No. 90.

DESCRIPTIVE MEMOIR OF CHINCHAHALLI OF THE KOLLEGAL TALUK.

SITUATION. This village is situated 17 miles north-west of Kollegal.

AREA. The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 941 acres ; by Settlement it is 970 acres ; increase 29 acres.

It must be distinctly borne in mind that a deduction of 20 per cent. has been made in calculating the rates of assessment, on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area and on account of vicissitudes of season. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke, or of, in any way interfering with it, and any unauthorized encroachment on it will be severely punished. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to Inamdars free of charge under Board's Circular No. 127.

DEMARICATION. This village contains 2 Kandams, or sub-divisions and 58 Survey fields.

The demarcation marks erected are :—

SETTLEMENT. Skirting the village on all sides block A, a tract of worst red loam, poorly cultivated on a high level, comprising No. 1, 2, 44, 50, 51 and 58 is assessed in class VII. Within A, block B, a small slip of good red loam, well cultivated on a low level, comprising Nos. 52 to 57 is assessed in class IV. Enclosed by A, block C, of similar soil situated round the village site, comprising Nos. 3 to 43 and 45 to 49 is likewise assessed in class IV.

The above classification does not apply to the poramboke lands included in these blocks.

The following table exhibits the revised assessment of the pattah lands of the village :—

B. G. BALAKRISHNAH NAIDU,
Uncert. Asst. of Revenue Settlement Party No. III.

No. 91.

DESCRIPTIVE MEMOIR OF BATTUGUPPA OF THE KOLLEGAL TALUK.

SITUATION. This village is situated 15 miles east of Kollegal.

AREA. The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 1,294 acres ; by Settlement it is 1710 acres ; increase 416 acres.

It must be distinctly borne in mind that a deduction of 20 per cent. has been made in calculating the rates of assessment, on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area and on account of vicissitudes of season. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke, or of, in any way interfering with it, and any unauthorized encroachment on it will be severely punished. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to Inamdars free of charge under Board's Circular No. 127.

DEMARICATION. This village contains 3 Kandams or sub-divisions and 86 Survey fields.

The demarcation marks erected are :—
