1. **SITUATION.** This village is situated about 15 miles south east of Arcot.

2. **AREA.** The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 384 acres; by Settlement it is 423 acres; increase 39 acres.

3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with cultivated area. The fact of the inclusion, therefore, of any Government Poreamboke in any Survey field does not confer on the cultivator of that field the right of entering on such Poreamboke or of in any way interfering with it and any unauthorized encroachment on such Poreamboke will be severely dealt with. This applies to both Government and Inam lands, Survey cess to the extent of 10 per cent. being allowed free in respect to Inams, under the Madras Circular No. 127.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 3 Panchams or sub-divisions and 205 Survey fields.
