

DESCRIPTIVE MEMOIR OF SOMANADAPURAM OF THE
KALLAKURCHI TALUK.

1. **SITUATION.** This village is situated about 13 miles east of Kallakurchi.

2. **AREA.** The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions 237 acres; by Settlement it is, 312 acres; increase 55 acres.

3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 2 Khandams or sub-divisions and 101 Survey fields.

No new fields have been laid out since Survey.

The demarcation marks erected and standing are:—

The above classification does not apply to the Paramboke lands included in these blocks.

No lands have been registered as permanent double crop in this village.

All Inams have been registered as single or double crop with reference to the entries in the Title-Deeds issued by the Inam Commissioner, and in the case of such as have not been dealt with by him, according to the present revenue accounts.

Double crop Inams whether in single or double crop blocks or ayacuts will be entitled to water-free of charge for second crop, and single crop Inams in double crop blocks or ayacuts can only claim water-free of charge for one crop. If a second is raised, water-rate must be paid. Single crop Inams can be compounded for at the same rates as the Government lands in the blocks in which they are situated if the Inamdars wish.
