GENERAL ORDERS

BY

HIS EXCELLENCY THE COMMANDER-IN-CHIEF.

HEAD QUARTERS, MADRAS,
20*th February* 1878.

At a General Court Martial, held at Bangalore, on the 4th day of February 1878, Jemadar Govindoo and No. 1129, Private Abdool Aziz Khan and No. 1304, Private Govindoo, all of the 23rd Regiment W. L. I., were arraigned on the following charge:—

CHARGE.

Conduct to the prejudice of good order and Military discipline in the following instances:—

1*st Instance.*—In having at Bangalore, on or about the 7th October 1877, together caused to be written and sent to His Excellency the Commander-in-Chief of the Madras Army their superior officer an anonymous letter in the Teloogoo language, which letter contained passages to the following effect, *viz.*: * * * * * * .

"If sepoys prefer any complaints to the Subadars and Jemadars they do not report them to the officers. These Native Officers and the Colonel treat the Sepoys very unjustly. Many Sepoys, Naigues and Havildars who are capable of doing duty for 10 years more were thrown out in the late Committee * * * * * . In the late Committee 28 Sepoys, 4 Havildars, 6 Naigues 2 Subadars, and 1 Jemadar were unjustly discharged * * * * * . If sepoys complain of any diseases to the Doctor, he sends them away saying that they pretend. He is in the Regiment since 16 years, such cases are very unjust. As you are our parents and possess great power we have informed you. If the Regiment is to go to Foreign Service with this Colonel we do

not know how we will get on. Even one Sepoy would not return alive. He does such injustice. It would be better if the Colonel, the Adjutant and the Doctor be removed from the Regiment."

2nd Instance.—In having at the same time and place together in the abovementioned letter made the following false and malicious statement knowing it to be false, *viz.*: "In his stead he (meaning Lieutenant-Colonel W. H. A. Butler, Commandant, 23rd Regiment W. L. I.,) made Ahmed Hoossain Subadar-Major, on receiving from him (meaning Subadar Ahmed Hoossain) gold buttons worth 150 Rupees * * * * * * .

FINDING.

The Court find that the prisoners Jemadar Govindoo and No. 1129, Private Abdool Aziz Khan and No. 1304, Private Govindoo, all of the 23rd Regiment W. L. I., are each and severally guilty of both instances of the charge.

SENTENCE.

The Court sentence the prisoner Jemadar Govindoo, 23rd Regiment W. L. I., to be dismissed the service.

The Court sentence the prisoners No. 1129, Abdool Aziz Khan and No. 1304, Private Govindoo, both of the 23rd Regiment W. L. I., each and severally to be imprisoned with hard labor for two years.

(Signed) APPAVOO, Subadar-Major, Bahadoor,
36th Regt. N. I., President.

BANGALORE, 6th February 1878.

APPROVED AND CONFIRMED.—The two Privates will be handed over to the Civil Authority.

(Signed) NEVILLE CHAMBERLAIN, Lieut.-Genl.,
Commander-in-Chief.

MADRAS, 16th February 1878.

REMARKS.

I am continually receiving anonymous petitions in which are preferred most injurious charges against the justice, honesty, and morality of the British and Native Officers. I wish the Native Army to understand most distinctly that whenever an offence of

the kind can be brought home, the offenders shall receive in full the sentence awarded.

(Signed) NEVILLE CHAMBERLAIN, Lieut.-Genl.,
Commander-in-Chief.

MADRAS, 16th February 1878.

HEAD QUARTERS, MADRAS,
20*th February* 1878.

At a General Court-Martial, held at Bangalore, on the 7th day of February 1878, Naigue Gholam Ally, 23rd Regiment W. L. I., was arraigned on the following charge :—

CHARGE.

Conduct to the prejudice of good order and military discipline in the following instances :—

1*st Instance.*—In having at Bangalore, on or about the 19th July 1875, together with another, caused to be written and sent to His Excellency the Commander-in-Chief of the Madras Army, his superior officer, an anonymous letter in the Teloogoo language, which letter contained passages to the following effect, namely : "To His Excellency the Commander-in-Chief. We Havildars and Naigues of the 23rd Regiment ; we, as Havildars, remain in the same rank, 12, 13, 16 and 17 years. The Native Officers do not like to take pension though their services are more than 40 years, for the Adjutant, who left this, has returned and Colonel * * * is also of the same turn * * * *."

"They receive Rs. 15 for enlistment, Rs. 30 for a Lance Naigue, Rs. 45 for a Naigue, and Rs. 50 for a Havildar. The Adjutant is a great debtor and consequently extorts from us as above."

" * * * * * * * you should enquire into all. We have made two shots ready for these, the third to the Adjutant Jemadar and the fourth to the Subadar Major. By these the Regiment loses its name."

"The Havildar Major is a drunkard. He brings such as do not lend him money to punishment. The Drill Havildar keeps the wife of * * * Pensioned Havildar, and drinks to the full. If any sepoy does not bribe him, he abuses and beats him."

"The General though he lives near, does not enquire."

2nd Instance.—In having at Bangalore, on or about the 25th July 1875, together with another, caused to be written and sent to His Excellency the Commander-in-Chief of the Madras Army, an anonymous letter in the Teloogoo language, which letter contained passages to the following effect, namely:—

"Things go on much worse than what they were under Colonel Greenville. After Captain Faunce came as Adjutant, Lalamiah, the Subadar Major, the Jemadar Adjutant, and Havildar Major receive bribes. The Adjutant and Colonel receive Rs. 30 from Lance Naigues, Rs. 50 from Naigues, Rs. 70 from Havildars, Rs. 150 from Jemadars, and Rs. 300 from Subadars."

"We have informed you thrice, once from Quilon, and twice from Bangalore, you have not made any inquiries. Something like what happened to the Adjutant in the 35th Regiment, and to the Subadar Major in the 36th Regiment will shortly come to pass. If you enquire, it is all right; otherwise we have powder and shot with us, and we will accomplish our end according to the time."

"If you would enquire all right, or we would inform the Queen. You had been acting very justly, you are now acting unjustly, we have informed the Queen all that had happened in India, you do not enquire any thing properly. We will however accomplish our object. We have informed as you are superior, you should enquire."

FINDING.

The Court find that the Prisoner, No. 954, Naigue Gholam Ally, 23rd Regiment W. L. I., is not guilty of the Charge.

(Signed) APPAVOO, Subadar-Major, Bahadoor,
36th Regt. N. I., President.

BANGALORE, 9th February 1878.

CONFIRMED.

(Signed) NEVILLE CHAMBERLAIN, Lieut.-Genl.,
Commander-in-Chief.

MADRAS, 16th February 1878.

REMARKS.

I have confirmed the Finding of the Court with some misgiving, as the balance of evidence seems to me to be strongly adverse to

the Prisoner. Under these circumstances it is not for the good of the service that the prisoner should be allowed to return to the 23rd Light Infantry, and he will be transferred to another Regiment.

