DESCRIPTIVE MEMOIR OF ATTUKKINATTUPATTI OF THE  
UDUMALPET TALUK.

SITUATION. This village is situated 10 miles north-east of Udumalpet.

AREA. The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 2,653 acres ; by Settlement it is 2,819 acres ; increase 161 acres.

It must be distinctly borne in mind that a deduction of 20 per cent. has been made in calculating the rates of assessment, on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area and on account of vicissitudes of season. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke, or of, in any way interfering with it, and any unauthorized encroachment on it will be severely punished. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to Inamdars free of charge under Board's Circular No. 127.

DEMARCATON. This village contains 15 Kandams or sub-divisions and 350 Survey fields.

The demarcation marks erected are:—

# DESCRIPTIVE MEMOIR OF KONDAMPATTI OF THE UDAMALPET TALUK.

**SITUATION.** This village is situated 12 miles North-east of Udamalpet on the road from the Kasbah to Palladam.

**AREA.** The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 4,170 acres; by Settlement it is 4,340 acres; increase 170 acres.

It must be distinctly borne in mind that a deduction of 20 per cent. has been made in calculating the rates of assessment, on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area and on account of vicissitudes of season. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke, or of, in any way interfering with it, and any unauthorized encroachment on it will be severely punished. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to Inamdars free of charge under Board's Circular No. 127.

**DEMARCATIION.** This village contains 23 Kandams, or sub-divisions and 535 Survey fields.

The demarcation marks erected are:—
