackson to discredit the witnesses has been to apply to them and their actions the most opprobrious epithets to endeavour to shew discrepancies in their evidence, and to give his own statement of circumstances.

His Lordship observes, that vulgar and indiscriminate abuse, such as marks these Proceedings, is obviously ineffectual for the purpose intended. That the discrepancies relied on, when closely examined, and divested of the verbiage with which they have been set forth, either appear to be unimportant, or to have no real existence; and that the account given by the defendant rests on his bare assertion, for when he has objected to points in the evidence of the witnesses, he appears to have scrupulously avoided too closely questioning them on these points, and has thus, in several instances, denied them the opportunity of explaining themselves, or of contradicting his statement.

It appears to His Lordship, that however liable to suspicion the prosecutor's evidence may be, on the ground of interest in the event of the trial, such suspicion does not attach to the other witnesses who have supported his testimony, and that their integrity has been by no means impeached by that which has appeared upon this trial. As men therefore do not in general commit great crimes without an adequate motive, and no motive has been attributed sufficient to induce them to conspire, and perjure themselves at the evident risk of detection, exposure and disgrace, His Lordship is disposed to give that credit to the witnesses to which their position in society entitle them.

With reference to the 3d and 4th instances of Charge, His Lordship has to point out to the Court, that from the very serious nature of the offences, involving the just imputation of conduct unbecoming an Officer and a Gentleman, a conviction thereof would appear necessarily to require a sentence of dismissal from the Service, and that admonition is a punishment perfectly unsuitable to the case. The offences appear to His Lordship to have been committed under no extenuatory circumstances; in the one instance, Lieutenant Jackson allowed his honor and character to be repeatedly called in question, without taking any means to vindicate the same; in the other, he cannot even urge sudden provocation as an excuse, for his conduct was the result of cool, deliberate consideration, adopted by him as the best mode that suggested itself, under his peculiar circumstances, of bringing the affair to a conclusion.

The Commander in Chief having taken the view of the case which he has done, an outline of which has been shown in the preceding remarks, cannot dispose of the Proceedings of the trial, without giving the Court an opportunity of reconsidering its judgment; and has therefore directed a revision of the Finding on the 1st and 2d instances of Charge, and of the Sentence of the Court.

I have, &c.

Judge Advocate General's Office,
Fort Saint George, 14th July 1843.

(Signed) THOS. B. CHALON,
Judge Advocate General of the Army.

BANGALORE, *19th July* 1843.

The Court, having most maturely weighed and reconsidered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Lieutenant Thomas Brook Jackson has urged in his defence, and the evidence in support thereof, is of opinion,

On the 1st instance of Charge, not Guilty.
On the 2d instance of Charge, not Guilty.
On the 3d instance of Charge, Guilty.
On the 4th instance of Charge, Guilty.

The Court, having found the Prisoner Guilty to the extent above stated, doth Sentence him, the said Lieutenant Thomas Brook Jackson, of Her Majesty's 15th Regiment of Light Dragoons, or King's Hussars, to be admonished in such manner as His Excellency the Commander in Chief may deem fit.

I have His Grace's Commands to acquaint you, that Her Majesty was pleased to approve and confirm the Finding, and to confirm, but not to approve, the Sentence of the Court, inasmuch as Her Majesty was pleased to observe, that a simple admonition is an inadequate punishment on an Officer justly declared by the Finding of a Court Martial to have been Guilty, in two instances, of conduct unbecoming the character of an Officer and a Gentleman—and, as you have expressed the opinion, that Lieutenant Jackson cannot be restored to his duty in the 15th Hussars, without prejudice to the harmony of the Regiment, and detriment to Her Majesty's Service, and have directed, that he continue suspended from the exercise of any Military duty, until Her Majesty's Commands be received—and as there is enough on the face of the Proceedings to justify that opinion, and the direction above alluded to, Her Majesty was pleased to consider Lieutenant Jackson an unfit person to remain in Her Majesty's Service; and to Command, that he be allowed to retire from it by the sale of his Commission.

Her Majesty was further pleased to express disapprobation of the expedient resorted to by the prosecutor, Assistant Surgeon A. C. Macleod, attached to the 15th Hussars, to deprive the Prisoner of Major Osborn's assistance; as well as disapprobation of the language employed by the Prisoner towards the witnesses for the prosecution—and also Her Majesty's regret, that the Court should have tolerated such language.

In conclusion, Her Majesty was pleased to observe, that in several respects, and particularly, in allowing witnesses to relate conversations at which the Prisoner was not present, the Court permitted a violation of the established rules of evidence, which neither the considerations submitted by the Court through the Deputy Judge Advocate General to the Commander in Chief at Fort Saint George, nor any other considerations, could justify.

I have, &c.

(Signed) FITZ ROY SOMERSET.

GENERAL
SIR HUGH GOUGH, BART., G. C. B.
&c. &c. &c.

His Excellency the Marquis of Tweeddale will be pleased to communicate to the Military Secretary at the Horse Guards, for the Duke of Wellington's information, the day on which Her Majesty's pleasure, as above set forth, is made known to Lieutenant Jackson.

By order of His Excellency the Commander in Chief.

BY ORDER OF THE COMMANDER IN CHIEF.

C. A. BROWNE,
Acting Adjutant General of the Army.

Madras:—Printed at the Fort St. George Gazette Press.

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *9th May* 1844.

No. 48.—The C. Company of Sappers and Miners, under the Command of Captain Henderson, having disembarked at Cannanore, The Most Noble the Commander in Chief desires to offer to both Officers and Men his most cordial congratulations on their return to their own Presidency, after their long and highly honorable service in Sind.

The C. Company Sappers and Miners was ordered from Belgaum to Sind in November 1840,—and shortly after its disembarkation at Kurrachee proceeded to join the Force at Quetta, a distance of about five hundred miles.—Under the Command of Lieutenant Outlaw, of the 26th Regiment, the Company, then having with it not more than forty-six firelocks, deliberately marched through the Bolan Pass,—and after reaching Quetta, was occupied in various military works until the close of 1841, when it again moved into the low country.

Its Head Quarters were then stationed at Dadur, while Detachments were sent out in all parts of the country from Seebee to Kurrachee. In April 1842 the Company again ascended the Bolan Pass, and was employed in constructing fortifications at Quetta, from which a Detachment having been sent forward with the Troops under Major General England, joined Major General Nott's Force at Candahar. In September, the Company retired from Quetta with Major General England, and subsequently joined the Force under Major General Sir Charles Napier,—under whose command it was engaged in the destruction of the Fort of Imamgurh,—in the Battles of Meeanee and Hyderabad, serving in the first as Infantry of the line,—and at the capture of Oomerkote.

The Detachment left with Major General Nott at Candahar, after having been engaged in the second affair at Hykulzie under Major General England, was employed at Kelat-i-Ghilzie,—in the operations at Candahar,—in the action with Shumsooddeen Khan,—at Ghuznee,—at Cabool,—and in the movement through the Khyber Pass.—It reached Ferozepore on the 23d December 1842, and marched again on the 5th January 1843, with "Leslie's" Troop of Horse Artillery, to Sukkur.—From Sukkur it proceeded in boats to Hyderabad, which place it reached on the 3d March, and was present with the rest of the Company in the Battle of Hyderabad.

These services have been already honorably noticed by the distinguished Officers under whom this gallant little band has been principally employed,—more especially by His Excellency Major General Sir Charles Napier, G. C. B.—and the Commander in Chief has great pleasure in placing on the records of this Army, the following extracts from Sir Charles Napier's Despatches, and other documents.

DESPATCHES *from Major General Sir* CHARLES NAPIER.

Mocance, 18th February 1843.

"Captain Henderson of the Madras Engineers, took a standard, and did good service with his excellent little band of Sappers and Miners, not only in this engagement but through the Campaign. His Lieutenants Boileau and Outlaw have also distinguished themselves."

Dubba, near Hyderabad, 24th March 1843.

"Nor must I omit to mention the labors of Captain Henderson and Lieutenants Outlaw and Boileau with their hardy little band of Sappers, whose labors enabled the heavy 8 in. howitzers to come up into action."

From Lieut. Colonel LESLIE, *C. B.*

Camp Hyderabad, 23d October 1843.

"I do hereby certify that Jemadar Amareputty of the 3d Company Madras Sappers and Miners, was in charge of a party of 30 Men of the above Company serving in Affghanistan, and was for a long time attached to the Troop under my command, and marched with his party at the head of the Troop through the whole of that difficult country.

"I have considered it a *point of duty* to give the Jemadar (who was then only a Havildar) this Certificate as a record of my high opinion of his services and zeal. I have never met a more willing or efficient man. He and his sturdy and hardworking comrades were ever ready and always successful in making a road for the guns, over the most difficult ground, and having their tools always in their hands the work was never delayed—in short I am anxious to bear testimony to the unwearied zeal of the whole party and wish them success with all my heart."

GENERAL ORDERS *By His Excellency Major General Sir* C. J. NAPIER, G. C. B. *Governor of Sind.*

Head Quarters, Kurrachee, 25th March 1844.

"Captain Henderson and Officers, Non-Commissioned Officers and Privates of the Madras Sappers and Miners,—you have earned laurels in Sind.—No troops have more honorably conducted themselves—associated in all the glories of the Bombay Army, you leave this country regretted by your companions.—You have served under my immediate command for a year and a half.—Your labors during our march

into the desert were greater than those of any other troops and were undergone with spirit. You did your duty bravely in the battles of Meeanee and Hyderabad. In the former of these two actions, you were conspicuously placed and nobly acquitted yourselves. I regret to lose you, but justice to you after your hard service has made me send you to your own homes, where an honorable reception awaits you. Go where you will, you will be attended with my sincere regards and my heartfelt respect.

"To my friend Captain Henderson I have given a letter for the Commander in Chief of the Madras Army, that His Lordship may be aware of your worth."

To these most honorable testimonials, the Commander in Chief can only add this public expression of His Lordship's acknowledgments to both Officers and Men for the admirable manner in which they have maintained the reputation of their own distinguished Corps, as well as of the Army to which they belong, and for the additional proof which they have thus afforded that wherever their services are called for, the Madras Sepoys will never fail to merit fresh distinction as brave and faithful Soldiers.

This Order to be translated and read on Parade to every Native Corps and Detachment of the Madras Army.

C. A. BROWNE,
Acting Adjutant General of the Army.

With reference to G. O. C. C. under date the 20th April 1835, the Court cannot bring the Proceedings on this trial to a close, without bringing to the notice of His Excellency the Most Noble the Commander in Chief, that it was the irregular and injudicious interference of the Orderly Serjeant with the Prisoner when he was in a state of great irritability, from the effect of liquor, which alone led to the Prisoner's arraignment on the serious charge of having offered violence to a superior Officer when in the execution of his duty.

(Signed) J. C. BOULDERSON, Capt.
Dy. Judge Adve. General.

(Signed) CHAS. SINCLAIR, Major,
24th Regiment N. I.—President.

Approved and confirmed.

The remarks of the Court were called for by the circumstances of the case, and were it not that Serjeant Lane appears to have acted solely upon the impulse of the moment, and to have shunned collision with the Prisoner in the first instance, the Commander in Chief would deem it necessary to direct him to be brought to trial for neglect of orders.

As there is no previous conviction against the Prisoner, His Lordship remits four months of the imprisonment awarded.

Adjutant General's Office, Fort St. George, 25th May 1844.

C. A. BROWNE,
Acting Adjutant General of the Army.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 16*th May* 1844.

The following Extracts from the confirmed Proceedings of an European General Court Martial holden at Bangalore, on Monday the sixth day of May, in the year of our Lord one thousand eight hundred and forty-four, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Thomas Brown, regimental number two hundred and forty-four, Private in the A. or Captain John Shepherd's Company of the Second European Light Infantry, placed in confinement by my order, upon the following Charge.

Charge.—For conduct to the prejudice of good order and military discipline, in having at Bangalore, on the fourth of November one thousand eight hundred and forty-three, when a Prisoner undergoing the Sentence of a General Court Martial, and visited by Lieutenant Charles Douglas of the Second European Light Infantry, in the execution of his office as Orderly Officer of the day; made use of highly insubordinate, abusive and threatening language, regarding the Officers of his Regiment, generally, and particularly with reference to Major Patrick Thomson of the same Regiment, his Commanding Officer.

The above being in breach of the Articles of War.

Bangalore, the fifth of December, one thousand eight hundred and forty-three.

(Signed) P. THOMSON, Major,
Comg. Second Euro. Lt. Infantry.

(By order)
(Signed) C. A. BROWNE,
Actg. Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner, Private Thomas Brown, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding.—That the Prisoner is not guilty of the Charge.

(Signed) H. A. HORNSBY, Captain,
Offg. Dy. Judge Adve. Genl.

(Signed) WALTER SCOTT, Lieut. Col.
King's Hussars,—President.

The Court deems it necessary to make the following remark,—the evidence of the first witness was given with so much hesitation and uncertainty, resulting from the want of any distinct recollection of the facts, that the support of collateral testimony was rendered absolutely necessary,—the evidence of the second witness does not afford this support, but from the length of time that has elapsed since the transaction, the Court refrains from assigning any cause for the discrepancy.

(Signed) WALTER SCOTT, Lieut. Col.
President.

Confirmed.

His Excellency the Commander in Chief does not approve of the Court's full acquittal of the Prisoner upon the Charge; but as the Court had the opportunity of observing the manner in which the evidence was given by the first witness, and considers his recollection of circumstances so imperfect as to require corroboration, His Excellency has confirmed the finding of the Court.

MADRAS, 16*th May* 1844.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

The Prisoner to be released and return to his duty.

The foregoing Extracts to be read and explained to the Corps to which the Prisoner belongs.

C. A. BROWNE,
Actg. Adjutant General of the Army.

Remarks.—The Sentence passed upon the Prisoner Veerasawmy, regimental number one thousand four hundred and one, Private in the Light Company of the Forty-seventh Regiment of Native Infantry, and which I have ordered to be carried into execution, will I trust afford a lasting example to the Madras Army of the fatal consequences to which Soldiers subject themselves by mutinous conduct.

The Prisoner Veerasawmy, a young Sepoy, on being found fault with by a Naigue of his Company for some trifling offence, replied to him in disrespectful and abusive language,—for which he was taken before the Officer Commanding the Detachment. Without further cause, the Prisoner broke out into such gross abuse towards his Officer, as well as towards the Naigue, that it became necessary to place him in irons.—He continued his abuse, and called upon his comrades in the most violent and exciting language, to release him from the Guard, which at last some of them had the temerity to do.

In his defence the Prisoner Veerasawmy merely denied that he was guilty of the Charge.—The other Prisoners pleaded their youth and inexperience, declaring that they never intended to commit any act of mutiny, and that they were ignorant of the meaning of the term.

The Charges against all have been distinctly proved, and the Prisoner Veerasawmy has been sentenced to be shot to death.

The Sentence first passed upon the other Prisoners was imprisonment with hard labor for two years.—On revision however, the Court have altered their award, and have passed Sentence of death upon Ramasawmy, regimental number one thousand two hundred and eighty-seven, Private in the A. Company; Ramasawmy, regimental number one thousand one hundred and eighty-three, Private in the G. Company; Gooroomoorty, regimental number one thousand three hundred and eighty-nine, Private in the Light Company; Appiah, regimental number seven hundred and fifty-nine, Private in the A. Company; Swamy, regimental number six hundred and twenty-five, Private in the A. Company; and Cunniah, regimental number one thousand two hundred and fifty-five, Private in the A. Company, all of the Forty-seventh Regiment.

I have confirmed the Sentence passed on Veerasawmy, because it is a just punishment, which is required to maintain the discipline of the Army.

Circumstances connected with the conduct of the other Prisoners which appeared in evidence, have induced me to commute the Sentences passed on Ramasawmy, regimental number one thousand two hundred and eighty-seven, Private in the A. Company; Ramasawmy, regimental number one thousand one hundred and eighty-three, Private in the G. Company; Gooroomoorty, regimental number one thousand three hundred and eighty-nine, Private in the Light Company; Appiah, regimental number seven hundred and

fifty-nine, Private in the A. Company; Swamy, regimental number six hundred and twenty-five, Private in the A. Company; and Cunniah, regimental number one thousand two hundred and fifty-five, Private in the A. Company, all of the Forty-seventh Regiment of Native Infantry, into Transportation beyond Seas for the terms of their natural lives.

The discipline of an Army is best proved by the ready obedience of all ranks to their superiors.

Every Sepoy knows that if he has any cause of complaint, he has the means of obtaining redress from his Commanding Officer—he also knows how to apply for it, according to the regulations of the Service, which are explained to all repeatedly every year.

Every Sepoy knows that he has the power of making his appeal to the Brigadier,—to the General of Division,—and finally to the Commander in Chief. If instead of following this course any man chooses to take the law into his own hands, he sets his immediate Commanding Officer at defiance.

