No. 137.

DESCRIPTIVE MEMOIR OF MADAVILAGAM OF THE  
SAIDAPET TALUQ.

**Situation.** This village is situated 16 miles north of the Madras Fort.

**Area.** The total area prior to Survey was, omitting fractions 264 acres; by Survey it is 307 acres; net increase 43 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively, on account of unfavourable seasons, and on account of any roads, channels, banks, paths, &c. that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government poramboke in any Survey field does not confer on the cultivator of that field the right of entering on such poramboke or of in any way interfering with it, and any unauthorized encroachment on it will be severely dealt with.

This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

**Demarcation.** This village contains 4 Kandams or sub-divisions, and 169 Survey fields.

The demarcation marks erected are:—

The land assessment for Fasli 1285 was Rupees 266; by settlement it is Rupees 256; total decrease Rupee 0-10-0. The former wet land assessment was charged at Rupees 6-6-0 an acre. The Manavari lands were held at rates varying from Rupee 2-10-0 to Rupees 4-8-0; and the ordinary dry lands were held at rates varying from Rupee 1-0-0 to Rupees 2-0-0 an acre.

**Second crop.** No lands have been compounded for as permanent double crop.

**Samudayam.** There are no common lands in this village.

**Mirasi Tenure.** As the Government have recognised the Mirasidar's claim to a percentage fee (swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 annas in the Rupee of assessment of both dry and wet lands for which the lands are divided into (I) Pangu, (II) Durkast, and (III) Waste.

**Pangu lands.** This is an Ekabogam village and the lands have hitherto been held by 1 Pattadar. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidar himself holds the lands. But if these lands hereafter become waste by relinquishment and are taken up again by a stranger, they will be chargeable with the fee, plus the taram assessment, and the fee thus collected will be payable to the Mirasidar.

**Durkast land.** These are not at present liable to the payment of the fee as the pattahdars have hitherto held them free of any such payment. Consequently no fee has been registered against these lands, but should they hereafter become waste by relinquishment, and be taken up again on durkast, they will be dealt

with in the same manner as resigned Pangu lands, and the fee will be chargeable on them at the rate of two annas per Rupee of assessment.

Waste lands. The fee registered against these lands is all that the Mirasi body is likely to realize at present and that only when these lands are applied for. Intending applicants must therefore clearly understand that when they take up these lands they will have to pay the fee plus the taram assessment registered against each fields. The swatantram fee on the waste of this village (91 acres and 94 cents) amounts in the aggregate to Rupees 17-1-0.

The lands free of swatantram till resigned are Nos. 4, 6, 8B, 15, 16BC, 18AB, 19, 20AB, 21, 24ABC, 25, 26, 27ABCD, 28, 30AB, 32, 36, 38AB, 40A, 42, 44, 48A, 52, 54B, 57, 58, 61, 62, 63AC, 64A, 66, 76, 78A, 80B, 81, 83B, 84, 85, 88 to 90, 92, 93, 95, 101, 102B, 104, 107B, 108B, 138, 143, 145B, held by 32 Durkastdars.

Pasturage. No lands have been set aside for this purpose.

Building site. Is sufficient for present requirements.