2. This trial together with the other one on the same subject disposed of by me to-day, ought to make it clear that anonymous petition writing is a very dangerous undertaking to embark in, for the soldier who does so can never feel secure that he will not be called to account.

Commander-in-Chief.

GENERAL ORDERS

BY

HIS EXCELLENCY THE COMMANDER-IN-CHIEF.

HEAD QUARTERS, MADRAS,
19*th March* 1878.

At a General Court-Martial, held at Secunderabad, on the 5th day of February 1878, No. 3802, Gunner William Sheehy, B Battery B Brigade, (late B Battery C Brigade,) Royal Horse Artillery, was arraigned on the following charges :—

CHARGES.

First Charge.—That he, William Sheehy, on or about the 25th December 1877, at Secunderabad, being then and there a soldier serving in India in the Territories of His Highness the Nizam of Hyderabad, did attempt to commit culpable homicide amounting to murder by doing an act with such intention and under such circumstances that if he, by that act, had caused death he would have been guilty of murder, that is to say, by discharging a loaded carbine at Gunner William Sanders, or Gunner Herbert Giles, with the intention of causing the death of one or the other, and that he has thereby committed an offence punishable under Section 307 of the Indian Penal Code and within the cognizance of a General Court-Martial.

Second Charge.—That he, William Sheehy, on or about the 25th December 1877, at Secunderabad, being then and there a soldier serving in India in the Territories of His Highness the Nizam of Hyderabad, did voluntarily cause hurt to Gunner William Sanders of the same Battery by means of an instrument for shooting, that is to say with a carbine, and that he has thereby committed an offence punishable under Section 324 of the Indian Penal Code and within the cognizance of a General Court-Martial.

FINDING.

The Court find that the prisoner, No. 3802, Gunner William Sheehy, B Battery B Brigade (late B Battery C Brigade) Royal Horse Artillery, is

Not guilty of the first charge,
Guilty of the second charge.

SENTENCE.

The Court sentence the prisoner No. 3802, Gunner William Sheehy, B Battery B Brigade (late B Battery C Brigade) Royal Horse Artillery, to rigorous imprisonment for three (3) years.

(Signed) A. C. McMASTER, Colonel,
40th Regt. M. N. I., President.

SECUNDERABAD, 15th February 1878.

CONFIRMED.

(Signed) NEVILLE CHAMBERLAIN, Lieut.-General,
Commander-in-Chief.

MADRAS, 7th March 1878.

REMARKS.

I do not approve these proceedings because the facts before the Court would have warranted them in finding the prisoner guilty of the first charge.—His intention was manifest from the deadly nature of the weapon used. Had the prisoner been so drunk as not to know what he was doing, which was not established by the evidence, his *voluntary* drunkenness should *legally* have no effect on the consideration of his *intent*, the weapon used being a *deadly one*.

2. The sentence is not, I consider, sufficiently severe considering the nature of the offence committed, and the urgent necessity for giving to the sober well conducted soldier full protection against his life being recklessly endangered at the hands of a comrade.

(Signed) NEVILLE CHAMBERLAIN, Lieut.-General,
Commander-in-Chief.

MADRAS, 7th March 1878.

The sentence is to be carried into effect under the orders of the Officer commanding Hyderabad Subsidiary Force.

The foregoing extract to be read to all European Troops in the Madras Army.

At a General Court-Martial, held at Bangalore, on the 15th day of February 1878, No. 2103, Driver Henry Hinson, A Battery 6th (late A 20th) Brigade Royal Artillery, was arraigned on the following charges .—

CHARGES.

1*st Charge*.—That he, Henry Hinson, on or about the 28th November 1877, at Bangalore, being then and there a soldier serving in India in the Territories of His Highness the Rajah of Mysore, attempted to commit murder by doing an act with such intention and under such circumstances that if he by that act had caused death, he would have been guilty of murder, that is to say by striking one Leslie Coffey on the forehead with a sword, whereby hurt was caused to the said Leslie Coffey, and that he has thereby committed an offence punishable under Section 307 of the Indian Penal Code, and within the cognizance of a General Court-Martial.

2*nd Charge*.—That he, Henry Hinson, on or about the 28th November 1877, at Bangalore, being then and there a soldier serving in India in the Territories of His Highness the Rajah of Mysore, voluntarily caused grevious hurt to one Leslie Coffey by means of an instrument for cutting, that is to say a sword, and that he has thereby committed an offence punishable under Section 326 of the Indian Penal Code, and within the cognizance of a General Court-Martial.

FINDING.

The Court find that the Prisoner, No. 2103, Driver Henry Hinson, A Battery 6th (late A 20th) Brigade Royal Artillery, is

Not guilty of the 1st charge.
Guilty of the 2nd charge.

SENTENCE.

The Court sentence the Prisoner, No. 2103, Driver Henry Hinson, A Battery 6th (late A 20th) Brigade Royal Artillery, to suffer penal servitude for the term of (5) five years.

APPROVED AND CONFIRMED.

(Signed) NEVILLE CHAMBERLAIN, Lieut.-General,
Commander-in-Chief.

MADRAS, 7th March 1878.

REMARKS.

In this case, as in another disposed of by me this day, I find drunkenness urged in extenuation. The law does not accept this as an excuse ; and Courts-Martial and Confirming Officers are bound to administer the Law. No option is left. I most strongly advise all soldiers to lay this to heart.

Commander-in-Chief.

MADRAS, 7th March 1878.

HEAD QUARTERS, MADRAS,
26th March 1878.

At a General Court-Martial, held at Secunderabad, on the 19th day of February 1878, No. 2,073, Corporal George Vincent, 2/16th Regiment, was arraigned on the following charge :—

CHARGE.

That he, George Vincent, on the 24th December 1877, at Secunderabad, being then and there a soldier serving in India in the territories of His Highness the Nizam of Hyderabad, did voluntarily cause grevious hurt to one Setty, toddy-drawer, and that he has thereby committed an offence punishable under Section 325 of the Indian Penal Code, and within the cognizance of a General Court-Martial.

FINDING.

The Court find that the Prisoner, No. 2,073, Corporal George Vincent, 2nd Battalion 16th Regiment, is guilty of the charge.

SENTENCE.

The Court sentence the Prisoner, No. 2,073, Corporal George Vincent, 2nd Battalion 16th Regiment, to rigorous imprisonment for three years.

(Signed) A. C. McMASTER, Colonel,
40th Regt. M.N.I., President.

SECUNDERABAD, 8th March 1878.

APPROVED AND CONFIRMED.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief.

MADRAS, 20th March 1878.

REMARKS.

The prisoner has been found guilty of a brutal assault upon an unarmed native : there was not the slightest provocation for the act, it is therefore only right that the prisoner should suffer the full penalty awarded by the Court.

The prisoner endeavoured to escape punishment by establishing an *alibi* and six witnesses called for the defence concocted a story in support of that argument. One of these, Private Smith, 44th Regiment, is to be placed on his trial for giving false evidence on oath.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief.

MADRAS, 20th March 1878.

