

**DESCRIPTIVE MEMOIR OF MALRAJAKUPPAM OF THE
MADHURANTAKAM TALUK.**

SITUATION. This village is situated 14 miles south-east of Madhurantakam.

AREA. The total area prior to Survey was, omitting fractions 200 acres ;
by Survey it is 224 acres ; increase 24 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent have been made from the gross produce of wet and dry lands respectively, on account of unfavorable seasons, and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke in any Survey field does not confer on the cultivator of that field the right of entering on such poramboke or of, in any way interfering with it, and any unauthorized encroachment on such poramboke will be severely dealt with. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent, being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

DEMARCATIION. This village contains 2 Kandams, or sub-divisions and 48 Survey fields.

The demarcation marks erected are :—

The revised area and assessment under each source of irrigation are as follows:—

KUDI-MARAMAT The ryots have undertaken to keep the sluices clear of silt, and to clear the distributing channels when needed, at their own cost, as per separate statement.

Name of Crop.	Irrigated or Dry.	Area in Acres.

SETTLEMENT. Commencing from the frontier of Nelvaypalaiyam, block A, a tract of good red loam situated round and about the village site, and well irrigated by the Hissa Tank on a low level, comprising Nos. 17 to 20, 22 to 31, 34 and 41 to 48 is assessed in class IV wet and V dry. East of A, block B, a patch of ordinary red loam well irrigated by the Hissa Tank and Tangal, on a low level, comprising Nos. 1 to 16, 21, 32, 33 and 35 to 40 is assessed in class V wet and VI dry. There are no Manavari or lands irrigated by baling in this village.

The following table exhibits the revised assessment of the village:—

The land assessment for Fasli 1286 was Rupees 240; by Settlement it is Rupees 288; increase Rupees 48. The former wet land assessment was charged at rates varying from Rupees 2-10-0 to Rupees 4-5-0 an acre. The Ordinary lands dry were held at rates varying from Rupees 1-5-0 to Rupees 1-10-3 an acre.

SECOND CROP. No lands have been compounded for as permanent double crop.

SAMUDAYAM. There are no common lands in this village.

MIRASI TENURE. As the Government have recognized the Mirasidar's claim to a percentage fee (Swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 Annas in the Rupee of assessment of both dry and wet lands for which the lands are divided into (i) Pangu, (ii) Durkast, and (iii) Waste.

Pangu lands.—The Mirasidars 2 in number have hitherto held 115 acres and 35 cents in 1 share. These lands have now been distinguished, re-divided where necessary, and entered in individual pattahs. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidars themselves hold the lands according to their respective shares. But if these lands hereafter become waste by relinquishment and are taken up again either by a Mirasidar or by a stranger, they will be chargeable with the fee plus the taram assessment, and the fee thus collected will be payable to the Mirasi body.

Durkast lands.—These are not at present liable to the payment of the fee as the pattahdars have hitherto held them free of any such payment. Consequently no fee has been registered against these lands, but should they hereafter become waste by relinquishment and be taken up again on Durkast, they will be dealt with in the same manner as registered Pangu lands, and the fee will be chargeable on them at the rate of 2 Annas per Rupee of assessment.

The lands free of Swatantram till resigned are Nos. 1A, 2, 3, 10 and 11 held by 3 Durkastadars.

Waste lands.—The fee registered against these lands is all that the Mirasi body is likely to realize at present, and that only when these lands are applied for. Intending applicants must therefore clearly understand that when they take up these lands they will have to pay the fee plus the taram assessment registered against each field. The Swatantram fee on the waste of this village (25 acres and 3 cents.) amounts in the aggregate to Rupees 4-13-0.

The names and shares of the present Mirasidars are as under :—

No.	Names of Mirasidar.	Shares.
1	Balakistna Pillai	1 Joint
2	Otti Narayana Reddi	
Total...		1

PASTURAGE AND FIRE WOOD JUNGLE. No lands have been specially set aside for this purpose.

BUILDING SITE. Is sufficient for present requirements. No new enclosure is to be made or new building erected without permission in future.

