

DESCRIPTIVE MEMOIR OF KADAPERI OF THE
MADURANTAKAM TALUK.

SITUATION. This village is situated 15 miles south of Madurantakam.

AREA. The total area prior to Survey was, omitting fractions 210 acres ; by Survey it is 218 acres ; increase 8 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce, of wet and dry lands respectively, on account of unfavorable seasons, and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke, or of, in any way interfering with it, and any unauthorized encroachment on such poramboke, will be severely dealt with. This applies to both Government and Inam lands Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

DEMARCATIION. This village contains 2 Kandams, or sub-divisions, and 50 Survey fields.

The demarcation marks erected are :—

The land assessment for Fasli 1286 was Rupees 63; by Settlement it is Rupees 61; decrease Rupees 2. The former wet land assessment was charged at rates varying from Rupees 2-13-5 to Rupees 4-10-3 an acre. The ordinary dry lands were held at rates varying from Rupees 1-10-6 to Rupees 2-5-4 an acre.

SECOND CROP. No lands have been compounded for as permanent double crop.

SAMUDAYAM. There are no common lands in this village.

MIRASI TENURE. As the Government have recognized the Mirasidar's claim to a percentage fee (swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 Annas in the Rupee of assessment of both dry and wet lands for which the lands are divided into (i) Pangu, (ii) Durkast, and (iii) Waste.

Pangu lands.—This is an Ekabogam village and the Mirasi lands are entered in the names of Muttukumara Reddi and Dorasami Reddi. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidars themselves hold the lands. But if these lands hereafter become waste by relinquishment and are taken up again by a stranger, they will be chargeable with the fee plus the taram assessment, and the fee thus collected will be payable to the Mirasi body.

Durkast lands.—There are no Durkast lands in this village.

Waste lands.—The fee registered against these lands is all that the Mirasi body is likely to realize at present, and that only when these lands are applied for. Intending applicants must therefore, clearly understand that when they take up these lands they will have to pay the fee plus the taram assessment registered against each field. The swatantram fee on the waste of this village (93 acres and 36 cents.) amounts in the aggregate to Rupees 16-14-0.

PASTURAGE. No lands have been specially set aside for this purpose.

BUILDING SITE. Is sufficient for present requirements. No new enclosure is to be made or new building erected without permission in future.

INAMS.