These men of the Forty-seventh Regiment have acted thus—and the Army now see the result.—Private Veerasawmy, who might have died a gallant Soldier in the field of battle, is shot with disgrace as a criminal,—six of his misguided associates are transported,—and the remainder are imprisoned for two years with hard labor. They have pleaded their youth and inexperience,—but neither youth nor inexperience can furnish an excuse for the crime of which they have been found guilty.

SEPOYS OF THE MADRAS ARMY!

I will always be your friend,—I will see that justice is done to you upon every occasion,—and while you conduct yourselves as faithful and obedient Soldiers, I shall always have pleasure in attending to your comforts and in listening to your complaints,—but if you neglect your duty, and are disobedient to your Officers, you will find me determined to punish you with the utmost severity of Military Law.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

The Sentence of death awarded against Veerasawmy, regimental number one thousand four hundred and one, Private in the Light Company of the Forty-seventh Regiment of Native Infantry, will be carried into execution by the Officer Commanding at Cannanore, under detailed instructions which will be communicated to him by the Adjutant General of the Army.

The Prisoners Appiah, regimental No. 759; Ramasawmy, regimental No. 1287; Ramasawmy, regimental No. 1183; Gooroomoorty, regimental No. 1389; Swamy, regimental No. 625; and Cunniah, regimental No. 1255, Privates of the 47th Regiment N. I., are to be forwarded to the Presidency under an Escort, and made over to the Civil Power for the purpose of being transported for life agreeably to their commuted Sentence—the remaining Prisoners to be made over to the nearest Civil authority for the purpose of undergoing their sentence of imprisonment with hard labour—the period to be reckoned from the dates of Sentence, as above recorded.

The foregoing Extracts, together with the Remarks of the Most Noble the Commander in Chief, are to be translated and carefully explained to every Native Corps and Detachment in the Madras Army. Translations to be supplied to Detachments from the Head Quarters of their respective Corps.

The General Court Martial of which Subadar Major Syed Ebram of the Forty-fifth Regiment of Native Infantry is President, is dissolved.

No. 53.—1. There being reason to believe that the *ages* of Natives, at the dates of their *enlistment*, have in some cases been incorrectly inserted in Regimental and Departmental Registers, the Commander in Chief calls the attention of Officers to the subject.

2. Commanding Officers and Heads of Departments will bear in mind that by entering the age of any individual, at the date of his *enlistment* as *greater* than it in reality is, the State may be subjected to unauthorized charges on account of Pay and Pension—while, on the other hand, by entering the age as *less* than the reality, the individual may suffer loss,—it being a long established regulation that *no Service* in the Boy Establishment, whatever be the age of the party,—or in the Ranks *under* 16 *years of age*, can be reckoned towards increased Pay, or Pension.

3. Commanding Officers and Heads of Departments are therefore directed immediately to verify the ages of men as entered in their Registers and in all cases in which there may be reason to doubt the accuracy of the entry, to institute such enquiry as may enable them to make the necessary corrections.

4. The exact age of each individual at the *date* of his *enlistment*, either as Boy, Private, or other denomination, should be ascertained,—and there can then be no difficulty in calculating his age at any future period.

HEAD QUARTERS: CHOULTRY PLAIN, 30*th May* 1844.

The following Extracts from the Proceedings of an European General Court Martial holden at Arnee, on Monday the twenty-ninth day of April, in the year of our Lord one thousand eight hundred and forty-four, and continued by adjournment, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

James Brown, regimental number two thousand one hundred and forty-four, Private in number nine Company of the First Madras Fusiliers, placed in confinement by my order, upon the following Charges.

First Charge.—For disgraceful conduct, in having at Arcot, on the eighth of April one thousand eight hundred and forty-four, designedly mutilated himself by discharging a loaded Musket through his left hand with intent to render himself unfit for the Service.

Second Charge.—For having at the time and place specified in the First Charge, designedly wasted or destroyed one round of ball ammunition the property of Government, delivered out to him for the public service.

The above being in breach of the Articles of War.

Arnee, the twelfth of April, one thousand eight hundred and forty-four.

(Signed) C. BUTLER, Major,
Comg. First Madras Fusiliers.

By order.
(Signed) C. A. BROWNE,
Ag. Adjutant Genl. of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Private James Brown, has urged in his defence, is of opinion:

Finding on the First Charge.—That the Prisoner is "not guilty" of the First Charge.

Finding on the Second Charge.—That the Prisoner is "not guilty" of the Second Charge.

Arnee, this first day of May, one thousand eight hundred and forty-four.

(Signed) CHAS. SINCLAIR, Major,
24th Regt. N. I. and President.

(Signed) J. C. BOULDERSON, Captain,
Dy. Judge Adve. General.

The Court beg most respectfully to state in explanation of their "Finding" of "Not Guilty" on both the Charges preferred against the Prisoner, that they consider the Prisoner was laboring at the time he committed the acts charged, under temporary derangement of mind, as appears by the evidence given on this trial, and which is supported by that of Assistant Surgeon Jopp his Medical Attendant.

(Signed) CHAS. SINCLAIR, Major,
24th Regt. N. I. and President.

(Signed) J. C. BOULDERSON, Captain,
Dy. Judge Adv. Genl.

The Court having most maturely weighed and reconsidered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Private James Brown, has urged in his defence, is of opinion:

Revised Finding on the First Charge.—That the Prisoner is "not guilty" of the Charge.

Revised Finding on the Second Charge.—That the Prisoner is "not guilty" of the Charge.

The Court after carefully reconsidering its former judgment as recommended in the letter from the Judge Advocate General of the Army; and with due respect and deference to the sentiments of His Excellency the Most Noble the Commander in Chief therein conveyed, see no reason to change its former judgment, and for the reasons before submitted to His Lordship in explanation, do still abide by its former opinion.

Arnee, this fifteenth day of May, one thousand eight hundred and forty-four.

(Signed) CHAS. SINCLAIR, Major,
24th Regt. N. I. and President.

(Signed) J. C. BOULDERSON, Captain,
Dy. Judge Adve. Genl.

Disapproved.

The Commander in Chief feels bound to express his conviction that the reasons given by the Medical Officer upon this trial for his opinion, upon which the Court has grounded its judgment on the case, are neither convincing nor satisfactory, as the Prisoner appears to have been rational in all his acts up to the moment of the act charged, and his subsequent conduct, as far as these Proceedings manifest, perfectly free from any symptoms of unsoundness of mind.

In order to render a man irresponsible for his acts by reason of insanity, it must be of that kind as entirely to deprive him of the use of reason, as applied to the particular act in question, and the knowledge that he was doing wrong in committing it. If he had sufficient reason to have restrained the passions which induced the crime, and particularly, if he showed any thought and design, and a faculty of distinguishing the nature of actions on his commission of it, he is liable to the full punishment of his criminal acts.

His Lordship's confirmation is necessarily withheld in this case, as it would be a doctrine equally pernicious as unsound, and from which the worst results might be expected, to go forth to the Army, that the protection of insanity may be allowed to a man acting under violent passions, upon certain circumstances, impelled by no morbid delusion, but proceeding under the ordinary perceptions of the mind.

MADRAS, *30th May* 1844.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

The Prisoner to be released and return to his duty.

The foregoing Extracts to be read and explained to the Corps to which the Prisoner belongs.

Acting Adjutant General of the Army.

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 10*th June* 1844.

The following Extracts from the Proceedings of an European General Court Martial holden at Bellary, on Wednesday the first day of May, in the year of our Lord one thousand eight hundred and forty-four, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Ensign Sidney Waller of the Third Regiment or Palamcottah Light Infantry, placed in arrest by order of Brigadier James Perry, Commanding Bellary.

Charge.—For conduct unbecoming the character of an Officer and Gentleman, in having at Bellary, on the evening of Tuesday the twelfth of March, one thousand eight hundred and forty-four, unwarrantably entered the compound of Captain Walter George Yarde of the same Regiment, knowing that he, the said Captain Walter George Yarde, was then entertaining several Ladies and Gentlemen at dinner; and in having at the same time, wilfully and maliciously thrown with violence a large stone into the room where his, the said Captain Walter George Yarde's, guests were assembled at dinner: which stone struck him, the said Captain Walter George Yarde.

The above being in breach of the Articles of War.

Bellary, the twenty-third day of March, one thousand eight hundred and forty-four.

(Signed) W. L. G. WILLIAMS, Lieut. Col.
Commanding the Third Regiment or
Palamcottah Light Infantry.

By order.

(Signed) C. A. BROWNE,
Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Ensign Sidney Waller, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge, with the exception of the words "maliciously," "with violence" and "large."

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Ensign Sidney Waller of the Third Regiment or Palamcottah Light Infantry, to be reprimanded in such manner as His Excellency the Most Noble the Commander in Chief may be pleased to direct.

Bellary, 4th May 1844.

(Signed) A. C. POLE, Major,
Her Majesty's 63d Regiment, and President.

(Signed) A. HARRISON, Captain,
Deputy Judge Advocate General.

Remark by the Court.—The Court begs to observe that the substance thrown by the Prisoner was a mass of chunam and small stones about half the size of a man's hand.

(Signed) A. HARRISON, Captain,
Deputy Judge Advocate General.

(Signed) A. C. POLE, Major,
H. M. 63d Regt. and President.

Disapproved.

The Commander in Chief cannot approve a Sentence so incommensurate with the offence.

This result might have been anticipated by the Court, as it could hardly be supposed that His Excellency would convene a Court Martial in order to induce a punishment, which he could himself inflict without resorting to such a tribunal.

There are cases in which a reprimand may be accounted a severe punishment, only inferior to that of dismissal from the Service. It would be so in the case of an Officer of rank, character, and service, whose honorable career had previously placed him, beyond censure, and whose offence was some accidental irregularity or neglect which cast no imputation on his character.

His Lordship considers that something more was required than a mere expression of disapprobation for a wanton outrage on the decencies of society, and more particularly so, when that outrage was offered to a brother Officer during an entertainment given to Ladies and Gentlemen belonging to the Cantonment.

The young Officer ought to have been taught that he must be guided at once by the high principles of reason and decorum, which will place and retain him in the position of his honorable profession and that of a Gentleman in society.

In His Lordship's opinion a reprimand is in no case a suitable punishment where an Officer has been convicted of conduct unbecoming an Officer and a Gentleman. Such conviction generally requires a sentence of dismissal. It is for the Officer approving the Proceedings of a Court Martial to consider what extenuation ought to be made. If the circumstances of the case are such as not to unfit the offender for the society of his brother Officers, he should at least find that such conduct brings with it in the way of punishment, inconvenience and loss to himself, or the Sentence of the Court Martial can neither tend to his reformation, or act as an example to others.

His Excellency cannot but express his disapprobation of the manner in which the prosecution has been conducted by the Deputy Judge Advocate General, in not going into the evidence to prove the averment in the Charge that Ensign Waller committed the act imputed to him *maliciously* and wilfully, and it was incumbent on the Deputy Judge Advocate to have entered fully into the facts which appear so distinctly recorded in the Proceedings of the Court of Inquiry. It is for the Deputy Judge Advocate General to establish the Charge, and for the Commander in Chief to commute such part of the Sentence as he may deem fit.

Ensign Waller will be released from arrest and return to his duty.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 26*th July* 1844.

The following General Orders issued to Her Majesty's Troops serving under this Presidency, are published for the general information of the Army.

HEAD QUARTERS:

GENERAL ORDERS. FORT ST. GEORGE, 25*th April* 1844.

At a General Court Martial, holden at Bellary, on Thursday the 28th day of March 1844, and continued by adjournment to Friday the 29th day of the same month, Serjeant Thomas Gowers, regimental number eight hundred and ninety-five, in the Grenadier or Captain William James Darling's Company of Her Majesty's 63d Regiment of Foot, was arraigned upon the following Charges.

First Charge.—"For having at Bellary, on the evening of the twenty-fourth of February, one thousand eight hundred and forty-four, disobeyed the lawful command of Lieutenant William George Langrish Crowther of the same Regiment, his superior Officer, by refusing to go away under arrest when ordered by the said Lieutenant Crowther.

Second Charge.—"For highly insubordinate conduct, to the prejudice of good order and military discipline, in the following Instances:"

First Instance.—"In having at the same time and place, made use of grossly abusive language towards the said Lieutenant Crowther, his superior Officer, then and there in the execution of his office."

Second Instance.—"In having at the same time and place, shaken his fist in the face of the said Lieutenant Crowther, his superior Officer, then and there in the execution of his office."

Third Instance.—"In having at the same time and place, repeatedly struck his superior Officer, Lieutenant William Frederick Lowrie of the same Regiment."

"The above being in breach of the Articles of War."

Bellary, the twenty eighth of February, one thousand eight hundred and forty-four.

(Signed) A. C. POLE, Major, Commanding Her Majesty's 63d Regiment.

Upon which Charges the Court came to the following decision:

"The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner Serjeant Thomas Gowers, has urged in his defence, and the evidence in support thereof, is of opinion:"

Finding on the First Charge—"That the Prisoner is guilty of the First Charge."

Finding on the First Instance of the Second Charge.—"That the Prisoner is guilty of the First Instance of the Second Charge."

Finding on the Second Instance of the Second Charge.—"That the Prisoner is guilty of the Second Instance of the Second Charge."

Finding on the Third Instance of the Second Charge.—"That the Prisoner is guilty of the Third Instance of the Second Charge."

Sentence.—"The Court having found the Prisoner guilty as above stated, doth sentence him, the said Thomas Gowers, regimental number eight hundred and ninety-five, Serjeant in the Grenadier or Captain William James Darling's Company of Her Majesty's Sixty-third Regiment of Foot, to be reduced to the rank and pay of a Private Soldier and to suffer imprisonment in such place as the Officer Commanding Her Majesty's Sixty-third Regiment of Foot shall appoint, for one year, and to be kept in solitary confinement for a lunar month of twenty-eight days in the third, sixth and ninth months of such imprisonment.

(Signed) W. L. G. WILLIAMS, Lieutenant Colonel, Third Light Infantry, and President.

Bellary, 2d April 1844.

Approved and confirmed.

It is with regret the Commander in Chief has to confirm a Sentence awarded to a Soldier of such unexceptionable character, as that given of him by his Commanding Officer, and seven other Officers belonging to his Regiment, and which added to a knowledge of the Prisoner's excited state of mind occasioned by his wife's dissolute and disgraceful conduct, has been the cause of the Court passing so lenient a Sentence, which under other circumstances would have been visited with a more severe punishment. His Lordship has to express his disapprobation that the Officers, when checking the improper conduct of the Soldier, should have placed themselves in a position, which has led to an aggravation of the Soldier's offence of so grave a nature.

These crimes committed by the Prisoner were consequent upon the interference of Officers (no doubt well meant) to prevent the disorderly conduct of the Prisoner ill treating his wife on the public road. These Officers were within the reach of a guard, and Soldiers drawn to the spot by the cries of the woman were ready to carry their orders into execution. The Standing Orders of the Army are clear and positive, in pointing out the duty of Officers on such an occasion, and His Excellency has to regret that their being disregarded has led to such consequences.

In conclusion, His Lordship has to observe that it would have been more becoming in Lieutenant Lowrie to have had his orders carried into execution by the intervention of the Soldiers and that it was unnecessary and improper on the part of Lieutenant Crowther to attempt to detain the Prisoner with his own hands.

MADRAS, 24*th April* 1844. } (Signed) TWEEDDALE, Lieut. General, *Commander in Chief.*

This Order is to be entered in the General Order Book and read at the head of every Regiment in Her Majesty's Service on the Establishment of Fort St. George.

By order of the Most Noble the Commander in Chief.

M. 4th (the King's Own) Regiment of Foot, was arraigned upon the following Charges.

"The Court on the evidence before it, is of opinion that the Prisoner James Wilson, regimental number one thousand three hundred and forty, Private in the H. or Captain George Kennedy's Company of H. M. Fourth "King's Own" Regiment of Foot, is,

(Signed) N. F. JOHNSON, Major,
26th Regiment N. I.—President.

Secunderabad, 2d July 1844.

Approved and confirmed.

The offence of striking a Non-Commissioned Officer, who it is well known cannot retaliate without committing a breach of discipline, is at all times as unmanly, as it is heinous in a military point of view. But in this case the assault having been committed when the Serjeant's back was turned towards the Prisoner, the cowardly act was doubly contemptible and base, and had the Court expressed its indignant sense of the crime by a far more serious punishment, it would have met with my entire approval.

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 1*st August* 1844.

