

**DESCRIPTIVE MEMOIR OF RAJAKUPPAM OF THE
GUDIYATAM TALUK.**

1. **SITUATION.** This village is situated about 3 miles west of Gudiyatam.
2. **AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 611 acres; by Settlement it is 653 acres; increase 42 acres.
3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads channels, tanks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of, in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey extends to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.
4. **DEMARCATON.** This village, as now formed by Settlement, contains 4 Kbandams or subdivisions and 201 Survey fields.

The demarcation marks erected and standing are:—

Boundary sections.	Distance stations.	Field acres.
142	43	553

The village officers have given receipts for them and are now responsible for their upkeep.

5. **STATISTICS.** The Statistics of the village, as ascertained by the Census of 1881, are as under:—

Village.	Houses.	Population.	Land patches as per Settlement.	Cattle.	Sheep.	Wells.
