

**DESCRIPTIVE MEMOIR OF SEMANTANGAL OF THE
CONJEVERAM TALUK.**

SITUATION. This village is situated about 4 miles North of Conjeveram.

AREA. The total area prior to Survey was, omitting fractions 121 acres ; by Survey it is 129 acres ; increase 8 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce, of wet and dry lands respectively, on account of unfavorable seasons, and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator, of that field the right of entering on such poramboke, or of, in any way interfering with it, and any unauthorized encroachment on such poramboke, will be severely dealt with. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

DEMARICATION. This village contains 2 Kandams, or sub-divisions and 24 Survey fields.

The demarcation marks erected are :—

SETTLEMENT.

Commencing from the frontier of Madur (Shrotriam,) block A, irrigated by the Tangal and Maduvu, comprising Nos. 1 to 24 is assessed in class VIII. There are no Manavari lands in this village. The lands irrigated by baling are assessed at one Rupee an acre less than the rate assigned to the block in which they are situated. The dry lands intermixed with the irrigated area are assessed in the class and sort assigned to the block in which they are situated.

The following table exhibits the revised assessment of the Pattah lands of the village:—

The land assessment for Fasli 1286 was Rupees 48; by Settlement it is Rupees 57; increase Rupees 9. The former wet land assessment was charged at Rupees 1-15-6 to Rupees 2-10-0 an acre. The ordinary dry lands were charged at Annas 10-6 and Annas 15-9 an acre.

SECOND CROP. No lands have been compounded for as permanent double crop.

SAMUDAYAM. There are no common lands in this village.

MIRASI TENURE. As the Government have recognized the Mirasidar's claim to the percentage fee (Swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 Annas in the Rupee of assessment of both dry and wet lands for which the lands are divided into (i) Pangu (ii) Durkast, and (iii) Waste.

Pangu lands.—This is an Ekabogam village. The Mirasi lands 36 acres and 88 cents are rutered in the Name of Vedagiri Mudali. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidar himself holds the lands. But if these lands hereafter become waste by relinquishment and are taken up again either by the Mirasidar or by a stranger, they will be chargeable with the fee plus the taram assessment and the fee thus collected will be payable to the Mirasi body.

Durkast lands.—These are not at present liable to the payment of the fee as the pattahdars have hitherto held them free of any such payment. Consequently no fee has been registered against these lands, but should they hereafter become waste by relinquishment and be taken up again on Durkast, they will be dealt with in the same manner as registered Pangu lands, and the fee will be chargeable on them at the rate of 2 Annas per Rupee of assessment.

The lands free of Swatantram till resigned are Nos. 2B, 4B, 8B, 9B, 10B, 13B, 15B, and 20B, held by 1 Durkastdar.

Waste lands.—The fee registered against these lands is all that the Mirasi body is likely to realize at present, and that only when these lands are applied for Intending applicants must, therefore, clearly understand that when they take up these lands they will have to pay the fee plus the taram assessment registered against each field. The Swatantram fee on the waste of this village 19 acres and 91 cents) amounts in the aggregate to Annas 3-9