The following Extracts from the confirmed Proceedings of an European General Court Martial holden at Kamptee, on Monday the twenty-fourth day of June, in the year of our Lord one thousand eight hundred and forty-four, and continued by adjournment, by order of Brigadier James Perry, Commanding the Nagpore Subsidiary Force, by virtue of a warrant from Lieutenant General the Most Noble the Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Lieutenant Alexander Ross of the Tenth Regiment of Native Infantry, placed in arrest by order of Lieutenant Colonel Commandant John Wilson, Commanding the same Regiment, upon the following Charge.

Charge.—For conduct unbecoming an Officer and to the prejudice of good order and military discipline, in the following Instances:

First Instance.—In having on the public road at Kamptee, on the thirtieth of April one thousand eight hundred and forty-four, assaulted and beaten with a bamboo stick, Yenkatee, a Horsekeeper in his, Lieutenant Ross' service; and in having followed the said Yenkatee into the verandah of the Mess House of the Forty-sixth Regiment Native Infantry, and continued to beat him, until he was forcibly rescued by Lieutenant Alexander John Greenlaw of the Forty-sixth Regiment of Native Infantry and others.

Second Instance.—In having at the same time and place, made use of insulting language to the aforesaid Lieutenant Greenlaw.

Third Instance.—In having at the same time and place, appeared on the public road, and in the verandah of the Mess House of the Forty-sixth Regiment of Native Infantry, improperly dressed, being in his shirt, long drawers, and slippers.

Fourth Instance.—In having at the same place, on the tenth of May in the same year, addressed a note under the same date to Lieutenant Colonel Commandant John Wilson of the Tenth Regiment of Native Infantry, his immediate Commanding Officer, couched in terms highly disrespectful and insulting towards the said Lieutenant Colonel Commandant Wilson.

The above being in breach of the Articles of War.

Kamptee, the fifteenth of May, one thousand eight hundred and forty-four.

(Signed) JOHN WILSON, Lieut. Colonel Commandant, Commanding the Tenth Regiment of Native Infantry.

By order.

(Signed) RICHARD HUNTER, Captain, Acting Asst. Adjt. Genl. Nagpore Subsidiary Force.

The Court having most maturely weighed and considered the whole of the evidence adduced in support of the prosecution on the Charge, as well as what the Prisoner, Lieutenant Alexander Ross of the Tenth Regiment Native Infantry, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the First Instance of Charge.—That the Prisoner is guilty of the First Instance of Charge.

Finding on the Second Instance of Charge.—That the Prisoner is guilty of the Second Instance of Charge.

Finding on the Third Instance of Charge.—That the Prisoner is guilty of the Third Instance of Charge.

Finding on the Fourth Instance of Charge.—That the Prisoner is guilty of the Fourth Instance of Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Lieutenant Alexander Ross of the Tenth Regiment Native Infantry, to lose a portion of his Rank in the Regiment to which he belongs, by being placed in the list of Lieutenants in the said Regiment next below Lieutenant Edmund Thomas Fielde; and further, that he be severely reprimanded at such time and place as His Excellency the Most Noble the Commander in Chief may direct.

Kamptee, July the fifth, one thousand eight hundred and forty-four.

(Signed) CHARLES ST. JOHN GRANT, Lieut. Col. 18th Regiment N. I. President.

(Signed) WILLIAM HILL, Deputy Judge Advocate General.

Recommendation of Court.—The Court having awarded punishment, beg leave to recommend Lieutenant Ross' case to the clemency of His Excellency the Most Noble the Commander in Chief. It appears by the evidence that Lieutenant Ross has from severe illness suffered sufficiently to impair his mind, and to make his natural temper become a state of excitement, bordering on derangement on provocation, such as to render him incapable of controlling himself on such occasions.

(Signed) WILLIAM HILL, Deputy Judge Adv. General.

(Signed) CHARLES ST. JOHN GRANT, Lieut. Col. 18th Regiment N. I. President.

Approved and Confirmed.

With reference to that which has appeared upon these Proceedings, I do not consider Lieutenant Ross to be entitled to exemption from punishment on the grounds advanced by the Court. I have therefore confirmed the very lenient Sentence awarded.

The outrage committed by Lieutenant Ross on his Servant was perfectly unjustifiable and unprovoked. Similar conduct has been repeatedly and positively prohibited, and it remains uncertain whether

the Honorable Court of Directors may not consider Lieutenant Ross' conduct as coming within the scope and intention of their orders of the 14th of April 1813, in which is declared their decided resolution to dismiss from their Service every Officer who shall be proved to have been guilty of cruelty to any Native either by violently and illegally beating or otherwise maltreating him.

I must express my strong sense of the gross impropriety of which Lieutenant Ross has been guilty, in presuming to address to his Commanding Officer so highly disrespectful a note as has appeared in evidence against him : it admits of no extenuation or excuse. The high situation, responsibility and powers vested in a Commanding Officer, for purposes of discipline, demand at all times that the utmost respect and reverence should be shown him by those under his command, and I can only trust that Lieutenant Ross is now sensible of this, and is sincere in his expression of regret for his indecorous and insubordinate behaviour.

Lieutenant Ross will be released from arrest and return to his duty.

1st August 1844.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 10*th August* 1844.

The following Extracts from the confirmed Proceedings of an European General Court Martial holden at Kamptee, on Thursday the eighteenth day of July, in the year of our Lord one thousand eight hundred and forty-four, by order of Brigadier James Perry, Commanding the Nagpore Subsidiary Force, by virtue of a warrant from Lieutenant General the Most Noble the Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Captain John Trewman Lugard of the Forty-ninth Regiment of Native Infantry, placed in arrest by order of Major Charles Hewetson, Commanding the same Regiment, upon the following Charge.

Charge.—For conduct unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in having at Seetabuldee, on the third of May, one thousand eight hundred and forty-four, appeared as a Defendant at a Military Court of Requests, of which Lieutenant Colonel Charles Saint John Grant, Commanding the Eighteenth Regiment of Native Infantry was President, in a disgraceful state of intoxication.

The above being in breach of the Articles of War.

Kamptee, the thirteenth of May, one thousand eight hundred and forty-four. (Signed) CHARLES HEWETSON, Major, Commanding Forty-ninth Regt. N. I.

By order.

(Signed) JOHN GRIMES, Captain,
Asst. Adjt. Genl. Nagpore Subsidiary Force.

Captain John Trewman Lugard of the Forty-ninth Regiment of Native Infantry, charged in addition to the Charge originally preferred against him, as follows:

Additional Charge.—For having at Kamptee, on the thirteenth of May, one thousand eight hundred and forty-four, broken his arrest by giving his attendance at the Band assembled to play for the public amusement.

The above being in breach of the Articles of War.

Kamptee, the fourteenth of May, one thousand eight hundred and forty-four. (Signed) CHARLES HEWETSON, Major, Commanding Forty-ninth Regt. N. I.

By order.

(Signed) JOHN GRIMES, Captain,
Asst. Adjt. Genl. Nagpore Subsidiary Force.

The Court having most maturely weighed and considered the whole of the evidence adduced in support of the prosecution on the Charges, as well as what the Prisoner, Captain John Trewman Lugard, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the First Charge.—That the Prisoner is guilty of the First Charge.

Finding on the Additional Charge.—That the Prisoner is guilty of the Additional Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Captain John Trewman Lugard of the Forty-ninth Regiment Native Infantry, to be cashiered.

Kamptee, July the twenty-fifth, one thousand eight hundred and forty-four. (Signed) J. WILSON, Lieut. Col., Commandant, 10th Regiment N. I.—President.

(Signed) WILLIAM HILL,
Deputy Judge Advocate General.

Recommendation.—The Court having performed the painful part of their duty, beg leave most humbly to recommend Captain Lugard's case to the kind consideration of the Most Noble the Commander in Chief. His long service (continually with his Regiment) of twenty-two years; the state of ill health he has of late been in; the great heat of the sun and exposure, caused him to labor under great disadvantage, and the brandy and water taken in Court might have affected him as set forth.

It is the belief of the Court, that Captain Lugard when he attended the Band, did so, inadvertently, without thinking he was doing wrong, as it appears in evidence he spoke to no one.

(Signed) WILLIAM HILL,
Deputy Judge Advocate General.

(Signed) J. WILSON, Lieut. Col. Commandant, 10th Regiment N. I.—President.

Approved and confirmed.

It is equally painful to the Commander in Chief to confirm, as to the Court to award a Sentence which dismisses an Officer of long standing in the service, but the duty is imperative, and His Excellency regrets that he can see no circumstances of extenuation in the case which would afford him reasonable grounds of clemency.

MADRAS, 10*th August* 1844. (Signed) TWEEDDALE, Lieut. General, *Commander in Chief.*

The name of Captain John Trewman Lugard is to be struck off the strength of the 49th Regiment Native Infantry, from the date of the publication of this Order at Kamptee, which is to be reported to the Acting Adjutant General of the Army.

The Prisoner to be made over to the Civil Power, in order that the Sentence may be carried into effect.

The foregoing Extracts to be read to all Native Corps in the Madras Army.

16*th August* 1844.

The following Extracts from the confirmed Proceedings of an European General Court Martial holden

at Fort Saint George, on Saturday the thirteenth day of July, in the year of our Lord one thousand eight hundred and forty-four, and continued by adjournment, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Captain Josiah Wilkinson of the Forty-fourth Regiment of Native Infantry, placed in arrest by order of Major Robert Tierney Wallace, Commanding the same Regiment, upon the following Charge.

Charge.—For conduct unbecoming the character of an Officer and a Gentleman, in having at Palaveram, on the twenty-fifth of June one thousand eight hundred and forty-four, engaged in a disgraceful altercation and personal contest with Lieutenant and Brevet Captain Doveton Hodson of the same Regiment, during which he, the said Captain Wilkinson, attempted to strike the said Lieutenant and Brevet Captain Hodson, and was himself struck by that Officer, and at the same time grossly abusive epithets were mutually interchanged between them.

The above being in breach of the Articles of War.

Palaveram, the twenty-fifth of July, one thousand eight hundred and forty-four.

(Signed) ROBERT T. WALLACE, Major,
Commanding Forty-fourth Regiment of Native Infantry.
By order.
(Signed) C. A. BROWNE,
Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Captain Josiah Wilkinson, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Sentence.—The Court having found the Prisoner "guilty" as above stated, doth sentence him, the said Captain Josiah Wilkinson of the Forty-fourth Regiment of Native Infantry, to be suspended from Rank, Pay and Allowances for the period of six calendar months.

Fort Saint George, this twenty-ninth day of July, one thousand eight hundred and forty-four.

(Signed) H. WALPOLE, Brigadier,
and President.
(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

Recommendation.—The Court cannot but feel a strong and as they trust, a pardonable impulse in the Prisoner's favour. Circumstances have been recorded on the Proceedings that amount to a conviction that the Prisoner committed the act of which he has been found guilty, whilst labouring under considerable irritation, and violent mental excitement, caused by the very great provocation and indignity he had received, and they are satisfied that it was not premeditated, but the sudden paroxysm of a distracted moment. In thus presuming to express a wish in extenuation of the crime of which the Prisoner has been found guilty, the Court cannot avoid being impressed with a hope, that the peculiar circumstances of this case, together with the Prisoner's length of service, extending to a period of twenty years, and the very numerous and high testimonials adduced to his character as an Officer and a Gentleman, and to his mildness of disposition, and excellent temper, confirmed by many letters from Officers of high character and respectability addressed to the Prisoner, and the sincere contrition expressed by him, will plead in his favour, and the Court is therefore induced earnestly to recommend the Prisoner to the favourable consideration of the Most Noble the Commander in Chief.

Fort Saint George, this twenty-ninth day of July, one thousand eight hundred and forty-four.

(Signed) H. WALPOLE, Brigadier,
and President.
(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

The Court having most maturely weighed and reconsidered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner Captain Josiah Wilkinson, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Revised Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Captain Josiah Wilkinson of the Forty-fourth Regiment of Native Infantry, to be dismissed from the Service.

Fort Saint George, this twelfth day of August, one thousand eight hundred and forty-four.

(Signed) H. WALPOLE, Brigadier,
and President.
(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

Recommendation.—The Court cannot but feel a strong and as they trust, a pardonable impulse in the Prisoner's favour. Circumstances have been recorded on the proceedings, that amount to a conviction that the Prisoner committed the act of which he has been found guilty, whilst labouring under considerable irritation, and violent mental excitement, caused by the very great provocation and indignity he had received, and they are satisfied that it was not premeditated, but the sudden paroxysm of a distracted moment. In thus presuming to express a wish in extenuation of the crime of which the Prisoner has been found guilty, the Court cannot avoid being impressed with a hope, that the peculiar circumstances of this case, together with the Prisoner's length of service, extending to a period of twenty years; and the very numerous and high testimonials adduced to his character as an Officer and a Gentleman, and to his mildness of disposition and excellent temper, confirmed by many letters from Officers of high character and respectability addressed to the Prisoner; and the sincere contrition expressed by him, will plead in his favour, and the Court is therefore induced earnestly to recommend the Prisoner to the favourable consideration of the Most Noble the Commander in Chief.

Fort Saint George, this twelfth of August, one thousand eight hundred and forty-four.

(Signed) H. WALPOLE, Brigadier,
and President.
(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

Approved and confirmed, but on the grounds urged by the Court in its recommendation, I remit the Sentence.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Lieutenant and Brevet Captain Doveton Hodson, has urged in his defence, and the evidence in support thereof, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Fort Saint George, this fifth day of August, one thousand eight hundred and forty-four. } (Signed) H. WALPOLE, Brigadier, and President.

(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

Recommendation.—The Court having performed a painful duty in awarding the above Sentence, beg, with reference to the Prisoner's length of service, and to the high testimonials produced by him, to recommend him to the favorable consideration of His Excellency the Most Noble the Commander in Chief.

(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

The Court having most maturely weighed and reconsidered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Lieutenant and Brevet Captain Doveton Hodson, has urged in his defence, and the evidence in support thereof, is of opinion:

Revised Finding on the Charge.—That the Prisoner is "guilty" of the Charge.

Revised Sentence.—The Court having found the Prisoner "guilty" as above stated, doth sentence him, the said Lieutenant and Brevet Captain Doveton Hodson of the Forty-fourth Regiment of Native Infantry, to be dismissed from the Service.

Fort Saint George, this sixteenth day of August, one thousand eight hundred and forty-four. } (Signed) H. WALPOLE, Brigadier, and President.

(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

Recommendation.—The Court having performed a painful duty in awarding the above Sentence, beg, with reference to the Prisoner's length of service, and to the high testimonials produced by him, to recommend him to the favorable consideration of His Excellency the Most Noble the Commander in Chief.

Fort Saint George, this sixteenth day of August, one thousand eight hundred and forty-four. } (Signed) H. WALPOLE, Brigadier, and President.

(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

Approved and confirmed.

I regret that in a case of this nature I cannot attend to the recommendation of the Court, founded as it is simply on the former good character of the offender.

Offg. Dy. Judge Adve. Genl.

Not confirmed.

A fresh warrant having been issued to a new President, an Officer not before connected with the Court, for the assembly of this Court Martial, it should have been considered, in every respect, as a new Court, and the Members should have been re-sworn in the presence of its President, who is responsible for the regularity of the Court's Proceedings. This not having been done, I consider that the Proceedings of the Court are invalid.

The Prisoner will be released from confinement and will return to his duty.

No. 134 of 1844.—The following Act is published in General Orders:

ANNO SEPTIMO

VICTORIÆ REGINÆ.

CAP. XVIII.

An Act to remove Doubts as to the Power of appointing, convening, and confirming the Sentences of Courts-Martial in the *East Indies*.

[6*th June* 1844.]

Whereas Doubts have arisen as to the proper Authority by which, in certain Cases, Courts-martial

may be appointed and convened, and the Sentences thereof confirmed, in the *East Indies* and elsewhere; and it is important to the Maintenance of good Order and Military Discipline that such Doubts should be removed; be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That, any Law, Custom, Usage, Statute, Regulations, Articles of War, or Warrant to the contrary notwithstanding, any General or other Officer who may from Time to Time have Power to appoint or convene General or District or other Courts-martial for the Trial of Offences committed by any of the Officers or Soldiers in the Service of Her Majesty, or by any of the Officers, Soldiers, or Followers in the Service of the *East India* Company, not being Natives of the *East Indies* or other Places within the Limits of the said Company's Charter, or by any of the Officers, Soldiers, or Followers in the Service of the said Company, being Natives of the *East Indies* or other Places within the Limits aforesaid, shall, without any further or other Authority or Warrant, have Power and Authority to appoint or convene General or District or other Courts-martial (as the Case may be) to be holden for the Trial of Offences committed by any Officer, Soldier, or Follower in any of the said Services, who may be under the actual Command or who may be or come within the local Limits of the Command of such General or other Officer, although the Power of such Officer as to appointing or convening Courts-martial might but for this Act extend to One or more of the said Services only, or to some only of the Forces belonging to any One or more of such Services; and that in like Manner any General or other Officer who may from Time to Time have Power to confirm Sentences of General or District or other Courts-martial for the Trial of Offences committed by any of the Officers or Soldiers in the Service of Her Majesty, or by any of the Officers, Soldiers, or Followers in the Service of the *East India* Company, not being Natives as aforesaid, or by any of the Officers, Soldiers, or Followers in the Service of the *East India* Company, being such Natives as aforesaid, shall, without any further or other Authority or Warrant, have Power and Authority to confirm Sentences of General or District or other Courts-martial (as the Case may be) held for the Trial of any Officer or Soldier or Follower in any of the said Services, who may be under the actual Command or who may be or come within the local Limits of the Command of such General or other Officer, although the Power of such Officer, as to confirming the Sentences of Courts-martial, might but for this Act extend to One or more of the said Services only, or to some only of the Forces belonging to any One or more of such Services.

