Signed this day of 18 ."

Witness.

19. Applicants for commissions may state the branch or department of the Army in which they would prefer to be employed in the event of their being called out for service. These wishes will be recorded, and will, as far as the exigencies of the service may permit, be considered in appointing the officers to corps and departments.

Pay, Pensions, Gratuities, Passages.

20 Officers shall be entitled to receive, from the date of the notification in the *Gazette of India* calling them to army service, to the date on which they cease to be employed on army service, the same rates of pay and allowances as officers of the Indian Army of corresponding rank and holding similar appointments in the same branch or department of the service. In the case of officers residing out of India, the pay and service will be held to commence from the date of landing in India.

21. Officers shall also be entitled to free passage from and to their homes, in India or elsewhere, when called out and when no longer required for army service.

Special Rules for Cavalry Reserve Officers appointed under Rule I.

25. (A) Officers of the Native Cavalry Reserve will be required, until they attain the age of 40, to attend the Head-quarters of the Native Cavalry regiment most conveniently placed with respect to their homes for an annual training of 14 days, which at their own request may be extended up to two months. The details of attendance will be arranged by General Officers Commanding the districts to which the Volunteer Corps belong, in communication with the districts in which the training is to be undergone.

(C) Officers on attaining the age of 40 will not be required to undergo further training, nor will they be liable to be called up for active service except in cases of emergency. EXTENSION OF THE VOLUNTEER OFFICERS' DECORATION WARRANT TO THE COLONIES AND INDIA :

VICTORIA, R.I.

Whereas by Our Royal Warrant of the twenty-fifth day of July, one thousand eight hundred and ninety-two, We were graciously pleased to institute a new Decoration for the purpose of rewarding the long and meritorious services of Officers of proved capacity in Our Volunteer Forces in Great Britain ;

And whereas it has been represented to Us by Our Principal Secretary of State for War, on the recommendation of Our Principal Secretary of State for the Colonies acting on behalf of the several Governments of Our Colonies, and of Our Principal Secretary of State for India in Council, that the extension of the grant of this Decoration for Long Service to Our Volunteer Forces throughout Our Empire would be highly valued by them ;

Now, to attain this end, We have extended, and by these presents for Us, Our Heirs, and Successors do extend, the grant of this Decoration to the Officers of the Volunteer Forces throughout Our Empire under the same terms and conditions as those on which it is granted to Officers in Our Volunteer Force by Our Royal Warrant of the twenty-fifth day of July, one thousand eight hundred and ninety-two, except that in the case of India eighteen years' service shall be the qualifying period : Provided always that the power of conferring the Decoration upon an Officer, or of removing the name of an Officer from the Registry of individuals upon whom the said Decoration shall have been conferred, shall be exercised on Our behalf with the same force as if exercised by Us, by the Governor-General of India, the Governor-General of the Dominion of Canada, or by the Governor of the Colony or Dependency according as such Officer shall have served in a Volunteer Force of India or of such Colony or Dependency ; and the name of an Officer so granted the Decoration or removed from the Registry shall be published in the Official *Gazette of India* or of the said Colony or Dependency, as the case may be.

And We do further Ordain that Officers who have given qualifying service in the Volunteer Forces of any portion of Our Empire shall be entitled to reckon such service as part of the qualifying service required for this Decoration.

And We reserve to Ourself, Our Heirs, and Successors full power of altering, annulling, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under the Royal Sign Manual.

Ootacamund, July 25, 1894.

No. 423.—In supersession of Notification No. 593, dated 10th November 1893, published at page 1406 of Part I of the *Fort St. George Gazette*, dated 5th December 1893, His Excellency the Governor in Council is pleased to issue the following :—

NOTIFICATION.

Under rule 12 (vi) of the rules issued by the Government of India to regulate the constitution of, admission to, and studies and discipline at, the Imperial Forest School, Dehra Dun, which were published in the Supplement to the *Gazette of India*, dated 1st July 1893, pages 1021–1031, and republished in the Supplement to the *Fort St. George Gazette*, dated 15th August 1893, His Excellency the Governor in Council is pleased to issue the following rules for the selection of candidates for admission to the said school :—

I. Selections for the Madras vacancies in the Forest School will ordinarily be limited to candidates who have passed in one or other of the three Presidency centres, but so far as the examination results are considered, these three centres shall be taken together and the places in the forest school given to successful candidates in order of merit, subject to the proviso that

among passed candidates who are separated from one another by less than 10 per cent. of the total number of marks obtainable, the Government may prefer—

(1) men already in Government service and nominated under rule 13 (ii) of the Government of India's rules;

(2) private students who can afford to go through the course of training at the school at their own cost; and

(3) among others, those who are specially recommended by Conservators on experience of their work as tested under rule 12 (iii) of the Government of India's rules or with reference to their knowledge of special vernaculars.

II. Before allotting places by the results of the examination, Rangers recommended by Conservators for deputation under rule 13 (i) of the Government of India's rules and native non-commissioned officers of Her Majesty's Army accepted by the Government of Madras as candidates for appointments in the forest service should be provided for.

III. As soon as possible after the results of the entrance examination are published, each Conservator shall address the Board of Revenue in regard to—

(1) the number of Rangers he proposes to depute under rule 13 (i) of the Government of India's rules and the number of native non-commissioned officers of Her Majesty's Army accepted by the Government of Madras as candidates for appointments in the forest service, and

(2) the deviations from the order of merit in the list of passed candidates which he desires to propose under the above rules. The Board after consideration of these reports will submit its own recommendations to Government.

