DESCRIPTIVE MEMOIR OF AYILAM OF THE  
ARCOT TALUK.

1. **SITUATION.** This village is situated about 7 miles south-west of Arcot.

2. **AREA.** The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 5,331 acres; by Settlement it is 5,499 acres; increase 268 acres.

3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion therefore of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of in any way interfering with it and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free in respect to Inams, under Board's Circular, No. 173.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 13 Khudams or sub-divisions and 753 Survey fields.

The demarcation marks erected and standing are:—

| 20                 | 127                | 3,587         |
