Remarks by the Court.—The Court having passed a Sentence commensurate with the offence of which it has found the Prisoner "guilty," cannot but animadvert upon the unlimited control allowed to him by the Officer Commanding his Company over the cash chest, and the great want of supervision by that Officer over the interior economy of the Company, the evident effect of which has been most improperly to throw temptations in the Prisoner's way and indirectly led to his being placed in his present situation.

(Signed) P. J. BEGBIE, Major, and President.

(Signed) J. C. BOULDERSON, Captain,

Confirmed.

I have confirmed the Sentence as the distance of the place where the Court Martial was assembled from the Presidency, renders a revision of it inexpedient, and as the Sentence itself involves discharge from the Service with ignominy; but I must express my opinion that it is most inadequate to the offences of which the Prisoner has been convicted.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 14*th March* 1849.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Bellary, on Friday the twenty-third day of February, in the year of our Lord one thousand eight hundred and forty-nine, by order of Brigadier General Scudamore Winde Steel, C. B. Commanding the Troops serving in the Ceded Districts, by virtue of a Warrant of authority vested in him by His Excellency Lieutenant General Sir George Henry Frederick Berkeley, K. C. B Commander in Chief, are published to the Army.

Lieutenant Edward Bayly of the First Madras Fusiliers, placed in arrest by order of Lieutenant Colonel Thomas Assheton Duke, Commanding the same Regiment, on the following Charges.

First Charge.—For conduct highly unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in having at Bellary, on the twenty-eighth of January, one thousand eight hundred and forty-nine, had in his house, and sat in company with, for the space of two hours, or thereabouts, Private Henry Worsted of number Eight Company of the First Madras Fusiliers, during which time they drank brandy and smoked cigars together, until the said Private Henry Worsted was intoxicated ; he, Lieutenant Edward Bayly, being at the time on duty as Regimental Officer of the day and the said Private Henry Worsted on Regimental duty as his Orderly.

Second Charge.—For highly unofficerlike conduct, to the prejudice of good order and military discipline, in having, at the same place and on the same day as stated in the First Charge, been drunk on duty as Regimental Officer of the day.

The above being in breach of the Articles of War.

Bellary, the thirtieth of January, one thousand eight hundred and forty-nine.

(Signed) THOS. A. DUKE, Lieut. Colonel, Commanding First Madras Fusiliers.

By order of His Excellency the Commander in Chief.

(Signed) R. ALEXANDER, Lieut. Colonel, *Adjutant General of the Army.*

The Court having maturely weighed and considered the evidence before it, and what has been stated in defence, is of opinion, that the Prisoner Lieutenant Edward Bayly, (alias Lieutenant Edward Turner Bayly) of the First Madras Fusiliers, is

Finding on the First Charge—Not guilty of the First Charge and the Court acquits him thereof.

Finding on the Second Charge.—Guilty of the Second Charge.

Sentence—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Lieutenant Edward Bayly, (alias Lieutenant Edward Turner Bayly) of the First Madras Fusiliers, to lose six steps in his Regiment by being placed in the list of Lieutenants in the said Regiment next below Lieutenant John Paske.

Bellary, 3d March 1849.

(Signed) A. W. LAWRENCE, Lt. Col. President.

(Signed) A. HARRISON,
Deputy Judge Advocate General.

Confirmed.

(Signed) G. H. F. BERKELEY, Lieut. General, *Commander in Chief.*

The Court seems to me to have drawn rather a fine line of distinction in their Sentence. Lieutenant Bayly is found guilty of being "drunk on duty," and I presume it has not visited him with "Cashiering" under an idea that it was not "under Arms" that he was drunk. Lieutenant Bayly was Orderly Officer of the Day, as such mounted with the Regimental Guards, of which he had the general superintendence. He was on no account to quit the Lines of his Regiment, and must invariably appear completely dressed and accoutred. To me, the importance of the duty appears tantamount to a duty under Arms; and drunkenness under such circumstances, should have been visited with dismissal from the Service. However, as the Court has adjudged a loss of Rank, I will not call for a revision, in the hope that the punishment now awarded will have the effect of causing Lieutenant Bayly seriously to reflect upon the consequences brought upon him by his intemperate habits, and the very narrow escape he has had, to use the words of his own defence, of not having been "driven forth into the wide-world without a friend, a hopeless helpless man"—such however, will most assuredly be the case, unless Lieutenant Bayly chooses to profit by what I must consider a lenient Sentence for almost the most serious crime an Officer can be guilty of.

MADRAS, 13*th March* 1849.

(Signed) G. H. F. BERKELEY, Lieut. General, *Commander in Chief.*

The name of Lieutenant Edward Bayly is hereafter to be inserted next below Lieutenant John Paske of the 1st Madras Fusiliers. He is to be released from arrest and directed to return to his duty.

16*th March* 1849.

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 22*d March* 1849.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Jaulnah, on Tuesday the sixth day of March, in the year of our Lord one thousand eight hundred and forty-nine, by order of Brigadier John Polglase James, Commanding the Hyderabad Subsidiary Force, by virtue of a Warrant of authority vested in him by His Excellency Lieutenant General Sir George Henry Frederick Berkeley, K. C. B. Commander in Chief, are published to the Army.

Veterinary Surgeon Thomas Philips of the Fifth Regiment of Light Cavalry, placed in close arrest by order of Lieutenant Colonel Francis Straton, Commanding Fifth Regiment of Light Cavalry, on the following Charge.

Charge.—For conduct unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in having at Jaulnah, on the evening of the twenty-fifth of December, one thousand eight hundred and forty-eight, appeared on the public road and in the vicinity of the house occupied by Surgeon George Evans Edgcome of the Fifth Regiment of Light Cavalry, in a state of intoxication producing mental delirium, brandishing a carving knife accompanied with threats and gestures calculated to create alarm and to cause injury to some one.

The above being in breach of the Articles of War.

Jaulnah, the twenty-sixth of December, one thousand eight hundred and forty-eight.

(Signed) FRANCIS STRATON, Lt. Col.
Commanding 5th Regiment Lt. Cavalry.

By order.

(Signed) R. ALEXANDER, Lieut. Col.
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Veterinary Surgeon Thomas Philips, has urged in his defence, and the evidence in support thereof, is of opinion—

Finding on the Charge.—"Guilty," with the exception of the words "brandishing" and "threats."

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Thomas Philips, Veterinary Surgeon of the Fifth Regiment of Light Cavalry, to be dismissed the Service.

JAULNAH, 10*th March* 1849.

(Signed) H. SARGENT, Brigadier, and President.
(Signed) G. B. B. GROUBE, Captain,
Offg. Deputy Judge Adve. General.

Recommendation.—The Court having performed its painful duty in awarding a Sentence commensurate with the offence of which the Prisoner has been convicted and taking into consideration the long period during which he has been in close arrest and the high testimony borne to his character for zeal and attention to his duty, as recorded upon the Proceedings, respectfully begs leave to recommend the Prisoner to the merciful consideration of His Excellency the Commander in Chief.

JAULNAH, 10*th March* 1849.

(Signed) H. SARGENT, Brigadier, and President.
(Signed) G. B. B. GROUBE, Captain,
Offg. Dy. Judge Adve. General.

Approved and confirmed.

MADRAS, 22*d March* 1849.

(Signed) G. H. F. BERKELEY, Lieut. General,
Commander in Chief.

Remarks.—I have attentively read over the Proceedings of the General Court Martial upon Veterinary Surgeon Thomas Philips of the 5th Regiment of Light Cavalry, and much as I should wish to attend to the recommendation of the Members of the Court, yet I consider that I cannot do so with a just regard to the interests of the Service, or indeed with safety to the Regiment. The Prisoner appears to have drunk himself into a state of insanity, rendering him perfectly unconscious of his acts whilst in that state, and it would appear from the evidence adduced, that the infirmity alluded to by the Prisoner, and pleaded in extenuation, has been greatly aggravated by his intemperate habits. I have only power in this instance to confirm or remit entirely the Sentence, and under the present circumstances, as I should not feel justified in doing the latter, no alternative remains but to confirm the Sentence; which I further feel compelled to do, from the reports that have been made of the habitual intemperance of Veterinary Surgeon Philips, which seems to disqualify him for the duties he has to perform, or, at least, to make it impossible that any reliance can be placed on his professional practice on any sudden emergency.

(Signed) G. H. F. BERKELEY,
Lieutenant General.

Veterinary Surgeon Thomas Philips is to be struck off the strength of the Army from the date of the publication of this order at Jaulnah, which is to be reported to the Adjutant General of the Army.

By order of His Excellency the Commander in Chief.

Adjutant General of the Army.

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 29*th March* 1849.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Trichinopoly, on Wednesday the fourteenth day of March, in the year of our Lord one thousand eight hundred and forty-nine, by order of Major General John Thomas Gibson, Commanding the Southern Division of the Army, by virtue of a Warrant of authority vested in him by His Excellency Lieutenant General Sir George Henry Frederick Berkeley, K. C. B. Commander in Chief, are published to the Army.

Ensign James Richard Fulton of the Second European Light Infantry, charged by me, Major Frederick Wright Hands, Commanding Second European Light Infantry, as follows:

Charge.—For having at Trichinopoly, on the night of the tenth of February, one thousand eight hundred and forty-nine, when under arrest, left his confinement before he was set at liberty by proper authority.

The above being in breach of the Articles of War.

Trichinopoly, the eleventh day of February, one thousand eight hundred and forty-nine. (Signed) F. W. HANDS, Major, Commanding Second Euro. Lt. Iy.

By order.

(Signed) R. ALEXANDER, Lt. Col. Adjutant General of the Army.

The Court having maturely weighed and considered the evidence before it, and what has been stated in defence, is of opinion that the Prisoner, Ensign James Richard Fulton of the Second European Light Infantry, is

Finding on the Charge.—Guilty of the Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Ensign James Richard Fulton of the Second European Light Infantry, to be cashiered.

TRICHINOPOLY, 21*st March* 1849. (Signed) H. CONINGHAM, Lt. Col. and President.

(Signed) T. K. WHISTLER, Dy. Judge Adve. Genl.

Recommendation.—Having awarded the specific punishment prescribed by the Articles of War, the Court cannot but feel a strong, and they trust, a pardonable impulse, to interest themselves in the Prisoner's favor on account of the contrition he has expressed, and their belief, from what is recorded on their Proceedings, that the Prisoner's quitting his confinement was the thoughtless act of a moment.

In thus presuming to express a wish in extenuation of so serious a crime, the Court cannot avoid being impressed with a hope that the circumstances of the case as shewn in these Proceedings, coupled with the Prisoner's youth and want of experience, may plead in his favor: with these feelings the Court beg leave earnestly and respectfully to recommend him to the merciful consideration of His Excellency the Commander in Chief.

