

# DESCRIPTIVE MEMOIR OF TANDALKALANI OF THE SAIDAPET TALUQ.

**SITUATION.** This village is situated 10 miles north-west of the Madras Fort.

**AREA.** The total area prior to Survey was, omitting fractions, 183 acres; by Survey it is 193 acres; net increase 15 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any Survey field does not confer on the cultivator of that field the right of entering on such Poramboke or of in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with.

This applies to both Government and Inam land, Survey excess to the extent of 10 per cent. being allowed to the Inamdars free of charge under Board's Circular

age contains 3 Kandams, or sub-divisions, and the area of the village as ascertained by the Census of 1871, are as follows:

The land assessment for Fasli 1284 was Rs. 416; by Settlement it is Rs. 522. Total increase Rs. 106.

The former wet land assessment was charged at rates varying from R. 1-14-0 to Rs. 5-5-0 an acre. The dry lands were held at R. 1-8-0 an acre.

**SECOND CROP.** No lands have been compounded for as permanent double crop.

**SAMUDAYAM.** There are no common lands in this village.

**MIRASI TENURE.** As the Government have recognized the Mirasidars' claim to a percentage fee (Swatantram) on the taram assessment, the following arrangements are made for its future collection and payment.

The fee is fixed at 2 annas in the Rupee of assessment of both dry and wet lands, for which the lands are divided into (I) Pangu, (II) Durkast, and (III) Waste.

**Pangu lands.**—The Mirasidars, 2 in number, have hitherto held 157 acres and 1 cent. in 2 shares. These lands have now been distinguished, re-divided where necessary, and entered in individual pattahs. The fee registered against these lands is at present a mere matter of account and need not be collected, as the Mirasidars themselves hold the lands according to their respective shares. But if these lands hereafter become waste by relinquishment, and are taken up again either by a Mirasidar or by a stranger, they will be chargeable with the fee plus the taram assessment and the fee thus collected will be payable to the Mirasi body.

**Durkast land.**—This is not at present liable to the payment of the fee, as the pattahdar has hitherto held it free of any such payment. Consequently no fee has been registered against this land, but should it hereafter become waste by relinquishment and be taken up again on Durkast, it will be dealt with in the same manner as resigned Pangu lands, and the fee will be charged on it at the rate of 2 annas per Rupee of assessment.

**Waste lands.**—The fee registered against these lands is likely to realize at present, and that only when the applicants must therefore clearly understand that the lands they will have to pay the fee plus the taram assessment each for Swatantram and the fee plus the taram assessment of this in the aggregate 4 annas.

The names and shares of the Mirasi body are as under:—

## DESCRIPTIVE MEMOIR OF ALINJIPAKAM OF THE SAIDAPET TALUQ.

LOCATION. This village is situated 10 miles north of the Madras Fort.

EA. The total area prior to Survey was, omitting fractions, 125 acres; by survey it is 133 acres; net increase 8 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent., have been made from the gross produce of wet and dry lands respectively on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion therefore of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke or of in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with.

This applies to both Government and Inam land, Survey except to the extent of 10 per cent. being allowed to the Inamdars free of charge under Board's Circular, 173.

BOUNDARY. This village contains 2 Kandams, or sub-divisions; and 51 Survey fields. The demarcation marks erected are:—