Any Officer who may convene or confirm Courts-martial for the Queen's Troops, or for the East India Company's Troops, may convene or confirm Courts-martial for any Troops under his actual Command.

II. And be it enacted, That the said several Powers may be exercised as aforesaid to whichsoever of the Presidencies of *Fort William*, *Fort St. George* or *Bombay* the Offender may belong, or whether the General or other Officer appointing or convening the Court-Martial, or confirming the Sentence, may be the Officer commanding in chief in *India*, or at the Presidency, to which the Offender may belong, or at any other Presidency, or may hold his Command or his Power to appoint, convene, or confirm the Sentences of Courts-Martial from or under the Officer commanding in chief in *India*, or at the Presidency to which the Offender may belong, or at any other Presidency, or may hold such Command or Power from or under any other Authority whatsoever, or whether the Offence shall have been committed before or after the Officer appointing or convening the Court or confirming the Sentence shall have taken the Command, or before or after the Offender shall have been under the Command of such Officer, or before or after the Offender shall have been or shall have come within the local Limits of the Command of such Officer, or wheresoever, whether within the Presidency to which the Offender may belong, or within any other Presidency, Possessions, or Territories under the Government of the said Company, or on the High Seas, or elsewhere, the Offender may be serving, or the Offence shall have been committed, or the Court-Martial shall be appointed, convened, or held.

Offenders may be tried wheresoever they may be serving or the Offence may have been committed.

III. And be it enacted, That, any Articles of War or Usage to the contrary notwithstanding, Her Majesty may grant Warrants under Her Sign Manual severally empowering the Officer commanding in chief the Forces in *India*, and the General or other Officer commanding the Forces at each or any of the Presidencies of *Fort William*, *Fort Saint George*, and *Bombay* for the Time being, to authorize any General or other Officer not below the Rank of a Field Officer, having the Command of any Body of the Troops of Her Majesty or of the said Company serving in the Possessions or Territories which are or may be under the Government of the said Company or elsewhere, to confirm the Sentences of General Courts-martial which shall be holden for the Trial of Offences committed by any Officer, Soldier, or Follower of or belonging to such Troops; and the Officer commanding in chief the Forces in *India*, or the General or other Officer commanding the Forces at any of the said Presidencies, being so empowered, may authorize any such General or other Officer to confirm such Classes of Sentences only, or Sentences passed for such Classes of Offences only, or on such Classes of Persons only, as he may think fit, reserving to himself the Power of confirming Sentences in all such Cases as such General or other Officer may not be authorized to confirm, or may think fit to send for the Decision of such Officer commanding in chief the Forces in *India*, or of such Officer commanding the Forces at one of the said Presidencies.

Her Majesty may authorize Commanders in Chief to delegate Power of confirming Sentences of General Courts-martial.

IV. And be it enacted, That when, by any Act of Parliament or Articles of War, the Sentence of a Court-martial is not to be carried into execution until confirmed by the General or other Officer commanding in chief at the Presidency in the Territories subordinate to which the Offender shall have been tried, with the Concurrence of the Governor General in Council, or Governor in Council, or Governor of such Presidency, it shall not be necessary, in any such Case, that a Sentence so confirmed, with such Concurrence, should, in addition, be reported to or approved or confirmed by the General or other Officer commanding in chief the Forces of the Presidency to which the Offender may belong; and the Officer confirming the Sentence, with such Concurrence, and in all other Cases the Officer authorized under the Provisions in this Act contained to confirm the Sentence of any Court-

No other Confirmation necessary, except in certain Cases.

martial, shall have Power to cause the same to be put into execution, or to suspend, mitigate, or remit the same.

Confirmation of Sentences of Death on Commissioned Officers.

V. And be it enacted, That nothing in this Act contained shall empower any Person not otherwise duly authorized in that Behalf to confirm any Sentence of Death, Transportation, or Cashiering on any Commissioned Officer employed upon Her Majesty's Staff, or serving in any of Her Majesty's regular Regiments; and that nothing in this Act contained shall empower any Officer, other than those herein-after mentioned, to confirm the Sentence of Death, Transportation, or Cashiering on a Commissioned Officer of the *East India* Company's Service; (that is to say,) the General or other Officer commanding in chief at the Presidency within which, or in Territories subordinate to which, the Offender shall have been tried, or the General commanding in chief the Army to which the Division, Brigade, or Party in which the Offender may be serving shall belong or be attached.

Act not otherwise to affect Laws now in force.

VI. Provided always, and be it enacted, That, save as herein-before is expressly provided, this Act shall not alter or affect the Laws, Statutes, Regulations, Articles of War, Usages, or Customs which now are or hereafter may be in force with respect to Her Majesty's Forces or the Forces of the said *East India* Company, whether Natives or not of the *East Indies*, or other Places within the Limits of the said Company's Charter: Provided also, that this Act shall not be construed as declaring or interpreting the Extent of Her Majesty's Royal Prerogative, or the Meaning of any former Act or of any Article of War.

Act to extend only to the East Indies.

VII. And be it enacted, That the Provisions of this Act shall apply to all such Persons as may from Time to Time be liable to Martial Law under the Provisions of any Act of Parliament or Articles of War, and who may from Time to Time be serving or may be or come within the Limits of the Charter of the *East India* Company, construing the same as extending to all Places and Seas Eastward of the *Cape of Good Hope* to the *Straits of Magellan*.

Continuance of Act as to Her Majesty's Forces.

VIII. And be it enacted, That, so far as regards Officers and Soldiers in Her Majesty's Service, this Act shall continue in force so long only as there may be in force some Act for punishing Mutiny and Desertion, and for the better Payment of the Army and their Quarters.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 20*th September* 1844.

No. 81.—With the sanction of the Most Noble the Governor in Council, the Commander in Chief has directed the publication of the following "Extract Regulations", for the guidance of the Army.

The G. O. C. C. 5th November 1840, is cancelled.

NATIVE LANGUAGES and REGIMENTAL MOONSHEES.

1. No Officer of the Indian Army, whether serving with an European or Native Corps, can be considered properly efficient who is not able to converse freely in Hindoostanee or some other of the Native languages,—and to read and write sufficiently to understand common letters and to issue his orders, when necessary, to detached parties.

2. The acquirements of Officers in the Native languages are invariably to be reported upon at the Annual Inspection.

3. These Reports are to be founded on the actual observation of the Commanding Officer, who will be held responsible for their correctness in every point. In no instance is the opinion of an Officer, present with the Corps, to be taken upon his own acquirements. Every Officer of the Regiment is to be included in the Rolls, whether present or absent.

4. No Officer will be appointed Adjutant or Interpreter, or will be allowed to act as such, who has not previously passed the prescribed Examination, and in the appointment of an Interpreter, Officers who may have passed in more than one language will always be considered to have a preferable claim, if in other respects qualified for the duty.

5. No Officer is eligible to be appointed to the Commissariat who has not passed an Interpreter's examination in some Native language.

6. No Officer who may have entered the Service since the 1st January 1837 is eligible to be appointed to the Staff in any capacity, or to Civil employ, or to act in any Staff appointment, except temporarily during actual service in the Field, who has not passed as Adjutant in Hindoostanee, under the provisions of para 17.

7. Although Officers in the Service prior to the above date are exempted from the restrictive operation of the preceding rule, it is to be distinctly understood, that a competent knowledge of Hindoostanee will always be considered to confer a strong additional claim to nomination to the Staff.

8. No Officer is eligible to hold the charge of a Native Troop or Company until he has passed an Examination in Hindoostanee, Tamil, or Teloogoo, as hereinafter specified.

9. No Medical Officer will be eligible to hold any permanent Medical charge, Civil or Military, who has not passed an Examination either in Hindoostanee, or Tamil, or Teloogoo.

10. The course of Examination for each Class is as follows:

INTERPRETERS (*Hindoostanee.*)

I. Translating from Hindoostanee into English, not less than a page, taken at random, from any of the following works—Chuhar Durwesh—Gooli Bukawulee—Ukhlaq-i-Hindee—Ikhwan-oos-Sufa.

II. Translating from English into Hindoostanee, not less than an ordinary page.—This paper may consist of a Letter or Military despatch, or it may be selected from any English work—but not from a translation from an Oriental language, unless of purely English idiom and construction.—It is not required that a difficult paper should be selected for this exercise, but only that it should be of such a description as fairly to test the Student's knowledge of idiom and capability of making correct and clear translations of such Orders and Papers as may be expected to come within the course of an Officer's duty.

Both these translations are to be made in writing, and without dictionaries or other aid.

III. Reading aloud, and afterwards translating, an ordinary Urzee or Native Letter, of not less than one page. The Papers selected for this purpose must be originals.—Papers prepared by Moonshees for the occasion are not to be used.

IV. Translating, extemporally, the Proceedings of a Native Court Martial. In this part of the examination the Officer is to be allowed to read over the Charge and to translate it from the record, which is then to be taken by one of the Examiners, who will read out the different parts of the Evidence for translation by the Officer to two or more Non-Commissioned Officers or Privates, both Mooslmans and Hindoos, who are to be in attendance on the Examiners, who will satisfy themselves that the Officer's interpretation is clearly and correctly understood by them. In translating the Finding and Sentence the Officer is again to be allowed the use of the record.

V. Conversation with the Natives in attendance, who are to be instructed to address the Officer freely, the Officer being required accurately to explain to the Examiners the whole of what is said.

ADJUTANTS.

I. Translating from Hindoostanee into English, an ordinary Native Letter or Urzee.

II. Translating into Hindoostanee a couple of paragraphs, or about half a page, selected from Part III of the Cavalry Exercise,* Sections XIV to XIX, or from Part V of the Infantry—or from Duties in Garrison, or Camp, or Escalading Drill.—These translations to be made in writing and without assistance.

* Edition of 1844.

III. Reading to the Examiners the Letter before translated.

IV. Translating extemporally the *evidence* read out from the Proceedings of a Court Martial, as prescribed for an Interpreter.

V. Conversation as prescribed for Interpreters.

For Officers of Troops and Companies.

I. Translating from Hindoostanee, Tamil, or Teloogoo, into English, in writing, a short Letter or Urzee plainly written and of easy style, such as an Officer is liable to receive in common course of duty.

II. Reading the above to the Examiners.

Cavalry XXXI. LVI.
Infantry XIV Native Ranks. XXXVII.

III. Translating extemporally any paragraph from the Sections of Standing Orders noted in the margin.

IV. Conversation with the Natives in attendance upon ordinary regimental subjects, such as to satisfy the Examiners that the Officer is able to understand correctly, and to express himself intelligibly upon all the usual matters of duty—including the names of all articles of regimental equipment of every kind.

Medical Officers.

This examination is not required to extend beyond the Officer's colloquial knowledge of Hindoostanee, Tamil, or Teloogoo. He is required to be able to understand correctly what may be stated to him by a Patient, and to communicate freely with him in reply—which the Examiners will ascertain by causing the Non-Commissioned Officers or others to address themselves to him as Patients, the Medical Officer explaining to the Examiners what is said and making appropriate replies.

The conversation is not to be confined to the mere description of a disorder or the particular symptoms of a Patient and the names of medicines to be used. The Officer should be able to converse with tolerable readiness on general subjects, so as to enable him to meet the objections and prejudices habitual to the Native mind and to reconcile the Patients to the mode and means of European cure.

---

11. It will be sufficient that the hand writing is clear and legible—and, in the case of Adjutants, that a general knowledge of idiom and grammar be evinced.

12. From Interpreters a greater degree of proficiency will be required in all particulars.—In Hindoostanee, the dialect of Southern India is to be used in speaking and writing,—but they must also be acquainted with the Oordoo Grammar, as used in the Chuhar Durwesh, &c.

13. Officers are not to be examined as Adjutants, unless under orders from Head Quarters, or when Commanding Officers may wish to nominate them for the appointment.

14. Officers of Artillery are allowed to be examined as Adjutants either in Hindoostanee or Tamil, which will be sufficient to qualify them for the combined appointments of Adjutant and Quarter Master.

15. Officers of Engineers are allowed to be examined either in Hindoostanee or Tamil.

16. Examination Reports are to be prepared separately for each Officer. They are to specify the time occupied and the opinion of the Examiners *upon each point of examination*, and the Examiners are to record at the end, whether or not they consider the Officer qualified as Interpreter, or Adjutant, or for charge of Troop or Company, or for Medical charge, as the case may be. This is invariably to be stated absolutely,—a qualified opinion, as that the Officer is considered equal to the "ordinary duties of an Interpreter &c." is never to be given.

17. When an Officer has been examined as *Interpreter*, the Examiners are at liberty to pass him as *Adjutant*, should they consider him fully qualified, though not passed as Interpreter.

18. The Reports are to be transmitted through the prescribed channels to the Adjutant General, accompanied by the several Examination papers.

19. Moonshee Allowance for six months, or one hundred and eighty Rupees, is allowed to every Officer who shall pass an Examination in any Native language.

20. Cases of extraordinary proficiency, such as the efficient acquirement of three or more languages, will be submitted for the favorable consideration of Government.

21. When the Examiners may be of opinion that the Officer has made satisfactory progress evincing diligent attention to the study of the language for not less than six months, they are authorised to recommend him for the Moonshee Allowance, though they may not pass him as Interpreter.

22. The issue of Moonshee Allowance is restricted to Examinations as Interpreter.

23. Officers who may be passed as Interpreters in Hindoostanee or Persian by Provincial Committees, are required to pass a final examination at the College on the first occasion of their visiting the Presidency.

24. The following letters are to be placed in the Monthly Returns and other records, against the names of Officers who have been examined in any Native language:—

For Officers who have passed the final examination as Interpreters, at any Station, if prior to 1st June 1841, or at the College if subsequently to that date.

Ar Arabic,—C Canarese,—H Hindoostanee,—M Mahratee,—Mm Malayalim,—O Oorea,—P Persian,—T Tamil,—Te Teloogoo,—*all in Roman Capitals in red ink.*

For Officers who have passed as Interpreters before Provincial Committees, but are subject to final examination at the Presidency—*the same in black ink.*

For Officers who have been examined as Interpreters, and have received the Moonshee Allowance for "creditable progress," *the same in capital italics, black.*

For Officers who have passed for Troops or Companies or Medical charge, *the same in small italics, black.*

For Officers who have passed as Adjutants, if under the provisions of para 17, the letter A in roman capital black—or if simply on the papers of an Adjutant, the letter *a* in small italics.

25. Officers Commanding Divisions are authorised to assemble Committees of Examination whenever necessary, observing that none but Officers who have passed as Interpreters, or who in the case of senior Officers are known to be good Linguists, are eligible to sit as Members.

26. In the Examination of an Assistant Surgeon, a Medical Officer who has passed the prescribed Examination is always to be a Member when available.

27. At Stations where only one Regiment may be serving, Regimental Committees may be ordered for the Examination of Medical Officers and Officers of Troops and Companies.

28. In order to facilitate the studies of Officers, Books will be supplied to Corps on loan, on application from the Commanding Officer to the Secretary to the College Board.

29. These Books are to be placed in charge of the Interpreter, in whose Office they are to be carefully registered—an Annual Return thereof being transmitted to the Secretary on the 1st January.

30. Any Book lost or injured, and not accounted for to the satisfaction of the College Board, will be charged to the Officer in whose possession it may have been at the time, and the value will be deducted from his Pay.

31. Arrangements are required to be made by Corps for the carriage of the Books to and from the College.

32. Regimental Moonshees are to be entertained by Interpreters of Corps, subject to the approval of Commanding Officers, who are required to satisfy themselves that the individuals are perfectly eligible for the situation both in point of acquirements and in regard to general respectability of character.

33. They are not to be borne upon the Returns, and may be discharged and replaced by Interpreters, under the authority of Commanding Officers, without reference to any other authority, and without Discharge Certificates.

34. Regimental Moonshees are under the immediate direction of the Interpreter, whom they are required to assist in any manner that may be ordered. They are not, however, to be employed upon any occasion on the Parade ground,—Interpreters being required personally to read and explain whatever may require to be communicated at such times to the men.