TRICHINOPOLY, 21*st March* 1849. (Signed) H. CONINGHAM, Lt. Col. and President.

(Signed) T. K. WHISTLER, Dy. Judge Adve. Genl.

Approved and confirmed, but taking into consideration the palliative circumstances of the case, which encourage the belief that Ensign Fulton's act proceeded from momentary thoughtlessness rather than from any premeditated defiance of authority, I have much pleasure in giving effect to the recommendation of the Court by remitting the Sentence, trusting that Ensign Fulton's future career will prove the sincerity of the contrition he has expressed for his conduct.

MADRAS, 28*th March* 1849. (Signed) G. H. F. BERKELEY, Lt. General, *Commander in Chief.*

Ensign Fulton is to be released from arrest.

30*th March* 1849.

By order.

(Signed) T. G. E. G. KENNY, Major, Asst. Adjt. Genl. Hyderabad Suby. Force.

The preservation of cleanliness is of the first importance; and to this end, the encroachment of huts or shops, temporary or otherwise, is to be particularly prevented.—Any person erecting such buildings on Government land, without having first obtained the permission of the local authority for so doing, shall be liable to have them demolished; and he will be required to remove the Materials at his own cost.

THE OFFICER COMMANDING

(Station)

SIR,

I request you will have the goodness to take the necessary steps for my obtaining a Government Grant for the Ground herein described.

Situation of the Ground.	Since when enclosed.	Title under which it is held and whether the property of Government or of Individuals.	Extent of the Ground.			Nature of the Soil.	How laid out, and whether buildings upon it.	Bounded on the				
			Cawnies.	Grounds.	Square feet.			North by	South by	East by	West by	

(Here enter Certificate of the Commanding Officer of the Station that the Ground does not interfere with any Parade or Military work.)

I am,

Sir,

Your most obedient Servant,

9. Having satisfied himself that there is no objection in a Military point of view to the occupation of the Ground by the applicant, as also of it's not encroaching on or interfering with any Public Road, Parade, or Military work;—he will ascertain from the Collector of the District how the land, if the property of Government, is entered in his accounts; and what rent has hitherto been assessed on it;—he will then submit the Collector's reply, and a sketch shewing the boundaries of the Ground and it's vicinity, accompanied by the application previously made to him, through the Officer Commanding the Division, or Force, to the Quarter Master General of the Army, by whom it will be submitted for the consideration of the Commander in Chief; and if approved of by him, it will be laid before Government. In the event of it's being sanctioned, the Resolution of Government will be communicated to the Quarter Master General and the Military Board, and by the latter a lease containing the following conditions will be prepared.

I. The Grant to be allowed for fifty years.

II. The lease to be renewable at the end of every ten years by endorsement, for which purpose it is to be forwarded through the Quarter Master General to the Military Board, in whose Office every such endorsement will be registered.

III. Payment of a yearly ground rent as per Collector's valuation.

N. B.—In the Tenasserim Provinces, this yearly payment is levied by the Authorities at Moulmein; under the denomination either of Quit rent or House tax.

IV. No grant or lease of the premises to be assigned by the applicant to any person not under the license or protection of the Company.

V. To do nothing to the premises which shall occasion annoyance to the Company or their Tenants.

VI. The rent of all buildings erected on the premises to be limited to 15 per cent of their bonâ fide value. This value to be determined by the Engineer of the Division.

VII. If the Government needs the land and buildings at any time, they are to be surrendered.

VIII. The Government in this case to pay the value of the buildings, which is to be determined by the Engineer of the Division.

IX. If dissatisfied with this value, the same to be fixed by the Government.

X. The observance of all these stipulations, to entitle the applicant to the land for the time prescribed, without let or hindrance.

10. The grant in perpetuity of any piece of Ground within the precincts of any Fort or Cantonment, shall not hereafter be accorded to any Individual.

11. It is of course sufficient to reject any application for Ground, if it be ascertained that to grant it would interfere with the public convenience in any manner whatever.

12. With respect to land not the property of Government, within Fortresses or Cantonments; application shall be made through the Collector and Board of Revenue to Government; a Certificate from the Commanding Officer being at the same time produced to the effect that the occupation of the land in the manner proposed is free from objection in a Military point of view.

13. All Grants of land made by Government under the above provisions shall be entered in the Office of the Register of Government Grants, who is to return them without delay, with his countersignature attached in acknowledgement of their having been recorded in his Office. No charge is to be made for this duty.

14. The proportion of land allowed to Officers of the Army requiring it, is as follows:

Field Officers.....	22,500	square yards.
Captains.....	12,000	do
Subalterns.....	7,000	do

15. Although the above is to be considered the usual scale, yet as it may occasionally happen that from the inequality of ground, or other local causes, there may be no objection to an extension of the scale; in all such cases the Quarter Master General shall notify the same to Government when forwarding the applications for Grants.

16. All Officers who may be desirous of disposing of their houses, erected on ground leased out to them under the foregoing Regulations, shall apply to the Quarter Master General for permission to do so; specifying the person who may wish to purchase their property.

17. Officers occupying houses built upon ground for which a Grant has been made, considering that they are overcharged for rent, are at liberty to apply to the Officer Commanding the Division for a House

Board; should the Board be of the same opinion, the Engineer of the Division will be called on to prepare an Estimate of the value of the house or buildings agreeably to the terms of the Grant.

18. As no rules can be framed for making this Estimate, the Engineer will be guided by his own judgment and experience when taking into consideration the valuation of the materials composing each building, its state of repair, accommodation, and general convenience.

19. Should the rent charged be found to exceed 15 per cent of the bonâ fide value of the buildings, it shall be reduced to that standard. It is to be understood that this per centage includes the cost of all annual and necessary repairs, &c. which the house owner is bound to make. The Proceedings of the Board and Estimate of the Engineer will be forwarded through the channel above prescribed, to the Quarter Master General, and eventually if necessary, to Government.

20. In the event of the house owner refusing to lower his rent according to the terms of his lease, he will be liable to have it cancelled; or should he decline to make the repairs required, the tenant will be at liberty to make them himself, deducting the cost from the rent.

21. In the case of parties possessing buildings on land for which no Grant has been issued, the above stipulations are equally binding—but should they refuse to conform to them, they will be obliged to have the buildings removed from off the Ground, within six months from the date of the receipt of the order to do so.

22. The above rules are to be considered applicable to all Military Stations under this Presidency, the Neilgherry Hills excepted.

23. Servants of the Honorable Company are absolutely prohibited from holding lands for farming purposes under any circumstances whatever, whether or not the parties are personally engaged in their management, or whether the lands are situated in the district in which the Proprietors have Civil authority, or otherwise; and irrespective of the consideration that such possessions are not detrimental to the Public Interest.

24. Officers of the Invalid Establishment are exempt from this restriction.

25. The prohibition refers to lands both in the Company's Territories and in the Territories of Native States.

Approved and confirmed, but I consider the Sentence very lenient for the offences of which the Prisoner has been convicted, and it is only on account of his being a very young Soldier that has prevented my returning the Proceedings of the Court for revision. I caution the Prisoner that if the merciful award of the Court fail to effect his reformation, any repetition of similar outrageous and disgraceful conduct must inevitably lead to more severe and infamous punishment.

GENERAL ORDERS
BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: OOTACAMUND, *1st June* 1849.

6th June 1849.

No. 13.—The Commander in Chief has been instructed to convey to Lieutenant Colonel J. Yaldwyn and the 34th Regiment Light Infantry, the expression of the Honorable the Court of Directors' satisfaction at the alacrity displayed by that Corps, when it was ordered for Active Service in Ceylon, and he feels assured that this cannot be done in a more gratifying manner, than by publishing to their Comrades in the Army, the Honorable Court's appreciation of a body of Soldiers, who received, by express, on the 3d August 1848, a sudden order to prepare for Foreign Service, and on the evening of the 7th of the month, had marched 86 miles, and was ready to embark.—A detachment, which was 30 miles from Regimental Head Quarters when the marching orders were received, exhibited the true spirit of Madras Sepoys, in having overtaken their Colours on the day of their arrival at the Presidency.

Such promptitude evinces not only the zealous and Soldierlike spirit of every Officer and Man, but the admirable efficiency and organization of a Corps to which Lieutenant General Sir George Berkeley is happy to convey the praise which is so honorable to its Lieutenant Colonel and all under his Command.

The undermentioned Officers have obtained leave of absence from their Corps and Stations.

(Signed) S. BAYLY, Captain,
Deputy Judge Adve. General.

Recommendation.—In consideration of the excellent character given the Prisoner by three Medical Officers under whom he has served, and the erroneous impression he appears to have entertained as to the legality of orders issued to him after he was in arrest, the Court begs strongly to recommend the Prisoner to mercy.

(Signed) S. BAYLY, Captain,
Deputy Judge Adve. General.

(Signed) JS. WOODWARD, Major,
32d Regiment N. I.—President.

I confirm the Sentence of the Court, but taking into consideration the unexceptionable character given of the Prisoner by Medical Officers, under whom he has served, that he has been for a long time in arrest, and that he must so continue for some time longer until the result of his Court Martial is known at his Station, I accede to the recommendation of the Court in his favor, and remit the punishment awarded—some misconceptions with regard to Military usage, which appear to have existed in connection with this case, will be noticed hereafter in the proper quarter.

No. 134 of 1849.—The Right Honorable the Governor in Council directs the publication of the following Extract of a dispatch from the Honorable the Court of Directors, for general information.

"*Bombay Castle, 14th Dec.* 1839.

"The order of 26th April last, No. 225, having reduced the allowance of Interpreters in a second language renders it desirable that some motive should exist to influence Officers to pass in Mahratta as well as Hindoostanee, the Hon'ble the Governor in Council is pleased to order that on any future vacancy in the situation of Interpreter and Quarter Master to any Corps or Regt. under this Presidency, the appointment shall only be considered as acting if the Officer has only passed in one language, and shall be vacated in favor of any Officer who shall have passed in the above two languages whose character shall be in other points unexceptionable."

52. We are of opinion, however, that every Interpreter of a Native Corps ought to possess a knowledge of Teloogoo or Tamil, as well as Hindoostanee, and we are desirous that, before any Officer is confirmed hereafter in the appointment of Interpreter, he shall in addition to Hindoostanee, have passed the prescribed examination in Teloogoo or Tamil, according as one or the other language is most prevalent in the Corps to which he belongs.—This will be in accordance with the rule observed at Bombay as regards Interpreters in Hindoostanee and Mahratta, of which rule a copy is given in the margin.

In accordance with the Honorable Court's orders, no Officer will hereafter be permanently appointed as Interpreter to a Native Regiment until he shall, in addition to Hindoostanee, have passed an examination as Interpreter in Teloogoo or Tamil.

