

**SITUATION.** This village is situated 8 miles north west of the Madras Fort.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively, on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion therefore of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke or of in any way interfering with it and any unauthorized encroachment on such Poramboke will be dealt with.

This village is irrigated by a rain-fed tank. 4 lands have accordingly been placed in

The land assessment for Fasli 1284 was Rupees 866; by Rupees 878. Total increase, Rupees 12.

The former wet land assessment was charged at rates varying from Rupees 1-4-0 to Rupees 5-4-0 an acre. The Manavari lands were held at rates varying from Rupee 1-14-0 to Rupees 3-12-0, and the ordinary dry lands at Rupee 1-5-0 to Rupees 5-4-0 an acre.

**SECOND CROP.** No lands have been compounded for as permanent double crop.

**SAMUDAYAM.** There are no common lands in this village.

**MIRASI TENURE.** As the Government have recognized the Mirasidars' claim to a patta fee (Swatantram) on the taram assessment, the following arrangements have been made for its future collection and payment.

The fee is fixed at 2 annas in the Rupee of assessment of both dry and wet lands, for which the lands are divided into (I) Pangu, (II) Durkast, and (III) Waste.

**Pangu lands.**—The Mirasidars 3 in number have hitherto held 305 73 cents in 8 shares. These lands have now been distinguished, re-divided, and entered in individual pattahs. The fee registered against them is at present a mere matter of account and need not be collected, as the Mirasidars hold the lands according to their respective shares. But if the lands come waste by relinquishment and are taken up again either by the Mirasidar or by a stranger, they will be chargeable with the fee plus the taram and the fee thus collected will be payable to the Mirasi body.

**Durkast lands.**—These are not at present liable to the payment of patta fee. The Mirasidars have hitherto held them free of any such payment. Corree has been registered against these lands, but should they hereafter be taken up again on Durkast, they will be dealt with in the same manner as the resigned Pangu lands, and the fee will be chargeable on them as per Rupee of assessment.

The fee registered against these lands is all that the Mirasidars are to pay when these lands are applied for, and when they take up the lands.
