

DESCRIPTIVE MEMOIR OF SINNANOLAMBAI OF THE TINDIVANAM TALUK.

1. **SITUATION.** This village is situated about 33 miles north-west of Tindivanam.

2. **AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 344 acres; by Settlement it is 487 acres; increase 143 acres.

3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any survey field does not confer on the cultivator of that field the right of entering on such Poramboke, or of in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 2 Khandams or sub-divisions and 108 Survey fields.

No new fields have been laid out since Survey.

The demarcation marks erected and standing are:—

Boundary Stations.	Division Stations.	Field Stones.
7	2	314

The village officers have given receipts for them and are now responsible for their upkeep.

5. **STATISTICS.** The Statistics of the village, as ascertained by the Census of 1881, are as under:—

7. The unirrigated lands are placed in the 2nd Group.

8. **DALING.** None.

No deduction for lift is made in the case of lands partly supplied by wells in the wet ayacut.

Lands irrigated solely by Doravu, Itifac and Dasabandham wells, are not liable to any charge for second crop.

9. **WITHIN WELLS LIABLE TO TIRVAJASTI.** Besides lands under Doravu, Itifac and Dasabandham wells, all irrigation from wells in the irrigated area when supplied to lands registered as unirrigated are liable to water-rate.

10. **CROPS.** The acreage of the crops cultivated in Fasl 1297, as per Karmam's account, is as under:—