" The Court's merciful award seems to be grounded on the absence of any previous convictions against the Prisoner and on his general good character, and I trust it will be sufficient to warn him against a repetition of any similar violent behaviour, which it must be evident, with a conviction, like the present, recorded against him, would place him in extreme peril."

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: BANGALORE, 17*th August* 1849.

At a General Court Martial held at Barrackpore, on Saturday the thirtieth day of June one thousand eight hundred and forty-nine, Venketsamy, Subadar of the 28th Regiment of Native Infantry, was arraigned on the following Charges, viz.

First.—For having at Chittagong, on the 25th of March 1849, been absent from the Cantonment after tattoo beating.

Second.—For having, on that occasion, been in a state of intoxication, and subjected himself to the indignity of being brought back to the lines by an escort from the Quarter Guard of the Detachment.

Finding.—The Court are of opinion, that the Prisoner Venketsamy, Subadar of the 28th Regiment of Madras Native Infantry, is guilty of the Charges preferred against him.

Sentence.—The Court sentence the Prisoner Venketsamy, Subadar of the 28th Regiment Madras Native Infantry, to suspension from rank and pay and allowances, for the period of two calendar months.

I confirm the sentence of the Court, as Subadar Venketsamy is of long standing in the Service, bears a fair character, and has been a long time in arrest; but I must record my opinion that such a sentence, by reason of its inadequacy, is ill calculated to support discipline, and induce a proper sense of becoming conduct on the part of the Native Commissioned ranks of the Army.

BANGALORE, 14*th August* 1849. } (Signed) G. H. F. BERKELEY, Lieut. General, *Commander in Chief.*

The period of suspension awarded Subadar Venketsamy is to commence from the date of the receipt of this Order by the Officer Commanding the Presidency Division of the Bengal Army, which it is requested that Officer will notify to the Adjutant General of the Madras Army, and to the Officer Commanding the 28th Regiment M. N. I.

18*th August* 1849.

At a General Court Martial held at Saugor, on Wednesday the twentieth day of June, one thousand eight hundred and forty-nine, Private Ramiah, regimental number 1062 of the 46th Regiment of Native Infantry, was arraigned on the following Charges, viz.

First.—For having at Jubbulpore, on the evening of the 30th of April 1849, between the hours of 5 and 6 o'clock, when forming part of a Guard over the lines of his Company, left the same without permission, and remained absent until a quarter past 8 o'clock of the same evening.

Second.—For having at the time and place specified in the First Charge, used violence towards his superior Officer Jemadar Shaik Sooltan of the D. Company of the 46th Regiment of Native Infantry, he well knowing him to be such, in assaulting and endeavouring forcibly with the aid of Private Syed Homed, regimental number 1507, to drag the aforesaid Jemadar to the Adjutant of the Regiment.

Third.—For conduct to the prejudice of good order and military discipline, in having at the same time and place, made use of highly insubordinate and disrespectful language, towards the said Jemadar Shaik Sooltan, and falsely accusing that Officer of being drunk.

Finding.—The Court on the evidence before it is of opinion, that the Prisoner Ramiah, regimental No. 1062, in the Grenadier Company of the 46th Regiment Native Infantry, is

Guilty of the First Charge.

Guilty of the Second Charge.

Guilty of the Third Charge with the exception of the words " and falsely accusing that Officer of being drunk," of which the Court acquits him.

Sentence.—The Court sentences the said Ramiah, regimental No. 1062, Private in the Grenadier Company of the 46th Regiment Madras Native Infantry, to suffer imprisonment with hard labor for a period of eighteen (18) calendar months.

I confirm the Sentence of the Court to the extent of Imprisonment with hard labour for twelve calendar months.

BANGALORE, 16*th August* 1849. } (Signed) G. H. F. BERKELEY, Lieut. General, *Commander in Chief.*

Private Syed Homed, regimental number 1507, of the 46th Regiment of Native Infantry, was arraigned on the following Charges, viz.

First.—For having at Jubbulpore, on the evening of the 13th of April 1849, when posted as Sentry over the lines of his Company, left the same without being regularly relieved and remained absent from the lines of the Regiment until about a quarter past 8 o'clock of the same evening, without the permission of the Naigue Commanding the Guard.

Second.—For having at the time and place specified in the First Charge, used violence towards his superior Officer Jemadar Shaik Sooltan of the D. Company of the 46th Regiment of Native Infantry, he well knowing him to be such, by striking him with a stick over the arm and leg.

Third.—For having at the time and place mentioned in the Second Charge, used violence towards his superior Officer Jemadar Shaik Sooltan of the D. Company of the 46th Regiment of Native Infantry, he well knowing him to be such, by endeavouring forcibly, with the aid of Private Ramiah, regimental No. 1062, of the Grenadier Company of the 46th Regiment of Native Infantry, to drag the aforesaid Jemadar to the Adjutant of the Regiment.

Fourth.—For conduct to the prejudice of good order and military discipline in the following instances.

First.—For having at the time and place specified in the Third Charge, made use of highly insubordinate and disrespectful language towards the said Jemadar Shaik Sooltan, and falsely accusing that Officer of being drunk.

Second.—For having at the time and place mentioned in the First Charge, falsely asserted that the Naigue of the Guard had permitted him to quit his post.

Guilty of the Third Charge.

Guilty of the First Instance of the Fourth Charge, with the exception of the words "and falsely accusing that Officer of being drunk," of which the Court acquits him.

Guilty of the Second Instance of the Fourth Charge, and the Court is further of opinion, that the conduct of which it has found the Prisoner guilty on these two Instances, is to the prejudice of good order and military discipline, as set forth in the preamble of the Charge.

Sentence.—The Court sentences the said Syed Homed, regimental No. 1507, Private in the Grenadier Company of the 46th Regiment Madras Native Infantry, to suffer Imprisonment with hard labor for a period of one (1) year and nine (9) calendar months.

I confirm the Sentence of the Court to the extent of Imprisonment with hard labor for twelve calendar months.

BANGALORE, 16*th August* 1849. } (Signed) G. H. F. BERKELEY, Lieut. General, *Commander in Chief.*

Remarks.—The facts of the case as exhibited in the proceedings upon the trials of Privates Ramiah and Syed Homed and the very unsatisfactory nature of the evidence given by Jemadar Shaik Sooltan, which the Court appears to have disbelieved when uncorroborated, afford a strong presumption that the conduct of that Native Officer has been most improper in the transactions which gave rise to these trials, and has impressed my mind with a very unfavorable opinion of his character, which will be recorded against him in the Office of the Adjutant General of the Army.

It is however clearly established by the evidence, that the Prisoners endeavoured forcibly against his will, to take the Jemadar to the Adjutant of the Regiment, and, therefore, how just soever might be their complaint against him, which, if properly preferred, would have ensured them redress, they involved themselves in the serious Military crime of offering violence to a superior Officer, for which, with their other offences, they have rendered themselves liable to condign punishment.

(Signed) G. H. F. BERKELEY.
Lieut. General.

The Prisoners to be made over to the nearest Civil Power competent to carry the mitigated Sentences into effect.

The foregoing Extracts to be read to all Native Corps in the Madras Army.

Adjutant General of the Army.

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: BANGALORE, 27*th August* 1849.

No. 32.—With reference to the Regulations of the Service which forbid, except under very urgent circumstances, applications for furlough involving absence during the period more especially set apart for the drill and discipline of Regiments; The Commander in Chief desires it to be understood that the prohibition is not meant to apply to leave for *short periods* within the limits of the Division or Force in which Officers may be serving, which may be allowed at the discretion of Officers Commanding Divisions and Forces as authorized by Regulations;—bearing in mind however the principle, that during the drill season leave is not to be granted to the same extent as at other times.

The Commander in Chief also desires that Officers Commanding Divisions, Forces and Corps will recollect that, as a large portion of the year is set apart for drill and discipline, so is it intended that during the hot and rainy months the repose and recreation of the Troops should be attended to so far as may be consistent with their maintenance in a due state of efficiency.

No. 33.—The Commander in Chief, having had under consideration the rules prescribed by the Standing Orders of Corps, regarding Officers on the sick report, desires it to be notified that these rules are not to be strictly applicable to Officers on sick leave, *absent* from their Regiments or Departments. Such Officers, when convalescent, may be permitted to enter into society upon a certificate from their Medical Attendant, recommending amusement and recreation. The medical certificate recommending the indulgence is invariably to be submitted to the Officer Commanding the Division (if the Head Quarters of the Division be at the Station) and to the Officer Commanding the Station;—the Senior Officer, on any abuse of the privilege being brought to his notice, is requested immediately to cancel the indulgence, and report the circumstance for the information of the Commander in Chief.

When convalescent Officers may be absent from their Regiments at Madras, the required certificate must be forwarded to the Adjutant General of the Army.

Lieutenant Colonel D. H. Considine, Quarter Master General of the Army, will return to the Presidency, with a view to an application being submitted to Government for his being permitted to proceed to Europe on medical certificate.

I approve and confirm the Sentence of the Court.

BANGALORE, 29*th August* 1849. (Signed) G. H. F. BERKELEY, Lieut. Genl. *Commander in Chief.*

Recommendation of the Court.—In consideration of the deep contrition expressed by the Prisoner in his defence, and relying upon his promise of future amendment, the Court begs most respectfully to recommend the Prisoner to the merciful consideration of His Excellency the Commander in Chief.

Remarks.

The safeguard and the lives of hundreds, nay thousands of their comrades are in the keeping of Officers and Soldiers on duty, and drunkenness under such circumstances becomes a crime of the first magnitude, doubly inexcusable on the part of an Officer. Therefore, much as I should wish to attend to the recommendation of the Court, in favor of Lieutenant Partridge, I feel it would be inconsistent with the well being of the Service to do so.

The Court have recommended the Prisoner to mercy on account of deep contrition expressed in his defence, and a presumed reliance on his future amendment. As there were no stronger grounds for consideration, I was willing to ascertain how far from past conduct these were to be depended upon. I find Lieutenant Partridge is an Officer of between six and seven years' standing, that it is not the first time he has been brought to notice for a similar offence, and that his general habits are such as to afford no reasonable expectation of improvement.

The recommendation of the Court has compelled me to bring these facts prominently forward, and also to declare that while I have the honor to Command the Madras Army, nothing short of the most extenuatory circumstances will ever induce me to pardon the crime of drunkenness on duty.

(Signed) G. H. F. BERKELEY, Lt. Genl.
Commander in Chief.

Lieutenant W. H. F. Partridge is to be struck off the strength of the Army from the date of the publication of this Order at Bangalore, which is to be reported to the Adjutant General of the Army.