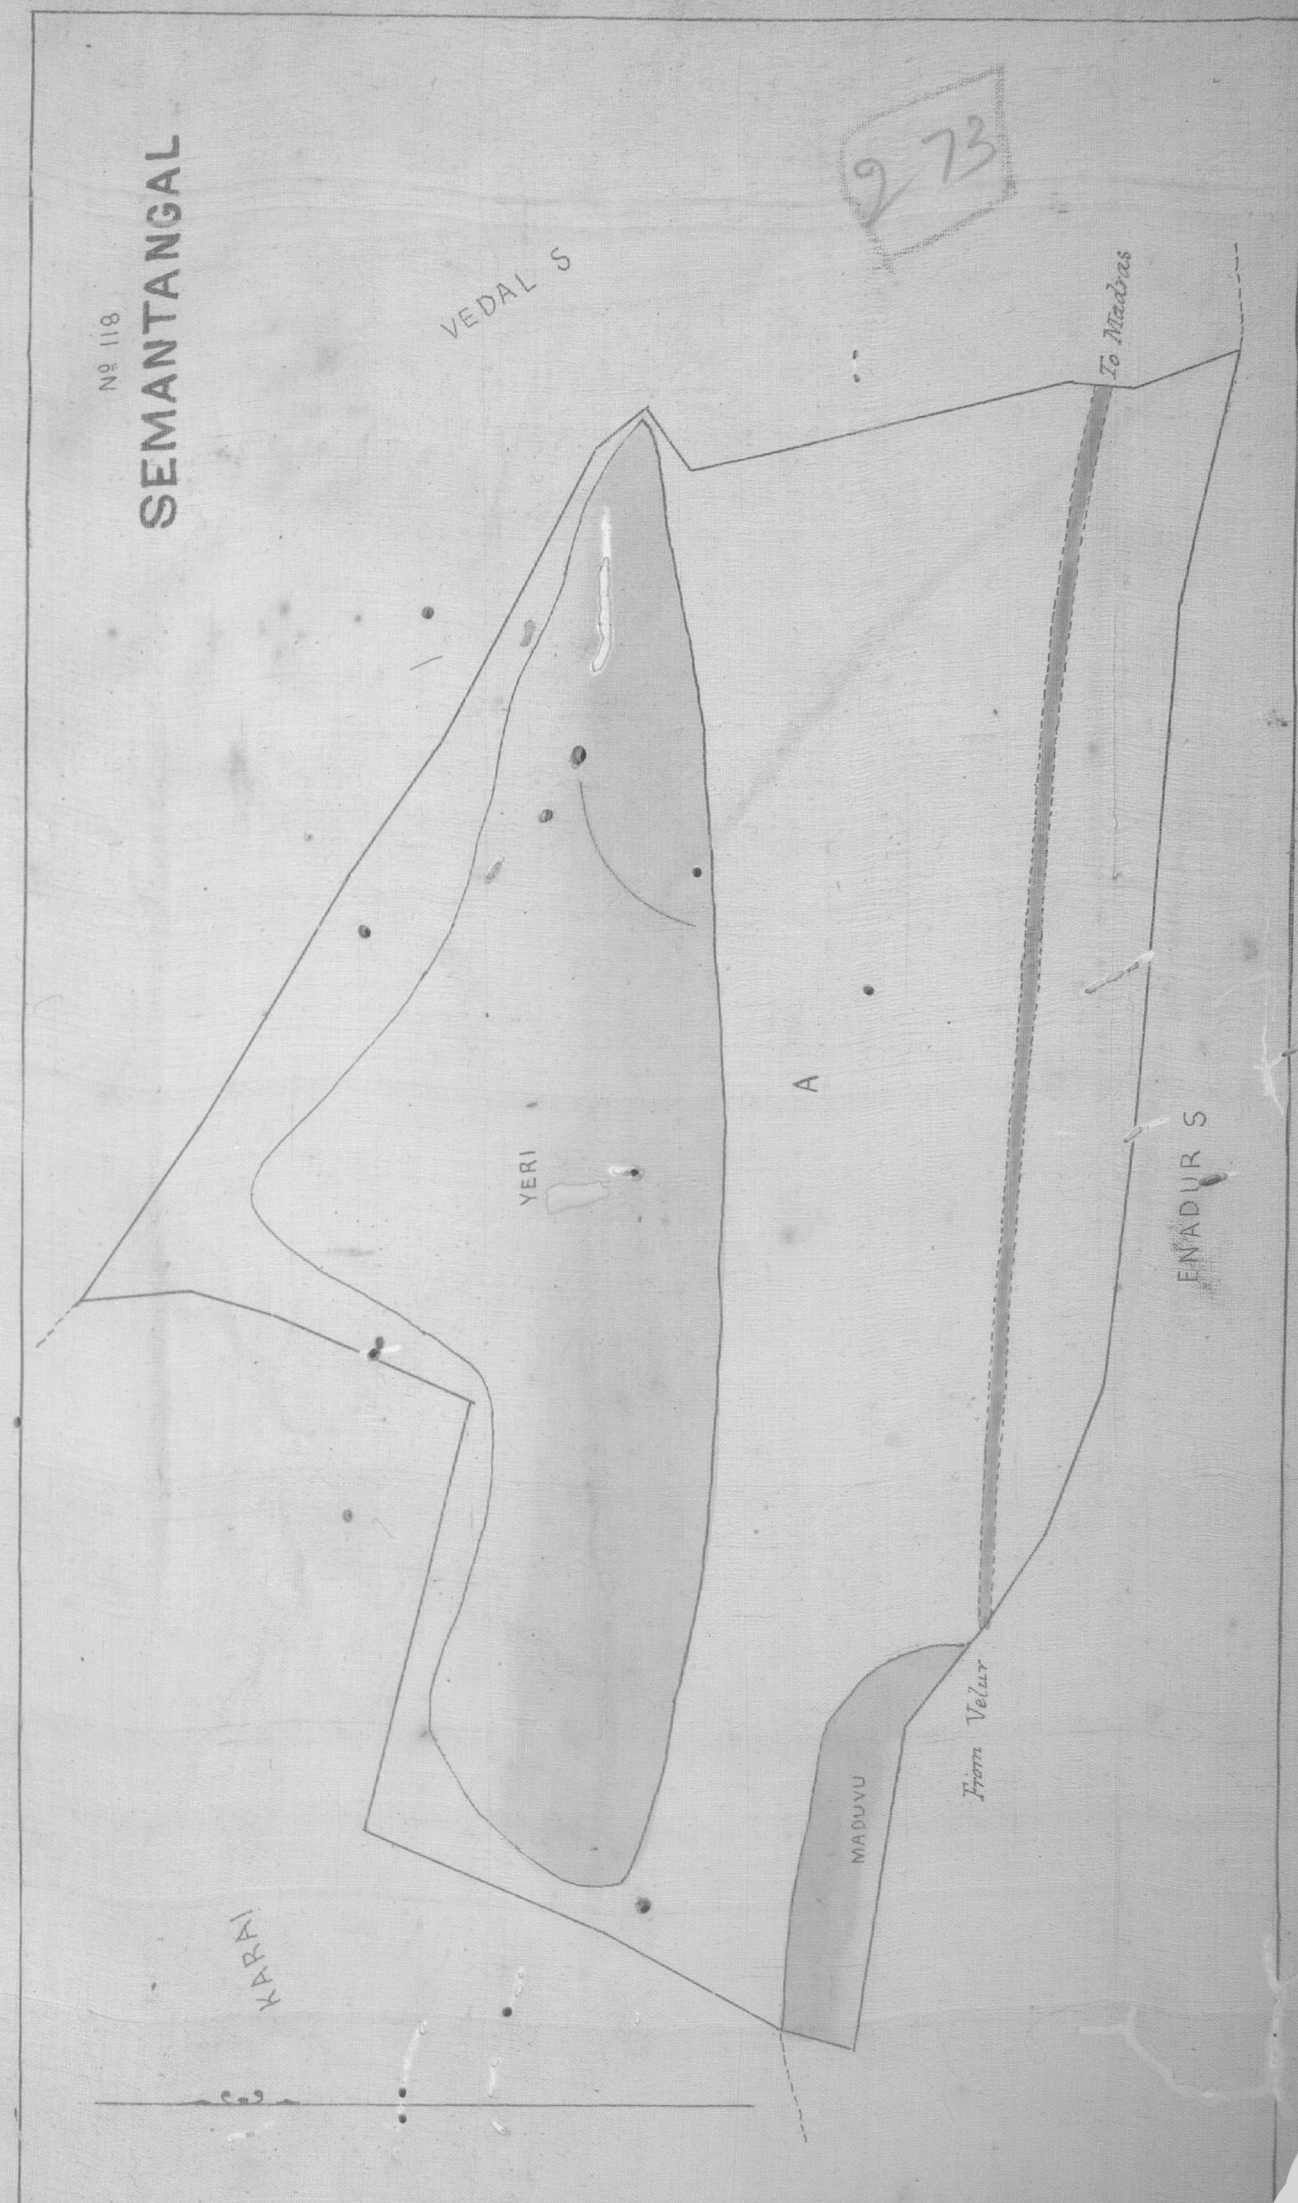

PASTURAGE. Nos. 22 and 23, amounting to 3 acres and 1 cent. have been set aside for this purpose.

BUILDING SITE. This was a Bechik village. No. 21 has been added to the building site No new enclosure is to be made or new building erected out permission in future within the limits of the building site.

INAMS The following lands are held tax-free —
