

No. 206.

DESCRIPTIVE MEMOIR OF MUNANKATTALAI OF THE
SAIDAPET TALUQ.

Situation. This village is situated 11 miles west of the Madras Fort.
Area. The total area prior to Survey was, omitting fractions, 188 acres ; by Survey it is 214 acres ; net increase 26 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively, on account of unfavourable seasons, and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such poramboke or of in any way interfering with it, and any unauthorized encroachment on such poramboke will be severely dealt with.

This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

Demarcation. This village contains 3 Kandams or sub-divisions, and 107 Survey fields.

The demarcation marks erected are :—

The land assessment for Fasli 1285 was Rupees 608; by Settlement it is Rupees 560; total increase Rupees 52. The former wet land assessment was charged at rates varying from Rupees 4-5-0 to Rupees 6-12-0 an acre, and the ordinary dry lands were held at Rupees 1-10-3 and Rupees 2-2-2 an acre.

Second Crop. Nos. 10 A, 11 A, 16, 40, 42 A, and 44 in block A, Nos. 61 to 63 in block C, and Nos. 96, 101 to 105 and 106 A, in block D, have been registered as double crop at half additional to the single crop assessment.

Samudayam. There are no common lands in this village.

Mirasi Tenure. As the Government have recognized the Mirasidar's claim to a percentage fee (swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 annas in the Rupee of assessment of both dry and wet lands, for which the lands are divided into (I) Pangu, (II) Durkast and (III) Waste.

Pangu Lands. This is a Ekabogam village and the lands have hitherto been held by one pattahdar. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidar himself holds the land. But if these lands hereafter become waste by relinquishment, and are taken up again by a stranger, they will be chargeable with the fee plus the taram assessment, and the fee thus collected will be payable to the Mirasidar.

Durkast Lands. These are not at present liable to the payment of the fee, as the pattahdars have hitherto held them free of any such payment. Consequently, no fee has been registered against these lands, but should they hereafter become waste by relinquishment, and be taken up again on Durkast, they will be dealt with in the same manner as resigned Pangu lands, and the fee will be chargeable on them at the rate of 2 annas per Rupee of assessment.

Waste Lands. The fee registered against these lands is all that the Mirasidar is likely to realize at present, and that only when these lands are applied for. Intending applicants must therefore clearly understand that when they take up these lands, they will have to pay the fee plus the taram assessment registered against each field. The swatantram fee on the waste of this village (93 cents.) amounts in the aggregate to Rupee 0-10-0.

The names and shares of the present Mirasidars are as under:—

No.	Name of Mirasidar.	Share.
1	Kandasami Mudali...	1

The lands free of swatantram till resigned are No. 20AB, held by 1 Durkastdar.

Pasturage. No lands have been set aside for this purpose.