Third Instance.—In having at the same place, on or about the 13th January 1849, attended a cock fight, dressed in an irregular and unbecoming manner, he having his regulation sword and belt on at the time, together with epaulettes and wings on a green jacket.

Remark by the Court.—"Although the facts averred in the Charges did occur somewhat in the manner therein stated, still the Court under the circumstances of the case consider that the Prisoner's conduct, although open to censure, was not so criminal as to render him subject to the severe imputation reflecting upon his character contained in the preamble to the Charges, and therefore the Court has recorded an acquittal."

Confirmed.

BANGALORE, 14*th August* 1849. (Signed) G. H. BERKELEY, Lieutenant General.

Remarks.—"The Court has no doubt been guided in its judgment in this case by the consideration that the slight blow which reached the person of Lieutenant Potts from the open hand of the Prisoner, if not purely accidental in an attempt at a practical joke, as urged in defence, is proved in evidence to have been given in no angry manner, and under such circumstances as showed it was neither intended to insult or hurt that Officer, but a mere retort for a remark made by him of too familiar a nature. The subsequent act of Lieutenant Pogson, also appears to have been committed in the same feeling, under similar circumstances, on a repetition by Lieutenant Potts of his former observation."

"Lieutenant Potts' own acts, and his own admissions in evidence, show, that although nettled at the Prisoner's conduct, he did not deem it intentionally offensive; and the Prisoner's early apology, when he found Lieutenant Potts was irritated, shows that it was not so. Had the particulars of the case, therefore, been more fully developed by a searching inquiry by the Officer Commanding the Regiment before it was submitted to Head Quarters, and Officers in giving their statements had been more explicit in furnishing particulars, I consider this case might have been disposed of otherwise than by a Court Martial."

"Under this view of the case, I have confirmed the Finding of the Court, although I am of opinion, it should have convicted the Prisoner of a breach of order and discipline, for it cannot be too strongly impressed upon the minds of the Officers of the Army, that rude and boisterous conduct in their intercourse with each other, and what are called practical jokes, being calculated to produce disorders and quarrels, cannot be tolerated in the Military profession. The opinion of the Commander in Chief of Her Majesty's Forces upon this subject is too well known to be repeated, and I trust I shall hear no more of similar unbecoming conduct on the part of any Officer in future."

"Some remarks on the evidence rejected in this case will be made hereafter."

(Signed) G. H. BERKELEY, Lieut. General.

Lieutenant Charles Daniel Pogson is to be released from arrest, and will return to his duty.

3. At a General Court Martial holden at Fort St. George, on Monday the 30th day of July 1849, and continued by adjournment to Wednesday the 1st day of August following, Lieutenant Robert Villiers Briscoe of Her Majesty's 25th Regiment, placed in arrest by order of the Commanding Officer, was arraigned upon the following Charges.

First Charge.—" For conduct unbecoming the character of an Officer and a Gentleman and to the prejudice of good order and military discipline, in having at Madras, on the fourth of July, one thousand eight hundred and forty-nine, when a guest at the Mess of the Forty-ninth Regiment of Native Infantry at dinner, made use of the following gross and ungentlemanlike language, highly insulting to the Officers of the said Regiment, namely: " Who the devil would take wine with a Native Officer" (meaning with an Officer of the Forty-ninth Regiment of Native Infantry)—" I say, Nott, you bugger," (addressing himself to Ensign John Henry Nott of Her Majesty's Twenty-fifth Regiment of Foot, who sat next to him), " take a glass of wine with me," or words to the same effect."

Second Charge.—" For conduct unbecoming the character of an Officer and a Gentleman and to the prejudice of good order and military discipline, in having at the time and place set forth in the First Charge, when a guest at the Mess room of the Forty-ninth Regiment of Native Infantry, at dinner, been in a state of intoxication, so as to cause his being assisted out of the room by an Officer of his own Regiment, before the cloth was moved from table."

" The above being in breach of the Articles of War."

Fort Saint George, Madras, the ninth of July, one thousand eight hundred and forty-nine.

(Signed) J. J. HOLLIS, Lieut. Colonel, Commanding Her Majesty's Twenty-fifth Regiment of Foot.

Upon which Charges the Court came to the following decision:

" The Court having most maturely weighed and considered the evidence before it, and what has been stated in defence, and the evidence in support thereof, is of opinion that the Prisoner, Lieutenant Robert Villiers Briscoe of Her Majesty's Twenty-fifth Regiment of Foot, is"

Finding on the First Charge.—" Guilty of the First Charge."

Finding on the Second Charge.—" Guilty of the Second Charge."

Sentence.—" The Court having found the Prisoner guilty as above stated, doth sentence him, the said Lieutenant Robert Villiers Briscoe of Her Majesty's Twenty-fifth Regiment of Foot, to be severely and publicly reprimanded, and further to be reduced three steps of rank in the Regiment to which he belongs, by being placed next below Lieutenant William George Turner."

Confirmed.

BANGALORE, *14th August* 1849.

(Signed) G. H. BERKELEY, Lieutenant General.

Remarks.—" When an Officer is tried and found guilty of Charges of unofficerlike and ungentlemanly conduct, the Sentence ought to be dismissal from the Service. Upon that principle I do not approve of the Sentence pronounced in this case, but in consequence of the palliative nature of the evidence produced on the trial, more particularly as connected with the first Charge, I confirm the same."

" Lieutenant Briscoe has much reason to congratulate himself that he has met with a Court so mercifully disposed, and if he possesses proper feeling will ever hold in abhorrence a vice that has made him commit himself in a manner so derogatory to his position in society; and which has been so nearly ruinous to his future prospects."

(Signed) G. H. BERKELEY, Lieutenant General.

Lieutenant Robert Villiers Briscoe is to be released from arrest, and will return to his duty.

These Orders are to be entered in the General Order Book and read at the head of every Regiment in Her Majesty's Service, on the Establishment of Fort St. George.

GENERAL ORDERS
BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: BANGALORE, 11*th September* 1849.

At a General Court Martial held at Bellary, on Tuesday the 28th of August 1849, Edward Bayly, Lieutenant of the 1st Madras Fusiliers, was arraigned on the following Charges:

First.—For having at Bellary, on the 6th of August 1849, failed to appear at the place of parade of the 1st Madras Fusiliers, appointed by his Commanding Officer, Lieutenant Colonel Thomas Assheton Duke, Commanding the 1st Madras Fusiliers.

Second.—For unofficerlike conduct, to the prejudice of good order and military discipline, in having at Bellary, between 12 and 1 o'clock on the afternoon of the day specified in the First Charge, been in a state of intoxication.

Finding.—The Court, having maturely weighed and considered the evidence before it and what has been stated in defence, is of opinion that the Prisoner, Lieutenant Edward Bayly of the 1st Madras Fusiliers, is not guilty of the First Charge.

Not guilty of the Second Charge, and the Court acquits him thereof.

Remarks by the Court.—The Court has found the Prisoner not guilty of the First Charge, because although he did fail to appear at parade on the day stated in the Charge, he was at the time suffering from disease and reported himself accordingly to the Medical Officer of the Regiment who had previously attended him.

BELLARY, }
3*d September* 1849. }

Confirmed.

HEAD QUARTERS, BANGALORE, } (Signed) G. H. F. BERKELEY, Lieut. Genl.
10*th September* 1849. } *Commander in Chief.*

Lieutenant E. Bayly to be released from arrest and return to his duty.

At a General Court Martial held at Bangalore, on Saturday the 1st of September 1849, William Owen Tudor, Ensign of the 31st Regiment or Trichinopoly Light Infantry, was arraigned on the following Charges:

First.—For unofficerlike conduct, to the prejudice of good order and military discipline, in having at Bangalore, on the 11th of August 1849, solicited, incited and endeavoured to persuade Lieutenant Henry LeFleming Hughes of the 31st Regiment or Trichinopoly Light Infantry, to convey a challenge to fight a duel, from him, Ensign William Owen Tudor, to his superior Officer, Major Gilbert James Richardson of the said Regiment.

Second.—For unofficerlike conduct, subversive of military discipline, in having at Bangalore, on the 12th of August 1849, proceeded to the quarters of Major Gilbert James Richardson of the 31st Regiment or Trichinopoly Light Infantry, and then and there made use of unwarrantable and provoking language to the said Major Gilbert James Richardson, his superior Officer, tending to excite him to fight a duel; by stating that if he, Ensign William Owen Tudor, did not receive an apology from the said Major Gilbert James Richardson, he would report him to the Colonel (meaning Lieutenant Colonel James Davidson, Commanding the same Regiment) and if he did not receive satisfaction, he would post the said Major Gilbert James Richardson as a coward to all the Regiments in the Cantonment.

Revised Finding.—The Court having maturely weighed and considered the evidence before it, and what has been stated in defence, is of opinion that the Prisoner, Ensign William Owen Tudor of the 31st Regiment or Trichinopoly Light Infantry, is guilty of the First Charge.

Not guilty of the Second Charge, and the Court acquits him of the same.

Revised Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Ensign William Owen Tudor of the 31st Regiment or Trichinopoly Light Infantry, to be severely reprimanded.

BANGALORE, }
7*th September* 1849. }

As the Court has adhered to its original Finding on the Second Charge, and to its Sentence, I confirm the same, but cannot approve either the one or the other.

HEAD QUARTERS, BANGALORE, } (Signed) G. H. F. BERKELEY, Lieut. General,
10*th September* 1849. } *Commander in Chief.*

Remarks.—The offence of which the Prisoner has been found guilty, is tantamount to sending a challenge to his superior Officer, and certainly merits a severer punishment than a reprimand, which I could have ordered myself without reference to any Court Martial and which is only suitable when the offence is trivial, or when the offender from his rank, services and character is likely to attach the utmost importance to the disapprobation of superior authority.

On the other hand, I am totally at a loss to know upon what grounds the Court can have acquitted the Prisoner on the Second Charge.—That provoking and unwarrantable language was made use of by him to Major Richardson is I consider proved by the sworn testimony of Captain Brett, to whom the Prisoner, although much excited, twice repeated the words he had made use of to Major Richardson, almost word for word those quoted in the Charge; that he did make use of them is not even denied by the Prisoner; and the testimony of the Officers who heard only part of the language used by him to the Major, strongly corroborates his own acknowledgment.—I leave the Court to get over the inconsistency of their Finding with these facts as they best can.

Ensign Tudor, 31st Light Infantry.