35. Their attendance upon other Officers of the Regiment will be regulated by the Interpreter, under the sanction of the Commanding Officer, as circumstances may require.

36. The sum allowed for this attendance is three and a half Rupees monthly for each hour, and no Officer shall be permitted to exceed this rate, which is to be regularly handed over to the Interpreter on each issue of Pay.

37. At Stations at which Artillery may be serving to which no Interpreters are attached, Commanding Officers will cause them to be provided with translations of Orders as required, from Native Corps, the Moonshees of which are to be detailed for the purpose of reading the same on the Parade.

38. Regimental Moonshees are also required to give such aid as may be ordered in the superintendence of the Regimental Schools.

39. Neglect of duty or other misconduct on the part of a Regimental Moonshee will subject him to fine, by order of the Commanding Officer, to an extent not exceeding one third of his fixed pay.

HEAD QUARTERS:

GENERAL ORDERS. FORT ST. GEORGE, *1st October* 1844.

At a General Court Martial holden at Kamptee, on Thursday the 18th day of July 1844, and continued by adjournment, to Thursday the 8th day of the month following, Private William Harrison, regimental number nine hundred and two, in number one Company of Her Majesty's 21st Regiment of Fusiliers, was arraigned upon the following Charges.

First Charge.—"For conduct to the prejudice of good order and military discipline, in having at Kamptee, on the twenty-fourth of July, one thousand eight hundred and forty-four, appeared on the public road of the Cantonment in a state of intoxication."

Second Charge.—"In having at the same time and place, disobeyed the lawful command of Captain William John King of Her Majesty's Twenty-first Regiment of Fusiliers, his superior Officer, when repeatedly ordered by him to return to the Barracks of his Regiment."

Third Charge.—"For highly insubordinate conduct, to the prejudice of good order and military discipline, in the following Instances:

First Instance.—"In having at the time and place aforesaid, entered the quarters of the said Captain William John King, his superior Officer, and offering violence to that Officer, by seizing him violently by the right wrist and holding his clenched fist in his face."

Second Instance.—"In having at the same time and place, made use of grossly abusive and threatening language towards the said Captain William John King, his superior Officer."

"The above being in breach of the Articles of War."

Kamptee, the third day of August, one thousand eight hundred and forty-four.

(Signed) GEORGE DEARE, Lieut. Colonel,
Commanding Her Majesty's Twenty-first
Regiment of Fusiliers.

Upon which Charges the Court came to the following decision :

"The Court having most maturely weighed and reconsidered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Private William Harrison, has urged in his defence, is of opinion :"

Finding on the First Charge.—"That the Prisoner is guilty of the First Charge."

Finding on the Second Charge.—"That the Prisoner is guilty of the Second Charge."

Finding on the First Instance of the Third Charge.—"That the Prisoner is guilty of the First Instance of the Third Charge."

Finding on the Second Instance of the Third Charge.—"That the Prisoner is guilty of the Second Instance of the Third Charge."

Revised Sentence.—"The Court having found the Prisoner guilty as above stated, and having furthermore taken into consideration the proof of his six previous convictions, doth sentence him, the said William Harrison, number nine hundred and two, Private in number one Company of Her Majesty's Twenty-first Regiment of Fusiliers, he being born of European parents, to be transported beyond Seas as a felon for the term of seven years."

Approved and confirmed.

The course which was taken by Captain King of the 21st Fusiliers, in sending his servants after a drunken Soldier, was highly improper under any circumstances. He should have sent the Corporal and File of the Guard alone to take charge of the Prisoner.

It is to be much regretted that a case of such gross insubordination should have occurred so shortly after the publication of the remarks made by His Excellency the Commander in Chief in India, upon the trial of Privates James Cackcroft of Her Majesty's 3d Regiment and of James Burroughs of Her Majesty's 62d Regiment of Foot published in Queen's G. O. Nos. 21 and 22 of Fort St. George, dated Simla, 15th of July and 2d of August 1844, and it would be well to remember that His Excellency has expressed his determination to suppress, by every means in his power, the spirit of insubordination towards Officers and Non-Commissioned Officers which has of late so frequently exhibited itself among some of the bad characters in Her Majesty's Regiments.

MADRAS,
28th September 1844. } (Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

This Prisoner is to be sent to the Presidency under an escort by the earliest fitting opportunity that may offer, to be delivered over to the custody of the Civil Power.

At a General Court Martial holden at Moulmein, on Monday the 21st day of August 1843, and continued by adjournment, to Saturday the 6th day of April following, Private James Gibbons, regimental number one thousand two hundred and ten, in the B. or Captain Charles James' Company of H. M. 84th Regiment of Infantry, was arraigned upon the following Charge.

Charge.—"For having at Tavoy, on the twenty-fourth of February, one thousand eight hundred and forty-four, feloniously, unlawfully and maliciously discharged a loaded Musket in the direction of a Barrack occupied by a Detachment of the Seventeenth Regiment of Native Infantry, with intent in so doing to do some grievous bodily harm to one, or more of the Soldiers of the said Detachment, then and there within, and in the immediate vicinity of the said Barrack."

The above being within the provisions of the one hundred and second Article of War.

Moulmein, the twenty-fifth of March, one thousand eight hundred and forty-four. } (Signed) R. WILLINGTON, Lieut. Col.
Commanding H. M. 84th Regiment.

Upon which Charge the Court came to the following decision :

"The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as the evidence which the Prisoner, Private James Gibbons, has brought forward in his defence, is of opinion :"

Finding on the Charge.—"That the Prisoner is guilty of the Charge."

Sentence.—"The Court having found the Prisoner guilty, as above stated, doth sentence him, the said James Gibbons, regimental number one thousand two hundred and ten, Private in the B. or Captain Charles James' Company of Her Majesty's Eighty-fourth Regiment of Infantry, he being born of European parents, to be transported beyond Seas as a felon for the term of seven (7) years."

Approved and confirmed.

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 12*th October* 1844.

No. 85.—1. Officers Commanding Divisions and Forces are directed to order the assembly of Medical Committees, at such Stations as they may determine upon, for the examination of European and Native Soldiers of the Company's Service, agreeably to the instructions contained in G. O. C. C. 11th April 1839, 28th May and 16th July 1842, 24th February and 6th June 1843.

2. With reference to the Forms of Proceedings and Rolls published in G. O. C. C. 11th April 1839 and 16th July 1842, the Commander in Chief directs that the following particulars be given in those documents in future.

3. In the Proceedings "No. 1 for Europeans Effective Corps," the "Date of Enlistment" is to be inserted below each man's name and in the Column "Character" in addition to "Good" or "Bad," must be entered "of temperate habits" or "of intemperate habits" as the case may be.

4. In the Roll "No. 3 for Europeans Effective," the "Date of Enlistment" *only* is to be inserted as above directed.

5. In the Proceedings No. 1 and Roll No. 3 for "European Veterans," the "Date of Enlistment" and "Date of Invaliding" to be added below the names.

G. O. C. C. 11th April 1839. G. O. C. C. 16th July 1842.

6. In the forms of Proceedings and Rolls prescribed in the General Orders noted in the margin, under the head "Present Age," the word "Days" is to be substituted for "Months."

7. As service under 18 years of age for Europeans and 16 years of age for Natives or service forfeited by Europeans on account of imprisonment under Section XXXIII of the Mutiny Act, is not allowed to be reckoned for Pension, Commanding Officers and Heads of Departments will be careful to note such forfeited service in the Proceedings and Rolls.

8. Native Commissioned and Non-Commissioned Officers and Soldiers who forfeit pay and allowances under the Regulations noted in the margin, forfeit also service for such period, which must be deducted accordingly.

Pay and Audit Regulations. Imprisonment paras. 2 and 3, page 211.

9. In order to ensure uniformity in calculating the periods of service of men entered in the Proceedings required to be submitted to Medical Committees, Officers Commanding Corps and Heads of Departments are required to be very careful in calculating such service from each man's Date of Enlistment to the date at the foot of the Proceedings. For example, if a man was enlisted on the 22d December 1818 and the date of Proceedings is the 30th September 1844, his service will be as under:

	Years.	Days.
From the 22d December 1818 to the 21st December 1843	25	0
From the 22d December 1843 to the 30th September 1844 according to the number of days in each month is	0	283
Total Service to be entered in Proceedings	25	283

10. The date of Transfer from Boy to Private, &c. is always to be entered, not that of Enlistment as Boys.

11. The Proceedings are to be prepared on Medium Paper, not less than one sheet being used; and when two or more sheets are required for the Proceedings they are to be stitched along the centre, and the entries are to be invariably made across the sheet open.

12. In preparing the Proceedings, a space of 2 inches must be left between names; and the columns headed "Remarks by the Medical Committee" and "Recommendation of the Commander in Chief" are to be at least 3 inches wide.

13. The following illustrates the mode in which the entries referred to in paras 2, 3, 4, 6, 7 and 8 are to be made.

15. By "Actual Service in India" and "Foreign Service," referred to in G. O. C. C. 6th June 1843, are meant those of *recent* date only to which the unfitness can be clearly attributed and not those of distant periods, subsequent to which the individual may have been performing Effective Service.

16. Unfitness must never be stated as having been caused from a combination of any two or more of the three descriptions of service referred to in the above Order. If it cannot be attributed *solely* to either "Actual Service in India" or "Foreign Service" it must be declared as having been caused by "Ordinary Service in India."

FORT WILLIAM, 18*th October* 1844.

No. 288 of 1844.—With advertence to Government General Orders,* No. 239, of the 3d November 1843, the annexed Extract, paragraph 5, of a Military Letter from the Hon'ble the Court of Directors to the Governor General of India in Council, No. 23, of the 31st July 1844, is published for general information and guidance:

"5. We must now call your particular attention to the alteration made in the Section 6. Articles of War for the present year, having reference to the collection of the Effects of Articles 128. Officers and Men of the Royal Army, under this alteration the power of Officers 129. whose duty it is to collect these Effects, is no longer restricted to such Effects as may 130. be in "Camp or Quarters," but is extended to *all Effects within the Territorial possessions of the East India Company*, and the same words are introduced with the Clause which provides for the collection of a Soldier's Effects. Full power is therefore now given to the proper Officers of Her Majesty's Troops to collect all the Effects, whether of Officers or Men, which such Officers or Men may leave within the Territorial possessions of the Company, and so long as the present Articles of War for Her Majesty's Service shall remain unaltered, such Effects must on demand be immediately made over to the Officers of Her Majesty's Troops upon whom the duty of collecting them devolves. The only exception to this general rule is the case referred to in the Counsels' reply to the second question proposed to them on this subject, which we now quote; viz., "if there were a "legal personal representative demanding the Notes, we think the Government Agents would be war- "ranted in delivering the Promissory Notes to such legal personal representative in preference to the Officer," which opinion, under the Amended Articles of War, is now as applicable to the Effects of Officers as it then was to those of deceased Soldiers."

Recommendation.—The Court having performed a most painful duty in awarding the sentence of death to so many of these misguided men, doth (in consideration of the great length of time that has elapsed since the commission of their crime, a period of nine months, and considering that during that time all duties have been performed by them) most respectfully, most earnestly, and unanimously, recommend the undermentioned men to the most merciful consideration of His Excellency the Commander in Chief; namely;—Privates Mahomed Malik of the A. Troop, Syed Fuzil of the B. Troop, Mahomed Jamaul, first, and Ismail Khan, second, of the C. Troop, Ismail Khan of the D. Troop, Surwar Khan and Yuswant Rao of the E. To CAPTAIN BOULDERSON,
Deputy Judge Advocate General VII District, Madras.

SIR,

I have the honor, by order of the Most Noble the Commander in Chief, to forward you the Proceedings of a General Court Martial whereof Major Duke of the 1st Madras Fusiliers is President, upon the trial of 17 men of the 6th Regiment of Light Cavalry, and to inform you, that you are appointed to relieve me as Judge Advocate on the said trial, and directed to proceed to Arcot with all convenient dispatch, in order that the Court may reassemble for the revision of its Finding and Sentence with regard to the Prisoner Private Mahomed Jamaul, first, of the C. Troop of the 6th Regiment of Light Cavalry, it appearing to His Lordship that the evidence is sufficient to convict the Prisoner of the 1st and 2d Instances of the Charge, but not of the 3d Instance; whereas the Court has found him guilty of the 2d and 3d Instances, and not of the 1st Instance of Charge.—This error His Lordship believes to have taken place in recording the opinion of the Court.

His Lordship further instructs me to point out, that on a Sentence of capital punishment, the Court itself should specify the particular mode of infliction, because of one mode of death being more ignominious than the other, its specification becomes a necessary part of the judgment of the Court, in which the Commander in Chief, who has to direct the execution of the Court's award, can take no share, or he would have an union of powers incompatible with the British constitution and with justice. His Lordship is aware that there are one or two precedents within the last 20 years, in which the Court has left the manner of inflicting a capital punishment to the confirming authority, but for the reasons stated, he considers such precedents are bad, and trusts that the Court will not add to their number, and by that means establish a usage in this Army not supported by any precedent for the last 34 years. His Lordship has accordingly directed a revision of the Sentence on this particular.

The Proceedings of the trial are addressed to the President of the Court Martial, and will remain with you until the assembly of the Court, when His Lordship directs that the seals may be broken in the presence of the Court.

I have the honor to be,
Sir,
Your most obedient Servant,

Judge Advocate General of the Army.

MADRAS, *2d November* 1844.

(Signed) TWEEDDALE, Lieut. General, *Commander in Chief.*

In promulgating to the Army the Proceedings which have been lately instituted against the 6th Regiment of Light Cavalry at Arcot, I will accompany them by a concise detail of events which rendered them necessary.

In October 1843 the 6th Regiment of Light Cavalry was suddenly required to proceed on Field Service from Kamptee to Bundelkhund, the Regiment having previously been informed that on the termination of the service, they were to move down to Arcot.

Subsequent events however required the services of this Regiment to occupy the advanced post of Jubbulpoor, to form a part of the Bengal Division of observation at Saugor, and orders were received for the Regiment to remain at the former station.

This movement appears to have occasioned considerable dissatisfaction in the Regiment, and while in this state it was announced to the men on the 1st of December, consequent upon orders which had been erroneously promulgated by the Pay Department, that their Field Batta was discontinued.

Acting, as there is reason to believe, upon a determination which had been previously formed in anticipation of such an order,—a rumour of which had been in circulation for some time before,—a large portion of the men, instigated by some evil disposed persons, that same evening were secretly bound together by an oath not to turn out for parade the following morning, nor to do any more duty.

Accordingly the next morning, the men refused to turn out when ordered, and it was not until nearly half an hour after the second trumpet that they yielded to the exhortations of their Officers, and consented to proceed to their duty.

On the close of the morning's exercise, Major Litchfield addressed the men on the subject of their misconduct, and warned them against its repetition.

His address was received by many in the most disrespectful manner, and consequent upon his refusing to listen to them, on their calling out to him from the ranks, and his requiring them to be silent, and to make their representations through their Troop Officers in the regular course, they shortly after stables proceeded in a body, and in a most tumultuous manner, to the quarters of Captain Byng, the Second in Command, where they declared their determination no longer to serve under Major Litchfield, who they asserted had no sympathy with them in their distress.

And in this determination they persisted until the morning of the 4th of December, when at a Parade which had been ordered by Brigadier Watson, a Sepoy from each Troop presented an urzee, stating their alleged grievances, and demanding that another Commanding Officer should be appointed to the Regiment, for that they would not continue to serve under Major Litchfield.

With the presentation of these urzees the excitement commenced to subside, and an order which had been despatched by Government, the moment the error which had been committed by the Pay Department was known, having been published the same day cancelling the previous order for the discontinuance of the batta, the men gradually returned to their duty.

Immediately on receiving Brigadier Watson's despatch of the 10th December reporting these proceedings, and intimating that although the Regiment had returned to its duty under Major Litchfield, he did not consider it in a state to be employed on Service, I issued orders to withdraw the Regiment from Jubbulpoor,—and two other Regiments, without loss of time, were put in motion to effect its relief.

I then had to determine upon the measures to be adopted towards the 6th Regiment of Light Cavalry, suitable to the military position in which it was placed.

I might at once, without further inquiry, have punished the whole Corps. Besides however that such a course would have subjected all alike to one common penalty, which would have left not only the men, but their wives and children with them, in destitution and distress many hundred miles distant from their homes,—there were other very serious considerations which decided me to bring the Regiment within the Frontier,—and there to institute a thorough investigation into all the circumstances of their misconduct.

I felt perfectly certain that all had not been equally criminal—I believed that the majority of the men were good and faithful Soldiers—I was fully convinced that they had been misled by a few mischievous and designing individuals—I felt it was due to the Regiment, and to the Army, to satisfy myself on this point, that I might be enabled to discriminate between the really guilty parties and those who had foolishly allowed themselves to be their dupes.