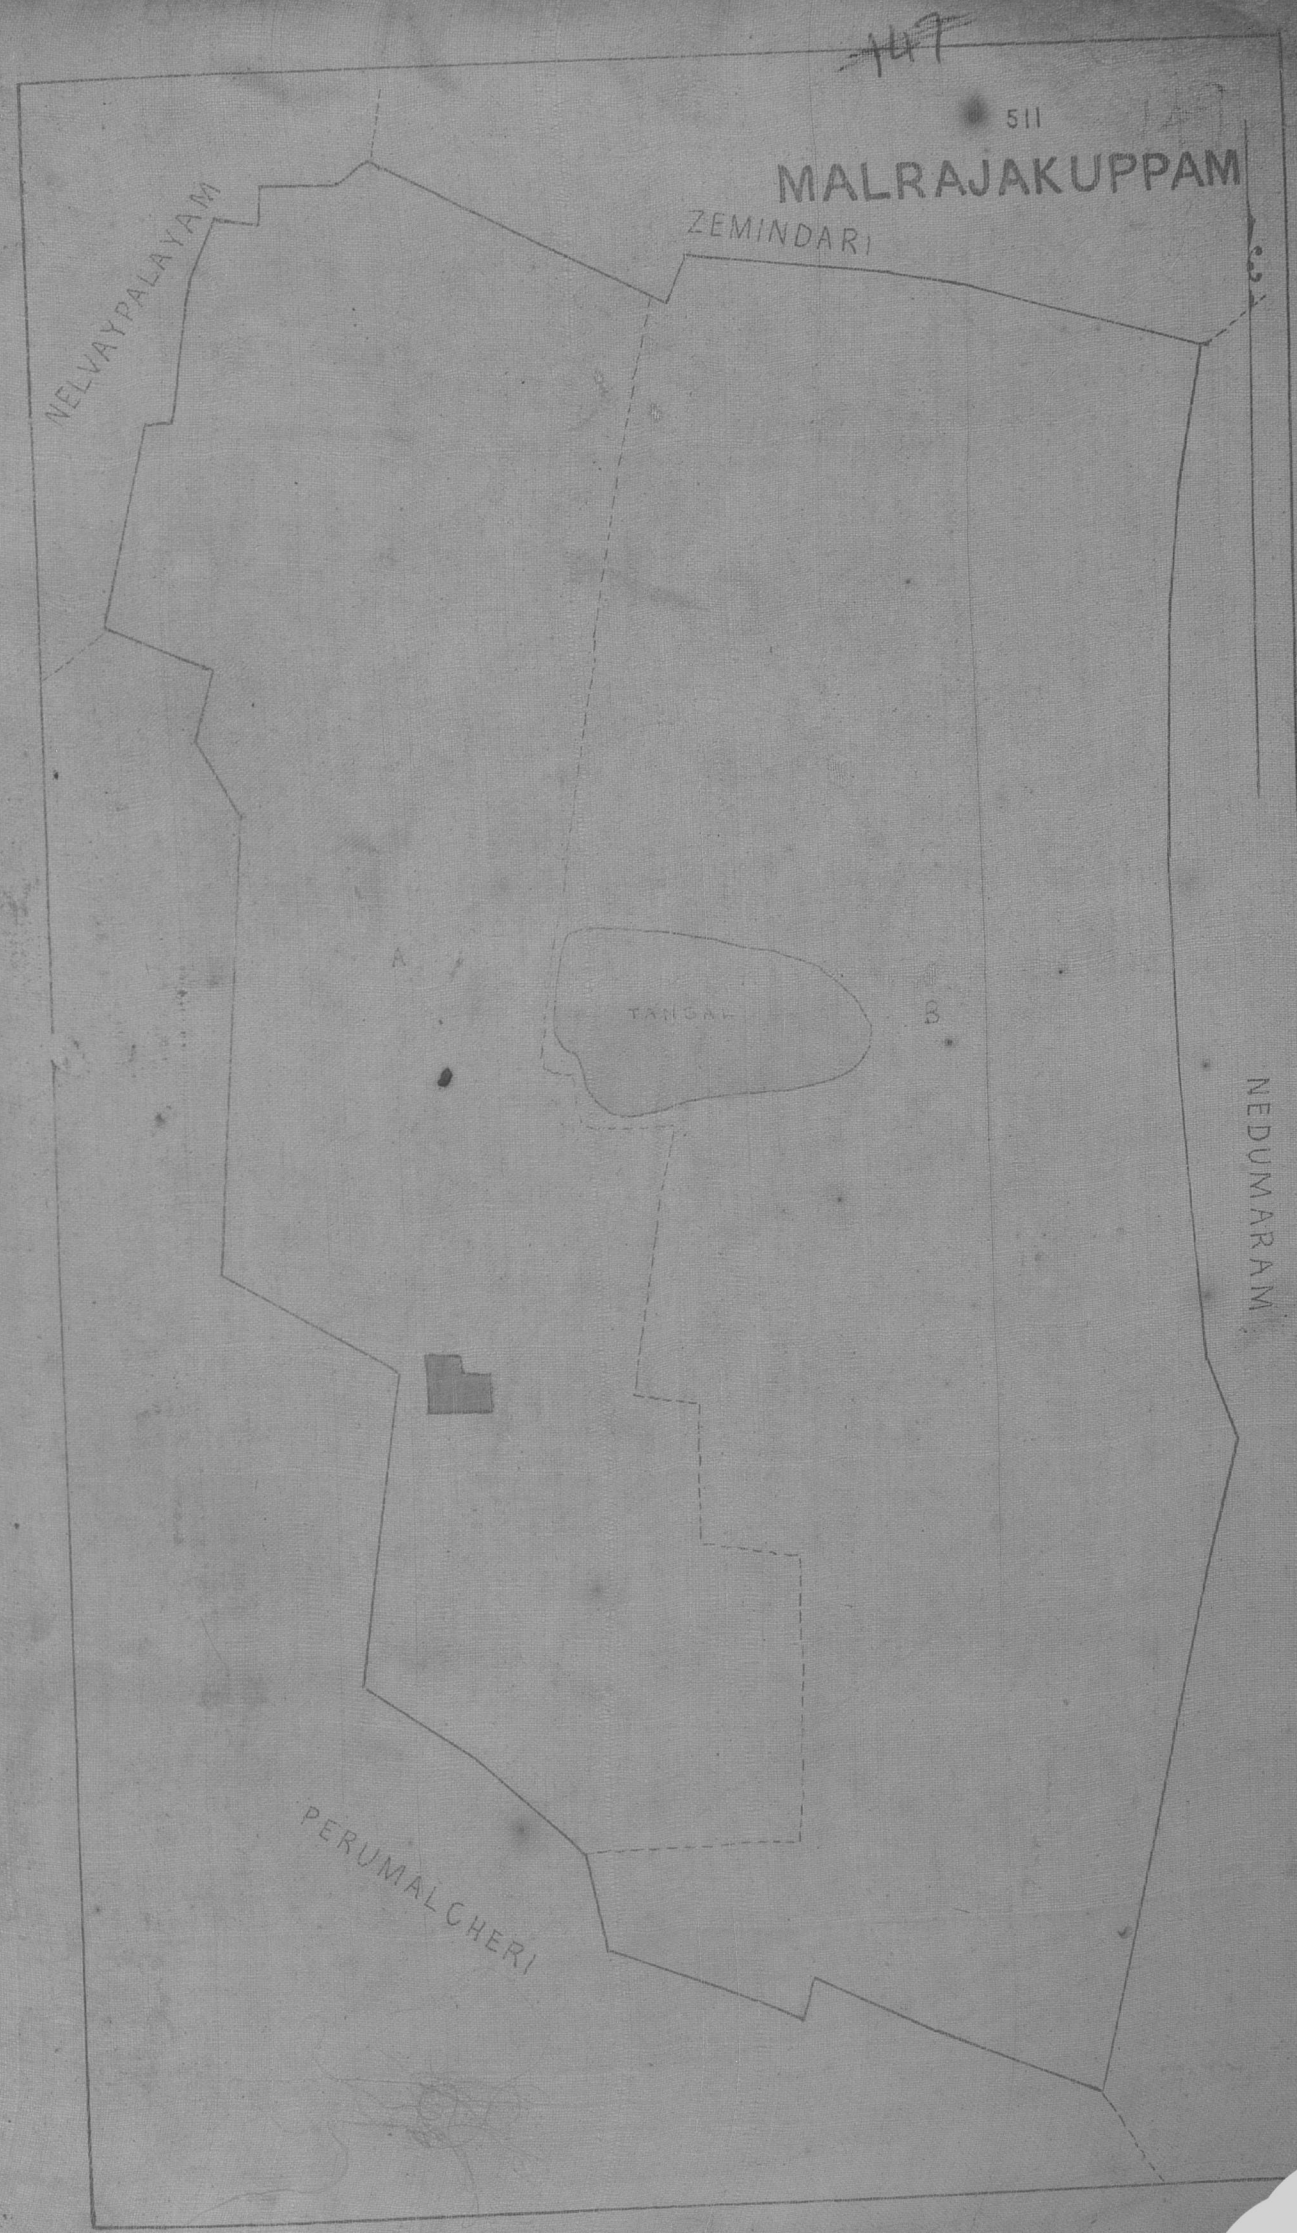

INAMS. The following lands are held tax-free:—
