

**DESCRIPTIVE MEMOIR OF ANATTUR OF THE  
TINDIVANAM TALUK.**

**1. SITUATION.** This village is situated about 14 miles west of Tindivanam.

**2. AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 1199 acres; by Settlement it is 1181 acres; decrease 68 acres.

**3.** It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any survey field does not confer on the cultivator of that field the right of entering on such Poramboke, or of, in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.

**4. DEMARCATION.** This village, as now formed by Settlement, contains 7 Khandams or sub-divisions and 234 Survey fields.

No new fields have been laid out since Survey.

The demarcation marks erected and standing are:—

| Boundary Stations. | Division Stations. | Field Stones. |
|--------------------|--------------------|---------------|
| 36                 | 28                 | 1158          |

The village officers have given receipts for them and are now responsible for their upkeep.

**5. STATISTICS.** The Statistics of the village, as ascertained by the Census of 1881, are as under:—

| Bazaars. | Houses. | Population. | Land Pattas as per Settlement. | Cattle. | Sheep. | Wells. |
|----------|---------|-------------|--------------------------------|---------|--------|--------|
| 4        | 98      | 620         | 104                            | 350     | 206    | 41     |

**6. IRRIGATION.** The revised area and assessment under each source of irrigation and the class assigned to each with reference to its supply, capacity and the quality of the irrigation, are as under:—

| Source of Irrigation. | Quality. | Class assigned. | Details of Survey numbers comprising wet Ayacut.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | GOVERNMENT LANDS. |             |       |             |       |             | IMAM. |    |     |    |    |
|-----------------------|----------|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|-------------|-------|-------------|-------|-------------|-------|----|-----|----|----|
|                       |          |                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Occupied.         |             |       | Unoccupied. |       |             |       |    |     |    |    |
|                       |          |                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Area.             | Assessment. | Area. | Assessment. | Area. | Assessment. |       |    |     |    |    |

7. The unirrigated lands are placed in the 1st Group.

8. **BALING.** None.

No deduction for lift is made in the case of lands partly supplied by wells in the wet ayacut.

Lands irrigated solely by Doruvu, Itifac and Dasabandham wells, are not liable to any charge for second crop.

9. **WITHIN WELLS LIABLE TO TIRVAJASTI.** Besides lands under Doruvu, Itifac and Dasabandham wells, all irrigation from wells in the irrigated area when supplied to lands registered as unirrigated are liable to water-rate.

10. **CROPE.** The acreage of the crops cultivated in Fasil 1297 as per Kariam's account, is as under:—

| Names of Crops.   |     |     |     | Wet or Dry. | Area in Acres. |
|-------------------|-----|-----|-----|-------------|----------------|
| Paddy             | ... | ... | ... | Wet         | 113            |
| Ragi              | ... | ... | ... | do          | 32             |

| Total             |     |     |     |             | 324            |
| Total Wet and Dry |     |     |     |             | 474            |

**11 SETTLEMENT.** Commencing from the frontier of Nekannur village, block A, a slip of inferior red sand comprising Nos. 209 to 217, is assessed in class VII dry. South of A, block B, a tract of ordinary red sand comprising Nos. 163, 169, 172 and 187, and irrigated by Yeri, is assessed in class VI wet, and Nos. 163, 169, 171, 193, 199 to 208, and 218 to 226, in class VI dry. South of B, block C, a patch of inferior red sand, comprising Nos. 182A and 195A and I, irrigated by the same source, is assessed in class VII wet, and Nos. 87 to 89, 182B, 192, 194, 195B to H and J, and 196 to 198, in class VII dry. South of C, block D, a slip of worst red loam, comprising Nos. 82, 84, 85 and 86B to E, irrigated by the above mentioned source, is assessed in class VII wet, and Nos. 83 and 86A, in class VII dry. West of D, block E, a tract of inferior red loam comprising Nos. 45A to E, G and H, 56 to 60, 69, 70, 72 to 81, 90 to 93, 95, 96, 104, 105A, 106, 107 and 123, irrigated by the same source is assessed in class VI wet, and Nos. 45F, 46, 47 and 105B, in class VI dry. West and north of E, block F, a patch of good red loam, comprising Nos. 61 to 68, 94, 97 to 103, 108 to 113, 155 to 158, 162, 164 to 167, 170, 171, 173, 174, 176 to 181, 184 to 186 and 188A and C, irrigated by the same source, is assessed in class IV wet, and Nos. 188B and D, in class IV dry. Almost surrounded by F, block G, a slip of best red loam comprising Nos. 114 to 118, 144 to 154, 159 to 161 and 175, irrigated by the said source, is assessed in class III wet. West of G, block H, a patch of best red sand in which the village site is situated comprising Nos. 32 to 36, 126 to 128, 132 to 136, 139 to 143 and 163, is assessed in class IV dry. South of H, block I, a tract of good red sand, comprising Nos. 44E and 119C to E, irrigated by Yeri, is assessed in class V wet, and Nos. 12, 20 to 31, 37 to 43, 44A to D, 48 to 54, 119A, B, 120 to 122, 124, 125, 129 to 131, 137 and 138, in class V dry. South and west of I, block J, an area of inferior red sand comprising Nos. 1 to 11, 13 to 19, 55, 71 and 221 to 234, is assessed in class VII dry.

The above classification does not apply to the Poramboke lands included in these blocks.

No lands have been registered as permanent double crop land in this village.

The second crop on lands in blocks B, C, D, E, F, G and I, may be compounded for as permanent double crop at  $\frac{1}{3}$  the 1st crop assessment in future.

All Inams have been registered as single or double crop with reference to the entries in the Title-deeds, issued by the Inam Commissioner, and in the case of such as have not been dealt with by him according to the present revenue accounts.

Double crop Inams whether in single or double crop blocks or ayacuts will be entitled to water free of charge for the second crop and single crop Inams in double crop blocks or ayacuts can only claim water free of charge for one crop. If a second crop is raised water-rate must be paid. Single crop Inams can be compounded for at the same rates as the Government lands in the blocks in which they are situated, if the Inamdars wish.

**12.** The following table exhibits the revised assessment of the occupied area in the village:—

| Description of Land. | Block. | Dry.            |                |                |             | Wet.            |                |                |             |
|----------------------|--------|-----------------|----------------|----------------|-------------|-----------------|----------------|----------------|-------------|

**13.** The land assessment for Fasil 1297 was Rs. 1,474; by Settlement this Rs. 1,504; increase Rs. 30.

**14.** The former rates of assessment varied from Rs. 6-12-0 to Rs. 5-4-0 an acre in dry, and from Rs. 3-3-0 to Rs. 8-13-9 an acre in wet.

**15. PASTURAGE.** The only common pasturage in the village are the waste lands.

**16. VILLAGE SITE.** Is sufficient for present requirements.

No new patta will be granted for cultivation within the limits of the village-site, and no new enclosure is to be made or new building erected on Government Poramboke without permission in future.

17. INAMES. The following lands are held tax-free or on favourable terms—