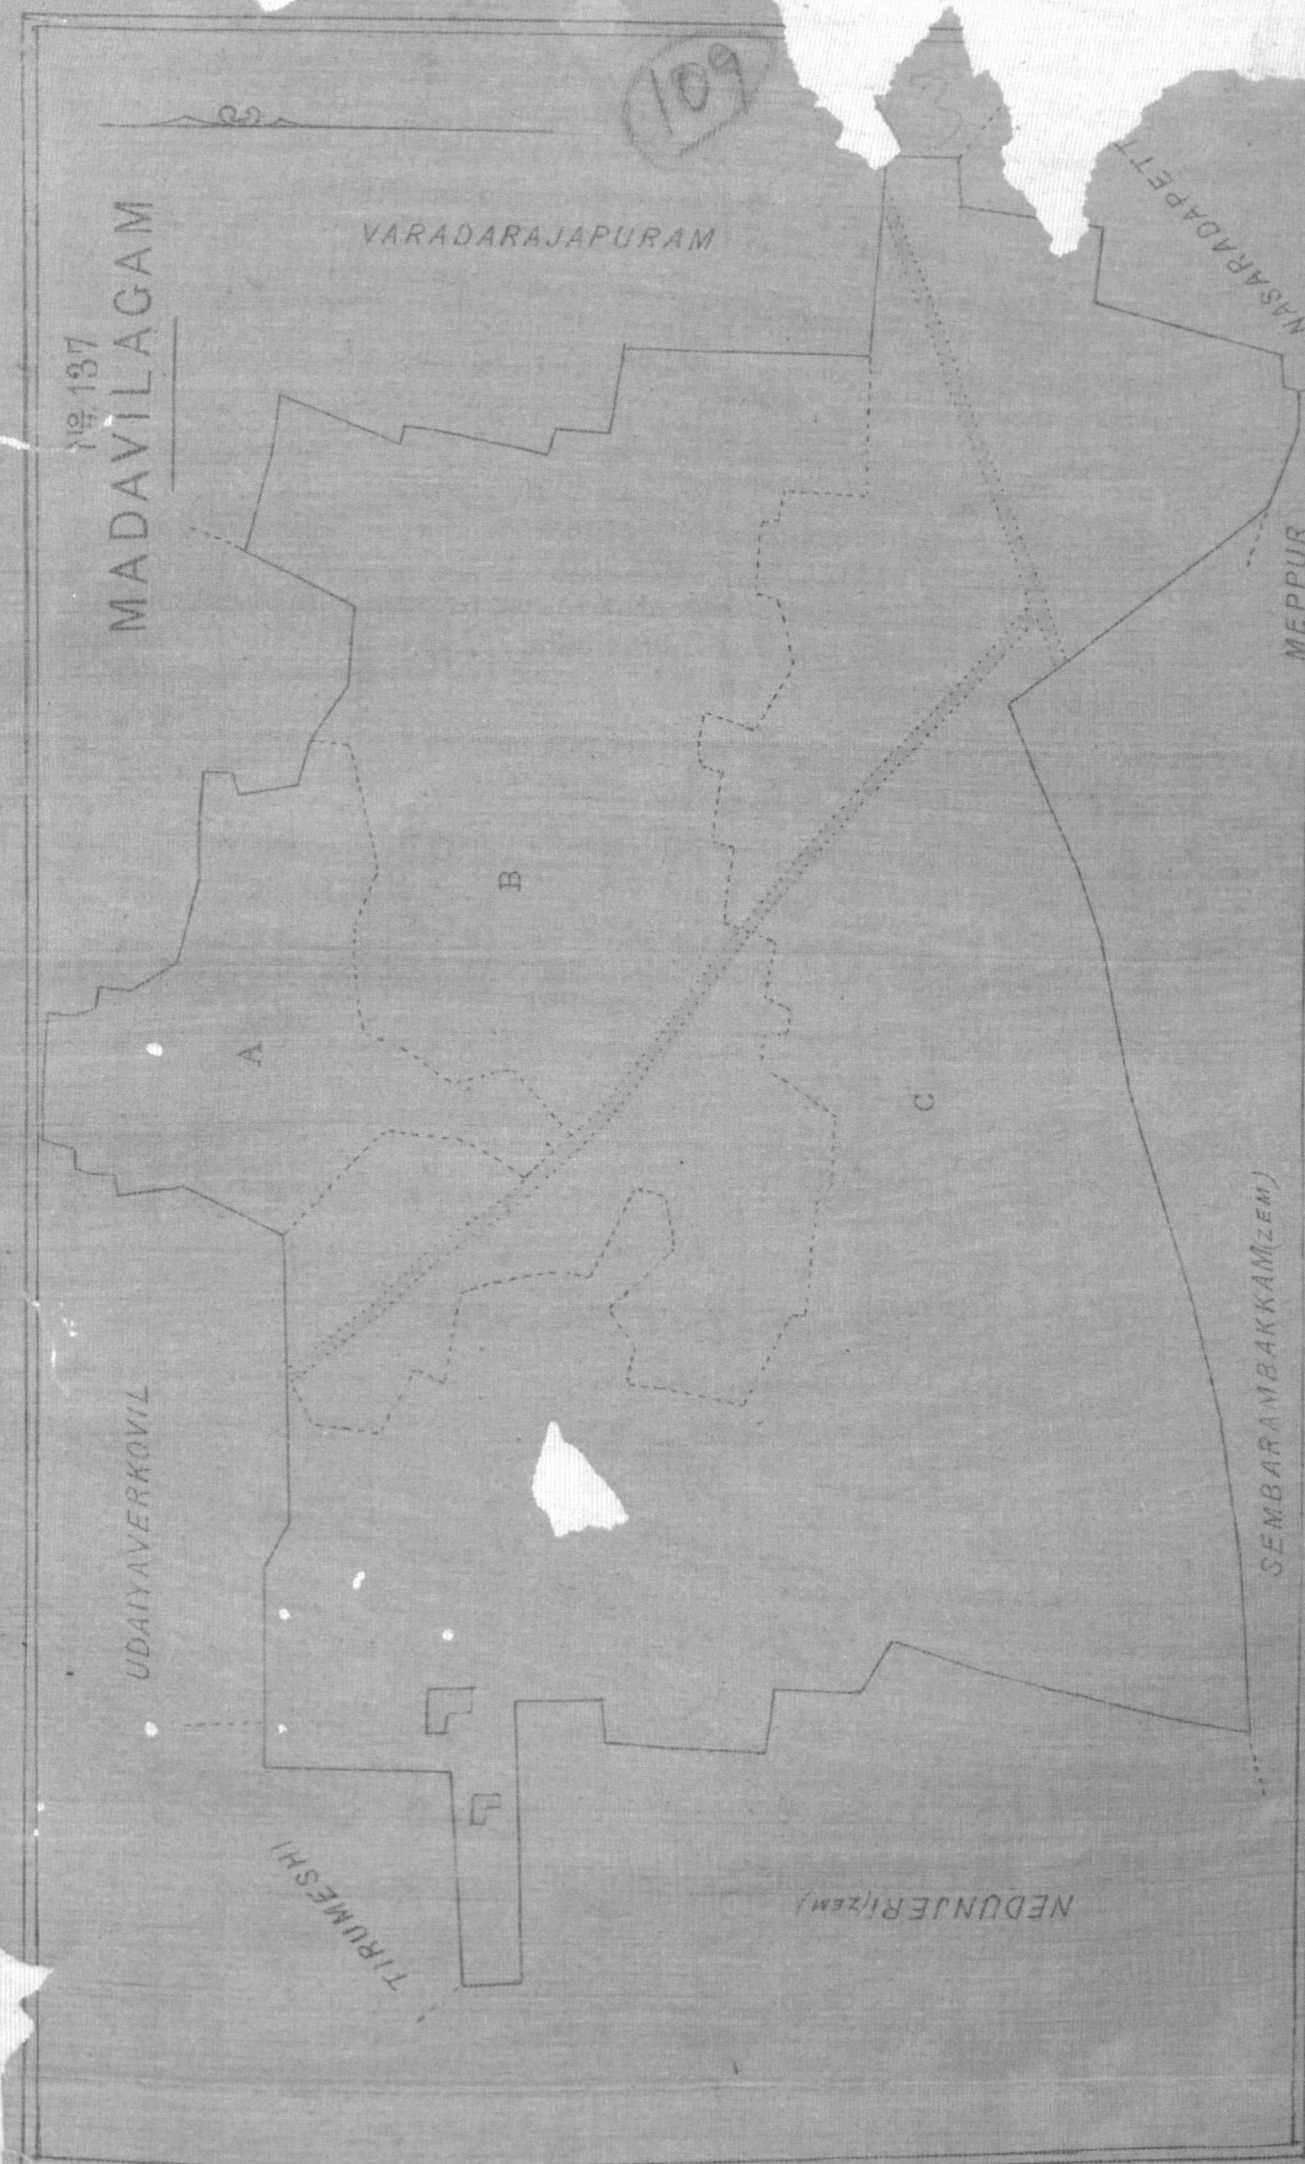

No pattah has been granted for cultivation within the limits of the building site, and no new enclosure is to be made or new building erected without permission in future.

Inams. The following lands are held tax free or on favourable terms

NOTE.—When the field classification was modified under the Block System, it often happened that for purposes of symmetry lands excluded as Poramboke from the operations of this Department were included in blocks containing lands classified and assessed. In the Memoirs attached to the Village Register, the blocks are referred to, as containing such and such numbers, placed in such and such classes without any explanation, though some of the numbers may be Poramboke. When from this cause any question arises as to whether a particular number in a particular block is assessed or Poramboke, the entry in the Register alone must determine it.
