

**DESCRIPTIVE MEMOIR OF BROJANAPURAM OF THE
GUDIYATAM TALUK.**

1. **SITUATION.** This village is situated about 4 miles south-west of Gudiyatam.

2. **AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 684 acres; by Settlement it is 595 acres; decrease 177 acres.

3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, tanks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Perambaks in any Survey field, does not confer on the cultivator of that field the right of entering on such Perambaks, or of, in any way interfering with it and any unauthorized encroachment on such Perambaks will be severely dealt with. This applies to both Government and Imam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Imam, under Board's Circular No. 127.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 6 Khandams or sub-divisions and 217 Survey fields.

The demarcation marks erected and standing are:—

Boundary stations.	Division stations.	Field stones.
113	123	395

The village officers have given receipts for them and are now responsible for their upkeep.

5. **STATISTICS.** The Statistics of the village, as ascertained by the Census of 1881, are as under:—

Buildings.	Houses.	Population.	Land Pattahs as per Settlement.	Cattle.	Sheep.	Wells.
...	24	415	75	140	400	6

6. **IRRIGATION.** The revised area and assessment under each source of irrigation and the class assigned to each with reference to its supply, capacity and the quality of the irrigation, are as under:—
