

**DESCRIPTIVE MEMOIR OF RAJANAGARAM  
OF THE TRIVELLUR TALUK.**

**SITUATION.** This village is situated 27 miles north-west of Trivellur.

**AREA.** The total area prior to Survey was, omitting fractions, 193 acres; by Survey it is 232 acres; increase 39 acres.

It must be distinctly borne in mind that deductions of 16 and 25 per cent. have been made from the gross produce of wet and dry lands respectively, on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke, in any survey field, does not confer on the cultivator of that field, the right of entering on such poramboke or of in any way interfering with it, and any unauthorized encroachment on such poramboke will be severely dealt with. This applies to both Government and Inam land, survey excess to the extent of 10 per cent. being allowed to the Inamdars, free of charge, under Board's Circular No. 173.

**DEMARICATION.** This village contains 3 Kandams or sub-divisions and 79 survey fields.

The demarcation marks erected are:—
