DESCRIPTIVE MEMOIR OF KANDIGAI OF THE
PONNERI TALUK.

1. **SITUATION.** This village is situated about 4 miles West of Ponneri.
2. **AREA.** The boundary of this village remains unchanged by settlement.
This was a zemin village but lately sold for arrears of Peshcush and purchased on behalf of Government for want of bidders.

The area prior to Settlement not known by Settlement it is 157 acres;

3. It must be distinctly borne in mind that a deduction of 16 & 25 per cent. has been made from the gross produce of wet and dry lands respectively on account of unfavourable seasons, and on account of any roads, channels, banks, paths, &c. that may have been measured in with the cultivated area. The fact of the inclusion therefore, of any Government Poramboke in any Survey field, does not confer on the cultivator of that field, the right of entering on such Poramboke, or of, in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands. Survey excess to the extent of 10 per cent. being allowed to the Iuamdar free of charge under Board's Circular No. 173.

4. **DEMARICATION.** This village, contains 1 Kandam or sub-division and 53 Survey fields.

The demarcation marks erected and standing are:—

Boundary stones.	Off-sets.	Field stones.

13. The land assessment for Fasli not known by Settlement it is Rs. 22; after deducting Rs. 6-10 for baling,

14. The former rates of assessment varied from Rs. ——— to Rs. ——— an acre in dry, and from Rs. ——— to Rs. ——— an acre in wet.

SECOND CROP. No lands have been compounded for as permanent double crop.

Mirasitenure.—As the Government have recognized mirasidars claim to a percentage fee (Swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 annas in the Rupee of assessment of both dry and wet lands for which the lands are divided into (I) Pangu (II) Durkast and III waste.

Pangu lands. The mirasidars 5 in number have hitherto held 22 acres and 92 cents in 3 shares. These lands have now been distinguished, redivided where necessary and entered in individual pattahs. The fee registered against these lands is at present a mere matter of account and need not be collected, as the mirasidars themselves hold the lands according to their respective shares. But if these lands hereafter become waste by relinquishment and are taken up again either by a mirasidar or by a stranger they will be chargeable with the fee plus the taram assessment and the fee thus collected will be payable to the Mirasi body.

Durkast lands. There are no Durkast lands.

Waste lands. The fee registered against these lands is all that the mirasi body is likely to realize at present, and that only when these lands are applied for. Intending applicants must therefore clearly understand that when they take up these lands they will have to pay the fee, plus the taram assessment registered against each acre. The swatantram fee on the waste of this village (83 acres 87 cents) amounts in aggregate to Rupees 5-12-0.

The names and shares of the prosen mirasidars are as under.

No. 83.

DESCRIPTIVE MEMOIR OF DEVADANAM OF THE PONNERI TALUQ.

SITUATION. This village is situated 4 miles south-east of Ponneri, the Kasbah station.

AREA. The total area prior to Survey was, omitting fractions, 612 acres; by Survey it is now 737 acres; net increase 125 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively on account of unfavourable seasons, and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such poramboke, or of in any way interfering with it, and any unauthorized encroachment on such poramboke will be severely dealt with.

This applies to both Government and Inam lands. Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

DEMARICATION. This village contains 9 Kandams or sub-divisions, and 354 Survey fields.

The demarcation marks erected are :—
