Progress made in certain districts in the preparation of Register A of the new forms of--, viewed with satisfaction.. Omission to begin and delay in the preparation in some districts, noticed 30th Nov. 86, 87

Report on the working of the new forms of--reviewed. The delay in the introduction of the new forms of--in certain ryotwari villages "noticed"

Gomastahs.--The Board's recommendations to employ extra--for the preparation of the annual settlement not agreed to.

Government do not concur in the Board's remarks in paragraphs 32 and 33 and they do not doubt that for any real difficulties experienced by Collectors Jayaram Chetty will be able to suggest suitable remedies in harmony with the general system, and no Collector should be permitted to vary from any of the forms without previous orders.

------request the Board of Revenue to give their diligent attention to the adoption of new forms punctually in the districts and lay before Government prompt returns of the extent to which the new accounts have been already introduced in those districts from which reports have not been received. Collectors to be positively directed to adopt the new system in the settlement of the current fusly

Inam Lands.--Government agree with the Board that more detailed information respecting the--may be beneficially introduced into the register and the details of that register will be liable to occasional changes from the reclamation of waste, the lapse, or resumption of inam, &c., to be re-written once in every five years.

Land Registers.--Government regret the delay in the preparation of this important document and request the Board to take immediate steps for its early preparation. Collectors to report the progress made on the 15th and 31st of each month.

(Continued.)

VILLAGE ACCOUNTS--(Contd.)

Monthly Returns of Cultivation--The Board's proposal to add a column to the Statement to show the name of each field agreed to--. The return itself to be sent to the Talook Cutcherry instead of abstract as heretofore.

Coloongoo and Amany Forms.--Government learn with regret that the--have not been introduced in Tanjore and Tinnevelly.

Postponement of the preparation of Register A.--Government cannot admit that Register A so prepared would be without an important use or assent to the Board's proposition that it should be indefinitely postponed. Consider that very much will be gained by the transfer of that information into clear, simple, and portable paper accounts, accessible to every member of the Collector's or Tahsildar's establishment. The Board's proposal to enter the names of puttahdars in the register agreed to

Puttahs.--The attention of the Board of Revenue called to the former orders of Government regarding the discontinuance of issuing annual--and of making the ryots title as permanent in form as it is already in reality
