

DESCRIPTIVE MEMOIR OF MEENAMUR OF THE
TINDIVANAM TALUK.

1. **SITUATION.** This village is situated about 2 miles south-west of Tindivanam.

2. **AREA.** Cirkar Milmur and Inam. Milmur which formed separate villages as per Revenue accounts are Merged into one village during demarcation and survey. The area prior to Settlement was, omitting fractions, 425 acres; by Settlement it is 545 acres; increase 120 acres.

3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any survey field does not confer on the cultivator of that field the right of entering on such Poramboke, or of, in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.

4. **DEMARCATIION.** This village, as now formed by Settlement, contains 6 Khandams or sub-divisions and 93 Survey fields.

No new fields have been laid out since Survey.

The demarcation marks erected and standing are:—