You have been found guilty of soliciting another Officer to convey a challenge from you to your superior Officer, the Major of your Regiment, and that this challenge was not actually delivered, was in no way attributable to you. Your offence therefore was in every respect equal in magnitude to that for which military law renders you liable to be cashiered, and in your instance it was aggravated by your relative position to the Officer against whom you contemplated the offence, and by the want of any reasonable provocation on his part. You must not be led into the error of believing your offence a light one, from the lenient Sentence awarded by the Court which has tried you, for the tendency of your conduct is destructive of military discipline and subordination; and you are now warned that a repetition of this, or any other unmilitary conduct, will assuredly subject you to appearing again before a Court Martial, that may not deal so leniently with you as the present one. I now strongly advise you to cultivate more respect and subordination towards your military superiors, and to restrain your duelling propensities, which if persisted in will be your ruin.

On this being read to you by your Commanding Officer, you will be released from arrest and will return to your duty.

(Signed) G. H. F. BERKELEY, Lieut. General,
Commander in Chief.

Ensign W. O. Tudor to be released from arrest and return to his duty.

14th September 1849.

At a General Court Martial held at Saint Thomas's Mount, on Saturday the 8th of September 1849, James Hammond, General No. 2951, Gunner in the A. Troop of Horse Artillery, was arraigned on the following Charges, viz.

First.—For having at Saint Thomas's Mount, on the 23d of August 1849, refused to attend punishment drill which had been awarded to him by Captain Charles Lancaster, Commanding the A. Troop Horse Brigade Artillery, thereby disobeying the lawful command of his superior Officer.

Second.—For having at the same place, on the morning of the 24th of August 1849, when brought before his Commanding Officer, the said Captain Charles Lancaster of the A. Troop Horse Brigade Artillery, at the Orderly Room of the said Troop, to answer to the offence set forth in the First Charge, on being told to put his Cap straight on his head, offered violence to Captain Charles Lancaster of the Horse Brigade of Artillery, his superior Officer, then and there in the execution of his office as Commanding Officer of the said Troop, by throwing at him his Forage Cap, which struck him, the said Captain Charles Lancaster, on the right breast, at the same time making use of abusive and obscene language.

Third.—For having at the time and place set forth in the Second Charge, offered violence against his superior Officer Serjeant Major William Burton of the A. Troop Horse Artillery, when in the execution of his office as Serjeant Major of the said Troop, by striking him a blow on the neck with his left hand.

Finding.—The Court having maturely weighed and considered the evidence before it, and what has been stated in defence, is of opinion that the Prisoner James Hammond, General No. 2951, Gunner in the A. or Captain Charles Lancaster's Troop of Horse Artillery, is guilty of the First Charge.

Guilty of the Second Charge.

Guilty of the Third Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said James Hammond, General No. 2951, Gunner in the A. or Captain Charles Lancaster's Troop of Horse Artillery, he being born of European Parents, to be transported beyond Seas, as a felon, for the term of fourteen years.

FORT ST. GEORGE, 2D OCTOBER 1849.

No. 182 of 1849.—The Right Honorable the Governor in Council has received with much satisfaction a despatch transmitted by His Excellency the Commander in Chief from Major Dennis, Her Majesty's 94th Regiment, reporting the entire destruction of a band of Moplah fanatics in the neighbourhood of Calicut.

2. The Governor in Council entirely concurs in the approbation which has been expressed by His Excellency of the gallant conduct of Major Dennis and the other Officers and men employed, both of Her Majesty's 94th Regiment and of the 39th Regiment Native Infantry, and he cannot better convey to the Detachment of Her Majesty's 94th Regiment especially the sense which is entertained by the Government of their services, than by publishing in G. O. the following letter from H. V. Conolly, Esqre., the Magistrate of Malabar.

No. 22—1849.

From H. V. CONOLLY, Esq.
Magistrate of Malabar.

To Sir H. C. MONTGOMERY, Bart.
Secretary to Government, Fort St. George.

SIR,

I consider it my duty to bring to the special notice of Government the excellent behaviour of the Detachment of H. M. 94th Regiment lately employed at my requisition in putting down a fanatical outbreak in the interior of Malabar.

Two Companies of the 94th started from Cannanore on the afternoon of the 30th Ultimo, and reached

Tellicherry, 14 miles distant, that evening.—The next evening they reached Budaghery 15 miles further. Here they were met by an emergent letter from me, requesting that some of the freshest men should be pushed on with all speed. Major Dennis, in command of the Detachment, made an immediate march of 22 miles with the Grenadier Company, and arrived at Ellatore in the afternoon in a perfect storm of rain. There was no time for delay, and after drinking a little coffee or arrack, the men were put into boats, wet as they were, under the idea that they would arrive at Ariacode, 12 miles from Munjairy where their services were required, the next morning.

But the weather got worse and worse, and so powerful was the torrent of water that rushed down the river that the large boats on which the Soldiers were embarked were actually unable to stem it. At 12 o'clock on Sunday night the body of the men whom we had expected to arrive in the Sunday morning, were found to be many miles down the river, and we were only able to get them up in detached bodies by the repeated trips of the small snake boats in which the gentlemen of the party had made their passage and by marching them over the last mile or two by land.—For more than 30 hours then the men had to remain cramped in their boats, in wet clothes (the deluge of rain made the slight covering over them of little service), and without regular food. The only murmur that was heard was at the idea of being too late for the service that was known to be before them, and the last body of 20 men, who only came into Camp on Monday at 9 o'clock A. M., were just as ready as any of their comrades to start for a 12 miles' march at ½ past 9. Very many of the Soldiers had lacerated feet from the journies already made, some so much so that it seemed impossible they could march; but they either cut their boots into all sorts of shapes to ease their hurts or walked without covering altogether.

They arrived at Munjairy that day, and, so far as themselves were concerned, were most ready for an immediate attack on the Insurgents, which however was postponed by Major Dennis for sound reasons, as mentioned in my letter of the 3d Instant. The next morning they marched to the post evacuated in the night by the fanatic Insurgents, from which they had only just returned when the intelligence was brought that the fanatics were destroying a temple 12 miles off. But little time was required for them to be ready and in pursuit, and by 6 o'clock in the evening they had come up with the fanatics, beaten them, and were in their quarters, three miles in advance, without a single straggler.

The agony of one man's feet was so great that he was about to get into a doolie, when on hearing that the fanatics were really at hand and about to fight, he ran up and joined his comrades as if nothing was the matter with him.

Of the conduct of the men and their Officers during the encounter it is not my part to speak. I can merely say that it was evidently only owing to their consummate coolness that so few casualties occurred on our side.—The steadiness of the Europeans was the admiration of all the spectators, and I cannot but hope that its moral effect will be considerable.

The fanatic Moplah thinks little of losing his life if he can do damage at the same time to his opponent; but the glory of his exploit is considerably dimmed if he is shot or bayonetted down like a mad dog before he can do much mischief.

Be this as it may, and to return to my more peculiar task of description, I would go on to say that the conduct of the men subsequent to this affair has been in the highest degree satisfactory.

There has not been a single case of drunkenness, not one of insubordination or excess of the slightest nature. From first to last the Detachment has done its duty in a manner to warrant a warm encomium from Government, who I am confident will duly appreciate the value of the services they have performed. It is to their spirit and energy that we are indebted for the putting down an outbreak, which, if not put down, would have become every day more formidable.

Had Major Dennis merely thought of the harassed condition of his men and not marched them so as to crush the fanatics the very night he did, the consequence to the peace of the country would have been deplorable.

I have already mentioned that it has been ascertained that the fanatics intended to leave the Angadipooram pagoda during the night and to make a dash at the next most famous pagoda in the Country. This course (of seizing and burning Hindoo temples) they would no doubt have prosecuted in all directions; and, with no force to oppose or check them, their ravages, until they were in some way or other hunted down, would have been most destructive.

From the many unhappy consequences which would have attended such a state of things, we have been freed by the prompt and energetic measures pursued by Major Dennis and his most active and intelligent aid, Lieutenant Vaughan.

I have the honor to be, &c. &c.

CALICUT, 13*th September* 1849.

Magistrate.

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

At a General Court Martial held at Secunderabad, on Wednesday the 12th of September 1849, Edmund Hodgson, Genl. No. 2262, Gunner in the D. Company of the 1st Battalion of Artillery, was arraigned on the following Charges, viz.

First.—For habitual drunkenness, he having been drunk in Barracks at Secunderabad, on the 1st of September 1849, this being the fourth time within 12 months, the previous instances being as follows:

Drunk in Barracks at Secunderabad on the 11th of June 1849.
Drunk in Barracks at Secunderabad on the 11th of July 1849.
Drunk at Roll Call at Secunderabad on the 10th of August 1849.

Second.—For having at Secunderabad, on the morning of the 2d September 1849, when a Prisoner in the Barrack Guard of the 1st Battalion of Artillery, offered violence to 2d Lieutenant James Blair of the 1st Battalion of Artillery, his superior Officer, in the execution of his duty as Battalion Officer of the day on duty, by throwing with violence at him (in succession) two loaves of bread.

Third.—For highly insubordinate conduct, to the prejudice of good order and military discipline, in having at Secunderabad, on the forenoon of the 3d of September 1849, when brought before Lieutenant Colonel Frederick Blundell, Companion of the Bath, the Officer Commanding the Prisoner's Battalion, at the Regimental Orderly room, to answer to the offences set forth in the 1st and 2d Charges, used the following threatening language—"A good many more of them I will serve out yet if I have "a chance, for the way I have been treated in this bloody country," or words to that effect.

Finding.—The Court having maturely weighed and considered the evidence before it, is of opinion that the Prisoner, Edmund Hodgson, Regtl. No. 2262, Gunner in the D. or Captain George Maryat Gumm's Company of the 1st Battalion of Artillery, is guilty of the first Charge; guilty of the second Charge; guilty of the third Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, and having furthermore taken into consideration the proof of his 4 previous convictions, and general character, doth sentence him, the said Edmund Hodgson, Genl. 4. The Forms of Attestation to be used for Recruits, and the period within which they are to be taken before a Magistrate, not being an Officer in the Army, to be attested, are laid down in the Annual Mutiny Act. These Forms will be supplied from the office of the Adjutant General of the Army, and copies of them are subjoined.—(Form A.)

5. The Standards for the age and height at which Recruits are eligible to be enlisted will be laid down by the Commander-in-Chief.

† Published at Fort St. George in G. O. G. 25th April 1848, No. 89.

6. No Bounty is sanctioned to persons who are not eligible as Recruits by the fixed Standards, but who are admitted into the service as an indulgence. In such cases, however, any man re-enlisting after his first period of service has expired will be entitled to the usual Bounty of Rupees (50) Fifty.

