Public Services—Corruption—Tribunal for Disciplinary Proceedings recommended by Corruption Enquiry Committee—Sanctioned and Establishment and rules regarding scope and powers of Tribunal—Orders passed.

Order—No. 2572, Public (Services), dated 20th October 1948.

The post of Special Officer (Departmental Enquiries) was sanctioned in 1944 primarily because departmental officers had not the time, and in some cases, enough grasp of the procedure to conduct departmental disciplinary enquiries against Government servants with the result that in many instances the Government and the Madras Public Service Commission had reason to complain of serious defects and irregularities of procedure, necessitating re-enquiry. The Corruption Enquiry Committee which was constituted in 1947 has, besides others, recommended the retention of the post of Special Officer (Departmental Enquiries) but under a different designation, namely, "Tribunal for Disciplinary Proceedings". The Government accept the recommendation of the Committee and, since there are now a Special Officer and an Additional Special Officer for Departmental Enquiries, sanction the employment for a period of one year from the 1st January 1949 of two officers with judicial experience not below the rank of District and Sessions Judge, who will constitute the Tribunal. The scope and the powers of the Tribunal will be as shown in the rules appended to this Government Order which will be published in the *Fort St. George Gazette*.

Cases which are pending trial on the 31st December 1948 with the Special Officer and Additional Special Officer (Departmental Enquiries) will be taken over by the Tribunal which comes into existence on the 1st January 1949.

2. Sanction is also accorded for the employment in the office of the Tribunal for a period of one year from the 1st January 1949 of the following staff, viz. :—

One Superintendent—Rs. 145—5—190.

Two Upper Division clerks—Rs. 90—3—105—5—135 for persons appointed by transfer from the post of Upper Division Clerks in the Judicial Department; Rs. 80—3—95—5—125 for others.

One Lower Division Clerk—Rs. 45—3—60—2—90.

Two Steno-typists—Rs. 45—3—60—2—90 plus shorthand special pay.

Seven peons—Rs. 16— $\frac{1}{2}$  (annual)—25.

If any of the existing incumbents of corresponding posts in the office of the Special Officer (Departmental Enquiries) are appointed to these posts they will continue to draw pay in the scale in which they are drawing pay prior to their appointment in the office of the Tribunal.

3. The expenditure is debitable to a new sub-head of account "Tribunal for Disciplinary Proceedings" under 25 j. General Administration—Secretariat and Headquarters Establishment—Civil Secretariats." The opening of the following sub-heads of appropriation and detailed account heads is also sanctioned :—

| Sub-heads of appropriation.  | Detailed account heads.                                                               |
|------------------------------|---------------------------------------------------------------------------------------|
| 1 Pay of Officers .. ..      | .. ..                                                                                 |

(b) all appeals to the Government from Government servants against disciplinary orders passed by heads of departments and other competent authorities on charges of corruption; and

(ii) in regard to any other matter for which no specific provision has been made in these rules.

9. Notwithstanding anything contained in the Madras Civil Services (Classification, Control and Appeal) Rules, the Government shall be the authority competent to impose a penalty in cases enquired into by the Tribunal. G.O. No. 2933, 29th November 1948

Public Services—Temporary appointments and promotions under the emergency provisions—Resort to communal regulations—Instructions issued.

Order—No. 2933, Public (Services), dated 29th November 1948.

The Government have had occasions of late to notice that appointing authorities resort to making temporary emergency appointments and promotions [under General Rules 9 (a) and 31] on a large scale and without regard to communal considerations. One result of this is that the services are flooded with a large number of unqualified persons and in several instances most of such appointments go to members of one or two particular communities.

All Heads of Departments and appointing authorities are reminded of the fact that emergency appointments and promotions under general rules 9 (a) and 31 can be

made only under the circumstances mentioned in those rules. The Government now direct that in respect of posts to which regular appointments should be made according to the communal rotation or proportion method, even emergency appointments should, as far as practicable, be made in accordance with the relevant communal rule; and in cases where Harijans are not available for temporary appointment in the turns allotted to them, candidates from the Backward Hindu communities should be selected.

Steps should be taken to replace candidates so appointed or promoted by regular candidates at the earliest possible moment.