Under the authority of the 137th Article of War, Corporal G. Vincent is reduced to the ranks.

The sentence is to be carried into effect under the orders of the Officer commanding Hyderabad Subsidiary Force.

The foregoing extract to be read to all European Troops in the Madras Presidency.

GENERAL ORDERS

BY

HIS EXCELLENCY THE COMMANDER-IN-CHIEF.

HEAD QUARTERS, MADRAS,
11*th April* 1878.

At a General Court-Martial, held at Fort St. George, Madras, on the 5th day of March 1878, No. 1,779, Jemadar Venkojee Row, 10th Regiment M.N.I., was arraigned on the following charge :—

CHARGE.

Having at Madras on the 8th February 1878, been intoxicated on parade when paraded prior to inspection by the Major-General commanding the District.

FINDING.

The Court find that the Prisoner, No. 1,779, Jemadar Venkojee Row, 10th Regiment M.N.I., is guilty of the charge.

SENTENCE.

The Court sentence the Prisoner, No. 1,779, Jemadar Venkojee Row, 10th Regiment Madras Native Infantry, to be suspended from rank, pay and allowances for three months.

MADRAS, 5th March 1878.

REVISED SENTENCE.

The Court having attentively considered the observations of the revising officer and the whole of the Proceedings, do now revoke their former sentence and now sentence the Prisoner, No. 1,779, Jemadar Venkojee Row, 10th Regiment M.N.I., to be dismissed the service.

(Signed) SHEIKH TIPPOO, Subadar,
33*rd Regt. N.I., President.*

MADRAS, 19th March 1878.

APPROVED AND CONFIRMED.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief.

MADRAS, 4th April 1878.

REMARKS.

The offence of which the prisoner is found guilty is a most serious one for any soldier to commit, and the more especially so by a Jemadar Adjutant, who ought to be an example of good conduct to every one in the regiment.

2. The revised sentence of dismissal from the service was the only adequate punishment for the Court to award—and it was on this account that I called upon it to revise its original sentence.

3. I am however always sorry to have to approve of the dismissal of a native officer from the service, and whenever there is reason to believe that a more lenient punishment will suffice to meet the offence and to maintain discipline, I am ready to use my power of extending clemency.

4. On enquiry as to the prisoner's previous character, I find that this is not the first instance in which he has of late disgraced his position by appearing under the influence of liquor; and I have therefore no hesitation in approving and confirming his dismissal from the service.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief.

MADRAS, 4th April 1878.

The foregoing extract to be read to all Native Troops in the Madras Army.

* To avoid confusion in Accounts.

I.—The canteen will remain open from a convenient hour in the morning, as commanding Officers of Corps may determine, till tattoo, during which time, the soldier may obtain malt liquor in such quantities as may be convenient to himself (duty permitting and he being sober) on cash payment at the rate of 4 annas per quart.

II. No man can receive more than one dram of rum per diem, which can only be procured in half drams, one between morning and noon and the other between noon and tattoo, the price being increased to 2 annas per dram or 1 anna per half dram.

III. Arrangements are to be made to enable men to receive malt liquor in small quantities of a glass or half-a-pint, and to dilute their half dram of rum before drinking it.

IV. No liquor is to be carried out beyond canteen limits, except with the approval of the commanding Officer. The occasions when liquor may be taken from the canteen are limited to those specified in paragraph 92, Section X, Canteen Regulations.

V. The present system of enforcing the drinking of liquor at the bar is to be discouraged as far as possible.

GENERAL ORDERS

HIS EXCELLENCY THE COMMANDER-IN-CHIEF.

HEAD QUARTERS, OOTACAMUND,
18*th June* 1878.

At a District Court Martial, held at Trichinopoly, on the 22nd day of April 1878, No. 1,087, 3rd-Class Hospital Assistant N. Appa Row, of the Madras Subordinate Medical Department, attached to the 19th Regiment N.I., was arraigned on the following charges :—

CHARGES.

1*st.*—Having at Trichinopoly, between the 1st and 20th February 1878, required and obtained from one Mootoocurpen Pillay, a gratification of Rupees 20, as a motive for procuring his enlistment.

2*nd.*—Having at Trichinopoly, on or about the 21st February 1878, attempted to obtain from Naigue David, 19th Regiment N.I., a gratification of Rupees 10, as a motive for procuring for him leave on sick certificate.

3*rd.*—Conduct to the prejudice of good order and Military discipline in having at Trichinopoly between 15th and 28th February 1878, accepted from one Curpanen, a gratification of Rupees 3, as a motive for getting him passed by the Medical Officer as fit for enlistment.

FINDING.

The Court find that the prisoner, No. 1,087, 3rd-Class Hospital Assistant N. Appa Row, of the Madras Subordinate Medical Department, attached to the 19th Regiment N.I., is guilty of all the charges.

SENTENCE.

The Court sentence the prisoner, No. 1,087, 3rd-Class Hospital Assistant N. Appa Row, of the Madras Subordinate Medical Department, attached to the 19th Regiment N.I., to be dismissed the service.

(Signed) E. G. MORROGH, Major,
Madras Staff Corps, President.

TRICHINOPOLY, 1st May 1878.

APPROVED AND CONFIRMED.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief.

OOTACAMUND, 22nd May 1878.

REMARKS.

The Court has recommended the prisoner to mercy on the grounds of previous good character. I am unable to find any reason for allowing such a plea to have any weight in mitigation of the sentence. I feel, on the contrary, called upon to express regret that the Native Articles of War do not sanction the award of a much more severe punishment for such offences than mere dismissal from the service.

2. The prisoner made use of his position in the Regiment to obtain money under false and scandalous pretences. He tried to make the two villagers who sought to be enlisted in the Regiment believe that the money he extorted from them was to be divided between the Commandant and Medical Officer; whilst to the Naigue he said that to obtain leave to go to his home on medical certificate the Naigue must do as others he (the prisoner) named had done, and "perform poojah to the Mahadeo," that is to say bribe those with whom the power of granting such leave rested.

3. How long, or to what extent, this Hospital Assistant has indulged in shameful practices of the kind it is impossible to say, though it is stated by one of the witnesses that, "from general report, and what he heard from sepoys and others in his village, it was advisable to see the Hospital Assistant prior to going up for medical examination."

4. It is worthy of remark that the youth alluded to in the first charge stole from his poor parents the 20 Rupees required

by the prisoner to ensure enlistment, and further that after the two youths were rejected by the British Officers and asked for their money to be returned to them, the prisoner threatened to beat them with his shoe and drove them away from his door.

5. It is quite clear from the evidence recorded by the Court that the shameful and bare-faced bribery practised by the Hospital Assistant was known to some of the men in the Regiment—some of them may have only been aware of what took place; but some actually took part in the proceedings.

6. The Commandant of the 19th Regiment N.I., will be addressed on this subject, in view to the immediate and severe punishment of the most guilty of these sepoys.

7. I request the attention of all Commanding and Medical Officers to this case—and I at the same time warn the whole Native Army that no mercy or consideration shall be extended to any one found guilty of taking part in malpractices of the kind.

