

No 167.

DESCRIPTIVE MEMOIR OF MATTAPURAM OF THE
CONJEVERAM TALUK.

SITUATION. This village is situated 4 miles North of Conjeveram.

AREA. The total area prior to Survey was, omitting fractions, 190 acres; by Survey is 291 acres; increase 101 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively, on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c. that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field does not confer on the cultivator of that field, the right of entering on such poramboke or of in any way interfering with it, and any unauthorized encroachment on such poramboke will be severely dealt with. This applies to both Government and Ina lands. Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

DEMARCATIION. This village contains 2 Kandams or sub-divisions and 29 Survey fields.

The demarcation marks erected are:—

Boudary stones.		Off-sets.		Field stones.
Village.	Kandam.	Village.	Kandam.	
15	5	6	3	54

STATISTICS. The Statistics of the village, as ascertained by the Census of 1871, are as under:—

Houses.	Bazars.	Population.	Land Pattahs as per Settlement.		Wells.		Cattle.	Sheep.
			Single.	Joint.	Old.	New.		
...	...	...	1	...	...	...	...	...

IRRIGATION. This village is irrigated by a Rain-fed private Tungal. The irrigation is ordinary. The irrigated lands have accordingly been placed in the 2nd group. The dry lands are also placed in the 2nd group.

There are no Government irrigated lands in this village.

KUDI MARAMAT. The Ryots have undertaken to keep the sluices clear of silt, and to clear the distributing channels, when needed, at their own cost, as per separate statement.

CROPS. The acreage of the crops cultivated in Fasli 1286, as per Karnam's accounts, is as under:—

Name of Crop.	Irrigated or dry.	Area in Acres.
Paddy	Irrigated.	1
Do.	Dry.	1
	Total...	2

SETTLEMENT. Commencing from the frontier of Kuttirambakkam, block A, irrigated by the Tungal No. 29, comprising Nos. 1 to 29, is assessed in class IX. here are no Manavari or lands irrigated by baling in this village.

The following table exhibits the revised assessment of the Pattan lands of the village:—

Description of land,	Block.	Class.	Dry.				
			Rate per Acre.		Area.		Assess-ment.
			Rs.	A.	Acres.	Cents.	Rs. A.
Worst red sand	A	IX	...	6	151 17	56 18	

The land assessment for Fasli 1286 was Rupee 38; by Settlement it is Rupees 57; increase Rupees 19. The former wet land assessment was charged at Rupees 1-11-0 an acre and the ordinary dry lands at Annas 10-6 and Annas 15-9 an acre.

SECOND CROP. No lands have been compounded for as permanent double crop.

SAMUDAYAM. There are no common lands in this village.

MIRASI TENURE. As the Government have recognized the Mirasidar's claim to a percentage fee (Swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at two Annas in the Rupee of assessment of both dry and wet lands for which the lands are divided into (i) Pangu, (ii) Durkast, and (iii) Waste.

Pangu lands.—This is an Ekabogam village. The Mirasi lands 88 acres and 59 cents are entered in the name of Kutti Simmachariyar. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidar himself holds the lands. But if these lands hereafter become waste by relinquishment and are taken up again, either by the Mirasidar or by a stranger, they will be chargeable with the fee plus the taram assessment, and the fee thus collected will be payable to the Mirasi body.

Durkast lands.—There are no Durkast lands in this village.

Waste lands.—The fee registered against these lands is all that the Mirasi body is likely to realize at present, and that only when these lands are applied for. Pending applicant must, therefore, clearly understand that when they take up these lands they will have to pay the fee plus the taram assessment, registered against each field. The Swatantram fee on the waste of the village (75 acres and 49 cents.) amounts in the aggregate to Rupees 3-9-0.

PASTURAGE. No. 28B, of to 25 acres and 73 cents has been set aside for this purpose.

BUILDING SITE. No. 15A, has been added to the building site. No new enclosure is to be made or new building erected without permission in future, within the limits of the building site.

INAMS. The following lands are held tax-free:—

No.	Name of Inamdar.	W. or Dry.	Single or double crop.	Area.		Amount of Quot. Rent.		Second crop assessment compounded for at Settlement.		Total.		Remarks.
				Acres.	Cents.	Ra.	A. P.	Rs.	A.	Rs.	A. P.