7. Boys of European Parentage, being the Sons of Soldiers in the East India Company's Service, may be enlisted by Special Authority into the Artillery and Infantry, for the purpose of being trained as Trumpeters and Drummers, under the 10th and 11th Vic. Cap. 37, and will be allowed a Bounty of (2) Two Guineas or Company's Rupees (20-9-1) Twenty, Nine Annas and One Pie each, to provide them with Regimental necessaries. Twelve years is the prescribed age for the admission of boys, except under very special circumstances. These boys are to be attested for such periods as will be equal to 10 years for the Infantry, and 12 years for the Artillery, counting from the time they will attain the age of 18 years, no further Bounty being payable to them on attaining that age; but the usual Bounty of Company's Rupees (50) Fifty will be allowed on their re-enlisting after their first period of service has expired.

8. Enlisted boys are to receive as at present Half-Pay and Batta. On attaining their 15th year, they may, if vacancies exist, be brought on the strength of Corps on the full allowances of Trumpeters or Drummers, or, when fit to bear Arms, be enrolled as Privates on the Pay and Batta of that Rank. The period of service, either as regards their claim to discharge or to Pension, will commence from their attaining their 18th year.

9. The number of boys, or Half-Pay Drummers sanctioned, per Troop or Company, at each of the Presidencies, will continue as at present.

10. All Half-Pay Drummers on attaining their 12th year are to be enlisted on the terms above directed for boys, but only those of European Parentage when fit to bear Arms can be enrolled as Privates, all others continuing to serve as Trumpeters and Drummers.

11. No enlisted Half-Pay Drummer can be transferred to a Native Corps.

12. Limited service men, originally enlisted in India for periods of 3 or 5 years, can only be re-engaged under the 10th and 11th Vic. Cap. 37. If they have served under 10 years in the Infantry, or 12 years in the Artillery, they are to be attested for such terms as will complete the above periods. A Bounty of Rupees (50) Fifty will be allowed to men so re-enlisted.

13. Men who have completed ten years in the Infantry, and twelve in the Artillery, are to be re-engaged for a second term, under the above Act, of 11 years in the Infantry, or 12 in the Artillery, or for such portion of these terms as will complete a total service of 21 years in the Infantry and 24 years in the Artillery.

14. Soldiers who may be discharged from Her Majesty's Army for the purpose of entering the Service of the East India Company, under Special Authority, are to be enlisted under the 10th and 11th Vic. Cap. 37. They are to be attested for such periods as will, inclusive of the time they may have served in India in Her Majesty's Army, and six months previous to arrival, be equal to the terms directed in the Army Service Act.

15. Only men under 30 years of age, robust and healthy, can be enlisted into the East India Company's from Her Majesty's Service.

16. Soldiers so enlisted will be allowed to reckon their Service in India in Her Majesty's Army towards Good Conduct Pay and other advantages while serving, and towards discharge; but with respect to Pension, after 21 years, the period of their service in the East India Company's Army must be equal or nearly so, to that passed in Her Majesty's Army in India.

17. No Soldier can demand his discharge until the expiration of his engagement, *as a matter of right*, either with or without a Pension; but discharge may be granted, as an indulgence, under the conditions specified in the Regulation on this subject.

2. Indemnification is not intended to make good the full amount of loss sustained, but is granted only to such extent, as shall enable the claimant to re-equip himself for service.

3. Indemnification shall, invariably, be confined to losses, which have been altogether unavoidable, and may be granted in the following cases; viz.

First.—For losses in action with the Enemy.

Second.—By Capture.

Third.—By Shipwreck, or by inevitable casualties on Board Ship, occasioned by storms or stress of weather, when proceeding on duty.

Fourth.—By accidental Fire.

Fifth.—By the destruction of a public Store-house or,

Sixth.—By the destruction of Articles or of Horses, or Baggage Cattle, to prevent their falling into the hands of the Enemy, or to prevent the spreading of infectious or contagious disorder.

4. Provided, that in all the above cases the Articles or Animals were placed in the situation in which the loss occurred, under the sanction of proper authority; that every exertion was used to prevent the loss; and that any orders for the destruction of Articles or of Animals were issued by competent authority, and carried into effect with all possible promptitude.

5. No claim can be admitted in the following cases, viz.

First.—Losses from desertion.

Second.—From Articles having been improperly packed, placed or left in improper situations.

Third.—From the death of Horses or Baggage Cattle by fatigue in the ordinary course of service.

Fourth.—From the breaking down of carriages, being private property.

Fifth.—From the loss of Accoutrements, Clothing, or necessaries in Hospital or,

Sixth.—From any circumstances whatever, which might have been prevented, by proper care and attention, on the part of the Regiment or of the claimant, or person in charge.

6. No claim can be admitted from the representatives of Officers or men slain in action, or dying in consequence of wounds.

7. No indemnification shall be granted for losses sustained by Officers when proceeding on, or returning from leave, nor to those in receipt of Boat Allowance, that allowance being on a scale sufficient to remunerate them for all expenses attendant on the insurance of their property, as well as for their boat accommodation.

8. If an Officer or a Soldier shall have neglected to bring forward his claim for a period exceeding one month from the date of his loss, this delay shall be considered a sufficient reason for rejecting the claim, however valid it may be in other respects, unless the claimant can prove that he was unavoidably prevented from making an earlier claim.

9. Whenever Baggage or Articles of Equipment are sent by a vessel in which the Officer to whom

they belong, is not himself a passenger, it is incumbent upon such Officer, to protect himself against loss, by effecting an insurance thereupon, and if he has an opportunity of doing so, and neglects to avail himself of it, no compensation will be given by the State for any loss that may happen.

10. When losses occur on Service in the Field, the General or other Officer in command shall assemble, with all convenient despatch, Committees for the investigation of claims, arising out of those losses, which Committees shall be guided by the principles laid down in this Regulation, and the whole of their proceedings, or certified copies thereof, shall be transmitted through the prescribed channel to the Commander-in-Chief for His Excellency's observations and opinions.

11. No claim shall be admitted on account of the loss of money, being the private property of individuals, but in special cases, where public money, which has regularly been received by individuals, and has unavoidably remained in their hands, shall be lost on service, application for indemnification may be made according to the Form A. Such application being supported by the several certificates and documents therein specified.

12. Claims on account of necessaries lost on Service, by Non-Commissioned Officers and Soldiers individually, shall contain a specification of the articles lost and of their actual value, at the time of their loss; and Officers in charge of Troops and Companies, and Commanding Officers of Regiments are held responsible that no such claim shall include any charge on account of articles not sanctioned as Regimental necessaries by the standing orders of the Army.

13. Non-Commissioned Officers and Soldiers, who have been taken and detained as Prisoners of War, more than four months, shall not be allowed to receive indemnification for necessaries lost, when they were taken prisoners; all claims therefore, made by men who have been Prisoners of War, shall contain a Statement of the precise period during which they were absent from their Regiments in consequence of being captured.

FOR LOSS OF HORSES.

14. Such Officers only are entitled to compensation for loss of Horses in Action, as may be in receipt of Horse Allowance, either personally or as forming an item of their Staff Allowances.

15. Upon the first appearance of a disorder in any Horse, the Commanding Officer of the Station or Detachment will order a Committee to assemble, composed of such Officers as in his opinion are best qualified to judge of the nature of the disorders of Horses; And if, upon examination, it shall appear, to the satisfaction of the Committee, that such Horse is infected with the Farcy or Glanders, it will be their duty to recommend that the animal be immediately shot, with a view to prevent contagion; should the Commanding Officer concur in the opinion of the Committee, he will, by his countersignature, confirm the proceedings and order the Horse to be immediately shot, in the presence of a Commissioned Officer, and the proprietor of the Horse is authorized to present a bill for compensation at the rates hereinafter mentioned, bearing an attestation on honor, that the Horse destroyed was used by him as a Charger, or Parade Horse, and accompanied by a certified copy of the confirmed proceedings of the Committee, and such bill the Military Auditor General is authorized to pass without further reference.

16. The above Rule is applicable to the Chargers of Officers of the Light Cavalry and Horse Artillery, and of Officers attached to Horse Field Batteries, but not to Horses of Officers of any other Arm, nor to Staff Officers except under peculiar circumstances of proximity to those of the Cavalry in Camp or other situation, where the destruction of a diseased Horse might be considered by the Commanding Officer of the Detachment a measure of necessary precaution.

17. The following rates of compensation for the loss of Chargers in Action, or shot in consequence of being infectiously diseased are sanctioned.

18. To Horse Artillery and Cavalry Officers for the loss of a Charger, selected from the ranks, or Remounts of their respective Corps, a compensation equal to the price they would have been entitled to receive on returning such Charger to the ranks, viz., the residue of the original price, after a deduction of ten per cent. per annum, for the period that may have elapsed since the date of selection.

19. To all Mounted Officers for the loss of a Charger, not selected from the ranks at whatever price purchased, a compensation equal to the residue of such price, after the deduction of ten per cent. per annum, provided the residue do not exceed the sum of eight hundred rupees (800,) which is the maximum of compensation allowed in any case.

20. Bills for compensation for the loss of a selected Charger are to be accompanied by a certificate, shewing the owner's Name, Rank, Troop, and Regiment, from what Troop the animal was selected, whether a Stud Horse or otherwise, and those for compensation for a Charger not selected from the ranks by a declaration on honor, specifying the price paid and the date of purchase.

21. Compensation for Horses of the Irregular Cavalry, killed in Action, is sanctioned at the rate of Company's Rupees (125) One Hundred and Twenty-five, each. The same is also allowed, when they are killed by fatigue, destroyed or disabled on extraordinary duties, on these occasions a Committee of Cavalry Officers is to be assembled for the purpose of ascertaining the circumstances attending each case, the nature of the duty on which the animal was employed, the authority for so employing him, either Civil or Military; the Commanding Officer is to declare that the accident arose from no neglect or cruelty of the rider, as far as he is acquainted with the circumstance; and he is also to state, to the best of his knowledge, that the Horse was in good and sound health, and capable of performing his general duties when detached. The Committee is to recommend such amount of compensation, in no case exceeding the prescribed maximum of Company's Rupees (125) One Hundred and Twenty-five, as taking into consideration their age, the period they have been in the service, and the amount originally paid for them, the owners may be deemed entitled to.

22. The proceedings of the Committee are to be prepared in accordance with the following Form; and Officers commanding Corps of Irregular Cavalry, whose reports will accompany the proceedings of the Committee, are enjoined to comply strictly with the instructions contained in the foregoing paragraph.

38. 39. Whenever a Cantonment at which Officers have drawn only half batta, shall be abandoned, such Officers are allowed six months' Extra Batta as a compensation for the loss of their Houses, but no compensation allowance is granted to any Officer either on the abandonment, or on the first occupation of a full batta Station; Officers on full batta being considered to be in the Field.

FORM A.

Return of Public Money lost on Service by ——— of the —— Regiment of —— in the year ——.