To carry this purpose into full effect, I at once determined upon ordering the Regiment to Arcot, where this important inquiry could alone be made under my own immediate direction—and Major Litchfield was simultaneously instructed to use every exertion for the detection of those who had been the instigators of these mutinous proceedings.

Circumstances over which the Madras Government had no control, prevented the removal of the Regiment from Jubbulpoor until the end of March and it did not, in consequence, reach Arcot before the middle of July, when a Special Court of Inquiry was immediately assembled, and after a month's investigation made its first report.

Upon the information elicited by that Court, I selected seventeen of the Privates for trial, as having been conspicuous for their misconduct—and these have now been found guilty, upon the clearest evidence, of the crime laid to their charge.

Had these misguided men remembered their duty as Soldiers, and had they been satisfied with respectfully representing their case, all would have been well.

Had they even been guilty of refusing to turn out for parade—though their crime would still have been great, yet if they had gone no further and had shown contrition for their offence, it might have been possible for the Commander in Chief, under all the circumstances of the case, to have dealt leniently with them.

I was unfortunately prevented from taking such a view of their case. In the first place, before even making an attempt to represent their grievances to their Officers, they were induced to combine together with an oath not to do their duty—and then because Major Litchfield, who believed that the batta had been discontinued by order of Government, shewed himself determined to carry the order into effect, and would not allow them to make their complaints to him upon parade in an irregular and unsoldierlike manner,—they followed up the oath they had taken, refused any longer to serve under his orders, and dared to give in urzees for submission to the Commander in Chief, demanding that their Commanding Officer should be removed.

The individuals who have been selected as leaders in these mutinous proceedings have justly incurred the penalty of death which has been awarded. I have however, considered it sufficient for the purpose of example, to limit its infliction to the two men who are proved to have been the parties actually engaged in administering the oath to the rest.

I should have been glad to think that the whole guilt of the Regiment rested with the ringleaders amongst the Privates.

But it is clear from all the information that has been obtained, that many of the Native Officers and Non-Commissioned Officers were deeply implicated, and failed most culpably in their duty,—and although the fact has not been distinctly proved, there is good reason to believe that some of their number were, in secret, the instigators of the men.

They have indeed asserted that previous to the actual publication at evening stables of the order for the discontinuance of batta, they had never heard any mention whatever of the subject,—and they have declared that they were perfectly ignorant of what was intended by the men, until the whole combination on that night had been actually formed.

But this is altogether incredible and impossible.

It has been proved that the subject was talked of amongst the men for some time before,—that the order itself was known to the Regiment some hours before evening stables,—that though the Native Officers were at some short distance from the men's tents, they did hear shouts of "deen deen" and must have known what those shouts meant, though they pretend that they suspected nothing—while as to the Non Commissioned Officers, they were most of them actually living in the same tents with the men, and must have both heard and seen all that was going forward.

Further it has been proved that they used no real exertion either to prevent the combination at the first, or to support the authority of their Officers afterwards.

The Government will not retain in their Service men who have thus shown themselves, at such a juncture, either unwilling or unable to do their duty—and with the sanction of the Most Noble the Governor in Council, I have accordingly ordered the summary discharge of the following

Subadar Alum Khan,
Subadar Bawooddeen,
Jemadar Daood Beg,
Jemadar and Native Adjutant Shekh Abdool Kadir,
in addition to,
Subadar Syed Ebraheem and
Subadar Ismail Khan,

who have been already dismissed for the same reasons.

Subadar Major Kadir Beg was not present with the Regiment at Jubbulpoor, and was consequently not implicated with the rest in their misconduct,—but he has been with the Regiment ever since, and although urged to exert himself in obtaining information which might lead to the detection of the ringleaders, he has constantly evaded the duty,—pretending that he has tried but has never been able to elicit any thing. He has thus proved himself altogether unfit for the responsible station which he occupies in the Regiment, and has exposed himself to the serious suspicion of desiring to screen the guilty parties in the Corps.

I have considered it necessary that this Native Officer should be punished, though not to the same extent as the others,—and under the authority of Government, I now direct his removal to the Pension List upon a reduced stipend of one half of what he would otherwise have been allowed.

The Native Officers of the Army will learn from the fate of these of the 6th Cavalry, that they cannot even remain passive on such occasions without the risk, perhaps of their lives, and certainly of their Commissions.

There is hardly one of them, especially in the Cavalry, who has not numerous near connexions of all grades in the ranks, through whom he must at all times be able to obtain information, and over whom at least, if over no others, he must be able to exercise influence,—and it can hardly ever be possible for him under such circumstances, to be ignorant of the feelings and intentions of his Corps.

Let the Native Officers of the Army therefore distinctly understand, that it is not enough for them to be able to prove that they have not been parties in the men's misconduct—They must be able also to prove that they have kept their European Officers fully and promptly informed of every act or intention of misconduct from its very beginning, and that they have exerted themselves actively and heartily for the maintenance of order,—or they will be dealt with themselves as guilty.

I further direct the discharge from the Service of the undermentioned Havildars and others in addition to

The delay which has taken place in the present case,—occasioned by the difficulty of relief, by the distance from the Presidency, and by other causes rendering it necessary to bring the Regiment within our own frontier,—but above all by my own anxious desire, by a full inquiry to discriminate between the innocent and the guilty,—has possibly been the means of enabling some of the Native Officers of the 6th Light Cavalry to escape severer punishment than they have now incurred,—but it has been unavoidable, —and the nature of the combination which existed in the Corps made it impossible for me to fix upon the individuals to be selected for punishment, until the Court of Inquiry had succeeded, with much difficulty, in establishing sufficient proof against them.

It may, however, serve to prove to the Army, that although secret oaths, and an unwillingness to expose the ringleaders, may delay and impede the Commander in Chief in eliciting the truth, and punishing the guilty,—yet no lapse of time, within the limitation of the law, will secure the instigators when discovered from the penalty due to their misconduct.—It will also shew that while in the desire to dispense strict justice, I have refrained from inflicting punishment until after the most deliberate and patient investigation, I am inflexibly determined that in no case shall those who are guilty of such a breach of discipline escape—particularly when committed in such a position, and under circumstances so utterly in defiance of their obligations as Soldiers.

The men of the 6th Light Cavalry appear to have deluded themselves with the idea that so long as they acted in a body they were safe, for that none of the body could be separately punished,—and that thus all would escape.

They now understand, and all the Army will understand from their example, that no combination however extensive, can screen from punishment,—and that every individual of the whole body becomes personally guilty, and personally liable to suffer for the whole.

The sentence of death on Privates Mahomed Booden and Abdool Ruhman, second, of the C. Troop (the two men who swore in the Sepoys by a solemn oath to combine and disobey the orders of their Commanding Officer), will be carried into execution by the Officer Commanding the Centre Division of the Army, under detailed instructions which will be sent to him through the Adjutant General of the Army.

The sentence of death on the eleven following Prisoners, Privates Mahomed Malik of the A. Troop, Syed Shabaz and Syed Fuzil of the B. Troop, Mahomed Jamaul, first, Ismail Khan, second, and Shekh Fukrodeen of the C. Troop, Ismail Khan of the D. Troop, Surwar Khan and Yaswant Rao of the E. Troop, and Syed Ahmeen and Daood Khan of the F. Troop, I commute to transportation beyond Seas for the terms of their natural lives.

The sentence of imprisonment and hard labor against Privates Syed Ghouse of the A. Troop, and Syed Ahmeed, and Syed Khadir of the D. Troop will be carried into effect under the Civil Authorities at Chittoor.

I pardon Private Mahomed Wazeer, as I believe what he states in his defence, that the cause of his appearing forward in these mutinous proceedings was his having been desired by Jemadar Shekh Ibrahim to obtain information of what was going on amongst the Sepoys of the Regiment.

I have felt it to be my duty, by the measures I have adopted on this occasion, to make evident to the Army the consequences which must inevitably follow such breaches of discipline and failure of duty as have occurred in the 6th Light Cavalry,—which, if passed over, would sap the discipline and efficiency of the whole Army.

With these measures however, all proceedings against the Native ranks of the 6th Light Cavalry will cease.

I have no wish any longer to remember their misconduct.—I am well acquainted with the history of the Corps, and I know well what have been its services.

I believe that all in its ranks are now deeply sensible of the guilt into which they have been betrayed, and I feel full confidence in their desire by their future course to restore and to maintain its former high and honorable reputation.

TWEEDDALE, Lieut. General,
Commander in Chief.

The above Charge and Sentence, together with the Remarks of the Most Noble the Commander in Chief, are to be translated and carefully explained to every Native Corps and Detachment in the Madras Army.

A translation of the remarks will be forwarded from Head Quarters—and Copies are to be supplied by Corps to their Detachments.

Commanding Officers are further directed to assemble their Native Officers, and to have the whole fully explained to them in their presence.

The European General Court Martial (under the provisions of Regulation III of 1829) of which Major T. A. Duke of the 1st Madras Fusiliers is President, is dissolved.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 2*d November* 1844.

No. 91.—1. In order to ensure uniformity in the several *European* Corps in the infliction of Minor Punishments awardable without Court Martial, the Commander in Chief directs the following Scale to be adopted in substitution of all former Orders and Regulations upon the subject.—Standing Orders of Corps to be corrected accordingly.

EUROPEAN CORPS.

SCALE *of* MINOR PUNISHMENTS *awardable without Court Martial.*

Punishments.	By Regimental Commanding Officer.	By Troop or Company Officer.	Portion involving forfeiture of, or exclusion from, Good Conduct Pay.	Remarks.
I. Removal from Staff Appointments	..	..	..	Commanding Officer only.
II. Reduction from Lance Appointments	..	..	..	do
III. Extra Duty	3 tours..	..	..	For Serjeants, Corporals and Bombardiers only.
IV. Stoppage of Coffee Room or Canteen liberty	30 days..	15 days..	..	
V. Drill, without Pack	15 drills..	5 drills..	13 drills.....	
VI. Drill, with Pack	7 drills..	.....	5 drills.....

VIII. Confinement to Barracks with Drill	15 days..	5 days..	8 days.....	Taking all duties in course and punishment drill without pack at other times twice a day.
IX. Confinement in Defaulter or Guard Room	7 days..	.....	4 days.....	Do do
X. Confinement in Conjee House	7 days..	.....	3 days.....	Taking neither drill nor duty.
XI. Confinement in Solitary Cell	7 days..	.....	2 days.....	do

2. Reduction from Lance appointments, and Stoppage of Coffee Room or Canteen liberty may be combined with any other punishment—but with these exceptions, awards must be strictly confined to one punishment only for the particular offence.

3. The punishments awardable by the Regimental Commanding Officer may also, with the exception of Nos. 1 and 2, be awarded by Officers Commanding Detached Troops and Companies, whenever Commanding Officers may deem it advisable to delegate authority for the purpose.

4. In order to avoid all misapprehension regarding the Punishments laid down in the above Scale, the following explanations are given.

I. REMOVAL FROM STAFF APPOINTMENTS.—The Staff Appointments referred to are those to which Officers Commanding appoint of their *own* authority, viz.—Serjeant Major—Quarter Master Serjeant—Troop Serjeant Major—Troop Quarter Master Serjeant—Drill Serjeant and Corporal—Trumpet, Bugle, Drum, Fife and Farrier Majors—Brigade, Bullock, Head School Master, School Master, Hospital, Color and Pay Serjeants—Rough Riders—Reading, Writing and Cyphering, and Assistant School Masters.

II. REDUCTION FROM LANCE APPOINTMENTS.—By Lance Appointments are to be understood those grades superior to their permanent Rank in which men may be serving without Pay as Probationers for the higher Rank.

III. EXTRA DUTY.—Requires no explanation.

IV. STOPPAGE OF COFFEE ROOM OR CANTEEN LIBERTY.—Is simply being debarred from entering the Coffee Room or Canteen.

V. DRILL, WITHOUT PACK.—Requires no explanation.

VI. DRILL, WITH PACK.—Requires no explanation—except that the pack is on no account to exceed twenty pounds in weight, slings and all included. Should it be necessary, a portion of the Necessaries may be omitted to bring the Pack within the ordered weight.

VII. CONFINEMENT TO BARRACKS, SIMPLE.—Restriction within the Barrack Square, or, where the Barracks are not enclosed by a Wall, within certain fixed limits, except when regularly marched out to duty or drill.

VIII. CONFINEMENT TO BARRACKS WITH DRILL.—Restriction within the Barrack Square, or, where the Barracks are not enclosed by a Wall, within certain fixed limits, except when regularly marched out to duty or Punishment Drill.

IX. CONFINEMENT IN DEFAULTER OR GUARD ROOM.—Confinement within any convenient room set apart for the purpose, or in the Guard Room, except when on duty or at drill, receiving regular Rations, but not permitted to have Wine, Beer or Spirits.

X. CONFINEMENT IN CONJEE HOUSE.—Confinement within any convenient room, receiving only "Conjee" or "Bread and Water" diet.

XI. CONFINEMENT IN SOLITARY CELL.—Confinement in a regular "Solitary Cell" or, in the absence of such, in a place as nearly like as may be available, receiving only "Conjee" or "Bread and Water" diet.

5. In recording Punishments in Order and Defaulter Books, the terms used in the Scale, and none other, are to be employed.

6. The forfeiture of pay which a Commanding Officer is authorised to award for Absence without Leave for any period not exceeding five days under Section XXXIII, Mutiny Act, and Article 49 of Articles of War, may be inflicted in addition to such other of the above punishments as he may direct, but whatever punishment is awarded for such absence, forfeiture of pay under the XXXIIId Section of the Mutiny Act and 49th Article of War is always to be part thereof.

7. Forfeiture of pay may be incurred however short the absence may be. For instance: A man absent at Tattoo on any night and not returning until after 12 o'clock is liable to be deprived of 2 days pay.

8. Forfeiture of pay for 3 or more days under the above quoted Section and Article of War, constitutes the culprit a Regimental Defaulter and his name must be entered accordingly.

9. The Regimental Records of Conduct are henceforth to consist of two only, viz. the Troop or Company Defaulter Book, and the Regimental Defaulter Book.

In the former, all offences of every shade and denomination which the Soldier shall commit, are to be regularly and distinctly recorded, whatever the punishment may be, even simple admonition.

In the latter, all offences are to be recorded which are punished to the extent stated in the foregoing Scale, as involving forfeiture of, or exclusion from, Good Conduct Pay.

10. All convictions by Courts Martial of whatever description, are to be entered both in the Troop or Company and Regimental Defaulter Books. They invariably involve forfeiture of, or exclusion from Good Conduct Pay according to circumstances—except in cases in which the Prisoner is pardoned or the punishment remitted.

11. In order to facilitate reference as to how often a man has been marked off as a Regimental Defaulter, the Letters RD are to be placed below the numbers of the Pages in the Index, at the end of the Troop or Company Defaulter Book. The Index to be prepared in the following form, and the names entered alphabetically—one or two pages (according to circumstances) being allotted for each Letter.

Regimental Number.	Names.	Pages of Defaulter Book in which entered.					
974	A. B.	1	4	4 RD	6	7 RD	a 7 b
821	A. C.	3	3 RD	5	9	13	15
468	A. D.	3	5	12 RD	16	18 RD	18 RD
735	A. E.	8	10				
947	A. B.	a 9 b	16				
821	A. C.	16	18 RD	19			
298	A. F.	18					

12. An Index of a similar form is to be appended to the Regimental Defaulter Book to facilitate reference, but as all men *hereafter* entered therein will be Regimental Defaulters, it will only be necessary to insert the letters RD. below the pages at which entries have already been made equivalent in point of severity to the amount of punishment now fixed as constituting a Regimental Defaulter.

13. The Permanent Defaulter Book is abolished.

14. No Punishment Drill is to exceed one hour at a time, nor two hours altogether in the same day.

15. In estimating offences and disposing thereof, a Commanding Officer incurs a heavy responsibility. On the one hand he is bound to take heed lest he deprive the Soldier, who looks to him for protection, of a permanent and substantial boon, by awarding for a trivial fault which even men of good general conduct may sometimes commit, a punishment involving deprivation of Good Conduct Pay.

16. On the other hand a Commanding Officer is equally bound to take heed lest by a too great desire to protect the Soldiers interests he abstain from inflicting adequate punishment, whether for really grave offences, or for those otherwise of a trivial nature, which if frequently repeated render a man unworthy of receiving rewards provided by his Sovereign and his Country only for the efficient and well conducted Soldier.

17. Commanding Officers are required to exercise their best judgment in discriminating between offences; and Inspecting Officers will bestow time and attention upon the examination and comparison of the Defaulter Books at the Periodical Inspections, specially reporting to the Commander in Chief every instance in which they shall discover a want of due uniformity in recording the offences, or a want of thought or judgment in separating the trivial from the important.

