

**DESCRIPTIVE MEMOIR OF KATTIVADI OF THE
ARCOT TALUK.**

1. SITUATION. This village is situated about 7 miles south-west of Arcot.

2. AREA. The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 1,837 acres; by Settlement 817 acres; decrease 20 acres.

It must be distinctly borne in mind that a deduction of 20 per cent. has been from the gross produce on account of unfavorable seasons and on account of any channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Peramboke in survey field, does not confer on the cultivator of that field the right of entering on Peramboke, or of in any way interfering with it and any unauthorized encroachment on such Peramboke will be severely dealt with. This applies to both Government and Inam lands. Survey excess to the extent of 10 per cent. being allowed free in respect to Inams, under Board's Circular, No. 173.

3. DEMARCATION. This village, as now formed by Settlement, contains 12 mandams or sub-divisions and 568 Survey fields.

The demarcation marks erected and standing are:—

Boundary stations.	Division stations.	Field stones.
21	73	2,452

The village officers have given receipts for them and are now responsible for their up-keep.

5. STATISTICS. The Statistics of the village, as ascertained by the Census of 1881, are as under:—