	Amount.			The nature of the duty on which the Officer was employed with the date, place and particular circumstances, which occasioned each loss, to be distinctly specified, and if the claim be made in England, the reason why it was not preferred at the Station, where the loss occurred, should be stated.
	R.	A.	P.	
Specify whether the money was in coin or otherwise,				

I certify, that the money above stated was not private property, but had been received by me (from whom, when, and for what purpose, to be stated) that it necessarily remained in my possession, because (the cause to be explained;) that it was unavoidably lost, under the circumstances above specified; that I was not at the time deviating, in any respect, from the orders of the General or other Officer Commanding, that I have been obliged to replace the whole of the sum claimed, and that I have neither received nor applied for indemnification, on account thereof, through any other channel than that in which the present claim is submitted.

(To be signed by the Officer making the claim, ———)

I certify, that the particulars stated in the above Certificate are, to my knowledge, correct.

(To be signed by the Commanding Officer of the Regiment or some Superior Officer, who has a knowledge of the facts, ———)

The following Documents must also accompany the claim:—

1. A Certificate from the person by whom the money had been originally paid into the claimants' hands, stating the amount, the time when, and the purpose for which it had been so paid.

2. Some sufficient proof, that no unnecessary delay had taken place on the part of the claimant in disposing of the money towards the purposes for which it had come into his hands.

3. A Certificate from the person who has received the money, to prove that the claimant has replaced it.

If in any case the claimant cannot replace the money lost, without first receiving an allowance from the public to enable him to do so, an explanatory Certificate to that effect should be produced; and in all such cases the amount of the allowance which may be granted, instead of being issued to the claimant, will be applied to the discharge of the just demands which the Regiment or individuals may have on account thereof.

Second.—For having at the same time and place as mentioned in the first Charge, connived at the desertion from the Honorable East India Company's Service of Gunner William Goggin, by having concealed the fact within his knowledge, and failed to give immediate notice thereof to Lieutenant and Brevet Captain John David Scott, his Commanding Officer.

Fifth.—For having at the same time and place as mentioned in the third Charge, disobeyed the lawful command of Lieutenant and Brevet Captain John David Scott, his superior Officer, by having on the afternoon of that day gone across to Martaban, notwithstanding that on the morning of the same day he had received orders not to go there.

Sixth.—For having at Moulmein, on the 25th of October 1849, absented himself without leave from the five o'clock Evening Roll Calling of his Detachment and so remained absent until about nine o'clock the same night.

Seventh.—For conduct to the prejudice of good order and military discipline, in having at the same place and at the time of his return as specified in the sixth Charge, been drunk.

Not Guilty of the 1st Charge.
Guilty of the 2d Charge.

Not Guilty of the 4th Charge.
Guilty of the 5th Charge.

HEAD QUARTERS: CHOULTRY PLAIN, 12*th December* 1849.

At a General Court Martial held at Singapore, on Monday the 8th day of October 1849, Ensign Raynsford George Alston of the 51st Regiment Madras Native Infantry, was arraigned on the following Charges, viz.

First.—For conduct unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in having at Singapore, on the afternoon of the second of June 1849, been in a disgraceful state of intoxication, staggering and scarcely able to walk without support in front of the Treasury Guard at the said Town, and in presence of the Native Officer, and Men of his Regiment, then and there on duty on the said Guard.

Second.—For conduct unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in having at the place and on the evening of the day set forth in the First Charge, when still in a disgraceful state of intoxication, appeared in the public road, where his state was witnessed by several Gentlemen, Ladies and other persons passing at the time.

Finding.—The Court having maturely weighed and considered the evidence before it, and what has been stated in defence, is of opinion that the Prisoner, Ensign Raynsford George Alston of the 51st Regiment Madras Native Infantry, is

Guilty of the 1st Charge.

Guilty of the 2d Charge.

Sentence.—The Court having found the Prisoner "Guilty" as above stated, doth sentence him, the said Ensign Raynsford George Alston of the 51st Regiment Madras Native Infantry, to lose a portion of his rank in the Regiment to which he belongs, by being placed at the bottom of the list of Ensigns in the said Regiment next below Ensign William Hamilton.

SINGAPORE, *this 9th day of October* 1849.

Confirmed.

HEAD QUARTERS, MADRAS, 11*th December* 1849.

(Signed) G. H. F. BERKELEY, Lieut. Genl.
Commander in Chief.

Remarks.—The Sentence of the Court is not that which the Officers of the 51st Regiment, and of the Army generally, might have reasonably expected from the nature of the Charges, inasmuch as due regard for the honor, respectability and discipline of the Army would seem to require that an Officer who had so far lost sight of what was due to his own character and to the credit of his Regiment as to act in the way the Prisoner has done, should be visited with dismissal from the Service. A firm conviction that such was the only appropriate punishment for the Court to award in this case, would have led me to return the Proceedings on the trial for revision, but I am obliged to abandon my intention of doing so, owing to the great inconvenience that would arise to the Service in again collecting together the Members of the Court from various stations, and to the delay that would thereby be unavoidably incurred, which would subject Ensign Alston, who has already been upwards of six months in arrest, to further confinement for nearly a similar period.

I consider that an Officer who has exposed himself to the ridicule and contempt of his inferiors can scarcely for some time to come be considered fit to exercise authority over them with advantage,—and certainly not to sit in judgment upon them, I therefore desire that Ensign Alston may not be permitted to sit as Member of any Court Martial until further orders, and the Commanding Officer will be pleased to report half yearly to the Adjutant General of the Army upon his conduct, for my information.

(Signed) G. H. F. BERKELEY,
Lieut. General.

The name of Ensign Raynsford George Alston is hereafter to be inserted next below Ensign William Hamilton of the 51st Regiment N. I. He is to be released from arrest and directed to return to his duty.

The General Court Martial assembled at Singapore of which Major J. M. Madden, 51st Regiment N. I. is President, is dissolved.

At a General Court Martial held at Moulmein, on Thursday the 1st day of November 1849, and continued by adjournment, Lieutenant Henry Bell of the 50th Regiment of Native Infantry, was arraigned on the following Charge, viz.

Charge.—For conduct unbecoming the character of an Officer and a Gentleman and to the prejudice of good order and military discipline, in having at Moulmein, on the 20th day of February 1849, as Officer Commanding the F. Company of the 50th Regiment of Native Infantry, received the sum of 28 Company's Rupees from Appiah, Regimental Number 667, Private of the said Company and Regiment, for the purpose of being remitted to his relative Mah Letchmee at Chicacole, which said sum of 28 Company's Rupees he, Lieutenant Henry Bell, culpably failed to forward to the said Mah Letchmee through the Quarter Master of the said Regiment, in disobedience of a Regimental Order under date 13th of December 1848, and which said sum he fraudulently misapplied to his own use.

Finding.—The Court having maturely weighed and considered the evidence before it and what has been stated in defence, is of opinion that the Prisoner, Lieutenant Henry Bell of the 50th Regiment of Native Infantry, is

Guilty of the Charge, with the exception of the words "unbecoming the character of an Officer and a Gentleman, and which said sum he fraudulently misapplied to his own use," and the Court find that the sum of Rupees 28 was deposited by Private Appiah about the (14th) fourteenth of February, instead of the 20th of February 1849, as stated in the Charge.

Sentence.—The Court having found the Prisoner guilty, as above stated, doth sentence him, the said Henry Bell, Lieutenant in the 50th Regiment of Native Infantry, to be severely reprimanded.

MOULMEIN, *5th of November* 1849.

I confirm, but cannot approve the Sentence of the Court.

HEAD QUARTERS, MADRAS, 12*th December* 1849. (Signed) G. H. F. BERKELEY, Lt. Genl. *Commander in Chief.*

Lieutenant Henry Bell, you have been acquitted of that part of the Charge imputing "conduct unbecoming the character of an Officer and a Gentleman," and also of fraudulent intent; I must say, however, that I consider the Court have passed a very lenient Sentence upon your most culpable neglect. A Sepoy gave you a deposit of twenty-eight Rupees to be sent for the use of his family. You disobeyed the Regimental Order that all such monies were to be deposited in the hands of the Quarter Master for the purpose of remittance, and took no further notice of having received the money, till some months afterwards when you were applied to respecting it. You then endeavoured to excuse the non-payment on the plea of forgetfulness; strange forgetfulness indeed, that subsequent to your receiving this money when you went to the Hospital to settle the accounts of the Sepoy Appiah previous to his embarkation, it should not have occurred to you that this said Appiah had placed money in your hands for remittance to his Son. The non-transmission of the money, might, and probably did occasion distress, and great inconvenience to Sepoy Appiah's family and all owing to the most culpable negligence on your part. The Court have taken a favorable view of your intentions, and you shall have the benefit of it, but let me warn you against any repetition of such neglect, as you may not again get off so easily. I shall esteem it my duty to issue such instructions to the Army as may tend to guard against any similar misconduct in an Officer in future. Lieutenant Bell, you are released from arrest and will return to your duty.

GENERAL ORDERS

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 14*th December* 1849.

At a General Court Martial held at Bellary, on Wednesday the 21st day of November 1849, Lieutenant John Paske of the 1st Madras Fusiliers, was arraigned on the following Charges, viz.

First.—For disgraceful conduct, unbecoming the character of an Officer and a Gentleman and to the prejudice of good order and military discipline, in having at Bellary, on the night of the 14th of October 1849, been found lying on the public road in the vicinity of a Garrison Guard in a state of intoxication, where he was seen by a Lance Naigue and Private of the said Guard.

Second.—For having at the same place and time as mentioned in the First Charge, repeatedly struck with his clenched fist on the arm Lance Naigue Lauff Cawn, Number 775 in the Grenadier Company of the 48th Regiment Native Infantry, the Lance Naigue commanding the Guard near which Lieutenant Paske was lying and who had gone to his assistance.

Lieutenant John Paske of the 1st Madras Fusiliers, charged in addition to the Charges originally preferred against him, as follows :

First Additional Charge.—For having at Bellary, on the sixteenth of October 1849, failed to appear at the place of Parade for Field Exercise appointed by his Commanding Officer, Lieut. Colonel Thomas Assheton Duke, Commanding the 1st Madras Fusiliers.

Second Additional Charge.—For conduct unbecoming the character of an Officer and a Gentleman and to the prejudice of good order and military discipline, in having at the same place, on the night of the 19th of the same month and year, been in a disgraceful state of intoxication in the public receiving room of the Mess House of the 1st Madras Fusiliers.

Third Additional Charge.—For having at the same place, between 6 and 7 o'clock on the evening of the 20th of the same month and year, disobeyed the lawful command of his superior Officer, Lieutenant Charles Scott Elliot of the 1st Madras Fusiliers, by not immediately proceeding to his quarters when ordered home, under arrest, he, Lieutenant John Paske, having neglected to proceed to his quarters until between 11 and 12 o'clock the same night.