8. The usual extract of the proceedings and my remarks thereon are to be carefully translated into the vernacular, and are to be read to every Regiment and Detachment of the Native Army.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief.

OOTACAMUND, 22nd May 1878.

With reference to the above the name of No. 1,087, 3rd-Class Hospital Assistant N. Appa Row, will be struck off the list of the Subordinate Medical Department from the date of receipt of this order at Trichinopoly which is to be reported to the Adjutant-General and Surgeon-General, Indian Medical Department.

HIS EXCELLENCY THE COMMANDER-IN-CHIEF.

HEAD QUARTERS, OOTACAMUND,
27th July 1878.

At a General Court-Martial, held at Kamptee, on 17th July, 1878, Captain John Beresford Gahan, 31st Regiment, or Trichinopoly Light Infantry, was arraigned on the following charge :—

CHARGE.

For conduct unbecoming an Officer, and to the prejudice of good order and Military discipline, in having at Raipur, on or about the 24th of May 1878, been in a state of intoxication and incapacitated for the performance of any duty.

FINDING.

The Court find that the prisoner, Captain John Beresford Gahan, 31st Regiment, or Trichinopoly Light Infantry, is guilty of the charge.

SENTENCE.

The Court sentence the prisoner Captain John Beresford Gahan, 31st Regiment or Trichinopoly Light Infantry, to be severely reprimanded, and to forfeit one year of his Army and Staff Service.

(Signed) C. H. ABDY, Colonel,
President.

KAMPTEE, 17th July 1878.

CONFIRMED.

The Prisoner Captain John Beresford Gahan, is hereby severely reprimanded.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief, Madras Army.

OOTACAMUND, 25th July 1878.

REMARKS.

I am unable to approve the sentence awarded by the Court because I consider it too lenient to adequately meet the offence committed.

2. The Prisoner pleaded "Not Guilty," and in his defence has urged in extenuation that he was in his house when he happened to be found in a state of intoxication, that he had attended the usual Regimental Parades during the week up to the day in question, and that on that day there was no parade.

3. It would seem from the above line of defence, as if Captain Gahan was of opinion that, so long as an Officer is not required for duty, it is not unbecoming to his character to be found in his quarters in a state of intoxication.

4. This is most certainly and most properly not the view taken by Officers in regard to their men; and any Officer who gives himself over to habits of intemperance at home, when off duty, is unworthy to hold the Queen's Commission.

5. The occasion adverted to in the charge is not the only one in which Captain Gahan's habits of intemperance have come to my notice; and I am forced to the conclusion that he has proved himself unfit to be relied upon for the efficient discharge of his duties as Wing Officer with a Native Regiment.

6. Captain Gahan is released from arrest. He will report himself to the Deputy Assistant Adjutant-General, Nagpore Force.

(Signed) NEVILLE CHAMBERLAIN, General.
Commander-in Chief, Madras Army.

Head Quarters, Simla, 23*rd July* 1878.

The Commander-in-Chief in India publishes for information the following general order, dated the Palace, Malta, 20th June 1878. His Excellency congratulates the Native Armies on the testimony borne to their soldier-like qualities, both on parade and when off duty, by His Royal Highness the Field Marshal Commanding-in-Chief :—

"His Royal Highness the Field Marshal Commanding-in-Chief desires to express, through His Excellency the Governor, to the force under his command, his unqualified approval of the appearance of the troops comprising the garrison of Malta, and of the Indian Expeditionary Force. With regard to the garrison of Malta, His Royal Highness is highly satisfied with its efficiency and general bearing, and has to express his satisfaction at the appearance of the R. M. F. A., officially inspected by him for the first time.

"With reference to the Indian Expeditionary Force, His Royal Highness cannot speak too highly of their thorough soldier-like qualities, both when on parade and when off duty. Their uniform good conduct and smartness reflects the greatest credit on all ranks. Their steadiness under arms and at drill, and the excellent state of their camps, leave nothing to be desired. His Royal Highness will have great pleasure in acquainting Her Majesty the Queen with the satisfactory condition of the force, and the gratification he has himself experienced in having had an opportunity of making himself personally acquainted with the troops of Her Majesty's Indian Empire. His Royal Highness compliments Major-General Ross, Brigadier-Generals Watson

and Macpherson, on the care and attention they have bestowed on the troops under their command, and desires they will convey to the officers commanding corps, his appreciation of the manner in which they have carried out their responsible duties. His Excellency will be good enough to cause this order to be promulgated to the troops.

"A. HORSFORD, *General, Military Secretary.*"

GENERAL ORDERS

BY

HIS EXCELLENCY THE COMMANDER-IN-CHIEF.

HEAD QUARTERS, OOTACAMUND,
16*th August* 1878.

At a General Court-Martial, held at Kamptee, on the 12th day of July 1878, No. $\frac{9\text{ Bde.}}{587}$, Private Christopher Smullen, 33rd Regiment, was arraigned on the following charges :—

CHARGES.

1*st Charge.*—Conduct to the prejudice of good order and Military discipline, in the following instances :—

1*st Instance.*—In having at Kamptee, on or about the 15th May 1878, unauthorizedly loaded his rifle with powder and bullet.

2*nd Instance.*—In having at Kamptee, on or about the 15th May 1878, committed barrack damages to the amount of 8 annas.

2*nd Charge.*—Having at Kamptee, on or about the 15th May 1878, made away with one round of ball ammunition, the property of Government entrusted to his charge.

3*rd Charge.*—Insubordination, accompanied with personal violence, in having at Kamptee, on or about the 15th May 1878, offered violence against Color Serjeant Curtis John Brady of the same Regiment, by advancing upon him with his Rifle loaded with powder and bullet and at the Ready, using to him at the same time insubordinate and threatening language in substance and to the effect following, that is to say, "Color Serjeant Brady you have refused me a ticket to-night and for it I will blow your brains out," or words to that effect, the said Color Serjeant Curtis John Brady being his superior officer, and being in the execution of his office.

4*th Charge.*—Having at the same time and place as above set forth, been drunk.

FINDING.

The Court find that the prisoner, No. $\frac{9 \text{ Bde.}}{587}$, Private Christopher Smullen, 33rd Regiment, is Guilty of all the charges, and that the loss resulting from the prisoner's misconduct amounts to annas eight.

SENTENCE.

The Court sentence the prisoner, No. $\frac{9 \text{ Bde.}}{587}$, Private Christopher Smullen, 33rd Regiment, to suffer penal servitude for the term of five (5) years, and to be put under stoppages of pay to make good the following article, *viz.*, one round of ball ammunition, and the sum of eight (8) annas.

(Signed) C. H. COOKES, Colonel,
Royal Horse Artillery,
President.

KAMPTEE, 12th July 1878.

APPROVED AND CONFIRMED.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief.

OOTACAMUND, 27th July 1878.

REMARKS.

