

DESCRIPTIVE MEMOIR OF MARIDAM OF THE
ARCOOT TALUK.

1. SITUATION. This village is situated about 19 miles south of Arcot.
2. AREA. The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 345 acres; by Settlement it is 356 acres; increase 21 acres.
3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion therefore of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke or of, in any way interfering with it and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free in respect to Inams, under Board's Circular, No. 127.
4. DEMARCATION. This village, as now formed by Settlement, contains 2 Khandams or sub-divisions and 123 Survey fields.

The demarcation marks erected and standing are:—

Boundary stations.	Division stations.	Field stones.
8	19	330

The village officers have given receipts for them and are now responsible for their upkeep.

5. STATISTICS. The Statistics of the village, as ascertained by the Census of 1881, are as under:—
