

No. 207.

DESCRIPTIVE MEMOIR OF DEVAKIYAMMAPURAM OF THE
ERODE TALUK.

SITUATION. This village is situated 27 miles to the South of Erode.

AREA The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 253 acres ; by Settlement it is 276 acres ; increase 23 acres.

It must be distinctly borne in mind that a deduction of 20 per cent. has been made in calculating the rates of assessment, on all fields, wet or dry on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area and on account of vicissitudes of season. The fact of the inclusion, therefore, of any Government Poramboke, in any survey field, does not confer on the cultivator of that field, the right of entering on such Poramboke, or of, in any way interfering with it, and any unauthorized encroachment on it will be severely punished. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to Inamdars, free of charge, under Board's Circular No. 127.

DEMARCATON. This village contains 2 Kandams or sub-divisions and 39 Survey fields.

The demarcation marks erected are :—
