

**DESCRIPTIVE MEMOIR OF ULUNDAMPATTU OF THE  
CUDDALORE TALUK.**

1. **SITUATION.** This village is situated about 23 miles north-west of Cuddalore.
2. **AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 230 acres; by Settlement it is 233 acres; increase 3 acres.
3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 2 Khandans or sub-divisions and 167 survey fields.

- No new fields have been laid out since Survey.

The demarcation marks erected and standing are :—

| Boundary stations. | Division stations. | Field stones. |
