Alphabetical No. 101.

Survey Map No. 43.

DESCRIPTIVE MEMOIR OF OMAYAMPATTU OF THE  
VELLORE TALUK.

- SITUATION.** This village is situated about 30 miles south-west of Vellore.
- AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 6,019 acres; by Settlement it is 2,677 acres; decrease 3,342 acres.
- It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Peramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such Peramboke, or of, in any way interfering with it and any unauthorized encroachment on such Peramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under B. Circular No. 127.
- DEMARCATION.** This village, as now formed by Settlement, contains 7 Khandams or sub-divisions and 146 Survey fields.

The demarcation marks erected and standing are :—

| Boundary stations. | Division stations. | Field stones. |
|--------------------|--------------------|---------------|
| 72                 | 65                 | 369           |

The village officers have given receipts for them and are now responsible for their up-keep.

**5. STATISTICS.** The Statistics of the village, as ascertained by the Census of 1881, are as under:—