18. Much depends upon the description of men against whom punishment is to be awarded, and the judgment of a Commanding Officer is particularly required as to what sort of punishment will be best adapted to the offender.

19. Many men would prefer 48 hours Cell to 2 days Extra Drill, and others who dread the Cell, would prefer even 10 days Drill to the disgrace (as those of proper feeling would deem it) of being placed in the Solitary Cell.

20. A thorough knowledge of the disposition and habits of the culprit is necessary to guide the Officer in awarding punishment.

21. A man should not be made a Regimental Defaulter when it can be avoided, until milder punishments have been found to fail in leading him to reform.

22. An offence, trivial in itself, if frequently repeated requires severe punishment.

23. The punishments now sanctioned will be found quite sufficient for the correction of ordinary offences, provided due attention be paid in awarding them according to the description and character of the offender.

24. By speaking kindly, pointing out what a continuance of ill conduct must inevitably lead to, and looking over an offence committed unintentionally, an Officer may often succeed in keeping a man many months from the Orderly Room, while upon others, habitual offenders, all the advice in the world would prove useless.

25. The difficulty lies in deciding what description of *offence* ought to constitute a Regimental Defaulter—when this has been decided there can be no difficulty in awarding the punishment.

26. The simple offence of drunkenness itself, whether on or off duty, and whether aggravated by other misconduct or not, is invariably to be dealt with as an offence against military discipline.

27. A List of all Regimental Defaulters is to be made out every month by Troops or Companies and read aloud at the head of the Regiment, Corps or Detachment. This will tend to excite a spirit of emulation among the men to endeavour to have the smallest number of Defaulters in their respective Troops or Companies.

28. If a man is a Defaulter for drunkenness, it is to be stated at this Parade whether it be the *first, second, third* or *fourth* instance of drunkenness within twelve months, or the *first* or *second* instance within the like period, when he was on or for duty or parade, or on the line of march, or whether the *first* or *second* instance within six months after a conviction for habitual drunkenness. See 48 Art. of War, paras 1 and 2.

29. When a Commanding Officer orders punishments involving forfeiture of, or exclusion from Good Conduct Pay, he will notify the same in Regimental Orders, and cause the letters RD. to be added, in order that the requisite entries may be made in the Regimental Defaulter Book.

30. When a Commanding Officer considers that culprits brought up before him should not be made Regimental Defaulters, he will, generally, direct the Troop or Company Officer to award such punishment within his power, as he may think fit, but should the Commanding Officer himself order a punishment not involving forfeiture of, or exclusion from Good Conduct Pay, he will do so in Regimental Orders and at the same time direct the Letters T (or C) D to be added, in order that it be recorded in the Troop or Company Defaulter Book *only*.

31. Officers Commanding Detachments who have had the power delegated to them by their Regimental Commanding Officer of awarding the higher degrees of punishments, will at the time of ordering them cause all punishments involving forfeiture of, or exclusion from, Good Conduct Pay to be marked off with the letters RD. in the Troop or Company Defaulter Books, and in the first week of the months of January, April, July and October of each year, will send to Regimental Head Quarters, Extracts from Troop or Company Defaulter Books of all such punishments, for entry in the Regimental Defaulter Book.

32. It is to be understood that, in transferring the culprit's name from the Troop or Company to the Regimental Defaulter Book, it will not be necessary to transfer at the same time a Record of his offences beyond those which may have actually occasioned his being so transferred, but that the Record of all his offences is to be carefully preserved in the first mentioned Book, viz. The Troop or Company Defaulter Book, for the purpose of being referred to at a future period if necessary.

33. Each Defaulter Book is to be carefully preserved, and neither is on any account whatever to be defaced or destroyed.

34. The Troop or Company Defaulter Book is to be kept by the Captain or other Officer Commanding the Troop or Company, who may avail himself of the services of a Clerk for making the requisite entries therein, but to every entry not made in his own handwriting, the Captain or other Officer Commanding the Troop or Company must affix his initials.

35. The present Regimental Defaulter Books are to be corrected conformably with the Scale now laid down, and all Punishments therein entered, which do not involve forfeiture of, or exclusion from, Good Conduct Pay are to be considered Non entries and scored out accordingly in red ink.

formerly styled the "General Defaulter Book"—Form IX, G. O. C. C. 25th March 1836—the title of which is to be altered accordingly.

39. It appearing that, in the Horse Brigade and Battalions of Foot Artillery, "Regimental"* Defaulter Books have not been kept up; but that Officers Commanding have, upon a review of Extracts from Troop and Company Defaulter Books, caused the names of men considered deserving of being made Regimental Defaulters to be entered in a "Permanent" Defaulter Book; the same system will be continued in the Artillery until the 31st December 1844, and all men so entered will therefore remain as Regimental Defaulters.

* *Hitherto styled "General" in the Cavalry and Infantry.*

40. From the 1st of January next the above "Permanent" Defaulter Book will be discontinued and a "Regimental Defaulter Book" (Form IX, G. O. C. C. 25th March 1836) established in the Horse Brigade and Battalions of Foot Artillery.

41. The entry made *last* before the 1st January 1845 in the (abolished) "Permanent" Defaulter Book of the Artillery against each man who may therein appear for any offence recorded since the 1st November 1842, but not before that date, is to be extracted and inserted in the new Regimental Defaulter Book.

42. After the 31st December next, the system laid down in the former part of this Order with reference to records of Conduct, is to be regularly acted upon in the Artillery as at present in the Infantry.

To CAPTAIN T. K. WHISTLER,
Deputy Judge Advocate General VIII District, Trichinopoly.

SIR,

I have the honor by order of the Most Noble the Commander in Chief, to return the Proceedings of the General Court Martial upon the trial of Assistant Surgeon Currie, Doctor of Medicine, for the reconsideration of the Court.

I am instructed to state that in the special finding of the Court, on the Second Instance of Charge, the Court has found certain facts and acquitted the Prisoner of the remainder of the instance in question, whereby it has in effect rejected the imputation grounded on those facts of the Prisoner's conduct, being as affirmed, unbecoming the character of an Officer and a Gentleman.

As His Lordship cannot conceive that this omission has been intentional, on the part of the Court, and as a Court Martial is bound to exhaust in its finding all and every part of the Charge before it, I have been directed to return the Proceedings for correction in this inaccuracy, whereby the finding on the second instance of Charge is incomplete.

I have the honor to be,
Sir,
Your most obedient Servant.

Judge Adve. Genl.'s Office, Fort Saint George, xxiii *August* 1844.

(Signed) THOS. B. CHALON,
Judge Advocate General of the Army.

The Court having most maturely weighed and reconsidered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner, Assistant Surgeon William Frederick Currie, Doctor of Medicine, has urged in his defence, is of opinion:

Revised Finding on the First Instance of the Charge.—That the Prisoner is guilty of the First Instance of the Charge.

Revised Finding on the Second Instance of the Charge.—That the Prisoner is guilty "in having at the time and place and on the occasion set forth in the First Instance of Charge, submitted to be treated with great indignity, contempt and insult by the aforesaid Lieutenant Acton, and other Officers, then and there present, while a servant, by Lieutenant Acton's orders, threw a tumbler of beer over him, he, the said Assistant Surgeon Currie, having neglected to take sufficient measures and to use his best endeavours, to procure explanation, apologies and redress from the parties concerned for the indignities offered him, or to bring their conduct to the notice of his Commanding Officer, thereby betraying a culpable disregard for, and indifference to, his own reputation and honor," and that such conduct was unbecoming the character of an Officer and a Gentleman and to the prejudice of good order and military discipline.

Revised Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Assistant Surgeon William Frederick Currie, Doctor of Medicine, of the Fourth Regiment of Light Cavalry, to be discharged from the Service.

MADRAS, *4th November* 1844. (Signed) TWEEDDALE, Lieut. General, *Commander in Chief.*

The name of Assistant Surgeon William Frederick Currie, Doctor of Medicine, is to be struck off the strength of the Army from the date of the publication of this Order at Trichinopoly, which is to be reported to the Acting Adjutant General of the Army.

Lieutenant Duncan John Thomas King and Lieutenant Henry Acton, both of the Fourth Regiment of Light Cavalry, placed in arrest by order of the Most Noble the Commander in Chief, on the following Charge.

Charge.—For conduct unbecoming the character of Officers and Gentlemen and to the prejudice of good order and military discipline, in having at Trichinopoly, on the twenty-fourth of June one thousand eight hundred and forty-four, at a dinner party given at the house of the said Lieutenants King and Acton, treated Assistant Surgeon William Frederick Currie, Doctor of Medicine, attached to the Fourth Regiment of Light Cavalry, with great indignity, contempt and insult, more particularly in having encouraged and directed servants to throw quantities of water and beer over him, and to offer him other indignities, thereby subjecting the said Assistant Surgeon William Frederick Currie to insults not to be submitted to by an Officer having due regard to his reputation and character.

The above being in breach of the Articles of War.

Madras, the twenty-third day of September, one thousand eight hundred and forty-four. By order of the Commander in Chief. (Signed) C. A. BROWNE, Actg. Adjt. General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoners, Lieutenant Duncan John Thomas King and Lieutenant Henry Acton, have urged in their defence, is of opinion:

Finding on the Charge.—That the Prisoners are guilty of the Charge.

Sentence.—The Court having found the Prisoners guilty as above stated, doth sentence them, the said Lieutenant Duncan John Thomas King, and Lieutenant Henry Acton, both of the Fourth Regiment of Light Cavalry, to be dismissed the Service.

(Signed) T. K. WHISTLER,
Depy. Judge Adve. Genl.

Recommendation of the Court.—The Court throughout the trial in which it has been engaged, has had a most painful duty to perform, the conscientious discharge of which it has not shrunk from. Viewing, however, all the circumstances which have led to the present unfortunate result, the youth of the Prisoners, their short period of service, their expression of deep regret which the Court believes to be sincere, coupled also with its belief that the subject of the charge was considered by the parties more as a boyish freak than premeditated insult, and that years and a greater experience in the Service would have led to very different conduct on the part of those who have so thoughtlessly sacrificed their commissions—taking also into its consideration the unimpeachable character hitherto borne by the Prisoners, the Court is induced to appeal, humbly though earnestly and unanimously, to the feelings of the Most Noble the Commander in Chief, in order that mercy, if consistent with discipline, may be the result of its intercession in behalf of the Prisoners.

(Signed) T. K. WHISTLER, Depy. Judge Adve. Genl. (Signed) H. R. MILNER, Lieut. Colonel, H. M. 94th Regiment, President.

Approved and confirmed, but I remit the Sentence in the cases of both these Officers.

MADRAS, *4th November* 1844. (Signed) TWEEDDALE, Lieut.-General, *Commander in Chief.*

Lieutenants D. J. T. King and H. Acton will be released from arrest and return to their duty.

T. and C. B. Commander in Chief, are published to the Army.

Lieutenant and Brevet Captain Francis George John Lascelles of the Fourth Regiment of Light Cavalry, placed in arrest by order of the Most Noble the Commander in Chief, upon the following Charges.

First Charge.—For conduct unbecoming an Officer and to the prejudice of good order and military discipline, in having at Trichinopoly, on the twenty-fourth of June, one thousand eight hundred and forty-four, failed to do his utmost, and to exercise his authority as Senior Officer, then and there present, to prevent and put a stop to a disgraceful and disorderly proceeding which took place at the house of Lieutenants Duncan John Thomas King and Henry Acton of the Fourth Regiment of Light Cavalry, in which Assistant Surgeon William Fredrick Currie, Doctor of Medicine, attached to the same Regiment, was treated by the said Lieutenants King and Acton, and by servants, under their direction, with great indignity, contempt and insult.

Second Charge.—For conduct unbecoming the character of an Officer and a Gentleman, in having at the place aforesaid, on the twenty-fifth of the month and year aforesaid, volunteered his services as a friend to the said Assistant Surgeon William Frederick Currie to endeavour to obtain from the said Lieutenants Duncan John Thomas King and Henry Acton, fitting explanation and apologies for the indignity, contempt and insult with which they had treated him, Assistant Surgeon William Frederick Currie, on the occasion set forth in the first Charge; and after having so volunteered his services and had them accepted, in having failed to use his best endeavours to bring the affair to an amicable and honorable termination, and given up further interference therein, without having informed the said Assistant Surgeon William Frederick Currie of his intention to do so, or of the result of the mission he had voluntarily undertaken, until the twenty-eighth of the same month and year, after the said Assistant Surgeon William Frederick Currie had been placed in arrest for not having taken sufficient measures with regard to the insults offered him to vindicate his reputation and character as an Officer and a Gentleman.

The above being in breach of the Articles of War.

The evidence given by witnesses on a former trial having been most improperly transferred to these Proceedings, they are thereby vitiated, as all witnesses should give their evidence in the presence of the accused, so that they may be open to cross examination.

MADRAS *4th November* 1844.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

Remarks.—The legal informality which has been noticed upon the trial of Captain Lascelles, having rendered the Proceedings invalid, that Officer has escaped the penalty which he had otherwise most justly incurred by his misconduct.

I feel therefore, that it is no longer in my power to carry into effect the Sentence awarded against Lieutenants King and Acton.

Had not Captain Lascelles failed in his duty as Senior Officer present on the occasion, the offence which has given rise to their trials could not possibly have been committed—and considering Captain Lascelles, consequently, to have been by far the most culpable of the three, I feel that I cannot punish them while he escapes.

I trust that the serious risk which these three Officers have now incurred will have its right effect upon their future conduct,—and that the judgment pronounced by the Court Martial in their cases, will serve to convince the Officers of the Army, especially Seniors, that they cannot under any circumstances divest themselves of the responsibility which must at all times attach to the commissions they bear, whether themselves engaging in any disorderly proceeding, or failing to do their duty in preventing or repressing it on the part of others.

I can make every proper allowance for the thoughtlessness of young men, engaging in what they intend shall not pass beyond a merely harmless frolic,—but Officers must remember that there are bounds in these things, which cannot, and must not be exceeded with impunity.

The case of Assistant Surgeon Currie rests on a different footing,—and looking at his position as a Medical Officer, in whom, for the sake of others, it becomes impossible to overlook so dangerous a vice as that of intemperance, I am compelled in justice to the Army and the Public Service to confirm the Sentence.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

Lieutenant and Brevet Captain F. G. J. Lascelles will be released from arrest and return to his duty.

The General Court Martial of which Lieutenant Colonel H. R. Milner of H. M.'s 94th Regiment is President, is dissolved.

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 12*th November* 1844.

MEMORANDUM.

Adjutant General's Office,
Fort Saint George,
11*th November* 1844.

In publishing for the information of the Army the annexed Abstract of Ball Practice from the Returns for 1843, the Commander in Chief directs attention to the following instructions.

CAVALRY.—1. Carbine practice must be carried on in strict conformity with the rules laid down in the Book of Exercise pages 12—15, observing that the practice with ball must in no case be commenced until both man and horse are sufficiently steady under blank cartridge. A few men should be sent to the front when firing blank cartridge, at whom the aim should be directed—at first standing still and afterwards while in motion.

2. The greatest distance which should be allowed for Carbine practice, is 180 paces (150 yards), and the least, when mounted, 120—At any shorter distance the men must be taught to depend not upon their Carbines, but on their Swords.

3. For Pistol practice it is essential that the horse should be carefully trained to stand steady in any position as soon as he is pulled up.

INFANTRY.—4. The greatest distance which should be allowed for Musket practice is 240 paces (200 yards) and for Rifles 300 (250 yards)—but the practice generally should not exceed for the former 200 paces and for the latter 240—as long shots are found to induce unsteadiness when under fire in line.

5. The fire of Skirmishers, even of Rifles, can seldom be of any use beyond 200 paces—and when at a greater distance, unless when forced by or in forcing the enemy, it is usually more advantageous for them to keep under cover and to reserve their fire.

6. The main object in all Infantry practice should be to teach the men when in line to fire straight to their front so as that their shots may take full effect upon the enemy's ranks at a hundred paces.

7. Men must never be suffered to fire at random—but every Soldier must be carefully accustomed, whether firing singly or in line, to take a deliberate and steady aim at the target or other object marked out for practice—Officers and Non-Commissioned are required to give constant attention to this point.

8. Commanding Officers, both of Cavalry and Infantry, are desired to observe that all Recruits are thoroughly instructed by means of the traversing rest, how to aim correctly, before they are allowed to commence practice with ball—and each man must be taught clearly to understand the principles upon which to aim, first at a proper elevation, and then with a proper direction—two distinct parts which must be separately and distinctly explained.

9. The distances for practice are in future to be restricted, except in skirmishing order, to the following:

CAVALRY.—Carbines—60..96..120..142..180 paces.
Pistols—10..15.