Fourth Additional Charge.—For conduct highly unbecoming and derogatory to the character of an Officer and a Gentleman and to the prejudice of good order and military discipline, in the following Instances.

First Instance.—In having at the same place, on the night of the 20th of the same month and year, been in the room attached to Number one Company Barrack of the 1st Madras Fusiliers belonging to Color Serjeant James Malligan of the 1st Madras Fusiliers, and then and there sat and conversed with the said Color Serjeant James Malligan, and Serjeant George Noldret of Number one Company of the 1st Madras Fusiliers, for three hours or thereabouts without any sufficient excuse.

Second Instance.—In having at the same place, on the night of the 20th or morning of the 21st of the same month and year, been in a disgraceful state of intoxication and assisted to his quarters by Color Serjeant James Malligan and Serjeant George Noldret of Number one Company of the 1st Madras Fusiliers.

Finding.—The Court having maturely weighed and considered the evidence before it and what has been stated in defence, is of opinion that the Prisoner Lieutenant John Paske of the 1st Madras Fusiliers, is

Guilty of the 1st Charge.
Guilty of the 2d Charge.
Guilty of the 1st Additional Charge.
Guilty of the 2d Additional Charge.
Guilty of the 3d Additional Charge.
Guilty of the 1st Instance of the 4th Additional Charge.
Guilty of the 2d Instance of the 4th Additional Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Lieutenant John Paske of the 1st Madras Fusiliers, to be dismissed the Service.

BELLARY, *the 4th December* 1849.

Recommendation.—The Court having performed it's painful duty, begs now respectfully to recommend the Prisoner to merciful consideration in consequence of his youth.

I approve and confirm the Finding and Sentence of the Court.

HEAD QUARTERS, MADRAS, 12*th December* 1849.

(Signed) G. H. F. BERKELEY, Lt. Genl.
Commander in Chief.

Remarks.—The Court have recommended the Prisoner to merciful consideration on account of his youth. I cannot agree with them as to the validity of such plea. Lieutenant Paske has been upwards of five years in the Service; he cannot, therefore, plead inexperience; and the reports of him are most unsatisfactory. He has been repeatedly admonished, and the necessity of immediately reforming his habits strongly urged upon him by his Commanding Officer. These admonitions have completely failed, and it is therefore impossible for me to attend to the recommendation of the Court, when the grave nature of the charges are considered.

I take this opportunity of observing that indiscriminate and ill judged recommendations of Courts Martial place the confirming authority in a false position. It is an attempt to throw undue and additional responsibility upon the latter for carrying out the decisions of the former; and when he cannot consistently with his duty accord therewith, only obliges him to give greater publicity to the errors and character of the individual so recommended.

(Signed) G. H. F. BERKELEY,
Lieutenant General.

Lieutenant John Paske is to be struck off the strength of the Army from the date of the publication of this order at Bellary, which is to be reported to the Adjutant General of the Army.

At a General Court Martial held at Bellary, on Wednesday the 21st day of November 1849, and continued by adjournment, Lieutenant Francis Gilbert Rybot of the 1st Madras Fusiliers, was arraigned on the following Charge, viz.

Charge.—For having at Bellary, on the 7th and 8th November 1849, when on duty as Officer of the Main Guard, neglected to obey the Garrison and Cantonment Order by Brigadier Howard Dowker, Commanding the above Station, dated the 14th of June 1849, by not visiting the Citadel once during his tour of duty.

Finding.—The Court having maturely weighed and considered the evidence before it and what has been stated in defence, is of opinion that the Prisoner, Lieutenant Francis Gilbert Rybot of the 1st Madras Fusiliers, is

Guilty of the Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Lieutenant Francis Gilbert Rybot of the 1st Madras Fusiliers, to be severely and publicly reprimanded in such manner as His Excellency the Commander in Chief may be pleased to direct.

HEAD QUARTERS: MADRAS, } (Signed) G. H. F. BERKELEY, Lieut. General,
12th December 1849. } *Commander in Chief.*

Remarks.—The custom that seems gaining ground of awarding an Officer a reprimand for almost all offences, not of a very flagrant character, instead of one of the discretionary punishments authorised by the Articles of War, encourages among the junior members of the Army a disregard for good order and discipline, mischievous to themselves, and injurious to the Service. It should be recollected that a reprimand is a minor punishment in the power of every Commanding Officer to award, from the Commanding Officer of a Regiment to the Commander in Chief of the Army, without resorting to the intervention of a Court Martial: and that it is only in cases where reprimands have been found of no avail, that an Officer is brought to a Court Martial for one of the inferior military offences.

LIEUTENANT RYBOT,

You have been found guilty of disobedience of orders, and sentenced to be severely and publicly reprimanded. This award of the Court Martial must be carried into effect, but I confess, looking back to your past conduct, that I fear it will have but little effect upon one apparently so callous to reprimand. About September last you were severely reprimanded by my order in presence of the Officers of the Garrison for exactly a similar offence to the present.

On the 22d of February 1847 you were tried by a Court Martial and Sentenced to be severely reprimanded.

On the 13th of December 1847 you were again tried by a Court Martial and again sentenced to be severely reprimanded.

And you are now under a similar Sentence by the present Court Martial that has tried you. Lieutenant Rybot, you may rest assured that conduct such as your's, will neither raise you in the estimation of your Brother Officers, nor tend to your promotion in the Service. I will hope, however, that some portion of high soldierlike feeling is still left in your disposition, and that the reprimands you have received will at last have their due effect. You have yet a chance of redeeming yourself,—avail yourself of it.

(Signed) G. H. F. BERKELEY, Lt. General,
Commander in Chief.

The above reprimand to be read to Lieutenant Rybot, in the presence of all the Officers in the Garrison of Bellary assembled for that purpose. He will then be released from arrest and return to his duty.

The following to be substituted for paras 10 and 14.

10. Medical Boards or Officers are to grant the Certificates, required by the foregoing Regulations, to Officers to proceed to the Presidency or elsewhere, as they may consider most conducive to the health of the Patient. — Sec. XVIII, page 201, para 10.

14. The forms of Medical Certificates given in Section VIII of the Medical Regulations are to continue in use as heretofore with the following exceptions, viz. the countersignature of Superintending or Staff Surgeons, as required by para. 37 of the above Section, being unnecessary is to be omitted: and in the form of Certificate "Preparatory to application for leave to Europe, &c." under clause 6th of para. 38 of the above Section, for the words "the Presidency," the Station, whether the Presidency or other, to which recommended to proceed, is to be inserted; and in the forms 1 and 2 of "final" Certificate under the same clause, the words "and that he should be allowed to embark from (here enter Eastern or Western Coast, or particular Port or other Presidency, as the case may be)" are to be added. — Do. „ 202 para. 14.

The following addition to be made.

Do. „ 292.

$\frac{14}{1}$ Boards of Medical Officers are to confirm and, where necessary, grant; Sick Certificates to Officers whom they may recommend to proceed to places within the Presidency, as well as either "preparatory" or "final" Sick Certificates to Officers whom they may recommend to proceed to Europe, to Sea, Egypt, the Cape of Good Hope, to places Eastward of the Cape, or to the other Presidencies—such "preparatory" or "final" Certificates may recommend the patient to proceed for embarkation to any Out Port or Station, or to the Presidency, as may be considered most beneficial and convenient.

$\frac{14}{2}$ In general, in cases of Officers proceeding to *Europe* from Stations far removed from the port of embarkation or frontier of this Presidency, it will be advisable to grant "preparatory" Certificates to the proposed port of embarkation or to the Station nearest to it, or to the frontier, at which a Board can be assembled for the purpose of granting a "final" Certificate.

$\frac{14}{3}$ Officers under "final" Certificates from Out-Stations who proceed to the Presidency for the purpose of embarking for Europe to Sea, &c. will be subject, should the Medical Board deem it advisable, to re-examination by the permanent Board of Medical Officers at Madras—"Final" Certificates recommending embarkation at an Out-port or Presidency, or departure from a frontier station are not to be subjected to revision by another Board at such Out-port, Presidency, or Station, except under provision of the preceding para.

These to form paras $\frac{14}{1}$, $\frac{14}{2}$ & $\frac{14}{3}$ respectively of Section XVIII, page 292.

Note. The above three paras supersede Clauses 1st and 2d, para 38, Section VIII of the Medical Regulations.

To form para $\frac{20}{1}$ of Sec. XIX, page 309.

Part VI, page 464, para XII.

For "Adjutant" substitute "Judge Advocate."

The following to be substituted for Para LII.

Part II, page 452.

LII. It will be at the discretion of Commanding Officers, instead of bringing men to trial before Courts Martial, to assemble Courts of Inquiry, for the purpose of placing on record whether blame does or does not attach to the Soldier for the loss or damage of his Ammunition, Arms, Accoutrements or Necessaries, and such decision by a Court of Inquiry will, if approved by the Commander in Chief, be sufficient to support an Indent on the Military Board for Arms, Accoutrements, &c. in lieu of others which may have been lost or spoiled.

2. Whenever blame attaches to a Soldier, and his previous good character is such that his Commanding Officer may consider him worthy of being permitted voluntarily to pay for the Articles lost or injured, without being subjected to trial by a Court Martial, a declaration signed by the Soldier shall be inserted at the foot of the Proceedings of the Court of Inquiry, stating that he requests to be put under stoppages to avoid trial by Court Martial, and the Officer Commanding will record on the Proceedings the grounds on which he recommends that the Soldier should be permitted to pay for the Articles lost or injured.

3. The Proceedings of all such Courts of Inquiry together with Indents prepared in the usual form, are, whether blame attaches or otherwise, to be forwarded to the Adjutant General of the Army, who, after taking the Commander in Chief's orders, and recording the same on the Proceedings, will pass them and the Indents on to the Military Board.

Sec. XI, pages 120 & 124.

3. With reference to the "Scales of Minor Punishments," pages 120 and 124, General Regulations, the latter clause of para, 2 page 121, and para 4, page 125, are to be considered applicable to Corporals and Lance Corporals and Naigues and Lance Naigues respectively.

4. Attention is also called to Sec. XIX, page 308, which prescribes the Honors to be paid in saluting Officers of all Ranks—*God save the Queen* is never to be played except in saluting Crowned Heads, or other Members of the Royal Family.

5. With reference to para XXXVII of Part III, page 449, of the General Regulations, it is notified that all references requiring to be made to the Commander in Chief regarding Courts of Inquiry of the nature of Inquests and Courts of Requests, are to be addressed to the Judge Advocate General of the Army, who will submit them to the Commander in Chief and receive and communicate His Excellency's instructions thereon.
