

DESCRIPTIVE MEMOIR OF SENJERI OF THE SAIDAPET TALUQ.

SITUATION. This village is situated 7 miles west of the Madras Fort.

AREA. The entire village of Madavalagam consisting of 5 acres, 93 cents., has been transferred to this village.

The total area prior to Survey was, omitting fractions, 91 acres; by Survey it is 103 acres; net increase 12 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively, on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion therefore of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke or of in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with.

This applies to both Government and Inam land, Survey excess to the extent of 10 per cent. being allowed to the Inamdars free of charge under Board's Circular, No. 173.

DEMARCATON. This village contains 2 Kandams, or sub-divisions and 77 Survey fields.

The demarcation marks erected are :—

Boundary Stones,		Offsets.		Field Stones.
Village.	Kandam.	Village.	Kandam.	
8	...	19	...	152

STATISTICS. The Statistics of the village, as ascertained, by the Census of 1871, are as follows :—

Houses.	Bazars.	Population.	Land pattahs as per Settlement.		Wells.		Cattle.	Sheep.
			Single.	Joint.	Old.	New.		
6	...	21	2	...	...	1	8	...

IRRIGATION. There are no irrigated lands except a few acres of Inam lands which are placed in the 4th group. The dry lands are placed in the 2nd group.

CROPS. The acreage of the crops, cultivated in Fasli 1284, as per Curnam's accounts, is as under:—

Name of crop.	Irrigated or Dry.	Area in Acres.
Paddy	Dry.	6
Raggy	...	3
Casuarina	...	45
TOTAL..		54

SETTLEMENT. The entire area of this dry village is assessed in Class V for Manavari and Class VI for ordinary dry lands.

The following table exhibits the revised assessment of the village.

Description of land.	Class.	Dry.					
		Rate per Acre.		Area.		Assessment.	
		Rupees.	Annas.	Acres.	Cents.	Rupees.	Annas.
Good red loam Manavari	V.	1	8	49	43	74	3
Ordinary red loam	VI.	1	4	10	39	13	1
				59	82	87	4

The land assessment for Fasli 1284, was Rupees 104; by Settlement it is Rupees 87. Total reduction, Rupees 17.

The former Manavari lands were held at Rs. 2-10-0, and Rs. 3-0-0, and the dry lands at rates varying from R. 1-5-0 to Rs. 3-12-0 an acre.

SECOND CROP. No lands have been compounded for as permanent double crop.

SAMUDAYAM. There are no common lands in this village.

MIRASI TENURE. As the Government have recognized the Mirasidars' claim to a percentage fee (Swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 annas in the Rupee of assessment of both dry and wet lands, for which the lands are divided into (I) Pangu, (II) Durkast, and (III) Waste.

Pangu lands.—The Mirasidars 2 in number have hitherto held 47 acres, and 90 cents. in 28 shares. These lands have now been distinguished, re-divided where necessary, and entered in individual pattahs. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidars themselves hold the lands according to their respective shares. But if these lands hereafter become waste by relinquishment and are taken up again either by a Mirasidar or by a stranger, they will be chargeable with the fee plus the taram assessment, and the fee thus collected will be payable to the Mirasi body.

Durkast lands.—These are not at present liable to the payment of the fee as the pattahdars have hitherto held them free of any such payment. Consequently no fee has been registered against these lands, but should they hereafter become waste by relinquishment and be taken up again on Durkast, they will be dealt with in the same manner as resigned Pangu lands, and the fee will be chargeable on them at the rate of 2 annas per Rupee of assessment.

Waste lands.—The fee registered against these lands is all that the Mirasi body is likely to realize at present, and that only when these lands are applied for. Intending applicants must therefore clearly understand that when they take up these lands they will have to pay the fee plus the taram assessment registered against each field. The swatantram fee on the waste of this village (32 acres 66 cents.) amounts in the aggregate to Rs. 6-3-0.

The names and shares of the present Mirasidars, are as under:—

Names of Mirasidars.						Shares.
1	Sengama Naikan	...	...	...	...	27
2	P. Ramanjulu Naikau	...	...	...	...	1
						28

The lands free of Swatantram till resigned are Nos. 17, 19, 21, 26, 34, 36, 38, 44, 46, 48, 51, 53, 55, 57, 59, and 61, held by 1 Durkastdar.

PASTURAGE. No lands have been set aside for this purpose.

BUILDING SITE. Is sufficient for present requirements.

No pattah has been granted for cultivation within the limits of the building site and no new enclosure is to be made or new building erected without permission in future.

INAMS. The following lands are held tax free.

No.	Name of Inamdar.	Wet or Dry.	Single or double crop.	Area.		Amount of quit rent.			Second crop Assessment compounded for at Settlement.		Total.			Remarks.
				Acres.	Cents.	Rupees.	Annas.	Pice.	Rupees.	Annas.	Rupees.	Annas.	Pice.