There is the clearest evidence that the prisoner threatened to take the life of Color Serjeant Brady in the manner specified in the 3rd charge; and that on the Serjeant springing through a window to escape, the prisoner ran towards the door with the evident intention of cutting off the Serjeant and of firing at him. Fortunately the prisoner, through the presence of mind of Private John Flynn, was stopped and seized before he could reach the door, when his rifle exploded without injuring any one. Seven rounds of ball ammunition were found on the prisoner.

2. In his defence, the prisoner urges that his threat to kill "Serjeant Brady was made in a momentary passion aggravated "by drink; that on his better sense returning on his being "seized he would not have harmed Serjeant Brady had he been "standing before him, as he, the prisoner, is not of a life-taking "disposition."

3. Even supposing the prisoner's statement to be true, nothing that he has urged in it can be allowed to mitigate his punishment. He has, by his malevolent act, forfeited his right to be trusted to serve any longer as a soldier; and now, after a service of nearly 18 years, he must pass five years as a convict in penal servitude.

4. I again warn soldiers not to have unlawful recourse to their arms, and I repeat that the man who does so must suffer.

5. Two years of the prisoner's sentence will, with the sanction of Government, be passed in India.

(Signed) NEVILLE CHAMBERLAIN, General,
Commander-in-Chief,
Madras Army.

OOTACAMUND, 27th July 1878.

The prisoner is to be sent to the Presidency under an escort, and delivered over to the custody of the Civil Power.

The foregoing extract to be read to all European Troops in the Madras Army.

* On one of the homeward voyages a regiment will be disembarked at Aden, and another regiment will be brought to Portsmouth.

Each ship will call at Malta for coal on the outward and homeward voyages.

The dates of departure from the United Kingdom and Bombay may be considered as definite—those of arrival at Bombay and Portsmouth will depend on the time actually required for the voyage and passage of the Canal. The departure of the ships from Suez on the outward, and from Malta on the homeward voyages will be communicated by telegraph to the authorities at Bombay and England respectively.

11th September 1878.

The sentence awarded 3rd-class Hospital Assistant F. S. Appasawmy Pillay, No. 1125, of the Subordinate Medical Department, doing duty Deputy Surgeon-General's Department, Ceded Districts, to suspension from rank, pay and allowances for one month by a District Court Martial assembled at Bellary on the 12th August 1878, has been confirmed by the Acting Commander of the Forces, with the following remarks :—

REMARKS.

I must express my disapproval that the Court should have adhered to their former lenient sentence. The prisoner in his defence has nothing whatever to urge in extenuation of his offence, which has so clearly been proved, nor has he expressed any any regret for his conduct which the Court consider sufficiently expiated by a month's suspension.

In accordance with the above, 3rd-class Hospital Assistant F. S. Appasawmy Pillay, No. 1125, will be suspended from rank, pay,

and allowances for one month from the date of receipt of this order at Bellary, which is to be reported to the Adjutant-General and Surgeon-General, Indian Medical Department.

GENERAL ORDERS

BY

THE ACTING COMMANDER OF THE FORCES.

HEAD QUARTERS, OOTACAMUND,
14th September 1878.

The Acting Commander of the Forces has much satisfaction in recording in General Orders his appreciation of the soldier-like spirit evinced by all ranks of the 25th Regiment of Madras Infantry, including the volunteers from the 15th Regiment, when it was ordered for Field Service in Europe.

The General Officer commanding the Provinces of Malabar and Canara reported that the embarkation of the 25th Regiment at Cannanore was conducted in the most orderly manner, without any confusion whatever, notwithstanding the presence on the beach, of the sepoys' families.

While at Malta, His Royal Highness the Field Marshal Commanding-in-Chief remarked upon the steadiness of the men at drill. Both while stationed in Malta and in Cyprus the reports of the good behaviour and good health of the 25th Regiment have been most satisfactory.

Lieutenant-General Elmhirst is well aware that soldiers of the Native Army are, what the British Officers make them, and therefore it is with every confidence that the Acting Commander of the Forces congratulates Colonel Gib, and the officers serving under him, for the credit, that the 25th Regiment have brought upon the Madras Army, by their exemplary conduct during the late expedition.

By order of the Acting Commander of the Forces,

FRED. JEBB, Brigadier-General,
Adjutant-General.

HEAD QUARTERS, OOTACAMUND,
17*th September* 1878.

The following General Orders, by His Excellency the Commander-in-Chief in India, are republished:—

Head Quarters, Simla, 20th August 1878.

With the sanction of Government, the Commander-in-Chief is pleased to direct that men enlisted under Acts other than that of 1870, and who have not re-engaged under that Act, of the regiments named in the margin, under orders to return to England, and who are desirous of extending their service in India, may be allowed to volunteer to any of the following regiments:—

2. The numbers that may be received by each regiment will be communicated by letter from the Adjutant-General, but regiments for England cannot be reduced below one half of the Indian establishment of all ranks, in addition to the probable number of invalids.

3. Infantry soldiers must volunteer for the brigade to which the regiment they select belongs (except when volunteering for the 60th Rifles or Rifle Brigade,) but they will be posted for duty to the battalion in India which they wish to join.

4. Married privates cannot be allowed to volunteer to the regiment noted in the margin, which has already nearly the full proportion sanctioned.

10th Hussars.

5. His Excellency the Commander-in-Chief in Bombay is requested to be good enough to issue the necessary orders for the volunteering of the 1-2nd and 1-8th Regiments.

6. The volunteering of the 4th Hussars, and 2-1st and 1-3rd Regiments will be carried out in accordance with paras. 2598 to 2602, Bengal Army Regulations, as altered by G.O. 34 of 1874, 120 and 349 of 1875 and 73 of 1878.

7. The following conditions of service and character disqualify any soldier, who has not been in possession of a good conduct badge for six months, from volunteering:—

(*a*) If above forty years of age, unless declared by a medical board to be physically fit for, and capable of performing, a soldier's duty in the East Indies.

(*b*) If within the last three years he has six entries in his Company Defaulter Sheet for drunkenness, or its equivalent, absence without leave.

(*c*) If within the last three years he has been convicted by court martial for any offence.

(*d*) If within the last three years he has been twice punished for disrespect to his superiors, or disobedience of orders, or violent behaviour.

(*e*) If within the last three years he has been entered three times in the Regimental Defaulters' Book, or eight times in the Company Defaulters' Book.

(*f*) If at any time during his career he has been convicted of disgraceful, or fraudulent conduct, or desertion.

Superintending officers will be held personally responsible for any neglect of these instructions. Doubtful cases will be referred to the general officer commanding the division or district, whose decision will be final.

8. The 1-14th Foot, under orders for Aden, will volunteer to such extent as will not reduce the strength of the regiment below 515 men, exclusive of invalids and time-expired men. Preference will be given to married men. In the case of there not being a sufficient number of volunteers to reduce the corps to this strength, short service men, with more than two years to serve, will be transferred to the second battalion of the regiment.

9. Men on, or probationers for, the Unattached List, borne on the rolls of the corps returning home, who may be desirous of continuing in their staff situations, can volunteer only to regiments serving in their own presidencies.

