

**DESCRIPTIVE MEMOIR OF MELATANGAL OF THE  
ARCOT TALUK**

**1. SITUATION** This village is situated about 7 miles south of Arcot.

**2. AREA.** The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 421 acres; by Settlement, it is 430 acres; increase 9 acres.

**3.** It must be distinctly borne in mind, that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of, in any way interfering with it & any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government & Imam lands. Survey excess to the extent of 19 per cent. being allowed, free in respect to Imams, under Board's Circular, No. 127.

**4. DEMARCATION** This village, as now formed by Settlement, contains 3 Khandams or sub-divisions and 163 Survey fields.

The demarcation marks erected and standing are:—

| 7                  | 10                 | 929          |
