

No. 308.

DESCRIPTIVE MEMOIR OF DARAVUR OF THE  
CONJEEVERAM TALUK.

SITUATION. This village is situated 30 miles north-east of Conjeeveram.

AREA. The total area prior to Survey was, omitting fractions, 61 acres; by Survey it is 68 acres; increase 7 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively, on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke or of in any way interfering with it, and any unauthorized encroachment on such poramboke will be severely dealt with. This applies to both Government and Inam land. Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

DEMARCATIION. This village contains no Kandams or sub-divisions and 19 survey fields.

The demarcation marks erected are :—

The lands assessment for Fasli 1290, was Rupees 21; by Settlement it is Rs. 13 decrease Rupees 8. The dry lands were held at rates varying from Rupees 1-2-0 to Rupees 1-5-0 an acre.

**SECOND CROP.** None

**SATUDAYAM.** The common lands amounting to 14 acres, 99 cents. of dry have now been divided amongst 8 shareholders, and have been entered in individual pattahs, with the consent of the parties concerned.

**MIRASI TENURE.** As the Government have recognized the Mirassidar's claim to a percentage fee (Swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 Annas in the Rupee of assessment of both dry and wet lands, for which the lands are divided into (i) Pangu, (ii) Durkast, and (iii) Waste.

**Pangu lands.**—The Mirasidars, 8 in number, have hitherto held 18 acres and 1 cent. in 12 shares. These lands have now been distinguished, re-divided where necessary, and entered in individual pattahs. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidars themselves hold the lands according to their respective shares. But if these lands hereafter become waste by relinquishment and are taken up again either by a Mirasidar or by a stranger, they will be chargeable with the fee plus the taram assessment, and the fee thus collected will be payable to the mirasi body.

**Durkast lands.**—There are no durkast lands in this village.

**Waste lands.**—The fee registered against these lands is all that the mirasi body is likely to realize at present, and that only when these lands are applied for. Intending applicants must, therefore, clearly understand that when they take up these lands they will have to pay the fee plus the taram assessment, registered against each field. The Swatantram fee on the waste of this village (14 acres 15 cents.) amounts in the aggregate to Rs. 0-14-0.

The names and shares of the present Mirasidars are as under:—

No. 309.

DESCRIPTIVE MEMOIR OF PUDUPPER OF THE  
CONJEEVERAM TALUK.

**SITUATION.** This village is situated 30 miles north-east of Conjeeveram.

**AREA.** The total area prior to Survey was, omitting fractions, 571 acres; by Survey it is 606 acres; increase 35 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively, on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke or of in any way interfering with it, and any unauthorized encroachment on such poramboke will be severely dealt with. This applies to both Government and Inam land. Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge under Board's Circular No. 173.

**DEMARICATION.** This village contains 3 Kandams or sub-divisions and 105 survey fields.