10. Clauses VI and VI(*a*) paragraph 2598, Bengal Army Regulations, are not applicable to soldiers enlisted or re-engaged under the Enlistment Act of 1870, who will be dealt with as follows, with regard to the liability of all to be transferred from one battalion to another of the brigade to which they belong; and of short service men, having more than two years of their period of army service to serve, to be transferred to any other brigade.

(*a*) Men enlisted for 12 years, or re-engaged under the Act of 1870 before the 25th April 1872 at home, or before the 1st of January 1872 in India, are exempted from transfer, excepting with their own consent, when they may be transferred to either the linked battalion, or to any other brigade having a battalion open to receive volunteers.

(*b*) Men enlisted for 12 years, or re-engaged under the Act of 1870 after the 25th April 1872 at home, or after the 1st January 1873 in India, are, if required, to be transferred to the linked battalion, if it is serving in India, or coming to India, with the exception of non-commissioned officers, musicians, artificers and men transferred to serve with relations who are exempted from transfer except at their own request.

(*c*) Men of short service having only two years or less to serve will accompany their battalions.

(*d*) Men of short service, having more than two years to serve, will be transferred to the linked battalion if it is serving in or coming out to India, the same exception being allowed with regard to non-commissioned officers, &c., as in clause (*b*); when the linked battalion is not available, these men may be transferred to such brigades having a battalion serving in India as will hereafter be directed.

11. In the cases of the 1st Battalion, 2nd (The Queen's Royal) Regiment; the 1st Battalion, 8th (King's) Regiment and the 1st Battalion, 14th (Prince Wales' Own) Regiment; their linked battalions the 2-2nd, 2-8th and 2-14th are available to receive transfers. The linked battalions of the 2nd Battalion, 1st (The Royal Scots) and of the 1st Battalion, 3rd (The Buffs), are not so available.

12. The number of men transferred under para. 10 must however be limited to such as will not with the volunteers, reduce corps below a strength of half the Indian establishment.

In no case are non-commissioned officers to be so transferred in a greater proportion than one in every ten soldiers transferred.

13. The cost of new uniform, change of facings, &c., necessitated by change of regiment, of men enlisted under the Act of 1870, who may be transferred to regiments remaining in India, will be borne by the State.

14. The practice which appears to have existed, of issuing to volunteers old great coats and marching equipment, is prohibited, and the men will take to their new corps the articles of which they have previously been in possession.

15. Attention is directed to G.O. 252 of 1873, regarding bandsmen volunteering to regiments remaining in India. Rolls of such of these men as may be desirous of joining the Viceroy's band, are to be sent to the Adjutant-General's Office, Simla, as soon as the volunteering is completed. If there are no volunteers, blank returns to be furnished.

16. Attention is also directed to para. 2601, Bengal Army Regulations, and G.O. 73 of 1878. Officers commanding regiments giving volunteers, will report at the end of a month that the documents referred to have been despatched. Officers commanding regiments receiving volunteers, will inspect these documents on receipt, and forward without delay any objections on the score of character, or otherwise, they may have to urge against the volunteers or transfers. They may also if they deem it necessary, call for copies of the company defaulters' sheets, of any of these men; but when the men have once left their old regiments no further objection can be considered.

17. The numbers of men to be transferred from each battalion will be communicated hereafter.

By order of the Acting Commander of the Forces,

FRED. JEBB, Brigadier-General,

Adjutant-General.

Invalding.—The General Officers in command of divisions and districts in which any men of the batteries specified in the margin are now serving will, in communication with the Administrative Medical Officers, British Forces, of the circles concerned, at once assemble special Invaliding Medical Boards to ascertain what men of these batteries, under orders to embark this cold season from Bombay for England, will require to be discharged from the service on their arrival at home. A list of these men, showing in separate columns such as may accompany their battery and such as are unable to bear the rapid change to the winter climate of England, will be furnished, one copy to Adjutant-General, one to the Quartermaster-General, and one to the Surgeon-General.

A, B and C Batteries, 6th Brigade, Royal Artillery, and such men of these batteries as may be at Convalescent Depôts.

accompany their battery to England) being transmitted to the officer commanding the depôt or station where the men may be quartered. The documents to be prepared for men left behind, whose discharge on arrival at home is not contemplated, will be those for an ordinary transfer to the depôt battery, with the usual invalid documents complete.

3. A Nominal Roll of *all* men not embarked with their battery will be transmitted by Commanding Officers to the Adjutant-General, Fort St. George, shortly before sailing; the cause of detention being specified in each case. It will further be stated whether all necessary documents in the case of each man shown in the roll have been transmitted to the proper authorities.

4. His Excellency the Commander-in-Chief of the Bombay Presidency is requested to cause any men of these batteries whose fitness for embarkation at the time intended may have become doubtful after departure from their stations, to appear before Medical Boards at Bombay, in view to their being detained till later in the season, when the period for arrival at home will be more suitable for men in a weakly state of health. In the case of all such men left behind by the battery the instructions given in para. 2 will be observed.

5. Medical Boards will communicate to the head-quarters of these batteries, their decision in the several cases brought before them for examination.

Referred to in paragraph 8.

G. O. DATED 15TH SEPTEMBER 1873.

G. O. 290.—*Transport—Baggage.* (Quartermaster-General.)

THE Commander-in-Chief finds it necessary to call the strictest attention of all officers and others provided with passages in Her Majesty's troop-ships to the regulations as per margin, limiting the amount of baggage to be embarked in those vessels, and more especially as regards its cubic measurement, cases having occurred in which, though the *weight* of baggage taken to the troop-ship was within the limit allowed, its admeasurement was so much in excess that space could not be found in the baggage-room for a great portion, which had to be left behind at the last moment, to the very serious loss and inconvenience of regiments and individuals.

Transport Regulations, Part I, paragraphs 127 and 128. (Revised Regulations, paragraphs 134 to 142.)

Commanding Officers of corps and detachments about to embark will, before the troops leave their original stations, cause the whole of the baggage intended to be embarked to be carefully packed and collected in their barrack square, and actually measured.

Only such baggage, the measure of which comes within the regulated allowance, and which should be entered in a return as per form A annexed, should be sent for embarkation.

Each case for embarkation should be marked in paint T. S. (troop-ship) in large letters, and the whole be kept quite distinct from any other baggage which may be taken with the troops to Bombay for shipment under private arrangement.

As troops embark direct from the Railway terminus in Bombay, the baggage arriving for embarkation cannot be measured there; but as an additional precaution and check against any excess being taken to the troop-ship, it will be finally measured at the last military station where the troops take train for Bombay, under the orders of the local Commanding Officer (unless the Officer Commanding the troops is senior, in which case he himself will see the measurement carried out), and none but the regulated allowance will then be loaded in the vans for embarkation; other baggage for shipment under private arrangement being placed in separate vans, which are to be marked accordingly.

