MEMOIR OF KALIKKUNRUM OF THE
SAIDAPET TALUQ.

This village is situated 6 miles south-west of the Madras Fort.
Total area prior to Survey was, omitting fractions, 161 acres; by
it is 180 acres; net increase 19 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent
have been made from the gross produce of wet and dry lands respectively on ac-
count of unfavorable seasons and on account of any roads, channels, banks, paths,
that may have been measured in with the cultivated area. The fact of the
inclusion, therefore, of any such Government poramboke in any survey field does not
entitle the cultivator of that field the right of entering on such poramboke or of
in any way interfering with it, and any unauthorized encroachment on such poram-
boke will be severely dealt with.

This applies to both Government and Inam lands, survey excess to the
of 10 per cent being allowed to the Inamdars, free of charge, under Board's
No. 173.

This village contains 2 Khandams or sub-divisions and 80 sur