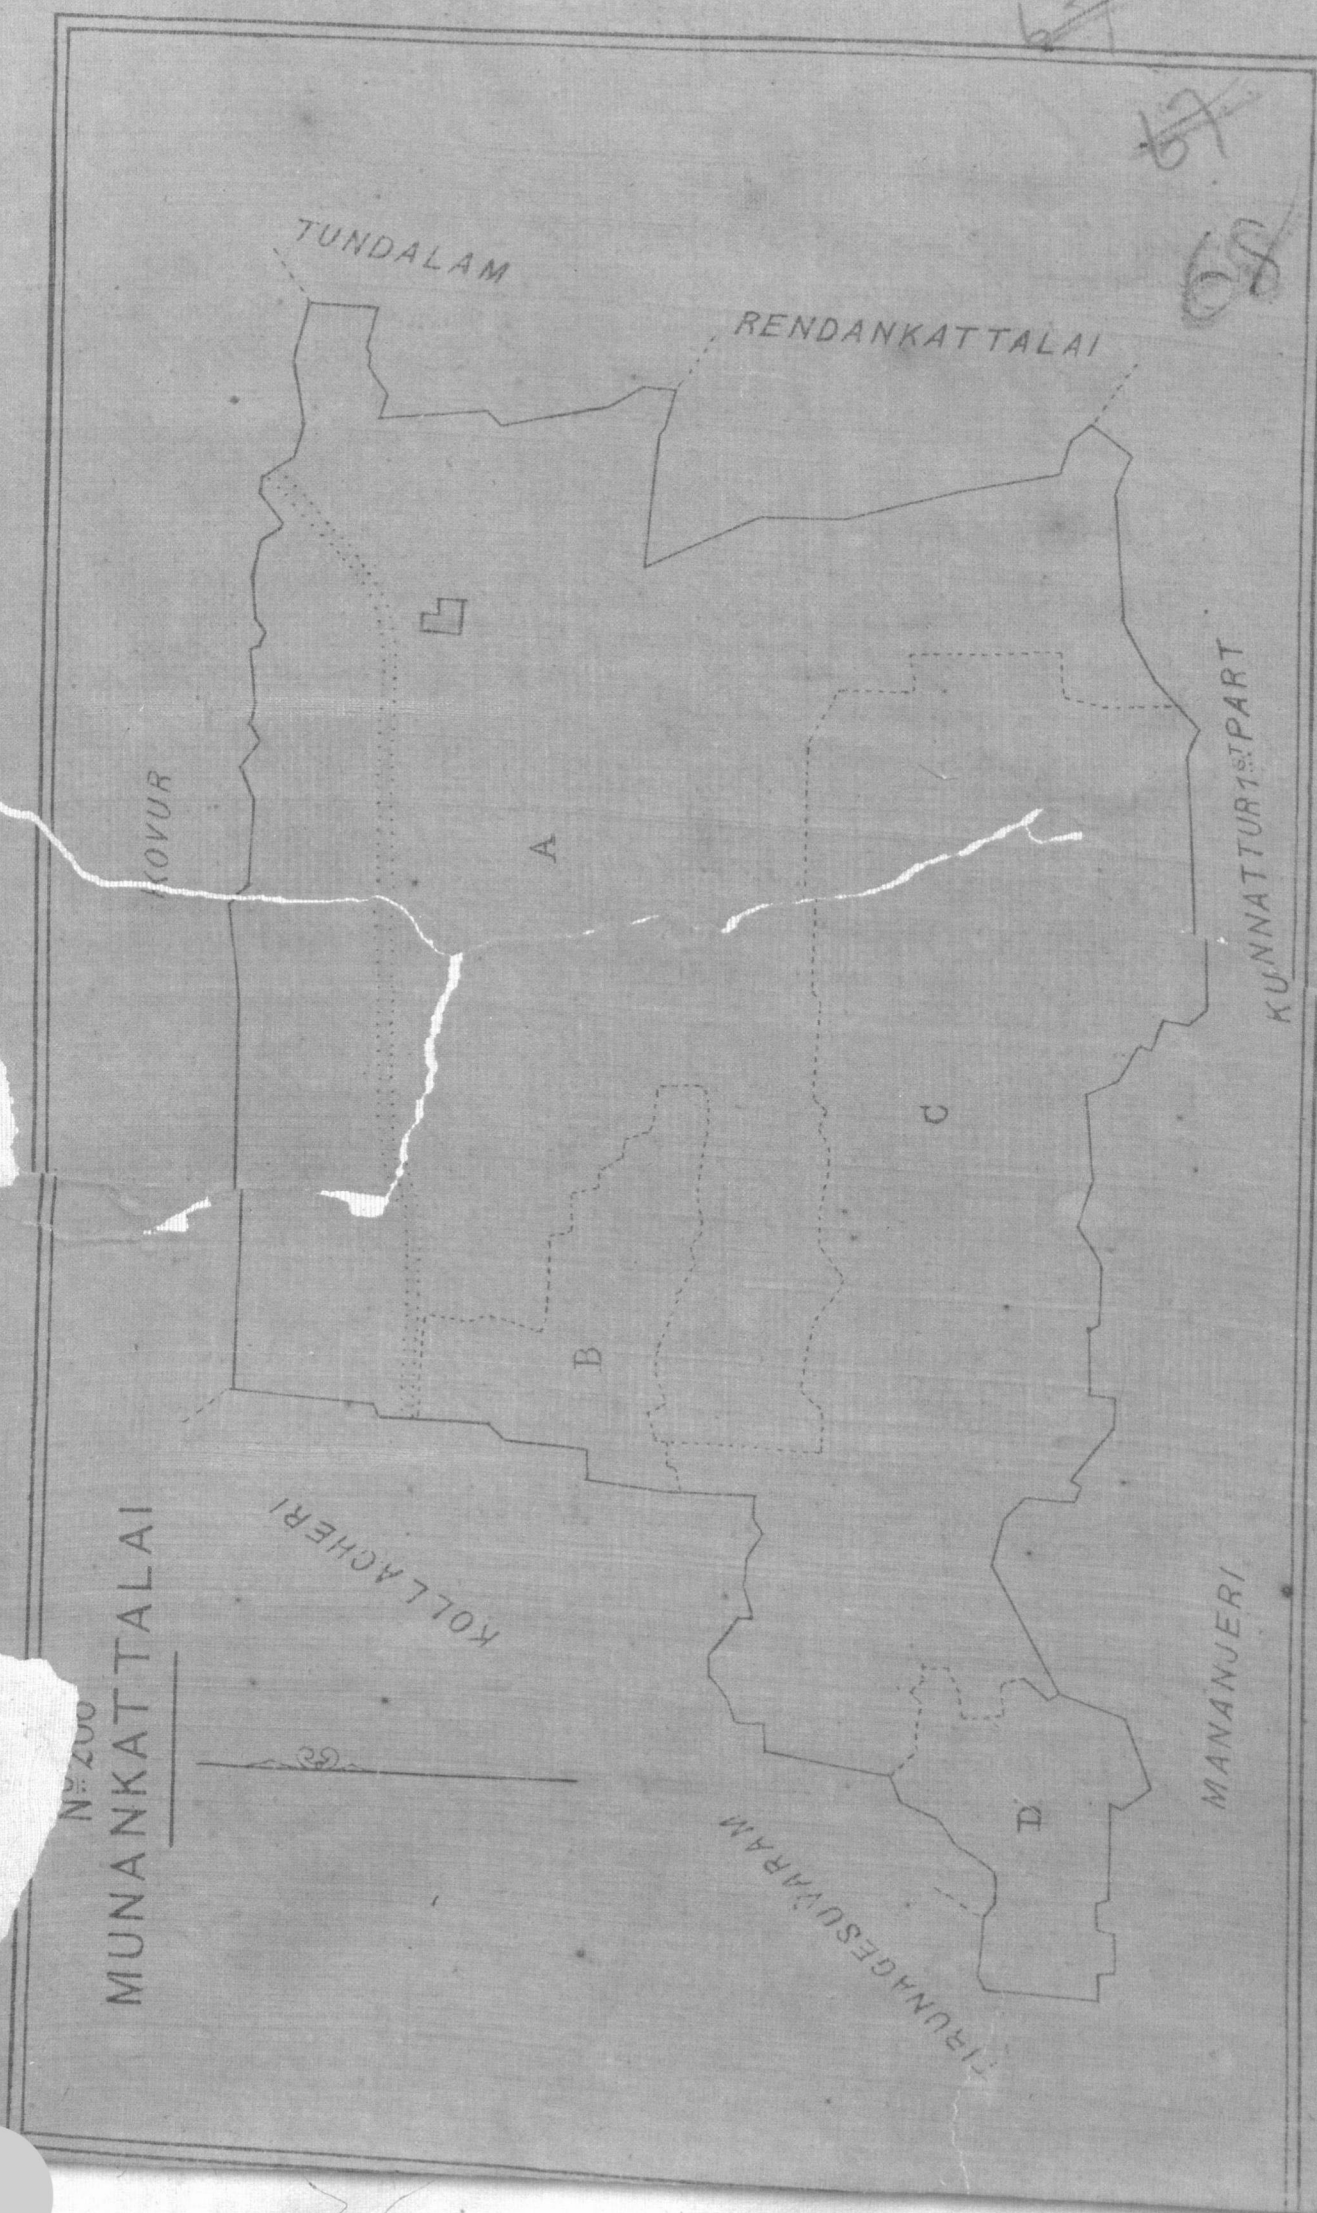

Building site. Is sufficient for present requirements.

No pattah has been granted for cultivation within the limits of the Building site, and no new enclosure is to be made or new building erected without permission in future.

The following lands are held tax-free :—