Return A will be sent through General Officers commanding divisions and districts (who will cause the same to be carefully checked according to the regulations) to the Brigadier-General Commanding Bombay District, so that it may reach him not less than three days in advance of the troops' arrival at Bombay.

Individual officers embarking will have their baggage measured at Bombay under the orders of the officer superintending the embarkation.

G. O. dated 18th December 1873.

G. O. 387.—*Transport—Baggage.* (Quartermaster-General.)

In continuation of G. O. 290 of 1873, individual officers embarking in Her Majesty's Indian troop-ships are cautioned to send their heavy baggage to the Carnac Bunder troop-shed at Bombay, two days prior to that named for the sailing of the troop-ship, in order that it may be weighed, measured and embarked under the orders of the Quartermaster-General's Department.

2. Baggage not so sent will run the risk of being rejected by the troop-ship authorities.

G. O. DATED 15TH SEPTEMBER 1873.

G. O. 292.—*Transport—Baggage.* (Quartermaster-General.)

WHEN troops embark in Her Majesty's Indian troop-ships, the soldier's baggage will be confined to his knapsack and canvas bag, or valise (to be provided gratuitously by Government), measuring 2 feet 2 inches × 1 foot 10 inches × 6 inches.

The knapsack is taken by the men to their berths, and the bag is stowed in the baggage-room.

The cubic measurement of the men's bags, when packed, is on no account to exceed the following scale:—

For 50 men ... 81 cubic feet.

For numbers more or less, in the same proportion. When proceeding by a troop-ship simply to garrison a station (such as Aden), an additional 105 cubic feet per 50 men will be allowed for bedding, which is also stowed in the baggage-room.

For women embarking in the troop-ships the following baggage is allowed:—

Every woman or widow, one box and one canvas bag, or every woman or widow, the mother of one child under 10 years of age, one box and one canvas bag.

Every woman or widow with one child over, or two children under, 10 years of age, one box and two canvas bags, and for every other child one canvas bag.

Widowers with children will be allowed a box in addition to their own canvas bag and knapsack for one child, and for every other child one canvas bag.

The boxes (2 feet × 1 foot 6 inches × 1 foot 2 inches external dimensions, and not exceeding, when empty, 40 lbs. in weight) are taken into the women's quarters, the bags (2 feet 2 inches × 1 foot 10 inches × 6 inches) are stowed in the baggage-room. The measurement of the bag, when packed, is on no account to exceed 2 cubic feet.

When proceeding with troops to garrison a station (such as Aden), each woman is allowed $2\frac{1}{10}$ additional cubic feet, and each child the same for bedding, which is also stowed in the baggage-room.

Clauses 6 and 7 of para. 142 of Revised Transport Regulations, Part I.

G. G. O. 1090 of 1876.

Time-expired men and invalids proceeding to England in Her Majesty's Indian troop-ships, from infantry regiments equipped with

valises, will be provided on arrival at Deolali depot with a knapsack each at the public expense, for use on board-ship.

These knapsacks will be treated as articles of necessaries, and, on arrival of the men in England, will be given up for re-issue to drafts coming out to India; who will, in like manner, return them into store at the Deolali depot for re-issue as required.

By order of the Acting Commander of the Forces,

GENERAL ORDERS

BY

THE ACTING COMMANDER OF THE FORCES.

HEAD QUARTERS, OOTACAMUND,
18th October 1878.

The Acting Commander of the Forces directs the publication of the annexed Returns of the Annual Musketry Practice of the British and Native Troops in the Madras Presidency for the course 1877-78.

I. *Cavalry.*—In the European Cavalry (14th Hussars) 392 men have been trained, showing an improvement of 1·34 points per man on the figure of last year. The percentage of non-exercised men is still very high, owing principally to the men at Wellington being untrained, and the number of men in hospital.

The Body Guard were exercised through the recruits course, with the Snider carbine, but too late in the season for that of the drilled soldier. Their performances were satisfactory, and all available men were trained.

The 1st, 2nd and 4th Regiments Light Cavalry were not exercised during the past year, the Commander-in-Chief having been pleased to exempt them from further training until equipped with the Snider carbine. 72 have been issued to the 1st Light Cavalry.

II. *Infantry.*—In the European Infantry 6,293, or 208 less than last year, have been exercised with satisfactory results.

In the Native Infantry 20,752 or 1,194 more than last year have been exercised, but no comparison can be instituted with the shooting of the preceding year as the system of instruction, targets, &c., have been altered.

The following Regiments were not exercised, or only partly so:—

15th, 24th, 28th N.I., and 3 Companies "Queen's Own" Sappers and Miners.

The results of the shooting in the Native Army during the past course cannot be considered altogether satisfactory, the figure of merit being 59·76 or 21·52 lower than that of the Bengal Presidency.

The returns, registers and summaries, with a few exceptions, have been kept with care and accuracy.

The best shooting regiment of European Infantry is the 89th Foot, with a figure of merit of 108·00, and of Native Infantry the 23rd Regiment W. L. I., with a figure of merit of 81·23.

The best shot in the European Infantry is No. 964, Lance Serjeant G. H. Chapman, 48th Foot, and in the Native Army No. 945, Private Chellumbrum, F Company, 23rd Regiment Light Infantry.

The best judge of distance amongst the Non-Commissioned Officers and Men of the European Infantry is Private No. 642, W. Jeal, A Company, 67th Foot, and of the Native Infantry Private No. 2,543, Naigum, B Company, 10th Regiment Native Infantry.

The results of the course may be considered as generally satisfactory, and Lieutenant-General Elmhirst is much gratified to learn that the arduous duties of the past Musketry Course have been carefully and zealously discharged by all entrusted with them.

"A." RETURN showing the comparative proficiency of the several corps of Native Troops serving in the Madras Presidency that have practised so as to establish a Figure of Merit in the yearly Course of Musketry Instruction for 1877-78.

GENERAL ORDERS

BY

THE ACTING COMMANDER OF THE FORCES.

HEAD QUARTERS, OOTACAMUND,
29*th October* 1878.

Officers commanding divisions and districts will be pleased to assemble invaliding boards at stations within their respective commands occupied by British troops, to examine all men whom it is proposed to invalid. The Administrative Medical Officer, British Forces, of the circle, will invariably sit as President.

2. Medical boards, when invaliding men who have been enlisted in India and are not desirous of leaving the country, will refrain from recommending them to be sent to England.

3. These boards will assemble at all stations in the command including hill depôts, in December 1878. At Wellington a board will assemble for a second time at a date as near as possible to the sailing of the last troopship of the season, and will be guided by the instructions laid down in G.O.C.C. dated 12th December 1872, page 431. The exact dates will be fixed by officers commanding divisions and districts, in communication with the Administrative Medical Officer, British Forces, of the circle, and should be made to correspond with the instructions for movement and embarkation received from the Quartermaster-General. Supplementary invaliding boards should only be permitted in cases of proved emergency and with the special approval of the Surgeon-General.

4. The divisional and district military and medical authorities will arrange for the examination of men on detachment, or of corps at out-stations.

