DESCRIPTIVE MEMOIR OF BANUR OF THE
KOLLEGAL TALUK.

SITUATION. This village is situated 11 miles north-east of Kollegal.

AREA. The boundary of this Village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 647 acres; by Settlement it is 962 acres; increase 315 acres.

The fact of the inclusion therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke, or of, in any way interfering with it, and any unauthorized encroachment on it will be severely punished. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to Inamdars free of charge under Board's Circular No. 127.