IV. Native non-commissioned officers of Her Majesty's Army, who are selected by the Government of Madras for appointments in the forest service, shall not be required to pass any general educational tests required for appointments in the superior service or the entrance examination of the Imperial Forest School at Dehra Dun.

Rules for the admission into the Madras Forest Department as Rangers of Native Non-Commissioned Officers of Her Majesty's Army.

I. Any native non-commissioned officer of Her Majesty's Army, who is recommended for the purpose by his Commanding officer, may apply to a Conservator of Forests in the Madras Presidency * for permission to follow at the Imperial Forest School, Dehra Dun, the course of instruction in the upper or English class, with a view to secure, after successfully passing through the school and obtaining a Ranger's certificate, an appointment as Forest Ranger in the Provincial Forest Service of the Madras Presidency.

* Addresses of Conservators of Forests in the Madras Presidency—

Northern Circle, Waltair.
Central Circle, Madras.
Southern Circle, Coimbatore.

II. The Conservator of Forests to whom application is made must be satisfied—

(*a*) that the candidate will not be more than 30 years of age when he enters the school;

(*b*) that he has been sufficiently well educated, especially in Mathematics and English, to enable him to follow the school course with advantage and to obtain a Ranger's certificate;

(*c*) that he is of good constitution and active habits, and possesses fair ability and powers of observation, as well as such physical qualifications as are required for a good forest officer.

III. If the conditions in the preceding rule are satisfied and the candidate is accepted by the Local Government for an appointment in the Provincial Forest Service, he may be deputed to undergo six months' practical forest training; and may then be admitted to the school, and be allowed to receive the stipend admissible to private students under rule 12 (ix) of the rules appended to the Government of India's Circular No. 11-F., dated 28th June 1893, published in the Supplement to the *Fort St. George Gazette*, dated 15th August 1893. While at the school, with the exception that he need not attend drills, he will in all respects be subject to the rules appended to that circular.

IV. On obtaining a certificate at the conclusion of the school curriculum, the candidate will be eligible to be appointed as Ranger. On being so appointed he will be subject, as regards future promotion, to the regulations of the forest service for the time being. As regards other conditions of service, the candidate shall, on obtaining his appointment to the Forest Department, take his discharge from the army, and twelve months of his period of instruction at the forest school, as well as the initial period of practical forest training, will count as service under article 388, rule 4, of the Civil Service Regulations. The candidate will further be required to bind himself to serve in the Forest Department for five years like other candidates.

V. During the school course, the candidate will be seconded in his corps, which he shall rejoin if he fails to obtain a certificate.

The Quartermaster-General in India will continue to issue circulars and executive orders on matters customarily dealt with in his department. All decisions and instructions of the Government of India and of the Commander-in-Chief will be communicated to Lieutenant-Generals Commanding by the chief officer of the department concerned.

21. In all departmental matters affecting a department exclusively, which may necessitate reference to the Commander-in-Chief, the head of the department concerned will submit the matter to the Commander-in-Chief personally, or by minute paper or office note, and he will communicate the instructions received to the head of the department with the Command concerned, who will, under the orders of the Lieutenant-General, give effect to the same. Papers on which the Commander-in-Chief may have passed decisions will be communicated to the Adjutant-General, Quartermaster-General, or Principal Medical Officer to be noted. All questions involving military as apart from departmental matters should be discussed with the Adjutant-General, Quartermaster-General, or Principal Medical Officer, as the case may be, in order that military considerations or those affecting general military policy may be fully weighed before submission to the Commander-in-Chief.

22. The procedure here indicated will be adopted in Madras and Bombay as regards original references, which do not concern individual officers, from the 1st March 1895.

25. The Deputy Adjutant-General will be the channel through which all orders of the Lieutenant-General will be issued to the forces under his command. Departmental questions affecting troops in the Command should be discussed with the Deputy Adjutant-General before submission to the Lieutenant-General Commanding. On all purely departmental matters on which local heads of departments have taken their orders direct from the Lieutenant-General, they will issue them to their departments. On questions relating to the troops and departments generally, orders will be issued through the Deputy Adjutant-General.

26. All departmental matters of purely local concern affecting the troops in the Command, that the Lieutenant-General Commanding cannot himself dispose of will, subject to the reservations in paragraph 24 above, be dealt with by the local head of the department, under the orders of the Lieutenant-General, in direct communication with the head of the department with the Government of India, who will, if necessary, refer the question to the Government of India.

(1) Applications from Local Governments or Administrations for the services of a military officer should, if possible, specify the length of time for which his services are likely to be required, and also where and when he should join his civil appointment. They will be submitted to the Government of India in the Home or Foreign Department, as the case may be, and will be transferred for disposal to the Military Department. That department will refer to His Excellency the Commander-in-Chief, who, after ascertaining from the Lieutenant-General Commanding the forces in the Command to which the officer may belong that his services are available, will place them at the disposal of the Government of India.

At the same time the Lieutenant-General Commanding will issue the necessary orders to the officer directing him to join his civil appointment.

(2) The procedure for obtaining the services of officers for temporary duty will be as laid down in paragraph 276, Army Regulations, India, Vol II, except that General Officers Commanding Districts will report to Lieutenant-Generals instead of to Army Head-Quarters.