5. In the case of the regiments and batteries which may move in relief prior to the assembly of the invaliding boards, the men proposed for invaliding will be left behind in the division or district from which the corps proceeds, to be brought before the invaliding board in December, under such arrangements as the local authorities may determine.

6. Care is to be taken that all documents connected with such men are completed, as far as possible, prior to the march of

their regiment or battery, and handed over, the military documents to the officer commanding, and the invaliding and medical documents to the officer in medical charge of the regiment or battery, to which they may be temporarily attached. In the event of there being no regiment or battery at the same station to which the invalids can be attached, the documents should be made over to the officer detailed to proceed to the port of embarkation with the men. If none such is available, an experienced subaltern must be left behind to command the party and take charge of their documents; and proper arrangements must be made in communication with the divisional authorities for the medical charge of the detachment. The medical documents of invalids will invariably be kept in the custody of the medical officer in charge of the party.

7. Officers commanding and in medical charge of detachments and convalescent and other depôts, will place themselves in direct communication with the regiments of such men as may be invalided, with a view to ensure accuracy in their documents and accounts. This must be done in good time, in order that all claims and other matters may be settled before the men leave the depôts, and the places at which the detachments may be stationed for the port of embarkation. The rule directing the settlement of all claims before the men leave their regiments, applies equally to invalids from depôts and detachments.

8. W. O. Form 821A (for India only) " Return of Invalids " will be employed in the preparation of all nominal returns of invalids.

9. This return will be prepared in duplicate by the officer in medical charge, and signed by himself and the officer commanding prior to its submission to the invaliding board. At hill depôts, separate returns are required for each corps. In the case of insanes separate returns are required for each individual.

The invaliding board will fill up the column for discharge or change of climate, and the two copies will be thereafter certified by the Administrative Medical Officer of the circle, and countersigned by the officer commanding the station.

One copy will be handed to the officer proceeding in medical charge of the invalids to Deolali. He will be careful to enter in this nominal list any changes that have occurred during the journey. This copy will be delivered to the medical officer of the Deolali depôt, and by him retained as a record as long as it may be considered necessary.

The duplicate copy will be transferred by the President of the invaliding board to the regimental or depôt military authorities, for their information, and for despatch by post to Deolali, as directed in the discharge order. This copy of the return of

invalids will be retained by the commandant of the depôt until the close of the trooping season, and afterwards transferred to the Surgeon-General, Bombay, for record in his office. In the case of invalids from Burmah the duplicate copy of W.O. Form 821A will be sent by post to the Commandant, Poonamallee Depôt, with the other discharge documents. In addition to the above, no other station return of invalids will be necessary.

10. The commandant at Deolali will cause a continuous nominal roll, in *duplicate*, of the invalids embarked in *each* troopship to be made out on this form, and handed to the officer in medical charge, to accompany the invalids to Netley; any casualty *en route* being duly recorded in the columns set apart for that purpose. This roll is the only nominal list of invalids which is required to be sent to England from this country.

11. The detailed Medical History (W.O. Form 891) of every man invalided to England, will be made out by the regimental medical officer in duplicate [in the case of insanes in *triplicate* to each of which will be attached the statement of case (W. O. Form 891A), the third copy being for despatch by post to the Surgeon-General, British Forces, Fort St. George,] and will be submitted to the invaliding board, who will ascertain that the information under each heading is complete, and after filling in the remarks and finding, will countersign the return. The proceedings will thereafter be approved and signed by the Administrative Medical Officer of the circle. One copy, together with the Medical History Sheet (W.O. Form 1,143) will be handed to the medical officer proceeding in charge of the party to Deolali for transfer to the medical officer of the depôt. These documents will be afterwards entrusted to the medical officer proceeding to England in charge of the troopship,* and will finally be handed over by him to the Principal Medical Officer at Netley, along with the troopship nominal rolls alluded to in para. 10. The duplicate copy will be transferred to the officer commanding the regiment for attachment to the "Proceedings of the regimental board" (W.O. Form 83). In the case of invalids who are eligible under the regulations, and who may elect to proceed to the colonies or to remain in India, one copy only of this return will be required for each man. This copy after being signed by the invaliding board and by the Administrative Medical Officer, British Forces, of the circle, will be forwarded, together with the man's Medical History Sheet, through the military authorities to officers commanding regiments, to be

transmitted with the proceedings of regimental boards, &c., to the Adjutant General, Fort St. George.

12. The number of invalids whom it may be proposed to bring before the annual invaliding board from head-quarters of corps and from detachments, will be intimated to the Surgeon-General, Fort St. George, (marked "Statistical") by the officer in medical charge. The numbers to be invalided from convalescent depôts, *shown under each separate corps*, will in like manner be communicated by the officers in medical charge of those depôts to the Surgeon-General, in order that the necessary invaliding forms may be sent to them direct.

13. The Administrative Medical Officers presiding over divisional or district boards will be furnished with the general and other necessary returns on application being made as directed above.

14. Further instructions for the guidance of divisional invaliding boards will be issued by the Surgeon-General, British Forces.

15. As soon as invaliding medical boards have completed their sittings, the Administrative Medical Officer of the circle will prepare, in duplicate, a numerical return of the invalids, which he will forward to the general officer commanding the division or district for early transmission to the Quartermaster-General, Fort St. George. Forms of this return will be supplied from the Surgeon-General's Office, Fort St. George.

16. Invalids, who are so seriously ill as to be unable to embark or bear the voyage for which they were designated, will be detained at Deolali until the sailing of the last troopship, and if the medical authorities then consider it absolutely necessary that they should proceed to England by the Cape route, His Excellency the Commander-in-Chief of the Bombay Presidency will order passages in private vessels to be provided for them.

17. The invaliding of military insanes will be carried out by special medical boards assembled under the approval of the Surgeon-General, British Forces, and at as early a date before the commencement of the cold weather as possible, to enable provision to be made for their passages. Recommendations made by medical boards for the removal of insanes to a Lunatic Asylum, require the special sanction of the Surgeon-General before the men are allowed to leave their stations.

18. All invaliding documents of insanes will be endorsed with the word "Insane" in *red ink*, in the upper right hand corner, and will be disposed of as in the case of ordinary invalids with the following exceptions:—the duplicate copy of the return of invalids (W.O. Form 821 A) will be posted to the com-

mandant of the Colaba depôt, instead of the Deolali depôt; and a third copy of the Detailed Medical History (W.O. Form 891) with statement of case (W.O. Form 891 A)—(see para. 11) will be despatched to the Surgeon-General, British Forces, Fort St. George.

19. The certificates alluded to in G.O.C.C., No. 112, dated 15th December 1873, p. 476, and No. 27, dated 12th March 1875, p. 39. will invariably accompany the insanes.

20. The instructions contained in the Annual Discharge order are to be followed so far as they apply to invalids; any subsidiary order necessary in furtherance of the foregoing arrangements, being issued by general officers commanding divisions and districts.

By order of the Acting Commander of the Forces,

FRED. JEBB, Brigadier-General,
Adjutant-General.
