

DESCRIPTIVE MEMOIR OF SINNAPULIYUR OF THE PONNERI TAIUQ.

This village is situated 8 miles west of Ponneri, the Kasbah station.

Area. total area prior to Survey was, omitting fractions, 342 acres ; by Survey it is 401 acres ; net increase 59 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry respectively, on account of unfavourable seasons and on account of any channels, banks, paths, &c., that may have been measured in with the area. The fact of the inclusion, therefore, of any such Government land in any Survey field, does not confer on the cultivator of that field the right of entering on such poramboke, or of in any way interfering with it, and any such encroachment on such poramboke will be severely dealt with.

This applies to both Government and Inam lands. Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.