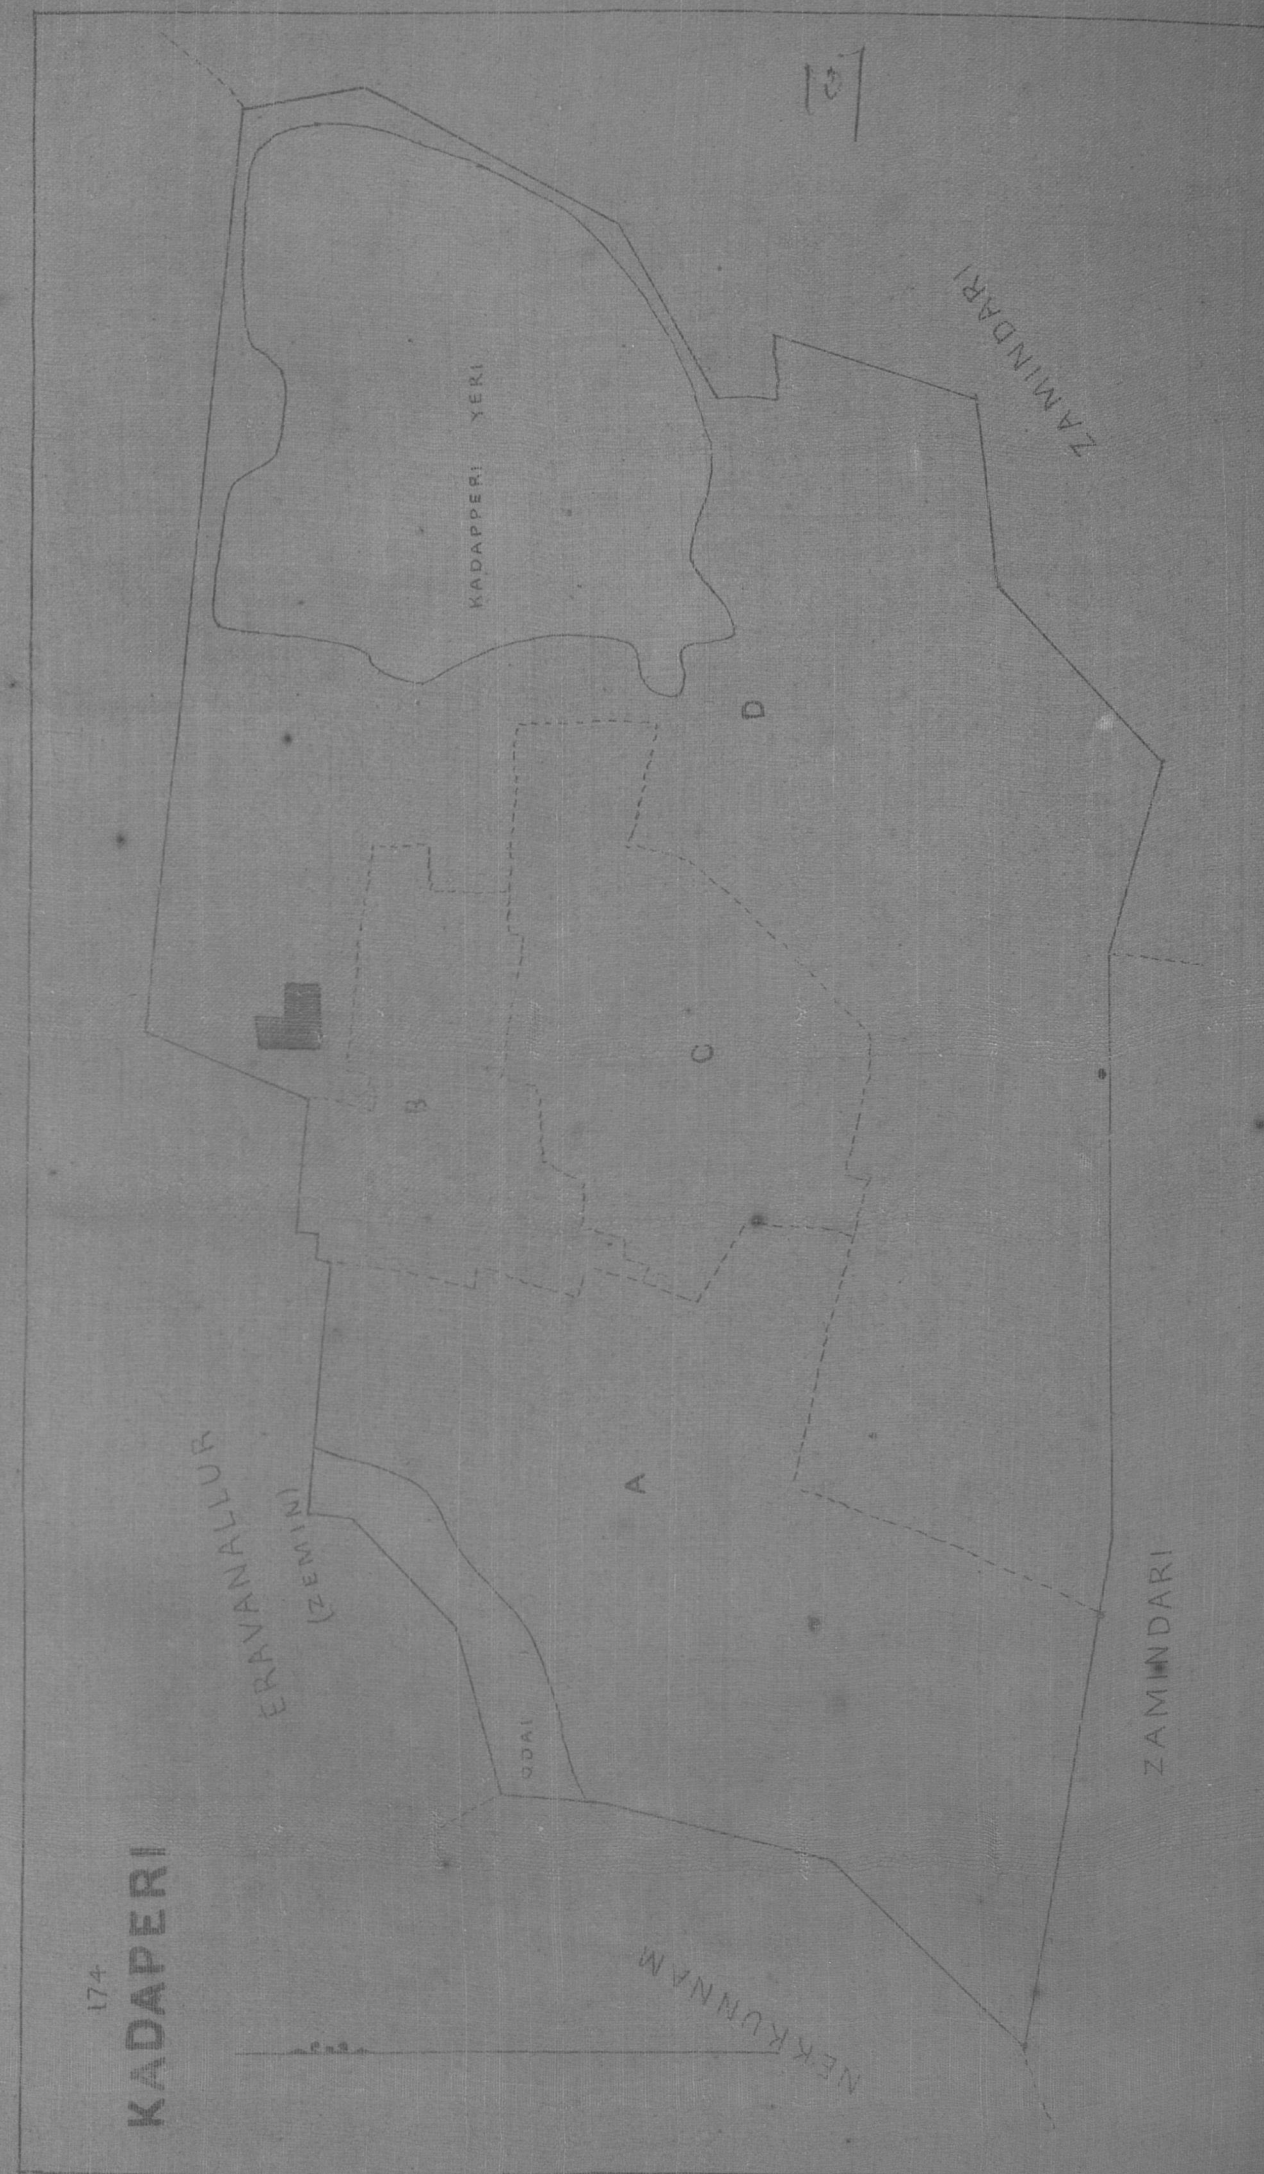

The following lands are held tax free:—