INFANTRY.—Muskets and Fusils—96..120..142..180..240.

RIFLES.—120..142..180..240..300.

GENERAL ORDERS — HEAD QUARTERS:

By the Commander in Chief. — *Bombay, 1st November* 1844.

At a Native General Court Martial, assembled at Belgaum, on Wednesday the 9th day of October 1844, and of which Subadar Major and Sirdar Bahadoor Shaik Salar, of the 16th Regiment Madras Native Infantry, is President, Private Munneer Khawn, of the 20th Regiment Madras Native Infantry, was tried on the following Charges, viz:

Munneer Khawn, regimental No. 1127, Private in the G. Company of the 20th Regiment of Madras Native Infantry, placed in confinement by my order on the following Charges:

First Charge.—For conduct to the prejudice of good order and military discipline, in having at Belgaum, on the 4th day of September 1844, whilst a Prisoner in one of the solitary cells of the Fortress, threw his Regimental Turban on the ground, saying at the same time, "that it was no use to him, he had many enemies in the Regiment, and that he would have his discharge" or words to the same effect.

Second Charge.—In having at the same time and place, made use of highly insubordinate and threatening language in reference to Lieutenant and Adjutant John White, of the same Regiment, and at the same time saying, "I will take his life, and will kill him the first opportunity," or words to the same effect.

The above being in breach of the Articles of War.

(Signed) J. WALLACE, Lieut. Col.
Commanding 20th Regt. N. I.

Belgaum, 6th day of September 1844.

Adjutant General's Office, Head Quarters, Poona, 21st September, 1844.

By order of His Excellency the Commander in Chief.

(Signed) C. HAGART, Lieut. Col.,
Adjutant General of the Army.

Upon which Charges the Court came to the following decision:—

Finding.—The Court having maturely weighed and considered the evidence before it, is of opinion, that the Prisoner Munneer Khawn, Regimental No. 1127, Private in the G. Company of the 20th Regiment Madras Native Infantry, is,

Guilty of the first charge.
Not Guilty of the second charge.

Sentence.—The Court having found the Prisoner Guilty as above specified, does adjudge him, the said Munneer Khawn, Private in the 20th Regiment Madras Native Infantry, to suffer ordinary imprisonment for the period of one (1) month.

Deputy Judge Advocate General.

(Signed) SHAIK SALAR, Subadar Major,
Sirdar Bahadoor, and President.

Approved and confirmed.

(Signed) THOMAS McMAHON, Lieut. Genl.
and Commander in Chief.

Remarks by the Commander in Chief.

The finding on the second charge is no doubt agreeable to the preponderance of evidence, but there is a most extraordinary discrepancy between the testimony of Naique Syed Emom, of the 20th Regiment Madras Native Infantry, and that of Privates Veerapah and Perenna, of the 16th Regiment, as the former deposes to having heard the Prisoner use the language set forth in that charge, while the two latter solemnly affirm, that tho' sufficiently near to have heard every thing the Prisoner said, and were attentive to what passed, they did not hear any such expressions as those imputed to him.

(Signed) THOMAS McMAHON, Lieut. Genl.,
and Commander in Chief.

The imprisonment awarded by the foregoing Sentence, is to be carried into execution under the orders of the General Officer Commanding the Southern Division of the Army, and is to have effect from the 9th Ultimo.

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 30*th November* 1844.

The following Extracts from the Proceedings of an European General Court Martial, holden at Bangalore, on Thursday the seventh day of November, in the year of Lord one thousand eight hundred and forty-four, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Captain Charles Taylor of the Forty-seventh Regiment of Native Infantry, placed in arrest by order of His Excellency the Commander in Chief, on the following Charge.

Charge.—For unofficerlike conduct, to the prejudice of good order and military discipline, in having at Sea, on board the Ship "John Line," between the ninth and fifteenth of February one thousand eight hundred and forty-four inclusive, when in Command of a Detachment of the Forty-seventh Regiment of Native Infantry, neglected his duty by not having taken any sufficient measures for the maintenance of discipline, and support of his authority, on the occasion of a mutiny in his Detachment on the date first mentioned, whereby Private Veerasawmy of the Light Company of the same Regiment, a Prisoner confined by his orders, was forcibly released from the custody of the Guard in charge of him, by a portion of the men of the said Detachment, and was suffered to remain in their hands; while the men who had been most conspicuous and active in his rescue continued to go at large until the arrival of the said Ship "John Line" at Bombay.

The above being in breach of the Articles of War.

Madras, the twenty-first of June, one thousand eight hundred and forty-four.

By order.
(Signed) C. A. BROWNE,
Ag. Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner, Captain Charles Taylor, has urged in his defence, is of opinion:

Finding on the Charge.—That the Prisoner is guilty of the Charge, with the exception of the words "was forcibly released from the custody of the Guard in charge of him by a portion of the men of the said Detachment and"

Sentence.—The Court having found the Prisoner "guilty" to the extent above stated, doth sentence him, the said Charles Taylor, Captain of the Forty-seventh Regiment of Native Infantry, to lose one step in his Regiment, by being placed immediately below Captain John Hamilton Kennedy, who at present stands next to him.

(Signed) G. BURN, Major,
Officiating Depy. Judge Adve.

(Signed) W. H. SEWELL, Major Genl.
President.

The Court beg to state for the information of the Most Noble the Commander in Chief, in explanation of the light punishment awarded, their conviction that the conduct of which the Prisoner has been found guilty was not caused by wilful neglect of duty, but by an error in judgment.

(Signed) G. BURN, Major,
Offg. D. J. Advocate.

(Signed) W. H. SEWELL, Major Genl.,
President.

Disapproved.

I cannot approve of the Proceedings in this case, because I consider that the Sentence passed by the Court is not consistent with its finding.

The Court has found Captain Taylor guilty of unofficerlike conduct, and neglect of duty, which it attributes to an error of judgment,—but this error of judgment might have led to very serious consequences and it ought to have been marked by the award of a penalty commensurate with its character, which I do not consider that the Court has done.

Captain Taylor was not charged with having wilfully neglected his duty—and it was precisely his error of judgment that made it necessary for his conduct to be submitted to the investigation and judgment of a Court Martial.

My object in this was to shew plainly to the Officers of the Army the absolute necessity of being prepared to act with energy and determination in all the emergencies to which they must expect to be liable in the course of service.

There are circumstances, however, which have come before me in this case, which enable me to exercise leniency towards Captain Taylor, and I will not therefore call on the Court to revise its Sentence, as I trust the promulgation of the very serious judgment passed on the present charge will prove sufficient as an example for the maintenance of discipline.

Captain Taylor is to be released from arrest and directed to return to his duty.

Vivian, that a Distribution Statement and Prize Rolls bearing the names of the Corps, Departments &c. noted in the margin, who are entitled to share in the actual capture of the property taken on that occasion, have been transferred to the Presidency General Prize Committee, with instructions to issue the dividend forthwith.

The Distribution is to take place under the following rules.

1. All European Officers, Attornies of European Officers, and the Heirs or Administrators of those deceased, will submit Abstracts for the shares to which they are respectively entitled, and Acquittance Rolls in accordance to the annexed Forms Nos. 2 and 3 accompanied by Nominal Roll and letter.

2. Station and Regimental Prize Committees will be assembled to investigate all claims to the above Booty, and the Presidents will forward with as little delay as possible to the General Prize Committee, Proceedings as per annexed Form No. 1, exhibiting the Regimental Number at the period the Prize Rolls were sent in, including the names of such men as may have been discharged the service and the Heirs of all deceased men who may prove their title to the satisfaction of the Committee. Station Committees will correspond with Officers Commanding Corps, &c. when they require any information regarding the claims preferred to them, and on no account insert on the Proceedings, the claim of parties whose Regimental Numbers cannot be given. The Secretary will then examine and note on the face of the Committee's Proceedings any discrepancy there may be between the claims included therein, and the Rolls received from Government, with any other remarks that the General Prize Committee may find it necessary to make and return them to the subordinate Committees, which will prepare *separate* Abstracts and Acquittance Rolls for *each Corps* or *Department*, for such as may be found to correspond with the Prize Rolls above alluded to, in accordance with the Forms Nos. 2 and 3. These Abstracts and Acquittance Rolls will be forwarded to the General Prize Committee for the purpose of being checked, and the former passed by that Committee for payment on the Paymaster of the Division or range in which the claimants respectively may reside.

3. The Regimental Committees will be constituted of the Officer second in Command with the Adjutant and Quarter Master. Those at Stations in such manner as the Officer Commanding may direct.

4. All persons except European Commissioned Officers present with Regiments are to be paid by Committees respectively, and in acknowledgment of the receipt of their shares, they are to be required to sign Acquittance Rolls which are to be prepared in accordance with the Form No. 3.

5. Claimants who may not now be with the Regiments in which they served during the operations in Nepanee, must prefer their claims through the nearest Station Committee.

6. Individual claimants who may have been attached to Regiments of Her Majesty's Service which have subsequently returned to Europe and who may not be borne on the strength of any Regiment in India, will submit their claims to the nearest Station Committee, and if ascertained to be correct, a bill for the amount of share, countersigned by the Committee, and accompanied by a separate Receipt of the claimant will be forwarded to the General Prize Committee at the Presidency to be examined and passed for payment in the manner above detailed.

7. The claims of Non-Commissioned Officers and men who may have belonged to Her Majesty's Regiments embarked for Europe, but who may now be attached to Corps serving under this Presidency, will be drawn for by the Committee of the Regiment to which they are at present attached, in the manner laid down in the 4th Paragraph.

8. The shares of deceased Officers and men European and Native, not claimed by Executors or other representatives or by Heirs or nearest of kin, are not to be drawn.

9. Officers Commanding Corps, Detachments and Departments above detailed are directed to transmit to the Secretary to the General Prize Committee at Fort Saint George, with as little delay as possible, two separate Nominal Rolls, one on account of the men effective with the Regiment and the other on account of the individuals removed from the effective strength of Corps or Departments, shewing as far as may be practicable the Station at which each is now residing, also the names of the Heirs of deceased Soldiers entitled to receive the Prize money, and their place of residence.

10. Applications in behalf of the Heirs of men who may have died will be addressed to the Committee of the Regiment to which the deceased belonged, and a consequent payment will be made on account of the estate, if the claim be satisfactorily established.

11. Acquittance Rolls for Prize money which may have been passed by the General Prize Committee at the Presidency are to be transmitted to the Secretary, by the Presidents of Committees, within three months from the date on which the Abstract to which each Acquittance Roll refers is passed for payment—an Acquittance for money remitted to Officers Commanding Corps or Stations &c. for adjustment to indi-

viduals, should be obtained and attached to the Acquittance Rolls in which Prize money is stated to have been thus disposed of.

The balance of unappropriated shares of individuals of the Honorable Company's, and Her Majesty's Force, will be remitted by the Regimental and Station Prize Committees to the General Treasury, those referrible to Her Majesty's Force, the Sub Treasurer will adjust by debiting "Military Books, and crediting supplies between India and London," with the exception of unclaimed shares to Native Establishments, which will be remitted to the Treasury: in either case, the Acquittance Rolls will be furnished as above directed, accompanied by two separate Nominal Rolls, of such sums as may be deposited, one on account of persons deceased, and the other on account of absentees, specifying the Corps, Company and Number opposite to each individual's name, and the date of the Sub Treasurer's Acknowledgment of such deposits, as per annexed Form No. 4.

12. Sub Treasurer's Acknowledgments for sums deposited in the General Treasury as unclaimed &c. are to be transmitted to the Secretary to the General Prize Committee by the Presidents of Committees.

The Return to distinguish individuals belonging to Her Majesty's Regiments from those belonging to the Company's Army, and to specify the sum due to each, in the currency in which the General Distribution was made—when the Return shall have been prepared and transmitted, no payments must be made in India on account of the shares specified in it.

15. A Return of the European part of the Force, shewing how the different shares have been paid, must also be forwarded.

16. Station and Regimental Prize Committees are directed in disbursing the amount of the several shares of the Nepanee Prize money to claimants or their Heirs, to *write across the face of each Prize Certificate*, "Amount of share in this certificate paid by the (Station or Regimental) Committee at (here enter Station) on (here enter date) to (here enter the name of the claimant)."

17. The period of closing the Proceedings of the several Committees is limited to the 31st December 1845.

19. All documents transmitted from time to time to the General Prize Committee shall be accompanied by a letter (size foolscap) specifying their number and nature.

20. The General Prize Committee at the Presidency will issue such subsidiary instructions to Regimental and Station Committees, as may be necessary for giving effect to the foregoing orders.

Actg. Adjt. Genl. of the Army.

The Court having most maturely weighed and reconsidered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner Subadar Ghoolam Ooliah, has urged in his defence, is of opinion:

Revised Finding on the Charge.—That the Prisoner is guilty of the Charge, with the exception of the words "for the purpose of inducing a persuasion of his unfitness for service and thereby obtaining a pension," of which the Court acquits the Prisoner.

Revised Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Subadar Ghoolam Ooliah of the Nineteenth Regiment of Native Infantry, to be dismissed the Service.

Trichinopoly, 4th November 1844.

(Signed) T. K. WHISTLER,
Dy. J. Adve. Genl.

(Signed) W. B. JACKSON, Lieut. 31st Regt. or T. L. I.
Interpreter to the Court.

Recommendation.—The Court, taking into its consideration the Prisoner's length of service and the good character he has hitherto borne, respectfully beg to recommend him, Subadar Ghoolam Ooliah, to the merciful consideration of the Most Noble the Commander in Chief.

The X mark of Subadar Major,
Sirdar Bahadoor, SHAIK HOMED, President.

(Signed) T. K. WHISTLER,
Dy. J. A. Genl.

(Signed) W. B. JACKSON, Lieut. 31st Regt. or T. L. I.
Interpreter to the Court.

Approved and confirmed.

I regret that I cannot attend to the recommendation of the Court, as the nature of Subadar Ghoolam Ooliah's offence precludes the exercise of mercy in his case, without injury to the discipline of the Army.

Commander in Chief.

Actg. Adjutant General of the Army.

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 20*th December* 1844.

The following General Orders issued by His Excellency the Commander in Chief at Bombay, are published for the information of the Army.

GENERAL ORDERS

HEAD QUARTERS:
Bombay, 28th November 1844.

By THE COMMANDER IN CHIEF.

At a Native General Court Martial assembled at Belgaum, on Wednesday the 13th day of November 1844, and of which Subadar Major and Sirdar Bahadoor Shaik Salar, of the 16th Regiment Madras Native Infantry, is President, Jemadar Mahomed Sahib, Native Adjutant of the 20th Regiment Madras Native Infantry, was tried on the following Charge, viz.

Mahomed Sahib, Jemadar and Native Adjutant of the 20th Regiment of Native Infantry, placed in arrest by my order upon the following Charge.

Charge.—For conduct highly unbecoming the character of an Officer, and to the prejudice of good order and military discipline, in having in Camp at Samanghur, on the morning of the 21st of October 1844, between the hours of five and six o'clock, been drunk at the parade of his Regiment, when under arms for marching.

The above being in breach of the Articles of War.

(Signed) C. CLEMONS, Major,
S. O. in charge Head Quarters
20th Regiment M. N. I.

Camp at Enchoordie,
21st October 1844.

Adjutant General's Office, Head Quarters, Bombay, 31st October 1844.

By order of His Excellency the Commander in Chief.

(Signed) C. HAGART, Lieut. Colonel,
Adjutant General of the Army.

Upon which Charge the Court came to the following decision:

Finding.—The Court having maturely weighed and considered the evidence before it, is of opinion, that the Prisoner is guilty of the Charge.

Sentence.—The Court having found the Prisoner guilty as above specified, does adjudge him, Jemadar Mahomed Sahib, Native Adjutant in the 20th Regiment Madras Native Infantry to be dismissed the Service.

(Signed) G. J. MANT, Captain,
Depy. Judge Adve. Genl.

(Signed) SHAIK SALAR, Subadar Major,
Sirdar Bahadoor and President.

Approved and confirmed.

(Signed) THOMAS McMAHON, Lieut. General,
and Commander in Chief.

Remarks by the Commander in Chief.

I regret that I cannot consistently with my duty avoid giving effect to the Sentence passed on Jemadar, and Native Adjutant Mahomed Sahib, as from the records of the Regiment produced to the Court, it appears that this Native Officer bears a bad character, and is of dissipated habits.

(Signed) THOMAS McMAHON, Lieut. General,
and Commander in Chief.

The name of Jemadar Mahomed Sahib, is to be struck off the strength of the 20th Regiment Madras Native Infantry from the date of the publication of this order at Belgaum, which is to be reported to the Adjutant General of the Army.

By order of His Excellency the Commander in Chief.

(Signed) C. HAGART, Lieut. Col.
Adjutant General of the Army.

C. A. BROWNE,
