DESCRIPTIVE MEMOIR OF MEEKIRUSHNAPURAM OF THE
VELLORE TALUK.

- 1. SITUATION.** This village is situated about 32 miles west of Vellore.
- 2. AREA.** The area of this village remains unchanged by Settlement. The area prior to Settlement was 214 acres, omitting fractions, 214 acres; by Settlement it is 237 acres; increase 23 per cent. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on a number of years of favorable seasons and on account of roads, channels, banks, paths, etc. They have been measured in with the cultivated area. The fact of the existence, therefore, of any Government Poramboke in any Survey field, does not entitle the cultivator of that field the right of entering on such Poramboke, or any other way interfering with it and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Imam lands, and extends to the extent of 10 per cent. being allowed free, in respect to Inams, under the Circular No. 127.
- 3. DEMARCATION.** This village, as now formed by Settlement, contains 3 mandams or sub-divisions and 116 Survey fields.
