

DESCRIPTIVE MEMOIR OF PALAPADI OF THE
VELLORE TALUK.

1. **SITUATION.** This village is situated about 20 miles west of Vellore.
2. **AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 436 acres; by Settlement it is 861 acres; increase 425 acres.
3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of, in any way interfering with it and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.
4. **DEMARICATION.** This village, as now formed by Settlement, contains 3 Khandams or sub-divisions and 109 Survey fields.

The demarcation marks erected and standing are:—

Boundary stations.	Division stations.	Field stones.
23	16	493

The village officers have given receipts for them and are now responsible for their up-keep.

5. **STATISTICS.** The Statistics of the village, as ascertained by the Census of 1881, are as under:—

If a second is raised, water rate must be paid. Single crop Inams can be compounded for at the same rates as the Government lands in the blocks in which they are situated if the Inamdars wish.

12. The following table exhibits the revised assessment of the occupied area in the village:—

13. The land assessment for Faslī 1292 was Rs. 279 ; by Settlement it is Rs. 277 ; decrease Rupees 2.

Ag. Dy. Director of Revenue Settlements.

1882.

Alphabetical No. 129.

DESCRIPTIVE MEMOIR OF RAMANAYANIKUPPAM OF THE VELLORE TALUK.

Survey Map No. 29.

- SITUATION** This village is situated about 23 miles west of Vellore.
- AREA** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 726 acres; by Settlement it is 831 acres; increase 105 acres.
- It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of, in any way interfering with it and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.
- DEMARCATON** This village, as now formed by Settlement, contains 4 Khandams or sub-divisions and 129 Survey fields.

The demarcation marks erected and standing are:—

Boundary stations.	Division stations.	Field stones.
34	14	496

The village officers have given receipts for them and are now responsible for their upkeep.

STATISTICS. The Statistics of the village, as ascertained by the Census of 1881, are as under:—

Ramams.	Houses.	Population.	Land Patahs as per Settlement.	Cattle.	Sheep.	Wells.
