3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any Survey field does not confer on the cultivator of that field the right of entering on such Poramboke, or of in any way interfering with it and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government & Inam lands, Survey excess to the extent of 10 per cent. being allowed free in respect to Inams, under Board's Circular No. 127.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 10 Khandaams or sub-divisions and 479 Survey fields.

No deduction for lift is made in the case of lands partly supplied by wells in the wet nayacut.
