

**DESCRIPTIVE MEMOIR OF PULIKKAL OF THE  
TIRUKOILUR TALUK.**

230

**1. SITUATION.** This village is situated about 7 miles north of Tirukoilur.

**2. AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 658 acres; by Settlement it is, 527 acres; decrease 131 acres.

**3.** It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.

**4. DEMARCATION.** This village, as now formed by Settlement

~~includes~~ 4 Khandams or sub-divisions and 122 Survey fields.

No new fields have been laid out since Survey.

The demarcation marks erected and standing are :—

| Boundary Stations. | Division Stations. | Field Signs. |

| 34                 | 10                 | 611          |

The village officers have given receipts for them and are now responsible for their upkeep.
